Manufacturers & Distributors Must

HELP STEREO DEVELOP

A short time back the record industry, with one of the greatest ballyhoos ever, dramatically unveiled STEREO records. Almost every album issued in monaural was also released in stereo. The stereo album business grew to a very integral part of the total sales figures.

The juke box industry, always one of the most progressive facets associated with the record business, invested millions in the development of superior stereo equipment and at the present time most of the new machines purchased by the operator are stereo juke boxes. Currently it is estimated that there are about 35,000 to 40,000 stereo phonographs out on location.

However, in spite of the great investment each operator must make in purchasing the new stereo equipment, he is facing great difficulties in programming his gleaming new boxes with stereo records. He is frustrated by the lack of interest on the part of the manufacturer and the distributor.

True—the manufacturer and distributor have legitimate excuses in that the volume does not warrant, in many cases, the pressing of stereo singles.

However, it seems the manufacturer and the distributor have lost sight of two very important points. One—SERVICE. Two—DEVELOPMENT. The distributor has an obligation to service the accounts in his area even though at present he may not be making a net profit on his efforts. The attitude of the distributor is "why stock stereo

singles when it is just a bother and the juke box operator will have to buy the monaural version when it becomes a hit. He must have it in his boxes." With this type of thinking he is certainly not building the good will of the operator and he is holding back the development of a stereo singles market.

Along these same lines, the manufacturer owes the little extra effort and investment it takes to put out a limited (tho perhaps profitless at this point) amount of stereo singles to service the operator and help hasten the development of the stereo singles market.

Not to be overlooked is the very strong argument that the juke box today offers the only stereo single showcase to the American public. The initial interest in stereo equipment may arise from that first hearing in the local lunchroom or tavern.

Eventually there will be half a million stereo juke boxes in the nation. Then, unquestionably all manufacturers will be in the stereo singles market and all distributors will be handling them. But—must the juke box operator suffer and struggle until this point is reached? Do not the manufacturer and distributor owe the record industry the effort this step calls for?

We believe it is short sighted to let the development of the stereo singles market drift along when some help from the manufacturer and distributor can hasten the day to a larger and more profitable market for themselves.

PAT BOONE (Dot 15982)

● "Twixt Twelve And Twenty", Boone's most recent money-maker, should find a pair of chart follow-ups in "Fools Hall Of Fame" and "Brightest Shining Star." Songster laments his romantic loss on the slow, beat-ballad "Fools" side and wishes for the gal's return on the up beat "Star" portion. Billy Vaughn's crew superbly assists on both ends.

"EVERY LITTLE THING I DO" (2:00)
[Stratton BMI—Anthony, Lebowsky]

"A LOVER'S PRAYER" (2:17) [Schwartz ASCAP—Maresca]

DION & THE BELMONT'S (Laurie 3035)

● Laurie's very hot vocal team should add two more clicks to their already long list of successes. The artists lead off with "Every Little Thing I Do," a very pretty romancer carved out in quick beat style. Stellar, string-filled instrumental assist. "A Lover's Prayer" is a waltz charmer that can also hit paydirt. Wonderful coupler.

"YOUNG IN YEARS" (2:20) [Arch ASCAP—Schroeder, Gold]

"THE TWENTY SECOND DAY" (1:22)
[Vivo BMI—Somerville, Goodman]

THE DIAMONDS (Mercury 71505)

● The Diamonds appear to have a powerhouse in their oh-so-smooth handling of the tender and beautiful "Young In Years" romancer. Side has it. Watch it zoom. The exciting, spiritual-flavored "Twenty Second Day" rocker completes a sensational pairing.

"DANNY BOY" (2:41) [Boosey & Hawks ASCAP—Weatherly]

"HALFWAY TO HEAVEN" (2:16)

[C. N. Daniels, Moonpark ASCAP—Schroeder, Kalmanok]

CONWAY TWITTY (MGM 12826)

● Twitty, currently sharing chart honors with Carl Mann on "Mona Lisa," could take "Danny Boy" all by himself into hitsville. Oldie, which recently made the chart rounds via the Sil Austin instrumental version, starts slowly and then proceeds to rock along at a "Mona Lisa" clip. Colorful vocal and musical backing rounds out a real winner. "Halfway To Heaven" is a heartfelt, rock-a-ballad love affair that Conway and the vocal crew deliver with loads of feeling. Could also make it big.

"DON'T YOU KNOW" (2:28) [Alexis ASCAP—Worth]

"SOLDIER, WON'T YOU MARRY ME?" (2:31)
[Planetary ASCAP—Peretti, Creatore, Rodgers]

DELLA REESE (RCA Victor 7591)

● The beautiful, melodic "Musetta's Waltz" from the opera "La Boheme" is the basis for Della Reese's first Victor record. Tagged "Don't You Know," the classic is now a lovely, string-filled opus which the lady essays with warmth and expressiveness. Big DJ play could send it soaring up the lists. "Soldier," an old folk item, is brought up to date and belted engagingly on the under portion.

"YOU'RE A BIG GIRL NOW" (1:57) [January BMI—Baker, Noble]

"DON'T ASK ME WHY" (2:08) [Danbury BMI—Bonura, Giambalvo]

THE BELL NOTES (Time 1015)

● Combo's newest Time offering is a delighter rocked out with infectious glee. On "You're A Big Girl Now" the artists claim the chick's old enough to go out sans chaperon. Attention-getting tempo switch adds sales punch. "Don't Ask Me Why" is an inviting, soft cha-cha beat love affair done up "It Was I" style.

BAT CARROLL

(Ace 570)

B+ "AW WHO" (2:15) [Pontchartrain BMI — Rebennack, David, Matassa] Good jumper from songster Carroll and vocal-combo companions. Has a sound that can show-up in both pop—R&B categories.

B "BABY BABY" (2:20) [Pontchartrain BMI—Lynn, Matassa] The skip sound here also makes a bid for good pop—R&B acceptance.

FOUR ROMANS

(Wynne 116)

B "IF I HAD A LOVE LIKE YOU" (2:10) [Stanfran BMI — Como] Boys have a pleasantly sounding up-beat sound on the bouncy romancer. Affable entry.

C+ "DRAG RACE" (2:00) [Stanfran & SMS BMI—Cooper, Lanenback] The dangerous car game is explained in this fast-moving session. Sounds of a car whizzing by are heard.

STARS

(Vega 001)

B "WHEN YOU LOVE" (2:44) [J. L. BMI — Lawrence] Invitingly legit, jazz-styled ballad performance by the male songsters, who receive the lush treatment from the ork. Can make headway with the deejays.

B "LET'S CUDDLE AGAIN" (2:28) [J. L. BMI — Lawrence] Boys brighten up to a cute romantic novelty.

NORMA LEE

(Film 707)

B+ "YOU BELONG TO ME" (2:17) [Ridgeway BMI—King, Stewart, Price] The Hollywood—"Town Hall Party" regular could have something with her splendid ballad-with-a-beat revival of the while-back Jo Stafford smash.

B "PAPER BOY" (2:15) [Gold-Rodge BMI—Palm] Also of chart note is this catchy rocker that the thrush belts out on this end. Lark has the goods.

TOMMY WILLIAMS

(Vica 101)

B "MY DREAM AND MY PRAYER" (2:27) [Virgo BMI—Gabriel] Tender teen affectionate is convincingly rendered by the songster. Sensitive side that might make a stir with exposure.

C+ "LATE LATE LAST NIGHT" (1:58) [Virgo BMI—Gabriel] OK drive stint about love found "late late last night." Good dance-floor piece.

RONNIE SELF

(Decca 30958)

B+ "THIS MUST BE THE PLACE" (1:55) [Champion BMI — Self, Albritton] Self moves between growling chants and high pitched cuteness, selling this big beat, medium paced blues outing. Hot combo supplies the background sizzle. Deck could move.

B+ "BIG TOWN" (2:10) [Champion BMI—Self] Artist further demonstrates his blues ability with another similar stint. Both ends pack a wallop.

OWEN CHARLES

(Guyden 2025)

B+ "STAGE COACH" (2:20) [Jamie, Lu-Tal BMI—Charles, Longley] A western type session, complete with banjo and male chorus backing, is impressively chanted by Charles. Deck transmits an infectious feeling and should attract sizeable spins. Could happen.

B+ "NEVER BEFORE BEEN IN LOVE" (2:26) [Jamie, Lu-Tal BMI—Markham] Here Charles displays his warm side, with a tender caressing of a pretty romantic ballad. Can also make noise.

SHERRY CRANE

(Sun 328)

B+ "WINNIE THE PARAKEET" (2:22) [Zest BMI—Smith, Smith] Cute novelty etching about a talkative parakeet. Eleven year old Sherry Crane is a delight to hear, and she handles the tune with a pro attitude. Will attract attention.

B "WILLIE WILLIE" (1:58) [Zest BMI—Smith, Smith] Sweet juvenile romancer, in waltz time, is read cutely by the young songstress.

GEORGE CATES

(Signature 12005)

B+ "GIVE ME ALL YOUR LOVE" (2:08) [Rojan ASCAP—Delugg, Stein] The classical "Humoresque" shows up here as an interesting romantic etched light-heartedly by Cates' ork and chorus, on the maestro's signature bow. "Swanee River" is, amusingly, the tune's bridge.

B+ "SO TIRED" (2:18) [Glenmore ASCAP — Morgan, Stuart] Attractive femme chorus, backed by Cates' strings, recites the quiet mood lyrics. Effective interplay of male and female voices during latter portion.

NIGHT OWLS

(Climax 103)

B+ "SLICED PINEAPPLE" (1:35) [Village BMI — Krest] A fine rock stint, with an Hawaiian-flavored tune serving as the vehicle for the sax-led combo chore. Very commercial and apt to make a big stir.

B "STOMPIN'" (2:05) [Village BMI—Alto, Krest] Sax really sizzles on this stomper. Support is strong.

The Cash Box Pick of the Week

"I WONDER" (2:26) [Leeds ASCAP—Gant, Leveen]
"SMACK DAB IN THE MIDDLE" (2:01) [Roosevelt BMI—Calhoun]

BILLY WILLIAMS (Coral 62140)

● Williams' inviting stylings, which bubbled over with spirit on his "Sit Right Down And Write Myself A Letter" hit, are equally effective toned down for the warm, rock-a-ballad romancer, "I Wonder." However, he's back in the enthusiastic groove on the joyous romp, associated with Joe Williams, "Smack Dab In The Middle." Top notch, Dick Jacobs-led vocal and instrumental backing on both halves.

"IT DOESN'T MATTER"
(1:58)

[Gil BMI—Hanks, Raysor]

DOROTHY COLLINS (Top Rank 2013)

● Two of the canary's most commercial efforts to date are contained in this take-your-pick pairing. Rock-a-ballad up-dating of the old beauty, "Everything I Have Is Yours," is appealingly flavored with the Flamingo's "I Only Have Eyes For You"—type gimmicks. The newie, "It Doesn't Matter" (also cut by 20th-Fox' Jason Grant) is read with a terrific r&r bounce. Bill Sanford's crew helps make these two solid chart-contenders.

"EVERYTHING I HAVE IS
YOURS" (2:26) [Robbins ASCAP
—Adamson, Lane]

"SKY HIGH" (2:05)
[Jat BMI—Burgess]

"DOUBLE EAGLE ROCK" (2:19)
[Jat BMI—Burgess, Morris]

THE CHAMPS (Challenge 59053)

● The boys' return to the big hit ranks can be accomplished by their enticing, mambo-rock "Tequila"-like adaptation of "Celito Linda." This one, dubbed Sky "Sky High," is a good bet to the kids shelling out the loot as they hoof around the juke. Other portion is a frenzied, hand-clapping, shout-filled (a la Duane Eddy) re-visit of an oldie, "Double Eagle Rock." Sock double-decker. Both ends can make it.

"WHO'S NEXT IN LINE" (1:57) [Marson BMI—James]
"RED MUD" (2:08) [Marson BMI—Hollingsworth]

SONNY JAMES (Capitol 4268)

● The former country artist who hit it big with "Young Love" a while back could have his biggest chart item since that date in "Who's Next In Line," a different approach for the artist in that he's heard for the first time with strings. Tune's got the quality ballad sound and Sonny does it sincere justice. "Red Mud" on the flip is a fine return to the folk-country area.

"APOLLO" (1:53) [Spartan ASCAP—Freed, Silbert]
"WHY DO I CRY FOR JOEY?" (2:12)
[Spartan ASCAP—Freed, Saxon, Sherwood]

CONNIE STEVENS (Warner Bros. 5092)

● Thrush, who assisted Edd Brynes on "Kookie, Kookie (Lend Me Your Comb)," can turn a chart trick of her own on "Apollo." Fine opus is, naturally, about one gal's Apollo and presentation is bright, with a sparkling percussion-handclap arrangement supporting the thrush. Can score big. "Why Do I Cry For Joey?" is wistfully and sweetly performed. Side can do things with exposure.

"DECK OF CARDS" (3:50) [American BMI—Tyler]
"NOW YOU KNOW HOW IT FEELS" (2:23)
[Dub BMI—Sherman, Keller]

MARK MARTINDALE (Dot 15968)

● The touching pop re-tell of the country oldie, "Deck Of Cards," is already getting action. Story of a soldier who—lacking a Bible—uses playing cards as symbols of Biblical figures and events is narrated by deejay Martindale (aided by soft combo-chorus setting. Coupler is a blue ballad session.

COZY COLE

(King 5242)

B "D' NATURAL ROCK" (2:45)
[Dornix BMI—Millinder, Glover] Hard-beat blues instrumental containing work—but no solos—by the "Topsy" drummer. Sound is well worth a hop try.

B "STRANGE" (2:33) [Jay & Cee BMI—Bradshaw, Glover] Similar session by the crew.

RHONDA FLEMING

(MGM 12825)

B "NEARER TO HEAVEN" (2:27)
[Miller ASCAP — Fain, Sawtell, Shefter, Webster] Attractive waltzer from the "Big Circus" flick is nicely handled by the actress. Pretty side that should get strong air-play.

C+ "THE BIG CIRCUS" (2:05)
[Miller ASCAP—Fain, Webster] Happy circus time item.

ED DAVIS & CONNIE STEVENS

(Faro 596)

B "BETWEEN THE DEVIL AND THE DEEP BLUE SEA" (2:25)
[Mills ASCAP — Koehler, Arlen] Bright swinger on the mainstay. Davis' vocal receives jazz-tinged band support and remarks by Miss Stevens. Happy side for the jocks.

B "LOVE ME AS THOUGH THERE WERE NO TOMORROW" (2:55) [Robbins ASCAP—Adamson, Tasteful ballad solo by songster on the lovely (and neglected) ballad. Ork turns-in a fine job.

EMPALA SIX

(Blue Moon 417)

B "TRAVELIN'" (2:18) [Cliff BMI — Carroll, Stayon] Guitars bounce along at a good-sounding teen pace. Of more than routine interest to the kids.

B "DOUBLE TIME" (2:08) [Cliff BMI — Carroll, Stayon] Guitars pound hard on this date and teenagers will agin enjoy the crew at work.

JERRY COULSTON

(Christy 112)

B "CAVE MAN HOP" (2:18)
[Rambolt BMI—Coulston, Coulston, Bryant] Deck displays good teen vitality. Coulston sings and delivers cave-man grunts, while Jades songster and Pacers Band offer lively support. Indeed, a good "hop" piece.

C+ "BON-BON-BABY" (2:39) [Rambolt BMI — Jaros, McArthur, Marine] An upbeat blueser that gets sound value from work on "bon-bon" tag. Coulston has dialogue bit.

BOBBY DENTON

(Judd 1013)

B "LOVER'S PLEA" [Longhorn BMI—Schuler, Broussard] Good wistful is given a slight upbeat essay by vocalist Denton and combo-chorus. With exposure, side could be active.

C+ "I'LL ALWAYS BE YOURS" [Bobby Denton BMI — Denton] This romancer has a country feel.

FOUR MINTS

(NRC 037)

B "PINA COLADA" (2:28) [Jimbo Wonder BMI — Grier, Greene] Cha-cha dancing in Hawaii is the theme of this catchy essay by the songsters. Makes for pleasant upbeat listening.

C+ "TOMORROW NIGHT" (2:27)
[Bourne ASCAP—Coslow, Grosz] Lead wonders if there'll still be a romance the next night. Side has good R&B direction.

PETE RUGOLO

(Mercury 71499)

B "RICHARD DIAMOND'S BLUES" (2:47) [Jimmy McHugh ASCAP—Rugolo] Jazz theme from TV's private eye series is deftly handled by Rugolo's (score's cleffer) ork. Has "Peter Gunn" appeal.

B "TEEN-AGE ROCK" (2:07)
[Jimmy McHugh ASCAP—Rugolo] Sparkling band-styled approach to the big beat.

KING SISTERS

(Capitol 4262)

B "LOVIN' UP A STORM" (2:12)
[Planetary ASCAP—Frisch, Tobias] Gals react nicely to rock chance. Jack Marshall ork supplies a good teen beat for the team's rhythmic ways.

B "WHAT WOULD I DO WITHOUT YOU" (1:51) [Robbins ASCAP — Frobes, Hoffman] Pleasing ballad pose by the femmes, with the ork on the soft-beat. They will perform the number in the upcoming flick, "Jet Over The Atlantic."

CAPPY BIANCO

(ABC-Paramount 10,044)

B "THE CAT" (2:11) [Tinker ASCAP — Haley, Keefer, Cafra] Story of a rockin' cat is told with an OK hard beat. Novelty part includes an interjection in French by a chap

C+ "LA DONNA RICCIA" (2:22)
[Robbins ASCAP — Modugno] The Domenico Modugno clefted item has a strong calypso feel. Side has interest.

"FIRST IMPRESSION"
(2:11)
[Cynthia BMI—Vinton]

"YOU'LL NEVER FORGET"
(2:12)
[Roncom ASCAP—Vinton]

BOBBY VINTON (Alpine 50)

● Both Bobby Vinton and the new Epic affiliate bid fair to make strong "First Impressions" with this release. "First" side is an extremely pretty lilter (no association with the recent Broadway click) that Bobby slickly dual-tracks in front of a fine choral-ork background. "You'll Never Forget" is a sentimental, multi-voiced rocker that sparkles on the other half. Both Vinton originals could turn the chart trick.

"TEENAGER'S BLUES" (2:40) [Aldon BMI—Thompson]
"PLAYIN' THE FIELD" (2:00)
[Miracle, Calter ASCAP—Lewis, Weisman]
DICK CARUSO (MGM 12827)

● "Teenager's Blues" could turn out to be quite a happy money-making affair for young Dick Caruso. Tune, a haunting, slow steady beat rock-ballad is treated to an emotion-packed performance by the artist. Fine, Ray Ellis-led ork and choral backdrop rounds out what looks like a solid chart threat. Flipside, Dick colorfully romps over a catchy, dance-inducin' rocker tabbed "Playin' The Field".

