Through The Network of Juke Boxes Everywhere In The Nation:

America's Regional Music

Has Become

America's National Music

In the past five years there's been a basic change in the kind of American music that has reached the height of popularity. Whereas a decade or two ago, the top hits for the most part originated in the great sophisticated centers such as New York, Chicago or Hollywood, today they come from everywhere in the country, from every regional area and represent every local outlook and feeling.

This tremendous change in America's musical tastes has usually been summed up as the emergence of folk music. But it is in reality more than just that. It is the acceptance by the American people of its own traditions and creativeness.

It might be asked why has it taken so long for this creativeness to receive recognition. The answer is simply that until recently we didn't have the means by which great numbers of people could be exposed to regional music in an acceptable way, in a way they could understand and appreciate.

Perhaps the greatest thanks for this achievement should go to the record companies. For it has been through recorded presentations that regional music has been able to reach the entire country in the shortest possible time. And it is also through the imaginativeness of the A & R men that folk tunes have been recorded in a way which is meaningful to the general public.

Before folk music emerged into the popular market, there had been numerous good tunes which remained strictly local, hits in their own area, but never going any further. It was when A & R men started taking these songs and presenting them in a pop fashion that the general public began to realize that perhaps they were missing something by not looking closer at these regional products. People in the trade began to realize that they were passing up a literal gold mine of material because the manner of presentation was different from what they were used to hearing.

But as soon as these songs were translated into the pop idiom, they became just as big

—and many times even bigger—than they had been in the folk field.

While the A & R men deserve the credit for being the first to experiment with this music, it must always be recognized that it was through the network of 550,000 juke boxes located throughout the land that these songs were able to be exposed to audiences all over the country at the very same time.

As a matter of fact the juke box has played a major part in making our former regional music our current national music.

Before the introduction of the modern juke boxes in the early thirties, the only means for quickly spreading a song was through radio. But network shows, which could go across the entire country, were composed mainly of tunes written in the big city sophisticated tradition. There wasn't room on them for tunes from regional areas.

Only when the juke box really came into its own was it possible to program folk records everywhere in the nation—and so learn that they were meaningful everywhere.

Since the introduction of regional music, it has become so recognizable to the general public that still another phenomenon is now occurring. Some folk tunes now no longer have to be translated into pop forms but are acceptable in their original form. The most striking example of this is the current Hank Williams hit "Kaw-Liga". Many of Hank Williams' tunes have been done pop before but never has he as an artist gone pop. Now apparently the public has been so conditioned to folk music that even a straight folk rendition without any pop embellishments gets its message across.

Yes, popular musical tastes have undergone a drastic upheaval. And we're extremely happy to note that today, instead of decrying the fact as was the rule a few years ago, music men are not only accepting it and dealing with it, but are actually giving credit where it is due for the magnificent job that has been done in educating the public to enjoy this music.

Stan Pat (WTNJ-Trenton, N. J.) has accomplished what is the dream of every entertainer in the business. Stan has just spent a complete day with the photographer for Look and Glamour magazine in preparation for a story in pictures of a typical day with a Broadway agent. The jockey went through the usual routine of pics with luscious models, musicians, singers, brother deejays at restaurants, theatres, studios, cocktail parties, and seated at the desk in his busy booking office. When this breaks nationally, it should be the making of Stan and he appreciatively writes, "I am very grateful to The Cash Box as you make an awful lot of things possible for me. Thanks for everything". Good luck, Stan. Glad to be able to help you on the way up.

TOM EDWARDS
(WERE—Cleveland, O)

Pic of the week—In the January 3 issue this column ran a gagged up pic of Tom Edwards (WERE-Cleveland, O.) that almost scared his friends silly. This is what he really looks like. Any better? Maybe we should have stuck to the January 3 shot. . . . Gil Henry (KING-Seattle, Wash.) just completed a two-month survey to determine the most popular recording stars among the listeners of his show, "King's Open House". Male vocalists are 1) Eddie Fisher, 2) Victor Marchese, 3) Perry Como. Fems are 1) Doris Day, 2) Rosemary Clooney, 3) Jo Stafford. Bands are 1) Billy May, 2) Hugo Winterhalter, 3) Ray Anthony, Les Brown, and Guy Lombardo. . . . Been a bit of shufflin' at WREV-Reidsville, N. C. Gene Whitaker handles pop, Henry Tuck the Western and Folk, and Thurman Ruth will take care of the rhythm and blues. . . . Lawrence

Kneeland (WERI-Jewett City, Conn.) comes up with a new gimmick. On each program he plays one song whose title contains a number. At this writing he is up to number ten and still going. . . . Bob Edwards (WFBC-Greenville, S. C.) now taking orders from Uncle Whiskers. "Slim" King who is replacing Bob on "The Crossroads Store" was with WLW-Cincinnati, O. as vocalist and guitarist on both local and network radio and TV for the past two and a half years. . . . Bill Reynolds (WTMJ-Milwaukee, Wisc.) delighted to hear from Pee Wee King who read about his Music, Milwaukee Show in The Cash Box. . . . Jilla Webb on a promotion tour with her new MGM record "There's Poison In Your Heart" is visiting the jockeys and distributors in Cleveland, Akron, Columbus, Detroit, Cincinnati and other points west. . . .

Scoop. TeeVee Sweetheart, Dorothy (Small World) Collins has formed her own diskery, Audivox, with hubby Raymond Scott and publicist Leonard Wolf. You'll be hearing all about it, with disks and brochures in about 2 weeks.

Hugh W. Smith (WLOX-Biloxi, Miss.) very much impressed with "Sentimental Souvenirs" as performed by Buddy Cunningham and the Anita Kerr Singers on the J.B. label. Hugh has made it part of his regular program line-up. . . . On March 21 station WKOX-Framingham, Mass., commenced a new series of weekly four-hour "Open House" programs featuring deejays John Grubbs and Roy Leonard, known to their fans as "The Rover Boys". Guest stars appear and refreshments are served to the public. . . . Norman Greene on his recent visit to Cleveland guested with Howie Lund (WJW) and Tommy Edwards (WERE) who are running his "Suspicion" contest. . . . Jocks working at WWON-Woonsocket, R.I. are Gene Rousseau, program director and deejay for classical and pop; Henry Bouchard, pop request show; and Frank Titus, pop. . . . On Bill Silbert's popular "live" WMGM show, "Silbert At Six", he played host to Debbie Reynolds, Eileen Barton, and Steve Lawrence. . . . Pete Ward (WCCM-Lawrence, Mass.) was out last week with a back ailment and Ernie LaBranche did a great job as fill-in. . . . Dick Karnow (WGSM-Huntington, L. I.) who wakes up Long Island with his early show (6-9 a.m.) is now featuring the top 25 tunes on his Saturday afternoon show based on "The Cash Box" lists. . . . Pete Dryer (KVOL-Lafayette, La.) now has two Saturday shows. One r & b and the other pop.

CAPITOL salutes the man whose ten years of dynamic spirit and provocative ideas have set the pace for modern bands!

ACQUIVIVA & HIS ORCH.
(MGM 30764; K-30764)

ⓑ+ "THAT'S ALL" (3:02) [Meridian Music] After listening to this lovely instrumental, one must classify Tony Acquiviva as one of our top pop conductors and arrangers in the lush instrumental field. This pretty piece is perfect. It's soft and sweet.

ⓑ+ "THE CAVALIER'S BALL" (3:09) [A. Q. V. Music] A more commercial melody is presented by Tony on this end with a tune that has a "toy soldier" sound. It's lush and stringy and full of life and vigor. A potent instrumental that could catch on.

THE HARRY GROVE TRIO
(London 1316; 45-1316)

ⓐ+ "LITTLE RED MONKEY" (2:20) [Miller Music] The exciting and interesting sound that comes from the instruments of the Harry Grove Trio does wonders with a cute ditty. The number has a haunting sound to its pleasantness.

ⓐ+ "THE MAGIC MUSIC BOX" (2:35) [Cromwell Music] Another cute and lively item is given the light and gay treatment by the Grove trio. The cute bounce and happy tempo help put across this novelty.

THE DE MARCO SISTERS
(MGM 11462; K-11462)

ⓑ "PRETTY BABY" (1:59) [Remick Music] A cute oldie gets a lively and harmonic treatment from the striking voices of the DeMarco Sisters. Their rock rhythm and smooth style comes off fine on this happy novelty.

ⓑ "BOUILLIBASE" (2:56) [Weiss & Barry Music] The girls pick up the tempo to a rousing jump beat for their bop slang delivery of a cute ditty with a real rocking beat. The amusing lyrics add a great deal to a sock rendition.

RICKY HALE
(Dana 2102; 45-2102)

ⓑ "LOVE ME" (3:08) [Dana Music] Ricky Hale takes some top drawer material and belts out a lovely ballad with a great deal of emotion. Jimmy Carroll and his ork do a superb job of showcasing the artist's juicy treatment.

ⓑ "GONE" (2:56) [Dana Music] The artist does some more powerful balladeering on a fast moving beauty item that he does with a great deal of inspiration. The delivery is fine and stands out as a potent side for the lad.

SAUTER FINEGAN ORCHESTRA
(RCA Victor 20-5248; 47-5248)

ⓑ+ "YANKEE DOODLETOWN" (2:28) [Zephyr Music] The famous melody of "Yankee Doodle Went To Town" gets its face lifted by the fascinating sound of the Sauter Finegan ork. The jump version is really different and could easily catch on. It could hit big.

ⓐ+ "NOW THAT I'M IN LOVE" (2:35) [Burke & Van Heusen] The finale from the "William Tell Overture," better known as the theme to the Lone Ranger, gets a light treatment with new lyrics by Anita Boyer. The instrumental is exciting. Lyrics don't seem to fit.

TONY BENNETT
(Columbia 39964; 4-39964)

TONY BENNETT

● Tony Bennett comes up with two sensational sides that are definitely his best offerings since "Because Of You." Since his fabulous

success with "Because" people have said that his other recordings were too beautiful to be commercial. Now the balladeer has two sides that are both beautiful and commercial. "The King Of Broken Hearts" is a number with a lovely tune and absolutely great lyrics. Each line is unusually outstanding, and Percy Faith's backing fits the number perfectly. "No One Will Ever Know" is the title of the coupling that Tony sends out with tears and expression. His velvety voice can really be felt on this end. Seldomly does one find two great sides back to back. Here is a terrific chance for ops to make a twin killing.

"WAITING FOR YOU" (2:42) [Sam Fox Publications]

"I LIVED WHEN I MET YOU" (2:36) [Alamo Music]

VERA LYNN
(London 1302; 45-1302)

VERA LYNN

● Although Vera Lynn doesn't make too many personal appearances in our country, the English vocalist is well accepted by the

American public in the wax field. She had tremendous success with "Auf Wiederseh'n Sweetheart" and "Yours." Now the thrush borrows the services of the Soldiers, Sailors and Airmen of Her Majesty's Forces to do a lovely waltz ballad tagged "Waiting For You." The lovely tune and the sentimental softness of delivery could make this another contender for top honors. Flip is another pretty ballad labeled "I Lived When I Met You" that Vera sends out wonderfully with her companions and Roland Shaw's ork. Both ends are packed with quality, but we look for the top half to make the bigger stir.

TOMMY EDWARDS
(MGM 11465; K-11465)

ⓑ "I LIVED WHEN I MET YOU" (2:55) [Hill & Range Songs] The soft and caressing manner with which Tommy Edwards sings and eases through a song is perfectly shown on this lovely tune. He gives it a great deal of expression. It's a wonderful love song.

ⓑ+ "AU REVOIR" (2:55) [Hollybrook Music] Here the warm voiced artist does a sentimental goodbye song in a heart felt manner. The lush and soft LeRoy Holmes backing adds a great deal to an already lovely side. A fine coupling.

JOHNNY MADDOX
(Dot 15062; 45-15062)

ⓑ "TWILIGHT TIME" (2:38) [Cambell-Porgie] Johnny Maddox hands in some fancy fingering as he leads his Rhythmaires with an appealing piano treatment of a fine lilt full of rhythm and rag time feeling. Lovely standard sounds terrific.

ⓑ+ "ALICE BLUE GOWN" (2:30) [Leo Feist Inc.] The bar room type of piano offering by Johnny on this side sounds great too. He does a solid "gay twenty" type of instrumental to this happy bouncer. The tune of this oldie is already accepted as wonderful.

JOHNNY LONG ORCH.
(Coral 60857; 9-60857)

ⓐ+ "EASTER PARADE" (2:35) [Irving Berlin Music] The pretty harmony of the Beachcombers is set to a lovely holiday standard and showcased by the soft and smooth music of Johnny Long's ork. A good filler for the Easter holiday.

ⓐ "NIGHT AND DAY" (2:29) [Harms Inc.] Here Johnny's boys lend their talents to a fine oldie penned by Cole Porter. The pretty tune to the two step tempo makes for inviting listening.

GUY LOMBARDO
(Decca 28655; 9-28655)

ⓐ+ "DOWNHEARTED" (2:48) [George Paxton Inc.] The usual fine dance music that comes from the Guy Lombardo orchestra continues to flow as Guy and Kenny Gardner do a straight forward cover job on a good song. Fine for dancing and good listening.

ⓐ+ "SEVEN LONELY DAYS" (2:39) [Jefferson Music] Another fine tune that's breaking into the hit class is treated by the Lombardo crew. Kenny Gardner eases through this bouncing number in a smooth and inviting manner.

GERALDO'S NEW CONCERT ORCH.
(Columbia 39967; 4-39967)

ⓐ+ "THE ECSTASY TANGO" (2:38) [Jefferson Music] A pretty and new tango with a lovely melody is rendered in a sultry manner by the instruments of Geraldo's New Concert Ork. The lush and full sound should go well in the boxes.

ⓐ+ "LA CUMPARSITA" (2:41) [Public Domain] Here the strings and lush fullness lend themselves to one of the greatest of all tangos. The presentation comes off smoothly.

CONNIE BOSWELL
(Decca 28626; 9-28626)

ⓐ+ "MAIN STREET ON SATURDAY NIGHT" (2:35) [ABC Music] The fresh voice of Connee Boswell brightens up a peppy bouncer with an appealing multiple voice job that blends into a single voice. Lively material.

ⓐ+ "WITH ONE RED ROSE" (2:33) [Alamo Music] The polished thrush hands in another multiple voice job on a slow waltz tempo ballad. She gives the tune a tender touch.

JANE RUSSELL
(American 100)

ⓐ "THE GILDED LILY" (2:55) [Mills Music] Movie star Jane Russell does a torchy blues type of reading on a number she offered in "Montana Belle." A rinky-tink piano sets up the bar room mood.

ⓐ+ "THE WRONG KIND OF LOVE" (3:04) [Mills Music] Freddie Karger backs Jane on another slow and sexy type of number. The thrush does an ok job of vocaling on a pretty good tune.

