Song's 12-spot jump on Adult Top 40 (33-21) is that chart's best move since Goo Goo Dolls' "Stay With You" charged 37-21 in the April 29, 2006, issue.

Title takes chart's biggest leap as rapper's album release finally places track in digital universe and on Hot Digital Songs (No. 13, 50,000).

Heartthrob's biggest Hot 100 song in five years also marks his longest No. 1 stay on Hot Latin Songs—seven weeks—since 1997's "Solo en Ti" led for 10 frames.

Band is vying for its fourth straight Modern Rock top 10 with song that jumps 27-21 on that list.

Singer's rendition of John Lennon classic is the leading digital seller from the "Instant Karma" collection (14,000 downloads).

The latest in VP's successful series (nearly 2 million units sold) features such acts as Mavado, Munga and Sean Paul (pictured).

After nearly eight years away from the chart, the singer/song-writer returns with her first album for Decca. Guests include Herbie Hancock and David Foster.

After album was reissued with three bonus tracks and a DVD with videos and live footage, set jumps by 40%.

Major label debut from band starts with 6,000 and a No. 2 entry on Top Heatseekers.

The DVD release of the film on June 12, coupled with Perry's new USA series and Father's Day shopping, yields this soundtrack's 187% increase.

Now in its seventh week in this chart's top 10, song leaps into top 10 of Hot 100 Airplay (13-9).

Previously available as a Verizon exclusive, song moves 74,000 downloads upon wide release and is only third top 20 re-entry on Hot 100 in this decade.

Song remains No. 1 on Modern Rock for a 10th week, the first double-digit stay there since Red Hot Chili Peppers' "Dani California" hit that mark one year ago this week.

The ninth entry by Disney Channel character was stripped onto show's deluxe soundtrack. It scores her best Hot 100 peak and biggest digital sales week.

Song, not yet available digitally, hits top 10 on Hot 100 Airplay in just four weeks (15-5), the quickest climb by a new male artist since Lou Bega in 1999.

MOVIE AWARDS LIFT WINEHOUSE

British sensation Amy Winehouse soars 48-10 on The Billboard Hot 100 with "Rehab" as the title takes Greatest Gainer/Digital honors with a 160% sales spike (78,000 downloads).

Winehouse performed the funk on the June 3 cablecast (and count-

less subsequent airings) of the MTV Movie Awards. "Rehab" also had a huge week at radio, nearly doubling its audience to 14 million.

Her album "Back to Black" also benefits, taking the Greatest Gainer tag on The Billboard 200 (No. 1C, up 33%).

Musical film starring the frames' Glen Ballard expanded to more theaters last week, helping the soundtrack debut with 7,000 (up 10%).

Former Fairport Convention singer's ninth charting solo album is his highest-charting since 1996's "You? Me? Us?" hit No. 97.

He'll co-star in the upcoming "High School Musical 2" film, which will spawn a rare CD single release from Walt Disney Records on July 17.

Blue October benefits from Best Buy sale. The Kooks' bow at No. 16 with 5,300 (up 231%) follows iTunes promotion with a \$3.99 sale.

She was on the same episode of "Oprah" as Robin Thicke. Her album re-enters with a 50% increase.

Both artists are enjoying their fourth top 10 hits from their respective albums. His prior three have topped the chart, and she's had a pair of No. 1 songs with it.

Latest "Idol" winner posts the lowest first-week sales for a coronation song at 74,500 downloads. But this year's digital-only release competes with Sparks' multi-track EP (see Hot Box, page 65).

Seventeen-year-old Jamaican native makes maiden Hot 100 appearance with song that climbs 25-15 on Rhythmic chart.

Rihanna's 277,000 downloads for "Umbrella" at No. 1 falls just shy of the single-week mark of 255,000 that Fergie's "Fergalicious" set in the Jan. 13 issue.

Album release brings 230% digital spike. That and a 10% airplay jump propels Louisiana rapper into the chart's upper half for the first time as a lead artist.

RIHANNA'S 'UMBRELLA' OPENS WIDE

Rihanna rules The Billboard Hot 100 for the second time as 277,000 first-week digital sales spring "Umbrella" 41-1. The song, featuring Jay-Z, outpaces Shop Boyz' "Party Like a Rockstar," which leaps 51-2 while debuting on Hot Digital Songs at No. 2 with 173,000 downloads. Digital anticipation was high for both songs, as each rank in the top 10 of the Hot 100 Airplay chart. "Umbrella" has the highest debut-week sum since Nielsen SoundScan began tracking downloads in 2003, surpassing the 250,000 that "SexyBack" tallied in the Sept. 9, 2006, issue.

Upper places the big chart for the first time since 2002 with a 10-track album containing six new songs and 10 covers.

Even a 0.6% sales gain yields a big move for Macy Gray. After a May 24 discussion with the singer on National Public Radio's "Tell Me More," album re-enters at No. 187.

It's the highest-charting album for the duo since 1997's "Cowboy" (No. 43). Its last proper studio set, 2005's "Nightbird," peaked at No. 154.

He and Daughtry both gain more than 40% following performances on "American Idol" last week.

TV-hyped compilation boasts dance mixes of hits from Christina Aguilera, Pink, Rihanna, HelloGoodbye and others.

Band's appearance on "American Idol" leads to digital sales bump, making it the first song to return to No. 1 since Mariah Carey's "We Belong Together" in July 2005.

Former "American Idol" finalist Elliott Yamin's return to that show almost quadruples digital sales spike (up 275%) for title at No. 31. Song is taking off at top 40 radio, too (No. 24 on Pop 100 Airplay).

At No. 33, Enrique Iglesias is back on the chart for the first time since the spring of 2002. This is his best Hot 100 start, with 14,500 downloads.

Former unsigned MySpace sensation, now with Universal Republic, makes chart debut, thanks to sales of 14,500 downloads.

Song becomes the first to jump into top three of Hot 100 Airplay from below No. 10 (12-3) since that chart expanded to all formats in December 1998.

BETWEEN THE BULLETS silvio@billboard.com HISTORIC CLIMB FOR UNDERWOOD

Carrie Underwood's former Hot Country Songs Underwood's trek, Creed achieved its total in two No. 1, "Before He Cheats," moves 11-8 on The Billboard Hot 100 in its 38th week, the longest climb to the top 10 in the chart's history.

The song breaks the longevity mark of 36 weeks set by Creed's "Higher" in the July 8, 2000, issue. Unlike separate chart runs that were interrupted by a two-month absence. "Cheats" originally peaked at No. 16 in November on the apex of its country airplay and dipped to No. 41 before top 40 play and digital sales turned it around. —Silvio Pietroluogo

Rapper's debut single becomes his first Hot 100 top 10. His inaugural album hits retail June 19.

Song returns to the Hot 100 top 10 and moves into the top 10 on Hot 100 Airplay. Also becomes her first top 10 on Adult Top 40.

With its tour launching May 11, the second most-played video on MTV and a 30% upswing in airplay, band sees digital sales climb by 13,000 units.

The first release from rap superstar's forthcoming "Curtis" album is his highest-debating Hot 100 song to date as a lead artist.

Lifehouse's debut at No. 48 is the band's first appearance on the chart since its top five smash "You and Me" ended its decade-high 62-week run in April 2006.

An obvious gift for mom (it's up 30%), the legend's album sales now stand at 1.5 million units.

Emerson Drive's "Countrified," released in September, finally debuts (No. 173, up 17%). Group's "Moments" rises 6-3 on Hot Country Songs.

Collection features stripped numbers from the All-American Rejects (pictured), +44, Anti-Flag, Silverstein and others.

Boys Like Girls (No. 142, up 39%) benefits from a \$7.99 sale tag at Best Buy, as do titles at Nos. 84, 108 and 164.

At No. 172, the DVD release of "Music and Lyrics" is the catalyst behind the 123% sales jump for the soundtrack.

With a sixth straight week as the top airplay gainer, singer/songwriter/producer becomes first male solo artist to score such a streak since 50 Cent's six-week run with "Candy Shop" in early 2005.

Song jumps 11-8 on Adult Top 40, joining band's first single "It's Not Over" (No. 2) in that list's top 10.

The radio popularity of the Shop Boyz song at No. 61, which is not available digitally, spurs sales for this rapper's similarly titled and like-minded track (No. 60 on Hot Digital).

Green Day debuts at No. 53 with one of the John Lennon covers from the forthcoming "Instant Karma: The Campaign to Save Darfur".

California rapper finds success at West Coast rhythmic stations and sells close to 8,000 digital downloads.

Current single "Change" is in the top 10 on Dance Club Play and Adult Contemporary.

After act's "American Idol" guest turn, set re-enters with 333% gain. Band also appears at Nos. 1 and 3 on Pop Catalog with boosts of more than 300%.

Elvis Costello's latest hits set at No. 110 boasts such singles as "Alison," "Pump It Up" and "Radio, Radio."

Three of the headliners for the May 5-6 Stagecoach Festival in Indio, Calif.—including George Strait (No. 148)—experience sales bumps this week.

As "Stolen" single gains at radio, album jumps 47%. Its digital sales are up 121%, aided by \$7.99 price at iTunes.

Former "American Idol" winners give chart its first simultaneous top 10 debuts since 2003 "A.I." finalists Clay Aiken and Ruben Studdard respectively opened in top two slots that June. Underwood's song is first iTunes exclusive track to debut in the top 10.

One of three songs (No. 6 and No. 56 are the others) to debut from the "American Idol Gives Back" selections available exclusively on iTunes. Groban's original version peaked at No. 73 in April 2004.

Band's first Hot 100 appearance in nearly two years instantly becomes its highest-peaking song.

With 243,500 downloads, Maroon 5's chart-topping song posts the third-best opening-week digital tally since Nielsen SoundScan began tracking sales in 2003.

MAROON 5'S 'WONDER-OURS' MOVE

Maroon 5 sets the mark for largest jump to No. 1 in the history of The Billboard Hot 100 as "Makes Me Wonder" soars 64-1 on the strength of a No. 1 debut on Hot Digital Songs (243,500 downloads). The rise surpasses the 52-1 jump by Kelly Clarkson's "A Moment Like This" in the Oct. 5, 2002, issue.

The band's first Hot 100 No. 1 is unfair exceptionally well at radio, moving into the top 10 (12-10) on Pop 100 Airplay while becoming the first song since Green Day's "Wake Me Up When September Ends" in October 2005 to hit the Adult Top 40 top five (6-5) in five weeks or less. —Silvio Pietrolungo

FALL OUT BOY'S 'RACE' STARTS FAST

Fall Out Boy's "This Ain't a Scene, It's an Arms Race" moves 152,000 downloads three weeks before the band's new album reaches retail. It is the largest opening-week tally for a group since Nielsen SoundScan began tracking digital sales in 2003. "Race" cops the Hot Shot debut at No. 2 on The Bill-

board Hot 100, the highest bow for a band since radio-only titles joined the chart in December 1998. The last group to start as well or better: Aerosmith's "I Don't Want to Miss a Thing," which bowed at No. 1 under the Hot 100's previous rules in the Sept. 5, 1998, issue. —Silvio Pietrolungo

TIMBERLAKE TAKES THREE

Justin Timberlake becomes the first lead artist in almost two years to place three songs within the top 20 of The Billboard Hot 100. "What Goes Around... Comes Around" climbs 21-12 and joins former No. 1 track "My Love" (No. 8) and "SexyBack" (No. 16) in the upper fifth of the chart. The song makes similar strides on Hot 100 Airplay (20-13) and Hot Digital Songs (26-14).

50 Cent was the last lead artist to hit this top 20 trifecta when he charted with "Just a Lil' Bit" (No. 5), "Candy Shop" (No. 10) and "Disco Inferno" (No. 20) in the May 21, 2005, issue.

Track is Texas band's second straight top 20 hit on the Adult Top 40 chart.

With digital sales down 28% after last week's record volume, every title from last issue's Hot Digital Songs posts a decline, precluding a Hot 100 Greatest Gainer/Digital award.

Academy Award-winning rap trio takes top debut with track from April release "Last 2 Walk." Act also stars in new MTV reality series "Adventures in Hollywood," premiering March 14.

Nearly one year after "Stupid Girls" peaked at No. 13, singer is back with another track from her "I'm Not Dead" album.

Tennessee native is poised for his second straight Hot Country Songs chart-topper as track stands by at No. 2 for a second week.

BEYONCÉ FINDS HER BEST AUDIENCE

Beyoncé makes it a half-dozen weeks at No. 1 on The Billboard Hot 100 as "Irreplaceable" ups its audience total to 196.3 million listener impressions.

It's the best audience week of her career (with or without Destiny's Child) and is the second-best total among all songs in the chart's history.

Mariah Carey's "We Belong Together" posted six weeks with a better audience sum, culminating in 212 million impressions in the July 9, 2005 issue.

With 28 weeks at No. 1 as a soloist, Beyoncé is tops among female artists this decade, increasing her lead over Carey by 11 weeks.—*Silvio Pietrolongo*

With all but three titles on Hot Digital Songs posting sales gains, band's title shows the best improvement (up by 26,000).

Act's fifth consecutive top 10 at Modern Rock gains most spins on that chart as it rises 9-6 (up 168 plays).

With 6-5 move on Adult Top 40 chart, Thomas ties John Mayer for most top five hits by a male artist. His band Matchbox Twenty holds the chart's overall mark with nine top fives.

Growth at top 40 radio and a new weekly high in digital sales (23,000, but not enough to bullet on a high-volume Digital Songs chart) pushes song to new Hot 100 peak.

"American Idol" finalist makes his debut with track that sells 26,000 downloads. "Wait for you," also from his soon to be released album, picks up major-market radio play.

Song moves to the top of Hot 100 Airplay with 107.8 million listener impressions, the lowest total on that chart since September.

Band's fourth top 10 on the Adult Top 40 chart from its latest album. Only four other albums in the 11-year history of the list equaled that output.

Band failed to chart on Hot 100 with studio version of this track, which hit Modern Rock's top 10 in 1999.

Temporary removal of Fergie's "Glamorous" from iTunes and its subsequent return explain track's yo-yo chart movement the past few weeks (9-33-55-8).

