Hard Choices

definite Add
NICK MASON/RICK FENN (WITH D. GILMOUR), "LIE FOR A LIE", COLUMBIA... which one's finer? That's easy--this one, 'cause it's half the band, replete with Mr. G's inimitable vocals. Or it could be Floyd for that matter. At any rate, it's commercial and contemporary and will hit the airwaves like a ton of bricks.

7 **THE ADVENTURES, "SEND MY HEART", CHRYSALIS...** What happens when Robber Plant meets Major Tom? This thoroughly entertaining and engrossing virgin vinyl audiophile 12", that's what. Kevin Sutter tells us they've opened for Tears In England and that we can expect them to open a major tour here this summer--we say give it a spin and you'll open your playlist right now.

MAX CARL, "THE CIRCLE", MCA... When our boy Max starts in with those whoa-ohs right off the bat, it's almost a fifties flashback--but the chorus and arrangement are timeless hit radio rock. Max's pipes pack a mean punch--but you already know that from the Jack Black Attack and Bronzethal days--and the hook's a world class killer.

4 **UR40 (WITH CHRISSEY HYMDE), "I GOT YOU BARE", A&M...** The original broke in the summer, so say it and play it again. Don't forget, UR40 moved 450,000 units behind "Red Red Wine" and with a touring base that sells out every show and Chrissy's magic touch, this special package can't miss.

7 **MARILLION, "KAYLEIGH", CAPITOL...** We've long expected their passionate swelling art rock in the grand Genesis tradition to duplicate the UK success stateside. Happily, "Kayleigh" is their Concorde to hit heaven. It's been a Top 5 single over there for 5 weeks now (Top 5 for 5?) and just rocketed the LP into a number one debut--above Sting's solo. But all that's pondslag compared to the exquisite sound of this song. Listen and add.

7 **MICHAEL McDONALD, "NO LOOKIN' BACK", WB...** Michael could read the help wanted and melt females left and right--so, when he ties into a real rocker like this, drop it into middays without question. His best song for the format in years.

TIP, NEW REGIME, "TREASURE", RCA... The single "Seduction" is a solid tune airtight--and the one to go for if you're leaning CHR--but our ears lean toward "Treasure". Love that guitar flash, and its already done well at reliable Toronto Barometer CIL0.

Chain Reaction

THE MOTELS, "SHAME", CAPITOL... They check in at #1 Most Added with 49, also the week's highest debut at #47...KEZO's Joe Blood sez, "Richie Zito's sympathetic production brings out the best in the band. Martha's written a great track and this should put them back on top"...KBCO's Doug Clifton calls it "A nice melodic number that finds Martha sounding better than ever"...WPDH's Pam Brooks offers "Martha sounds mint as ever. The lady sure knows how to work a lyric"...And Bob Krane feels, "The band sounds better than ever and their new adventure shows they are successfully exploring new territories."

"BACK TO THE FUTURE" (SNDTRK), MCA... As WVE's Doctor Double G says, "it's good to have another new trademark fun-loving Huey Lewis song"...WLVO's Jo Robinson has another kind of fun in mind, "CHR will play the devil out of 'Power Of Love', so it's smart to add 'Back In Time' and ram it down their throat"...Far as KZEL's Vince Martz is concerned, "Both tunes from the Soundtrack are killers"..."Power" remains at #1, moving 6-5 Most Requested, with "Back To The Future" new on 22, debut #52--giving the LP the week's highest #5 debut.

JOHN CAFFERTY/BB BROWN BAND, "C I T Y", SCOTT BROS/EPIC... The 35-26 Song Under Line represents the week's second strongest increase in total airplay points, while the LP holds at 12/12 Metro...It's #5 Most Added with 13, for 64 total, with ups from KYTS, WLUP, KTXQ, WMMR, KISS, KLPX and 1 more.

THE FIXX, "A LETTER TO BOTH SIDES", MCA... We decided it was time to get a Fixx on progress to date, and the Checklist indicates it's building on 11, including WNEW, KLPX, WCCC, KRQR, KZEW, XATT and WHTF, with only 1 dropping, 12 maintaining and 21 considering. The tune moves 75-58 with 10 adds and 34 now playing, with increases from KTXQ and KLPX. The soundtrack debuts at #48 Nationally/49 Metro.

GODLEY AND CREME, "CRY", POLYGRAM... If the song doesn't close you, these stats should: New on 31, now on 66 after just two weeks, and already upped at KEZO, WHFS, and WHCN, with WHFS, WHTG and WCPZ already listing top 5 phones... Also, note the week's strongest 53-30 Song Primer. More reaction: Larry "The Duck" Dunn, WLIR, "Smashola all over the radio. With such a great video reinforcing radio, how can you miss?"... Amy Grosser, WNEW, "A simple tune, but very mesmerizing"...Tom Starr, WOUR, "Cry is WOUR's current Hook of the Month Club selection"...Rick Van Gil, WIOT, "More sounds of pleasure and approval happen everytime we play it"...And from WBLM's Tom Wallace, "Can't get over the stunning beauty--sounds tremendous."