THE CASH BOX SLEEPER OF THE WEEK

"WALKIN' AND WONDERIN'" (2:58) [Santly-Joy Music]

"WISE MAN OR FOOL" (2:35) [Santly-Joy Music]

GUY MITCHELL

(Columbia 39962; 4-39962)

GUY MITCHELL

● Mr. Motion, Guy Mitchell, who always does a top notch job of singing lively light hearted bouncers in a freshened and spirited manner, changes the mood and de-

livers a pretty waltz tempo ballad in the same stellar manner that he sang "My Heart Cries For You." Guy handles the tune with expression and comes out with "Walkin' And Wonderin'" in superb fashion. He means what he's singing. Backed by the Mitch Miller ork and chorus, and written by Bob Merrill, who has composed almost all of Guy's other hits, this tune has all the ingredients necessary to make it a hit. On the lower side, the artist comes through with another ballad containing a folk flavor. It's another pretty deck with a full choral backing and another grade A orking. However, we go for the upper portion and look for it to make a great deal of noise.

RAY BLOCH ORCHESTRA
(Coral 60963; 9-60963)

B "ANNA" (2:30) [Hollis Music] Ray Bloch leads his ork through his instrumental styling of a beaty number from the motion picture "Anna." It's an intense version that should draw its share of the loot.

C+ "MELANCHOLY SERENADE" (2:55) [Jaglea Music] A tune penned by Jackie Gleason and featured as the theme song for his show gets an inspired going over by Ray and the men. The blue mood is lushly and feelingfully expressed by the boys.

JERI SOUTHERN
(Decca 28622; 9-28622)

C+ "JUST GOT TO HAVE HIM AROUND" (2:50) [Jefferson Music] The lovely song stylist, Jeri Southern, who puts over any song in her hushed and tender manner does a smooth and feelingful job on a lovely ballad.

B "WEEP FOR THE BOY" (2:48) [United Music] The thrush could break out with one of her songs and become a top name artist. She does an ultra beautiful job on another warm and pretty tune. The lyrics and tune to this ballad are terrific.

AL LOMBARDO ORCHESTRA
(Dot 15060; 45-15060)

B "CHOPPIN'" (2:29) [Gallatin Music] Al Lombardy leads his fine ork with some fancy clarinetting as the group rides through a fine jump number that's top notch for dancing. The band has a Glenn Miller flavor to it.

C+ "NEW SUMMIT RIDGE DRIVE" (2:31) Here the Lombardy crew sets up an orking of an Artie Shaw tune that oughta make the jitterbugs hop. Al comes through with some more fine tooting on his licorice stick.

THE FOUR FRESHMEN
(Capitol 2398; F-2398)

B "POINCIANA" (2:39) [Edward B. Marks] The lovely "song of the trees" standard gets a harmonic going over by the smooth blending voices of the Four Freshmen. Their good timing and velvety harmony do wonders with a song.

C+ "BALTIMORE ORIOLE" (2:57) [M. Witmark & Sons] Don Barbour takes the lead as he glides over a slow dreary piece with a folk flavoring. It's a sad sentimental blues presented with feeling.

ZOOBAHNAIRES & BERNIE NEE
(Jubilee 6033; 45-6033)

C "ZOOBAH (ZOO SERENADE)" (3:02) [Unpublished] An eerie jungle like number with odd animal sound impression by Sol Winkler is beat through by the Zoobahnaires. It's a different item with a flute and a Latin type backing.

C+ "IN DREAMS" (2:35) [Unpublished] Bernie Nee takes the lead on this end and comes through with a vocal that's pleasing on the ear. It's a pretty tune with a Latin beat backdrop supplied by the Zoobahnaires. Tune comes from Brahm's "4th Symphony."

BUDDY COLE & GLORIA WOOD
(Capitol 2426; F-2426)

B "HELLO SUNSHINE" (2:08) [Erwin-Howard Music] Buddy Cole unites his talent with Gloria Wood's as the thrush pipes a terrific tune that's headed upwards on the hit parade. The bouncer with banjos is full of zest and life. A terrific song.

C+ "RED CANARY" (2:00) [Shapiro Bernstein Music] Gloria does another pleasing bit of singing on a tune that everyone seems to be cutting. It's a beaty item with a happy bounce that features the tuba in the backdrop.

FERRANTE & TEICHER
(Entre 103)

B "THAT OLD BLACK MAGIC" (2:39) [Famous Music] An eerie and crazy introduction is set up for an exciting and wild trick piano duet by Ferrante & Teicher. They get a fascinating sound for this great oldie and deal out some interesting music.

B "BEEZWHACKS" (2:00) [Montauk Music] The trick piano artists use their gimmicks to belt out the fast moving version of "Flight Of The Bumble Bee." Terrific styling that should get spins.

JAN GARBER ORCH.
(Capitol 2428; F-2428)

C+ "WILL-O'-THE-WISP ROMANCE" (2:30) [Triangle Music] A pretty lilting ballad is given a fine going over by Jan Garber and his Idol Of The Airlines Orchestra. It's a fine arrangement with a lovely melody. Wonderful for dancing.

C+ "SPINNING A WEB" (2:29) [Paul Music] Thelma Gracen and Bill St. Claire get Jan's support on this end as they deliver a pretty ballad with fitting lyrics set against a pretty choral backdrop.

PETE PETERSON
(Vogue 1020; 45-1020)

C+ "KIMEBO-KIMEBO" (2:03) [Ash Music] Pete Peterson's voice is blended in with the chorus' on a polka tempo double talk novelty that has a happy air to it. It's cute and sent off well by Scott Seely's ork.

B "OTT IN A EDDO" (2:10) [Milestone Music] In the same vein as "Three Little Fishes" is this cute baby talk novelty jump that Pete and the chorus run through. It's a light hearted piece that could catch on like so many other baby talk novelties have in the past.

Sammy Kaye's 15 Year Club

COLUMBUS, O.—The four men who were with Sammy Kaye, the swing and sway bandleader, when he first started his climb to fame 15 years ago are still with him. Left to right, David Krengel, originally Kaye's accountant, now his personal manager; Kaye; David O. Alber, his publicity counsel; Jim Peppe, who guided Kaye up the ladder, now retired, but still consultant, and Lee Eastman, his attorney. Reunion with Peppe was celebrated recently in Columbus, Ohio, Peppe's home town.

Joni James And Manager Settle Contract Dispute

CHICAGO—Singing star Joni James and her former manager, Leroy Rodde, have reached an amicable settlement of their contractual differences, it was announced this week by both parties.

According to the terms of the settlement, Rodde relinquishes all managerial rights to the singer, effective immediately, and will receive an agreed upon sum of money to be paid over a period of two years. In return, Joni will receive all rights to the royalties from her MGM records, including the hit "Why Don't You Believe Me."

The following statements were authorized for release:

"I am satisfied with the terms of the settlement," Rodde said, "and regret that so much publicity has been given to these discussions. I would particularly like to dispel any erroneous interpretations that may have been given to them which may have reflected unfavorably on Joni. I want to wish her the best of luck and continued success."

"Unfortunately," Joni said, "the complexities of show business sometimes create obstacles that nobody can foresee at the beginning. I am very happy that Roy and I have been able to reach our agreement with such complete understanding of the problems that have faced both of us."

An unknown little more than six months ago, Joni today has become one of the nation's top recording stars, and incidentally, a subject for hot copy via her hot platters. A current two-week sampling reveals the songstress highlighted in three national magazines, two national Sunday newspaper supplements and a metropolitan paper. The line-up includes TIME (Mar. 26), QUICK (Mar. 26) and LOOK (Apr. 7); the N. Y. Sunday NEWS magazine (Mar. 29) and PARADE (Apr. 12); and the N. Y. WORLD TELEGRAM & SUN (Mar. 28).

Joni's press is handled by the Marvin Drager Office.

Raymond Scott, Dorothy Collins And Leonard Wood Form Audivox Records

NEW YORK—Raymond Scott, Dorothy Collins and Leonard Wolf, formerly with Decca Records, have started their own independent record company to be known as AUDIVOX. Scott, who previously operated his own independent label, the Master Record Company, became eager to get into the business again as a result of the development of several factors.

For the first time in several years, Scott, who is best known in recording circles for his highly provocative, original compositions, such as "In An Eighteenth Century Drawing Room," "Huckleberry Duck," "Powerhouse," "The Toy Trumpet," etc., has been creating again.

Wolf, who recently left Decca after 12 years in sales and record promotion, to exclusively represent Dorothy in this capacity, and who has been devoting his time to the promotion of Dorothy's latest successful disc "Small World," will now join Mr. & Mrs. Raymond Scott in this new business venture.

After a happy association with Decca Records, the release of Dorothy from her current contract was requested this week by her personal representative, Joe Glaser of Associated Booking, so that she may pursue this new undertaking. Raymond Scott and Dorothy Collins will comprise the talent on the label and will assume all direction in the musical department. Wolf will handle the administrative, sales and promotional activities of the company.

A press party is planned for the near future, at which time a sample of the forthcoming AUDIVOX releases will be previewed.

"NO ONE WILL EVER KNOW"

New Tony Bennett Disk Picked
CLEVELAND, O.—At the Cleveland Hit Parade party last week, Bill Randle played the new releases of every major record company for his teen age audience and they chose Tony Bennett's recording of "No One Will Ever Know" as the one with the best hit possibilities. As a result the tune will be featured on juke boxes throughout Ohio starting April 1. Acuff-Rose is the publisher of the song.

NANCY BINNS REED

NEW YORK—Nancy Binns Reed, 28, of Washington, D. C., will henceforth be listed as co-author of "Oh Happy Day" on all future literature, records etc. She has also received a cash settlement from Bregman, Vocco & Conn, publisher of the tune.

Mrs. Reed (her husband is Ogden Reed, Chief of Wage and Salary Section, Civilian Personnel, Office of the Quartermaster General) reported she had written the song in 1942 when she was seventeen, the same age at which Don Howard recorded it. She was then a student at Palo Alto High School in California.

She sang the song "around," i.e. in camps where she was a counsellor and at the University of California which she attended from 1943 to 1947. Many campers, high school and college friends of hers learned the song from her singing of it.

In 1953, while she was on vacation at Hobe Sound, Florida, she heard the song over the radio, rushed excitedly to a music store and found that the author was listed as Don Howard Koplou. (Actually Don did not steal the song but heard an Ohio State girlfriend sing it and then added some new lyrics and gave it his own rendition.) Nancy had never copyrighted it. Nancy immediately secured affidavits from all her early girl friends. In fact many of them on hearing the Howard recording contacted her first, asking what it was all about. It was on the strength of these affidavits that the settlement was made. Mrs. Reed's lawyer was Lee Eastman.

Encouraged by all this, Mrs. Reed is now entering the songwriting field professionally—and needless to say, is having all her songs copyrighted.

**Jimmy Boyd To Make
 Night Club Debut At "Sands"**

NEW YORK—Jack Entratter's Sands Hotel in Las Vegas just pacted 14-year-old singing sensation Jimmy Boyd for his night club debut, starting Wednesday, April 15. Jimmy, who made music history with his famous "I Saw Mama Kissing Santa Claus," will appear at the Sands for a two-week engagement. Recently, Jimmy Jimmy teamed with singing star Frankie Laine in the new song hit, "Tell Me A Story," fast moving up toward the number 1 spot.

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reverse side
 • The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available

Boston Introduction

Benefit Dance For Ill Trumpeter To Be Run By Tiny Markle April 19

NEW HAVEN — Tiny Markle, WAVZ disk jockey, will hold a benefit dance for Jackie Reed on April 19.

Jackie, ex name band trumpeter, who resides in New Haven, has been stricken with a severe case of arthritis and has been bed ridden for two years. This cut short a career that was off to a sensational start. Jackie's only chance of recovery, even to a partial degree, is to move himself and his family to Arizona to obtain the benefits of the warm, dry climate. Two years in the hospital have completely used up his life savings.

The story was brought to Tiny Markle's attention by several musicians in the New Haven local of A.F.M. and he then decided to hold a benefit dance. At this dance a new band will be introduced which will probably pay summer dances with name stars as guests.

The dance will be held at the Baybrook in West Haven on a Sunday evening from 8 to midnight. The capacity of the room is 1300 and a full house is expected.

Tiny would like any talent that can possibly make it to try to play the date.

New Philadelphia Indie

PHILADELPHIA — The A. T. V. Record Company, an affiliate of Rialto Records, is the latest addition to the group of "indie" disc manufacturers that are headquartered in Philadelphia. Their first release "Bravo" and "Only For You" features the voice of the "Masked Singer," a local lad who is garnering loads of newspaper and DJ interest via his concealed identity. Augmenting the usual DJ promotion and streamers, they are using subway advertising in the form of two sheet, three color phosphorant posters and placards. Fan clubs have organized, with teenagers receiving free, colored cinch belts with the song-titles and picture of The Masked Singer emblazoned across the width of the belts. DJ's have been cooperating on a contest of "Why Should The Masked Singer Unmask," the prize being a watch.

BOSTON—Jo Ann Tolley was introduced to Boston at a disk jockey party given at the Moulin Rouge Room in the Vendome Hotel on Monday, March 23. Jo Ann has just been signed to an MGM recording contract and her first disk is expected to be released April 6. Present at the party, from left to right, front row, were: Emil Coulon (owner of the Moulin Rouge Room); Sam Clark (MGM distributor in Boston); Jo Ann Tolley; Harry Carter; Alan Dary (WORL). Back row: Jolly Joyce; Eddie Zack (NBC); Freddie Archer (WCOP); Jim Small (Manager of WCOP); and Jack Gold (writer of "My Favorite Song"). In addition, those attending the party, who were not in the photograph, were: Sam Berenson, columnist of the Boston Daily Record; George Clark of the Daily Record; Jay McMaster, WMEX; Norm Prescott, WORL; Pete Ward, WCCM; Bob Clayton, WHDH; Pete McGovern, WCOP; Lou German, WORL; and Sherm Feller, WLAW.

Norman Brooks Scores At Boulevard

His "Hello Sunshine" On Zodiac Label Breaking Open Middle-Aged Record Market

NORMAN BROOKS

NEW YORK—Norman Brooks, who zoomed into the public spotlight with his first Zodiac disk "Hello Sunshine," showed a metropolitan audience that he could really perform in person too last week when he opened at the Boulevard in Queens.

Most of the ringsiders were amazed at the stage presence of the youngster, who is only 24 and behaves on stage

like a veteran. It was strange to see the singer with the powerful Jolsonesque voice behave so much like Jolson himself during his numbers. The audience loved it however and after eight tunes, which included "Hello Sunshine," he had to beg off.

An interesting aspect of the young singer's mail is that of the thousands of pieces received during the past few weeks, a little better than 50% was from married people who compared Brooks to Jolson in the old days. Since most buyers of records are in the teenage group, this is an indication that the Brooks disk is breaking that barrier and is being bought to a great extent by the middle age group.

Brooks has become so hot a property as far as night clubs are concerned that he has been booked almost straight through the year with engagements set at some of the best clubs in the country including the Sands in Las Vegas, the Mocombo in Hollywood and the Copacobana in New York.

World's First Dog DJ

MIAMI—Mr. Wiggles, a three pound chihuahua, takes over at 8 o'clock on Saturday mornings the first half hour of the daily radio show, "Coffee With Lee & Lorraine," on WINZ, Miami, Florida.

He's a great favorite with the children who listen then, as he "woofs" over the mike and plays records that he approves of for children. He also uses the time to help find nice homes for his friends in the animal world. He calls up on the telephone each Saturday (with the help of Lee or Lorraine) three boys or girls who have written in previously, and with a special device puts the telephone conversation right on the air. After Lee or Lorraine interviews the youngsters for him, Mr. Wiggles plays their favorite record and gives them a chance to win the type of pet that they desire, whether it be puppy, kitten, or bird.