LAVIGNE SEES CAREER-BEST DEBUT

Avril Lavigne previews her April 17 album "Best Damn Thing" with "Girlfriend," debuting at a career-high No. 5 on The Billboard Hot 100. "Girlfriend" sells 122,000 downloads to debut at No. 3 on Hot Digital Songs, impressive considering the track is just starting to garner radio play. The title was recently the top streamed song on AOL, and the video has been a mainstay on MTV's "TRL" countdown since its Feb. 26 debut. —Silvio Pietrolongo

MIMS PUTS THE 'HOT' INTO HOT 100

"This Is Why I'm Hot" by Mims explodes 32-1 on Hot 100, trailing only Kelly Clarkson's "A Moment Like This" (52-1) in 2002 and Rihanna's "SOS" (34-1) last May. Rihanna also makes noise, as "Break It Off," with Sean Paul, flies 52-10 (No. 8 on Digital Songs, 73,000 sold). Release was held up as the artists' labels negotiated rights.

GRAMMYS BRING CHICKS 'NICE' RISE

More than five months after Dixie Chicks' "Not Ready to Make Nice" ended a 20-week run on The Billboard Hot 100, it returns to the list at a new peak (No. 4) thanks to the digital aftermath of their five Grammy Awards.

The song and record of the year winner moves 43-2 on Hot Digital

Songs (120,000, up 410%) in the full week following the Grammys. A reactionary sales spike for an older title would not usually entitle a Hot 100 re-entry, but in this case, "Nice" recently charted at Adult Top 40 (at No. 38) and is being actively reworked to adult formats. —Silvio Pietrolungo

Trick or treat! The 101 Strings Orchestra's "Halloween" is up 68% (No. 118) while three spooky entries on Top Pop Catalog make waves (Nos. 5, 10, 25).

Internet sales push it to a No. 14 debut on Top Internet Albums as its sales improve 2% overall in its second week.

While "Jersey Boys" holds at No. 1 on Top Cast Albums, the new Broadway Cast Recording of "Grease" starts at No. 4.

Speaking of "Grease" (see No. 122), Frankie Valli's "Romancing the '60s," his first solo album since 1978, misses the chart by just a handful of units.

Associates of Mark Ronson and Amy Winehouse also debut at No. 3 on Top Heatseekers, shifting 4,000 copies.

Song previews '07 "American Idol" winner's self-titled debut album, due Nov. 20.

iPod Nano TV spot brings second straight digital gainer award (up 75% to 128,000 downloads), pushing song into top 10. Airplay starting to come along with 1.9 million impressions (up 65%).

Post-release digital decline causes drop in rank, but rapper becomes first lead artist since Nelly in July 2002 to take successive Greatest Gainer/Airplay honors with two different songs. "Stronger" claimed the award last issue.

Timbaland surges 22-6 to earn the third top 10 from his solo debut album. Track has largest audience gain on Pop 100 Airplay (up 7.5 million impressions) and jumps 10-5 on Hot Digital Songs (up 75%).

With an 11-8 jump on Modern Rock, song becomes band's fourth top 10 on that list and first since "Remedy" peaked at No. 5 in July 2005.

All-star collection boasts tracks from Corinne Bailey Rae (pictured), Paul McCartney, Elton John and more.

The singer/songwriter's fifth full-length album becomes his first to reach The Billboard 200, shifting 6,000.

Band's latest best-of is a 34-track double-disc affair—not to be confused with a same-named 16-song 2001 album that peaked at No. 92.

At No. 101, Hurt's new one begins with 7,000, good for No. 1 on Top Heatseekers. Band's 2006 album "Vol. I" spent one week on the Billboard 200 at No. 175.

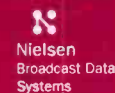

Blue October's retitled and reissued "Foiled" album debuts at No. 106 while the Sept. 23 PBS premiere of Ken Burns' latest documentary propels the No. 162 bow of "The War."

Third single from "Back to Basics," and second straight one co-written with Linda Perry, makes another impressive leap.

'GLAM' SLAM FOR FERGIE

Fergie scores the second No. 1 on The Billboard Hot 100 and "Fergalicious" (which holds the one-week sales record of 295,000 downloads). The track moves 166,000 downloads to also grab the top spot on Hot Digital Songs. It's Fergie's third straight No. 1 on that list, following "London Bridge" (which also topped

the Hot 100) and "Fergalicious" (which holds the one-week sales record of 295,000 downloads). With three No. 1s on Hot Digital Songs to her credit since the chart's launch in February 2005, Fergie is tops among females, and she matches Eminem and Justin Timberlake for most No. 1s overall. —Silvia Pietrolungo

PBS airings of Loreena McKennitt's "Nights From the Alhambra" concert help her album rebound (No. 166, up 34%).

It's the original since December and best rank since August.

Oddly, the band never reached the top 100, thus, it is still eligible for Top Heatseekers (No. 3).

At No. 195, !!! reaches the chart for the first time and starts at No. 3 on Electronic Albums.

With solid radio support in Los Angeles on KCRW, KROQ and KOLD, the Swedish trio debuts (4,000).

BETWEEN THE BULLETS silvio@billboard.com

T'S COUNT DOWN TO FIRST NO. 1

Plain White T's earn their first Hot 100 No. 1 as "Delilah" holds No. 1 for a third week on Hot 100 Airplay, but its sales slide (down 12%) for the first time in its 15 weeks on that list. The song's initial move into the top 10 on Hot 100 Airplay (11-9, 63.5 million audience impressions) offsets the loss in sales points.

A "Today" show performance July 10 pushes a 60% gain. The singer's new album drops Sept. 18.

The gypsy punk band, which guested with Madonna during her Live Earth performance, also bows at No. 2 on Top Heatseekers.

His 2003 debut missed the chart, but his profile has since risen thanks to his production on Amy Winehouse's album (No. 9). His new set debuts with 6,000 sold.

Corbin Bleu (No. 141) gain after special editions with bonus content were released at Wal-Mart.

After the album's reissue with bonus songs and remixes, it climbs back on with a 350% gain. It also re-enters Top Latin Albums at No. 10.

Singer becomes first lead artist to notch four No. 1s on Pop 100, advancing 2-1.

Release of chart-topping album sparks 10% gain for lead single, which jumps 11-8 on Hot Digital Songs (62,000 sold). New track also arrives (18,000 units).

Fresh off July 8 MTV premiere of "Super Sweet 16: The Movie," Aly & AJ make chart's largest leap (77-48) with a 69% gain in digital sales (34,000 downloads). "Insomniac" should how in top 15 on next issue's Billboard 200.

It's a good week for songs titled "Like This," as both reach the top 40 at the same time (Nos. 30 and 36). Mims also hits top 10 on Rhythmic list (11-36).

Exactly one year after "SexyBack" entered Hot 100, sixth charting single from "FutureSex/Love Sounds" debuts at No. 85.

T-PAIN STIRS PAIR OF TOP 10 HITS

A toast to T-Pain, who becomes the first lead artist to place two simultaneous titles in The Billboard Hot 100's top 10 since Akon in the Feb. 3 issue. "Bartender," coincidentally featuring Akon jumps 14-10, joining T-Pain's similarly themed former No. 1, "Buy U a Drank (Shawty Snappin)," in the chart's top tier (No. 5). "Bartender" is the second single from "Epiphany," which debuted at No. 1 on The Billboard 200 and Top R&B/Hip-Hop Albums. The song becomes T-Pain's fourth top 10 since "I'm Sprung" reached No. 8 in November 2005. —Gary Trust

Nutini (up 83%) and Fall Out Boy (No. 44, up 5%) each gain after separate visits to NBC's "Today."

On Top Cast Albums, "Boys" holds at No. 2 while the Original Broadway Cast Recording of recently closed "Pirate Queen" bows at No. 4.

After more than a year in release, Red's "End of Silence" finally cracks the big chart at No. 194 with 4,000 thanks in part to radio hit "Breathe Into Me."

The most senior title on the chart will say goodbye to The Billboard 200 and move to catalog status next week after two years and 1 million sold.

Songstress moves to the top of Hot 100 Airplay, her first No. 1 on that list.

County superstar equals his all-time Hot 100 peak, established by 2002's "The Good Stuff." Song opens at No. 18 on Hot Digital Songs, and its 44,000 downloads dwarf artist's prior single-week best of 16,000 for "Summertime" in 2006.

Hannah or Miley? Of five Hot 100 tracks from the No. 1 album, the two best sellers belong to the TV character. (\$4,000 downloads and \$3,000).

Reba McEntire, left, joined by Kelly Clarkson, debuts at No. 52 with "Because of You," from the recently premiered "CMT Crossroads." Clarkson's original version peaked at No. 7 in November 2005.

WHITE T'S DRESS UP DIGITAL CHART

Chicago's Plain White T's jump 4-3 on The Billboard Hot 100 and top Hot Digital Songs, as "Hey There Delilah" moves 14¢,000 downloads. The track continues climbing at radio: 19-14 on Hot 100 Airplay and 13-9 on Pop 100 Airplay. "Delilah" is Hollywood Records' best Hot 100 showing since Jennifer Paige's "Crush" peaked at No. 3 in 1998. The last time the label had a top 10 hit on Pop 100 Airplay and a top 20 song on Hot 100 Airplay was when Kelly Clarkson's "Breakaway" and Jesse McCartney's "Beautiful Soul" each peaked in spring 2005.

June 29 performance on NBC's "Today" sparks 7% gain for Hilary Duff (No. 126). Her tour kicks off July 28 in Winnipeg.

At No. 123, metal band Symphony X, which has been around since 1994, finally makes its Billboard chart debut. It also begins at No. 1 on Top Heatseekers.

The release of a CD/DVD edition—packaged with six bonus songs, four videos and full-length concert—gooses 207% jump.

With a new frontman in Kyle Patrick, the act debuts with 6,000. Its last set started at No. 15 in 2005 with 52,000.

After Jon McLaughlin's (No. 178) June 27 turn on "Today," his album's sales rise by 53%, its best sales week (4,000) since its May debut.

Timbaland leaps 40-18 as digital downloads double, reflecting the song's growth at radio where it takes the biggest percentage gain on Hot 100 Airplay (up 40%, 66-39).

While "Ever Present Past" climbs to No. 21 on Adult Contemporary, this track is the top digital seller from legend's latest set, thanks to his Apple commercial and video play on VH1.

Shreveport, La., teen takes the top debut on Hot Digital Songs (No. 27, 35,000 downloads) with track that resides in top 20 on Hot R&B/Hip-Hop Songs (No. 12) and Rhythmic (No. 17).

As their albums debut atop The Billboard 200, the White Stripes at No. 30 (45,000) and Bon Jovi at No. 39 (35,000) see the digital sales for their lead singles rebound to levels not seen since each title entered Hot Digital Songs.

NICKELBACK'S 'ROCKSTAR' PARTY

Nearly five months after last appearing on The Billboard Hot 100, Nickelback's "Rockstar" returns at No. 47, besting its prior peak of No. 54, achieved in the Jan. 13 issue. "Rockstar" was promoted to rock radio last fall and peaked at No. 4 on billboard.com's Mainstream Rock chart at the same time the band's "Far Away" was the single of choice at top 40.

With "Rockstar" standing at No. 13 on Adult Top 40 and No. 40 on Pop 100 Airplay, the song is eligible to re-enter the Hot 100 because it surpasses the recurrent threshold of No. 50.

After two albums for Hollywood, the 20-member-strong group debuts with its first release for TVT.

Singer's tribute to Dinah Washington returns her to the Billboard 200 for the first time since 2002. The set also starts at No. 3 on Top Jazz Albums.

Bon Jovi's 2005 album (at No. 129) is up 46% as band's newest bows atop chart. Group's "Cross Road" best-of set is No. 2 on Top Pop Catalog, where Journey's "Greatest Hits" reaches No. 1 for the first time.

The double-disc effort boasts material from 1993 to the present.

Act scores its first top 10 with song that samples Supertramp's "Breakfast in America," the title track to that band's 1979 multiplatinum album.

Singer earns her third top 10 in just six months, equaling the top 10s that her group, the Black Eyed Peas, amassed in six years of charting.

After taking home two Grammy Awards, track marks his first No. 1 on the Adult Contemporary chart.

Sheryl Crow enters at No. 78 with song featured in her Super Bowl ad for Revlon. Net proceeds of iTunes exclusive benefit fight against breast cancer.

Mims' track at No. 46 is top airplay gainer for a second straight week, moving 21-11 on Hot 100 Airplay.

FURTADO 'RIGHT' AT HOME AT NO. 1

It took nearly five years for Nelly Furtado to return to The Billboard Hot 100 after starting her career with back-to-back top 10s in 2001. Now six months after comeback smash "Promiscuous" clocked six weeks at No. 1, she reclaims the chart's peak with "Say It Right."

The track moves 5-4 on Hot 100 Airplay with a 5% audience impressions increase while reversing those ranks on Hot Digital Songs despite a 3% sales bump.

"Right" replaces Beyoncé's "Irreplaceable," which spent a lengthy 10 weeks at No. 1, the most since Kanye West's "Gold Digger" started a 10-week run in November 2005. —Silvio Pietrolungo

DIGITAL SALES PUSH PRETTY RICKY

"On the Hotline" by Pretty Ricky skyrockets 72-12 on The Billboard Hot 100, aided by a No. 12 debut on Hot Digital Songs (50,000 downloads). The track was held from digital release so it could hit the market with album "Late Night Special," which bows atop The Billboard 200 and Top R&B/Hip-Hop Albums.

"Hotline" is the quartet's third straight title to reach the top 15 on the Hot 100 and its second top 10 on Hot R&B/Hip-Hop Songs (13-10). Pretty Ricky first hit in 2005 with debut single "Grind With Me," which reached No. 7 on the Hot 100 and No. 6 on Hot R&B/Hip-Hop Songs.

He is the first artist since 50 Cent in May 2005 to simultaneously place three songs in the top 10.

Singer returns to top 10 for the first time since 2002's "Just Like a Pill."

Fergie takes the Hot Shot Debut at No. 41 with song performed on April 18 edition of "American Idol." Exposure leads to sales of 35,500 downloads and a No. 21 entry on Hot Digital Songs.

Song is joined in Modern Rock top 10 by Plain White T's' "Hey There Delilah" (No. 53 on this list), giving Hollywood Records two top 10s on that chart for the first time in its 16-year existence.

Title moves into top 10 of Hot 100 Airplay (11-10). Expect big move on this list next issue as long-awaited digital release occurred April 24.