X, "BURNING HOUSE OF LOVE", ELEKTRA... #4 Most Added marks the spot where their most commercial effort yet starts out with 19 adds and a #97 debut...KBCO's Doug Clifton advises, "Toss out any preconception you have about X. 'Burning' is about to explode this band into the mainstream of rock"...KZEW's Cindy Ballen says, "I've been waiting my whole radio career to add X--and this is it"...From KEZO's Joe Blood, "I've always liked this band, but this time around they put it all together. This cut should bring the band mainstream accessibility--a true killer."

JEFF BECK, "IT GETS US ALL...", EPIC... The LP Primes 4-3 Nationally, with the week's third strongest overall point gain, as "Gets Us All" gains 49-43, with 13 adds and ups from WSKS, WYNF, KLPX and WRUF, and max mentions from WYHF, WMMR, KMDD and WKQQ...WVCT's Phil Manickl sez, "The 1:01 solo at the beginning of 'Gets' is proof that Mr. Beck is still the best in the business"...Anyone care to bet that point? We thought not.

TIP: CELLARFUL OF NOISE, "I'D WALK THE LINE", EPIC... The name connotes alternative weirdness--but in fact multi talented Mark Avsec is right down the middle. Great shades of the Association!

Chain Reaction

R.E.M., "CAN'T GET THERE FROM HERE", IRS/MCA... The airplay continues to climb, with 10 adds and 90 now playing...7 increases include WNEW, WYNY, KTAQ and KROQ, with none down, 50 steady and max status on 6. "Can't Get There" Primes 30-23, gaining 9-8 Most Requested, as 28% of those now playing rate the phones "excellent", 13% more say "very good", and 45% peg it "good" with a 16% "fair" rating. On the retail side, 38% report "excellent" market sales activity, "very good" at 17%, "good" at 24% and "fair" at 21%. The lp bullets 28-26/34-27 Metro, and here's Greg Gillispie, "We've been looking at the R.E.M. since its release, and as I said at that time, this is their most accessible record to date."

TALKING HEADS, "AND SHE WAS", WB... "And She Was" is indeed album radio's pick-to-click from the heads' latest--it racks up another 10 adds, as 44 now playing and ups from WOUR, WBRU, WBLM and WRUF move it 47-44...The lp repeats at 11 Nationally, moves 20-17 Metro...Take it from hometown supporter, Lars Murray at WBRU, "Listeners really do appreciate quality. We played it four times before it was our #3 most requested song of the week."

SIGNIFICANT SONGS

JOHN PARR, "ST. ELMO'S FIRE", ATLANTIC... Probably the most active record this week: 26 increased play reports dominates in that department, note the 17-11-8 Song Index trend, and the 10-8 lp move was a function of the greatest gain in emphasis points on that chart...It's roaring in the most requested, too, with a 12-6 move...39 stations now list max rotation, and with the above, that number should be closer to 139...Through the roof.

PAT BENATAR, "INVINCIBLE", CHRYSALIS... Yeah, it's been around a few weeks, but you've got to respect 20 play increases--second only to the above in that stat...The tune takes the 8-7 Primer, with 42 max mentions for foundation. Are you taking full advantage?

RUSS BALLARD, "THE FIRE STILL BURNS", EMI... New air on WZZD, WBCN, and WGIR puts the now-playing total at 105. Thanks to 8 max mentions and ups from KGB, KISW, KSJO, KYYS, WOUR, KSRR and 4 more, we've got a 17-13 Song Primer...The lp powers 26-22 in the Nationals; up 26-24 Metro.

MOTLEY CRUE, "SMOKIN' IN THE BOYS ROOM", ELEKTRA... WBLM's Tom Wallace reports "Motley Crue still rules the phones and probably will for the rest of the summer"...They're still locked solid at #3 Most Requested, and 12 play increases places them #5 there...Now max on 7, "4" emphasis at 25 more...They're also the 3rd strongest Index gainer with a 29-24 Primer, also Underlined 31-25 Metro...New on 7, now on 82. An obvious crossover megasmash. Your move GM.

DIRE STRAITS, "BROTHERS IN ARMS", WB... "Money For Nothing" is still #1 Most Requested, and racking up those play increases with 15 this week and 51 listing max play...Now "So Far Away" makes the move with a 78-60 Primer, thanks to new action on WIYY, KLPX, KOMA, WHJY, WPDH, and KXZL. With the lp Underlined 3-2 in the Nationals and Metro, time to hit 'em with "Walk Of Life" again.

PHIL COLLINS, "DON'T LOSE MY NUMBER", ATLANTIC... Very active response continues with 9 adds and re-adds, 90 now playing, and ups from WYSP, WCFM, WRNC, WBRU, WDMA, WLVI and WRUF...What else can we say?