Already Mr. Wiggles has won national recognition. J. Fred Coats, composer of "Santa Claus Is Coming To Town" was so impressed with him, he wrote a song called, "Little Mr. Wiggles" which will soon be released. It's about a little chihuahua who had the heart of a Great Dane.

Bartell Named VP Of Mercury Artists

NEW YORK — Appointment of Jack Bartell as Executive Vice President of Mercury Artists Corporation has been announced by Leonard Green, President. This is the first major move in an extensive expansion program for the booking agency. The offices will be moved on May 1 from their present location at 254 West 54 Street to a suite comprising 6,000 square feet at 730 Fifth Avenue. Mercury Artists are now equipped to service clients for cafes, club dates, theatres, hotels, equity, records, radio, television and motion pictures.

Bartell has an impressive record in show business. Formerly vice president of Music Corporation of America and an executive of the Columbia Broadcasting System, he has been an important factor in the careers of such stars as Danny Kaye, Hildegard, The Hartmans, Mimi Benzell, Jan Murray and many other famous personalities.

Youngest Publishers

NEW YORK—The youngest publishers in the music business are the sons of Irving Fields and his partner. Irving and his partner started the firm for their sons Mark (four months old) and Jules (11 months old) to be called the Mark-Jules Music Company. The proud papas are hoping that their kids hit big on their first attempt, "Mr. Piano Player", which Irving Fields has just recorded on the King label.

Four Aces Cancel Date To Attend Funeral Of Dave Mahoney's Mother

PHILADELPHIA—The mother of Dave Mahoney of the Four Aces died last Sunday, March 22.

The group which had been playing an Ottawa theater engagement canceled out in order to return to Linwood, Pennsylvania for the funeral. They will make up the date at a later time.

The funeral of Mrs. Mahoney was held on Wednesday.

Successful Engagement

NEW YORK—Harry Altman (center) owner of the Town Casino Nightclub in Buffalo, New York, where many big name record artists appear, congratulates Danny Sutton for doing such a fine singing stint there last week. He's signed the singer to reappear at the club next fall. Sutton, currently on a nightclub tour opens at the Bradford in Boston April 1st for two weeks. Looking on with approval is Al Johnston, director of Bill Silbert's Dumont TV disc-jockey show. . . .

Andy Wiswell Joins Bourne

NEW YORK—Andy Wiswell, formerly with the Muzak Corporation as the company's Vice-President and with Associated Booking Service as the recording supervisor, has joined Bourne, Inc. as the Executive Assistant to Sol Bourne in the business division of the publishing firm.

Andy started his association with the music world as a musician at Yale after which he played with many of the top bands. He then went into the field of radio production and managed acts at the same time. He joined Muzak and worked with the company for seven years as A & R head and Vice-President. Andy recorded Vic Damone on the Silvertone label whose records were sold through Sears-Roebuck. Among the other unknowns who Andy sent toward stardom were Rosemary Clooney, Martha Wright, Guy Mitchell, Evelyn Knight and Mindy Carson, all of whom he recorded for Associated Program Service.

Headed For "Mexico"

NEW YORK—The 50,000th copy of the newly released MGM record "Mexico," is presented to American Airlines stewardess Maxine Mantz by disk jockey Bill Silbert as MGM's artist Ken Remo looks on approvingly. The flying disk is en route to disk jockeys at Mexico's leading radio network La Voz de La America Latina.

Diamond Distrib Adds Five Labels To Roster

LOS ANGELES — Abe Diamond, Diamond Record Distributors, this past week announced the addition of five labels to the firm's roster.

Generally regarded as one of the most consistent distributors throughout the Southern California area, the Diamond firm was named to handle the distribution of Tempo, Derby, Republic, Fiesta and Big Town Records.

The Tempo, Derby and Republic labels have been widely sought after and carry a reputation of proven hits. Fiesta, recently introduced to the disk market is a Spanish language line, while Big Town Records is entirely new having just hit the market with its first releases this week.

Richmond-Connelly Finalize Overseas Publishing Agreement

NEW YORK—Howard S. Richmond and Reg Connelly have consummated an agreement making available to Reg Connelly's music publishing companies in England and on the Continent songs published in the United States by Howard Richmond music companies. The deal is for two years.

Deal makes available to Campbell Connelly & Co., Ltd. publishing interests the publications from Hollis Music, Inc., Ludlow Music, Inc., Folkways Music Publishers, Inc., Melody Trails, Cromwell Music, Inc., Essex Music, Inc., Dartmouth Music, Inc. Connelly will have those songs for the territories of the British Empire, excluding Canada, Australia, South Africa, and for the Continent of Europe, excluding Italy and Scandinavian countries. Richmond's publications are now published by Morks Musikforlag in the Scandinavian countries, by Edizioni Curci in Italy and by D. Davis and Company in Australia.

A unique phase of the agreement is that the Connelly firms have designated a specific number of compositions per year for a top plug, recording activity and general promotion. This number would be proportionately commensurate with the number of songs made available and the policy adopted in England will be duplicated in the other areas where Connelly's firms function (France, etc.).

Two Singers—Four Hits

NEW YORK—Two of the nation's top singers got together last week. The occasion was the Perry Como TV show on which Nat "King" Cole was a guest. Both stars are hot with hits currently, Perry with "Don't Let The Stars Get In Your Eyes" and "Wild Horses", Nat with "Pretend" and "Can't I".

Joe Marine Signs Decca Pact

NEW YORK—Joe Marine, young sining star of the Fred Waring TV show, who until now, has been recording with Fred Waring, has branched out as a single and has just been signed to a term pact by Decca Records.

Getting behind an all-out promotion drive, Decca feels that Joe will eventually be one of the biggest stars on the label. Marine has just completed a concert tour of 58 cities with Fred Waring throughout the country, and while out on the west coast the singer was screen tested by one of the major film companies and is also expected to be a big Hollywood buildup.

All the major booking offices are bidding for his services, but, his personal manager Tommy Russell states at this writing a radio and TV show of his own is at the signing point, and as yet has not signed with any office.

Marine has also been considered for the La Vie En Rose and the Copacabana here in New York.

Dave Miller Hits Road Again

PHILADELPHIA—Essex Records prexy, Dave Miller, who has been busy cutting new sides for the past few weeks, is now ready with releases by Dick Lee, Bill Haley, and a new artist, Bobby Milano. Miller is first releasing Milano's record of "Dare Me". Writer Morty Kraft and Miller will cover England and his promotion man Jules Maiamud will cover the mid-west.

Latin Hit Due For Pop Buildup

NEW YORK—An English version of Cuba's number one song hit "Piel Canela" has been written by Marion Banks, who calls the song "Me Too, Me Too". "Piel Canela", a Bolero-Guaracha, without the effort of organized plugging, has sustained an eight-month period of popularity, and is still going strong in Cuba, South America and Mexico. The song was acquired for the United States by Herbert E. Marks, head of the Edward B. Marks Music Corporation, during a recent visit to Cuba, where he successfully sought renewals of valuable copyrights and at the same time picked up several new songs including "Piel Canela" by Bobby Capo.

The Marion Banks interpretation, "Me Too, Me Too," will soon be scheduled to become the number one plug of the Edward B. Marks Music Corporation.

MGM Distrib & Barton's Candy Set "Easter Bunny Day"

NEW YORK—Friday, April 3, has been decreed "Easter Bunny Day" by Sanford Record Distributors, local MGM distrib, and Barton's Candy.

Reason for the tie-up centers around the MGM disk of the same name, as waxed by nine-year-old Leslie "Ugams" Crane.

Above the youngster expresses extreme surprise with the giant Easter egg being displayed by Barton's and which is almost as big as she is.

RHYTHM 'N BLUES REVIEWS

ⓐ DISK & SLEEPER	ⓐ GOOD
ⓑ EXCELLENT	ⓑ FAIR
ⓒ VERY GOOD	ⓒ MEDIOCRE

TITO PUENTE
(Tico 467)

B "TU MI AMOR DIVINO" (2:41) Tito Puente and his accomplished group dish up a slow, smooth and pleasant bolero treatment with Vicentico Valdes handling the vocal in fine style.

B "GUAGUANCO EN TROPICANA" (2:37) The flip is a mambo quick tempo beat out in exciting fashion by Puents and vocaled pleasingly by Valdes.

CAROL KAY
(RIH 424)

B "YOU CAN'T DO THE BOOGIE IN SCHOOL" (2:37) [Associated Hollywood] Eight-year-old songstress dishes up a cute item with solid lyrics and comes through in fine style. Youngster handles herself as though she has had more professional experience than she is, old.

B "A GOOD MAN IS HARD TO FIND" (2:36) [Mayfair Music] The kid does great as she gives the tune a grown up treatment. She gives it the red hot raucus voice and there is a chuckle in picturing an eight-year-old singing these lyrics.

SONNY THOMPSON
(King 4613)

B "INSULATED SUGAR" (2:26) [Jay & Cee] Sonny Thompson's band, with Rufus Jr. on the vocal, etches a potent disk. Not the least of the record is the unbilled fem who only has "O-o-h B-a-b-y" to say a couple of times. The thrush just oozes sex and coquetry and says so much with so little. If we are permitted to guess, will say it is Lula Reed.

C+ "CLEAN SWEEP" (2:21) [Jay & Cee] The lower lid is an instrumental middle beat handled in dreamy fashion. Standout is a fine sax ride.

LITTLE ESTHER
(Federal 12122)

B "STREET LIGHTS" (2:42) [Valjo] Little Esther sings a slow beat blues with a sad haunted feeling. Thrush portrays that lonely feeling as she tells of the night and the streetlights shining in her window. Rhythmic undercurrent supplied by the ork keeps the mood of the piece.

C+ "YOU TOOK MY LOVE TOO FAST" (2:25) [Valjo] Flip is a belted quick beat in which Little Esther tells off Bobby Nunn. The pair handle the driving tune and lyrics in exciting fashion.

LIGHTNIN' HOPKINS
(Sittin' In With 660)

B "MAD BLUES" (2:38) Lightnin' Hopkins chants a middle beat blues in his familiar style and comes up with a solid side. Hopkins' guitar-ing is top quality.

B "WHY" (2:37) The under portion is a slow melancholy blues simply chanted but with eerie effect. Guitar helps build the mood.

"YOU LET MY LOVE GROW COLD" (2:41)

"AIN'T NOTHIN' GOOD" (2:37)

DINAH WASHINGTON
(Mercury 70125)

DINAH WASHINGTON

● That juke box favorite, Dinah Washington, evokes the admiration of her audience with her vivid im-

pressions via wax. When this gal is mellow you melt, when she is frigid you freeze, when she is sextotic you sizzle, and when she belts it you bounce. The upper lid, "You Let My Love Grow Cold", is a slow rhythmic piece in which Dinah tells off her ex-boyfriend. Miss Washington drips icicles as she sings "you let my love grow cold" in expressive and exciting fashion. The under portion, "Ain't Nothin' Good", Dinah changes her mood and sings to her heart, telling it of her one-sided love. On this etching Dinah is soft, tender, carressing and unhappy.

THE GLORY TONE SINGERS
(Tuxedo 886)

C+ "IN THE WILDERNESS" (2:37) The Glory Tone Singers dish up a quick tempo spiritual with a steady rhythm. Lead singer chants well with solid backing by an energetic chorus.

C "LEANING ON THE EVERLASTING ARM" (2:36) Flip is a similar item performed in capable fashion by the group.

THE MARYLANDERS
(Jubilee 5114)

B+ "GOOD OLD 99" (2:35) [Murob] The Marylanders blend on a happy sounding rhythmic disk that really rocks. Buddy Lucas provides the instrumental backing.

B+ "FRIED CHICKEN" (2:55) The group sings a novelty about that delectable dish set to a quick beat bounce. Another fetching end.

THE CASH BOX

Rhythm 'N Blues SLEEPER OF THE WEEK

"BEARCAT" (2:45)
"WALKING IN THE RAIN"
(2:20) [Delta Music]

RUFUS THOMAS, JR.
(Sun 181)

● The new diskery, on its toes, beats its competitors in the field to the answer to "Hound Dog" with "Bearcat" on the upper lid. With similar music, the lyrics respond to the fem calling him a hounddog by calling her a bearcat. The vocalist sings a supercharged lyric with shattering effect and this disk could stand on its own merit, even if it didn't have the additional potential of being the first answer to the sensational r & b smash. The lower end is a slow plaintive blues tenderly and hauntingly told by Rufus Thomas, Jr. Ops, this top etching is it. It has quality and timeliness.

"DAUGHTER" (2:33)
[Kencee Pub.]

"DOWN FOR DEBBIE" (2:35)
[Kencee Pub.]

SWINGING SAX KARI
(States 115)

● Swinging Sax Kari and his group dish up a quick beat bounce in exciting fashion. Titled, "Daughter", the upper lid is a novelty in which vocalist Gloria Irving tells her "daughter" we told you so but you wanted him and now you're stuck with him. Don't come crying to us. Lyrics have "bang". They are rich and filled with vitality and excitement. Orking is good and this etching is one for the "boxes". The under lid, "Down for Debbie", is another fast moving item that drives. The tune is a showcase for the fluid and dynamic sating of Kari. Makes for enchanting listening.

ELMORE NIXON
(Savoy 889)

B+ "ELMOR'S BLUES" (2:41) Elmore Nixon sings a dramatically arranged slow blues against a swaying and exciting ork backdrop provided by Henry Hayes. A strong plate that will stir up action.

B "SAD AND BLUE" (2:37) Elmore Nixon sounds just a shade like Johnny Ray on this side as he chants a slow rhythmic item. Hayes orking provides substantial musical support.

THE SHA-WEEZ
(Aladdin 3170)

C+ "NO ONE TO LOVE ME" (2:54) [Aladdin Music] The Sha-Weez sing a simple middle beat romantic blues against an easy backing.

B "EARLY SUNDAY MORNING" (2:30) [Mesner] The Sha-Weez chant a similar tempo rhythmic blues in stirring fashion.

BIG THREE TRIO
(Okeh 6944)

C+ "BE A SWEETHEART" (2:13) [Premium Music] The Big Three Trio, with vocal by Willie Nixon, etch a calypso style quick beat Latin item. Nixon sings the romantic lyrics in nasal style for an exciting disk. Flute lends color to the etching.

B "COME HERE BABY" (2:22) [Sunbeam Music] Flip is a slow, soft, and mellow etching for a pleasant plate. Vocal is solid and a scintillating piano helps make this a side worth listening to.

BETSY GAY
(Intro 6070)

B "HOUND DOG" (2:44) [Lion] Betsy Gay can sing and does on this treatment of the current r & b sensation. Gal puts enthusiasm into her reading but will have to go some to catch Willie Mae Thornton, who has solidified herself with about a three-week start.

B+ "THIS IS MY LAST NIGHT TOWN" (2:30) [Intro] Betsy Gay belts a rhythmic middle beat. The tune is melodic, the treatment torrid, and the salesmanship infectious. Change of pace, at which time the gal reads with an intimate touch makes this a potent disk.

ANNIE ROSS
(Prestige 839)

B "THE TIME WAS RIGHT" (2:41) [Prestige Music] Annie Ross sings a slow ballad tenderly and emotionally. The Teacho Wiltshire Band and Wallington on the piano provide top-deck support.