BETWEEN THE BULLETS silvio@billboard.com AVRIL ACES HOT 100

Avril Lavigne reaches the summit of The Billboard Hot 100 for the first time in her career as "Girlfriend" rises 3-1, pushed to the top by its No. 1 ranking on Hot Digital Songs (156,500 downloads). The song is her fifth top 10 and best showing since her debut single, "Complicated," peaked at No. 2 in the Aug. 3, 2002, issue.

"Girlfriend" moves to the top of the Hot 100 in the same week that Lavigne's album "The Best Damn Thing" enters The Billboard 200 at No. 1. She is the first artist to simultaneously have the top slot on both charts since Nelly Furtado ("Promiscuous" and "Loose") in the July 8, 2006, issue. —Silvio Pietrolungo

In its fifth week on Top Gospel Albums, it becomes Jakes' seventh top three on that chart.

At No. 135, Papa Roach's album has its best sales since November 2006, as single "Forever" keeps growing at radio.

The singer, who died in March of heart failure, makes a posthumous bow on The Billboard 200 with 5,000.

With 5,000, it's the album's best sales week since Christmas, thanks to a feature on National Public Radio's "Weekend Edition" (April 21).

Following his performance April 16 on the 2007 CMT Music Awards show, hits package scoots with a 2% increase.

Song that has resided in the top 10 during each of its seven chart weeks moves up to a new peak.

Song finally hits top 15 in its 33rd week on the chart, the slowest climb to this level in the history of the Hot 100.

Digital sales improve more than six times over prior-week sales after song was featured in video in "Grey's Anatomy" highlights show April 12.

Superstar's 15th chart entry as a lead artist is her first sung in Spanish and her first title on the list since the spring of 2005.

Fall Out Boy claims its second straight Hot Shot Debut from "Infinity on High" set at No. 67, though that is significantly lower than the No. 2 start for its first single, now No. 38.

T-PAIN FEELS NO PAIN IN TOP 10

T-Pain moves 10-7 on The Billboard Hot 100 as "Buy U a Drank (Shawty Snappin') takes dual honors of Greatest Gainer/Digital and Airplay. It's the first song to earn the double award since "Irreplaceable" by Beyoncé in the Dec. 2, 2006, issue.

This extends T-Pain's career starting streak of top 10s to three. The Tallahassee, Fla., native moves into the top 10 on the Hot 100 Airplay and Hot Digital Songs charts. "Drank," featuring Yung Joc, jumps 13-7 on the former (up 12 million listener impressions) and 12-8 on the latter (up 42% to 76,000). —Silvio Pietrolungo

After her "American Idol" performance, song flies 7-1 on Hot Digital Songs (140,200 downloads, up 67%) and rises to the top of both Pop 100 and Pop 100 Airplay.

Title sets record by a solo country male on Hot Digital Songs for highest debut (No. 9) and highest sales sum (\$6,500 downloads). Also marks first since Brooks' (as Chris Gaines) "Lost in You" in 1999 to reach the top 15 on the Hot 100.

Strong box-office start for futuristic flick "Meet the Robinsons" sparks soundtrack single, which moves 9,800 downloads and continues its climb at adult top 40 radio (9-8).

Avril Lavigne returns "Girlfriend" to its highest position yet (No. 5) with a 5-2 advance on Hot Digital Songs (124,200 sold) and 24-36 on Pop 100.

PAISLEY PARKS 'TICKS' IN TOP 40

"Ticks," the humorous first single from Brad Paisley's June 19 album "5th Gear," scores Hot 100, arriving at No. 40. "Ticks" marks the highest debut by a solo country male since Lee Greenwood's "God Bless the USA" began at No. 16 in September 2001. Paisley's title is also the first by any country act to bow in the Hot 100's top 40 since "Not Ready to Make Nice" by the Dixie Chicks entered at No. 28 last May.

The track enters Hot Digital Songs at No. 34 (25,900 downloads) and rises 75-63 on Hot 100 Airplay, fueled by its 17-14 lift on Hot Country Songs.

Michael Buble's "Everything" notches chart's Hot Shot Debut at No. 46, giving the crooner his best ever Hot 100 ranking.

Album's No. 1 debut spurs title's resurgence on Hot Digital Songs (re-entry at No. 57, up 100%). Song also returns to No. 5 peak on Modern Rock chart.

Increased spins at top 40 stations for Omarion's song at No. 13 lifts it to new peak on Hot 100 Airplay (No. 4).

MTV's "The Hills" spurs 37-18 jump on Hot Digital Songs (40,000 downloads, up 60%).

While singer's current song hits a new peak at No. 19, radio track that preceded it enters list thanks to digital activity spurred in part by its use in spots for ABC's "October Road."

BETWEEN THE BULLETS silvio@billboard.com AKON DRAWS SECOND HOT 100 ACE

Akon crowns The Billboard Hot 100 with a second track from his multiplatinum "Konvicted" set, as "Don't Matter" marches 3-1. The song follows "I Wanna Love You," which held No. 1 for two weeks in December. Another track from the album, "Smack That," peaked at No. 2 in November after making what was then

the largest jump in the history of the Hot 100 (see Hot Box, page 39). "Matter" wins its fifth straight Greatest Gainer/Airplay trophy, adding another 10 million listener impressions (119 million overall). It holds at No. 3 on Hot Digital Songs.

No. 1 on Heatseekers, this career dates back to the late '90s, but this marks songwriter's first Billboard 200 ink (8,000 copies)

A performance on "Ellen DeGeneres" plus a \$7.98 sale at Target pushes 35% jump.

It's only the second solo album in nearly 25 years for the everything But the Girl singer (15,000).

Album jumps 29% following Nutini's stops on Leno and Kimmel, along with continued love from VH1.

Tour start, promo action and VH1 coverage assist 187% jump for Shaw-Blades at No. 117.

Album release spurs title's increase on Hot Digital Songs (54-6, 8E,000 downloads), which results in impressive jump here.

Ac is enjoying best chart stretch of its career as song moves closer to becoming its fourth straight No. 1 at Modern Rock (5-4).

Although combined for chart purposes, R. Kelly's version is out-selling the Bow Wow-credited digital track by almost 15-to-1 margin.

Brit sensation starts her Hot 100 career with simultaneous debuts, a rarity on this chart for singers outside of "American Idol" or Disney Channel.

Song takes 22 weeks to top Modern Rock after band's last single stalled at No. 3 while setting mark for most weeks on chart (52).

DIGITAL SALES GIVE DUFF 'LOVE'

Hilary Duff wins The Billboard Hot 100 Hot Shot Debut as "With Love," the lead single from upcoming album "Dignity," comes in at No. 42. The track is her second straight song to enter the chart inside the top 50 following "Wake Up," which debuted at No. 29 in the Sept. 3, 2005 issue.

Like "Wake Up," digital sales propel the debut of "Love." It moved 32,500 downloads for a No. 25 arrival on Hot Digital Songs. That exceeds the 28,500 tally that lifted "Wake" to No. 6 on the Digital chart, illustrating the fast maturation of the download market.

As the album finds shelf space at Starbucks, the set sees a 26% increase, re-entering at No. 111.

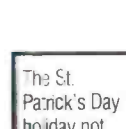

St. Patrick's Day aids re-entry of 2005 album. It was the No. 15 seller in band's hometown of Boston last week.

Compilation includes nuggets from Ecoker T. & the MC's, Otis Redding (pictured) and the Staples Singers.

Following her re-entering gig on "American Idol" last week (March 13-14), Diana Ross zooms with a 99% bump (No. 179).

The St. Patrick's Day holiday not only helps Dropkick Murphys (No. 161), but compilations like this one too.

Singer/songwriter takes a bow at No. 1 on Top Heatseekers and No. 19 on Top Country Albums with 6,000.

Moore's album, which features songs written by McKenna (No. 109), takes a 139% jump after her Oxygen special "I Am Mandy Moore" debuted.

After John Lennon's catalog was released digitally last week, his "Working Class Hero" hits set debuts at No. 25 on Top Digital Albums. Can the Beatles' (No. 101) iTunes bow be far behind?

Following Aug. 12 repeat of his December 2006 profile yields a whopping 350% increase for the album.

Publicity surrounding the anniversary of the King's death (Aug. 16) pushes gains at Nos. 54 and 146, and at Nos. 4 and 21 on Top Pop Catalog.

Encore airings of the group's "A New Journey" concert during PBS' pledge drive goose sales 25%.

An 18% increase marks the first time the April release has had three straight weekly gains. He played "Good Morning America" Aug. 10.

HBO stars debut at No. 1 on Top Comedy Albums. It's the fourth bow on the Billboard 200 for Sub Pop in 2007, the label's most in any year.

The Star's anniversary album (No. 112), featuring Isaac Hayes (pictured), returns after four months, thanks in part to an \$11.99 sale tag at Best Buy.

The "El Cantante" film stirs interest in the reissued 1999 off-Broadway cast recording of musical "Quien Mato a Hector Lavoe?" which bubbles under Top Cast Albums.

WEST FLIES NORTH ON HOT 100

Reflecting the anticipation for Kanye West's third album "Graduation," due Sept. 11, lead single "Stronger" soars 47-6 on The Billboard Hot 100. In its first full week of sales, the title surges 30-2 on Hot Digital Songs with 143,000 downloads, West's second-best weekly sum: Former No. 1

"Gold Digger" moved 147,000 on the Jan. 14, 2006, chart. "Stronger" rises to No. 40 on Hot 100 Airplay (29 million audience impressions) and Pop 100 Airplay. It is West's fourth visit to the top 10 and first since "Gold Digger," which reigned for 10 weeks.

Song is the fifth this year to move more than 20 spots to No. 1. Only two made such leaps in all of 2006.

Kanye West has the Hot Shot Debut at No. 47. Song samples Daft Punk's "Harder, Better, Faster, Stronger," which peaked at No. 3 on Hot Dance Club Play in 2002.

A nearly 50% digital bump to 35,000 downloads pushes artist into chart's top 20.

Singer soars to a new peak with one of the radio-driven songs to benefit from Hot 100's new formula. Tune is No. 16 on Hot 100 Airplay but has never appeared on Hot Digital Songs.

With an 11-10 jump at Adult Top 40, all three of the band's entries on that 11-year-old chart have reached the top 10.

BETWEEN THE BELTS slivio@billboard.com KINGSTON TOPS REVAMPED HOT 100

Sean Kingston moves to the top of The Billboard Hot 100 with his first charting single as "Beautiful Girls" bounces 23-1. In the first week of our new Hot 100 formula (see Over the Counter, Aug. 4), the influence of digital sales remains strong, as "Girls" debuts at No. 1 on Hot Digital Songs

with 260,000 sold. That marks the second-highest sum for a new Hot Digital Songs entry, trailing Rihanna's "Umbrella," which opened with 277,000 downloads (June 9). Both were in Hot 100 Airplay's top two before their digital releases.

A \$7.98 sale tag at Target aids Carlile (up 7%) as well as Plain White T's (No. 10), Boys Like Girls (No. 57) and the Almost (No. 124).

She's one of many artists on ABC's July 23 CMA Music Festival special who see a big gain (up 184%).

Following Mika's July 26 performance on Fox's "So You Think You Can Dance," his album jumps 22% (No. 142).

More than half the band's 22 charting albums, (14), were released after lead singer Jim Morrison died on July 3, 1971.

Singer's apologetic tune is his best Hot 100 debut and ups his 2007 top 10 appearances to eight. Song opens at No. 4 on Hot Digital Songs with 102,000 downloads and will be one of four new tracks stripped onto an updated edition of "Konvicted" (due Aug. 28).

Although song dips because of a small loss in audience impressions, it should leap to the upper region of the chart next issue (possibly to No. 1) with release of digital single.

Singer/actor makes his first Hot 100 appearance since 2000 and joins daughter Miley on the list. She ranks at Nos. 65 and 72 as Hannah Montana.

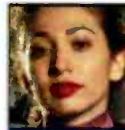

John Travolta and Queen Latifah are among the six members of the "Hairspray" cast that debut at No. 88. He was last on the list in 1978 with "Greased Lightnin'," she in 1998 with "Paper."

CBS' "Sunday Morning" re-aired its January profile of the singer July 15. Repeats can flex big power; her set is up 78%.

English quartet makes its Billboard 200 debut with 6,000 and crowns the Top Heatseekers chart.

The singer's Blue Note debut, her first album in nearly six years, starts with 6,000. She played "The Tonight Show" July 18.

Best-of set has the ageless group's lone Billboard Hot 100 hit, 1985's "Hold Me," which features Ricky Martin (pictured).

Uh-oh. Looks like the lead Pussycat (No. 176) is leaving the Doll house: Nicole Scherzinger's debut album drops in October.

Rapper scores his first top 10 since debut single "Suga Suga" peaked at No. 7 in December 2003.

Band previews upcoming B-sides collection with cover of Joy Division track that also appears on soundtrack to "Control," the biopic of legendary band's Ian Curtis.

While Alicia Keys holds at No. 4 on this list, she earns her third Hot 100 Airplay No. 1, along with the week's best audience gain (up 20 million impressions).

One of seven songs on the chart that feature the vocalist (Nos. 2, 7, 8, 22, 31, 33 and 43). He is the first artist to simultaneously have that many songs in the top 50 and the first male to place seven on the chart.

Bill is joined by debutante Kingston on the first U.S. single from her upcoming album "NB."

BIG 'KISS': BROWN TOPS DIGITAL

Chris Brown's "Kiss Kiss" opens at No. 1 on Hot 100 Digital Songs with 159,000 downloads and jumps 22-2 on The Billboard Hot 100, thanks to its new-found digital availability.

Airplay but stalled at No. 79 on the Hot 100 without digital sales.

Brown's last digital top 10 came when debut song "Run It!" peaked at No. 3 in November 2005, hitting a weekly high of 120,000 downloads following Christmas week. —Silvio Pietrolungo

The soundtrack re-enters with a 190% increase after film's Oct. 16 DVD bow. Shia LaBeouf (pictured) will return for "Transformers 2" in 2009.

The set is the 13th live album from the legend to reach the Billboard 200. The first, "Band of Gypsies," bowed May 2, 1970.

The artist's first album, 2003's "New Sacred Cow," missed the charts. His new set starts at No. 1 on Top Heatseekers with 6,000 sold—more than double the best sales week for "Cow."