The Cash Box Best Bets

ROYAL TEENS
(Capitol 4261)

B+ "BELIEVE ME" (2:27)
[Swarthmore, Marble ASCAP—Austin, Gaudio, Villa] Artists, who made a big chart splash, a short while back, rockin' with "Short Shorts" on ABC-Paramount, could bust thru ballad-wise with this Capitol bow. It's an infectious, romantic weeper-with-a-beat that bears close watching.

B "LITTLE CRICKET" (2:25)
[Swarthmore, Marble ASCAP—Mariani, Austin, Gaudio, Villa] Gimmicks galore on the rockin' novelty undercut.

NINA SIMONE
(Colpix 124)

B+ "CHILDREN GO WHERE I SEND YOU" (2:45) [Sam Fox ASCAP—Simone] Thrush, whose vocal talents have caused quite a stir in pop-jazz circles, could have a smash singles follow-up to her Bethlehem hit, "Porgy", via this Colpix slice. Sensational Bob Mersey arrangement of the spiritual culled from her click LP, "The Amazing Nina Simone".

B+ "WILLOW WEEP FOR ME" (3:10) [Bourne ASCAP—Roneli] Nina's tender and moody on the lovely sturdy.

BETTY BRYE

(Canadian-American 106)

B+ "SLEEPWALK" (2:20) [Trinity, Climax BMI—Farina, Farina, Farina, Wolf] The Santo & Johnny instrumental smash is taken for a top flight vocal ride by newcomer Betty Brye. Chirp projects the tearful lyrics with a haunting sincerity. Could be another big one for the young label.

B "DADDY DADDY (I GOTTA GET A PHONE IN MY ROOM)" (2:04) [Edgar BMI—Davie, Brye, Davie] Flip's a rockin' cutie that deals with a teenager's problems. Dandy coupler.

MICKEY & KITTY

(Atlantic 2036)

B+ "ST. LOUIS BLUES" (2:03)
[Handy ASCAP—Handy] The W. C. Handy classic gets a rock re-fitting here and could again put in chart appearance. On it, Mickey & Kitty engage in some cute back-and-fourth vocal play as the band backs with a hard-driving dance beat. Could make big two-market chart news.

B+ "FIRST LOVE" (2:31) [Progressive BMI—Lee, Baker, Noble] Charming change-of-pace is offered on this easy-on-the-ears romancer set to a soft cha cha beat. Could also take off.

BRAD AND JERRY

(Shad 5009)

B+ "I'VE GOT IT BAD FOR YOU" (2:20) [Danbury BMI—Ingles] Romancer with a soft, shuffle-rock and a sound that sticks. Newcomers, Brad and Jerry, stand a strong chance of cashing in big here.

B "THE PEOPLE HATER" (2:21) [Danbury BMI—Ingles] Zany, Coaster-like novelty rocker with some whacky Jim Bacus-sounding vocal breaks. A real weirdie.

JOHNNY RIVERS

(Cub 9047)

B+ "EVERYDAY" (2:18) [Candle-Glo BMI—Matthews, Jr.] Songster makes his presence felt with an expressive reading of a romantic rock-swing. Countryish side; has Everly Bros.-like guitar work. Could smash thru.

B "DARLING TALK TO ME" (2:12) [Acuff-Rose BMI—Everly] Rivers softly whispers the heart rending words to this slow, quiet, mood ballad.

RENATO CAROSONE

(Columbia 41458)

B+ "RUSTICANELLA" (1:57)
[Beltramo B.I.E.M.—Cortopassi] The famed Italian artist, who clicked with "Torero" on Capitol, moves over to Columbia with this release. It's a happy-go-lucky, quick moving whistle-added instrumental that Carosone's sextet bounces over with joy.

B+ "'O MAFIUSO" (2:03) [Edizioni Musicali Edir B.I.E.M.—Carosone, Misa] Artist is up to his light-hearted vocal tricks, "Torero" style on this side. Both sparklers are contained in his "Carosone Caravan" package.

BOBBY SMITH

(Buzz 105)

B+ "BIRTH OF THE BLUES" (2:20)
[T. B. Harms ASCAP—Henderson, DeSylva, Brown] Combo moans out the standard while a conversation with a guy and gal (a la David Seville's "Judy") is now-and-then heard. Smith is on sax. Could make a stir.

B "COFFEE BREAK" (2:25)
[Play-Mor Smith] Good beat on this all-instrumental. Would make a fine hop programming choice.

DARBY SISTERS

(Cub 9041)

B+ "GO BACK, GO BACK TO YOUR PONTIAC" (2:20) [Greenleaf BMI—L&J Darby] Gals hand-in a good-sounding Latin-rock performance. DeRoy Holmes rock stint is particularly effective. Theme concerns fella's neglect of his gal because of his interest in old cars. Should be eyed.

C+ "MISUNDERSTOOD" (2:27)
[Budd ASCAP—Kaye, Carr] Team in a warm ballad turn.

NORRIE PARAMOR

(Capitol 4266)

B+ "WALTZING MATILDA" (2:37)
[Beechwood BMI—Paramor] A sparkling march piece on the folk favorite, which will be a main-theme in the new flick, "On The Beach." Could be another "River Kwai".

B "BARCELONA" (1:43) [Beechwood BMI—Black] English maestro directs a speeding Spanish arrangement. Colorful stand.

JOHNNY GRECO & DAVIES

(Sonic 813)

B "HOGWALK" (2:10) [Spectra BMI—Divello] Side has a good-sounding beat bounce to it. Swinging teen instrumental. Might pop up.

B "HIGH SCHOOL DANCE" (2:10)
[Spectra BMI—Fagiano] Songster Greco gets his chance here and comes-across effectively on the lovey-dovey.

JACK & JIM

(Brunswick 55141)

B+ "MIDNIGHT MONSTERS HOP"
[Dundee BMI—Huddle, Robinson] A novelty that has an exciting vocal-instrumental teen sound to recommend it. One of the better examples of a horror theme wedded to a rock beat. Eye it.

B "TARZAN AND JANE" [Nor Va Jak BMI—Huddle, Robinson] Good jungle-drum beat backs on this humorous take-off on the famed characters. Could also make sales news.

RUTH WOOD

(King 5239)

B "YOU FOOLED ME FROM THE START" (2:12) [Lois BMI—Sheppard] Stylist appears in a good middle-beat ballad session, sometimes sounding like Sarah Vaughan. Can make the grade with the deejays.

C+ "ORDINARILY" (2:10) [Lois BMI—Sheppard] Strings are unusually employed in another ballad try by the lass. Gal's got talent.

JOHNNY MADDOX

(Dot 15972)

B "SUNRISE SERENADE" (2:30)
[Jewel ASCAP—Lawrence, Carle] Popular honky-tonkist Maddox offers a flavorful rendition—nicely assisted by saxes—of the old Glenn Miller vehicle. From the "Johnny Maddox Plays" LP, side should succeed with the jocks.

B "(Here Am I) BROKENHEARTED" (2:03) [DeSylva, Brown & Henderson ASCAP—DeSylva, Brown, Henderson] Brisk honky-tonk version of the ancient. Side's included in artist's "Johnny Maddox Plays The Million Sellers" album.

RAMSEY LEWIS TRIO (Jazz)

(Argo 5344)

B+ "C. C. RIDER" (2:25) [Iraci BMI—Arr. Lewis, Holt, Young] The old Chuck Willis blues hit becomes a swinging jazz instrumental here. Lewis, on piano, provides some very interesting improvisational work. For jazz deejays and certain juke locations.

B "CONSIDER THE SOURCE" (2:38) [Iraci BMI—Arr. Lewis, Holt, Young] This side finds Lewis in a soulful, introspective mood, with an intriguing blues essay. Top notch jazz sessions from the Lewis LP.

IKE QUEBEC (Jazz)

(Blue Note 1748)

B "BLUE MONDAY" [Marvin ASCAP—Sharp, Fisher, Singleton] Tenor saxist does a fine caress job on the minor key opus. Artist's four man setting plays it cool, Edwin Swanston showing-up nicely on organ.

B "DEAR JOHN" [Groove BMI—Quebec] Side is a light swinger, and boys do a cozy job.

DON ABRAM
(Decca 30961)

B+ "THE QUEEN AND THE JOKER" (2:21) [Tree BMI—Abram] Don Abram deals out a mighty attractive hand on this slightly up-beat romancer. Pleasant all-around performance could capture a top chart position. Watch it.

B+ "YOUR MAMA'S GONNA MISS YOU" (2:14) [Tree BMI—Abram, Helms] Soft and appealing folk-flavored item can also be in there battling for chart honors. Abram has a winning way with a tune. Keep close tabs on him.

JOHNNY THUNDER
(Epic 9329)

B+ "HORROR SHOW (American Version)" (2:18) [Saratoga BMI—Anisfield, Sachs] Here's a horror-rock entry that's loaded with fine teen sounds. Thunder delivers ala the late Big Bopper and is backed excitingly by the Chuck Sagle ork-chorus. Eye closely.

B "EVER YOUR MAN" (1:53) [Fans BMI—Anisfield, Sachs] Good light blues swinger. Has a smart teen sound.

THE ISLANDERS
(Mayflower 16)

B+ "THE ENCHANTED SEA" (1:57) [Volkwein ASCAP—Metis, Starr] The group creates an attractive, exotic sound for this instrumental ballad. Whistling, bells, the sound of the sea and steel guitar are present. Beautiful mood session with a commercial viewpoint.

B+ "POLLYANNA" (1:52) [Volkwein ASCAP—Metis, Starr] Here piano and chorus are highlighted on a medium paced, easy going tune. Two delightful programming pieces produced by Frank Metis and Randy Starr.

THE GUM DROPS
(Coral 62138)

B+ "IT HAPPENS EVERY DAY" (2:36) [Wanessa BMI—Allen, Saltzberg, Merrell] Quality ballad is given a slick pro treatment by the boys. Ingredients of excellent lead vocal, Dick Jacobs' ork, and top material add up to a deck loaded with class. Can go the 'sleeper' route.

B+ "THE WAKE ME" (2:02) [Artist BMI—Lake, Doran] Snappy rhythm offering is served up appealingly here. Side's in the Coaster's "Yakety Yak" vein.

THE CONGO KID
(Bull Dog 104)

B+ "SLAP HAPPY" (2:05) [Star Kaye BMI—Collier, Regan, Please] Potent mambo beat instrumental, ala "Tequila," features some fancy percussion work and appropriate grunt. Swinging dance session. Side with it.

B "TRINIDAD SWING" (1:50) [Star Kaye BMI—Perez, Collier] Another similar excursion but at an even faster pace.

MARTY WILSON AND
THE STRAT-O-LITES
(Tel 1008)

B+ "HOT FOOT" (2:23) [Lark BMI—Brock, Mure] Driving, Latin beat instrumental, is carved out by the group and leader. Deck features spotlighted drum and sax stints. Groovy opus with lots of juve dance appeal.

B "STROLL ME" (2:22) [Arch ASCAP—Simons] More hot instrumental attractions, 'tho here the boys indulge in more earlier sounds, growling out a slow, steady moving, blueser.

TEDDY RAMBEAU
(Tops 305)

B+ "THE BOARDER" (2:42) [Sherman-De Vorzon BMI—Kohen] Deck is a solid singles debut for album diskery and songster Rambeau. Driving account is about a guy who comes to his gal's house and finds her with another guy (she says he's the "boarder."). Could move.

B "THAT'S ALL I ASK" (2:21) [Sherman-De Vorzon BMI—Mumford] Artist delivers the emotional ballad with conviction. Backing is rock-a-string.

ROCK-A-TEENS
(Doran 3515)

B+ "WHOO-HOO" (2:05) [McGraw ASCAP—Rock-A-Teens] Side blends some "Guitar Boogie Shuffle" and "Topsy" elements but also shows some strong-sounding individuality, particularly from a voice who chants the number's title. Instrumental to watch.

B+ "UNTRUE" (3:00) [McGraw ASCAP—Myzell] Potent vocal-combo issue. Dirge-like sound effectively back the lead. Can also make important noise.

SY MANN
(Pincus Platters 103)

B+ "THE RUNAWAY PIANO" (2:10) [Gil BMI—Fisher, Mann] This clever little instrumental ditty has a speeded-up piano in front of a normal-speed, rhythmic blues backdrop. Catchy melody rounds out what could be a real noise-maker.

B "KITTY SWIMS THE CHANNEL" (2:23) [Gil BMI—Fisher] Humor jocks'll have a field day with novelty item. On it, a quite-British voice pleads with the bubble-voiced Kitty (who's swimming) to return. Easy-swinging organ backing.

LARRY LAWRENCE
(Balboa 008)

B+ "GOOFIN' OFF" (2:38) [True Blue ASCAP—Fotine] The west coast label could make the 'national scene' with both of these instrumental portions. This end's a sort of "Saints Go Marchin' In"—"How Dry I Am" combination that builds in a rafter-shakin' Duane Eddy manner.

B+ "BONGO BOOGIE" (2:27) [True Blue ASCAP—Fotine] This "Bongo Rock" style stand moves along at an exciting clip. Two great jobs by Lawrence and the Band of Gold.

ELLIOT BROS. ORCH.

(Vista 345)

B+ "WHAT IS THIS THING CALLED LOVE?" (2:09) [Harms ASCAP—Porter] Exciting version of the standard which has both elements of rock 'n roll and "Peter Gunn"-like scoring. Blend can mean a chart ride.

B "BOO BAM BOOGIE" [Suchan ASCAP—Barker] Guitars move at a good-sounding middle-beat pace.

BOB THOMPSON ORCH.
& CHORUS

(RCA Victor 7587)

B+ "CARISSIMA!" (2:25) [Cyrus ASCAP—Thompson] Fine and commercial color from the Thompson assemblage. Melody has an Italian-flavored base and is given a delightfully rhythmic reading (chorus just chants). Might get places.

B+ "ANGELTOWN" (2:25) [Livingston & Evans ASCAP—Evans, Livingston] An engagingly bright display, with the chorus singing the happy lyrics and the Thompson ork supplying an "oom-pah-pah" backing. Charming stuff.

BETTY ANN SHOR

(Justice 682)

B+ "IT'S BETTY ANN SHOR" (1:56) [Climax-Monument BMI—Halmay] Cute novelty that sort of serves as an intro for the Helen Kane-like voiced lark. Gal tells guy she likes him and announces her name: Betty Ann Shor. Side has a bright beat and could move.

B "BIKINI" (2:20) [Climax-Monument BMI—Halmay, Freidenberg] Another happy-sounding rock product. Two teen-wise tracks. Madison Records is label's distrib.

JAY CARMEN

(Mink 100)

B "A GIRL" (2:08) [Lyneve BMI—Shattuck, Bruno] A catchy what-is-a-girl tune is nicely related by songster Carmen. Has a light-hearted beat appeal.

C+ "LIGHTNING BUG" (2:05) [Rebb ASCAP—Bruno] Good beat sparkle from Carmen and combo-chorus. Lively side.

SIDEWINDERS

(Imperial 5572)

B+ "SIDEWINDER" (2:09) [Tollie Alan-Edwards BMI—Emerson, Taylor] Kids will get kick out of the off-beat sounds that come from the combo. Swift-paced guitars get good sound help from a timbal-sounding instrument. Can move out.

B "GULLEY WASHER" (1:51) [Tollie Alan-Edwards BMI—Harville] Another good instrumental, with fine percussion effects and vocal bits greatly aiding the guitars this time.

LINDSEY TRIPLETS

(Top Rank 2010)

B+ "FALLIN' IN LOVE" (1:52) [Sounds ASCAP—Reardon, Evans] Femmes provide a good upbeat novelty sound here. Lew Douglas ork-chorus work keeps things bright.

B "JIMINY JUM JUM" (1:51) [Shapiro Bernstein ASCAP—Carter, Nagy] Team and support remain in happy beat spirits.

DONNIE BROOKS

(Era 3004)

B "LIL SWEETHEART" (2:08) [Bamboo BMI—Tate, Hodges] Affectionate and melodic teen romantic is given a "busy" rhythm touch by songster Brooks and combo. Of note is the work between Brooks and male chorus.

C+ "IF YOU'RE LOOKIN'" [Faire BMI—Tate, Hodges] OK up-tempo session. Side rocks nicely.

LARRY DOWD

(Spinning 6004)

B+ "FORBIDDEN LOVE" (2:14) [Asbury BMI—Maye] Dowd is strong on the good teen plaintive and the triplet work on support pounds away effectively. Might just make a chart stand.

B+ "WHY, OH WHY" (1:57) [Asbury BMI—Fiscel, Dowd, Mitchell] Solid teen material is again strikingly displayed. Another potent ballad issue.

MAC REBENACK

(Rex 1008)

B "STORM WARNING" [Pontchartrain BMI—Rebennack] Intriguing "storm warning" opens instrumental and then the combo drives. Good teen attraction.

C+ "FOOLISH LITTLE GIRL" [Pontchartrain BMI—Rebennack] A pleasant-sounding rock-a-cha-cha. Ace Records handles label.

LARRY & DIXIE DAVIS

(Kangaroo 15)

B "SHARK BAIT" (2:20) [Les Kangas & Durf BMI—L&D Davis] Songsters work in front of a contagious combo beat. Twosome work together effectively on the novelty blueser. Side grows on you.

B "WALKIN'" (1:40) [Les Kangas & Durf BMI—Kangas, Davis] Nice middle-beat skipping sound on this end.

ALL ABOUT DISK JOCKEYS

20th-Century Fox will produce a motion picture depicting the role of disk jockeys in the entertainment industry. Tagged "The Big Platter Parade," the film will relate to the forming of the Disk Jockey Assoc. and will feature top recording stars and deejays representing all parts of the U.S. and several foreign countries. **Jim Hawthorne** (KDAY-Hollywood), president of the D.J.A., is associate producer. . . . **Bobby Greenberg** (WEAW-Evanston, Ill.), blind teenage deejay who reads his script in braille, celebrates his 1st anniversary on the air Sept. 12. He has already been signed for another year by the station. . . . **Ken Cornell** (WTLB-Utica, N.Y.) called to tell us about a unique departure from usual teen record hops. The station sponsored a concert and dance with the **Tommy Dorsey** ork featuring **Warren Covington** 8/28 at Clinton Arena. Station's aim was twofold, to introduce teeners to "good" music and to interest adult audience. . . . **Tom De Cillis** ("T.D.") left WJNR-Newark, N.J., and while looking for a staff position in the N.Y.-N.J. area, is concentrating on his personal management activities. He's now touring the deejay circuit in Connecticut with the **Dynamics**, Arc recording artists. Tom would like all mail addressed to 1100 Lowden Avenue, Union, N.J. . . . **Roy Fox** (WIKY-Evansville, Ind.) finishing one year at the station. Roy writes, "Looks like the great

Capitol Kaleidoscope Release—Part 2

HOLLYWOOD—The second half of Capitol Records' Fall album release, keyed to the theme "Capitol Kaleidoscope—a brilliant array of Stars and Sounds," comprises fifteen new packages.