B+ "FARMER'S MARKET" (2:35) [Prestige Music] Flip is a fast moving bop item delivered by Miss Ross with zest and appeal. This is the field in which Annie is strongest.

BABS GONZALES
(King 4615)

C+ "SHUCKIN' AND JIVIN'" (2:24) [B & B] Babs Gonzales sings a middle beat bounce in his gravely voice for a spirited foottapper.

B "STILL WAILIN'" (2:10) Babs chants a quick tempo bopper with lyrics that are intelligible only to the initiated. Crazy but infectious. Good for the right locations.

THE CASH BOX RHYTHM N' BLUES Ramblings

NEW YORK:

The use of the name "Ink Spots" by two groups, namely, Bill Kenny and Charles Fuqua, has developed into a real imbroglio. When Kenny and Fuqua jointly owned the original group, the chanters were booked by the Gale Agency. Kenny signed a contract with Gale on behalf of himself and the group for exclusive booking. According to Gale attorney, Andrew J. Feinman, "The Gale Agency spent considerable time, effort and money to build up the name 'Ink Spots' and at present we have before the courts an injunction to enjoin Fuqua from using the name 'Ink Spots' until July 1954, when Gale's contract with 'The Ink Spots' expires." Feinman's contention is that "according to the law on partnership, one partner is empowered to sign contracts binding his partners, and inasmuch as the contract with the Kenny-Fuqua Ink Spots runs until July 1954, Fuqua cannot arbitrarily sign a contract with Universal Attractions and continue the use of the contested name."

You'll find everything buzzing around Stan's Record Shop down Shreveport, La., way. Funny how such a little fellow draws the big ones down. In the last 10 days nine manufacturers dropped into the shop to sell him. Art Rupe and his new addition to the Specialty staff, John Imradulio; Joe Bihari, RPM; Leonard Chess, Chess Records; Jim Buleit of the new Sun label arrived to chase "Hound Dog" with his punchy answer "Bearcat"; Art Sheridan, Chance; Morty Shad, Sittin In; and a couple of the big wigs from RCA Victor. . . . Bob Weinstock, Prestige Records prexy, leaving on a southern promotion trip to stir up things for his exciting "Red Top" by King Pleasure. The tune has broken wild in spots like New York and Philadelphia. . . . That Robey-Marcus combine does it again. Riding high as they are with "Hound Dog" which is headed for number one in the nation, has a progressive jazz disk that has a great sound. Artist is Phineas Newborn, 21 year old pianist who has developed an individual styling of his own

which seems to incorporate the best of Oscar Peterson, George Shearing and Errol Garner. Disk will be released soon and has created a sensation among the piano esthetes who have listened.

Ernest Young, president of Nashboro and Excello Recording Companies, has just signed two new blues artists to his Excello roster. The new artists who will record on the Excello label are Del Thorne and her Trio and "Little Maxie" Bailey. . . . The number one r & b disk in the nation is "Mama (He Treats Your Daughter Mean)" by Ruth Brown on Atlantic, and the reception the gal has been getting on her tour with Eckstine and Basie has been simply fabulous. She has been mobbed in every city the three "B's" have played. Not at all unusual is the inability of Miss Brown to finish her act until she has satisfied the esoteric fans with her complete repertoire. . . . The Emmett Slay Trio knocking 'em in the aisles at the Apollo Theatre in Harlem. This is no one record act that dies on P.A.'s after they dish up their current hit disk "My Kind Of Woman." As a matter of fact, the boys are great on stage. They follow the Apollo with the Howard Theatre in Washington and then on to the Royal in Baltimore. Lee Magid, A & R at Savoy Records cuts the group next week. Lee and his boss, Herman Lubinsky, are planning the follow-up to "My Kind Of Woman" at this session. Magid a little jittery as expected heir due in about two weeks. . . . Wally Gingers and his Musical Gems ork booked solid on one nighters until June 1st.

CHICAGO:

The "Y" Circus, annual fund-raising affair for benefit of Negro YMCA in St. Louis, has lined up a smash show for '53. Tremendous array of talent includes Billy Eckstine, Ruth Brown, Johnny Hodges & His Ork. To name just a few. Benefit to run April 26 thru May 3. . . . Leonard Chess taking off for the South again. For about 3 weeks. Before he left, Len reported that a new Willie Mabon record is about ready for release. Belief is here that should this record prove as successful as Willie's "I Don't Know," Len & Phil Chess will have to enlarge their accounting department. . . . "Biggest Show of '53" headed Chicagoway. Features Frankie Laine, Ella Fitzgerald and Louis Jordan as headliners. . . . Johnny ("Duke's Blues") Hodges & His All Stars currently doing one-niters. Soon will hit the Capitol Lounge here for 2 weeks. Aggregation is booked but solid thru July 15. . . . Little Walter has been bedded for the past couple of weeks. Due to head injuries suffered in an auto mishap. . . . Latest Chess release is long titled: "Wine Head Willie Put The Bottle Down." Features Elder Beck. Who not only sings but also plays the organ. . . . Tommy Brown opens Chicago's Paris Club April 3 for a comf'table 12 weeks. . . . Eddie Boyd and Linda Hayes currently on tour together. . . . Johnny Holliday has a new release on United, "Why Should I Cry" b/w "With All My Heart." Disk has only been released in Chicago.

But reaction here is very favorable, according to reports. . . . In the meantime, Lew Simpkins has a hot one in: "Daughter, That's Your Red Wagon" by Sax Kari. . . . Art Sheridan, just back from L. A. announces Central Record Sales will handle distribution for Chance label that city. . . . Errol Garner set for Regal April 3. . . . Show set for Persian Ballroom nite of April 19 features Floyd Dixon and The Orioles. . . . Charley Michaels of Coral Records here dropped in. With Bette McLaurin's latest release: "In The Middle Of A Kiss" b/w "Can't You See." . . . New diskery popped this week. Co-Ben Recording Co. Headed by former MGM's "Brother Brown" who blues shouts "Half Past" on one disk. Herbert Beard and his 4 piece combo do "Luxury Tax Blues" b/w "Oh Rhythm," on second. Herb well known 'round these parts. Has played north, west and south side top spots. This an all Chi setup cutting at Universal.

RUTH BROWN

LITTLE WALTER

"Dee Dee" Wins "Silver Melody"

CONCORD, N. H.—In the recent "Doggie In The Window" contest sponsored by Mercury Records, the New England winner was six year old "Dee Dee" Hamilton of Concord, N. H. Her price winning name was "Silver Melody" and she chose Brad Lacey of WKXL as her favorite disk jockey.

On March 8, as a guest of Mercury in Boston, "Dee Dee" was awarded her dog personally by Patty Page who was appearing at Blinstrub's.

Let to right in the back row are: Allan Parker, Mercury distributor; Patti Page; Brad Lacey; and Mr. Blinstrub.

Front row: "Dee Dee" and "Silver Melody."

N. Y. Thieves Leave Linda Hayes Minus Music And Clothes

NEW YORK—Singing star Linda Hayes was robbed of \$5,000 worth of clothing, jewelry and musical arrangements here last week as she was preparing to start south on tour.

The "Yes I Know" girl's belongings were taken in a two part robbery. The thieves' first session was backstage at the Apollo Theatre where Linda had just completed her successful debut to a Gotham theatre audience. They played an encore several hours later by helping themselves to the things she had packed in her automobile.

Most difficult to replace will be the singing star's musical repertoire of arrangements and orchestrations which were the result of months of work and several thousand dollars worth of labor. Her gowns were all chosen with great care under the stagewise advice of Dinah Washington, who has been keenly interested in Linda's budding career.

Despite this unhappy experience, Linda was able to leave on schedule for her date in Baltimore.

Stars Become Composers

NEW YORK—Vinrob Records, a new label, picked a pair of radio luminaries as composers to lend weight to their first release. One tune, "Be Good To Yourself," was written by Kay Armen, the songstress; the companion tune, on the reverse side of the record, is "Why Should I Want You," penned by Dennis James, the TV announcer and quiz master. Eugenie Baird makes her debut as a solo recording artist on these sides.

The HALE You Say

by natt hale

Just the other day, the gentleman who oversees our peculiar operation and affixes his signature to the check which we receive every other week, called us into his stronghold for "routine" discussion. His stronghold was one of the plush, be-rugged, be-draped and be-spitooned ballroom affairs, and the huge, leather, executive chair into which we deposited our beautiful body was very conducive to sleep. But such was not to be. His opening blast served to keep us wide awake for the remainder of the two-hour "routine" convention. Our boss-man struck a grave air of solemnity, touched his fingertips together, pursed his lips and saw fit to gaze at the ceiling blankly—all of which he had observed from watching Sidney Greenstreet play a top executive in "The Hucksters." Once he had established his role with us, he let loose with the bombshell:

"Nails," he nailed, "we have got to expand our promotional and exploitative activities to the very limit! From now on, come hell or high water, we're going to cover every minute bit of ground, every nook and cranny, to make certain that we have exhausted every means to get our records exposed, heard, bought and played."

Having delivered himself of this earth-shaking pronouncement, he assumed an Edward Arnoldian pose (from "State of the Union"), wherein he held his clenched fist before him on the desk, jaw thrust forward resolutely and a flashing gleam in his eye.

In moments like this, we knew his weakness: He liked to be called, "Chief."

"Right you are, Chief," we apple-polished. "How do you think we should tackle the thing, Chief? What would you suggest, Chief?"

Clearing his throat executively, he leaned back on his throne and adopted a pose akin Mr. Lionel Barrymore (in the "Dr. Kildare" series) and bestowed upon us a look of benign benevolence.

NATT HALE

"Well, as a matter of fact, Nails," he purred, "I was going to suggest that you confine most of your activities for the next week or two to the juke-box operators. It's well and good to concentrate much of your efforts on the disc jockeys, but one mustn't forget the boys who expose our records to the public in addition to paying for their stock in cold, hard cash, mustn't one?"

"No," we no'd, "one mustn't. You're absolutely right, Doctor—I mean, Chief!"

Whereupon he reverted to self, and launched into a two-hour discourse on the merits of the proposed campaign. How we should make it clear to the juke-box ops that there were so many potential hits that they were overlooking, and point out that we were there to assist them, that our sole purpose was to help them encourage

more dimes into the boxes, etc., etc.

So the campaign.

Day after day, hour after hour, we visited with operator executives, jukebox buyers, mechanics, secretaries, collectors, and virtually anyone who'd ever seen a juke box. We even haunted the ops while they were on the job, and we can now lay claim to knowing more than 12,000 tavern owners and bartenders by their names. These worthies also contributed to the vast store of knowledge which was gleaned in our assigned task. And this is quite a store!

First of all: Pretty generally speaking, most ops and collectors have a terrific idea of what kind of a record is going to go in what kind of a spot. All the plugging in the world won't convince these chaps that a saccharine type of band record would be heard more than once in a heavy polka stronghold. Conversely, polka stars are nothing more than names to the "board A" set which lingers around the plush cocktail emporiums.

Secondly: The juke box folks have learned that an artist—big-name or up-and-coming—isn't necessarily consistent. Some of our top-flight recording personalities have, upon occasion, turned out some pretty bad stinkeroos. This has resulted, in the past, in the ops dropping quite a bit of loot into "dead" stock. Consequently, they're all from Missouri now—they want to hear it first!

Third: The jukes themselves are hardly what one would term 'inexpensive.' Most machines are sold somewhere in the general price of about \$1000. Which isn't records, Friends. Therefore, with such equipment, most of our operator friends feel disgruntled when they put a disc in the line-up and get a poor, scratchy sound, or a long lead-in pause or a long cut-off groove. They feel that the record industry should set up a uniform standard of quality.

Now these were among the points which we brought back to our mentor in his lavish, mahogany-row office. We recited the full report in detail and, of course, laid extraordinary emphasis and stress on the unquestionable success of our mission. Not that the various salesman calling on these operators were going to retire on the commissions forthcoming—but it might mean that extra set of tires or some extra-curricular, unscheduled activity for the family. So we felt rather proud.

Whereupon our titan of industry stood up behind his desk, linked his thumb around a suspender, ran his free hand through his hair and proclaimed in loud, stentorian tones (a la Broderick Crawford—"All the King's Men"):

"That's great! Simply great! Now—let's work up a program for the retail dealers. Let's help THEM out of a spot. Now, here's what we'll do—"

Four Aces Win Block Poll

NEW YORK—The Four Aces, voted the favorite vocal quartet in the Martin Block Poll, are presented with the award by Martin Block, WNEW, New York. The Four Aces latest hit disk "You Fooled Me" is keeping the boys high in the charts. Block last week announced a new contract with WABC-TV to become effective on January 1, 1954.

Republic Sues Decca On Del Wood Disks

KNOXVILLE, TENN.—Bill Beasley, president of Republic Recording Company, announced he has instituted suit against Decca Record Company in amount of \$25,000. This will soon be amended to \$125,000 for damages suffered.

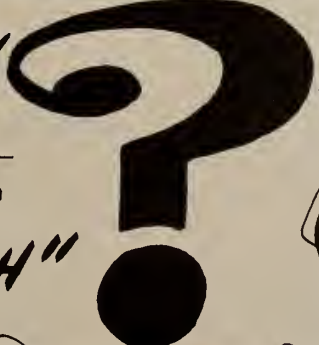

Beasley charges Decca with releasing Del Wood disks without having the

keyboard artist under contract. Miss Del Wood has also instituted suit for \$25,000.

Beasley claims to have Miss Wood under exclusive contract to Republic, and says said contract has been approved by the AFM. Both Republic and Miss Wood's suits were entered in Federal Court in Nashville.

National Hank Williams Day Set For March 31

DERBY, CONN.—Tuesday, March 31, 1953, will be national Hank Williams Day. Radio stations across the country will program Hank Williams shows and will ask their listeners to contribute to a Hank Williams Memorial Scholarship Fund which has been set up at the University of Alabama, University, Alabama.

Feeling that something more lasting than glowing tributes in newspapers and magazines should be the lot of the departed Williams, American Folk Publications, Inc., originated the idea of the scholarship fund. The publication started the ball rolling with its own contribution of \$1000. Radio stations, have been asked to contribute and to ask their listeners for donations to be sent directly to the scholarship fund at the University.

The University of Alabama was chosen because it is located in Hank's home state. The scholarship will be awarded each year and will provide a college education for a young man or young woman who could not, without this help, attend college to study music. The Scholarship Committee of the University will select the students to be awarded the scholarship each year.

FOLK AND WESTERN REVIEWS

BULLSEYE of the WEEK

"SOMEBODY ELSE'S HEARTACHE" (2:30)

[Acuff-Rose]

"THE ONE I CAN'T FORGET" (2:45)

[Acuff-Rose]

SONNY JAMES

(Capitol 2399)

● The velvety tones of Sonny James makes the most of any piece of material, but in this case, the western chanter is supplied with a beautiful ditty, titled, "Somebody Else's Heartache," and the combination makes for a delicious platter. James delivery of the slow tempo romantic item is projected with warmth and tender emotion against a lush backing. This disk

has the fullest potential. It is ripe for the pop market as well as country. The lower lid, "The One I Can't Forget," is a middle tempo rhythmic number, in which James sings the sad romantic lyrics with haunting appeal. The musical backdrop is fittingly applied and the general effect is stirring and rich. These are two enchanting sides and will draw in any type location.