A flurry of promotional activity, including an Oct. 19 performance on "Good Morning America," stirs a 39% gain for the album.

After a full week's worth of impact from MTV's Oct. 13 broadcast of "Legally Blonde: The Musical," the cast album re-enters with a 61% increase (No. 129 with 6,000 units).

Californian is the first new female lead artist to hit the Hot 100's top five since Fergie in August 2006. Video for track is among five most-played at VMI.

Country starlet returns to the Hot 100 for the first time since the spring of 2006, as her last two Country top 40 hits failed to make this list. Digital track hits market alongside album release and moves 13,000 downloads.

Song moves 14-13 on Hot 100 Airplay. Next issue, sales from Oct. 16 digital release should move Brown into this chart's top 10.

Fergie's debut at No. 91 is the fifth track from her solo debut album to hit the chart. Three of the four prior songs reached No. 1, and the other topped out at No. 2.

Connecticut-based quintet makes chart debut and posts its best digital sales week (15,000). Band is featured act on current MTV2's "The Drop."

TIMBALAND LIFTS ONEREPUBLIC HIT

Timbaland lends a hand to labelmate OneRepublic, the five-man Colorado band now based in Los Angeles. The artist/songwriter/producer's remix of the group's "Apologize" inches 4-3 on the Billboard Hot 100 with Greatest Gainer/Digital honors as it improves by 19,000 downloads, shifting a total of 133,000 for the week. OneRepublic's self-titled debut album, due Nov. 20, is expected to include the original and remixed versions of "Apologize." Lead singer Ryan Tedder also enjoys a chart run as a co-writer on Jennifer Lopez's "Do It Well," which jumps 50-31. —Silvio Pietrolungo

MTV's Oct. 13 airing of Broadway show "Legally Blonde: The Musical" spurs a 179% jump for the cast recording. It rises to No. 3 on Top Cast Albums—but can't knock "Jersey Boys" from No. 1.

Set rises to No. 1 on Top Heatseekers with a 239% jump (after an early No. 25 bow last week) as physical release of CD reaches all retailers.

Following an 11% increase, the album takes a bow after its second week in stores, giving Velli his first Billboard 200 entry since 1978.

At No. 155, Buckcherry's album rises 12%: new single "Sorry" debuts at No. 40 on Adult Top 40 list.

Swedish singer/songwriter earns his first Billboard chart ink—and debuts at No. 15 on Top Tastemakers. Digital sales made up 37% of the set's sales in its opening week.

SOULJA 'CRANKS' RETURN TO NO. 1

Soulja Boy returns to the top of The Billboard Hot 100 and Hot Digital Songs with "Crank That (Soulja Boy)" as digital sales for Kanye West's "Stronger" settle after his big album bow.

With its best digital week yet (183,000 sold), "Crank" is the second song this year to return to the top spot on The Billboard Hot 100, following Maroon 5's "Makes Me Wonder" in the June 2 issue. "Stronger" gets Greatest Gainer/Airplay as it is pushed to No. 2, just one week after "Crank" became the first song since 1999 to take that award while dropping from the No. 1 slot.

One-half of Heart strikes out on her own with her solo debut, starting at No. 1 on Top Heatseekers (5,000 sold).

Up 30%, the winners of the MTV Video Music Award for best new artist will hit the road with Fall Out Boy and Plain White T's Oct. 18.

The Sept. 12 premiere of his PBS special "The Music Never Ends" pushes a 52% gain. His Emmy Awards performance (Sept. 16) may goose sales next week.

Expanded greatest-hits collection, first released in 1999, gives the act its 20th charting album, dating back to 1973's "Selling England by the Pound."

Paolo Nutini's "These Streets" re-enters at No. 171 after he played the Austin City Limits Music Festival last week, causing a 1,211% increase in sales in Austin.

BETWEEN THE BULLETS silvio@billboard.com MATCHBOX TUNE LIGHTS UP HOT 100

Matchbox Twenty makes the second-biggest jump of 2007 on The Billboard Hot 100 as "How Far We've Come" soars 81 spots to No. 12. It is the band's best showing since "Unwell," from its last studio album, peaked at No. 5 in July 2003. "Far" holds at No. 7 on Adult Top 40 and opens at No. 3 on Hot

Digital Songs with 94,000 downloads, Matchbox Twenty's first appearance in the chart's two-and-a-half-year history. The biggest jump this year, and in the history of the Hot 100, was the 91-spot improvement by Beyoncé & Shakira's "Beautiful Liar" in the April 7 issue.—Silvio Pietrolungo

In this soft week, even a tiny increase in sales, like U2's 0.6% jump, yields a big move on the chart.

The film's director, Rob Zombie, will unleash "Zombie Live" Oct. 23. The 19-track album features hits from the rocker's entire career.

The hits collection may have a \$13.98 list price, but it went for \$7.99 at iTunes in the tracking week, yielding a ninefold gain in digital sales.

The legend's Aug. 28 release makes a belated bow on the big chart, as sale pricing at Wal-Mart—where it was available with a bonus CD—pushes a 37% gain.

At No. 186, veteran rocker Ted Nugent returns to the chart for the first time since 1995, when "Spirit of the World" hit No. 86.

INTERSCOPE
InterScope is the first label since IDJMG in September 2005 to post back-to-back Hot 100 chart-toppers and the only one this year to place three top five tracks in the same week.

Her No. 6 opening on Ho Digital Songs (71,000) prompts second-best Hot 100 jump of 2007 behind Beyoncé & Shakira's 94-3 move with "Beautiful Liar" in March.

Garth Brooks' record-breaking No. 1 debut on Hot Country Songs enters this chart at No. 73 and equals his best rank on the 9-year-old Hot 100 Airplay list with a 69-36 jump.

Song holds at No. 7 on Adult Top 40 after recently becoming just the eighth title to reach that chart's top 10 in three weeks or less.

Rapper, who has four No. 1s and 12 top 10s to his Hot 100 credit, claims his best debut.

More than half of the eight-track EP is in Spanish. Thus it debuts at No. 3 on Top Latin Albums and No. 2 on Latin Pop Albums.

Best-of set's 19 tracks include "When the Night Comes," "Up Where We Belong" and a live take of "With a Little Help From My Friends."

His first hits compilation since 1989 starts with 5,000. Includes his two Billboard Hot 100 No. 1s: "Photograph" and "You're Sixteen."

Loreena McKennitt's two-CD/one-DVD live set, recorded in Spain, bows at No. 190. It's No. 8 on Top Music Videos.

Her album is one of 13 that debut in the top 20 of Top Heatseekers this week, the first time that has happened since the April 22, 2006, chart.

Rapper climbs into the top three and powers to No. 1 on Hot Digital Songs (135,000), one week removed from the two-year anniversary of his ascension to No. 1 on both lists with "Ghetto Diggaz."

Recent video premiere—it is No. 2 this week at VH1—and strong radio play lead to 14-7 jump on Hot Digital Songs (73,000 downloads, up 31%).

While "HSM2" album sales dip by 40%, its nine songs that dot this chart see an aggregate digital download increase of 18%.

Although Timbaland slides to No. 4 on the Hot 100, he claims his second straight No. 1 as a lead vocalist with "The Way I Are" on the Pop 100.

With help from Kelly Clarkson, Reba McEntire has her best placement on Hot 100 Airplay (No. 28) with song that jumps 56-53 on this list.

FERGIE JOINS AGUILERA'S CLUB

Fergie becomes the first female artist since Christina Aguilera in 2000 to score three Billboard Hot 100 No. 1s from one album as "Big Girls Don't Cry" jumps 2-1. The other chart-toppers from "The Dutchess" were "London Bridge" in August 2006 and "Glamorous" in March. "Fergalicious" topped out at No. 2 in January. Fergie's song also moves to No. 1 on Adult Top 40, ending a 52-week reign by male acts, and jumps 12-10 on the Rhythmic chart. It is the first Rhythmic top 10 to crown the Adult Top 40 chart since Ricky Martin's "Livin' La Vida Loca" in 1999. —Silvio Pietroluongo

Song's 22-10 ascent on Hot 100 Airplay is that chart's largest jump into the top 10 since Nelly's "Dilemma" (24-7) in July 2002.

The debut of seasonal tracks at Nos. 86 and 89 prompts a reminder that only newly released holiday songs are eligible to chart on this list and other radio-influenced charts, except for Hot Holiday Songs (page 94), which ranks all seasonal titles, regardless of release date.

Singer's "Before He Cheats" drops off Hot 100 after 64 weeks, which is third-best of all-time. This song is her third to hit the chart since "Cheats" debuted in September 2006.

While her Michael Jackson-sampled track debuts, she returns to the top 10 (12-9) with "Hate That I Love You" and steers "Shut Up and Drive" to No. 1 on Hot Dance Club Play.

CAILLAT, BROWN SPREAD HOLIDAY CHEER

Colbie Caillat and Chris Brown place this season's first two Christmas tracks on The Billboard Hot 100 with "Mistletoe" (No. 86) and "This Christmas" (No. 89), respectively. While both tracks are beginning to garner airplay at each artist's established formats, the main push onto the list is from digital sales. Caillat's original composition debuts on Hot Digital Songs at No. 42 (23,000) while Brown's remake of Donny Hathaway's 1970 classic, which is featured in the movie of the same name co-starring Brown, opens at No. 58 (18,000). —Silvio Pietrolungo

As a featured artist on four top 10 tracks, T-Pain becomes first artist since 50 Cent in 2005—who was the lead on two tracks and featured on another two—to dominate the top 10 in such a way.

Lifehouse's track at No. 61, available exclusively as a digital single, was recorded for, and is featured in, new Allstate insurance ads featuring the band.

Performed on the Country Music Assn. Awards telecast, song shifts 46,000 downloads (up 80%) and is one of four titles she places on Hot Digital Songs, including two new tracks from her rereleased album.

Song posts the third-most combined streams (750,000) on AOL and Yahoo, and brings remixed act back onto the list for the first time since 1999.

KPWR Los Angeles night jock cuts his production chops on all-star collaboration, which opens on Hot Digital Songs at No. 27 with 35,000 downloads.

NICE RIDE FOR ROOKIE FLO RIDA

Sunshine State newcomer Flo Rida soars into the top 10 with "Low" (64-6) as first-week digital sales of 131,000 downloads bring it on Hot Digital Sales at No. 3. Nearly 25% of that total was purchased in the Southeast, where he has built a considerable following.

With an album not scheduled for release until first-quarter 2008, "Low," which features T-Pain, is part of a three-song digital EP.

The track also moves into the top 10 on the Rhythmic chart (13-8) with the format's largest spin gain (up 506) and jumps 45-40 on Hot 100 Airplay with a 20% audience bump.

iTunes Music Store promotion aids Sara Groves' best sales week since 2002, her Billboard 200 bow (No. 194) and a new high on Top Christian Albums (No. 14).

The album is goosed by a new edition with three bonus tracks and a DVD sporting music videos and live performances. It's up 290%.

Set re-enters with a 105% increase after two Nov. 7 TV stops: CBS' "The Young and the Restless" and the CW's "America's Next Top Model."

After a tearful performance of her hit "I Wonder" on the Country Music Assn. Awards Nov. 7, album rebounds with her best sales week (nearly 6,000) since August.

BETWEEN THE BULLETS silvio@billboard.com

FINGER ELEVEN FINGERS BEST RANK

Canadian quintet Finger Eleven establishes a career-best ranking on The Billboard Hot 100 as former No. 1 Modern Rock track "Paralyzer" moves 18-14.

The track takes Greatest Gainer/Digital honors with an improvement of 17,000 downloads to shift 56,000 for the week moving 14-11 on Hot Digital

Songs. The band's only other Hot 100 appearance was in 2004 when "One Thing" peaked at No. 16.

"Paralyzer's" surge is due to increased top 40 airplay, which also propels the band's "Them Vs. You Vs. Me" back up The Billboard 200 (92-87).

Song is her sixth top 10 since 2005, the year she debuted. She equals Clara for most by a female artist in that time.

Current No. 1 on Hot Latin Songs is the Spanish crooner's best Hot 100 showing of his career (see story, page 54).

Michael Jackson's "Thriller" is the top-selling Halloween-themed title on Hot Digital Songs for a fourth straight season, re-entering at No. 38 with 21,000 downloads.

A bump of 3 million listener impressions lifts Garth Brooks to his best Hot 100 Airplay rank (No. 33) and his highest Hot 100 placing (No. 54) since "Wrapped Up in You" hit No. 46 in 2001.

His third Adult Top 40 top 10 (No. 8) from "Continuum" extends his mark for most top 10s among males at that format to eight.

BETWEEN THE BULLETS silvio@billboard.com 'KISS' AND TELL: BROWN HITS NO. 1

Chris Brown claims his second Billboard Hot 100 No. 1 as "Kiss Kiss" climbs 2-1 with Greatest Gainer/Digital and Airplay awards. With an improvement of 16.5 million audience impressions and 28,000 downloads, "Kiss" becomes the first song to take both Gainer awards since T-Pain's "Buy U a Drank (Shawty

Snappin') in the April 28 issue. Brown last topped the chart with debut single "Run It!" in November 2005. The audience surge blows "Kiss" 9-3 on Hot 100 Airplay with 95 million impressions. Its sales growth puts it at No. 1 on Hot Digital Songs (187,000 units). —Silvio Pietroluongo

R&B legends score their 49th charting album on The Billboard 200 with this covers set; features "Hold On, I'm Comin'," "Respect Yourself" and more.

Depeche Mode singer's second solo album also starts at No. 1 on Top Heatseekers with 6,000.

At No. 162, Sara Bareilles is up 39% after VH1 started pushing her as a You Oughta Know artist.

Top 200 compilation boasts most of the cast of "High School Musical," along with Miley Cyrus, Jonas Brothers (pictured) and Aly & AJ.

With sales of \$1,000, it's the highest-charting videogame soundtrack—end only the third overall—to reach The Billboard 200. Set also doubles as an expansion pack for the game.

Rapper is the fourth lead artist of 2007 to take his debut single to the top of Hot Digital Songs. Mims, Sean Kingston and Soulja Boy Tell'em are the others.

Trio's song waits patiently in the runner-up slot for a fifth week at Modern Rock behind the Foo Fighters' "The Pretender," which has now led for a record-tying 16 weeks.