Nat "King" Cole's first album of spirituals, "Every Time I Feel The Spirit," with Gordon Jenkins conducting, heads the list. "Aphrodisia," Jackie Gleason's third album to contain only original compositions, features Wild Bill Davis at the organ. Others in the release are "Wild Guitars" by Les Baxter; "Solo Spotlight," an album of Victor Young compositions by Glen Gray and the Casa Loma Band; "The Bobby Hackett Quartet," light swing by the trumpeter; "Swingin' Serenades," Kenyon Hopkins' second Cap album; "Potluck" by the John La Salle Quartet; "Time To Swing" by Dakota Staton; "Happy Feet," the sounds of the great bands recreated by Van Alexander; "Charge!" martial music conducted by Felix Slatkin, the classical artist's first pop album; "Stan Freberg With Original Cast," a collection of the satirist's most famous works; "Your Guy Lombardo Medley, Vol. 2," two medleys of 40 standards; "When I'm Thinking of You" by Tommy Sands with Nelson Riddle conducting; "Songs for Rounders" by Hank Thompson and "Talk About Hits," in which Faron Young sings some of the great country hits of the past.

Capitol's \$1.98 stereo preview album, "What's New," will feature racks from most of the new releases.

All of the albums, except the Stan Freberg set, are available in both stereo and monaural. Special 45 rpm excerpt disks for disk jockeys are being prepared for the Glen Gray, Bobby Hackett, Kenyon Hopkins, John La Salle, Van Alexander, Guy Lombardo, Tommy Sands, Hank Thompson and Faron Young albums. Extensive promotion and advertising will support the entire release.

Five new albums—from Greece, Hawaii, England and two from Italy—are being added to the Capitol of the World series this month.

Norrie Paramor leads off with a stereo-only album titled "Autumn," a dozen tunes dealing with Autumn in New York and London. "Songs From The Greek Islands" features songs from eight different Greek islands, and will be promoted in all Greek language

media. "Hawaii In Stereo" by the Hawaiian Hula Boys features the most popular Island melodies. "Italian Love Songs" by Katyna Ranieri, "Italy Dances" by Gigi Stok and his orchestra and "Music of the German Alps," a stereo version of a previously released monaural album, complete the Capitol of the World release.

A major feature of "Capitol Kaleidoscope" for Fall is the first quantity discount program ever applied to Capitol merchandise.

The program—most powerful dealer-incentive in the label's 17-year history—was inaugurated on July 20 and runs through Sept. 26. It applies to all Capitol catalog albums and EP's (with the same discount rates applying to mono and stereo); but does not apply to product released on July 20 or to the new September releases described above.

Discount structure is as follows:

Initial qualifying orders of between \$200 and \$299 earn a cash discount of 6 per cent; orders between \$400 and \$799, 9 per cent; \$800 and \$1199, 12 per cent; \$1200 and over, 15 per cent. Deferred billing is extended to qualified dealers, with one-third payable Oct. 10, one-third Nov. 10, and the balance Dec. 10.

All purchases are subject to Capitol's regular 10 per cent exchange program. The discounts apply to over 600 top catalog items, including such current chartmakers as: "The Kingston Trio at Large," "From the Hungry i," and "The Kingston Trio"; the original-cast "Music Man"; Sinatra's "Come Dance with Me," "Look to Your Heart" and "Only the Lonely"; the motion picture soundtracks "Oklahoma" and "The King and I"; and "Tennessee" Ernie Ford's long-time best-seller "Hymns."

A "Guaranteed" Hit

NEW YORK—Joe Carlton, president of Carlton Records, disclosed that the diskery has sold over 125,000 copies of "(Seven Little Girls) Sittin' In The Back Seat" by Paul Evans since its release last week.

The record is the first release on the Guaranteed label, the new Carlton subsidiary.

Rivers Joins Cub

NEW YORK—Johnny Rivers (who spells his name in lower case letters, i.e. johnny rivers) is shown signing a recording contract for Cub Records. Looking on is Leroy Holmes, Cub recording director, and Audrey Williams, widow of the late Hank Williams, who manages Rivers and brought him to the attention of Cub.

Rock Hudson's Decca Debut

NEW YORK—Decca Records has just concluded negotiations with film star Rock Hudson to make his vocal-record debut in connection with the release of UI-Arwin's picture, "Pillow Talk," in which Hudson co-stars with Doris Day.

Hudson has just recorded two sides from the movie, "Pillow Talk" and "Roly Poly," which are being rush released by Decca this week.

An all-out promotional campaign has been planned in conjunction with release of the record. Records will be shipped to deejays, press and dealers in a special sleeve, which will also include an autographed picture of the actor.

Plans are being formulated at present for Hudson to make an extensive west coast deejay tour, and a concentrated eastern deejay tour when he comes to New York for a TV spectacular in a few weeks.

Audio Fidelity Cited Under Sherman Anti-Trust Act

NEW YORK—Audio Fidelity Records, manufacturers of high fidelity and stereo recordings and tapes, has been accused by the United States Department of Justice of violation of Section I of the Sherman Anti-trust Act. The civil complaint charges this company has engaged in unreasonable restraint of interstate commerce.

The effect of the alleged violation, the Attorney General declared, has been price fixing at arbitrary non-competitive levels.

In a statement issued to the press, Sid Frey, President of Audio Fidelity, stated, "They say that I have fixed prices? Well, that should come as a big surprise to the consumers and to the newspapers advertising records at cut rate prices."

"We are the first record company to be singled out under the Sherman Act. Just let me say now that the entire record industry has a huge stake in this absurd case for this

reason: If I am a 'Trust', surely the axe will soon fall on other record companies whose volume and distribution are far greater and more complicated than Audio Fidelity's. After all, every record company sells to the same retailers and follows the same competitive trade practices.

"The Government's charges read like Alice in Wonderland and we unequivocally deny them. We will vigorously defend the case at any cost. We are completely confident that when these charges are fully aired in court, they will be dismissed. We can take no other course than to fight this case to the utmost of our ability. Our distributors and dealers want us to continue to market top quality products, and we cannot believe that any Judge will prevent us from maintaining the high quality of our records. The Government's demands would do precisely that. We state again: We have never violated any law. We are certain we will be vindicated in this suit."

Frey went on to say, "I think we are being persecuted for being the first company to introduce ethics in this business. Because we have acted as the conscience of the record industry and have been more creative, more original and harder working than the next guy and have tried to educate the trade not to establish Audio Fidelity as a loss leader or use our label as sucker bait in discount operations, we have enabled the dealer to maintain his mark-up and to reap a greater profit from a business based on quality products and consumer demand. Dealers have willingly subscribed to Audio Fidelity's sales policy."

Audio Fidelity regularly sells and ships its products from New York to approximately 37 distributors throughout the United States, and in England, Brazil, Canada, Cuba, Mexico, Puerto Rico, Panama and the Far East.

Audio Fidelity has been in business since 1953. The annual wholesale value of Audio Fidelity products moving in interstate and foreign commerce is in excess of \$3,500,000.

The Government's complaint charged that Audio Fidelity had conspired with its distributors to allocate exclusive sales territories to fix resale prices at the wholesale and retail levels and to prevent distributors from advertising or selling products at prices other than those established.

Pioneers of the stereo LP record, B & C manufactured the first commercial stereo record. The company specializes in both monaural and stereo 12 inch.

Jaye Sisters Join UA

NEW YORK — The Jaye Sisters have been signed to an exclusive recording contract by United Artists Records, it was announced last week by David V. Picker, executive vice president of the company. The trio, whose first names are Jean, June and Jan, have toured throughout the country and appeared on television with Fred Waring. Prior to being discovered by Waring, the sisters won an Arthur Godfrey Talent Scout competition.

They have appeared at the Copacabana in New York and the Sands in Las Vegas among other nightclubs. Their first UA record will be released shortly.

Hot Summer For Am-Par

LOS ANGELES—Am-Par Records, ABC-Paramount and Chancellor labels, reported that July was the biggest sales month in its four year growth. The diskery expects that August will be an even bigger record-breaking month with a prediction that sales will top a million and a half units.

Cap Releases 7 Classics

HOLLYWOOD—"Rhapsody Under The Stars," a collection of familiar classics played by pianist Leonard Pennario and the Hollywood Bowl Symphony under the direction of Miklos Rozsa, heads up Capitol Records' release of seven new classical albums for the month.

Haydn's monumental "The Seasons," an extensive three disk set with complete notes and translations of Haydn's original German text, is another important Capitol release. It is performed by Sir Thomas Beecham conducting the Beecham Choral Society and the Royal Philharmonic. Remaining albums in the release include Handel's "Water Music Suite" and his "Surprise" symphony performed by William Steinberg and the Pittsburgh Symphony; Tchaikovsky's "Swan Lake" with Yehudi Menuhin and Efram Kurtz conducting the Philharmonia; "Introduction and Allegro," harpist Marcel Grandjany's fifth Capitol recording; Bartok's "Concerto for Orchestra" and "Two Portraits" by the Royal Philharmonic conducted by Rafael Kubelik; and completing the release, is Rudolf Firkusny's performance of two Beethoven sonatas, the "Waldstein" and the "Sonata No. 30."

Homer & Jethro Hitting With New Victor Disk

NEW YORK — The RCA Victor satire recording team of Homer & Jethro are hitting with their hoedown take-off, a single titled "The Battle of Kookamonga." Parodied, of course, is "The Battle of New Orleans."

According to Steve Sholes, manager, popular A&R, the new single is still another category making it on the current pop scene. RCA Victor is anticipating quick chart action on the recording based upon an avalanche of reorders, Sholes said.

Homer & Jethro were a country-wide laugh riot a while ago with their parody recordings of "Baby, It's Cold Outside" and "How Much Is That Poundog In The Winder." Both recordings were huge best-sellers.

The team was the first to sing pop songs in the country-music dialects. Both men got their start as youngsters singing over WNOX in Knoxville, Tennessee. "Kookamonga" is 91 in this week Cash Box Top 100.

Maxin On Coast For "Ben Hur" Confabs

NEW YORK—Arnold Maxin, president of MGM Records, flew to the west coast last week to meet with top MGM Pictures brass, Jesse Kaye, MGM Records' west coast rep, and Miklos Rozsa, composer of the music for "Ben Hur," to finalize plans for the release of the "Ben Hur" sound track albums.

MGM plans to issue a two-disk, deluxe package album of the film's soundtrack. In addition the diskery will release a single disk of sound track highlights and on the Lion label, a single disk of music from "Ben Hur." All three albums will be available in stereo and monaural.

MGM hopes to have the LP's out before the opening of the film in November at the Loew's State Theatre in New York.

Maxin said that the record company will work closely with the film company in promoting both the albums and the film. Record distributors will be notified in advance of all film showings throughout the country. Special campaigns are currently being prepared.

Roulette Sets Contest Tie-In With Roach Film

HOLLYWOOD — Roulette Records has tied-in with Vitalite Film Company and Hal Roach Distributing Corp., to jointly sponsor a song-writing contest in conjunction with their new motion picture "Tamango" starring Dorothy Dandridge and Curt Jurgens. The film which was shot off the coast of France, deals with the touchy problem of inter-racial romance and will open shortly in Pittsburgh.

The song-writing contest will offer amateur song-writers the opportunity of writing a song entitled "Tamango" (instrumental or with lyrics). The winning tunesmith will receive as his prize the publishing of the song and a Roulette Recording.

All of the film's advertising, publicity and theatre display will call attention to the contest. Joe Reisman, Roulette's A & R Chief, will act as one of the judges and other judges in the music and show business world will be invited to aid Joe Reisman in selecting the winning song. As yet an official opening and closing date for the contest has not been set. The tie-in was set last week by Morris Levy, President of Roulette and Sam Guttworth, Publicist, representing the Vitalite Film Company.

Music Arts Combine Bows

MIAMI, FLA.—Miami disk jockey Bob Ancell (WGBS) and songwriter Al Jacobs last week announced the formation of Music Arts, Inc., a music publishing, master-producing and artist management combine, located at 535 N.E. 13 Street, this city. Already established are X.Y.Z. Music (ASCAP) and Ro-An Music (BMI). Ancell will produce and a&r all masters, Jacobs will head the music publishing operation and Frank Nari, Cleveland promotion man, will head artist management. Al Greene has been named eastern rep.

Ancell reported that he has launched a campaign for new artists and has signed Wally Futch, an r&b performer; Bill La Riche and vibraphonist Bud Wattles, who has a Roulette album, "Themes From The Hip."

Music Arts first master, "The Bandit" by Paul Chablis' orchestra and chorus, is being released nationally by Felsted Records.

Victor Sets New Tape Cartridge Prices

NEW YORK—In a move designed to bring the revolutionary new Tape Cartridge within reach of all consumers, RCA Victor is establishing a new simplified price schedule effective immediately for all cartridges, it was announced by Jack Burgess, Manager, Commercial Sales and Merchandising Department.

The new manufacturer's nationally advertised prices will run from \$4.95 to \$6.95, making the cartridge directly competitive with the stereo disk. This new price schedule replaces the old one, which offered tape cartridges at the manufacturer's nationally advertised prices of \$4.95 to \$9.95.

The new \$4.95 tape cartridges will offer the consumer the equivalent of one side of either a Pop or Red Seal Long Play. The \$5.95 tape cartridges, in the new price schedule, will contain the equivalent of a two-sided Pop Long Play, while the \$6.95 tape cartridges will offer as much music as is normally contained on both sides of a Red Seal Long Play.

In addition, all tape cartridges are now being manufactured with mylar tape, offering the consumer a "stronger, longer-lasting and better quality product."

"The combination of ease of handling, great performances by great artists, the use of mylar, and our new low prices make the tape cartridge one of the greatest consumer values in the industry today," Burgess concluded.

Triple Threat

LOS ANGELES—Wink Martindale is shown hosting his new KHJ-TV "Dance Party." In addition to his weekly TV chore, Martindale is heard on KHJ radio every morning and has recorded "Deck of Cards" for Dot Records.

HOLLYWOOD—Following the success of its "High Hopes"/"All My Tomorrows" single record by Frank Sinatra, Capitol last week announced it was rushing release of a new extended play disk bearing the same title as the topside of the single.

Both tunes, from the SinCap production-United Artists release, "A Hole in the Head," starring Sinatra, were written by Sammy Cahn-Jimmy Van Heusen.

Flipside of the 45 EP vinyl includes two more tracks: "French Foreign Legion" and "Mr. Success."

The Nelson Riddle orchestra backs "The Voice" on all four songs.

Int'l Distributing Co-Operative Formed

Co-Op Ties Major World Markets Into One Unit To Give Indie Diskeries World-Wide Distribution

"The music of America has taken another giant step toward becoming the music of the world. The Rank Organization has announced the formation of a world-wide distributing network for the purpose of giving maximum exposure and exploitation to the independent American record," said a high placed representative of the new organization last week.

"In each major record market of the world outside of the United States, important companies have banded together under the banner of Rank Records International in a common effort to acquire foreign distribution rights in American masters and to afford the independent American label the same type of overseas power that up to now only the majors have enjoyed.

This Co-operative is the result of many months of quiet but intensive organization work by Malcolm McGrady of Top Rank in conjunction with the law firm of Marshall & Ziffer of New York. Paul G. Marshall and Felix C. Ziffer will act as coordinators of distribution for all members of the Co-operative.

Among the foreign companies who have joined in the formation of this distribution network are Ariola (Bertelsmann) of Germany, Artego of France, Continental of the Federation

of the West Indies, Cosdel of Japan, Delahay of the Benelux area, Durium of Italy, Karusell for Scandinavia, Kerridge of New Zealand, Quality of Canada, Rank of the United Kingdom, and Trutone of South Africa.

Representatives of these and other member companies are meeting in London this week for the first annual conference leading to further expansion of member joint efforts, and for closer cooperation among the countries. The Top Rank label has been adopted by the members as the uniform label for the Co-operative. All the American manufacturers distributing through the Co-operative shall receive prominent label credit.

The London conference is being attended by several leading American independent record manufacturers, such as: Ewart Abner of Abner, Vee-Jay; Harry Belock of Everest; Ned Herzstam of Allied Record Distributing, Johnny Vincent of Ace Records and others.

The Co-operative plan works as follows: The American indie label will contract to distribute either specific hit records or overall catalogues through the Co-operative. Standard royalties for each record so distributed will be paid semi-annually. Each indie is then requested to remain in

contact with every distributor-member of the Co-operative to insure maximum exploitation of product. Unlike other foreign distribution outlets, the Co-operative requests American companies to treat each member just as they would an American distributor and expects the same push, cooperation and information which the American independent affords to its local distributors in promoting its product. According to the Co-operative members it is only by close liaison with a group of swinging distributors that an American independent can secure the substantial dollar revenue which the overseas market can offer.

The Co-operative has announced that it will not take any hit record for distribution which it does not intend to release and promote to the utmost in the licensed territory. Each Co-operative member remains an independent company in its own market and cooperates only to insure maximum coordinated distribution and sales of American product. This affords American companies the opportunity to join the Co-operative for world-wide distribution or for distribution in those territories where distribution is sought.

It was further announced that all royalty statements will be audited by

the international accounting firm of Peat, Marwick Mitchell & Co.

The American indie distributing through the Co-operative will have a chance to expose its product in the many diverse markets of the world. Distributor members of the Co-operative expect to gain substantial advantage by pooling their resources, enabling them to (a) engage in saturation publicity and promotion throughout the world; (b) give each release the widest possible distributional exposure; and (c) exploit not only the record itself, but also the performing artist. The policy of the Co-operative offices, as stated to Cash Box, is to build international reputations for American artists. Each American company will be urged to help the distributor members to create the artists' reputation overseas through the media of personal appearances, publicity releases and taped interviews for use on overseas radio and television stations. Many of the Co-op members control important outlets for the personal appearances of artists in their territories, and tours and package shows of American artists are planned as part of the Co-op's activity in the future.

Major Record Sales Areas Of The World Outside Of The U. S. A.

After the U.S., the major record sales area is the United Kingdom, followed by the area of Germany. France, although it sells few singles, being chiefly an EP area, is next in importance. Scandinavia, also an EP area, is next, followed by the Benelux countries (Belgium, The Netherlands and Luxembourg). This is a good singles area, especially so in Belgium. Italy, next in importance, is largely an EP area, though not so much so as France and Scandinavia.

Canada is a very good singles market, paralleling very closely in taste, though not in volume, the U.S. market. Australasia (Australia and New Zealand) also seems to follow the American pattern of taste.

Japan is next in importance, followed by South America, which is not a large market for American Rock 'n' Roll, but tends more to popular, Latin-American music, and the classics.