BILLY STARR

(Imperial 8186)

●+ "BORROWED HEART" (2:20) [Commodore Music] Billy Starr handles a slow beat lovers story in easy fashion.

● "HOUND DOG" (2:25) [Lion Pub.] The current r & b sensation is given a country reading, although it is hard to lose the r & b flavor in this tune. Starr belts the earthy lyrics with gracefully voice for a good deck.

WAYNE RANEY

(King 1187)

●+ "FALLING" (2:20) [Lonat] Wayne Raney cuts a cute quick beat with romantic lyrics in fetching style. Raney's nasal vocal is tops and added to the material, the etching comes out a potent contender.

●+ "BETRAYED WALTZ" (2:47) [Lonat] The western warbler sings a slow tempo waltz in easy manner. Raney fits in some tantalizing harmonica playing.

ERNEST TUBB

(Decca 28630)

● "HANK, IT WILL NEVER BE THE SAME WITHOUT YOU" (3:10) [Ernest Tubb Music] Deep voiced Ernest Tubb waxes a slow sad eulogy of the departed Hank Williams with tenderness. The lyrics are chanted and orated with feeling and in good taste.

● "BEYOND THE SUNSET" (3:07) [Robbins Music] Flip is another slow tender item, a fitting coupling for the top deck. Musical backing is appropriate on both lids.

MARTY ROBERTS

(Coral 64151)

● "LOVE MAKES A NEW FOOL EVERY DAY" (2:27) [Meridian Music] Marty Roberts spins a sentimental romantic item movingly against a string backdrop.

● "CALL OF THE WILD" (2:53) [Meridian Music] Flip is a slow beat given a sad emotional reading by the artist. Robert's vocaling is backed smoothly by a string ensemble.

OLE RASMUSSEN

(Capitol 2379)

● "TUXEDO JUNCTION" (2:27) [Lewis Music] Ole Rasmussen and his Cornhuskers etch a slow rhythmic item in easy and light hearted fashion. Ted Wilds handles the vocal effectively. Side has that r & b feel.

●+ "SOMETHING FROM HEAVEN" (2:05) [Beechwood Music] The flip is a quick beat bounce handled in similar light manner. Item is lilting and Ole Rasmussen adds to the flavor with side comments.

JIMMIE SKINNER

(Capitol 2401)

● "SINGING TEACHER IN HEAVEN" (2:25) [Meridian Music] Jimmie Skinner sings a middle beat religious item with warmth against a background of strings.

● "WILL YOU BE READY" (2:25) [Acuff Rose] Skinner dishes up a quick beat gospel tune with a solid treatment and one that appeals.

"LITTLE" JIMMIE DICKENS

(Columbia 21068)

● "I SHALL NOT BE MOVED" (2:58) [Sesac, Inc.] Little Jimmy Dickens lends his smooth chords to a quick beat religious item and presents it with warmth and tenderness.

●+ "TAKE MY HAND-PRECIOUS LORD" (3:05) [Hill & Range] Flip is a change of pace religious item sung with emotion by the talented chanter.

AL BRITT

(MGM 11458)

● "A TREASURE OF LOVE" (2:41) [Acuff-Rose] Al Britt dishes up a slow piece in mellow voice as he handles the sentimental romantic lyrics in easy fashion. Soft strings provide the proper musical props.

● "WE'RE NOT SPEAKING ANY-MORE" (2:37) [Milene Music] The lower lid is a slow romantic ditty given the same cushiony treatment by Britt and the instrumentalists.

Monroe Coin Helps Coinmen Set Up Complete Arcades

CLEVELAND — Geo. George and Roy Monroe of Monroe Coin Machine Exchange, this city, are winning themselves and enviable reputation for the way they are helping operators to set up complete arcades thruout their territory.

In the past few weeks they have set up arcades in Mansfield, O., Akron, O., and Geneva-On-The-Lake, O.

At the present time they are completing what they believe will prove one of the most outstanding arcades yet seen in this city. This one will be at 55th and Woodland.

The firm has, over many past months, quietly gathered together all types of arcade equipment, foreseeing the demand for these machines far in advance and now, because of their advantageous position in the arcade equipment field, are able to help operators get started with arcades in the correct fashion.

Ray guns, batting and baseball machines, peek machines, kiddie rides, fortune tellers, hockey and other sports games, and almost every type of arcade machine known is now part and parcel of their very large stock.

As Roy Monroe said, "We are now in a position to help any and every operator who wants to get into the steady and profitable arcade business get going in the right way.

"We've got the equipment right in stock," he continued, "and we can also help, because of our experience in the field, with the layout of the arcade itself.

"The demand for arcades has continued to grow ever since restrictions were removed for the building of amusement places. Many operators are now interested in getting into this field.

"If they want correct information as well as a complete list of the type of equipment they should use we stand ready to help them in every regard.

"In fact," Roy Monroe said, "if they will send us a layout of the place they want to set up an arcade we will show them just where to place all machines."

Mrs. Sally Slugger Asks All Women To Answer Up

SIMPKINSVILLE — Mrs. Sally Slugger, noted wife of Solly Slugger, is urging all women to "answer up" and get their stories into "The Woman's Viewpoint" column which appears in each week's issue of The Cash Box.

Mrs. Slugger is now preparing her side of the story of why and how women can be successful in the coin machines industry. She is also arranging a short biographical sketch of her many years in the field.

Says Mrs. Slugger, "It's up to all us womens to prove to the mens that we are the leaders. Let's us gets behind this here column and sending in our names and stories right away quick to 'The Cash Box'."

(Editor's Note: If you know of any woman now engaged in the coin machines industry who hasn't yet appeared in 'The Woman's Viewpoint' column this publication would very much appreciate receiving her name and address. Please write to: The Cash Box, 32 West Randolph Street, Chicago 1, Illinois, or 26 West 47th Street, New York 36, N. Y.)

Editorial:

Need Grows Greater For:

NAT'L P. R. BUREAU

From practically its very first issue this publication has continued to urge the creation of a National Public Relations Bureau for this industry.

It has, from time to time, brought forth this suggestion most urgently for the benefit of all engaged in this field.

It has pointed out time and again how important, how necessary, and how much such a Bureau would mean to all in the trade.

There is no one who disagrees with the fact that there is an ever greater need for a National Public Relations Bureau for the entire coin operated machines today.

The NAMA (National Automatic Merchandising Assn.) created a bureau of sorts to handle vending machines of all kinds. This bureau has been somewhat active.

In the amusements field a bureau of sorts was attempted more than once. Tho the bureau was directed toward bringing about better understanding of the field by the general public, it usually veered off in the direction of occupying itself within its own orbit, that is, the amusements field itself and the members of that field.

There has been public relations of a sort here and there thruout the nation by leading associations of automatic music peoples. In the main, this public relations effort occupied itself with the donation of juke boxes to very worthwhile institutions. This is, definitely, good public relations.

But it went no further than these donations. These peoples seemed to believe that these donations would bring all the good will and necessary understanding from the general public that this field, in those certain areas, required.

There have been individual efforts as well as the combined efforts of various organizations and associations in general pub-

lic relations work for years and years. In fact, it may be stated, such effort has gone on as long as this industry has existed.

But regardless of the monies which have been made, regardless of the growth of various organizations in the industry, there never has been a completely concerted effort on the part of the leaders of this industry to bring about a National Public Relations Bureau.

Yet, all agree, and continue to agree, and continue to discuss this great need. And mention it from time to time. Argue the need. And howl for better public relations for the industry nationally.

Public relations, which will gain the good will of the public, as well as civic leaders and outstanding men in all the nation and, at the same time, win the better understanding of the authorities who guide the destinies of the nation, has never been tried on an industry-wide concerted basis nationally.

Surely the time is becoming ever more ripe and ever more needful of such an organization. Surely all will agree that the need for public relations effort, all out effort, day in and day out, week in and week out, year in and year out, is one of the outstanding prime necessities of this entire industry.

This is written not to discourage those men who are, individually, or those organizations and associations who are, collectively, doing what they can, and as much as they can, in their areas.

It is written with the hope that there has arisen, especially among the many, many new people who have entered the field, men who can foresee this great and growing need. Men who will come to the fore and who will, by intense and intelligent effort, bring about a national Public Relations Bureau for the good of all in the industry.

URGE OPERATORS WRITE THIS LETTER

TO THE

Hon. Alexander H. Wiley

UNITED STATES SENATOR FROM THE STATE OF WISCONSIN

Chairman, Committee On The Judiciary

THE SENATE, WASHINGTON, D. C.

Dear Senator:

As an owner of juke boxes, Mr. Senator, I should like, very respectfully, to present my side in opposition to the McCarran Bill (S.1106) which is now before your Committee on the Judiciary.

In this Bill, as you probably know, ASCAP (American Society of Composers, Authors and Publishers) is attempting for the fourth time during this post-war era (the other three similar Bills presented since the end of World War II were: Buckley Bill, Scott Bill, Bryson-Kefauver Bill) to amend the "Copyright Act of 1909", so that the juke box owners of two or more juke boxes would be forced, by Federal Law, to pay ASCAP doubly-taxed royalty-tribute.

In the first place, Mr. Senator, the nation's juke box owners are already paying royalties for the use of the copyrighted music of the American Society of Composers, Authors and Publishers.

The nation's juke box owners pay these royalties each and every time they purchase a recording featuring an ASCAP copyrighted tune.

The royalties we so pay accrue directly to the music publishers who are members of ASCAP. These royalties are paid directly to the individual music publishers by the recording manufacturers. (These royalties, I repeat, are added on to the price we pay for the recordings we purchase.)

Some of the publishers who are members of ASCAP argue that ASCAP, itself, (and ASCAP is only the collective collection agency of these publishers) is not getting any royalties from the juke box owners who are playing the copyrighted music of these ASCAP publishers. The fact remains, Mr. Senator, that they, these ASCAP publishers, themselves (instead of their collective collection agency—ASCAP) are already getting the royalties, individually and directly, from the record manufacturers.

These ASCAP publishers know this to be true. They will admit that the juke box owners pay these royalties for the use of the copyrighted music of these ASCAP publishers.

Therefore, ASCAP, which is actually only a collective collection agency of these very same music publishers, may not be getting the royalties sent directly to ASCAP itself. But, the music publishers who are the collective members of this ASCAP collection agency, are already getting the royalties direct from the recording manufacturers.

If we, the juke box owners, were to pay ASCAP royalties directly, and we are already paying ASCAP royalties because these royalties are included in the price of all the records we purchase featuring ASCAP tunes, then we would be paying these very same royalties *TWICE*.

In short, we would be paying a tax on top of the very same tax we have already paid in the first place.

This entire matter, Mr. Senator, resolves itself right down to a sharp attempt to simply obtain a tax on top of a tax, a double payment of the very same royalties for the very same ASCAP tune.

Surely, Mr. Senator, you will agree that this is a tax on top of a tax (the same tune being twice taxed) simply in an effort on the

part of ASCAP to make this already rich and powerful multi-million dollars collection agency even more rich and more all-powerful.

Furthermore, they ask your Committee to consider a Bill wherein they may charge whatever they so desire to charge for the use of their music. Absolutely nothing appears in the McCarran Bill (S.1106) which places any limit whatsoever as to what ASCAP can charge. ASCAP can, without even a moment's hesitation, should the McCarran Bill (S.1106) ever pass into law, **PUSH THOUSANDS OF LITTLE JUKE BOX BUSINESS MEN RIGHT OUT OF BUSINESS BY OVERTAXING THEM.**

Furthermore, ASCAP's inclusion of the fact (in the McCarran Bill, S.1106) that they do not want to tax the owner of one juke box and, similarly, definitely will tax the owner of two juke boxes, or more is, in my humble estimation, just so much camouflage, so much smoke screen thrown up before the Committee in an effort to detract attention from the true purpose of this bill, **WHICH IS TO OBTAIN A TAX ON TOP OF A TAX.**

This single juke box ownership is simply a device to cause argument, pro and con, about something that means absolutely nothing. It proves no more than the fact there still are some rugged individualists who insist on making their own baloney sausage and not purchasing the baloney already made up for them by the meat packing industry of America.

It seems to be ASCAP's method, just as it has been in many past years and in just as many past Bills which ASCAP has sponsored and has had presented before the Committees on the Judiciary, to attempt to push them thru a Federal Law (via an amendment to the Copyright Act of 1909) which would force thousands of small American business men, the owners of two or more juke boxes, **TO PAY THEM AGAIN, AND OVER AGAIN**, for something which they, ASCAP'S collective member-publishers, **HAVE ALREADY BEEN ONCE PAID.**

In short, ASCAP is asking the legislature of these United States to vote them a Federal Law to make **THEM (ASCAP) RICHER AND MORE ALL-POWERFUL.** Even richer than the multi-millions of dollars which they collect each and every year.

This would, Senator Wiley, absolutely abolish the music of the workingman and workingwoman. The poor people of these United States. For they can only best afford the music of the juke boxes of this nation. Juke boxes that are located everywhere in their communities to bring them economical relaxation with the music of America.

The juke box is not the music of the rich, Mr. Senator, **IT IS DEFINITELY AND ABSOLUTELY THE MUSIC OF THE POOR.**

In short, Mr. Senator, what ASCAP is asking you and all the other highly honored elected legislators of the peoples of these United States to do, is to: **CRUCIFY THE MUSIC OF THE POOR ON A CROSS OF GOLD**—for ASCAP's benefit.

I beg of you, Mr. Senator Wiley, to **VOTE AGAINST** the McCarran Bill (S.1106), just as have the members of so many other Committees on the Judiciary done in the past many years, so that we, the owners of two, or more, juke boxes, the little business men of America, your constituents, can continue to earn a livelihood for ourselves and our families.

Respectfully yours,

Taran Distributing Servicemen Receive A. M. I. Merit Award

JACKSONVILLE, FLA. — Herb Gorman, manager of Jacksonville branch of Taran Distributing, Inc., sent in picture he had taken of two service personnel, Fred Houghton and L. L. Holmes, accepting the Merit Award from Art Daddis, field representative for A.M.I.

Gorman reports operators in his territory are highly enthused about the new features of the D-80 AMI phonograph along with the beautiful 5-10 and 25c wall box just received.

Connecticut State Ops Meet

Pictured above are the members of The Connecticut State Coin Association, Inc., at the last meeting.

HARTFORD, CONN.—At a recent meeting of the Connecticut State Coin Association, Inc., two items of extreme interest to operators all over the nation were discussed at great length. They were dime play and training of new mechanics.

Abe Fish, president of the association, stated: "We have been following the trend of dime play around the nation and reports filtering in from California, Illinois and other points indicate where dime play has been tried operators are solidly behind it.

"It is a matter of simple arithmetic, if your cost of juke boxes, records, and labor keeps going up and up and up, as it has, and you still keep charging only a nickel, you will eventually have to use a big bottle of red ink."

Fish, in touching on the subject of the training of mechanics, said:

"There is a great need, not only in Connecticut, but all over the nation for coin machine mechanics. It is high time something is done about it. Operators have deluged me with calls about this. One suggestion to me has been the setting up of a training course for mechanics somewhere in the state. After a course by skilled mechanics these boys would be immediately absorbed by grateful operators and distributors. This would provide a constant transfusion of new blood and thus prevent the industry from becoming stagnant. Many operators have been unable to expand their businesses because of the shortage of proficient mechanics. The time to act is now. The problem facing us can be solved if we work together."