With two weeks to spare, Snoop Dogg extends his streak of having at least one song chart per year to 10. That run began with 1998's "Still a G Thang."

Song from upcoming Jack Nicholson/Morgan Freeman film "The Bucket List" was also added to the recent special edition of his "Continuum" album.

Title that peaked at No. 2 on Hot Country Songs re-enters Hot 100 due to its surge at top 40 and adult stations. It moves up to No. 25 on Hot 100 Airplay and Adult Top 40, and is the top spin gainer on the latter list.

BETWEEN THE BULLETS silvio@billboard.com SIX-PACK MARKS TIMBERLAKE FEAT

Justin Timberlake's duet with Beyoncé, "Until the End of Time," scoots 33-17 to a new Billboard Hot 100 peak, giving the multifaceted artist his sixth top 20 from "FutureSex/LoveSounds."

He is the first male artist to score that many top 20s from one set since George Michael in 1987-88.

with songs from "Faith." The Beyoncé-enhanced "Time" is one of three remixed tracks on the special edition of Timberlake's album, released Nov. 27. That triggers the duet's first ink on Hot Digital Songs (No. 27, 25,000) and the main catalyst for its Hot 100 jump.

In this post-Thanksgiving week, where most titles decrease in sales, a small increase like Maniow's 4% jump yields a big chart climb.

The singer is the latest to gain from MTV's 52/52 campaign. The album re-enters with a 102% boost and its best sales week since September.

Celtic Woman has inspired many followers, including albums and acts with such names as Celtic Women, Celtic Sisters and this budget-priced album by Celtic Ladies.

At No. 174, Patti LaBelle's new holiday set is her 19th solo album to chart, stretching back to her 1977 self-titled set.

Soundtrack to the hit videogame "Halo 3" bows with 5,000. The album was composed by Martin O'Donnell and Michael Salvatori and produced by Nile Rodgers.

'PROMISE' MADE: CIARA HITS NO. 1

Ciara celebrates her second career No. 1 as a lead artist on Hot R&B/Hip-Hop Songs as "Promise" has also collected a No. 1 single in a featured role on Bow Wow's "Like You." On Adult R&B, Robin Thicke's "Lost Without U" unseats labelmate Mary J. Blige. It gives Interscope consecutive No. 1s for the first time, as well as the label's first chart-topper by a male artist on that list.

'IDOL' MAKES IMPACT ON TOP 10

Just as "American Idol" resumes its domination of TV ratings, the series also flexes its muscles on Top Country Albums, where Carrie Underwood's "Some Hearts" moves 33,000 copies and collects its 21st week at the summit (2-1).

Not far below, "Idol" finalist Kellie Pickler parlays a two-day guest-host stint on ABC's "The View" during the tracking week into Greatest Gainer roses. Pickler's "Small Town Girl" grows by 6,000 units (14,000 copies sold)

In non-"Idol" news, Montgomery Gentry's "Something to Be Proud Of" claims Pacesetter honors (70-54), up 27% after a Jan. 16 performance on radio's syndicated "Imus In the Morning," heard on WFAN New York and seen on MSNBC.

BETWEEN THE BULLETS rgeorge@billboard.com

BLIGE BACK ON TOP

After going a decade between her first and second No. 1s on the Adult R&B chart, Mary J. Blige needs only a year to return to the summit a third time as "Take Me As I Am" climbs 2-1. Blige first hit No. 1 with "Not Gon' Cry," from the "Waiting to Exhale" soundtrack, in March 1996. She revisited the top spot with "Be

Without You" for a 14-week run nearly a year ago, beginning in the Feb. 4, 2006, issue.

On Hot R&B/Hip-Hop Songs, Bow Wow teams up with R. Kelly to take the highest bow of his career at No. 46 with "I'm a Flirt." The debut bests the No. 58 start for "Puppy Love" in March 2001. —Raphael George

CROSSING FORMAT 'BRIDGES'

The Jan. 9 home video release of Toby Keith's feature film "Broken Bridges" fuels a 20-6 leap for the soundtrack on Top Country Albums. The collection also snares Greatest Gainer roses on the country list (up 10,000 units) and on the Billboard 200, where it jumps 123-41 (17,000 copies sold). On Top Soundtracks, "Bridges" shoots 10-4.

KEITH

which the cable network launched a month-long promotional blitz, including an exclusive Keith concert. That footage is included as part of the bonus content on the DVD, which should debut at a lofty position on next issue's Top DVD Sales list. CMT (a partner with Paramount in the film's production through its CMT Films subsidiary) re-aired "Bridges" twice the weekend of Jan. 6-7. —Wade Jessen

COMBO SET PADS CASH LEGACY

Although increases are scarce again this issue on Top Country Albums, the bright spots include a Hot Shot Debut for a recently issued Johnny Cash CD/DVD package and a Pacesetter nod for Joe Nichols.

While country volume dips 63% compared with the prior period, Cash's "JC: Johnny Cash" opens at No. 61 with more than 1,500 copies sold. Packaged in a metal collectible tin, the new Cash piece includes two audio discs comprised mainly of his Sun Records sides. The third disc is a

DVD of Cash's 1981 TV movie, "The Pride of Jesse Hallam." In the same Madacy collectible line, a self-titled audio-only Kenny Rogers collection bows at No. 69 (1,500 copies).

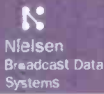

Concurrently, Joe Nichols' "III" earns the Pacesetter trophy for the smallest decline (19%) on the chart (40-32). Nichols' set includes the stylish ballad "I'll Wait for You," which steps 19-18 on Hot Country Songs. That track draws 13.2 million audience impressions at 111 stations during the tracking week.

2006 RAP BRINGS INK TO SKILLZ

Rapper Skillz debuts on Hot R&B/Hip-Hop Songs with his lyrical retrospective "06 Rap Up" (No. 67). Laced over the music of Jay-Z's "Lost One," the humorous look-back covers Dick Cheney's shotgun incident, Three 6 Mafia's Academy Award victory, Michael Richards' N-word debacle and the celebrity breakups of Bobby Brown/Whitney

Houston and Britney Spears/Kevin Federline. The Richmond, Va., artist has been laying the year's highlights on wax since 2002, but with more than 4 million in audience this week, this marks his first chart ink.

With tracks from the Roots' ?uestlove and the late J Dilla, Skillz is prepping an album on his own Big Kidz imprint through Koch. —Raphael George

BETWEEN THE BULLETS wjessen@billboard.com

SWIFT RISES IN POST-YULE TIDE

With all titles on Top Country Albums in decline during the expected post-Christmas chill, the chart's bullets are awarded to titles that lose the least.

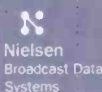

The two bullets inside the top 10 signal at least some warmth, as both titles improve their ranks. With 29,000 copies sold, newcomer Taylor Swift's self-titled set jumps 12-6, marking its first top 10 rank since November. Swift's album spent its first two chart weeks inside the top 10, starting at No. 3 in the Nov. 11, 2006, issue.

Brad Paisley's "Brad Paisley Christmas" logged the highest rank for a holiday set this season when it rose to No. 8 in the Dec. 16, 2006, issue. With Pacesetter honors, that title registers its second-best rank so far with a 28-9 leap this issue (23,000 copies sold).

The multi-artist religious set "Three Wooden Crosses" achieves its best rank in two months (24-21), and Trent Tomlinson's "Country Is My Rock" reaches its highest perch since it appeared at No. 38 in its third chart week (April 8, 2006). — Wade Jessen

'DREAMGIRLS' PUTS HUDSON ON MAP

"American Idol" alum Jennifer Hudson debuts on Hot R&B/Hip-Hop Songs with the song Jennifer Holliday made famous in the Broadway production of "Dreamgirls." The film adaptation drew \$9 million when it opened Christmas Day.

Hudson joins castmate Beyoncé, who entered last week with "Listen," an original piece written for the film (No. 69-63). The "Dreamgirls" soundtrack earns the Pacesetter Award on Top R&B/Hip-Hop Albums (No. 11), up 138%.

'BRIDGES,' LARRY RIDE TV GAINS

While the bulk of the Top Country Albums chart remains status quo, some titles make significant jumps, including the "Broken Bridges" soundtrack.

The film, which stars Toby Keith, has been airing on CMT for the past few weeks, aiding the album's mighty 112% gain in sales. The set flies 33-26 with Pacesetter honors.

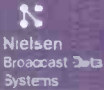

CMT will continue to screen the film, which also stars Kelly Preston, before its DVD bow on Jan. 9.

Meanwhile, a Dec. 19 "60 Minutes" profile of Larry the Cable Guy yields a re-entry for his "The Right to Bare Arms" at No. 50, selling 10,000. The set sees a 223% increase following the broadcast.

The album also bullets 5-3 on Top Comedy Albums. His "A Very Larry Christmas" holds at No. 5 on Top Pop Catalog Albums, but like several seasonal titles this week, its sales slowed, down 14%.

'IDOL' ENCORE PICKS UP PICKLER

Former "American Idol" finalist Kellie Pickler parlays a March 1 return engagement on that show for Greatest Gainer honors on Top Country Albums. Up more than 3,000 copies, Pickler's "Small Town Girl" surges 16-11 on the country list and leaps 100-66 on The Billboard 200 (12,000 copies sold). Pickler's return to the "Idol" stage was a well-received performance of her current single, the autobiographical power ballad "I Wonder."

That track gains 1.3 million audience impressions, rising 42-37 on Hot Country Songs. "Wonder" pulls 3 million impressions from 73 monitored stations during the chart week. Meanwhile, buzz surrounding Joe Nichols' performance at a memorial service for Anna Nicole Smith sends his "III" up 21-14 and is the Pacesetter on Top Country Albums (up 44%). Nichols played two songs, including current single, "I'll Wait for You," which hops 13-11 on Hot Country Songs.

Rescued by 2-1 march on R&B Single Sales (up 28% at core stores), song climbs here despite losing 2 million in radio audience.

Although missing from "Dreamgirls" medley or Feb. 25 Academy Awards telecast, it adds almost 2 million radio impressions, while Oscar-featured "Listen" loses audience and sales (No. 34).

At No. 19 Tank also rolls on Adult R&B, moving 11-8 with Greatest Gainer honors. It's his first top 10 at that format since his 2001 debut.

Climbing 33 positions it's the biggest leap by any single in eight months, aided by improvement of 6 million impressions.

'STAR' WINNER SNAGS LONE GAIN

As Top Country Albums volume dips 22% after Grammy Awards spikes and Valentine's Day buying subsides, Chris Young, 2006 winner of USA Network's "Nashville Star" talent competition, manages the chart's only increase.

His self-titled set hooks Greatest Gainer honors with a modest spike following a Feb. 22 performance of his new single, "You're Gonna Love Me," on the show. The cable exposure lifts "Chris Young" to its highest perch on the chart since the Nov. 25, 2006, issue, when it appeared at

No. 39 (49-40). The album bowed at No. 3 on Top Country Albums with 36,000 copies in the Oct. 21, 2006, issue.

Recently serviced to radio programmers, Young's new single percolates just under the chart threshold with 200,000 audience impressions at 15 monitored stations.

High atop the chart, Dixie Chicks hang onto some of their Grammy glow as "Taking the Long Way" holds at No. 1 with 50,000 copies, a 52% dip from the prior week. —Wade Jessen

M.Y. rapper scores first top 10 with the help of Southern radio. KBFB Dallas grants '01 selections while spins double in Richmond, Va., and Wash. D.C.

Singer's Grammy performance of this song prompts retail debuts at No. 1 on Hot Singles Sales and R&B Singles Sales.

Support for uptempo single comes mainly from Adult R&B as audience ramps up at stations in Atlanta and New York. Video clip is top five on VH1 Soul.

Its No. 29 bow on Rhythmic Airplay bests the start of his three top 10s at that format, including last year's No. 1 single.

TV KEEPS BLACK ON FAST TRACK

For a second straight week, Clint Black earns Pacesetter applause on Top Country Albums with "The Love Songs," which improves 66% over the prior week. Last issue, Black's set got a 91% bump following a Feb. 9 performance with his wife, Lisa Hartman Black, on "Live With Regis & Kelly" during that show's "wedding week" spotlight. The subsequent spurt comes after the couple performed "When I Said I Do" on a Valentine's Day installment of "Dr. Phil." Black's new set includes an updated

recording of "I Do," which topped Hot Country Songs for two weeks in December 1999.

The Dixie Chicks parlay Grammy Award exposure into double Greatest Gainer nods for "Taking the Long Way" on Top Country Albums (11-1) and The Billboard 200 (see Over the Counter, page 47).

Dixie Chicks' 2002 set "Home" reappears at No. 11 on Top Country Catalog Albums at billboard.biz, one of three re-entries for the trio on that list.

'OPRAH' RERUN ELEVATES HILL

A June 28 encore presentation of "The Oprah Winfrey Show" pushes Faith Hill's "Fireflies" to its highest perch on Top Country Albums in more than a year (56-12), and hurls the album back onto The Billboard 200 after a six-month absence (No. 84). With the Greatest Gainer nod on the country chart (up 7,000 copies), "Fireflies" moves 9,000 copies during the week. It hasn't appeared this high on the country

chart since the March 4, 2006, issue (No. 11). It opened at No. 1 on both charts with 329,000 copies in the Aug. 20, 2005, issue and most recently appeared on the big chart at No. 184 during Christmas week 2006.

Hill's Jeep-sponsored tour with husband Tim McGraw continues this summer, as Warner Bros. prepares her first hits set, slated for a Sept. 11 release.

PAISLEY 'TICKS' THIRD NO. 1 SET

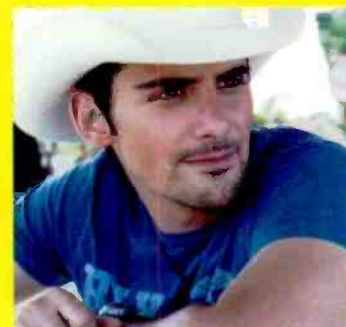

Brad Paisley's fifth set of new material becomes his third to debut at No. 1 on Top Country Albums as "5th Gear" blows with best one-week sum so far.

The new set pops on The Billboard 200 at No. 3. Paisley's prior best sales week happened when "Time Well Wasted" opened atop the country list with 193,000 scans in 2005.