South Africa, on the other hand, is an excellent market for American Rock 'n' Roll, even though in the overall picture it ranks as a comparatively small market. The British West Indies is likewise a small market, but most responsive to music with a heavy beat.

It should be borne in mind that these areas are listed in order of total sales, and that in many cases a manufacturer of records within a

given category (e.g. Rock 'n' Roll) may find his greatest market in areas that are comparatively small segments of the total record market.

Durium—Italy

Durium is one of the oldest and one of the best known of Italian record companies. Until recently, they did not compete in the market for American product. Their roster of artists is among the most successful in Italy, including artists of such stature as the Marino Marini Quartet, known throughout the Continent and the United Kingdom, and Gaston Parigi and his Orchestra, surely as versatile and talented a combo as can be found in Europe.

Within the last year Durium's operation has been geared to include the exploitation of American product, and aside from the material which they are exploiting under the Rank International banner, Durium distributes Imperial and others.

The company is run by an eminently able and charming husband-and-wife team, Krikor and Elizabeth Mintangian. The ability of Mr. and Mrs. Mintangian as record-industry entrepreneurs speaks in the success enjoyed by the Durium operation.

Rank Records, Ltd.—Great Britain

New Rank Enterprise Makes Strong Strides In First Six Months

To have established themselves among the Big Five record companies in the United Kingdom in only six months is the proud achievement of Rank Records, Ltd. Entry into the fiercely competitive British record industry required both courage and initiative. Rank has demonstrated that the company's personnel possess both in good measure.

Initially, much thought was given, upon Rank's formation, to selling direct to the public through unorthodox channels, such as record clubs and the five hundred Rank theatres. However, with the acquisition of a major record wholesaling company, Rank found itself in position to sell conventionally and on even terms with the established giants. Today, Rank records are being distributed through all twenty wholesalers throughout Britain.

Having secured the means of reaching the United Kingdom's vast buying public, Rank next turned its attention to an intensive campaign of securing first class material, both songs and artists. Almost immediately

the Top Rank label crashed into the "Top Twenty"—and since then Rank's releases have been no strangers to the best-seller lists. And in America, Top Rank's Knightsbridge Strings have gained chart honors with their arrangement of "Cry."

A vital part of the promotion network employed by Top Rank is the chain of five hundred Rank Group cinemas—largest chain in Britain. Also invaluable are the Rank Organization ballrooms and dance studios, as well as heavy use of radio and other media.

Malcolm McGrady, 41-year-old General Manager, who heads up the Rank team, is a Scot who brings to the record industry not only the traditional Scots shrewdness, but also a fresh mind. Having served in Army Intelligence during the war, he later spent ten years as Export Manager of Imperial Chemical Industries, whom he left to join the Rank Organization. In due course, he was given the formidable task of launching Rank Records, and has since been working

with the American coordinators to establish the International. Married, with one son, McGrady lives in Kent.

Dick Rowe, Top Rank's Artist Manager began his business career in the London Stock Exchange, but after the war realized a long-standing ambition by joining the record industry. In 12 years with English Decca, he began by promoting the Capitol label and then turned to A & R and won considerable reputation in the field. He joined the Rank Organization in January this year, and among his notable achievements for the Top Rank label so far is the founding of the popular Knightsbridge Strings.

Frank C. Chalmers, 42-year-old Londoner, is in charge of administration for Top Rank recording department, of the independent U.S. masters. An advertising executive, he worked for a time in South Africa, then entered the record industry as a business manager in English Decca's recording department. He was in charge of the RCA label in England when he left Decca after six years to join Top Rank in March this year. Married, with two sons, he lives in south-east London.

Bob Roberts, Marketing Manager, Pat Skinner, Advertising Manager, Allan Tulloch, Exploitation Manager and Ron Bell, Repertoire Planning Manager make up the balance of Top Rank's top-echelon team.

Karusell - Sweden

Under the tutelage of Simon Brehm and his able partner, Carl Niren, Karusell is one of the most active and the largest independent record companies in Scandinavia. Simon Brehm, a musician and vocalist of great popularity, is in his own right one of the outstanding celebrities of Scandinavia.

Karusell is well established, both as a distributor of American product through its representation of ABC-Paramount, 20th-Fox, Verve, Keen and other labels, through its roster of popular Scandinavian artists, and the product secured as a member of the Rank International.

Visiting American record men can always be assured of a friendly welcome from Simon and Carl, well known for their hospitality. Their drive and energy will leave all but the strongest limp.

Continental - Jamaica

Continental is at this writing less than one year old—yet they are one of the largest wholesale distributors in Jamaica. They supply retailers throughout the island. Jamaica is a market which leans very heavily toward the American pattern, the strongest sellers being those disks featuring a heavy beat.

Philipp Seaga, Director of Continental, is a graduate of Harvard ('52), and has had a healthy background in the record business.

Australian Action

Big Show promoter, Lee Gordon, stood the trade on its ear this week with the announcement that he had signed a deal to bring the all-conquering Elvis Presley here after his release from the armed forces in March of next year. Plan is for Elvis to do a five or six days concert tour of Australia for a fee reported as \$300,000. This is by far the largest fee ever paid for an artist for such a short trip to Australia, in fact it could easily be a world record payment. Lee Gordon finalized the deal with Presley's right-hand man, Lionel Tom Parker. The thing worrying most of us at the moment—and I re-say Lee Gordon—is where are they going to accommodate the thousands of people who will want to see Presley in Action?

John Laws, leading disk jockey from station 2KO Newcastle, was in Sydney this week recording some songs for Festival records. John recorded two of his own compositions and feels that at least one of these could go into the local hit parades. This will of course be helped by the fact that John has a total of 46 half-hour DJ radio programs each week broadcast throughout the nation.

JOHNNIE RAY

Neville Wragg, from the program division of radio 3KZ, secured an imported Hunt label pressing of "Shufflin' Along" by The Virtues and asked top 3KZ disk-jockey Stan Rofe to "give it the treatment". The result was that W & G Records, who handle the Hunt label in this area, were hit with such strong dealer and public demand for the disk that they have made a rush release of the number.

Henry Adler, popular ambassador from the publishing house of J. Albert & Son in Sydney, is on a whirlwind interstate tour to renew friendship with many contacts throughout the trade. His firm holds a full hand of current tunes at the moment.

Tony Charlton, one of our leading radio and TV personalities, who went to the United States at the completion of the shooting of the Stanley Kramer "On The Beach", has returned to Australia and rejoined the staff of John Clemenger Advertising Agency. Tony made an extensive study of radio and TV techniques in America.

Sydney's first "Wakethon" was conducted recently by Radio 2UW in conjunction with a new record and radio store in the heart of the city. 2UW's

"midnight to dawn" announcer Sun Lo stayed awake in the window of Edel's new store for 55 hours, during which time he was never out of the window longer than it takes to play the track of a record. He played and back announced each record. Spot broadcasts were made throughout the Wakethon and 2UW claim a world record because of the special conditions.

It is expected that top radio compere Jack Davey will shortly go to America for further treatment following his recent cancer operation in Sydney.

For the fourth time Johnny Ray will visit this country for a concert tour organized by the Lee Gordon office. Ray will do one-nighters commencing 4th September in Brisbane, then in Sydney, Melbourne, Hobart and Adelaide. At the time of writing other acts in the show have not been announced, with the exception of The Crescents, a new Sydney group. It has been made quite clear that there will not be any rock 'n roll acts on the bill.

American singer Al Morgan opened his Melbourne season last night (20th August) on the highly-rated Graham Kennedy teleshow "In Melbourne Tonight". Morgan is also heading the entertainment line up at Melbourne's classy Chevron Hotel, and he intends to cut some disks while in Australia.

Television license authorities have announced that there are now more than 600,000 sets in use throughout this country. Better than nine-tenths of them are in New South Wales and Victoria.

Still the burning question throughout the record trade here is "What is happening with the Warner Bros. label in Australia"? The whole set-up is shrouded in mystery.

Stereo disks are starting to pace it with the monophonic lines in the retail sales. Now that interest in stereo is rapidly increasing at consumer level, playback unit manufacturers are stepping up their output and most of them are at present conducting solid advertising campaigns. E.M.I. have recently pulled their stereo disk prices into line with their monophonic products. Philips are about to do the same and all other companies market both mediums at the same price.

Two W & G recording stars, Heather Horwood and Frankie Davidson will begin a new television series "Monday Date", commencing 5th October. Show will emanate from ABV-Channel 2 in Melbourne, it is likely to be tele-recorded for later showing from Sydney's ABN-Channel 2.

Melbourne DJ Ralph Rickman of Radio 3AW, makes his "Jazz Showcase" program a special "live" edition for Saturday night 5th September. Show will come direct from new jazz nightspot "The Embers" in South Yarra. Playing in the Frank Thornton Quintet are Wilmus Reeves (piano) and Carl Brown (Bass) recently on the jazz scene in San Francisco. Also starring is American song-stylist, Barbara Virgil.

as fourteen quarter hour radio programs per week, Monday through Sunday to exploit the labels they distribute.

Trutone is no newcomer in its dealings with American Product, representing such companies as Roulette, Dot, Chancellor, etc.

All operations are conducted from Trutone House, Ophirton, which houses the Mill Room, the Press Room, the Galvanic Department, Record Warehouse, Counting House and Sales Organization. Branch offices are located in Cape Town, Durban, Johannesburg, Bulawayo, and Salisbury; resident representatives are also to be found in Port Elizabeth, East London, Bloemfontein, Windhoek and Lourenco Marques.

The special problem faced by Trutone of selling in an area which contains a large number of indigenous languages and dialects is really no problem at all: a modern studio takes care of recordings in as many as twenty-three different languages.

Arthur D. Harris is one of the real pioneers in the record industry in Africa. He established Trutone (Africa), Ltd., the parent of the Trutone Group of Companies, in 1946, and still personally supervises the operation of the companies, including supervising all A & R in English, Afrikaans and Bantu.

Harris was born in Johannesburg, and was educated at St. John's College. He was married in 1929, and has three daughters.

Trutone is actually not one, but a group of record companies. Started in 1946 by Arthur D. Harris, Trutone has several "firsts" in Africa to its credit. It was the same year, 1946, which saw the production of the first gramophone record ever pressed in Africa. The metal parts, the presses and the biscuit were all locally produced. Trutone also has the distinction of being the first to use ringless molds, as well as being the first to produce nickel stampers.

The Trutone Group consists of the manufacturing company, Record Industries, Ltd., and two distributing organizations, Pan African Records, Ltd. and New National Records (Pty) Ltd.

Chamber Syndicate, and the Honorary President of the International Federation of the Phonographic Industry.

Today, under the dynamic guidance of Bernard L. Taylor, Arteco has launched "a bold and sweeping program for the future." The sales department has been completely reorganized to better meet the demands of the new French market; the entire organization has been thoroughly modernized by Taylor, whose abilities are known throughout the industry. Finally, as a member of the Rank International, Arteco has developed and is implementing systematic promotion of American artists in France. Bernard Taylor began his business career as a chartered accountant. In 1945 he was a partner in Barton, Mayhew, which audited various branches of Electric and Musical Industries, Ltd. (EMI). During that year, EMI asked Taylor to take over their South American operation, and in that year he assumed charge. At the time of Taylor's assumption of EMI's operation, their South American output was 60,000 units per month. Taylor advises that within five years, by 1950, that output had increased more than 5000%.

Taylor then contracted with Columbia Records to establish them in South America. They had had no operation there prior to his assuming his duties. By 1956, Columbia had a successful pressing plant in Argentina and was one of the two or three largest record companies in Argentina and Brazil.

Taylor, for both Columbia and EMI supervised their entire operation, from the factories to the studios to the distribution and financing, and included in his duties the import and distribution of radios, phonograph records, etc.

In 1957-58, Taylor returned to France and in early 1959 assumed control of Odeon Disques, one of the leading and oldest of French record firms.

Artistic Department

Serge F. Beucler, aged 31, has studied law, but has been active in the recording and music field since his teens.

First, he was assistant, then producer in the radio field.

He knows the recording business thoroughly, having started as salesman, then representative, sales manager and finally Artistic Director (A & R).

Presently he acts as personal assistant to the executive President, Bernard L. Taylor, and is responsible for the Artistic Production (A & R).

Foreign Repertoire

Kurt Mohr was born in 1921 in Geneva, Switzerland. Having studied Chemistry, he was active for eight years in that field. He soon became known as a critic, writer and regular contributor to several international jazz magazines. In 1954, he moved to Paris to work full-time in the recording business, first with "Vogue Records" (catalogues and foreign relations), then with "Latin Music" (sales dept.) He recently joined "Arteco" to take care of the foreign repertoire.

Cosdel - Japan

Established after the war by Kenneth Cole, a Navy flier from Virginia, Cosdel Record Division is a branch of a very successful and powerful enterprise throughout the Far East which, in addition to records, represents Wurlitzer, Borg-Warner and major motion picture companies for their film endeavors in the Far East. In a space of approximately ten years, Cosdel has attained a place as one of the top record companies in the Orient, representing companies such as Atlantic, Big Top, Dot, Imperial, Roulette, Seeco, Sun and Vox. With its membership in the Rank International Cooperative, Cosdel bids fair to become even stronger.

Kenneth Cole is known to many American record men by virtue of his trips back "home," although he is a great publicist for his new home in Japan and he is very active in all spheres of public life there. Cole is ably assisted in the record venture by John Nelson, also a young American, who heads up the record division of Cosdel.

Ariola—Germany

REINHARD MOHN

of their operation, it became necessary to construct their own factory to insure sufficient pressing capacity to meet the demands of continuing expansion. This was done, and Bertelsmann now boasts a pressing plant second to none in Europe.

Much intensive work has been done in enlisting and promoting artists on the Ariola label—television and film companies regularly enlist the services of Ariola artists, and a number of musical films using Ariola artists are in production.

The Ariola catalog numbers many records which have been awarded prizes in various categories. The catalogue comprises many titles under the labels "Ariola" (dance and light music), "Classique" (classical music), "Manhattan" (jazz) and "athena" (records containing fairy tales and literature).

The export address (Ariola Schallplatten, GmbH, Export Department, Gutersloh, Germany), is always willingly available for information.

Horst Fuchs, Ariola's production manager, was born in 1929 and received his education in Germany. He joined Rias in Berlin in 1947 and after a year and a half was recording manager of its music department. In 1954 he was Cologne production manager and leading expert for Pop-Foreign repertory of EMI. In January, 1957 he was producer for Schallplattenring (Record-Ring), and in

July, 1958, he became production manager on the Ariola staff.

Reinhard Mohn, present owner of the Bertelsmann firms had a tremendous success with the formation of the Bertelsmann Book Club. His enterprises include publishing, "litera-

ture on records" and the great catalogue of Ariola; Lutz Wellnitz, Commercial and Sales Manager, and Fritz Wixforth, Sales Promotion deserve mention in connection with the rapid rise of this company and its stature in the field today.

A year is quite a short time, even in so dynamic a business as the record industry. Yet the history of Ariola Schallplatten, GmbH dramatically demonstrates how much can be accomplished in that time.

Ariola—which is the youngest of the subsidiary companies of Bertelsmann, was founded July 1st, 1958. At that time, conditions were favorable for intensive and large-scale activities. Largely, this was due to the very highly successful promotion carried out by the Bertelsmann Schallplattenring (Bertelsman Record Club), the largest operation of its kind in Europe. With the burgeoning success

POPULAR PICKS OF THE WEEK

"MR. PERSONALITY" — Lloyd Price—ABC Paramount ABC 297 & Stereo ABCS 297

Currently one of the hottest hit makers, Lloyd Price is heard on a dozen tunes—past hits, standards, new self-penned items. His exuberant, contagious manner pervades such oldies as "All of Me," "I Only Have Eyes For You," "Time After Time" plus his big hit, "Personality," and his current "I'm Gonna Get Married". Great sales future.

"MY HEART SINGS"—Paul Anka—ABC Paramount ABC 296 & Stereo ABCS 296

Anka's second AM-Par album is a combination of teen and adult attraction. On the teen side it contains his recent hit, the title tune, and a couple of other rock and roll songs. Remainder of session contains quality French songs such as "Under Paris Skies," "Pigalle," "C'Est Si Bon," and "Melodie D'Amour." Big sales future ahead.

"DANCE WITH DICK CLARK" Vol. 2—The Keymen—ABC Paramount ABC 288 & Stereo ABCS 288

Second in the series of Clark dance outings, this date features such tunes as "Whole Lotta Shakin' Going On," "Blueberry Hill," "Venus" and "Duane's Stroll". The Keymen demonstrate their ability to convey infectious big beat dance music. They're aided by a chorus on most of the tracks. Clark's endorsement of album recommends it for huge sales.

"TWILIGHT ON THE TRAIL"—Jimmie Rodgers—Roulette R 25081 & Stereo SR 25081

Songs usually associated with the west provide twelve quality vehicles for Rodgers' sensitive ballad style. Joe Reisman's ork and chorus back up capably. Among the tunes are "Red River Valley," "Shenandoah," "Cool Water," "Wagon Wheels" and "Tumbling Tumbleweed." Beautiful session.

"GREAT GETTIN' UP MORNING"—Mahalia Jackson—Columbia CL 1343 (Monaural & Stereo)

It is unusual that a Gospel singer should attain the status that Mahalia Jackson has, but once hearing her there is no doubt that she is the world's greatest gospel singer. With a complementing choir behind her, Miss Jackson delivers soulful performances of "How Great Thou Art," "To Me It's So Wonderful," "God Put A Rainbow In The Sky" and the rousing title song, among others. Magnificent recording.

"HARRY JAMES AND HIS NEW SWINGIN' BAND"—MGM E 3778 & Stereo SE 3778

James has lost none of the ork virtuosity that made him a big attraction during the Forties. The new band swings more, and by the tunes here, leans more toward jazz feeling. Three numbers are originals by James and Ernie Wilkins, who arranged the session, plus Ellington's "Cotton Tail," "Too Close For Comfort" and Count Basie's "M Squad Theme." A new, swinging James is great to hear.

"A NIGHT IN VENICE"—Enzo Stuarti, Jack Russell, Nola Fairbanks, Norwood Smith—Everest LPBR 6028 & Stereo SDBR 3028

An original cast recording of Johann Strauss' operetta which was presented by Michael Todd at Jones Beach Marine Theatre in 1952. The stereo version capably recreates the movement of the huge spectacle. Others in the cast are Thomas Tibbett Hayward, Guen Omeron, Laurel Hurlley, David Kurlan and Kenneth Schon. Beautiful show music; can sell well.

"SORRY (I Ran All The Way Home)"—The Impalas—Cub 8003 (Monaural & Stereo)

The Impalas, who attracted national attention with their hit "Sorry," bow on their first album with a line-up of rock and roll tunes penned by Zwirn & Giosasi, who created the hit title song. Others include "Fool, Fool, Fool," "Too Much Too Soon," "Oh, What A Fool" and the "Woodchuck Song." Can grab off teen sales.