(The Cash Box has been advocating both moves for more than ten years.)

Operating In England Presents Problems Far More Difficult Than In U. S.

MANCHESTER, ENGLAND.—No matter what your problems or troubles may be there's always someone carrying around a bigger load. Take the situation in Manchester and Doncaster, as reported in the March 14 issue of *The World's Fair*, England's trade publication which covers the coin trade.

Fourteen snack and milk bars in the City of Manchester, who wanted to operate "electrically-controlled gramophone recorders," which had already been installed on their premises, were refused a license. The equipment was described as "juke boxes" and labeled as "an epithet springing from an unaccountable public prejudice." Further on in the address it was stated "The public associates these instruments with pin-tables and spivs squandering money in music arcades run by vultures who take a tremendous amount of money from unsuspecting juveniles." In addition, it was claimed that the neighbors were annoyed by the phonograph noises.

At Doncaster, the magistrates refused to issue licenses for juke boxes. There were six applications and they were all turned down. The Licensing Bench chairman stated "This is a

controversial matter. They can be a bit of a nuisance and the installation of these machines must be the subject of very careful investigation and approval." A police inspector in this city said, "The records were, generally speaking, of the same type—loud and noisy, the hot jazz type. They attracted youngsters—the teenagers of the be-bop type, and one of the cafes kept open until midnight while others closed at 10 P.M."

It was interesting to note from some of the ads in this English paper what operators are paying for equipment (no equipment has been permitted to be imported since before World War II). A Wurlitzer 616 ("carefully stripped and re-built") is offered for 385 pounds (would come close to \$900 in U. S. money); and a Seeburg 12 Record Player ("in perfect working condition") is offered at 265 pounds (around \$675 in U.S. money). Another ad offers a Wurlitzer 800 ("Latest Model") but it doesn't quote a price, probably astronomical.

So while operators in the good old U. S. A. may have plenty to weep about, please shed a few tears for our English coin machine brothers.

Miller-Newmark Supplies AMI "D" For Parent Teacher Party

GRAND RAPIDS, MICH.—Almost 600 children and parents enjoyed dancing to the music of an AMI Model "D" juke box at the annual "Family Karnivals," sponsored by the P.T.A. of the Burton Junior High School, this city, on Friday, March 21st.

Boys and girls of the school prepared for the event at after-school dancing classes held once a week this past winter. Instruction was under the direction of a professional dancing teacher who stressed deportment as well as footwork.

According to Mrs. Sib TenHoor, PTA president, juke box music works

wonders in putting children on their best party behavior. "Children of junior high age," she said, "are especially lively. They feel that fun isn't fun unless it's accompanied by lots of noise. The boys seldom show anything but disdain for girls and would normally rather get into a roughneck romp than to dance. But once they've learned, they do step out on the floor with confidence. The little girls are no problem since they seem quite willing to dance—if asked. We wondered, of course, just how well our project would work out. The kids like the wide range of selections on the

juke box and we parents do also. To the great relief of us elders, the children have shown they can draw on unsuspected reserves of dignity at a dance. Much to their surprise, and ours, they enjoy themselves in doing so."

Alert to the good will which results from popularizing the juke box with parents, teachers and children, the AMI juke box for the occasion was provided by L. C. "Bill" Miller. Miller-Newmark, Grand Rapids and Detroit. AMI distributors for the state of Michigan. Mr. Miller reports that the parents were so pleased with the

results of this experiment that they are now planning to install a juke box at the school for the permanent use of the children.

Notwithstanding the great amount of work which has been done by the industry in donating juke boxes for use in off-the-street clubs and other institutions, the opportunities for creating public good will through affairs of this kind are practically untapped. Mr. Miller, like so many other music operators and distributors who are using the juke box in the battle against juvenile delinquency, is to be congratulated for this worthwhile work.

Nebraska's Music Ops Gird For Battle On McCarran Bill

OMAHA, NEBR.—Music Guild of Nebraska, 1430 South 13th Street, this city, is girding for an all out battle on the ASCAP sponsored McCarran Bill (S.1106) in Washington, D. C., according to Howard N. Ellis, Secretary-Treasurer of this organization.

Ellis has mailed his first letter to all music ops thruout the state urging them to get into the battle to defeat the McCarran Bill.

He is telling everyone of the members of the Music Guild of Nebraska of the fight ahead.

In part his letter to Nebraska's music ops reads, "Inclosed is a copy of the McCarran Bill (S.1106) which, if it becomes Federal Law, will put you out of business as an independent phonograph operator.

"It is (the McCarran Bill) backed by a million dollar concern, ASCAP."

He also tells Nebraska's music ops, "This job cannot be done by any individual group or any individual state, but only thru the coordinated efforts of every music operators' association, as well as every individual operator in America."

No Arcade Equipt In Production

CHICAGO — No arcade equipment of the older type, such as fortune tellers, punching bags, peek machines, etc., are in production at this time.

Check up with such firm here as Exhibit Supply, leaders in the arcade machines manufacturing field since 1901, revealed that, at the present time, this firm is extremely busy producing kiddie rides and its "Space Gun."

Word from others, according to arcade men here, is to the same effect.

This seems to be the reason for the dearth of arcade machines at this time and also the reason why used arcade equipment is, today, commanding a higher price than ever before.

(Editorial Note: A firm in Brooklyn, N. Y., has several arcade machines in preparation, but does not know if they can be ready for spring delivery.)

WASHINGTON, D. C.—Of great importance to all engaged in the industry is the fact that Senate Bill No. 298, the bill introduced by Senator J. Allen Frear, Jr., of Delaware, to allow business men to depreciate their capital equipment in their own reasonable period of time, is now before the Senate Finance Committee awaiting suitable hearing time.

For years now there have been a tremendous number of complaints thruout the industry regarding the inequitable depreciation schedules which have been placed into effect by local offices of the Internal Revenue Bureau.

In some areas, for example, operators are forced to depreciate phonographs in 5 years. In other areas in 4 years. In some areas in 3 years. The same holds true for all other equipment of the industry.

These men have complained time and again to *The Cash Box* and this publication has urged various new types of schedules which could be brought to the attention of the proper committees in Washington.

In fact, this publication has had Certified Public Accountants like Leo P. Kaner of Chicago, and Herman Jaffe of New York, who understand this industry well, write articles in its many former issues showing all in the industry what could best be done in the matter of more equitable depreciation.

The Senate Small Business Committee proposed in 1952 that "optional depreciation" come into being.

This 83rd Session of the Congress, Senator J. Allen Frear, Jr., of Delaware introduced his bill which has already gone thru two readings in the Senate. It now rests before the Senate Finance Committee.

Those in the industry who realize the seriousness of the present inequitable depreciation schedules existing in their areas, as well as thruout the entire nation, are urged to write to the Senate Finance Committee and beg that this Bill, S.298, be favorably passed by that Committee.

Those who want more information in this regard should write directly to Senator J. Allen Frear, Jr., The Senate, Washington, D. C. for copies of this bill (S.298) to read and better understand its contents.

This bill means tremendous savings to all engaged in this industry. By allowing all to depreciate their equipment in the time they consider most reasonable everyone will be far ahead financially.

This is one bill that definitely should have the support of all concerned with this field.

(Editor's Note: Senator J. Allen Frear's bill (S.298) was reproduced in full in the Feb. 28, 1953 issue.)

Rock-Ola Conducts Workshop At Eastern Distribs

CHICAGO, ILL.—Rock-Ola Workshops, which Rock-Ola service specialist Frank Schultz, has been holding in various cities throughout the United States, have been tremendously successful. Schultz has been accorded exceptional receptions from servicemen, who have expressed their appreciation for his services, and for the simplicity and troublefree operation of the 120 Selection Fireball.

Rock-Ola Workshops are being held at Seacoast Distributors, Inc., Elizabeth, N. J.; S & K Distributing, Philadelphia; Eastern Vending Sales, Baltimore; Wertz Music Supply Co., Richmond, Va.; Southern Music Distributing Co., Jacksonville and Orlando, Fla.; and Robinson Distributing Co., Atlanta, Ga., during the next two weeks.

Century Music Host To Ops At Wurlitzer 1650 Phono Showing

BUFFALO, N. Y.—Century Music Distributors, this city, held Wurlitzer Week March 23 to 28 at their showrooms. New Wurlitzer 1650 phonograph was unveiled for the benefit of visiting operators, and according to Phil Mills "considerable enthusiasm was expressed by all viewers. Eddie Clinton, Dick McCann, the rest of the staff and myself are going to be busy filling orders for the next several months."

Among the visitors were Joe Lewis, Harry Bruck, Bob Scott, John Ogarek, Jim Vona, Al Boltz, Bill Nesbitt, Bob Manning, Charlie Wagner and Bob Smith.

Introduce Bills To Tax Jukes and Pins

COLUMBUS, O.—A bill to levy a tax of \$12 a year against juke boxes, with the revenues earmarked for the care of crippled children, was introduced in the Ohio Legislature (March 17) by Rep. Anthony O. Calabrese, Cuyahoga Democrat.

Calabrese also was co-author with Rep. Harry Corkwell, Putnam Republican, of another bill which would levy a tax of \$25 per year against pinball machines, with the receipts set aside for the crippled children's program.

Blatt Writes Views On Proper Operation Of A Music Route

W. M. BLATT

MIAMI, FLA.—Willie (Little Napoleon) Blatt, this city, one of the country's most progressive and successful operators, and president of the Automatic Music Operators Association of Dade County, is a great believer in keeping pace with every change. It is his contention that the operator must be on top of things to run a successful operation. We reproduce a letter outlining his views on the proper operation of a music route.

"My experience in the music machine field goes back to the days of P. 10's, when juke boxes cost about \$200 and records 19 cents. At that time \$3 to \$3.50 was a very good average. Those days are gone forever as our locations today demand better equipment and better sound.

"Our oldest equipment is the A.M.I. A's. They still look good and can be cleaned up to look and operate almost as well as new. In addition, they have forty selections, which is ample for many locations.

"I remember in the old days when you needed a hideaway, you took the worst looking and oldest piece of junk and make a hideaway out of it. You reasoned, nobody can see it anyway, but it sounded as good as it looked, and vice versa.

"Today all our hideaways are Wur-

litzer 1017's and 1018's with Cobra Tone arms. We make sure that their tone quality is as good as one can get out of a new machine.

"We never wait for a location to ask us for a new machine. We replace old machines at any location that warrants a new piece of equipment (approximately once a year) and move the older box down a notch.

"When a juke box is brought into our shop, after it has been taken from a location because it has been out of order several times, or when it has been merely replaced by a newer model, it is torn down to bare wood. Every unit is cleaned, checked, and worn out parts replaced with new ones.

"Juke box manufacturers are constantly making improvements in their existing models and wherever possible when a machine is brought in for rebuilding we install all new improvements so that when the machine leaves our shop it looks and works as good as a new machine.

"In my travels I have visited quite a few large and small operators and I was surprised to find that they still operate pre-war equipment such as Seeburg Colonels, Majors and Hi-Tones, and Wurlitzer 24's, 500, 600, 700, 800 and 750's. In my estimation these machines have long outlived their usefulness and are practically worthless.

"They have been depreciated to zero a long time ago, and their heavy tone arms tear the records apart long before they have lost popularity. As a result the records emit a horrible sound and hurt the juke box industry to a great extent.

"We purchase a certain amount of new equipment regularly from all distributors whether we need the machines or not. We do this for two reasons. One, to replace old equipment, and two, to patronize the juke box distributor as an insurance policy. In this way we get their cooperation. As long as they are willing to cooperate with us we will meet them half way. We have never subscribed to the idea that as long as we have an association we don't have to buy new equipment. Our experience has shown us that if the operators and distributors work together there are no problems that can't be solved to the satisfaction of all concerned."

As I See It

A Weekly Column
by
AL SCHLESINGER

While in New York City recently, I decided to take a look-see at some of the Arcades in the Times Square area.

Those of you who can recall the old fashioned idea of an arcade what with, Weight Lifters, Punching Bags and Penny Stereoscopes, would be amazed at its transformation. Now, you see well groomed attendants, all wearing neat similar uniforms, alert, courteous and attentive. Batteries of Pokerinos and Shuffle Alleys are most in appearance; with a smattering of Guns, Skee-ball Alleys along with the standard money getters like Voice Recorders and Photomatic machines. The games that seemed to be getting the most attention were the Pokerinos and Shuffle Alleys. Also displayed in a neat pattern, was the merchandise offered as prizes, all clearly labeled. All this is handled in what appears to be a very businesslike manner. Much credit is due to the owners of these modern Playlands, who have with great skill set up these emporiums to get the maximum attention from the heavy traffic that passes by. The very latest in neon lighting helps set off the brilliantly lighted games and it adds up to the showmanship that is so successfully employed throughout this area.

The patrons are from every section of the country and as I see it, they are favorably impressed. When they get back to their home communities, they should be the greatest boosters for the local operator who has his equipment in various type locations.

"WAKE UP JUKE BOX OPS"

Juke Box Ops' Association Leaders Yell For All To Awaken To "Danger" Of McCarran Bill (S.1106)

Urge All Ops Write Letters To Congressmen and Senators and Get Location Owners, Friends, Civic Leaders and All Others In Each Area To Do The Same. "Juke Box Biz Will Be Smashed Without Concerted Effort," They Claim

GEORGE A. MILLER

CHICAGO—News reaching here from associations of music operators is to the effect that leaders of these organizations are calling for all juke box owner members of their groups to "wake up" and to "realize the danger of the McCarran Bill (S.1106)".

In fact, many special meetings have already been held with leaders explaining exactly what the McCarran Bill means to the industry.

One leader is reported to have stated, "If the McCarran Bill ever passes—it's the end of the juke box business as we know it today."

George A. Miller, president and business manager of MOA (Music Operators of America, Inc.) advised the general meeting of the Executive Board of Directors of MOA in Chicago (March 10 and 11, 1953) at the Congress Hotel, that to awaken the operators of the nation was the most urgent business which faced each and every one of the association leaders.

He pointed out very clearly the dangers in the McCarran Bill. Many other speakers at this two-day meeting also gave their opinions regarding this new ASCAP attempt to force

the nation's juke box owners to pay double-taxed royalty-tribute to ASCAP, which is only a collective collection agency for the ASCAP music publishers.

Sidney H. Levine, attorney for MOA (as well as attorney for the New York music operators' association) interpreted the legal involvements in the new McCarran Bill (S.1106) for all those who met at the Congress Hotel. He, too, urged that the nation's juke box owners awaken to the "danger" in this bill.

Miller's message to those who attended the Executive Board of Directors session of the Music Operators of America is reported to have gone forth to each and every music operators' association in the nation.

The most outstanding part of George A. Miller's message was that the juke box owners realize the danger in the McCarran Bill (S.1106) and that they all get together in a concerted effort to defeat this Bill as the industry has defeated many similar bills in past years.

But, as Miller explained to the Executive Board members, this time the Bill was very trickily presented. It was pushed through two readings before anyone even knew what had happened and, therefore, is now before the Senate's Committee On The Judiciary, of which Senator Alexander H. Wiley (Rep., Wisc.) is Chairman.