The new album is fueled

by clever lead single "Ticks," which reached No. 1 on Hot Country Songs. Paisley also stopped at "Good Morning America" June 15 and GAC's "Grand Ole Opry Live" the following night. In addition, GAC ran a 90-minute Paisley concert special June 17, and "5th Gear" was sale-priced for slightly less than \$10 at Target, Best Buy, Circuit City, Kmart and Wal-Mart.

FAST START FOR ROOKIE KINGSTON

Jamaica native Sean Kingston shakes up Hot R&B/Hip-Hop Songs with the highest debut by a new artist this year as "Beautiful Girls" starts at No. 53. Charged up by the sample of Ben E. King's classic "Stand by Me," the single touts almost 5 million in audience. "Beautiful" already made history on Rhythmic Airplay two weeks ago when

it crossed the top 10 barrier in four weeks, the fastest trip by a new male artist in six years. It jumps 6-5 with that chart's top increase in radio detections for the fourth consecutive week. Now based in Miami, Kingston is prepping his July 31 self-titled album with producers Cool & Dre, the Runners and DJ Khaled. —Raphael George

It's her 10th top 10 as a solo artist and fourth from "B'Day." Added to her Destiny's Child career, Beyoncé owns 21 top 10s.

Def Jam's newest songstress flies solo with this debut, after first charting as a featured artist on singles by Jay-Z and Nas.

With 13-10 ascent at Adult R&B, Thicke becomes the fourth artist this year to have at least two songs in the top 10 in the same week.

BETWEEN THE BULLETS wjessen@billboard.com

BIG & RICH 'RAISE' SECOND NO. 1

As the unconventional duo competes inside the top 10 for the first time on Hot Country Songs, Big & Rich celebrate a second No. 1 on Top Country Albums.

Their "Between Raising Hell and Amazing Grace" starts with 103,000 scans, the pair's first No. 1 start on Top Country Albums. Debut "Horse of a Different Color" rose to No. 1 in 2004 after starting at No. 14.

With a No. 6 start on The Billboard 200, "Grace" slides

in at Big & Rich's previous high-water mark on that list, achieved by their thrice-platinum "Horse."

The duo's biggest Nielsen SoundScan week was the opening-week tally of 157,000

scans when "Comin' to Your City" hit the country chart at No. 3 in the Dec. 3, 2005, issue. On Hot Country Songs, "Lost in This Moment" steps 9-8 with 30 million audience impressions during the tracking week. —Wade Jessen

ALDEAN MARKS INDIE SUCCESS

The biggest stories on the country charts this issue belong to Music City's flowering indie scene. As Midas' Emerson Drive caps Hot Country Songs (see page 47), Top Country Albums has a No. 1 start by Jason Aldean's "Relentless."

Aldean's Broken Bow set pops on The Billboard 200 at No. 4 as he sets his highest ranks to date on both lists. He also scores a career-best week of 98,000 copies.

His self-titled debut peaked on arrival at No. 6 on the country chart and No. 37 on The Billboard 200 in the Aug. 13, 2005, issue. It moved 29,000 copies during Christmas 2006, his prior best Nielsen SoundScan week. A June 6 stop on "Good Morning America" might help buffer a second-week sales slide for "Relentless" as lead single "Johnny Cash" bullets 14-12 on Hot Country Songs. —Wade Jessen

SOULCHILD'S HISTORIC HAT TRICK

With singles at Nos. 5, 9 and 10 on Adult R&B, Musiq Soulchild becomes the first artist to simultaneously post three titles in that chart's top 10. The singer is now the second artist in Atlantic history to place at least two titles in the upper region the same week; Gerald Levert twice had two concurrent top 10s. On Hot R&B/Hip-Hop Songs, current single "teachme" closes in on becoming Soulchild's second straight top 10 (16-11). "Buddy" peaked at No. 2 in March. Also, radio grabs an Internet leak to give Keyshia Cole the best R&B Songs debut of her young career with "Let It Go" featuring Lil' Kim and Missy Elliott (No. 51).

'IDOL' AGAIN LIFTS UNDERWOOD

As Top Country Albums returns to normal pace following Mother's Day gift buying and the post-Academy of Country Music Awards spikes, the May 24 season finale of "American Idol" Underwood sang on the finale and received a commemorative sales plaque for 6 million copies of "Some Hearts."

Further down Top Country Albums, the percentage-based Pacesetter award goes to Willie Nelson, Merle Haggard and Ray Price's collaborative "Last of the Breed" (61-46), which jumps 55% following an "All Things Considered" feature May 23 on NPR.

WILSON'S 'ONE' HER THIRD NO. 1

Gretchen Wilson logs her third straight No. 1 bow on Top Country Albums—and her third straight top five start on The Billboard 200—as “One of the Boys” opens with 73,000 scans. Wilson’s arrival weighs significantly less than her first two opening weeks. “Here for the Party” debuted with 227,000 copies (May 2004) and “All Jacked Up” popped on with 264,000 (September 2005).

Although her debut single “Redneck Woman” ignited a firestorm of fan and critical inter-

est, Wilson’s country radio success since then has been sporadic. Of 13 solo or collaborative singles on Hot Country Songs, only four reached the top 10, “Redneck Woman” being her sole No. 1.

The second single and title track from “Boys” rises 41-39 this issue (2.9 million impressions). Lead single “Come to Bed” peaked at No. 32 in the Feb. 25 issue.

Wilson’s new set should benefit from series “CMT Diary,” which debuts May 25. —Wade Jessen

MOMS' DAY LIFTS UNDERWOOD

Mother's Day gift buying lifts volume on Top Country Albums by 3%. The sales bump is led by a Greatest Gainer nod for Carrie Underwood's "Some Hearts," which logs a 26th week at No. 1. The "American Idol" queen's debut set moves 57,000 copies (up 29%), hopping 10-8 on The Billboard 200.

Underwood's album benefits from approximately 3 million audience impressions during the tracking week for the mother-daughter ballad

"Don't Forget to Remember Me," which reached No. 2 on Hot Country Songs. The Cosmopolitan cover girl for May should get a nice lift next issue following her triple wins at the

May 15 Academy of Country Music Awards on CBS. (GAC will air the show again June 6.)

Up 92%, Pacesetter honors go to the "Broken Bridges" soundtrack, which advances 54-40 on the country list after a May 7 repeat of the film on CMT. —Wade Jessen

Tank earns his first No. 1 at Adult R&B as "Please Don't Go" moves 2-1 in his 31st week on the list, the third-longest journey in the chart's history.

Song leaps 86-64 with gain of 2 million audience impressions. Video clip begins rotation on VH1 Soul with 36 airings in its first week.

Along with No. 1 starts on The Billboard 200 and Top R&B/Hip-Hop Albums, two cuts from Ne-Yo's album bow at Nos. 55 and 66.

At No. 93, Cheryl Peppis Riley makes her first chart appearance since her last studio album 14 years ago. Her debut single, "Thanks for My Child," reached No. 1 in 1998.

Like R. Kelly's Hot Shot Debut (No. 17), Chris Brown's single was sent to radio by digital download. Collects 9 million in audience and previews album due later this year.

LAMBERT, SHELTON LEAD LIST

First-season "Nashville Star" finalist Miranda Lambert hooks her biggest Nielsen SoundScan week so far as "Crazy Ex-Girlfriend" scores her second No. 1 bow on Top Country Albums.

than it had when it opened atop the country chart in April 2005.

Lambert's offstage love interest, Blake Shelton, bows in the runner-up slot on Top Country

Lambert's sophomore set moves 53,000 copies and plows onto The Billboard 200 at No. 6, her highest position on that chart. Her previous best week was Christmas week 2005, when "Kerosene" moved 41,000 copies, about 1,000 more

LAMBERT

Albums with "Pure BS." His fourth set arrives with 49,000 copies, No. 8 on the big chart.

The couple has a pair of Hot Country Songs climbers: Shelton's "Don't Make Me" steps 15-14, and Lambert's "Famous in a Small Town" rises 46-38. —Wade Jessen

Track climbs 13-10 on Adult R&B to become her third top 10 since her first in early 2005. That ties her with Mary J. Blige and Mahalia Carey for most among solo female in that span.

At No. 28, last week's Hot Shot Debut draws new air play at 18 stations, including KXHT Memphis (45 spins)

Rihanna reaches the top 40 for a third time as "Umbrella" totes a 48-34 rise. Track previews "Good Girl Gone Bad," due June 5.

Actress/singer Maria makes his first appearance since 2005 at No. 45 with the first single from "Go..." available July 31.

'DRANK' TOAST OF THE CHART

T-Pain tastes chart-topping success for the first time, as "Buy U A Drank (Shawty Snappin')" rises to No. 1 on Hot R&B/Hip-Hop Songs with 55.8 million audience impressions. Featured artist Yung Joc makes his second visit to the summit, having reached No. 1 last year with his own "It's Goin' Down." T-Pain also nabs Greatest Gainer/Sales at No. 3 as a featured artist on R. Kelly or Bow Wow's "I'm a Flirt."

"Drank" additionally takes the top spot on Hot R&B/Hip-Hop Airplay and holds atop Rhythmic for a second frame. The track paves the way for T-Pain's second album, "Epiphany," scheduled for a June 5 release.

'IDOL' 'WISH' PUSHES RASCAL GAIN

An April 25 performance of "My Wish" on "American Idol" pushes Rascal Flatts' "Me and My Gang" up 3,000 units, enough for Greatest Gainer applause on Top Country Albums (24,000 copies sold).

The former No. 1 song was part of the "Idol Gives Back" charity show. The trio also tops Hot Country Songs this issue with "Stand," marking the seventh time it has dominated the chart.

RASCAL FLATTS

Elsewhere on Top Country Albums, Billy Currington's "Doin' Somethin' Right" grabs the Pacesetter with a 16% hike (28-19), while

the Isaacs grab the Hot Shot Debut as "Big Sky" starts at No. 48. The new set of inspirational country songs marks the bluegrass gospel group's second appearance on Top Country Albums. "Sky" also bows at No. 21 on Top Christian Albums (on billboard.biz). —Wade Jessen

Young crooner discovers his first top 10 as a lead. He peaked at No. 3 as a featured artist on Twista's "Girl Tonite" two years ago.

At No. 9, The-Dream earns his first top 10. With hits also at Nos. 4 and 5, Island Def Jam has three songs in the top 10 for the second time this year.

A 43-24 leap spurred by an increase of 6 million impressions for the third-best gain on the chart, behind Kanye West (No. 4, up 7.8 million) and Alicia Keys (No. 1, up 7.2 million).

Although radio audience is slightly less than 1 million, sales double from last week, buoyed by the Texas trio's current tour of the South.

Opening the door at No. 72, former Sounds of Blackness leader Ann Nesby has her best debut as a solo artist.

YULE SETS ADORN COUNTRY LIST

The first snowflakes of the yuletide season arrive on Top Country Albums as Toby Keith's "A Classic Christmas" pops on with Hot Shot Debut greetings at No. 8 (18,000).

This collection is Keith's second set of holiday fare, preceded by "Christmas to Christmas," released in October 1995. That set never reached Top Country Albums, and first appeared on Top Country Catalog Albums in the Dec. 6, 2003, issue. It has logged mul-

ti-ple weeks on that chart in each subsequent year, and has scanned 345,000 units, according to Nielsen SoundScan.

Randy Travis opens at No. 73 on Top Country Albums, with "Songs of the Season" (No. 50 on Top Christian Albums). On Top Bluegrass Albums, Slidawg and the Redneck Ramblers brings two holiday titles to the top five, "A Blue Collar Christmas" and "Redneck Christmas," each selling 1,000 copies. —Wade Jessen

KEYS NOW SECOND TO 'NO ONE'

At eight weeks on the chart and an increase of more than 8 million impressions, Alicia Keys logs her fifth No. 2 with the fastest climb to the summit this year on Hot R&B/Hip-Hop Songs. Keys is in striking distance of taking over Adult R&B (No. 3), which would give her the most No. 1s in the chart's history, with seven, while rising 8-4 on The Billboard Hot 100 and 11-10 on Rhythmic Airplay.

RIMES, EVANS START IN TOP FIVE

As Rascal Flatts' "Still Feels Good" hugs up 21-20 in its 20th chart week. One of four the Top Country Albums summit, a pair of new tracks on Evans' set, "As If," climbs 18-16 in its 19th week on the chart.

An Oct. 10 stop on NBC's "Today," LeAnn Rimes takes the Hot Shot Debut at No. 2 with "Family" (74,000 copies) as Sara Evans' first hits set arrives at No. 4 (66,000).

Rimes' set is introduced by "Nothin' Better to Do," which claims Airpower status on Hot Country Songs,

Stars" with daughter Miley lands Greatest Gainer honors for Billy Ray Cyrus (see story, page 62), while key tour dates in Lyle Lovett's native Texas push "It's Not Big, It's Large" (No. 16) up 18%, good for the Pacesetter cup (7,000). —Wade Jessen

HAGGARD'S BLUEGRASS SPLASH

With a No. 1 start, Country Music Hall of Fame member Merle Haggard makes his first appearance on Top Bluegrass Albums. Following a chart-topping bow by Ricky Skaggs & the Whites' "Salt of the Earth," this is the first time the bluegrass list claims No. 1 debuts in consecutive weeks since the chart's launch in the July 20, 2002, issue.

Until now, Top Bluegrass Albums had not seen more than one chart-topping bow inside the same month.

This marks Haggard's first No. 1 on any Billboard albums chart in 23 years, since "It's All in the Game" spent a week at No. 1 on Top Country Albums in September 1984. With 3,000 sold, his "The Bluegrass Sessions" also enters Top Country Albums at No. 43.

The country log also sees Faith Hill's "The Hits" pop in at No. 3, just ahead of Brooks & Dunn's "Cowboy Town" (No. 4), each selling about 69,000 copies. —Wade Jessen

SKAGGS: KING OF BLUEGRASS

Country and bluegrass stalwart Ricky Skaggs logs his third straight No. 1 debut on Top Bluegrass Albums, the most for any artist since the chart was launched in July 2002.

Skaggs' latest offering, titled "Salt of the Earth," is a collaborative gospel affair with his in-laws, veteran country group the Whites. Skaggs is married to lead singer Sharon White.