Y&T, "SUMMERTIME GIRLS", A&M... Heating up nicely--their best ever pulls a 57-41-34 song trend with new air on KSJO, KLOL, KGB, WQFM, WGIR and WFLR...Ups include KATT, KOMA, KTXQ, KISS, KLPX and WPDH, with none down...Up 39-37/41-39 Metro for the double Back Page Underline...Checklisting for early phone response, we find "excellent" calls at WEZX, KRQR, KXZL, KLPX and WQFM, while KILQ, KISS and WHJY report "very good" response, and 15 more say "good" calls, including KLAQ, KZEW, WYSP, WBCN, KROQ, WYNY, WOUR and KATT.

COCK ROBIN, "WHEN YOUR HEART IS WEAK", COLUMBIA... The automatics have been hogging the action but mark our worms, the earlybirds will be vindicated. WPDH Pam Brooks knows her hooks, "Glad to say we finally made room. I knew the story was going to grow, so TE's good to be able to add our support"...Or, as WBLM's Tom Wallace puts it, "It seems like Cock Robin has been around forever. The hooks have finally sunk in and the record hits the air. It sounds mighty fine"...New on WCMF, WCPZ, WBLM, WPDH and WHJY. Up on WYNY, and already on the air at KSJO, KMET, KBCO, WCCC, WPYX, WFLR, WLVY, WQGM, KMOD, WBAB, etc., etc.

STING, "FORTRESS AROUND YOUR HEART", A&M... "Somebody" holds at #2, but whoa! Check that 25-14 "Fortress" action...9 adds, 70 on, and 6 adds (WNEW, WYNY, KTXQ, WLVI) made it happen, along with 9 max and 24 "4" emphasis reports... "Russians" moves 71-67 and "Black Seam" works a 91-85 jump.

BILLY JOEL, "YOU'RE ONLY HUMAN", COLUMBIA... A million units in one week should get your attention, and now that the wire services have promoted the teen suicide angle, the song makes that much more sense--at least mornings and middays...New on KMET, KLAQ, KFMH, CHEZ and four more, now on 40, with jumps at WCCC, WRNC and KILQ...The single gets the 55-48 Underline, as the lp debuts at #50, with the week's strongest 46-39 National Prime move.

TAXXI, "STILL IN LOVE", MCA... The album shakes loose with the week's second strongest Back Page Primer 49-43, as "Still In Love" adds at KRQR, KLBV and WGIR...Ups at WRNC, KOMA, KTXQ and WRUF, for a 56-51 Underline...Now on 37 reporters, including KLOS, KSHE, WEBN, WLLZ, WNEW, WYNY, WYSP, KATT, WCFM, KSRR, WRIF, KMOD, KISS, WHJY, WBAB, and KQRS.

'TIL TUESDAY, "LOOKING OVER MY SHOULDER", EPIC... Bob Krane thinks "This is just as strong as 'Voices' ever was"--and he's right. We've got fresh air on 4, current action on KLPX, WQGM, KBCO, WCCC, WBCN, KZEW, WDMA, WHJY, WLIR, and more--and a 76-70 Primer.

HOOTERS, "AND WE DANCED", COLUMBIA... Hey, we didn't expect you to add this track because "zombies" was an instant request monster, or due to their Live Aid exposure. Listen and consider 'cause it's a legitimately great song. Already on KISW, WNEW, KILQ, WQGM, WPMR, KZEW, WHTF and more, with new air on KLOL, WIYY, KISS and WUVA, with an 83-69 Underline.

HOWARD JONES, "LIFE IN ONE DAY", ELEKTRA... Trust your ears, and you too may get results like this--from CFNY's Don Berns, "It made a real strong sales debut, and garnered immediate phones and superhot airplay in the first week. This man can do no wrong"...It's up to #38 with ups from WLUP, WRON, WTPA and WRUF, with none down, and 4-5 emphasis action includes WLUP, WLVY, WLIR, WRNC, KDMB, WQBX, WCKF, WRXL and several more. The Checklist has 12 considering, with 15 maintaining, one dropping and 13 builders.

BRYAN FERRY, "SLAVE TO LOVE", WB... Checking the latest stats, we find "Slave" sliding up 22-21, with new air on WALS and XATV, with KTAQ, KZEW, KROQ and WRUF. 12 down, 55 steady and 8 at max... Next week we Checklist for phones and sales.

TEARS FOR FEARS, "HEAD OVER HEELS", MERCURY... With their roll, you could practically add now, listen later--and win. The latest comes up with a #96 debut, thanks to adds at KSRR, WOUR, WBRU, WRKI, and WDMA--ups from WCCC, CILQ and WQGM, and ongoing action at WNEW, WLVY, WAQX and WBAB.

Chain Reaction

TINA TURNER, "WE DON'T NEED ANOTHER HERO", CAPITOL... Although debuts and moves held the single steady at #46, there's plenty going on. How about 8 increases, including KFOG, WHCN, WLVO, WWCK, KTXQ and WPLR. Just added at WIOT, WRKI, WOOJ, WWCT and KRQR, with KBCO, KTXQ, KYYS, WIOT, WOUR, KZOK, and WRDU among those already playing.

HEART, CAPITOL... The ballad stays at 6, with KGB, WQMF, KTXQ and QWBK leading the list of 8 increases...Now "Looks Could Kill" comes on with a 100-88 underline due to increases from KLBj, WRCN, KTXQ and KLPX, and new air at WRUF, WTPA, WKQQ and KXZL.