It is this sort of rush-through action which the industry fears and which MOA, especially, is most fearful of at this time.

All fear that there is a grave possibility that this bill may be "rushed" through the Congress, entangled in much important legislation of the moment.

George A. Miller is making personal appeals from his headquarters in Oakland, Calif., to all juke box owners, whether members of associations or independent, to awaken to the "danger" in the McCarran Bill (S.1106).

Music operators throughout this area were talking about the latest effort on the part of Congress to force the payment of royalties on copyrighted music via the recently introduced McCarran Bill (S. 1106). There is no question but that passage of this bill would virtually force music operators throughout the nation to shut their doors. As one operator stated it, "They couldn't get one of them mechanical brains to compute the bookkeeping on a deal like this." Every member of the industry is urged to keep informed of the status of this bill, and to take pen and paper in hand and write your Congressman letting him know where you stand. The oft repeated, "Stand Up And Be Counted" theme aptly applies here. Are you gonna take this lying down, or be among the many to fight for your rights?

The gang over at the Paul Laymon Company were just about set for the showing of the new Wurlitzer 48 selection, 45 rpm phonograph this past week, with a quick paint job by Randy and Red to kinda add the finishing touch. Fifteen minutes of inhaling the paint odor and yours truly felt as soused as a mouse, with Randy and Red concurring. The window dressing didn't stop Ed Wilkes from writing those shipping orders though; the man is a whiz at getting those orders filled. Charley Daniels popped in with Blaze in tow, both of whom avered they wouldn't move until "the paint was dry." . . . Jimmy Wilkens out on the road, but due back in time for the showing of the phono. . . Lots of interest on the part of music ops in the new machine, especially so since it's been reported that said phonograph will be in the low-priced field . . . Clyde Demlinger made the trek in from Balboa, where they're getting ready for the summer tourist trade. Population of the yachting city more than doubles come summer time . . . John Lantz back from a flying visit to St. Louis where he visited his folks . . . Mary and Kay Solle played host to recording stars Roberta Linn and Vicki Young this past week. And they agree about that constant diet of barbecued sandwiches and french fries—they'd like that steak once in a while. The gals are set for a holiday by the way, having been invited to the Russ Morgan opening at the Flamingo in Las Vegas. Having tried for years to get up to Vegas and see what a seven looks like, we're happy to report the gals have finally made it. Altho it's possible they'll be walking back to sunny L.A. they're raving too about the way Russ' great Decca etching of "I'll Be Hanging Around" is making lots 'n lots of noise. . . Bob Patton, well known Tulare County operator, making the rounds along Pico this past week all the way from Hanford.

Lyn Brown, Exhibit Supply's regional rep out this way, a real early riser. We spotted Lyn at the office one day long before nine A.M., getting set for a days business . . . With the hot weather rolling in now, and the resort areas getting set for the annual crowds, Lyn expects a sizable increase in kiddie ride biz . . . and likewise an increase in visiting fireman at Lyn's North Hollywood swimming pool . . . Ed Vanetta, local music op who was one of the members of the automatic music industry who made the trek to Washington last year during the Bryson-Kefauver hearings, greatly concerned about the present McCarran Bill. Ed agrees that passage of this bill would virtually wipe out the automatic music business . . . Jack Simon, Simon Sales Co., reports business moving along on a nice steady basis, with a notable increase in arcade equipment sales . . . Jack by the way, is very proud of his ownership of the only original portrait of Chaim Weitzman, the late president of Israel . . . Cohort Abe Chapman not spending too much time these days on the golf course, what with most of his extra-curricular activity being devoted to some wonderful work in behalf of the Mt. Sinai Hospital . . . It's just a rumor mind you, but we heard that someone might open a restaurant on coin-row's Pico. All we can say, is hurry up man, you're sorely needed . . . Tom Jones in town this past week from San Diego . . . ditto Lloyd Barrett from Pomona. . . Business over at Badger Sales continues along at a whirling dervish pace with prexy Bill Happel, Al Silberman and Ray Powers on tap to handle the volume . . . Bill reports the firm did a terrific job via Williams "Silver Skates," having completely sold out . . . while Monsieur Silberman continues pell mell keeping up with the demand for the many automatic merchandise products. . . Joe Duarte and Frank Dunkel aren't talking vacation cruises when you hear 'em mention the name of a ship, but rather shipping rosters for the Badger firms ever expanding export department . . . Jack Neel in town again this week from Riverside . . . ditto Ben Korte from Glendale way . . . The complete redecorating job in progress at Minthorne Music is scheduled to last for a couple of weeks longer, with the carpenters just about finished setting up a battery of brand new offices . . . High spot of the firm's new showrooms and offices will be the display area, certainly one of the most modern we've ever seen . . . Altho the noise of buzz-saws isn't particularly conducive to the senses, Hank Tronick manages to skate around the place at 45 mph handling the ever increasing demand for 45 rpm phonos . . . George Mahlum directing the sales and merchandising of Seeburg's non-coin operated home phonograph. Firm has opened a Beverly Hills branch . . . Missed seeing Phil Robinson this past week, altho we hear via the grapevine that the demand for Chi Coin's great "Name Bowler" continues, which is what is taking up so much of Phil's time these days . . . Carl Musarra, Pomona, a visitor to Pico's coin row last week . . . Johnny Huntsman and wife in town on a combined business and pleasure trip from Tulare . . . Phil Markell, Redondo Beach operator also made the trip into Los Angeles this week.

March 19th, 20th, and 21st was State Basketball Tournament time in Minneapolis and the result was an influx of visitors and basket-ball lovers from the cities out of the State into Minneapolis. And naturally, of course, a number of individuals in the coin machine business took in the State Basket-Ball Tournament. Among them were: Gabby Clusieu of Grand Rapids, Minn., Fran Beferra of the Delmo Novelty Company, Hibbing, Minn., Sol Nash of the Twin City Novelty Company, Minn., Lew Ruben of the Lieberman Music Company and many others. . . . Leo De Mars of Ashland, Wisc., finally got his route in shape and gave his final instructions to his son, Bud, and took off for a well needed vacation in Florida. . . . Jack Harrison of Crosby, Minn., seemed sort of disappointed that the home town team wasn't in the State Basketball Tournament in as much as they have been consistent in sending teams up for the State tournament up until this year.

Unusually strong winds caused havoc throughout this area last week and in some places reached tornado proportions. Out in Watertown, S. D., the next day after the wind storms, Arnold K. Bevik was up on his roof fixing his T.V. antenna which was blown down. . . . Andy Theisan of Northland Music Company of Brainerd, Minn. reports that his partner Bun Mraz is up and getting along well after his recent operation. . . . Joe Totzke of the Totzke Music Company, Fairmont, Minn., has so much to do when he gets in to Minneapolis that he barely has time for a good hot cup of coffee. . . . John Czerniak of the Ace Amusement Company of Duluth, Minn., is a safe repair man by vocation and before making a trip into town for some parts and supplies was called on to open a safe for a firm whose safe wouldn't open up the usual way. . . . Ray Kohner of Winona, Minn., is being kept busy at his job of being Street Commissioner for Winona County that it is necessary for his son, John, to make all the trips into town for the necessary needed supplies and equipment. . . . Picking up equipment in order to get their route in shape were: John Howe of Foley, Minn., Ken Anderson of Austin, Minn., Fred Kovenan of the Play-Mor Amusement Company of Moose Lake, Minn., Cecil Terveer of Winona, Minn., and John Johnson of the Staples Novelty Company, Staples, Minn. . . . Seen here and there at the distributors' offices were: Stan Woznak of Little Falls, Minn., Pete Vanderhyde of Dodge Center, Minn., Bill Hanf, of Austin, Minn., John Galep, of Menomonie, Wisc., Earl Hanson of St. Peter, Minn., and Norris Overby of Freeborn, Minn.

THE "20 YEAR CLUB"

"a great idea"

Herb Jones
Vice-President, Bally Mfg Co.

A compilation of the members of the coin machine industry who have joined the "20 Year Club" was published in the January 24 issue of *The Cash Box*.

This was a long and imposing list of names of men and women who have been associated with the coin machine industry for 20 years or more.

After we went to press on the January 24 issue, a large number of additional applications have reached this office. We shall publish these names in a forthcoming issue.

Outside of the fact that you've been connected with the industry for 20 years or more, there are no other qualifications. The idea is strictly sentimental—and will serve to bring together those people who, in a great many instances, have been pioneers in this modern age of our industry.

SO — YOU TWENTY YEARS — WHO HAVEN'T AS YET APPLIED, MAIL IN THE COUPON BELOW.

More so than any year in the past, operators (and the distributors who sell them) are eyeing the weather forecasts, particularly those for week-ends. Good weather means increased play on kiddie rides—bad weather a real heartache. More operators are also interested in outdoor, shore and resort areas this year. In addition to kiddie rides, some have prepared batting practice ranges. Good weather is an essential. Collections on phonos and shuffle games also show fine increases when the weather permits people to get out of their houses. All in all—coinmen are quite optimistic over the spring and summer of 1953—and hope Mr. Weatherman cooperates.

Joe Young and Abe Lipsky, Young Distributing, were on hand all week to greet the many operators who visited their showrooms to view the new Wurlitzer models 1600 and 1650. Young reports music ops. showed great interest, and he now has to revise his sales estimate to double his original figure, based on actual orders, as well as commitments. Hank Barber, president of the Land-sheft and Barber Advertising Agency (Wurlitzer's advertising agency), was a visitor at Young's on Monday, March 23. . . . Kiddie ride manufacturers in this city report buying activity spurted this past week. . . . Charley Wertheimer in from Boston to visit with Mike Munves. Preparing for the new arcade season, Charley gave Mike a nice order for a number of pieces. Mike, by the way, probably has the largest display of kiddie equipment that can be seen anywhere. He claims orders for these, and for regular arcade machines, piling in to a point where he expects to top any season he's ever enjoyed—and 1952 was a record year for him. . . . National Kiddie Rides, Inc., opens offices and display room on coinrow. Firm is headed by Hymie Rosenberg, president, and Charlie Katz, sales manager. They are world distributors for B & R Novelty Co. and Lee Manufacturing Co., manufacturers of kiddie rides.

Mrs. Gertrude Browne, head of Paramount Vending Corp., Beacon, N. Y., renews her subscription with the comment: "Appreciate not missing any copies of this as it is without doubt my business bible. I refer to it so many times that I cannot any operator NOT being a subscriber." Thank you, Mrs. Browne. . . . New York music ops assn. held a general membership meeting on Tuesday night, Mar. 24, at which time they discussed the McCarran Bill and dime play. . . . Bob Charles, the ebullient operator from Binghamton, N. Y., vacationing in Miami Beach. Expects to return home around April 15. "Getting myself in shape for the Summer business up north" cracks Bob. . . . Jack Mitnick, AMI's regional rep., back in the city after a tour of the firm's mid-west distrib. He leaves after a few days for coverage of the south, stopping off to attend T. B. Holliday's AMI party on March 28, 29 and 30. . . . Barney (Shugy) Sugerman, Runyon Sales, always smiling and happy. "Why not?" asks Shugy, "what with AMI, Bally and Keeney products all going big for me." . . . Hymie Koepfel, Koepfel Distributing, a victim of a bad streak, physically, this past year. Latest trouble is a bad knee. He twisted it and tore some ligaments, and don't even know how. He's been under medical scrutiny and has to wear one of those elastic bandages. . . . Al Simon, Albert Simon, Inc., never in a happier mood. "Now it's Chicago Coin's 'Double-Score Bowler'", says Al. "Wish I had a few more carloads of them." . . . Nat Cohn, Conat Sales, reports considerable increase in orders from his distrib. He gives the approach of spring as the reason. . . . Dave Bond, Trimount Coin, Boston, off to Europe for a visit. . . . Max Levine, Scientific Machine Corp., Brooklyn, N. Y., turning out several "hit" machines at one time, reports the firm loaded with demands for speedy deliveries. "Everybody wants equipment 'immediately'", sighs Max, "and it's quite a problem to keep all of our friends happy". . . . Al Blendow, Meteor Machine Corp., Brooklyn, N. Y., so busy with customers for its kiddie rides, hardly can get to the phone to talk important biz.

Last week was known as Wurlitzer Week, March 23-28, at our own F.A.B. Distributing Co. The 1600 and 1650 models were shown and turned out to be a pleasant surprise for the operators. Prices were reasonable and the merchandise a dream. F.A.B. is remodeling its show room and when completed it will be something out of this world. Mostly plate glass and will give more display room. . . . Delta Music Sales has moved its office and complete force to 1019 Baronne St. Delta is shipping 20 to 30 United and Chicago Coin games to operators all over the state each week. . . . Bob Tanner reports, with Bob Dupre, that their Keeney line is picking up all the time. The Keeney Cigarette Machine is seen in many locations. Also catching on is the bowler. . . . Taking bows at the smash Billy Eckstine-Ruth Brown concert last week were local disk jockies John Hardy, Okey Dokey, Dr. Daddy O, and Jack the Cat. . . . Belated congratulations to Jerry Johnson of "The Music Shop", Hattiesburg, Miss., and his lovely bride, Rachel.

Ben J. Shears of Soundries Operating Co. reports the new Ajax Automatic Ice Machine a big thing down here in the deep south. Ben, formerly in the bell business for 18 years, says that operators have found that this machine can be put on rental basis to bars and cocktail lounges and do fairly well. These machines are already out on about 150 locations, some on rental and some on outright buys. . . . Bob Buckley of the Air Line Cigarette Service adds a new business coupe (Chevrolet) to his fleet of trucks. . . . Sorry to hear Mrs. Mary Nassar, Tac Amusement, out with the flu. . . . Visitors in town include O. A. Jones, Bogalusa, La.; Mr. Landry, Gonzales, La.; Jim, Charlie and Fred, Teche Novelty Co., New Iberia, La. (the boys were in buying records galore); Jim Bulleit, J. B. Records, in and motoring back to Memphis, Tenn. . . . Freddie Mendelson, formerly of Regent and Regal Records, in town with a new label Herold. Freddie is working hard and seems to have something. . . . It's supposed to be hush-hush, but we understand the Joe Isaacson mechanical genius at the New Orleans Novelty Co. is designing a pin game.

The Woman's Viewpoint of the Coin Machine Industry

LUCILLE LAYMON

LOS ANGELES, CALIF.—Possibly the dean of all coin machine women, because of the 32 years she has been actively engaged in the industry, Mrs. Lucille Laymon of Paul A. Laymon, Inc., this city, is still tremendously thrilled with this business and extremely optimistic regarding the success any woman can enjoy who wants to enter the field and make operating her business.

Mrs. Laymon started in the industry with her husband, operating in Florida, back in 1921.

She was a school teacher from Goldsmith, Ind. Her husband, Paul A. Laymon, comes from Kokomo, Ind.

From Florida they eventually found themselves back in the midwest. They operated in Iowa, North and South Dakota, as well as in Nebraska.

Then they went east to New York City and remained there for a while operating A. B. T. Mfg. Corp. products. They then returned to the midwest, to Chicago, and continued to operate in this city.

After that they went out to Los Angeles and operated there. They opened their first office for distributing and jobbing of coin machines on South Hope Street in Los Angeles. At the time they were exclusive distributors for the A. B. T. Mfg. Corp. products.

In 1934 they moved to West Pico Blvd., Los Angeles, and have become identified with this street ever since.