It opens with 3,000 copies, good for a No. 15 start on Top

Christian Albums at billboard.biz and a No. 45 bow on Top Country Albums.

This also marks the first Nielsen SoundScan era chart appearance for the Whites,

who most recently appeared when "Ain't No Binds" spent the last of 10 chart weeks on Top Country Albums in 1987. The Whites also performed in the film "O Brother, Where Art Thou?" and contributed to the soundtrack.

ALLAN 'FEELIN' ' GREAT ALL OVER

Gary Allan logs his second straight No. 1 start on Top Country Albums and his second-fattest one-week sum to date with "Greatest Hits," which also pops on The Billboard 200 at No. 5. Allan's first best-of collection scans 70,000 copies, second only to the 100,000 scans that brought "Tough All Over" (his prior No. 1 bow on the country list) to Top Country Albums in the Oct. 29, 2005, issue. "Tough" peaked where it debuted (No. 3) on The Billboard 200, where it was his first album to hit that chart's top 10.

One of 15 songs (and one of two previously unreleased tracks) on "Greatest Hits," "A Feelin' Like That" is Allan's current single. It draws 15.6 million audience impressions and bullets at No. 14 for a second week on Hot Country Songs.

Also noteworthy is a return to Top Country Albums by Mary Chapin Carpenter. She bows at No. 10 with "The Calling" (13,000 copies), her first since "Between Here and Gone" opened at No. 5 in the May 15, 2004, issue.

TOUR + RADIO = MCGRAW'S GAIN

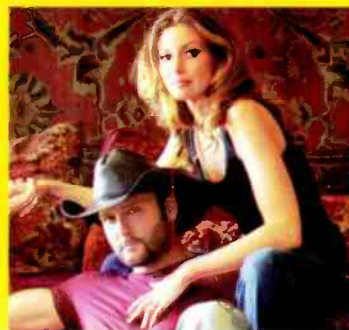

Tim McGraw's tour with wife Faith Hill continues to draw well, with the tracking week for this issue's charts including concert stops in De-

troit; Grand Rapids, Mich.; East Rutherford, N.J.; and Chicago. One of the Chicago dates was followed by a well-attended House of Blues show.

The upticks in those markets alone account for 30% of the overall rise on "Let It Go," good for Great-

est Gainer honors on Top Country Albums (up 1,000) as it steps 7-6. The album is helped, too, by continued growth for their duet, "I Need You," which bullets at No. 11 on Hot Country Songs.

URBAN LANDS GAINER AWARD

In an otherwise quiet week on Top Country Albums, Keith Urban manages a Greatest Gainer nod as his "Love, Pain & the Whole Crazy Thing" hops 13-10 (10,000 units).

The album returns to the top 10 for the first time in three months. The title spent its first three weeks at No. 1, bowing with 270,000 copies in the Nov. 25, 2006, issue.

After a few days off, Urban's tour resumed with

three key Texas dates (Austin, Houston and Dallas) during the tracking week. His increase might also reflect quick response to his July 7

appearance at the Live Earth concert and a repeat that evening of his Feb. 10 performance on NBC's "Saturday Night Live."

Urban's gain is one of only two inside the top 20. The other belongs to Tim McGraw's "Greatest Hits Vol. 2: Reflected" (20-6). —Wade Jessen

KEYS LOCKS ADULT R&B RECORD

With three weeks at No. 1 under her belt on her next album's lead single, Alicia Keys' follow-up "Like You'll Never See Me Again" at No. 37 represents the best start for a woman since Beyoncé's No. 26 launch of "Crazy in Love" in 2003. Keys' "No

One," meanwhile, gamers 69 million in audience, the most by a No. 1 song in seven months. It also becomes her seventh No. 1 at Adult R&B (2-1), breaking a four-way tie she held with Toni Braxton, Brian McKnight and Luther Vandross for the most chart-toppers in the 15-year history of the Nielsen BDS-driven chart. —Raphael George

LED STATION? UNION ZEPPELIN?

Bluegrass/country/pop stylist Alison Krauss joins Robert Plant on "Raising Sand," which bows at No. 2 on Top Country Albums (112,000 copies). It also arrives at No. 3 on The Billboard

86,000 copies that Union Station's "Lonely Runs Both Ways" sold during Christmas week 2005.

Jumps into runner-up position but remains 19 million impressions behind Keys at No. 1. Also debuts at No. 38 on Adult R&B.

With Nos. 1 and 9, Alicia Keys is the first woman since May 2006 to have at least two songs in the top 10 in the same week. Nine male acts matched her feat in the same span.

At No. 19 with newcomer Lil' Phat, frequent collaborators Webbie and Lil' Boosie break top 20 barrier faster than any of their previous singles.

Tamias latest is assisted by retail bows at No. 34 on Adult R&B, and "Between Friends" re-enters Top R&B Albums at No. 100.

With 26 first-week spins from WAKYS Washington, D.C., Chingy rises 60-51 and boosts airplay by 1 million impressions.

BACK-TO-BACK BOWS FOR BROWN

After charting the first holiday single of the year last week on Hot R&B/Hip-Hop Songs, Chris Brown returns with Hot Shot Debut honors for "With You" (No. 55) from his album "Exclusive." It grabs almost 5 million impressions from 38 stations. This marks Brown's third-best launch; "Gimme That" and "Wall to Wall" pierced the list at Nos. 43 and 38, respectively. "This Christmas" from the movie of the same name chimes 65-61 this week. Scarface also sees a handsome start with "Girl You Know" at No. 66, his highest bow since 1997. It lands one week before his new album hits The Billboard 200.

LAWRENCE'S ALBUM FINDS 'LOVE'

Tracy Lawrence returns to Top Country Albums as "For the Love" arrives at No. 6 while starting at No. 53 on The Billboard 200.

The album is Lawrence's first collection of new material in almost three years, but he bowed at No. 8 with "Then & Now: The Hits Collection" in the Nov. 5, 2005, issue. He hasn't scored a top 10 debut with a set of new songs since "Strong" popped on at No. 2 in the April 17, 2004, issue.

The 17,000 copies of

"Love" marks Lawrence's biggest one-week sum since "Then & Now" opened with 28,000 units.

The new album's lead single, "Find Out Who Your Friends Are," bullets at No. 32 on Hot Country Songs and has amassed 45 million audience impressions since its arrival on the chart dated Sept. 16, 2006.

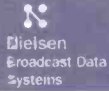

Meanwhile, a sixth installment in the "Totally Country" compilation series starts with 37,000 copies at No. 1 on Top Country Albums (No. 18 on The Billboard 200), only the second chart-topper in that line's history.

CARROLL SET MAKES BIG SPLASH

Rookie Jason Michael Carroll plants his debut outing at No. 1 on Top Country Albums with 58,000 copies sold. His "Waitin' in the Country" marks the first time a new male artist has bowed at this chart's summit since "Nashville Star" winner Buddy Jewell did so in the July 19, 2003, issue.

Although Jewell turned heads with his top start, Carroll outpaces Jewell's first week by roughly 6,000 units. That gives Carroll—who also starts at No. 8 on The Billboard 200—the fattest first-week sum by a

new male artist since Billy Ray Cyrus blew in atop the chart with 90,000 copies of "Some Gave All" in 1992.

Carroll is the first new artist to bow at No. 1 on the country list without "American Idol" or "Nashville Star" exposure since Gretchen Wilson's "Here for the Party" in May 2004.

Debut single "Alyssa Lies," a gripping tale of an abused child, draws 26.5 million impressions at 120 monitored stations, rising 8-6 on Hot Country Songs. —Wade Jessen

BETWEEN THE BULLETS rgeorge@billboard.com 'MR. JONES' SETS STAGE FOR ALBUM

Mike Jones sets the stage for his upcoming spring release, earning the Hot Shot Debut on Hot R&B/Hip-Hop Songs. "Mr. Jones" bows at No. 72. The name-checked title starts with 3 million in audience and comes two years after his breakout hit "Back Then" peaked at No. 15 on this chart. Riding the wave of his "Who Is Mike

Jones" debut (1.4 million sold, according to Nielsen SoundScan), he also hit the Songs list in 2005, collaborating with the Ying Yang Twins, Paul Wall and T-Pain. The single precedes the April release of Jones' "American Dream," which is also the title of his feature-film debut based on his rise to fame. —Raphael George

After an April 1 performance on BET's "106 & Park"—showing off his "G5" dance—debut single becomes the 18-year-old's first top 10. Album "Notebook"

led by a gain of 50 plays (and 2.9 million audience impressions) at WGCI Chicago.

Brian McKnight's "What's My Name" regains its bullet at No. 51 and climbs 11-10 at Adult R&B where it becomes the crooner's 15th top 10 and fifth straight as a lead artist.

Track marks superstar's 2nd trip into the chart's top 40 since his 2002 debut. In that span, only R. Kelly, with 2, has more appearances.

BUCKY BOWS BIG, ROOKIES RULE

For the third time since December 2005, an "American Idol" graduate bows at No. 1 on Top Country Albums, as season-five finalist Bucky Covington's self-titled debut blows in with 61,000 copies sold. He makes history as having the fattest debut week by a new solo male country artist since Billy Ray Cyrus' "Some Gave All" stormed the chart with 90,000 in 1992. In the rookie male category, Covington's sum bests the 58,000 copies that Ja-

son Michael Carroll's "Waitn' in the Country" logged in the Feb. 24 issue, which became the biggest first week for a new male artist since Cyrus' fast start 15 years ago.

Together, Carroll and Covington bring Top Country Albums its first pair of No. 1 starts by new artists in the same calendar year since Billboard adopted Nielsen SoundScan data for chart rankings in May 1991.

Yung Joc owns two of the three top 10s that the Koch label has posted on this chart.

With Yung Joc's new single and Gerald Levert's Hot Shot debut, the Atlantic label owns 17 titles on this chart for the third time in the Nielsen music era.

Rihanna jumps 69-52 on this chart and lands her highest debut at Rhythmic Airplay (No. 31).

Bone Thugs-N-Harmony at No. 62, climb 11-9 at Rhythmic Airplay for its first top 10 in 11 years.

Timberlake's ballad at No. 46 gains strength from only 19 monitored stations, three of them in Chicago.

BIG & RICH 'DANCE' UP CHARTS

In the soft post-Easter week, with album sales down 24% compared with last week, any title that sees a minor decline in sales zips up the chart. Witness Big & Rich's last studio set "Comin' to Your City" at No. 48. It earns the

current single "Lost in This Moment." It's no surprise then to see its "Horse of a Different Color"—which contains "Save a Horse"—re-enter Top Country Catalog Albums at No. 11, up 58%.

chart's Greatest Gainer trophy, thanks to 0.12% increase in sales. That may not sound like much, but it's the only gain on the list. The act performed April 10 on ABC's "Dancing With the Stars," singing "Save a Horse (Ride a Cowboy)" and

Since most titles decline, Country Albums' Pacesetter goes to the one with the smallest drop: Rodney Carrington's "King of the Mountains" (down 0.44%, No. 16), following his April 14 Comedy Central special. —Keith Caulfield

TOP FIVE GREETES FOUR DEBUTS

History is made on Top Country Albums this issue as four new sets bow simultaneously inside the top five, the most debuts ever in that part of the chart. Led by Martina McBride's Hot Shot Debut "Wake Up Laughing" at No. 2, the others are Alison Krauss' "A Hundred Miles or More: A Collection" (73,000 copies); Alan Jackson, George Strait and Jimmy Buffett's "Live at Texas Stadium" (67,000); and Larry the Cable Guy's "Morning

Constitutions" (56,000).

With 144,000 copies sold, McBride logs her second-largest one-week sum, trailing the 185,000 opener posted by "Timeless" in 2005.

The four new titles push Carrie Underwood's "Some Hearts" down to No. 6, but the "American Idol" queen manages the Greatest Gainer with an increase of 15,000 copies on a "Saturday Night Live" stop and the May cover of Cosmopolitan. —Wade Jessen

Opens at No. 4 on The Billboard 200 with 78,000 units, as single tops 700,000 downloads

As single sales fade for 17-year-old Lil' Mama, her recent stops at radio spring audience gain of 107%.

Former Billboard Hot 100 No. 1 gives Timberlake his second bow in as many weeks on Hot R&B/Hip-Hop Songs with 3.5 million impressions.

Climbs into top 10 rotation at KMET San Francisco, helping Winehouse build 36% gain in audience.

At No. 5, T-Pain's improvement of 9 million in audience and a No. 14 bow on R&B/Hip-Hop Single Sales lift track 14-5.

ALABAMA RETURNS TO CHURCH

The group is officially retired, but Alabama isn't exactly playing bingo. On the heels of last fall's No. 1 start on Top Country Albums and Top Christian Albums with "Songs of Inspiration," the Fort Payne, Ala. based band brings a second installment of sacred songs to both lists.

Opening with 26,000 copies, "Songs of Inspiration II" starts at No. 3 on Top Country Albums and takes the Hot Shot Debut at No. 1 on Top Christian Albums and

Top Christian & Gospel Albums. The first "Songs of Inspiration" set, which clocked in with 44,000 copies in the Nov. 11, 2006, issue, takes this week's percentage-based Pacesetter award on the country chart, up 51% (66-57).

Since Christian stores began reporting point-of-sale data to Nielsen SoundScan in June 1995, Alabama and Alan Jackson are the only country acts to post No. 1 debuts on Top Christian Albums.

THREE GREATS REVISIT CHART

Top Country Albums sees a rare visit from a trio of Country Music Hall of Fame members as Willie Nelson, Merle Haggard and Ray Price team up on "Last of the Breed." The set swipes peaked at No. 6 in 2005. Haggard's last top 10 on Top Country Albums came when "Chill Factor" peaked at No. 6 in 1988. Price hasn't had a solo top 10 since "Like Old Times Again" hit No. 7 in early 1975. Price and Nelson teamed on "San Antonio Rose," which reached No. 3 in 1980.

With Asleep at the Wheel as a backing band, the three luminaries toured in March to promote "Breed."

BRIT WINEHOUSE DENTS R&B LIST

British R&B import Amy Winehouse marks her maiden voyage on Hot R&B/Hip-Hop Songs with "You Know I'm No Good" at No. 93. It first gained airplay as a cut from Ghostface Killah's "More Fish" in December. Now as the lead single on her "Back to Black," its bow is buoyed by a ring-

ing 500% gain in single sales over last frame. The videoclip also gains momentum, with MTV, VH1 and VH1 Soul lending support. Winehouse also makes her mark on the album charts with double top 10 bows on The Billboard 200 and Top R&B/Hip-Hop Albums (No. 10).