AC/DC, "DANGER", ATLANTIC... The Lp turns in a solid week 43-40 in the Nationals, and 44-41 Metro, as "Danger" moves to 55, with increases at KISW, WWCK and KLPX...New at #12 Most Requested, with WDHA, WYNF, WKQQ, WNEW, WHJY, WKLS and WRCN among those into top 5 phones.

MR. MISTER, "BROKEN WINGS", RCA... You can't knock the quality adds--KSRR, WCKG, WRXL, QWBK and 3 more for a 26 station total as "Wings" flies 84-68...Increasing on WQFM, and KLBj with WHJY, KGB, KLOL, WYSP, KAZY, KSJO, WLAV and KBCO among the early believers.

SUPERTRAMP, "BROTHER WHERE YOU BOUND", A&M... "Better Days" primes 86-71, thanks to 3 adds, 1 up, 2 max mentions, 6 "4" emphasis reports and a 33 now-playing count. Meanwhile, the "Brother" edit reels in 9 more including KYYS, WIOT, KFOG, WHTG, KMYZ and WHCN where Bob Bittens is "Glad to hear they managed to edit 'Brother' without changing the overall feel of the song and without chopping David Gilmour's inspired guitar work. 'Brother' rivals the best Pink Floyd and Supertramp and will take the new Lp to new heights"...Rick Van Gil, WIOT is equally delirious over the edit. The guitar work of David Gilmour is superior putting it on an even higher level of Supertramp quality."

COREY HART, "NEVER SURRENDER", EMI... The current airplay count holds at 95, but the Increased Play tally definitely merits a mention--ups include KLOL, WKLQ, KMET, WFBQ, WDHA, WRUF and WGIR--as well as 30 max reports..Up 12-11, with the Lp steady at 20/24-23 Metro.

BON JOVI, "IN AND OUT OF LOVE", POLYGRAM... Adds at WQMF, WXKE and WKLT make it 49 now playing, and ups from WYNF, WOUR and KILQ help hold the #37 Song position. Again, you're light on market validated power rock, so give what should have been the lead off card a second serious listen.

LONE JUSTICE, "SWEET SWEET BABY", GEFEEEN... This act may have hit the bricks with a promotional profile a foot thick, but I'd say the in concert raves with headliners Petty and U2, healthy request follow-thru on "Wicked" as well as retail well past the 150 mark more than qualifies 'em for automatic second shot status..."Sweet Baby" now has it on WYSP, WYNF, KBCO, WLVO, WHJY, WBAB, KGB, KMET, WQFM, WPYX, KAZY, KZEW, and more.

POWER STATION, "MURDERESS", CAPITOL... They get reaction on name value alone, but back it up with talent and technique. Listen to "Murderess" a few times and it'll sound easily as good as the first two from the Lp...New on WNEW, WIYY, KROQ, KNCN, WKQQ and QWBK.

BUILDERS

VAN ZANT, "YOU GOTTA BELIEVE"/"MIDNITE SENSATION", GEFEEEN... Van Zant mounts a double assault as "Midnite Sensation" lands on WQFM, WYSP, WOUR, WPYX, KFMH, WTPA and WRUF, increasing on WYNF, and we expect a Song Index debut next week. Meanwhile, WYNF's Ron Diaz tells us 'You Gotta Believe' is still one of his best-testing tracks. Enjoying better than average play at KSRR, WCMF, WYNF, KQRS and KATT. The Lp rebounds at #50 National, 48-46 Metro.

RATT, "INVASION OF YOUR PRIVACY", ATLANTIC... Ratt one ups the pack with double tracks: "Lay It Down" digs 16-12 songs, steady at #4 Most Requested, as the pieces fall in place for track #2, "You're In Love" priming 95-89, increasing on KISS and pulling Top 5 phones at KXZL and WSKS. New on 3 (WRIF, CILQ and KNCN), now on 15 as the Lp double Primes 21-17/19-15.

BRYAN ADAMS, "SUMMER OF '69", AND "DIANA" IMPORT, A&M... Speaking of depth, the Adams family is no slouch in that department--"Summer" shimmers 13-9 songs, pops up at #10 Most Requested, hauling in 10 quality play increases (WYSP, WFBQ, WNEW, DC101, KQRS, WRXL and WEZX) with new action on KRQR and KTXQ. Over half of the 83 on have it in a "4" or "5" rotation, while the Checklist shows 33 total builders with 14 maintaining and only 2 dropping. Phones and sales are up at WBCN, WYSP, WQFM, WYNF, WIOT, WPLR and KLAQ. Meanwhile, "Diana" pulls in 6 more including WKLS, KSJO, KISW, KEZO, WFBQ, as the count climbs to 32--Priming 42-41 in Songs, increasing on KMET and WDHA.