In 1936 they were appointed distributors for Bally Manufacturing Co. and are still the distributors for this organization in their area.

Today the firm of Paul A. Laymon, Inc. distributes many well known lines, including Wurlitzer coin operated phonographs and music accessories. They are considered among the most outstanding distributors in the nation.

And to this day, ever since 1921, Mrs. Lucille Laymon will be found "on the job", as she puts it, every single day of the week, working shoulder to shoulder with her husband in their very popular distributing headquarters.

After 32 years in the industry it

certainly is interesting to learn from Mrs. Laymon that, "Any woman can make good in this industry if she will really apply herself to this business."

She further says, "I am firmly convinced that women make much better operators than men. They have an intuitive instinct for just what the location wants and likes and they usually beat the location owner to the punch by bringing him just what he was going to ask for."

"A woman who has a pleasant personality", and Mrs. Laymon believes that, "a pleasant personality is a tremendous asset for any woman in this industry, and also has the ability to meet people well, is certain", she claims, "to be successful in the industry."

"What's more", Mrs. Laymon says, "a woman should have some business experience to begin with. She will soon learn her way about as far as operating is concerned because, in itself, operating is not an intricate business."

Mrs. Laymon also believes that any woman will find she will command the utmost respect at all times from any and all locations and, especially, from all the peoples in the industry.

"She will find," Mrs. Laymon says, "that her fellow operators, as well as jobbers and distributors, will give her a fair and square deal every time."

"The word of the people in this business is their bond, and this", she says, "is of the greatest importance to any woman entering the business who wants to go as far ahead into great success as she possibly can."

Mrs. Laymon was happy to hear that more and more women, everywhere in the country, are taking over executive positions in the industry and are, especially, proving themselves outstandingly successful as operators.

"There are more women in the industry today", Mrs. Laymon believes, "because a woman, in my estimation, is better fitted for helping the retail merchant to enjoy a finer business."

"A woman's natural attention to even the smallest details, her closer and better understanding of the needs of people, her patience, her calm, cool and collected methods of doing business, win greater respect for her every time."

Mrs. Lucille Laymon, 'dean of coin machine women', because of her 32 active years in the industry, has this one message to impart to all women.

She says, "Any woman who is thinking of entering into the coin machine business shouldn't hesitate to do so."

"In fact", she continues, "if she will put in as many hours, and pay as careful attention to this business as she would to some little retail store she would open, she will soon find herself much more successful than even she dreamed possible."

"Yes", Mrs. Lucille Laymon concludes, "more and more women are going to enter into this industry and, because of it", she says, "this will become a finer and greater and better industry in every regard."

"I welcome any woman to visit with me who wants to discuss the possibilities of this business for her future."

Letter From An Operator

Dear Mr. Editor:

Sometimes I think it is better we shoulda all stood in the bed yet. Just takes the other day. I am running from this here stop to that there stop. Believe me as I am almost dizzy like running and fixing and collecting and every thing.

My helper, Sam Simpson, that simp's son, he is no help for sure. He can puts more out of order machines out of order as any one I ever knows. You sure got to watching him. But good. Or else.

Anyways Sam and me we drives us back to the store but good and late and what do we finding there? It is a note from Sally (that's Mrs. Slugger) as she has gone to playing cards with the girls. She says in this here note as she will phoning me on up at the house very soon like. And as she has left me some thing to eats in the ice box.

So I goes on home. And I finds a can of beans and a hamburger in the ice box. Well, anyways, I am too tired to even care any how. So I eats. Then I says to myself I will reading the paper for a few minutes and I will going on to sleep.

Just as I am about to falling a sleep the phone rings. It is Sally (that's Mrs. Slugger) she is saying, "How are you, Solly, my dear?" she is saying.

So right away quick I knows as how the other gals is lissening in on her. So I says, "I am all right, Sally," I says, "only I am but plenty tired and I am going on to the bed."

So she says, "That is very fine, Solly, dear," she says, "you go on to the bed if you is tired and do not worrying about me as one of these here girls here will driving me on home."

So anyways I goes on back to reading the paper. I am reading and reading. Then the telephone rings up again. I says to myself what the hell is this here now at this here time of night yet?, I says to myself.

It is one of the best stops we got yet. It is this guy George. He hollers, "Hey, Solly," he hollers, "c'mon on out here right away but quick, you hears me", he hollers.

So I looks on up on the clock and it is almost eleven o'clock on by the clock and I says to George, "Look here, George", I says, "do you knows as it is almost already eleven o'clock on by the clock?" I says.

So he hollers back on me, "I know what time it is", he yells, "I do not needing you to telling me the time", he hollers, "I needs you to fix up on this here machine here quick and brings me some rolls of dimes", he says, "because I got me a helluva big time sports crowd of guys and gals and we is having us a ball" he says "so you hurry on up out here right away quick", he hollers.

So what's could I do? I puts back on my shirt. And my pants. And I puts on my jacket. And I takes out some rolls of dimes from under Sally's bed. And I jumps up in the pickup which I has parked by the house. And I shoots on out to George's Road House Red Hot Tavern Club.

They is nothin' yet wrong with this here machine George is hollering about. They has jammed it up full with dimes and it is not working but naturally like. So I loosens her on up. And I gives George the rolls of dimes I has broughten with me. And I gets ready to says so long to him but first I wants to tells him as how he is but the one stop what has got my house phone so special for quick special service.

George he pulls me on back with the guys and gals who is laughing and hollering and having themselves yet a real ball. They all says, "C'mon, Solly",

they says, "having yourself a few drinks with us."

Well, what's could I do yet? So I has me a coupla drinks with these here guys and gals. Every time I wants to duck, George he gets mad, because he wants as these here guys and gals should buying more yet, and he looks but real tough like on me but plenty. I ain't not afraid of George, you understanding that for sure. But I do not wants to losing this here stop. So I has a coupla more drinks.

Anyways at last I ducks. George he is pretty liquored up by now any how. And he do not seeing me beats it. I jumps on up in the pickup and I drives back to the house. I am saying to myself that I will sure like to hitting the hay but right away quick for sure.

I at last gets the fronts door on open. And I starts to walk on in. Whowie. Holy cows. Oh boy. Who is sitting there on the big chair with her foot yet tapping but fast like on the floor and with the black clouds but plenty crawled on up in her eyes and all on over her whole face yet? You guessed it. It is Sally (that's Mrs. Slugger).

She lets out with one big blast, "You big bum you boozer you", she trumpets, "so this here is how you is being so nice and polite like and going on to the bed yet is it?" she bombs out on me, "and where was you anyways?" she screams, "and with what dame yet?" she hollers.

Right away quick I tells her, "Gee, whiz, Sally" I says, "I had to went on out on a emergency service stop call", I says, "and I had yet to fix up a machine and bring on over some rolls of dimes yet", I says.

So she hollers out on me, "What stop where they is calling you at this here time of the night?" she screams, "who is this here stop?" she hollers, "I wants to calling them right up but now", she blasts on me.

Right away quick I thinks to myself. Gee, whizz, I thinks, if I tells her I was out by George's Road House Red Hot Tavern Club she will bombs her top off as she knows this is some joint yet what has not got such a good kind of a reputation like yet.

So I says, "Oh", I says, "way on out in the country" I says.

So she hollers, "You better telling me quick, Solly", she says, "or I will busting a baseballs bat on over your monkey head, you hears me you boozer?" she bellows.

Just then the telephone rings. Sally grabs it but quick. She lissens. Then she says, "See, George", she says, "didn' I tells you how we gives real special service to you special?" she says.

Then she lissens some more. She says, "No, George", she says, "every thing is okay, George" she says.

She hangs on up the phone. She looks on me. And she says "That proves as how you is a real good operator, Solly", she says, "even if you is tired you runs on out and services the stops", she says, "and George he was worried about you, too" she says, now ain't that real nice and sweet of him, Solly?" she says.

What are you going to do?
Sincerely,
Solly Slugger

THRU THE COIN CHUTE CHICAGO CHATTER

Best statement yet re: McCarran Bill (S.1106)—"I'm getting sick and tired of this sort of thing being sponsored by ASCAP year after year. Right after the war it was the Buckley Bill. Then the Scott Bill. Then the Bryson-Kefauver Bill. Now it's the McCarran Bill. This is ridiculous, bringing up the same bill every new session of the Congress, in an effort to do the same thing these ASCAP people were prevented from doing the session before. This is even making the members of the Committee On The Judiciary look foolish. As a patriotic citizen I don't like to see the legislators I helped to elect made to look foolish." . . . Music ops should write to the Hon. Alexander H. Wiley, Senator from the State of Wisconsin and Chairman of the Judiciary Committee, The Senate, Washington, D. C. . . . Furthermore, and as every music op knows, regardless of statement in ASCAP sponsored McCarran Bill that owner of one juke box will not have to pay—owners of one juke box do pay and will continue to pay (whether McCarran Bill ever becomes Federal Law or not) for the privilege of playing ASCAP copyrighted music. Fact remains that every time an owner of one juke box buys a record featuring an ASCAP tune he is paying royalty to the ASCAP publisher who copyrighted the tune because the royalty is already included in the price he pays for the recording.

Art Weinand returned from his sojourn in New York with a very much upset stomach but was right back on the job. That "Exhibit News Bulletin" Art got out while in Noo Yawk at the Toy Fair was a honey. Frank Mencuri, now that Art's back, again planning a long trip. . . . Paul Bennett phones to advise that he is still working on a P. R. program which should prove very interesting to all. . . . Mrs. Sally Slugger writes in from Simpkinsville asking that all women in the coinbiz tell their story thru "The Woman's Viewpoint." . . . Howard Ellis sends in copy of mailing that went out to Nebraska's Music Guild in regards to getting every music op in that state to get behind the McCarran Bill battle. . . . Eddie Ginsberg of Atlas, Bob Dunlap District Mgr for Seeburg, and Bob Gnarro of ABC, all out to get one of Chi's top spots for the 200 selection Seeburg home phono. Trio should succeed.

Front page story in Chicago Tribune about the substitute minister, Rev. James Rockwell Hanson, who wended his way up to a small parish in Minnesota and, to prove to his three children that they would get but nothing from a slot in a spot where they stopped to get the kids cokes, hit the jackpot. . . . Al Stern back from a nice long Miami vacation. . . . Len Micon busier than ever with orders for new Rock-Ola's. . . . David C. Rockola sent letter to all music ops asking for opinions of new Rock-Ola "Fireball" phono. . . . Ed Levin of ChiCoin so busy these days just doesn't see any possibility of hitting the road in the near future. . . . Carl Angott of Detroit phones to advise new Wurlitzer 1650 clicked big at his showings. . . . And according to Ben Coven his firm took some of the best orders for this new 1650 they've ever taken on any phono. Very busy week at Coven's. . . . Roy Monroe and Geo. George of Monroe Coin Mach. Exch., Cleveland, have helped set up arcades in Mansfield, Geneva-On-The Lake and Akron, Ohio, but claim that the one they're working on now (55th and Woodland in Cleveland) will be the biggest of 'em all. The boys have become arcade experts.

Shaffer Music of Columbus sends in some photos everyone at Seeburg much pleased with. C. T. McKelvy calls us to see these. Pics of Nat (King) Cole listening to his disk "Pretend" on the new 200 selection Seeburg home phono. . . . All Jack Nelson could say this past week was, "Whew. I've never seen anything like this before in all my years in the industry." Referring to the way orders flooding in on top of orders for Bally "Beach Club." . . . Everyone happy to hear Lex Vincent the Bally barber back this week from the California desert. . . . Bob Bleekman, arthritis remedy king, pops in to say "hello." . . . Many waiting to say "hello" to Bert Davidson, Wurlitzer's new midwest rep. . . . C. A. "Shorty" Culp in town from Tulsa. . . . And Jimmy Boyle passes thru on his way to Oklahoma City after a long sojourn in Miami's sunshine. . . . Don Moloney (Donan Distribs) constantly adding to his organization. Now has seven people working. But working. Trying to fill those orders for Bally products.

Chicago music ops' bowling team: Lenny Christiansen (437 series); Bob Gnarro (493); Les Taylor (457); Carl Latino (581) and Johnny Oomens (455) competed in the big ABC Bowling Tournament Tues. eve (team total 2423) and lost out by just that much. Now boys claims they'll be back in '55 at ABC's meet in Ft. Wayne. Feel sure they'll come thru with a prize. . . . Frank Tutomasi continued his super bowling streak and came in with a 519 series, while Dom Radosta added a 509 so Decca took 2 from ABC #1 last Monday eve. . . . Star Music with Millie Nyland scoring a 454 series K.O.'d Tony Galgano's outfit for 2 games. Millie is series high for the women. . . . Lenny Christiansen with 476 and Bob Gnarro with 421 easily took three from Atlas for ABC #2 team. . . . First time in weeks and weeks the Gillette team went down to a double defeat before Columbia's bowling with Bob Clark scoring a 450. . . . Coral still in the winning column took 2 from B & B with Carl Latino scoring 502 and M. Pieroni scoring 501 (Whowie). . . . The Johnny Oomens came thru with a 525 high for the men the Oomens team lost 2 to Melody Music. Vic Jaccino had a 518 for Melody. Isabel Oomens must have been washing too many dishes. She had her lowest low yet, 371. . . . Why not drop over 9 P. M. this Monday even and watch the Phono Bowling League in action at the Fullerton Bowl?

Hear that Ray Moloney is becoming quite a golfer 'way out there in Palm Springs. . . . Genco's "Golden Nugget" gal pinned up on plenty of walls 'round about the country and the game itself getting plenty of orders. . . . Earl Kiess away to Florida for a rest. . . . Art Garvey in Cleveland visiting Joe Abraham at Lake City. . . . Sam Lewis enjoying ribs at the Singapore. . . . Working for two days to get his "army" together Nate Gottlieb at last hustled his two girls and 1 boy into the 1 P. M. plane Wed. (3/25) and flew them down to the King Cole in Miami. . . . Paul Huebsch of Keeney out of town most of this past week. . . . Dan Moloney down to Florida on business. . . . Jim McNulty of Rock-Ola advises that Frank Schultz conducting work shops in Elizabeth, N.J., Philly and Balteemoah this past week. . . . Cutest letter in many a moon from Wm. (Bill) FitzGerald of AMI. It was a honey. And made the day so much pleasanter.

"Telephonitis Bill" is what they call Bill O'Donnell over at Bally. . . . Hear that friend Pete Blum of Wichita wants out from 7th place. . . . Fred Morris at H. C. Evans getting ready to pop with "Spin Table" any day now. First pinball by Evans in over 10 years. . . . Capt. Tom Callaghan still down in Puerto Rico. . . . Letter from L. B. (Mac) McCreary of Solotone Corp., L. A., asking for price lists. . . . Phil Weinberg pops into town and right back again to Dallas. But what an oil smell around this guy. . . . Folks read *with their fingers*

Next time you have a chance, watch how people read.

You'll note how many use a finger to keep their eyes in line with the printed message.

The AMI juke box takes advantage of this reading habit, puts the selector button right where eye and finger meet.

Fumbling and forgetting never delay the play on an AMI juke box, where every title strip is alongside its own single button.

THIS WEEK'S USED MACHINE QUOTATIONS

14th Year of Publication
704th Consecutive Week's Issue

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]
FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.
METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.