'BRIDGES' ENCORE RAISES KEITH

A CMT repeat of Toby Keith's feature film "Broken Bridges" during the tracking week and a sold-out March 13 turn at Houston's Livestock Show & Rodeo lifts the "Bridges" soundtrack 24-22 on Top Country Albums.

"Country" compilation earns the percentage-based Pacesetter cup on Top Country Albums, up 27% (68-58).

On Top Bluegrass Albums, female string quartet Uncle Earl posts its highest debut and

Sales volume on Top Country Albums dips 15% during the tracking week, but "Bridges" manages a Greatest Gainer nod on that list and rises 135-124 on The Billboard 200 (7,000 copies sold, up 1,000).

Concurrently, the "Forever

KEITH

biggest one-week sum with "Waterloo Tennessee." The No. 2 bow (1,000 copies) tops a No. 7 start for "She Waits for the Night" in the Aug. 6, 2005, issue. That set peaked at No. 6 the following week.

ROOKIE BRYAN STARTS FAST

Newcomer Luke Bryan's "I'll Stay Me" nabs the Hot Shot Debut at No. 2 on Top Country Albums, good enough for a No. 24 bow on The Billboard 200.

On the country list, Bryan's bow (25,000 copies) is the biggest for any rookie since Bucky Covington's self-titled album opened atop the chart with 61,000 copies in the May 5 issue.

Bryan's quick start comes as lead single "All My Friends

Say" advances 15-13 in its 30th week on Hot Country Songs. Although the song has taken the slow lane to the upper part of the radio chart, the protracted climb translates to 211

million audience impressions since the song's Feb. 10 bow.

An hourlong Great American Country special titled "Alison Krauss: A Hundred Miles or More" premiered Aug. 11, and lifts her 16-12 with Greatest Gainer roses (9,000 sold). —Wade Jessen

Musiq's surge of 9 million impressions creates smallest audience gap in six months (2.7 million) between the top two songs.

In only eight weeks, Soulja Boy's "Crank That" marches 17-10 for the fastest climb to the top 10 in three years by an artist's first single.

Two years ago B5 peaked at No. 71 after six weeks with debut single. Diddy's boy band lands Hot Shot Debut medal at No. 58. Album is due Sept. 11.

Rapper's single picks up 56% audience gain over prior issue, its first increase since its debut four weeks ago.

Rapper had two previous chart appearances with an independent label. Now on Atlantic, he reaches a new career peak.

'READING' GROWS MCGRAW SET

With the Greatest Gainer nod on Top Country Albums, Tim McGraw's "Let It Go" advances to No. 3, logging a 13th cumulative week inside the top five since it bowed atop the chart in the April 14 issue.

McGraw's set improves 5,000 units as replenishment copies containing his previously unavailable "If You're Reading This" hit the market. The new edition of "Let It Go" benefits from the emotional military anthem

McGraw performed live during the May 15 Academy of Country Music Awards on CBS (Billboard, June 2).

"Reading" has amassed 125 million audience impressions since it bowed on Hot Country Songs. This issue, the song skips 16-15, with spins detected at 126 of the 130 Nielsen BDS-monitored country panel stations (17.2 million impressions).

 Songstress leaps into the top 10 for fifth time in her career, garnering chart's largest audience increase in two months (up 8.7 impressions). Video clip played 74 times on VH1 Soul during tracking week.

 It's Stone's bow for relaunched Stax Records after leaving Clive Davis' J Records in 2005. Her new album, "The Art of Love & War," streets Oct. 16.

 Each of T-Pain's four appearances as a lead artist have reached the top 10, including "Bartender" (13-9). He is also the first artist this year to score two No. 1s on Rhythmic Airplay (2-1).

 The career of UGK, at No. 46, spans more than a decade, but the Houston duo gamers its first debut on the 8-year-old Hot Rap Songs chart at billboard.biz (No. 21).

CMA FEST SHINES; IVEY CLIMBS

While Billy Ray Cyrus returns to the top 10 of Top Country Albums for the first time since 1993 (see story, page 10), ABC's July 23 presentation of "CMA Music Festival: Country's Night to Rock" yields gains for many of its participants. The biggest increases go to Martina McBride's "Timeless" (No. 29, up 184%), Sara Evans (No. 38, up 174%), Josh Turner (No. 17, up 45%) and Kellie Pickler (No. 19, up 42%). Pickler also played "Good Morning America" July 23, helping her handsome gain.

In other chart news, Steve Ivey, who has placed 10 different titles on Top Bluegrass Albums, finally nabs his first No. 1. His "Best of Bluegrass Gospel: Collector's Edition" rises one spot despite a tiny 1% decline in sales in its second chart week.—Keith Caulfield

IT'S COUNTRY STANDARD TIME

Former Mavericks frontman Raul Malo dresses up a set of country standards and heads uptown on "After Hours," which is the Hot Shot Debut at No. 43 (3,000 copies). Malo's champagne treatment of beer-drinking classics is his fourth solo set, but his first ink on Top Country Albums since the Mavericks spent seven weeks there with a self-titled set in fall 2003. The group scored three straight top 10 entries on Top Country

Albums between 1994 and 1998. On "Hours," Malo tips his hat to Buck Owens, Dwight Yoakam and Hank Snow, among others. In a similarly nostalgic vein, Teddy Thompson's "Upfront & Down Low" is a package of re-worked country classics that arrives with 2,500 copies at No. 49. Thompson treads familiar turf including staples from the Ernest Tubb, Dolly Parton and George Jones songbooks.

Musiq Soulchild's "teachme" spends its 17th straight week in the top 10 (No. 7). It also becomes his most successful single at Adult R&B with 11 weeks at No. 1.

West holds at No. 1 while his core-store sales on Top R&B/Hip-Hop Albums fall by 79%. Single flies with 63% increase in audience (up 5 million).

Fabulous remains steady at No. 52 on this list but moves 13-9 on Rhythmic Airplay, giving him consecutive top 10s for the first time since 2003.

BETWEEN THE BULLETS rgeorge@billboard.com 'MAGIC' MOMENT AS JAY-Z BOWS

Def Jam chief Jay-Z explodes onto Hot R&B/Hip-Hop Songs with the highest debut by a rap single this year as "Blue Magic" enters at No. 35. The lead piece from the Nov. 6 re-release of "American Gangster" bows with 10 million impressions after it was delivered to radio via download Sept. 20. The rap mogul used that same

method to usher in last year's "Kingdom Come" album, when "Show Me What You Got" debuted at No. 20 on just four days of airplay. In his career Jay-Z has scored seven No. 1s, the most by any rapper. He also owns 79 chart appearances, leading all artists in the Nielsen era.

SIXTH NO. 1 START FOR CHESNEY

With his biggest Nielsen SoundScan week since December 2005, Kenny Chesney posts his sixth No. 1 start on Top Country Albums and fifth top five on The Billboard 200 (No. 3).

Chesney's "Just Who I Am: Poets & Pirates" bows with 387,000 copies, his biggest one-week sum since "The Road and the Radio" scanned 269,000 during Christmas week 2005 and his third biggest-opening week. The east Tennessee native's fat-

test arrival happened when "When the Sun Goes Down" popped on with 551,000 copies in 2004. Chesney also ripples Top Digital Albums, where "Poets" starts at No. 3 with 36,000 downloads.

Country radio has proved unusually receptive to the new album. Lead single "Never Wanted Nothing More" hit No. 1 in eight weeks, "Don't Blink" rises 10-6, and two album cuts have also charted. —Wade Jessen

NICHOLS, TRITT OPEN 'REAL' HIGH

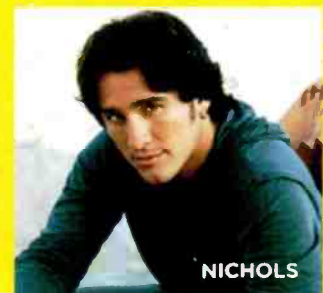

Traditionalist Joe Nichols logs the Hot Shot Debut on Top Country Albums as "Real Things," his fourth set of new songs, begins at No. 2. It also bows at No. 23 on The Billboard 200.

With 26,000 copies, "Things" equals Nichols' prior benchmark rank on the country chart, but is considerably lower than his prior best Billboard 200 debut at No. 7. His highest and bulkiest opener on both

lists came when "III" debuted with 57,000 copies in November 2005.

Travis Tritt returns to Top Country Albums after a four-year hiatus, snagging his best debut for a set of new material.

At No. 3, "The Storm" moves 23,000 copies. Previously, the Georgia native twice bowed at No. 4 with "Strong Enough" (2002) and "Ten Feet Tall & Bulletproof" (1994), while his first best-of set popped on at No. 3 in 1995. —Wade Jessen

Formation graces the top 10 for an 18th time in the Nielsen era (which began 15 years ago) this month for R&B/Hip-Hop, tying Mariah Carey for most by a female artist in that span.

Song shames with the best Airplay gain, though its increase of 3.6 million impressions is the smallest for an award winner since Beyoncé's "Irreplaceable" in the Jan. 13 issue.

At No. 25, though many artists have already covered it, the Jonny Hathaway-written standard makes its chart debut. Brown's version begins with 37 million in audience on 35 stations.

Twenty-three-year-old Ohio rapper scores his first chart single with track that rocks 12-2 on Hot R&B/Hip-Hop Singles Sales (up 108%). Featured artist Dwele makes his sixth visit, including his work at No. 24.

SWEET RETURN FOR BADU

Grammy Award-winning neo-soul pioneer Erykah Badu returns to Hot R&B/Hip-Hop Songs for the first time in almost four years, as "Honey" stirs up Hot Shot Debut honors at No. 62. The song also enters Adult R&B at No. 38. Badu's fifth album, "The Kabah," is due in February on Universal Motown. "Honey" starts with 4.2 million audi-

ence impressions at 70 stations. Airplay is strongest in Badu's hometown of Dallas, where KRNB leads the way with 30 spins in the chart tracking week. "Honey" becomes Badu's 13th title on the big chart. She has had three reach the top 10, all of which went to No. 1, including debut single "On & On" 10 years ago.

URBAN, MCGRAW THE 'GREATEST'

Holiday titles and hits packages take center stage on Top Country Albums, led by Keith Urban's No. 4 Hot Shot Debut with "Greatest Hits," which moves 117,000 copies and pings The Billboard 200 at No. 11. Urban's sum is his biggest Nielsen SoundScan week since "Love, Pain & The Whole Crazy Thing" sold 158,000 units during Christmas week last year. Meanwhile, Tim McGraw's "Greatest Hits Vol. 2: Reflected" snares the Greatest Gainer with an increase of 5,000 scans (46,000 copies sold), and

vaults 34-11 on the country list. McGraw's bump is good enough for Pacesetter roses on The Billboard 200, up 757% (177-31). "Reflected" was sharply discounted for the "Black Friday" shopping rush by at least one mass merchant.

Taylor Swift stokes the yuletide blaze on Top Country Albums with "Sounds of the Season: The Taylor Swift Holiday Collection," which opens with 15,000 copies (No. 18). Swift's six-song EP is being sold exclusively at Target retail locations.

STRAIT'S APPEAL ENDURES

One of the most gratifying things about attending a George Strait concert is watching scores of youngsters singing along, word for word, with the oldest songs in Strait's catalog. Many of those songs predate the throngs of young adults who are now old enough to buy beer at his shows.

The enduring appeal of Strait's catalog is underscored this issue as "22 More Hits" opens with the Hot Shot Debut purse at No. 4. At 80,000 copies, "More" also pops on The Billboard 200 at No. 13.

A companion piece to Strait's six-times-platinum "50 Number Ones," the new package features some of Strait's most stylish work ("Overnight Success," "The Cowboy Rides Away," "Desperately"), each one a significant chart hit, but none that reached No. 1 on Hot

Country Songs. The lone exception could end up being Strait's current single, "How 'Bout Them Cowgirls," which bullets at No. 5 on Hot Country Songs and also appears on his "It Just Comes Natural" set. —Wade Jessen

FRANKLIN RETURNS TO SONGS LIST

Gospel leader Kirk Franklin debuts at No. 70 on Hot R&B/Hip-Hop Songs with "Declaration (This Is It)," the first single from "The Fight of My Life," which debuted at No. 79 in 2005. Also at Adult R&B, Keyshia Cole becomes the first artist since Toni Braxton in 1996 to score two concurrent, non-holiday debuts as "I Remember" and "Shoulda Let You Go" enter at Nos. 36 and 38, respectively.

CMA AWARDS SPIKE THE CHART

Top Country Albums is plumped by gains associated with the 41st annual Country Music Assn. released the day before the CMA show. Kellie Pickler's tearful performance of "I Wonder" spikes her "Small Town Girl" 179% for Pacesetter honors at No. 31.

Taylor Swift's self-titled debut album (8-4) gets the chart's biggest lift, up 41,000 units (156%). She performed on the show and won the Horizon Award for career development. With Greatest Gainer applause, Swift's set also gets added notice from a limited-edition run,

Other CMA-related bumps include Sugarland's "Enjoy the Ride" (see story, page 58), which jumps 112% (9-6); Keith Urban (33-21, up 94%); George Strait (32-20, up 138%); and Little Big Town (No. 10, 35,000 sold). —Wade Jessen

TURNER HOT AS A 'FIRECRACKER'

Country traditionalist Josh Turner enters Top Country Albums at No. 3 with "Everything Is Fine," which moves 84,000 copies. That's Turner's second-biggest opening week, his best since "Your Man" started at No. 1 with 102,000 scans in the Feb. 11, 2006, issue.

The new set starts at No. 5 on The Billboard 200, his second top five on that chart.

Turner's set benefits from lead single "Firecracker," which bullets at No. 8 on

Hot Country Songs. His profile was elevated significantly when he became the newest cast member of the storied 82-year-old WSM Grand Ole Opry radio show Oct. 27. His official coronation also aired live on GAC.

At No. 1, the Eagles visit the country list for the second time in their career (see Over The Counter, page 71). "Hotel California" spent 23 weeks on this chart, peaking at No. 10 in 1977. —Wade Jessen