"SING AROUND THE BANDSTAND"—The Marty Ames Orchestra and Chorus—Dot DLP 3203 (Monaural & Stereo)

Tuneful, lively-beat array of twenty-seven favorite pop tunes arranged into twelve medleys make-up this Tin Pan Alley "sing along" package. Some are sung by the chorus and some are instrumentals—all with an infectious dance beat. Among the tunes are "Cheek To Cheek," "For Me And My Gal," "I Want A Girl," "Bill Bailey," "Makin' Whoopee," "Alexander's Ragtime Band" and other memorabilia. Delightful party package.

"ALL THE KING'S SONGS"—Teddi King—Coral CRL 57278 & Stereo CRL 75728

The songstress pays tribute to twelve of her favorite vocalists by singing songs that have become identified with them. There is no attempt at imitation for Miss King gives each number her own tasteful interpretation. Included are "Unforgettable" (Nat Cole), "Keeping Out Of Mischief Now" (Fats Waller), "This Love Of Mine" (Frank Sinatra) and "Let's Face The Music" (Fred Astaire).

"COOKIN' WITH REY"—Rey DeMichel and his orchestra—Challenge CHL 608

This new ork generates excitement and an interesting sound through the use of clean, uncluttered arrangements providing ample solo space for the capable sidemen. Though only 13 strong the ork captures the big band sound. Arranger is John De Foor, who also contributes five original tunes to the set. Others include "S-Wonderful," "The Breeze And I," "The Continental." Should attract attention in music circles.

"SING A MAN"—Brock Peters—United Artists UAL 3041 (Monaural & Stereo)

Brock Peters is heard in his first solo album, and, as he has done numerous times on the stage, displays an amazingly expressive voice. The material is all of a folk-type, most of which has been adapted by Peters, plus a couple of Peters originals. Included are "St. James Infirmary," "Sometimes I Feel Like A Motherless Child," "Ro Kom Bay" and "Lay Down Late." Exciting album.

"GIGI"—Original French version—Maurice Chevalier, Sacha Distel, Marie France, Jane Marken—Columbia WL 158

Identical to the American version is this one recorded in France, and sung in French. Maurice Chevalier is again the standout, with excellent performances by Distel, France and Marken in the roles of Louis Jordan, Leslie Caron and Hermione Gingold respectively. Strong item for specialty shelf.

"MY FAIR LADY"—Hubert Gregg, Elizabeth Larnier, John Slater, the Knightsbridge Theatre Orchestra and Chorus—Avon S-3001 (Monaural & Stereo)

This Urania subsid bows with an ambitious production of the complete score of "My Fair Lady." The all British cast does credit to the wonderful music, and except for personality differences this disk is similar to the original cast set. Excellent production.

Album Reviews

CLARA WARD HALLELUJAH!

"HALLELUJAH"—Clara Ward—Dot DLP 3186

One of the best of the gospel singers, Clara Ward (and her troupe) has just completed an extremely successful tour of several European countries. This, her second Dot album, is another rousing gospel concert featuring such numbers as "All God's Chillun Got Shoes," "Swing Low, Sweet Chariot," "Deep River" and "The Lord Will Understand." Masterful work.

FULL DIMENSIONAL STEREO

"VIENNESE WALTZES IN STEREO"—Frank Pourcel and his Orchestra—Capitol T 10214 & Stereo ST 10214

The most popular Viennese waltzes find able purveyors in the soaring strings of Pourcel's ork. Recorded in France where Pourcel currently holds forth as a leading maestro, the session contains eight Strauss waltzes: i.e. "Blue Danube," "Emperor," "Artist's Life"; Lehar's "Gold And Silver" and Ivanovici's "Danube Waves."

FERS PARKER

"BEHIND THE VEIL"—Orchestra conducted by Gene von Halberg—Cascade CA 1005

Composer von Halberg has managed to capture the exotic, sensuous sounds and rhythms of near-eastern music, and presents them in a pops concert made palatable to western ears by the use of full orchestrations and instrumentation familiar to westerners. There are twelve numbers comprising various tempos (i.e. waltz, march, fast and slow dance figures). Unique and infinitely interesting work.

"THE FAMOUS STANDARDS OF MACEO PINKARD"—Broadway 112

Songs written by Maceo Pinkard, some of which have become standards, are performed by Daisy Banks, Vic Carlo, Delores Andrews, the Edgar Battle Singers, backed by "Sticks" Evans and his Orchestra. Among the selections are "Sweet Georgia Brown," "Them There Eyes," "Gimme A Little Kiss, Will Ya, Huh?" and "Sugar." Nostalgic interest.

JAZZ PICKS OF THE WEEK

"HERBIE MANN'S AFRICAN SUITE"—Johnny Rae's Afro-Jazz Septet—United Artists UAL 4042 (Monaural & Stereo)

A highly provocative session of Afro-Cuban jazz is presented here. Side one, ("St. Thomas," "Jungle Fantasy" and Mann's "Sorimao,") is in a more direct jazz vein than side two, which contains four Mann compositions dealing more with pure African rhythms. And side one has the advantage of drummer Philly Joe Jones' presence. Along with Jones and Mann, Cuban percussionist Patato is a standout.

"BREAKFAST DANCE AND BARBECUE"—Count Basie and his Orchestra featuring Joe Williams—Roulette R 52028 (Monaural & Stereo)

Recorded during the label's all-night party at the Miami DJ Convention where Basie was the feature attraction. The big band swings through eight standard numbers in its book including "One O'Clock Jump," "Moten Swing," "In A Mellow Tone"; plus two Joe Williams vocals, "Hallelujah, I Love Her So" and "Five O'Clock In The Morning." Swinging deejay special.

"MOTOR CITY SCENE"—Thad Jones, Billy Mitchell, Al Grey, Tommy Flanagan, Paul Chambers, Elvin Jones—United Artists UAL 4025 (Monaural & Stereo)

Session here serves as both a showcase for the writing talents of Thad Jones (he contributed the four pieces), and the improvising ability of the soloists—most of the album is comprised of solos built around Jones' frameworks. The principals acquit themselves creditably making for a pleasant, swinging date. Solid, substantial jazz fare.

"THAT TODDLIN' TOWN"—Eddie Condon and his Chicagoans—Warner Bros. W 1315 & Stereo WS 1315

Deck celebrates 20th Anniversary of 1st jazz album recorded. George Avakian produced that historic session and does the same chores here, supplying pertinent liner notes. The musicians, some former Chicago jazzmen, are Condon, Max Kaminsky, Cutty Cutshall, Bud Freeman, Pee Wee Russell, Dick Cary, Leonard Gaskin and George Wettling, playing such tunes as "I've Found A New Baby," "There'll Be Some Changes Made," "Nobody's Sweetheart" and "Liza." Choice item for traditional fans.

"THE BIG THREE"—Marty Napoleon, Chubby Jackson, Mickey Sheen—Stere-O-Craft RTN 108

The three highly capable musicians form a cohesively swinging unit and serve up a platter of easy listening, unpretentious jazz. Napoleon, on piano and organ, leads the group on such chestnuts as "Pennies From Heaven," (2 versions), "Avalon," "C Jam Blues," and "All Of Me." Relaxed, unobtrusive date. Good stereo direction.

CLASSICAL PICK OF THE WEEK

"THE HOFFNUNG INTERPLANETARY MUSIC FESTIVAL"—Angel 35800 (Monaural & Stereo)

Recorded in performance during November 1958 in England, the Festival proved to be the second such successful venture for Gerard Hoffnung. The composer has written several excellent spoofs of classical music, i.e. "Metamorphosis on a Bed-time Theme," "Waltz for Restricted Orchestra," "Let's Fake an Opera." Will provide serious music lovers with many hilarious moments, as it did the audience.

KHATCHATURIAN: "Gayne Ballet Suite"; MOUSSORGSKY: "A Night On Bald Mountain"; BORODIN: "Prince Igor Overture," "On The Steppes of Central Asia"; RIMSKY-KORSAKOV: "Flight of The Bumble Bee"—The Halle Orchestra, George Weldon conducting—Mercury SR 90137 (Monaural & Stereo)

A light-classical concert of music by Russian masters is conducted by Weldon. The music ranges from graceful, flowing lines to powerful, forceful statements and makes an excellent, diverse listening treat. Wide classical interest.

"FINLANDIA"—Music of Grieg and Sibelius—London Proms Orchestra, Charles Mackerras, conductor—RCA Victor LM 2236 & Stereo LSC 2236

Sibelius' "Finlandia" is the featured piece in this album of works by Grieg and Sibelius. Others include Sibelius: "Valse Triste," "King Christian"; Grieg "Wedding Day At Troldhaugen," "Two Elegiac Melodies." Sibelius' power and Grieg's earthiness offer strong contrast. Well thought up session.

STRAVINSKY: "Threni"—Igor Stravinsky conducting the Columbia Symphony Orchestra, the Schola Cantorum, Hugh Ross, Director—Columbia ML 5383 (Monaural & Stereo)

Stravinsky's latest and one of his most extensive works receives its first recording here, conducted by the composer himself. Six solo singers are employed, along with a large chorus and large orchestra. An important new work; should be well received.

"BALLET HIGHLIGHTS FROM THE OPERA"—Erich Leinsdorf conducting the Concert Arts Symphony Orchestra—Capitol P 8488 & Stereo SP 8488

Six ballet numbers from five operas comprise this intriguing outing by Leinsdorf. "Dance of the Moorish Slaves" and "Ballabile" from "Aida," "Dance of the Hours" from "La Gioconda," and "Baccanale" from "Sampson and Delilah" are some of the works presented here. Wide classical interest.

STEREO

"SWEET SWINGIN' SAX IN STEREO" Bobby Dukoff and His Orch., RCA Camden CAS-509, \$2.98

Content: "Thou Swell," "Baby Won't You Please Come Home," "Seems Like Old Times," others. Cover: Color close-up of the Dukoff fingers at work on sax. Reflects contents well. Performance: Jim Timmens' "sweet swingin'" arrangements of top drawer material shows the Dukoff sax off to fine advantage especially when blended with the sans lyric chants of Lois Winter and solid backing from top jazzmen (Mat Mathews, Urbie Green, etc.). Good deejay material. Commercial Value: It's jazz, but this time for the masses. Low price should help it move, but fast.

"SCHEHERAJAZZ" Skip Martin Conducts Studio Symphony and Video All-Stars, Stereo-Fidelity SF-9700, \$2.98

Content: Symphonic-jazz version of Rimsky-Korsakov's "Scheherazade." Cover: Tells the story in color with dancing girl reflected in trombone. Eye-catcher. Performance: Symphony orch. alternates with jazz group taking turns throughout four movement score. Unique, unpredictable but always interesting. Sound is good, e.g.: progression from symphonic solos to full big band sound. Commercial Value: Good discussion deck. Should sell on sound, with following from classical and jazz buff corners.

"CONQUERORS OF THE AGES" London Philharmonic Orch. and Chorus, Reinhard Linz conducting, Stereo-Fidelity SF-10800, \$2.98

Content: Edmund De Luca's musical biography of history's conquerors. Cover: Color shot depicts war torn city in flames with sword of soldier in foreground. Reflects contents well. Performance: Powerful musical portrayal tracing history of world's conquerors from Alexander the Great to Adolf Hitler. Music follows written outline on inside bookfold jacket which enhances appreciation of score. Dramatic, intense, moving and meaningful. Commercial Value: Could be a standard item for music lovers from all levels. Unique theme and bookfold cover should attract.

MONAURAL

"HARRY JAMES PLAYS THE SONGS THAT SOLD A MILLION" Harmony HL-7191, \$1.98

Content: "Three Coins In The Fountain," "Moonglow," "Ruby," "Mona Lisa," others. Cover: Top half features the trumpet man in action while bottom half displays the song titles. Eye-catcher. Performance: Nostalgia bit here, with the James trumpet of yesterday playing past pop hits. Mostly sweet in the Harry James manner and reminiscent of the band's heyday. Commercial Value: The seldom heard before material should find a market with the 'middle 30's and up' age bracket. James is out with a new LP on another label and could help the action. Name Value: Should be strong with racks.

"GIRLS AND MORE GIRLS" Lion L-70118, \$1.98

Content: Selections by Debbie Reynolds, Lena Horne, Judy Garland, Betty Hutton, Kathryn Grayson and others. Cover: Splash of faces of girls, stars and color, each one captioned with individual's entry. Performance: A top flight list of efforts with Lena Horne's "Where Or When" along with other strong sides. Good deck. Commercial Value: Several strong tracks here with Judy Garland, Lena Horne and Debbie Reynolds included. Variety should lead to wider audience than usual with 'something for everyone' angle. Name Value: Has to be strong.

"OKLAHOMA!" AND "CAROUSEL" Dino Martinelli and Orch., Harmony HL7193, \$1.98

"THE KING AND I" AND "FLOWER DRUM SONG" Dino Martinelli and Orch., Harmony HL7194, \$1.98

"MY FAIR LADY" AND "BRIGADOON" Dino Martinelli and Orch., Harmony HL7195, \$1.98

Contents: Three LP's feature highlights from six musical shows with two shows in each deck. Covers: All three jackets carry similar color artwork of dolls costumed appropriately for each of the respective shows in deck. Exceptional artwork and clever display. Should complement each other when displayed together. Performance: The Martinelli orch. delivers a sparkling performance of the tunes highlighted from each show. Instrumentals make for pleasant listening and provide an excellent background package. Fresh arrangements and orchestrations of musical fare round out a package of some of the finest Rodgers and Hammerstein-Lerner Lowe compositions. Commercial Value: All three are strong contenders, especially on racks. Excellent low-price opportunity for show tune lovers to buy all three decks. Suggest they be merchandised that way. Name Value: Excellent.

Kisses For Garson's Lion LP

HOLLYWOOD—Greer Garson is gallantly smooched by Producer Arthur Freed at a recent Hollywood movie premiere. By way of greeting, Freed also added a word of praise for the star's Lion record album, "Greer Garson Baby Sits with Stories and Songs." It's for children through 8. Greer says she had so much fun doing it, she'll record another for Lion later this year.

Kiddie Single Reviews

MITCH MILLER'S "Me and My Teddy Bear" Golden 572 b/w "Parade of the Wooden Soldiers"

Anne Lloyd and Jack Arthur do a sweet rendition of the "Teddy Bear" lilt while the flip offers the favorite wooden soldier tune with chorus participating. Good kiddie disk with strong sleeve featuring little girl holding teddy bear.

"SWANEE RIVER" Golden 554 b/w "My Old Kentucky Home" Sandpipers, Jimmy Carroll Orch.

Chorus does a straight delivery on each side making for pleasant listening on the Steven Foster sides. Cartoon color art on sleeve features little boy and girl waving to Mississippi river boat.

EP Reviews

SHARI LEWIS "Let's Sing Our Favorite Song!" Golden EP-568

The TV ventriloquist is joined by her cast "Lamb Chop," "Charley Horse," "Wing Ding" and "Hush Puppy" as they harmonize on "Back In Your Own Back Yard" and other favorites. Cute "rounds" singing style that should delight the kids. Good rack choice. Jacket displays cast of personalities.

"ROCKET TO THE MOON" Golden EP-562

Sleeve features color art of rocket soaring to the moon with flip side displaying rocket's "control panel" complete with "buttons" for "gyro control," "blast off control," etc. Disk narration puts kids at the controls with instructions to operate rocket. All sound effects amazingly realistic. In course of operation "space scout" (listener) launches rocket, rescues "Spotty" (a dog) from a distant space platform and aids the National observatory in Wash., D.C. with valuable information leading to a congressional medal for his efforts! Disk is the most fantastic kiddie idea to hit in many a moon. Could sell out everywhere!

"FOR YOUNG LOVERS" Tommy Edwards, MGM X1666, 7, 8

Three EP's taken from Edwards' latest LP release (reviewed in the August 29 issue of *The Cash Box*) are wrapped in same artwork as LP which was pressed monaurally and in stereo. The current Edwards single, "I've Been There", is a chartrider still moving up and should help sales. Ought to please the EP teen and juke box market.

VP's Named For Capitol Subsid

HOLLYWOOD — The election of Geoffrey F. Racine as vice president of Capitol Record Club, Inc., and Stephen H. Strohmman as vice president of Capitol Records Distributing Corp., was announced last week by Glenn E. Wallichs, president of Capitol Records and its subsidiaries.

As vice president of the Capitol Record Club, Racine, who continues as administrator of operations for subsidiaries, CRI, will advise and counsel the Club's director of fulfillment, Jerome Hoffman, in the planning and review of fulfillment operations. Racine joined Capitol seven years ago as auditor, a post he held until November 1955, when he was named national operations manager, Capitol Records Distributing Corp.

As vice president and national operations manager of Capitol Records Distributing Corp., Strohmman is responsible for the direction and supervision of CRDC branch and staff operations. He joined the Capitol family 10 years ago as a salesman in CRDC's Hartford Branch. He later held a number of operations positions at other CRDC branches. In January 1957, he was named assistant national operations manager, and in September 1958, he became acting national operations manager.

In announcing the elections, Wallichs commented: "Racine and Strohmman are both extremely able executives who have clearly demonstrated the ability to shoulder the increased responsibilities they have now undertaken."

Roulette Buys "Hot" Master

NEW YORK—Joe Kolsky, executive vice-president of Roulette Records announced last week that Roulette had purchased the reportedly "hot" instrumental "Woo-Hoo" by the Rock-A-Teens. The Doran record of this song has been creating excitement and strong initial sales in the Virginia area where it was released and according to Joe Kolsky, it was Joe and Milt Sinsheimer of Allen Distributors in Richmond who first tipped him off concerning the possibilities of purchasing the master. Doran Records is a division of Mart Records, Salem, Va., and is owned by George D. McGraw, who concluded the deal with Roulette. McGraw is also the writer of "Woo-Hoo", which is published by Shapiro-Bernstein.

Without stating the actual figure involved, Joe Kolsky also disclosed that "this was the highest price Roulette has ever paid for any master purchased and that the bidding by competitive labels was the heaviest since 'Tell Him No', and 'Kansas City'."

The Rock-A-Teens are five teenagers from Richmond and are led by guitarist Vic Mizelle. McGraw, who discovered the group revealed that this was the second time Mart Records has effected an important master deal. The last occasion was last Christmas when Columbia purchased "Happy Birthday Jesus", by Little Cindy.

Kolsky advised that last Thursday Allen Dist. called in an initial order of 10,000, and the pressing plants operating for Roulette worked overtime over this past weekend so that disk-jockey samples and stock could be shipped throughout the country immediately.

Vee-Jay-Abner Signs Schroeder

CHICAGO — Calvin Carter, A&R chief of Vee-Jay—Abner Records, this city, announced last week the signing of Don Schroeder to an exclusive recording contract.

