There are also a few record company meetings and radio corporate meetings scheduled for that weekend. The Convention will be rescheduled in the near future. FCC FURTHER AMENDS STATION IDENTIFICATION RULES

The Commission has further amended its rules concerning station identification announcements to permit the insertion of a station frequency

or channel number in such announcements.

Last February 3, the FCC amended Section 73.1201 (b) (1) of its rules to permit insertion of a licensee's name between the station call sign and city of license in station identification announcements.

(Previously, Section 73.1201 (b) (1) required that a station's call sign be "immediately followed by the name of the community or communities specified in its license as the station's location.")

That action was in response to a petition by Straus Communications,

HARTFORD, CONNECTICUT... I like WDRC but wish they would have the top 40 survey finishing earlier. I wish I could hear more Bruins and Celtics games... I listen to WDRC FM at home alot and when I'm in my car it's on WDRC AM or WABC, WRLR. I listen to Casey Casem on Sunday night which I think is good. I listen to the radio all the time; it's constantly going when I'm home and on the road... I enjoy "American Top 40" Sunday night on WDRC... Casey Kasem Top 40. Like good cancisive news coverage of local, national, and world events... American Top 40, Kasey Kasup... A favorite program of mine which. I did not listen to this week is "Top 40" with Kasey Kasem as host. "Top 40" is based on Billboard's top 40 and is played on more than one station but I listen to it Sundays on WDRC from 7:30-10:30PM.

SAN ANTONIO, TEXAS . . . I enjoy the Top 40 countdown on KTSA on Sunday morning . . . I look forward to the top 40 on KTSA 9:00-12:00 . . . I listen to the radio every night while I go to sleep and I wake up to music. On Sundays, I like to listen to Casey Cason's Top 40 Countdown played on KTSA from 9AM-12Noon . . Only look forward to Casey Cason's Top 40 countdown on Sundays 9:00-12:00 on KTSA! . . KTSA's top 30 on Friday starting at 3:00PM. Casey's Coast to Coast (American Top 40) 9:00AM to NOON . . . Thank you . . . Sunday Morning, Top 40 Countdown AM-KTSA 9:00-12:00. Monday Nights, Interview FM-KRMH 10:30-12:30. Weekdays, David Jarrot AM-KNOW 7:00-9:00 . . . I listéned, but anyway, Casey Cason's American Top Forty, Saturday mornings 9-12 is the best show on radio . . . One of my favorite radio programs is

American Top 40 ... K.C. Kazen—very good program to listen to. They play all the top 40 records every week.

CHARLOTTE/GASTONIA, NORTH CAROLINA ... WBT-AM on Sunday mornings around 9:30 or 10:00AM. They start counting down the 40 hits ... I think one of the best programs on the air is Sunday the top 40 hits on WBT-AM 1110 ... When I am in the car I jump from station to station listening to songs I like to hear. I tried to be as accurate as possible. I missed Casy Casem but I love that program Sun at 10:00AM-1:00PM WBT ... WBT 10:00AM to 1:00 Casey Cason's Top 40 ... MINNEAPOLIS/ST. PAUL ... I like to listen to American Top 40 on KDWB which I didn't this week ... Another problem with the radio is on most stations they have the weather on every halfhour. Sure you can have news but not so often-otherwise the radio is pretty good. My favorite program is KDWB top forty on Sunday nights . . . I especially like American Top 40 from Hollywood. It plays on KDWB. I like that station . . . American Top 40 Sunday . . . My favorite program is American Top 40 on Sunday hights at 8:00 on KDWB ... I really like "the top 40" with Casey Kasen Sunday nights on KDWB. I didn't listen to it this week but I hope they keep it on . . . I like American Top 40 on KDWB Sunday at 8:00PM. I also like Paul Harvey ... They should have the KDWB top 40 Saturday (same time) night instead of Sunday because a lot of people can't stay up till 11:00 if they have school the next day. I know I would listen to it every Saturday if they changed it . . . The Top 40 on KDWB is good. But I think most stations play too many commercials at one time ... Sunday night on KDWB I listen to Casey Casum's countdown "Top 40 Hits." Every morning I listen to Charlie Bush and Chuck Knapp ... I like the top 40 countdown on KDWB on Sundays at 8:00PM until 11:00PM. I like to listen to music before I go to bed ... KDWB Top 40 8:00 to 11 pm Sunday ... American Top 40 8:00-11:00PM Sundays ... The Parallel One **Playlists**

We are now publishing the complete playlists of each reporting P1 station. The advantage of this is that you can see, at a glance, the entire music activity at a station, per their list. Each hit record will continue to be broken out in full in the Parallels. From time to time we will include "guest" stations from Parallel 2 and 3. All playlists shown reflect the latest information available to us.