EURHYTHMICS, "BALL AND CHAIN", RCA... Format exclusive? Yes. It rocks? Bet on it. Working well? Just ask WNEW, KTXQ, KLBj, WPLR, WRCN and WRUF who increased play, or WLVO, KSJO, WNOR and KKCI who just came on board bringing the total on to 60. Priming 39-32 Songs, with KLOL, KYYS, WQMF, KATT, KSRR, KZOK, WHJY, WTUE, WIOT, WAQX and KROQ among the key calls to date.

NEXT UP--TOMORROW'S HITS TODAY

CHEAP TRICK, "TONITE IT'S YOU", EPIC... WNEW was so stoked over this track that they put the advance on the air. Amy Grosser hasn't been this excited over new product in a while, this material is strong. Don't let this record pass you by. 'Tonite It's You' is even starting to pull requests"...Pam Brooks at WPDH feels "It could be the smash hit every group looks for and Cheap Trick deserves. You can only thrill your listeners by getting on this post haste"...Out a minute and already on and smokin' at WIYY, KTXQ, KZEW, KLAQ, WDHA, WNEW and 3 more. Do we smell a comeback?

URGENT, "RUNNING BACK", MANHATTAN/CAPITOL... Shades of Loverboy at their best highlight this exceptional Ian Hunter/Mick Ronson production. A debut effort this strong deserves serious attention. First week action includes WYSP, WHJY, KGB, KLBj, WPLR, WRCN, KFMX and WMGM.

GUADALCANAL DIARY, "TRAIL OF TEARS", ELEKTRA... WRDU's Bob Walton testifies, "I know that it never happens in these enlightened times, but just in case a name frightens you away from a record, close your eyes, open your ears and check out 'Trail Of Tears'. In the tradition of other great pop songs, they get it all said and done in less than 2½ minutes"...Bonnie Stacy, KNCN warns, "Move over R.E.M., Guadalcanal Diary has arrived. It's my favorite new album"...Early calls on the case include WLR, KZEW, KBCO, WOUR, WHFS, WHTF, KLAQ and WWV.

A-HA, "TAKE ON ME", WARNER BROS... As per the tip 3 weeks ago we feel this irresistible summertime sing-a-long deserves priority consideration on your station. Konkorde Kal's Front Red is hip to the trip, complete with 23 adds and Top 10 phone reports. The video is simply one of the best, so expect to be surrounded before you can say "A-HA"! Key calls to date include KBCO, KROQ, KFMH, WFNX and 5 more.

HIGHWAY CHILE

paves the road to rock
with their latest hit

“Christine”

The new 12" from the forthcoming album

“Rockarama”

A Hard Choice!

“Isn't it amazing what a hot new vocalist and a terrific song can do for a band? Yea, you might have heard their previous work, but with the above changes and the new label affiliation, only the name remains the same. 'Give me hypnotic hard rock' you scream? I scream 'Christine'!”

Programmers Are Jus' Beginnin' To Rave!

Bonnie Stacy, KNCN: “It's a great summertime song and definitely a great followup to their first release.

They've got a winner this time!”

Tom Scheppeke, KISS: “Instead of being just another metal band, Highway Chile is on the right road to rock 'n' roll with 'Christine'.”

DIRT ALERT!

SPRING '85 ARBITRON ADVANCES: NY, LA, SAN DIEGO, CHICAGO

WNEW NAILS ITS FOURTH CONSECUTIVE UP ARBITRON...surging 4.1-4.3. The latest numbers put New York's only AOR (for now?) at #5 in the market 12+, up from #6 in the winter. The advance breakouts show WNEW #1 in every male demo, #1 adults 18-34, with gains in women to boot. What does P.D. Charlie Kendall attribute the increases to? "Good radio!" Adding that the 18-24 gains may have had something to do with a spring cleaning promotion where the station "gave away a copy of every record we played and anything else that wasn't nailed down."

In the CHR war zone, Z-100 regains its #1 title lunging 5.7-6.0 with WPLJ in hot pursuit, uptrending again 4.8-5.1. Across the street, WKTU slips 2.3-2.0 while WAPP is off 1.7-1.6. Here's how the Big Apple's Top 5 shape up:

	WINTER 1985	SPRING 1985
#1 WHTZ, Z-100 (CHR)	5.7	6.0
#2 WKRS (Urban)	6.0	5.4
#3 WPLJ (CHR)	4.8	5.1
#4 WOR (Talk)	4.8	5.0
#5 WNEW-FM (AOR)	4.1	4.3

MEANWHILE, IN SOUTHERN CALIFORNIA, THE FIRE STILL BURNS...as KMET, KLOS, and KROQ continue hand to hand combat in a tight three-way battle. New KLOS P.D. Tim Kelly maintains the lead but slips 4.2-3.6, while George Harris and the Mighty Met skate 4.1-3.3 and Rick Carroll's KROQ gains 2.9-3.1.

In CHR action up and down the LA dial, KIIS stays on top, 9.7-9.0, KKHR 2.5-2.7, and KIQQ slides 2.2-1.5.

SAN DIEGO AOR LOOKS MAH-VALOUS...as KGB adds over a share and a half, climbing 6.9-8.6, and 91X tacks on two more, 4.2-6.1.