Schroeder's first single is currently being recorded and will be released shortly. Carter stated, "Don has tremendous potential and all of us at Vee-Jay—Abner are looking forward to a bright future for him."

New WABC Set-Up

NEW YORK—Ben Hoberman, general manager of WABC Radio, this city, last week announced several changes in station operations including the purchase of a new 50,000 watt transmitter, the addition to the staff of disk jockey Dick Shepard, and a new "News in Depth" policy.

The transmitter replaces the present 30 year old one located in Lodi, New Jersey. Installation will begin in October and will mark the second phase of WABC's modernization which began with the building of new studios in 1952. Hoberman said that the new transmitter is designed to give better all-around performance, can be readily adapted to stereo broadcasting when a stereo system is approved by the FCC and only occupies 20 percent of the space of the present one.

Shepard joins the staff September 14 with a daily, Monday through Saturday, noon to 2 PM show. Program director Paul Kasander said that Shepard's show is designed to fit the station's new music policy. He will play the best of Broadway and Hollywood hits, the best of the golden records, the best of the albums, the best of the top tunes, etc.

With the addition of Shepard, Fred Robbins will return to his fall schedule (2 to 4 PM daily). He has been doing a noon to 4 PM show for the summer. Shepard comes to WABC from WCBS where he had his own show. Previously he was with WNEW, WQXR, WPIX, and WOR-TV.

A new policy of "News in Depth," every hour from 5:55 AM to 11:05 PM was inaugurated Aug. 31, featuring a line-up of some of the nation's top newscasters. News will be presented hourly from five minutes before the hour to five minutes after the hour, and between 6 and 9 AM early risers will be provided with an additional five minute news summary 25 minutes after the hour, and a special commuter report every 15 minutes.

Victor Ringing "Bells" With Hot Singles

NEW YORK—RCA Victor is one of the "hottest" record companies in the business, according to current singles charts.

Steve Sholes, Manager, Pop Artists and Repertoire, attributes the current singles surge to the variety of disks RCA Victor has been releasing.

"We have filled practically every bill for the consumers' singles needs", Sholes said. "Ballads, rock n' roll, novelty, vocal and rhythm, country-western with a beat, folk tunes—all represented in our current top sellers".

"The Three Bells", by the Browns Trio is currently number one. Elvis Presley's "A Big Hunk O' Love" b/w "My Wish Came True" has passed the million mark, and "The Three Bells" is expected to do the same by the end of the week, Sholes said.

Other RCA Victor singles rolling along are "The Shape I'm In" by Johnny Restivo (rock n' roll); "Boo Boo Stick Beat", Chet Atkins (juvenile instrumental); "The Battle Of Kookamonga", Homer & Jethro (satire); "Furry Murray", The Tradewinds (group performance); "Tennessee Stud" Eddy Arnold (folk tune); "Makin' Love", Floyd Robinson (rock n' roll with slow beat); and "The Wonder Of You", Ray Peterson (ballad).

Among the disks which are knocking at the gate, according to Victor, are Ray Peterson's new entry "Come And Get It", a rocker; "Shout" (Parts 1 and 2), the Isley Brothers' tune which has a spiritual beat; and Della Reese' first disk for Victor "Don't You Know", a ballad adapted from Musetta's waltz in Puccini's "La Boheme".

Rank Femmes On Road

NEW YORK—Len Levy, national sales director of Top Rank Records, reported last week that the distaff side of the diskery's recording roster is on the road visiting deejays and promoting their latest releases.

Judy Scott's August 25 appearance on Dick Clark's "American Bandstand," where she sang "Lifetime," wound up an extended tour that took her to Cleveland, Detroit, Chicago, Washington, Baltimore and Philadelphia.

The Lindsay Triplets made Chicago their first stop on a tour to promote their first record, "Fallin' In Love." The girls made a TV appearance with Fran Allison at WGN-TV. Several other guest shots are scheduled for the group early this fall.

Dorothy Collins was the guest of honor at a Top Rank disk jockey cocktail party in Detroit last week. She is currently doing summer stock there and took the opportunity to introduce her new single, "Everything I Have Is Yours" and "It Doesn't Matter." Sonny Lester, Top Rank A&R chief, was on hand to aid the Detroit-Cosnat group in the festivities.

Livadary is a former member of the Board of Governors of the Academy of Motion Picture Arts and Sciences. He is a founder member of the Acoustic Society of America, a professional electrical engineer in the state of California and a fellow of the Society of Motion Picture and Television Engineers.

BURBANK, CALIF.—Nancy Matthews, winner of the Sleeping Beauty Contest co-sponsored by Radio WAME-Miami and Disneyland Records, is currently enjoying a week's stay in Hollywood as part of her grand prize. Nancy is pictured above with Karl Gwilliam, Disneyland Records executive, examining a copy of the "Sleeping Beauty" album.

Elektra Offers Dealers 1 for 7 Sept. Program

NEW YORK—Elektra Records is holding a special September promotion, offering dealers one free record for every seven ordered. All LP's except the "Sampler" series are included in the plan. The Elektra catalog includes such artists as Theodore Bikel, Josh White, Susan Reed, Jean Shepherd, and Oscar Brand.

"Free Album Month" affords distributors an excellent opportunity to depth stock their dealers with the Elektra product," said company president Jac Holzman. He stressed the fact that the label's number one fall release, "Bravo Bikel," will be issued in September and included in the one for seven promotion. The LP is a deluxe package, at regular price, of Theodore Bikel's concerts in New York's Town Hall.

The program is being backed up with promotional material for retailers. Holzman suggests dealers contact their distributors for further information. Elektra's "Free Album Month" is being conducted on a national basis, and closes September 30th.

New Callas Disk In Angel's Latest Eleven

HOLLYWOOD—Maria Callas' new album, "Callas Sings Verdi at La Scala," on which the famed soprano performs arias from four of Verdi's most distinguished works, along with Tito Gobi and Fedora Barbieri, and the La Scala Orchestra and Chorus under the direction of Tullio Serafin and Antonino Votto (one selection), leads off Angel Records' release of eleven new albums this month.

Eileen Farrell is represented by "Eileen Farrell in Songs and Ballad," with selections ranging from classical numbers to traditional folk songs. Other female vocalists on Angel this month are Anna Moffo and Christa Ludwig. Miss Moffo is heard on "Mozart Arias," her first solo album; and Miss Ludwig sings Mahler's "Songs of a Wayfarer" and "Songs for a Dead Child," also her first solo Angel effort.

Others in this month's release are: "Chopin," six of the composer's works performed by Vladimir Ashkenazy, young Russian pianist; Gilbert and Sullivan's "Yeoman of the Guard," by the Pro Arte Orchestra and the Glydebourne Festival Chorus under the direction of Sir Malcolm Sargent, bringing to four the total of G&S operettas on Angel; "Age of The Tsars," compositions by six Russian masters by the Philharmonia Promenade Orchestra; Hepzibah Menuhin and the Amadeus String Quartet in a performance of Schubert's "Quintet in A Major" ("Trout").

Completing the release are three albums by the Philharmonia under the direction of three different conductors. Paul Kletzki conducts Brahms' "Variations on a Theme by Haydn"; Wolfgang Sawallisch conducts seven "Overtures by Weber" and Carlo Maria Giulini conducts Cesar Franck's "Symphony in D Minor" and "Psyche et Eros," a brief orchestral work from the symphonic poem "Psyche."

LOS GATOS, CALIF.—Joe Jaros and Peter Uharriet of Christy Records announced recently that their firm has signed a three year contract with America-France Records, for the Paris firm to release eighteen selections from Christy's catalog in France, Switzerland and associated territories.

The first of these selections, just released on 45 EP in Europe, are "Crab Louie" b/w "We're In Love" and "Judy" b/w "The Lord Will Welcome You" by a new vocal group called the Strangers.

Additional releases will be announced in the future.

Pastors Sign With Ram

NEW YORK—Famous old-timer of the big band era, Tony Pastor, and his two sons, Guy and Tony Jr., signed last week with Buck Ram Personality Prod., Inc., for personal management. The act will be billed as the Pastors. Tony Sr., has given up his big band to form the family unit.

The Pastors have performed as an act at the Stardust in Las Vegas for 16 weeks, moving to Harrah's Club in Reno, July 30 through Aug. 26. They appear at the Sacramento State Fair for two weeks starting Sept. 2 after which they return to the Stardust on Sept. 21.

Buck Ram disclosed that he is negotiating with two record companies for placement of masters but has made no decision as yet. Tony Sr., will be featured on instrumentals and novelties while both Guy and Tony Jr., will record as singles.

Guy and Tony Sr., have recorded an album for Roulette titled "A Guy and his Dad" and Guy is heard on a Roulette single, "Life Is Just A Bowl Of Cherries" b/w "This Is My Lucky Day."

Tony Jr., appears with Tony Curtis in the Universal-International film "Operation Petticoat."

GAC is in charge of bookings and has already set dates for several network TV shows for the act.

Kingston Trio Going Global In 1960

HOLLYWOOD—The Kingston Trio will be going global in 1960, it was revealed last week by their manager, Frank Werber.

"Present plans call for the Trio to go to Australia for one week in January and later on in the year to Europe," Werber stated. He added that the Trio will appear at Royal Hawaiian Hotel for three weeks on their way back from Sydney and Melbourne, with a side trip to Tahiti, where they'll seek out new material. Two members of the group, Dave Guard and Bob Shane, are from Hawaii, while Nick Reynolds is a Californian.

"The global blueprint is in keeping with the Kingstons' career," Werber pointed out, "since their repertoire reads like a musical United Nations."

Werber is here to oversee recording sessions at Capitol for his newest client, singer Mark Murphy, and to be with the Kingston Trio for their upcoming dates in this area. From Sept. 8-15 they're booked at Fiesta del Pacifico; Memorial Auditorium, Fresno, Sept. 17; Hollywood Bowl, Sept. 18, and Santa Monica Civic Auditorium on Sept. 19.

East Meets West

CHICAGO—An interested, and interesting visitor to Mercury Records' home-base last week was Frances da Silva, manager of the Diamond Music Company, Mercury's Hong Kong affiliate. At 21, Miss da Silva is one of the very few women engaged in the engineering phase of record manufacture, and one of the youngest plant managers in the field. Majoring in chemistry at the University of Hong Kong, she had no actual training for the work she now does, which is the processing of masters and stampers.

In addition, she takes an active part in the promotion and sale of Mercury Records in Hong Kong. Her company, Mercury-Diamond, has its own 45-minute weekly radio program, which she programs, writes and supervises. The company also owns two retail outlets which, she says, "are the only stores selling records only, in the city. In Hong Kong records are usually sold in souvenir and curiosity shops along with a jumble of other assorted merchandise."

Designing window and other display material is another specialty of Miss da Silva's. "If you furnish a dealer with attractive, colorful, easy-to-set-up display material you own his window," she says. "And when your records are advertised in his window, he has to stock them. Therefore, I think the right display is more than half the secret of sales success."

Hong Kong, she believes, will convert to stereo entirely much faster than any other world market. This in spite of the fact that this British colony is currently in an economic slump, and has the smallest buying power per capita of any area. "The Japanese are furnishing us with good stereo sets retailing as low as \$100. Already 35% of LP's sold are stereo," she reveals.

"In addition to which, Hong Kong is like a rubber ball—it bounces back very quickly. Currently, low wages and hordes of unemployed refugees are holding the market down, but the people are optimistic that prosperity is just around the corner. The record market especially, has great potential here. Hong Kong, because of its duty-free situation, is a mecca for tourists who buy heavily. Also, we do a rushing record trade with the service men on leave from Okinawa and other American bases."

The Chinese, she comments, are more and more abandoning their own native music for Western style rhythms. "Rock and roll has a limited following, but string instrumentals and pop ballads are very popular. Cha chas are very big sellers, too."

Miss da Silva, since attending the Mercury convention in Madrid last June, has been visiting the company's overseas affiliate in Germany, Holland, Italy and England. Before coming to Chicago, she spent a month with Mercury's New York division, buying cutting equipment and studying record-making techniques under the supervision of sound-engineer Bob Fine.

"American techniques are amazing and wonderful," she enthuses. "Our methods are very primitive by comparison—we've learned mostly by trial and error. However, we're progressing—and I wouldn't trade the business of making and selling records for any other business in the world!"

Top left: Miss da Silva with Mercury executives; president Irving B. Green, treasurer Irwin Steinberg and A&R director Art Talmadge.

She recently completed her first New York night club engagement at the Village Vanguard, and has been booked for engagements in Philadelphia, Chicago, Washington, as well as the Hollywood Bowl.

An output jack for monitoring with stereo headphones is also incorporated into the unit.

The Norelco Continental "400" may also be used as a self-contained phono/public address amplifier and speaker system.

The unit consists of tape drive mechanism, two pre-amplifiers with controls, two 4-watt power amplifiers, and a Norelco wide-range speaker with extra powerful magnet. Also furnished is a Norelco dynamic, full frequency stereo (dual elements) microphone. For stereo playback all else that is needed is a second speaker. It is net priced at \$399.50.

Gives All For "Joey's Song"

NEW YORK—Jolly Joyce, agent for Bill Haley and his Comets, went to Detroit last week to complete a deal with Arthur Shurgin, who represents Lee Gordon of Australia, for Haley and the Comets to headline with Johnnie Ray in a tour of auditoriums in Australia and New Zealand beginning September 4. The deal was to call for Haley receiving \$10,000 for the ten day trip.

According to Joyce, Haley turned down the offer, and gave as his reason that his new Decca release, "Joey's Song," is now kicking off big and requires all of his time for promotion.

Award For Lillian Briggs

PITTSBURGH — Earl Riley, administrative director of the Pittsburgh Bicentennial, presented Lillian Briggs with a Pittsburgh Bicentennial Medallion recently for breaking a show business record in the city.

Miss Briggs just completed a 16-week engagement, which may be the longest engagement ever played by any singer in the history of Pittsburgh—headlining the Bicentennial Follies since the opening of the Pittsburgh Bicentennial, May 10.

When Miss Briggs opened in Pittsburgh, her recording of "Smile For The People" was proclaimed the official theme song of the Pittsburgh Bicentennial.

In signing Tracy, Keene said that he is "taking another step in the development of new talent for the label."

Tops Inks Carl Doshay

LOS ANGELES — Carl Doshay, president of Tops Records, announced last week that the company has signed Jerry Madison to a recording contract.

Madison's first single will be released this month and will be encased in a special sleeve with his picture and bio information.

Madison studied at the Music Academy of the West in Santa Barbara with such teachers as Stravinsky, Bonelli, Milhaud and Lert and has appeared with the Los Angeles Light Opera Association. He has appeared in a Broadway show, toured night clubs with Janis Page and is currently singing and dancing on the Dinah Shore TV show.

"We are very excited about Madison's chances as an artist," said Doshay, "as he has all of the ingredients necessary for a record star with teenage appeal."

Doshay and A&R director Dave Pell are currently selecting material for Madison's second release. Negotiations are also under way to book the singer on several national TV shows.

Mitchell-Ruff Duo Set For
"Moscow Jazz At Town Hall"

NEW YORK—At the forthcoming "Moscow Jazz At Town Hall," on Friday, September 11, Roulette's Mitchell-Ruff Duo will re-create the Moscow jazz concert that broke through Russia's official ban on jazz last June.

First American musicians to play jazz in Russia, Dwiki Mitchell and Willie Ruff appeared at Moscow's Tchaikowsky Conservatory of Music and Leningrad University with their modern jazz improvisations which have undertones of Bach, Liszt, and Scarlatti. After breaking the ice by lecturing on the history of jazz in Russian, the Duo topped their cultural exchange with a jazz version of Russia's current number one pop hit, "Moscow Nights."

Sidney Gross, producer of "Moscow Jazz At Town Hall," reports that Roulette Records is rushing out a single on the Mitchell-Ruff Duo's take-off on "Moscow Nights." The tune will be a highlight of the September 11 concert which marks the Duo's Town Hall debut.

Well-known here through their LP albums, supper club appearances, and nationwide lecture tours, the Duo staged their Soviet jazz concerts while touring with Yale University's Russian Choir. Their trip, which included a controversial stop-over at the Vienna Youth Festival, made headlines in the U.S. press.

Mitchell and Ruff, both former members of the Lionel Hampton band, have been strongly influenced by classical music as well as jazz. It was this academic background that made them welcome at the Moscow conservatory. Ruff who plays the bass and French horn, studied with Paul Hindemith and has a Master's Degree in music from Yale and pianist Dwiki Mitchell graduated from the Philadelphia Academy of Music and has been guest soloist with the Philadelphia Orchestra.

The "Moscow Jazz At Town Hall" concert brings DJ Sidney Gross back to the jazz field. Gross taught Columbia University's first jazz appreciation course and produced the 1956 Connecticut Jazz Festival.

New Label Offers
100% Return Privilege

HOLLYWOOD — Rontodd Records, new indie label, last week announced a new pricing policy to distributors. In a letter to all Rontodd distributors, Ronald Todd, president of the organization, stated:

"In accordance with our faith in all Rontodd releases we deem it only proper to offer you 100% guarantee return privileges." As a cash bonus any distributor who returns less than 10% of any order will receive credit for the portion returned and a check up to the remaining portion.

For example, if a distributor places an order for \$1,000. Then sells only \$960 worth of merchandise, Rontodd Records then sends him a check for \$40 . . . which is his bonus for returning less than 10% of his first order.

At the same time Todd announced it is lowering the distributor price to 42¢ instead of the current 46¢.

Rontodd currently has three singles in release; "Tipsy Duck," "Close to My Heart" by Adgis Merrill and "My Heart Flares Up" by Jesse Belvin.

At the same time, Todd announced that in an effort to build a catalog of some 85 LP's for 1960 release he is seeking to lease masters from other indies and producers.

Todd said, "as in the single field we are looking for lease deals on material suitable for album release. Not only do we want things in the pop line, we are looking for spoken word, jazz and classical material also and will pay top percentage considerations."

"As for albums," Todd continued, "we are mainly interested in merchandising them through our newly formed record club. Talks are currently under way with three national credit card systems to use—not only their mailing lists—but to let their members charge Rontodd product to their monthly bills. This will stimulate album sales giving it both horizontal and vertical coverage."

"At the present time we have some 18 albums under option; when we do announce our entry into the album business we will have what I consider to be the best independent catalog being offered to the public today."

Producers or others interested in joining with Rontodd Records may contact them at P. O. Box 1001, Hollywood or by telephone: HOLLYWOOD 2-1353.

"Only those records best suited for commercial use are reviewed by The Cash Box"

The Cash Box Award o' the Week

"I WONDER" (2:10) [G&H BMI—Andrews]

"BABY COME BACK" (2:15) [G&H BMI—Andrews]

LEE ANDREWS (Casino 543)

● Andrews' first for the Casino label could put him back in 'clicksville'. Deck's future lies with "I Wonder," a lovely ballad performed tenderly and with sincerity. It's already showing territorially and could break out nationally, pop and r&b. Under portion, "Baby Come Back," is another pretty rock-a-ballad.