On August 13, 1976 **Hundreds Of Program Directors Will Expose** Themselves....

to each other in R&R's ARB Special, featuring complete market-by-market breakdowns, nationwide. A free bonus with your August 13th issue of R&R.

The convention has been postponed.

We have been contacted by many people within the industry requesting that it be rescheduled because of conflicting commitments.

Primarily, the National Radio Broadcasters Association (formerly NAFMB) is having its conference in San Francisco September 20, 21 and 22 which will prevent many general managers, who would like to participate in the AOR convention, from attending. This, in turn, creates an inconvenient situation for their program directors; many of whom will be unable to leave their stations at the same time as the general managers. Some stations do not have it within their budgets to send both GM's and PD's to two seperate functions at the same time.

In addition, a major group of AOR stations will be running their annual corporate conference of general managers, sales managers, and program directors that same weekend in another city, so these people will not be able to attend. This, also prevents their jocks from leaving the stations "unattended."

Furthermore, many radio people had previously scheduled their vacations over that weekend for the same reason we scheduled the convention then, because it falls conveniently between Arbitron rating periods.Not only is it a problem for many of them to change their plans, but it makes it difficult for other staff members to get away from the stations during the vacation schedules.

Even a major record company requested the change because they had already committed to an internal corporate conference that weekend.

Because of the extreme diversity of style and methodology in AOR radio, supported by outspoken opinions, it is crucial that the AOR convention give each faction its due and proper balance. This concern has been expressed to us by more people than can rightfully be ignored.

Radio & Records maintains the policy of being a mirror of the industry, in existence to serve the industry and help fulfill its needs.

Therefore, in compliance with the many requests to do so, we are postponing the AOR convention with the hope of rescheduling it on a more convenient weekend, perhaps soon after the 1st of the year.

An advisory committee representing the many AOR factions is being appointed for the purpose of finding the proper weekend.

Bob Seger made a recent appearance in Los Angeles where he met with various radio people. Pictured (L-R) are Ray Tusken, Capitol's National AOR Promotion Manager; Mary Turner, KMET-FM air personality; Seger; Mrs. and Mr. Mark Cooper, KWST MD; and Tom Salino, Los Angeles Promotion Manager.

DUKE & THE DRIVERS

They do a great job of capturing the beat and magic of early Rock and Roll and performing it with late 70's proficiency. Lots of easy to program material thats already getting good response from the AOR's already playing it. "I Need You't Lovin'" "Let Me Be Your Handyman" "Rollin' On" (ABC)

CHARLIE BLEAK

now but continues to build. A refreshing debuperformance by Singer/Gulter player Bleak Ipri nounced Blake. Plenty of Folky Rockers Ha-"sound good on the radio." The instrumentatio is crips and pleasant. "Let Me In (I'm. N Strenger)" "Nobody Knows Your Number" an "Voles Ion The Way" are worth looking into (Pip)

Chart Summary

STARSHIP is burning up the turntables, gathering al-most blanket airplay from coast to coast, building upon last week's number one position, and compiling one of the strongest showings in the history of this chart. MILLER and BECK are stable. ROD increased. The album is getting favorable reaction from programmers. CHICAGO maintained. TAY-LOR is hanging in there among the biggies. C/N continues to grow. BOYS picked up additional airplay. STEELY nudged up. AWB broke into the top ten. ANDERSON came on strong for the second week in a row. CARLY maintained. FRAMPTON enjoyed a healthy resurgence. COOPER made major gains. TRIUMVIRAT is the week's highest debut. The album is gathering raves from programmers. SPIRIT took a mighty leap. TUCKER re-surged. LIGHTFOOT maintained. BENSON nudged up. MAC remains. The album's been on the chart for over a year now. CITY picked up nicely. FURAY debuted impressively. CRAWLER debuted to good reaction. PAR-SONS maintained. PRATT bounced back onto the chart. THOMAS, EARTHQUAKE, M/A, and WAYLON debuted. NEIL DIAMOND and DER-RINGER almost made the chart

This chart is based solely on airplay and does not attempt to fabricate a trend. The artists in italics are those receiving the most rapid gain in airplay.