WLUP, CHICAGO REELS IN THEIR STRONGEST 12+ SHOWING IN YEARS...up 3.5-3.8 as their overall market position zooms from #10 to #7, while WXRT crunches 2.7-3.2, and new AOR WCKG softens 2.3-1.6.

The final score in the Windy City CHR contest is two up, one down, and one flat: WBBM-FM 4.4-4.4; WKQX 2.5-3.6; WLS-AM 4.3-2.8; WLS-FM 2.5-2.7.

CH-CH-CHANGES AT KSJO, WHJY, WLIR, KILO

ENDING AN ASSOCIATION WITH KOME THAT PREDATES MODERN CIVILIZATION...Dana Jang exits his Assistant PD/MD position at the San Jose AOR, to tackle the Op.Mgr/PD post at crosstown rival KSJO and sister station, KHHT. "I'm really excited to be returning to a station I left 11 years ago" Dana told Dr. Dirt, adding, "It was a tough decision because I'll miss my friends at KOME." The segue is just part of major changes underway at KSJO, brought on by new owners Naragansett Broadcasting, who took over July 10th. Former PD Lee Roy Hansen is among the 17 staffers terminated. Staying on are KSJO MD/Air Personality Ken Anthony, Production Director Jack Perry, and air-staffers Karin Nakamura and Todd Daniels. Joining the station are new GM Gary Rodriguez (from KBEQ, Kansas City) and new General Sales Manager Michael Hernandez who handled retail sales for KOME. Word on the street is that KSJO will modify to a more hit-oriented, uptempo presentation, but will definitely remain AOR. Expect more jock announcements soon...Now this...

WHY WAS WRDU, RALEIGH MD BOB WALTON...seen coming out of an ear doctor's office last week???

AND WHILE WE'RE ON THE SUBJECT OF AURAL ORGANS...Ron "Ears Of The Year" Nenni tells us he'll be resigning as PD of WHJY, Providence. Ron is available at the station (401) 438-6110 until August 1st.

NANCY ABRAMSON STEPS DOWN...as all-nighter at Long Island's WLIR with this statement: "After 4 years with WLIR, I feel it's time to move forward. I'm ready to take what I've learned and put it to work in a challenging and creative position"...Reach Nancy at (212) 535-5946.

KILO NEWS DIRECTOR JOHN REID...transfers to the sales department. Replacing John is Gary Street from crosstown KKCS/KKHT.

KKCI, KANSAS CITY PD FRANK HANEL...returns to WBBM, Chicago as Promotions Director.

IT'S BIG, BABE, IT'S...LIVE AID!

ROCK RADIO PROMOTIONS LAST WEEK...could be summed up in two words: LIVE AID! WYNF, CILQ, WNEW, KISS, WRXL, WOVE, KSRR, WKQQ, KMET, WCCC and dozens more sent station crews to Philadelphia's JFK Stadium to cover the music event of the decade. While scores of album rockers gave away round trip ticket packages, others like WHCN, Hartford and WOUR, Utica raised thousands of dollars through Live Aid auctions awarding tickets to listeners who phoned in the highest bids. WOUR also escorted contest winners to Philly in a private plane, while KSRR's Michael Stevens hopped the Concorde to cover the Philly and London shows for Houston's 97ROCK, KLOS and ABC...KZEW, Dallas hosted its own "Texas Aid" raising a cool 20 grand for a local food bank and a fund that will build an orphanage in Ethiopia, while KISS lined up a slew of bands for Live Aid, San Antonio style.

HME LAYS OFF PROMO STAFF, BECOMES CBS ASSOCIATED LABEL

HME RECORDS IS MAKING FINAL ARRANGEMENTS...to hand over its promotion and marketing operations to EPIC/PORTRAIT/ASSOCIATED labels. The label, whose artist roster includes Gino Vanelli, Donnie Iris, Patrick Simmons and John Palumbo previously had its pressing and distribution duties handled by CBS. HME VP National Promotion Ron Gregory tells FMQB the restructuring "will give us more of a presence, promotionally, in the marketplace. I'm making the transition, we had to cut overhead, so we've reduced our field and home office staff down to a bare minimum. We will, however, be calling staff back as it becomes necessary"...As a result of the reorganization, 10 staffers exit HME including National AOR Promotion Director Rich Totoian. Rich, who's held National Promo positions for A&M and E/P/A tells us he's ready to talk turkey at (212) 620-7855.

ROCKIN' ALL OVER THE WORLD

RADIO CAROLINE, THE LEGENDARY BRITISH PIRATE RADIO STATION...now consulted by Lee Abrams, has moved its stateside office to larger accommodations at 25 Randall Avenue, Lynbrook, NY 11563. The phone number is the same (516) 599-7030. Also headquartered at that address is RSI Communications who have just syndicated a weekly 3 hour show featuring Europe's most demanded records. For the bird's eye lowdown, contact Vince Monsey at the number above.