"COMIN' AROUND THE MOUNTAIN" (2:05)
 [Greenwich ASCAP—Arr. Morissette]

"YOU AND YOUR LOVIN' WAYS" (2:03) [Venice BMI—Morissette]
 JOHNNY TWO-VOICE (Specialty 676)

● Strong r&b version of the old "Comin' Around the Mountain" makes an impressive debut disk for the singer, who derives his name from the way he switches from a low to high pitched voice. Tune is wrapped up in a real frantic combo-chorus package. Flip is a soulful, earthy blues that Johnny wails expressively. A power-packed outing with a bright future.

TINY GRIMES
 (B and F 1325)

B "BLUES ROUND UP" (2:45)
 [Frederick BMI—Grimes] Tiny Grimes sets up fast paced blues with his guitar, while the Rocking Highlanders (along with their instrumental assistance) chime in with occasional lyrics.

B "TINY'S BOOGIE" (2:55)
 [Frederick BMI—Grimes] All instrumental boogie-woogie features Grimes' hot guitar all the way.

EDDIE BO
 (Ric 962)

B "I NEED SOMEONE" (2:25)
 [Ron BMI—Bocage] Bo's good blues shouting is demonstrated on this attractive side. Gonna collect loads of spins.

B "HEY THERE BABY" (2:05)
 [Ron BMI—McKinley, Bocage] Another strong vocal effort by Bo. This one's a fast rhythm affair.

CLEVE DUNCAN
 (Dooto 451)

B+ "TO KEEP OUR LOVE" (2:53)
 [Williams BMI—Duncan] Strong "Six Nights A Week"-style ballad entry by Duncan, the lead singer with the Penguins on "Earth Angel," is given a unique sound by the interplay of harp and piano in backdrop. Can make the grade.

B+ "I'M BETTING MY HEART" (2:17)
 [Williams BMI—Chambers] Here Duncan takes off energetically on a driving rhythm rocker. Excellent r&b pairing. Splendid support by The Radiants.

LITTLE JOE
 (Okeh 7121)

B+ "I NEED SOMEBODY" (2:18)
 [Peer BMI—Neil] Very attractive romantic rocker. Joe's appealing vocal efforts take on a Sam Cooke flavoring. Should attract attention in both pop and r&b circles.

B+ "IT'S BEEN A LONG TIME" (2:22)
 [Saratoga BMI—Cook] Another ear-arresting job by Joe, expressively reading a bittersweet love ballad. Can also collect coin.

THE TRAMPS
 (Arvee 570)

B+ "MIDNIGHT FLYER" (2:15)
 [Winneton BMI—Watts, Mosley] Excellent group treatment of the tune that's making it via the Nat King Cole waxing. Lead vocal shines. Tho late on the scene, can come in for some loot.

B "YOUR LOVE" (2:06)
 [Arvee BMI—Young, Parker] Exciting rock effort with all hands pitching in enthusiastically. Deserves spins.

SLIM HARPO
 (Excello 2162)

B "YOU'LL BE SORRY ONE DAY" (2:20)
 [Excello BMI—West] Mildly swinging blues opus enlivened by Harpo's fine wailing.

C+ "ONE MORE DAY" (2:22)
 [Excello BMI—West] Earthy blues is chanted feelingfully.

LARRY BIRDSONG
 (Champion 1015)

B+ "SOMEDAY SOMEWHERE"
 [LaVern BMI—Jarrett] The singer attacks this hand-clapping jump tune with vigor and enthusiasm. Attractive vocal style; will grab off many sales and spins.

B "YOU'RE MY BABY" [LaVern BMI—Jarrett] Slow, pounding, low-down blueser completes the pairing.

BUCK ROGERS
 (Montel 2002)

B "CRAZY BABY" (2:15)
 [Red Stick BMI—Rodriguez, Bryan] Conventional, pounding rock-a-ballad is capably handled by the singer.

C+ "ROSE MARIE" (2:19)
 [Red Stick BMI—Bryan] Up-tempo pleading session here. Jets back up on both portions. Ampar distributes deck.

THE CASH BOX BULLSEYE

"BALLAD OF THE BLUE AND GRAY" (2:34) [Red River BMI—Howard]

LEFTY FRIZZELL (Columbia 41455)

● Sensitive reading of a doleful, heart-rendering Civil War ballad, "Ballad of The Blue and Gray," is one half of Frizzell's potent follow-up to "The Long Black Veil." Frizzell sadly relates the tale of two brothers who fought against each other. Other portion, "Farther Than My Eyes Can See," is another tearful excursion, this time into the realm of romance. A two sided winner for Frizzell.

"UNION SUIT" (2:15) [Cedarwood BMI—Wilkin, Robertson]

"DOWN BOY" (1:56) [Silver Star BMI—Daffan, Fikes, Shoss, Talbot]

BILL CARLISLE AND THE CARLISLES (Mercury 71490)

● Group, which scored heavily a few years back with "No Help Wanted" among others, returns to the Mercury roster with "Union Suit," a rib-tickling poke at the current rash of folk-history, march tempo hits. A delectable item that could climb way up the dual mart ladder. Lively all-market rocker, "Down Boy," completes this dynamite pairing.

ADRIAN ROLAND

(Allstar 7189)

B+ **"NOW I KNOW"** (1:51) Allstar ASCAP—Roland stands a good chance of cashing in big with his tender cuddling of the tearful middle beat ballad here. Done in a traditional country style, the tune has a winning sound.

B **"MR. BASS FIDDLE"** (2:05) [Allstar ASCAP—Roland] Another fine effort by Roland, also concerning the sad side of romance.

SONNY HODGES

(Larry 802)

C+ **"SHAKE A LEG"** [C&S BMI—Hodges, Carroll] Steady driving, rock-a-billy rhythm opus. The Bop Beats assist.

C+ **"A DATE WITH YOU"** [C&S BMI—Hodges, Carroll] More pop-angled, rocking country sounds from Hodges and the Bop Beats.

HERB HENSON

(Shasta 121)

B+ **"GOODBYE BABY GOODBYE"** (2:10) [Henson, Simpson] Infectious, up-tempo romantic ditty is sung pleasantly by Henson, who's a deejay with KERO-TV, Bakersfield, Calif. Nice, easy-going side.

B **"UNCLE NED"** (2:08) [Henson, Woods] Folk-type offering here completes a tuneful coupling.

ALTON DELMORE

(Linco 1315)

B **"GOOD TIMES IN MEMPHIS"** (2:30) [Linco BMI—Delmore] Formerly part of the Delmore Brothers act, Alton comes out of retirement with a traditional country blues item.

C+ **"THUNDER ACROSS THE BORDER"** (2:40) [Linco BMI—Delmore] Another march-tempo history tale. This one concerns escapades of President Andrew Jackson and the heritage he left behind.

LINK DAVIS

(Tanker 715)

C+ **"PERMIT BLUES"** (2:20) [Western Artists BMI—Sherlock, Davies] Moving country blues opus is belted out by Davis and the Cajuns.

C+ **"AIRLINER"** (2:40) [Western Artists BMI—Davis] More of the same as the lid.

CHUCK CARSON

(Gaity 172)

B+ **"THE PREACHER"** (2:10) [Glen-Ray BMI—Carson] Western ballad about a mysterious gunslinger who wreaked vengeance on killers. Sock singing job. Could collect coin.

B **"WAGONS ROLLING WESTWARD"** (2:00) [Glen-Ray BMI—Carson] Another tale about the making of the West.

CECIL BOWMAN

(D 1085)

B **"CURSE OF WINE"** (2:20) [Glad BMI—Edwards, Bowman] Quick paced Western flavored ballad relates a heartbreaking tale. Real weeper.

B **"COTTON"** (2:25) [Glad BMI—Noack, Walker] Traditional opus with a hymn feeling. Two good country sides.

Now Is The Time To

INCREASE

LOCATION TRAFFIC

With the approach of Fall, restaurants, taprooms, and neighborhood bars will see the return of the "regular" customer, the every night or every weekend patron who comprises the location's clientele.

Labor Day appears as the crucial date on the operator's calendar because it is the return to normalcy in locations and, more important, it is the beginning of a season that will not be "broken" by a summer interlude, beginning the longest operating season of all.

The coin machine operator should concern himself with two categories of patrons, as should the location owner; the returning "regular" and, the countless prospects who do not frequent his locations for various reasons. Here lies the increased traffic potential.

Operators have an opportunity at this time to promote and increase location traffic which can eventually become "regular" clientele, and at the same time, cement his location's relationship with the present patrons.

The area for promotion of new patrons is wide open. A program for increasing traffic should be a combination program—the location owner and the operator should take part. It is up to the operator to start the program rolling. A wise operator can suggest many improvements to a location owner without being involved with the actual costs, pointing out that the increased business will lie in greater sales of liquor, beer and food. A new back-bar display, comfortable seating facilities, better lighting, improved service, attractive interior decor changes, window displays, outside sign attraction and a general spruce-up program that will reflect a "relax and enjoy yourself" atmosphere, should take place.

In conjunction with the location owner's improvement program, the coin machine operator should make his own investment with the introduction of new equipment. A new music machine or new game, installed

right at the outset of Fall business, in addition to supporting the owner's investment and program, will not only interest the regular patron but also attract new customers. Up-to-date programming through use of charts and catering to individual location tastes, with speedy changes made when requested through the "post-card" notification system will result in greater music play.

Time should be spent with a location owner to orientate and excite him as to the brand new features of a game, after, of course, the operator has familiarized himself with the equipment and every facet of scoring, etc. Factory engineers are great psychologists—the one new twist to a game could very well be the main reason for intensive play and greater collections. The music and game selling points, while "strictly business" to an operator, are exciting new attractions for patrons constantly looking for something new when they visit a location.

A bright atmosphere of amusement and relaxation is something that should be advertised near and far. It may be accomplished in several inexpensive ways.

Printed material which is made available to locations through many channels (distillers, breweries, music-game factories) can, in many instances, be designed to tie-in with individual location highlights—a music system, a game, tournaments, etc. Local tavern owners associations are fertile ground for promotion ideas and are usually the source of general advertising programs—"Family Week", "Club Luncheon" programs—and other advertisements are designed to increase traffic. Newspaper mats are available for individual use in local newspapers which could answer the "Where shall we go tonight?" question on almost everyone's lips.

Now is the time to use as many of these promotion techniques as is possible. Increased traffic will almost certainly result.

N. Y. STATE PUBLIC RELATIONS GROUP CALLS SPECIAL MTG. SEPT. 2

P. A. L. Officials, Record Company Exec, To Discuss "Juke Box Jamboree" Phase

Bodkin Asks All N. Y. State Coinmen Attend

AL BODKIN

complished to date, and also the program we have prepared to start these programs rolling. Now that vacation time is over and the details of previous meetings have been cleared up, it is necessary for everyone in the industry to attend in order that we receive all of the support possible for the continuation of our program," stated Bodkin.

"I can assure every coinman that if he attends this special meeting and learns what we have in store for the New York State public relations program he will not have to be asked to attend future meetings. We can expect topics of the utmost importance to be discussed openly on Wednesday evening and every man in the industry should make it a point to be there," concluded Bodkin.

The public relations organization has received full support from the Rockland County Association with a membership from each coinman in the association. Al Catanese, president of the Rockland group, advised that all members were fully paid up.

In addition to Rockland, 100% membership dues were received at the New York State PR headquarters, last week, from the entire membership of the New York State Operators Guild, in upper New York State, advised Jack Wilson, president.

Coinmen from the New York City area have also responded to the solicitation mailed out last week, with requests for five-dollar membership dues and additional contributions to finance the program.

Chick Crabtree, Vet Coinman, Dies At 53

CHAPIN "CHICK" CRABTREE

CHICAGO—Chapin "Chick" Crabtree, age 53, owner of Crabtree Music Company, with offices in Madison and Edinburgh, Indiana, died Friday, August 18, after a lengthy illness.

Crabtree, who pioneered in the coin machine business, more than 30 years ago, was widely known in the Indiana area, according to his associate, "Red" Carvin.

Surviving are his widow, Frances, and a daughter, Jean Esther.

Funeral services for Crabtree were held Monday, August 24, in Madison, Indiana.

Nebraska Ops Guild Skeds Fall Coin Meet For Weekend Of Sept. 12 and 13

OMAHA—Howard Ellis, secretary & treasurer of the Music Guild of Nebraska, reported last week that the next meeting of the operators' association is scheduled for Saturday and Sunday, September 12 & 13, in Hastings, Nebraska at the Thunderbird Steak House.

"This is actually a resumption of our business gatherings," Ellis stated, "now that the summer vacation period is behind us, and everyone is settling down to business as usual. We are expecting a good season and

this should be a very interesting meeting.

"Actually," he continued, "there are many important issues to be discussed; such as our local public relations program, the national public relations program—which is just getting underway—and, of course, the copyright situation—a vital problem to all of us in the coin machine industry."

Ellis urged all members to contact Ruff Hopp, host for the occasion, so that he can immediately make hotel or motel reservations for them.

Mickey Mouse and Wurlitzer At Disneyland

DISNEYLAND, CALIF.—Joe Hrdlicka, Wurlitzer service manager, recently completed an eight-state tour in five weeks, covering the West-Southwest territories.

During this trip, Joe visited distributors and field service men in the West. His itinerary included Denver, Colorado; Salt Lake City, Utah; Seattle, Washington; Woodburn, Oregon; San Francisco, Los Angeles and Disneyland, California; Phoenix and Tucson, Arizona; Dallas, Texas and St. Louis, Missouri.

"Wurlitzer phonographs provide much of the entertainment music at Disneyland," said Joe, "and I spent a good deal of time checking over new 100-selection mechanisms which have been installed in the Model 780—Co-

lonial style cabinets, in vogue prior to World War II.

"Enthusiasm of customers for the styling of this now antique juke box and its new up-to-date Hi-Fi sound is most gratifying," continued Hrdlicka.

The original 24-selection, 78 RPM mechanisms of the machines which are spotted throughout the park, have been replaced by Carousel 100-selection units, Ceramic pick-ups, new amplifiers and all the paraphernalia needed to produce interesting music. The earnings of the machines have multiplied several times since the interior transformation was accomplished, advised Hrdlicka, shown above in the Wurlitzer Store, Disneyland, with a Model "2300" Wurlitzer stereo.

Williams Ships New "Titan" Gun

SAM LEWIS

"All three of our previous rifle games racked up enviable sales and record breaking production schedules," continued Lewis, "and by all appearances 'Titan' will surpass even these fine records."

"Titan" is a bouncing ball target game, which has the target area on the playfield laid out so that the bouncing balls fall into line on the back. The player launches the balls by shooting at targets under the ball holes.

A new "super hole" has been placed at the bottom of the playfield, in the center of the target area. This feature triples the score when it is made. 2 light targets at each side of the playfield launch all balls when lit.

Another feature Lewis made particular mention of is the lighted scoring area above the playfield, which has a picture of a rocket thrust forward into the Universe.

"We are particularly proud of the beautiful cabinet," stated Lewis, "and we must emphasize that this cabinet was designed to fit into any size location, regardless of how large or small it is. The most important consideration is, of course, that it will definitely bring in high earnings to the location and the operator."

"Sample orders are being shipped out to our distributors now," he concluded.

CHICAGO—Sam Lewis, vice-president, Williams Electronic Manufacturing Company, this city, announced the release last week of the company's new rifle target amusement game, "Titan."

"We very proudly announce 'Titan's' release to the trade," Lewis declared, "for it is definitely a great successor to our previous stellar gun games, 'Vanguard', 'Hercules', and 'Crusader'."

N. Y. State Guild Reports 100% PR Members

NEW YORK — Al "Senator" Bodkin, chairman of the Public Relations Committee of the New York State Coin Machine Association, Inc., advised that with the close of business last week the membership from operators associated with the New York State Operators Guild, an upstate coin machine group, totaled 100% with all twenty-seven members recording PR membership dues of five dollars each.

"The response from the upstate area has been most gratifying," stated Bodkin, "and I want to personally thank Jack Wilson, Tom Greco and Amelia McCarthy for their solid support. Just last week members of the Rockland County section forwarded their membership dues and I believe a word of thanks is in order for Al Catanese for his support in the Rockland area."

Bodkin advised that the date of the next PR Committee of the N.Y.S.C.M.A. meeting will be announced as soon as industry guests and affiliates can agree on a date suitable for all concerned.

Distributors Report Late Summer Demand On Used Equipment

EASTERN FLASHES

Tenth Avenue saw a big demand for used equipment these past few weeks with ops making larger than usual purchases of reconditioned music and games for spots rating a late model used machine. Distributors were standing by for the return of equipment on location at resort locations due back in another two or three weeks and also of the expectations of solid sales on new machines for the Fall season push.

Al "Senator" Bodkin reports that "Juke Box Jamboree" banners are in production for use during the first P.A.L. teenage dance which will be held under the auspices of the Police Athletic League on a date to be determined at the next Public Relations meeting. Bodkin advised that the membership mailing to every coinman in N. Y. State would be completely in the mails by Thursday of last week. Response to date shows a 100% membership for the Rockland County area and another 100% response from the twenty-seven members of the New York State Ops Guild. A very gratifying sign as the PR committee continues to lay the foundation for a much needed program. In addition to the program, Bodkin was hard at work getting P.A.L. execs and record company veeps together to set-up an in-person teenage juke dance party. He tentatively scheduled a dinner-meeting where it was hoped that these much needed activities could be worked out to everyone's advantage.

A surprise visitor to New York last week was Sol Gottlieb, of D. Gottlieb & Co. Sol dropped into New York after attending Irv Blumenfeld's daughter's wedding in Baltimore. Sol advised that the bride looked "pretty as a picture" and he proceeded to see some of the New York sights including the Pulitzer prize winning play, "Raisin In The Sun." . . . Nash Gordon, secretary, M.O.N.Y., advised that Al Denver was back at his desk after a short vacation and also that the Gordon kids have returned from camp, slightly revising Mom and Dad's long-weekend vacation plans for golf, motor tours and relaxation. "I've got about two more long weekends coming up and we intend to take the kids along regardless of what we decided to do," commented Nash. . . . Tom Greco, Glasco, N.Y., a visitor along coinrow and doing business, too. . . . Another surprise visitor to Tenth Avenue was Jack Berger, up from Baltimore to visit his daughter and also to see coin colleagues. "Business is good down Baltimore way, and we're looking forward to my son Leonard's entry into the medical profession after the first of next year. He has passed his state exams and will be a doctor by next year," states Berger who lost some of his former 250 lbs. and is now slimmed down to about 175. . . . Mrs. Gertrude Browne, strolls the avenue quickly getting her coin machine shopping done fast in order to drive back home to Beacon, N.Y. . . . Irv Holzman, Black Sales Co., is planning an extended business trip through Buffalo, Canada, Detroit, Baltimore and Chicago. "I'll travel with my wife and daughter, Arlene," advised Irving. "Incidentally, we received our samples of United's '3-Way Shuffle' and advance orders are just fantastic!", comments Holzman. "Whitey" Druckman back after a two-week sojourn. "Fishing, relaxing and lots of doing just nothing made up my vacation this year and it was great," said Druckman. . . . Hymie Koepfel, Koepfel Dist. Co., tells us that his son, Dr. Bert Wasserman, has started his dental practice at 143-43 40th Ave., Flushing. The shingle is out and the patients are coming in steadily, states Hymie, proudly. Harry Koepfel remarks that Rock-Ola's are still pacing nicely and used equipment orders round out the volume from this showroom. . . . Dave Lowy, MJL Operating Co., advises that his two kids, Maralyn and Mike, are returning from their respective jobs at camp, ready for school in a few weeks. Business is good, states Dave, as he manages to corral some parts for his music-game route.