SIRDOUG

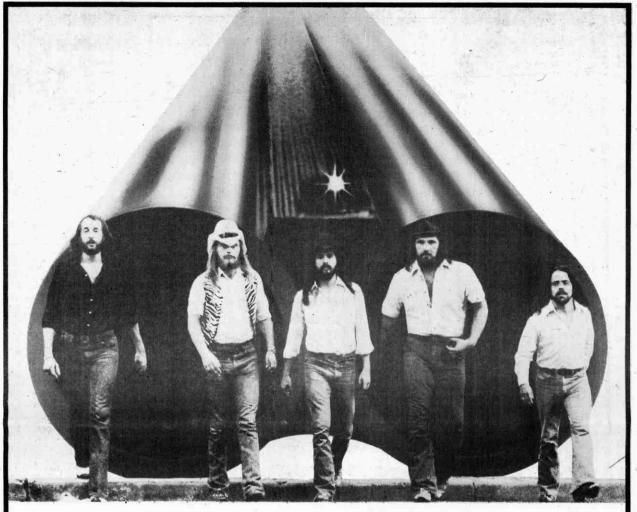

Fine Progressive Country crossover album featuring great vocal harmonies, instrumentation and grabbing material. Doug Sahm is at his best on guitar, piano, and fiddle. "I Love The Way You Love" "Floatsway" "You Can't Hid

JONATHON RICHMAN

He's always seemed to shun the success due him maintaining a low profile over the years. "Unique" and "Brilliant" are fitting adjectives to describe his offbeat look at life as represented in his music. "Rockin "Shopping Center" "New England" "Hi Dear" "Shopping Center" "New England" "Hi Dear" "Fire Little Insect." "Hare Comes The Market" "Teny There Little Insect."

ASLEEP AT THE WHEEL JONATH

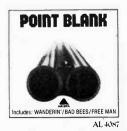

One of the meanest, baddest, toughest, most ornery bands ever to blow out an amplifier—with a high-powered rock n' roll performance that's already been hailed by critics and concert audiences from coast to coast.

Biff Collie INSIDE IASHVILL

TAMMY and MIKE invited only couple of press reps to their quiet Sunday afternoon wedding at Tammy's Franklin Road maneion and mys Franklin Road mansion, and less than 100 people. Her attend-ants included CBS' publicity head MARY ANN McCREADY, Tammy's secretary DOTTIE RUNYON, and three of her four daughters. SHEILA RICHEY, GEORGE's wife was matron of honor, and George played the organ. Tammy and Mike asked her band not to sell T-shirts at the reception. They didn't. They went to the White House Monday before they left for an undisclosed spot for their honeymoon. REALLY?? RED SOVINE's "Teddy

Bear" is honestly past 700,000 this week, according to CHARLIE DICK and TOMMY HILL. Tommy says, "What do we do for a follow-up?" Red left Monday for a show. Those weekends sure stretch out when you got a hit! Goes to show, you're never too old (Red will soon by sixty!)...WYNN STEWART may have one, according to Playboy's NICK HUNTER. Matter of fact, DALE NOE wrote this one for Wynn as a follow-up to his giant "Such A Pretty World Today," but Wynn went to a party and wasn't heard from until 1972 This one's called "After The Storm." Dale Noe is planning to remove to Music City...SOVINE, JEANNIE C. RILEY, BUCK OWENS, and MARGO SMITH all played the WPLO's annual Appreciation Week, the world's most spectacular Country station freebie. Oh yes, there were many others. As TOM Mc-ENTEE at GRT, B.J. McELWEE, BILL HALL or DON GANT about their trip to beautiful Ellis Park, Henderson, Kentucky last weekend. Hall's horse came in Tuesday...The Coun-try Music Hall of Fame electorate has received the final ballot for this year's election. Results at the CMA wards TV show in October, BILL WALKER, who just signed to conduct the orchestra for this year's affair flew from Honolulu to L.A. this weekfor West Coast record sessions JACKIE WARD, Mercury A-1 performer may yet be the first to get a record out without being covered or wiped out by another. Jackie first had "She'll Throw Stones At You," but FREDDIE HART beat him out with it. Then he recorded "Bring It On Home To Me," but MICKEY GILLEY beat him out with it. His new one is "I Never Said It Would Be Easy" (it wasn't!), and he's fairly confident about getting this one out first, because he wrote it! Makes sense! Nashville D.J. DAN HICE (or