AMERICAN DATES JUST ANNOUNCED FOR THE SCORPIONS...include Texas Jam, Dallas August 24; Salt Lake City August 27; Anchorage AK August 28; Tacoma WA August 29; Day On The Green, Oakland CA August 31; Phoenix AZ September 2. Rob Steinberg at Second Vision tells us he's staging major radio tie-ins with the above dates and the new Scorps concert movie. Interested? Contact Rob at (212) 334-9260.

LOU O'NEILL JR. FLASHES FROM FUN CITY that Duran Duran's Simon LeBon is secretly working at the Power Station in Manhattan. Simon's colleague Nick Rhodes is also collaborating on the EMI project. Larry Alexander is handling engineering chores. Alexander worked with Huey Lewis on "I Want A New Drug", and is one of the best in the business.

STING'S FIRST SOLO effort, "The Dream Of The Blue Turtles", is nearly Platinum - and may well be by the time you read this. The superstar hits the road in America the second week of August, and top executives at A&M Records expect "Turtles" to have a whole new vitality by summer's end. Then, in early October, Sting and his people will be releasing the "Rock-U-Mentary", and the rushes are said to be nothing short of spectacular. The next single will be either "Fortress" or "Love Is The Seventh Wave".

CONGRATULATIONS TO OUR FRIENDS IN FOREIGNER. News is that the band has taken Israel by storm. When Foreigner played Tel Aviv, 35,000 screaming fans materialized and practically shouted the house down. It was Foreigner Mania for about a week. At one point Foreigner even knocked the American hostage crisis story off page one. Says the band's Mick Jones, "The kids knew all the words - every line, in every song."

VETERAN AMERICAN SUPER-PRODUCER JIMMY IOVINE quietly slipped out of the country last week and jetted to London where he'll work with Jim Kerr and Simple Minds. The band, of course, is coming off its biggest hit ever with "Don't You (Forget About Me)".

CONGRATULATIONS TO CAPITOL'S DAVE MORRELL, who was recently promoted to Associate National Promotion Director. Walter Lee, Capitol's V.P. of Promo and Marketing, made the announcement from The Tower.

FMOB UNDERSTANDS THAT MICK JAGGER stopped by the Record Plant last week to re-mix a track from his solo album "She's The Boss". Mick was seen working with Rick Chertoff- of "Girls Just Wanna Have Fun" Fame.

PHIL COLLINS put on a SENSATIONAL performance in Madison Square Garden. Phil generated two back-to-back sell-outs (40,000 seats) and put on one of the hottest shows of 1985. Highlights of the Collins set included: "I Don't Care Anymore"; "Inside Out"; "If Leaving Me Is Easy"; and, of course, the stunning "Against All Odds (Take A Look At Me Now)"...After Phil's closing night sellout, Ahmet Ertegun and Atlantic Records threw a private party for the superstar at the Manhattan night spot, A Dish Of Salt. John Taylor of the Power Station was there sipping champagne; and then there were Jay Jay French of Twisted Sister; Nile Rodgers; Foreigner's Mick Jones; Bud Prager; Carol Miller and Mark Goodman; Liz Derringer; and Michael Shrieve. When one of NYC's pushiest photographers got out of line with Collins' wife, Jill, he chased the obnoxious lensman halfway down the street.

The Rock Report

AS WE REPORTED A WHILE BACK, a huge peace festival is being planned to take place August 21 and 22 in Japan. This event will commemorate the 40th anniversary of the atom bomb destruction of Hiroshima and Nagasaki. The talent line up is still being set but one artist already confirmed is ROD STEWART. Other performers thinking it over include STING, YES, and HOWARD JONES among others. The organizers are also discussing the possibilities of a live via satellite broadcast and/or movie to record the event. Proceeds will benefit cancer and leukemia research in Japan.

SPEAKING OF ROD STEWART, he has recently added songwriter/keyboardist HOLLY KNIGHT to his band. KNIGHT penned such hits as TINA TURNER'S "BETTER BE GOOD TO ME", SCANDAL'S "THE WARRIOR" and PAT BENATAR'S "LOVE IS A BATTLEFIELD". HOLLY will be playing keyboards not only on STEWART'S new Warner Bros. album but on his August tour as well. In the meantime, KNIGHT plans to release her debut solo album with their own new band sometime in September.

WILLIE AND THE POOR BOYS have just released their new single, a version of the OTIS REDDING classic "THESE ARMS OF MINE". Accompanying the track is a video featuring the talents of PAUL RODGERS on vocals, JIMMY PAGE on guitar, BILL WYMAN on bass, CHARLIE WATTS on drums and ROD WOOD on saxophone. All proceeds from the single and album benefit multiple sclerosis research through ARMS.

THE HUNTING OF THE SNARK is a new MIKE BLATT musical based around Lewis Carroll's 1876 poem that features a talented collection of artists performing the verse's characters on record. Among them are GEORGE HARRISON, JULIAN LENNON, ROGER DALTRY, ART GARFUNKEL AND CHRIS SPEDDING. SIR JOHN GIELGUD serves as THE NARRATOR while the musical guests appear in such roles as THE BAKER, THE BELLMAN, etc. The London Symphony Orchestra has recorded the music and they are accompanied by GEORGE HARRISON on lead guitar. The possibility exists for these musicians to carry their roles to the stage for a one off performance. As far as the album goes, Epic in the U.K. plan to release it but have no set date.