Morris Rood, Runyon Sales Co., busy on the telephone with orders while Irv "Kempy" Kempner returns to his regular road sales job, now that the Connecticut office staff has had its vacation. Irv handled the Runyon Hartford office last week while Hy Gutkin took time off to enjoy the summer heat. Louis Wolberg away on his regular Tuesday-off schedule while Louis Schreiber handles the switchboard and the books during Muriel Smith's lunch hour. Myron Sugerman was expecting a nice export order due in the end of last week after soliciting several accounts on special equipment. The Runyon staff tells us that Barney "Shugy" Sugerman, Abe Green, Dave Stern, Irving Kaye and their wives spent a week in the mountains to "get away from it all" and also, we're sure, to have a ball together. . . . Al D'Inzillo, Albert Simon, Inc., returned from his vacation stating that altho the original idea was to drive to Canada as reported here, he made a "U-turn" at his family's request and toured the Southlands, including Tennessee, Williamsburg, Va., and the Blue Ridge Mountain range. "We had a wonderful time and saw an awful lot," said Al. Al Simon was away from the office for a day or two while Al D. handled shipments on the ChiCoin arcade equipment. . . . Mike Munves, Mike Munves Corp., reports that ops have had a wonderful season practically all over the country. Joe Munves is on the road and is due back this week. . . . Newcomers to the coin machine business are Vito DiLeonardo and Louis Corradi, New York Associates, at 507 Fifth Avenue, N.Y.C. Vito advises that he was in the coin biz several years ago and is getting rolling again in partnership with Corradi. Lots of luck fellas!

Joe Ash, Active Amusement Machines, Philly, telephones the good news that he feels much better after a recent illness and also advises that his son, Larry, who heads the export department at Active, was married last August 16. After a honeymoon and the usual house-setting-up, Larry will take off for Europe again, possibly some time in the Fall-Winter season with an eye to promoting the firm's export sales on the Continent.

MYSTERY OF THE WEEK! Murray Kaye, Atlantic New York Corp., would like to thank the thoughtful gent (or was it a lady?) who deposited a desk set in his office and in his absence, some time last week. The gift was comprised of the head of a number 9 iron golf club with a pen protruding from it. The gift-giver was thoughtful enough to understand Murray's love for golf and oglingly had the name "Murray Kaye" inscribed on it. To date, Murray hasn't the slightest idea who left the golf club-pen desk set. Tune in next week for a possible clue as to who the person is responsible for this gesture! Meanwhile, at Atlantic New York Corp., Meyer Parkoff covers the office and the territory in touch with music, cigarette and coffee machine sales. Reports indicate a big Fall season for the Seeburg distrib.

Music and Game Mfrs. Optimistic Over New Equipment Programs — CHICAGO CHATTER —

With the approach of the annual Labor Day pre-Fall holiday most coin men are busily engaged in the act of speculating about business prospects in the coin machine industry during the Fall and Winter seasons. Actually, speculation is hardly the word, since most execs are quite positive about their optimistic predictions. The game and music equipment currently being produced and planned is all of the highest calibre. A favorable aspect among distributors for the coming season is the increased activity in the coin vending field.

A notable example in the development of coin vending among local distributors is Atlas Music Company, a firm which recently set up a complete distribution of used "as is," and rebuilt cigarette vending and drink machines. Eddie Ginsburg and Nate Feinstein advise us that all models of cigarette vendors will be available at Atlas Music. Atlas men in charge of this new department are Richard Carbajal, Richard Fousek, and Nestor Nieves. Meanwhile everyone at Atlas is very excited about the new Seeburg "1000" background Music system unit. Both Eddie and Nate heap accolades of praise on this new, different unit. . . . Bill DeSelm was quick to advise us that samples of United Manufacturing's "3-Way" shuffle alley bowler are being shipped to United's distributors this week. Both Bill and Herb Oettinger feel that operators will be delighted about the big 3-way scoring features in this 8½ foot, 6 player bowler. It has regulation scoring, flash scoring (with the traveling light across the playboard) and bonus scoring. It comes in 2 models, the regular 3-way shuffle, and Deluxe 3-way shuffle.

SAM STERN

Bally's Herb Jones tells us that the best indication he can possibly give us regarding a forecast of business conditions come Fall is that he's feeling like a zillion (and that, we're certain, everyone's happy to hear), and Bill O'Donnell and Art Garvey are working like blazes to fill orders on Bally's "Batting Practice" game. . . . First Coin's Joe Kline took the time from a busy office schedule to relate that Sam Kolber and Fred Kline are occupied these balmy (hot!!) summer days entertaining a lot of out-of-town operators. Joe and his crew are anxiously awaiting delivery from the factory of Chicago Coin's "Playland" shooting gallery. . . . Paul Huebsch, vice-president of J. H. Keeney & Company, informs us that the firm's president, Roy McGinnis, embarked August 28 aboard the U.S.S. United States flagship luxury liner on a tour of England and the European continent. We echo his many friends who say: "Bon Voyage"!! . . . Congrats to the officers of the Milwaukee Phonograph Operators' Association who were re-elected to office last week in a meeting at the Ambassador Hotel in Milwaukee. They are Sam Distributing Company, president; James Stecher, Novelty Service Company, vice-president; Jerome "Red" Jacomet, Red's Novelty Company, secretary-treasurer; and Harry Jacobs, Jr. of United, Incorporated was added to the board of directors to replace retiring Otto Hadrian. The op association is currently laying plans for a banquet during the next scheduled meeting, September 14.

Mort Seore, Chicago Dynamic Industries, reported last week that sales director Art Weinand is off on a short vacation with his lovely wife Kay and the children. The prime purpose to escape the intense heat around "Windy City." Both Sam Wolberg and Sam Gensburg are back home from their respective trips on the European continent. Jerry Koci returned to his busy desk from a short convention stay on the West Coast. Mort tells us that Chicago Dynamics appointed Joe Westerhaus' Royal Distributing Company of Cincinnati, Ohio for the territory of Cincy and the surrounding area. The manager of Royal is Harold Hoffman. . . . Midway Manufacturing's Ralph Sheffield infos that since his secretary is on vacation for the next few weeks his ever faithful frau offered her services, and he assures us she's doing a bang-up job. Gil Kitt, owner of Empire Coin, and Joe Robbins tell us Midway's "Red Ball" upright game is doing a whale of a sales job at Empire. Joe is eagerly looking forward to a booming Fall season with no let-up during the Winter season.

"Miss Annabelle" (D. Gottlieb & Company's new pin-ball beauty) is the big news at the busy Gottlieb plant, according to Alvin Gottlieb. Dave Gottlieb and Nate Gottlieb are both happy about the fact that the vacation season is "behind us" and that it's business as usual at the plant. . . . Clarence Schuyler, Games, Incorporated, reiterates by assuring us that Games, Inc.'s "Wild Cat" and "Twin Wild Cat" electronic upright games are both at peak production these days. . . . AMI's Ed Ratajack phones to tell us that he just wanted us to know he hasn't forgotten about us. It's just that he doesn't usually sit down at his desk long enough to pick up the phone these days. Ed is eagerly anticipating a terrific Fall season, just as many of the other busy execs. . . . Sam Lewis, vice president of Williams Electronic Manufacturing Company, informs us that Williams' new "Titan" bouncing ball target gun amusement game is being shipped to the firm's distributors this week. Sam Stern and Lewis believe that "Titan" is definitely the finest gun game ever produced by Williams Manufacturing. It features a Triple Scoring Super Special in the playbox and, as Sam Lewis expresses it, "a super elegant cabinet which will brighten any location."

Johnny Frantz generally foregoes his vacations during the hot weather. However, he manages to take a little time off weekends from a very hectic schedule at the factory to spend some time with his family. Johnny's "Dodge City" counter gun target game is still maintaining a high sales record in all markets. . . . A good time was had by all at Auto-Bell Novelty's Grand Opening shindig at the new headquarters. Ted Rubey and Estelle Bye of Marvel Manufacturing dropped in just to wish Zeke Wolf, Al Warren, and Howie Freer the best of luck. A surprise visitor was Mickey Anderson, Mickey Anderson Distributing Company in Erie, Pa. Other visitors were Joe Robbins, Empire Coin; Joe Kline, First Coin; Joel Stern, World

Wide Distribs; Irv Ovitz, Coven Music; Mac Brier, Donan Distribs; Murray Sandow of Buffalo and Ardon Brad of Niagara Falls came in for the affair, and Woody Smith, and Caroline Weintraub of Empire Coin were also in attendance there. . . . Joel Stern, World Wide Distribs, tells us that foreign business has really been booming the past month. The best part of this is the fact, according to Joel, that this is an excellent market price wise. Joel is very pleased with the reception Games, Inc.'s, "Twin Wild Cat" has been getting among operators here. He further infos that Fischer's pool tables are moving out very well in the Chicago area. Len Micon reports a high rate of sales on the Rock-Ola "Tempo" line of phonographs. However, he assures us that sales have been steadily high since these models were first released last Fall. Fred Skor busy as a beaver shipping out export orders, as usual.

BILL O'DONNELL

The Rock-Ola plant is a beehive of activity preparing for the coming big Fall rush. George Hinner advises that Donald Rockola and Ralph Petri are headed for a biz trip to Frankfurt, Germany to visit Alfred A. Adickes at his Nova Appartite Gesellschaft plant, and a month of touring around the continent sizing up the markets there. Dave Rockola, Edward Doris, Les Rieck and Kurt Kluever all laying plans for a busy Fall season. No more buzzing around the block outside Rock-Ola's plant looking for a place to park (generally non-existent). Rock-Ola now boasts a spacious black-top parking lot adjacent to the plant (at Sawyer and Chicago Avenues). . . .

Condolences to the family of Chapin "Chick" Crabtree, Crabtree Music in Madison, Indiana, who died last week. . . . Fred Minter, Gateway Cooperative Distributing in Evansville, Indiana, phones to ask us how miserable the weather is hereabouts (Plenty bad, Fred! Ugh!), and to chat for a few moments. Fred expects things to break wide open right after Labor Day.

A report from Herb Tekip, arcade manager at River-view Park, reveals that the amusement park enjoyed the greatest play in the arcades in many years. Herb handles quite a lot of equipment in the several arcades sprawled throughout the huge park, and he assures us that everything got heavy play this summer. River-view Park closes down till next Spring right after Labor Day. . . . Al Warren phones just before deadline to inform us that Auto-Bell Novelty appointed David Rosen Company of Philadelphia to handle the line in the Eastern section of Pennsylvania, all of Delaware, and the entire state of New Jersey.

Rosen To Distribute Auto-Bell Line

CHICAGO — Al Warren, sales director, Auto-Bell Novelty Company, announced the appointment last week of David Rosen, Incorporated, in Philadelphia, to handle the complete line of Auto-Bell amusement games. Territory assigned to the Rosen firm by Warren is the Eastern section of Pennsylvania, the entire state of Delaware, and the entire state of New Jersey.

Rosen, a veteran of many years in the coin machine industry in Penn-

sylvania, expressed his complete satisfaction about handling the Auto-

Music Machines Enjoy Volume Sales Along West Coast

CALIFORNIA CLIPPINGS

The one-stops and distributors along "coin machine row" this week report increased activity, with several new machines and a number of "hot" new disk releases leading the way. . . . At Minthorne Music, Wayne Davis and his family on a two-week vacation to Vancouver, British Columbia. Matt Nordberg reports the new model Seeburg "OB-3" Fresh Brew "Coffee Bar," is enabling the vendors in the Southern California area to reach thousands of locations, which were not formerly available to them because of the larger type coffee brewing machines. The "Coffee Bar" is similar to the model FB-500, which has been designed, engineered and proven to the most exacting details. Matt went on to say the response to the machine has been tremendous. Ralph Cragan busy writing orders on the Seeburg stereo phonograph. . . . Gary Thompson, operator from Long Beach, vacationing for two weeks in the High Sierras. . . . At C.A. Robinson & Co., Hank Tronick informs the new United "League" bowling alley is arousing interest on the part of operators who know how successful the team features were on the small ball bowlers. United's "UPB 100" phonograph is enjoying good steady sales with many repeat orders coming in. Now that the phonograph has been time tested, Hank continued, the operators are more than gratified with its performance. Robinson's is expectantly awaiting the arrival of Williams new "Titan," and Chicago Coin's new "Playland" rifle gallery. Hank says these two guns are improvements on the previously successful models, and will unquestionably enjoy as much or more success than its predecessors. J. F. Al Bettelman preparing for his sojourn into the rugged High Sierra mountains on a pack trip with his family. . . . One is a singing group called The Pretenders, the other is a vocal and orchestral group tabbed Freddy and The Flashes. Norty predicts another smash for Frankie Avalon with his current Chancellor waxing, "Two Fools." Paul Anka's new ABC Paramount offering, "Put Your Head On My Shoulder," is Louis Baruch's idea of a sure thing to follow-up the big "Lonely Boy" disk. "You're Mine," featuring The Falcons on Unart Records, looks like another strong side for the group who are still riding high on the charts with "You're So Fine," says Frances Hoffman. . . . Sam Ricklin, at California Music, states that business during the summer was generally very good, with the past week keeping them especially busy. Laymon's, traveling to Hemet Lake fishing over the week-end accompanied by his family. Charlie Daniels reports he's going to Sherwood Lake over the week-end to do some fishing also. Paul and Lucille Laymon celebrated a wedding anniversary last week with the party being held at Charlie's home. Guests included other members of the firm and their wives. The new Bally game, "Batting Practice," just arrived, Charlie stated, and orders are expected to be big. The Bally "Pan American" bowlers have been moving at a fast pace the past week. Russell Early, from the warehouse and painting department, on a one week vacation with his family. . . . At Associated Distributors, Al Silberman sends word from Hawaii that he and Mrs. Silberman are having a wonderful time. Al also stated that the juke-box business in the Islands is fabulous. Atlas Music Expands Cigarette Machine Div.

NATE FEINSTEIN

CHICAGO — Nate Feinstein, Atlas Music Company, the Seeburg distributor in this city, announced last week that important additions have been made in the firm's vending machine division.

"Atlas Music," Feinstein declared, "is now handling an assortment of popular brand used cigarette vendors. These cigarette vendors can be purchased by the operators either rebuilt, or 'as is'.

"For many years," Feinstein continued, "music operators have been accustomed to securing the very best in used phonographs at Atlas. Now they can look to Atlas with confidence as an important source of supply for the very best in used cigarette vending machines. The very same dependable reconditioning process applied to Atlas used phonographs for years, a reputation of quality, will be applied to the rebuilding of used cigarette machines.

"Our increased sales of new Seeburg cigarette vendors," Feinstein said in conclusion, "is bringing us many good, used cigarette vendors in trade. Many of the operators who have been doing business with us steadily find that the many important services we offer, with new and used machines as well as parts, are a boon to their business."

The Atlas vending machine staff consists of Richard Carbajal and newcomers Richard Fousek and Nestor Nieves.

A Revolutionary New Concept In Single Player Amusement Pinball Machines!

Gottlieb's *Miss Annabelle*

After years of research, experiments and testing, three great new features have been combined for the first time in a single player game.

FAN SEQUENCE SCORING

Two portraits of Miss Annabelle, one covered by a fan, appear on light box. Each time ball drops in center hole when lit, one leaf of fan folds. When fan is completely folded, player scores specials. Feature holds over from game to game.

SCORE TO BEAT PANEL

Light Box houses two scoring panels... players score and "Score to Beat" feature. When player reaches a certain score, the "Score to Beat" Panel lights start flashing on and off. Lights continue to flash until game is over.

SINGLE PLAYER PANEL SCORING

Features large black numbers on all white background. Player can easily read score at a single glance. Especially effective while ball is in play.

These, plus the following, round out an action packed, exciting and highly profitable game for your locations.

- Matching purple and white numbers lights center hole for 10 times target values
- On-off rollovers light pop bumpers for high score
- 4 flippers for "relay" action skill shots
- 2 cyclonic kickers • Match feature

See, play and order MISS ANNABELLE at your distributor today!

United Ships New "3-Way" Shuffle

BILL DeSELM

CHICAGO—Bill DeSelm, sales manager of United Manufacturing Company, this city, announced the release last week of United's new "3-Way" shuffle alley.

"The best way to describe our "3-Way" shuffle alley," stated DeSelm, "is to merely say that it is 3 popular games in 1, suitable for use on every location.

"Sample shipments are now being made to United's distributors," continued DeSelm, "and we urge operators to look this terrific game over, and play it."

"3-Way" shuffle alley, a 6 player game, comes in 2 models, the regular 3-way shuffle alley, and the De Luxe model, which has the 3-way Match Feature.

The game features "Flash scoring," which has the traveling light moving across the playboard for high score. The player can also play regulation

scoring. This has all the features of regulation bowling. Bonus scoring offers bonus frames for high score. "3-Way" shuffle alley is 8½ feet in length.

Milwaukee Re-elects Panel

MILWAUKEE — Sam Hastings, president of Hastings Distributing Company, this city, and the president of the recently formed Milwaukee Phonograph Operators' Association, reported last week that the entire panel of officers for the first term was re-elected to office at the group's monthly meeting, August 10, at the Ambassador Hotel.

Among those returned to office were Hastings, president; James Stecher, Novelty Service Company, vice-president; and Jerome "Red" Jacomet, Red's Novelty Company, secretary-treasurer.

Harry Jacobs, Jr., United, Incorporated (distributors), was named to replace Otto Hadrian on the board of directors. Other members renamed to the board are Arnold Jost, Arnold's Amusement Company; Bob Puccio, P & P Distributing Company; and Vince Waters.

Hastings advised that Harry Jacobs, Jr. was placed in charge of a banquet committee to commence planning a banquet to be held September 14, the date of the regular monthly meeting, possibly at the Ambassador Hotel. Main purpose of this affair is to bring together all of the area's operators in a strong bid for new memberships. Hastings will advise further at a later date.

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "THE CASH BOX PRICE LISTS"

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.