DAN DALY) does a morning drive at WSIX Radio. He and his wife write songs, too. FRANK SINATRA's first single in a long time is being released, was written by Dan and Ruby, it's called "The Best I Ever Had." They haven't really gotten into thinking about making a lot of money on it. They're not over the trauma of getting a FRANK

SINATRA record.

Probably the greatest folia shown to come out in the last decade. Most cuts, as would be expected from Naggard, are six worthy. Strongest cuts: "Railroad Lady," "Union Station" and "The Hobo." Other very good cuts are: "No More Trains To Ride." "So Long Train Whistes."
"I Won't Give Up My Trains," as well as the title cut, Each cut has an introduction by Haggard and can be deletted, if necessary, because of a micro-second delay between intro and cut. Eccellent about.

POP/ ADULT

BY MIKE KASABO

New play and activity on Michael Frank's "Popsicle Toes" is looking really strong...adds include WIP, KNBR, WSAV, WATR. First station to

our knowledge to report playing the song was WEEI-FM in Boston.

The new Melissa Manchester was shipped without an "A" side marked. At this point most of the activity is for the "Happy Endings" side, A few stations, including KHOW, continue to play both sides.

New Diana Ross off to a strong start with additions at WGAR, WMAL,

Bill Wade, formerly jocking at KHJ, is now Director of Operations for Dellar Broadcasting. Bill will be overseeing all programming and sales operations. One of the stations he's involved with, KMEN/San Bernardino, will now require consistent album product...Wade is re-structuring the

format there and will need the LP product to help him make the change.

Looking stronger each week is the Sante Fe record "Adios." This
week landing airplay at WSB, WTRX, WMBC and WLNH to mention a few.

The Shirley & Squimley record continues at a hot pace in Savannah

via WSAV...moving 18-11.
Red Sovine's tear-jerker "Teddy Bear" on Starday picked up some more good play this week on KULF, WSAV, KCRA, It's a big telephone

After an add here an add there...Candi Staton is now starting to rack up solid play with her "Young Hearts Run Free." Latest to play it include WGAR, KULF, KNBR, WFTF, KITE.

Roger Whittaker is off to his best start since "The Last Farewell."
The title of his new one is similiar "The First Hello, The Last Goodbye." And is from the album "Reflections Of Love." See New & Active for station breakdown.

George Benson's "This Masquerade" continues to look like the biggest breaker in sight...Check New & Active for latest station breakdown.

Strong starter for MCA is the Lesley Duncan record "Rescue Me." First week action shows adds at WMAL, KWAV, KRKK, WLNH.

Anthony Newley keeps building with his "Teach The Children" recording...add WSB, WSAV and KRKK.

The much played "Stargazer" cut from Neil Diamond's latest album has been covered by Frank Sinatra. The FS arrangement is similar in nature and of course has the normal clean big band sound with the help of Don Costa...conducted by Bill Miller.

CAPTAIN & TENNILLE' "MUSKRAT LOVE" **ISAHIT AND IT'S NOT EVEN** A SINGLE. (YET.)

"Muskrat Love" became an instant favorite when the "Song of Joy" album was released just over 4 months ago. It continues to sustain an amazing amount of airplay as evidenced by reports in the Gavin and Rudman sheets for the past 19 straight weeks. And it's still an album cut.

Includes the hit singles "Love Will Keep Us Together" and "The Way I Want To Touch You" and the original version of "I Write The Songs."

Produced by The Captain

Includes the hit singles "Lonely Night (Angel Face)" and "Shop Around" and the current album favorite "Muskrat Love"

Produced by The Captain and Toni Tennille