THE ORIGINAL KANSAS HAS REFORMED with keyboardist/vocalist STEVE WALSH. They plan to enter the studio as soon as WALSH finishes up the current CHEAP TRICK tour where he is playing keyboards. The last record we saw from KANSAS was 1980's AUDIO VISIONS.

TODD RUNDGREN has just signed a solo deal with Warner Bros., who plan to release his latest album "ACAPELLA" in September. The self-produced LP features TODD using a voice emulator to create the sounds of a band when no actual instruments exist. The voice is programmed into the machine which then transforms it to the desired sound. RUNDGREN has apparently changed his views on the state of rock video as he has agreed to do one for the first single.

THE ROCK REPORT SPOKE TO NILS LOFGREN in London recently. He told us that after completing the European leg of the BRUCE SPRINGSTEEN tour he would concentrate on his LIVE AID performance. NILS, being one of the only American performers on the Wembley bill, was ecstatic to learn that PAUL McCARTNEY had asked him to help out during PAUL'S closing number "LET IT BE". Needless to say NILS was honored after he got over his shock. LOFGREN also told us that he plans to return to Britain in November for a one month tour in support of his latest solo record "FLIP".

APPARENTLY JOHN "BONZO" BONHAM wasn't the only musically talented member of his family as his sister DEBBIE emerges with a single on London's Carrere Records titled "SANCTUARY". DEBBIE BONHAM is a 22 year old singer who also plans to release an album this August called "FOR YOU IN THE MOON".

News From Rock Over London

Last week's DIRE STRAITS concert in Wembley was certainly the place to be, particularly on Thursday's opening night. Among the musical surprises was STING, who turned up on stage to jam on "Money For Nothing". Another added bonus was PETE TOWNSHEND, who did his bit on the last number of the evening. This was all, of course, in the presence of the Prince and Princess of Wales. And the exciting evening's host was Rock Over London's very own lucky devil about town, Graham Dene.

And the DIRE STRAITS concert has provided another royal link. This time to LIVE AID organizer, BOB GELDOF, who bumped into the royal couple at Wembley and they agreed to attend the huge charity event. Regarding performances, the press over here have been casting a few predictions as to what we'll see. Their bets are the new song recorded by ELTON JOHN and GEORGE MICHAEL called "Wrap Her Up" and the top secret DAVID BOWIE video. We'll just have to wait and see.

FREDDIE MERCURY's new one is called "Made In Heaven" and that's out here this week. The 12" includes "She Blows Hot And Cold", which has never been out before and hold on to your hat for the video that goes with that. It's supposed to have its fair share of flying sequences.

There's more than one pleasure dome and that's official. FRANKIE GOES TO HOLLYWOOD have lost their fight against a gay nightclub who've decided to call themselves "The Pleasure Dome", the same title as their hit song. The ruling seemed to hinge on the fact that the controversy-prone Frankies didn't invent the phrase. Meantime, there's their ZTT labelmates, Propaganda, release their debut album called, "A Secret Wish".

SUPERTRAMP's second single, from their top selling "Brother Where You Bound" album, is "Still In Love". The 12" of that features an extended remix of the instrumental version of "Cannonball".

LLOYD COLE AND THE COMMOTIONS are preparing for a September tour. Over here and right now they're in the studio preparing some new material for an album.

OMD followup "So In Love" with "Secret", also from their latest album, "Crush".

Now we all know that Liverpool has always been the home of first class musical talent. A fact well-known by Merseyside County council who have been instrumental in putting out a second "Jobs For The Boys" album that features the STYLE COUNCIL, STEVEN "TIN TIN" DUFFY, and a number of up and coming Liverpoolian bands.

And talking of the STYLE COUNCIL, Paul Weller has landed in a bit of hot water with the people of the town of Milton Keynes. They feel that he's been a bit unfair to their town in the Style Council hit song "Come To Milton Keynes", which is all about the horrors of urban life. The latest is that the townsfolk have invited Paul and company to take a guided tour of their city and see things for themselves.

Well, ROL's very own guided tour begins with "Grownup Girls" from EURHYTHMICS, an exclusive which is not to be found on their album...Who's to argue with ADAM ANT when he says "Vive Le Rock"!!...And from there we move straight onto the FAITH BROTHERS and "A Stranger On Home Ground"...THOMAS DOLBY takes us smoothly and exclusively along with "May The Cube Be With You" and he takes the rare opportunity to sit down and speak with us for a two-part chat about his various and numerous projects.

Question Of The Week

During a recent conversation, Mike Bone admitted to asking prospective Elektra employees questions concerning themselves rather than the business. So this week's Question is a combination of questions he would ask you during an interview and our natural curiosity. Read further for some revealing answers to such questions as...What was the last movie you saw? What are your favorite television shows? What was the most recent book you read? What magazines do you regularly subscribe to? And, what non-industry leisure activities do you enjoy most?

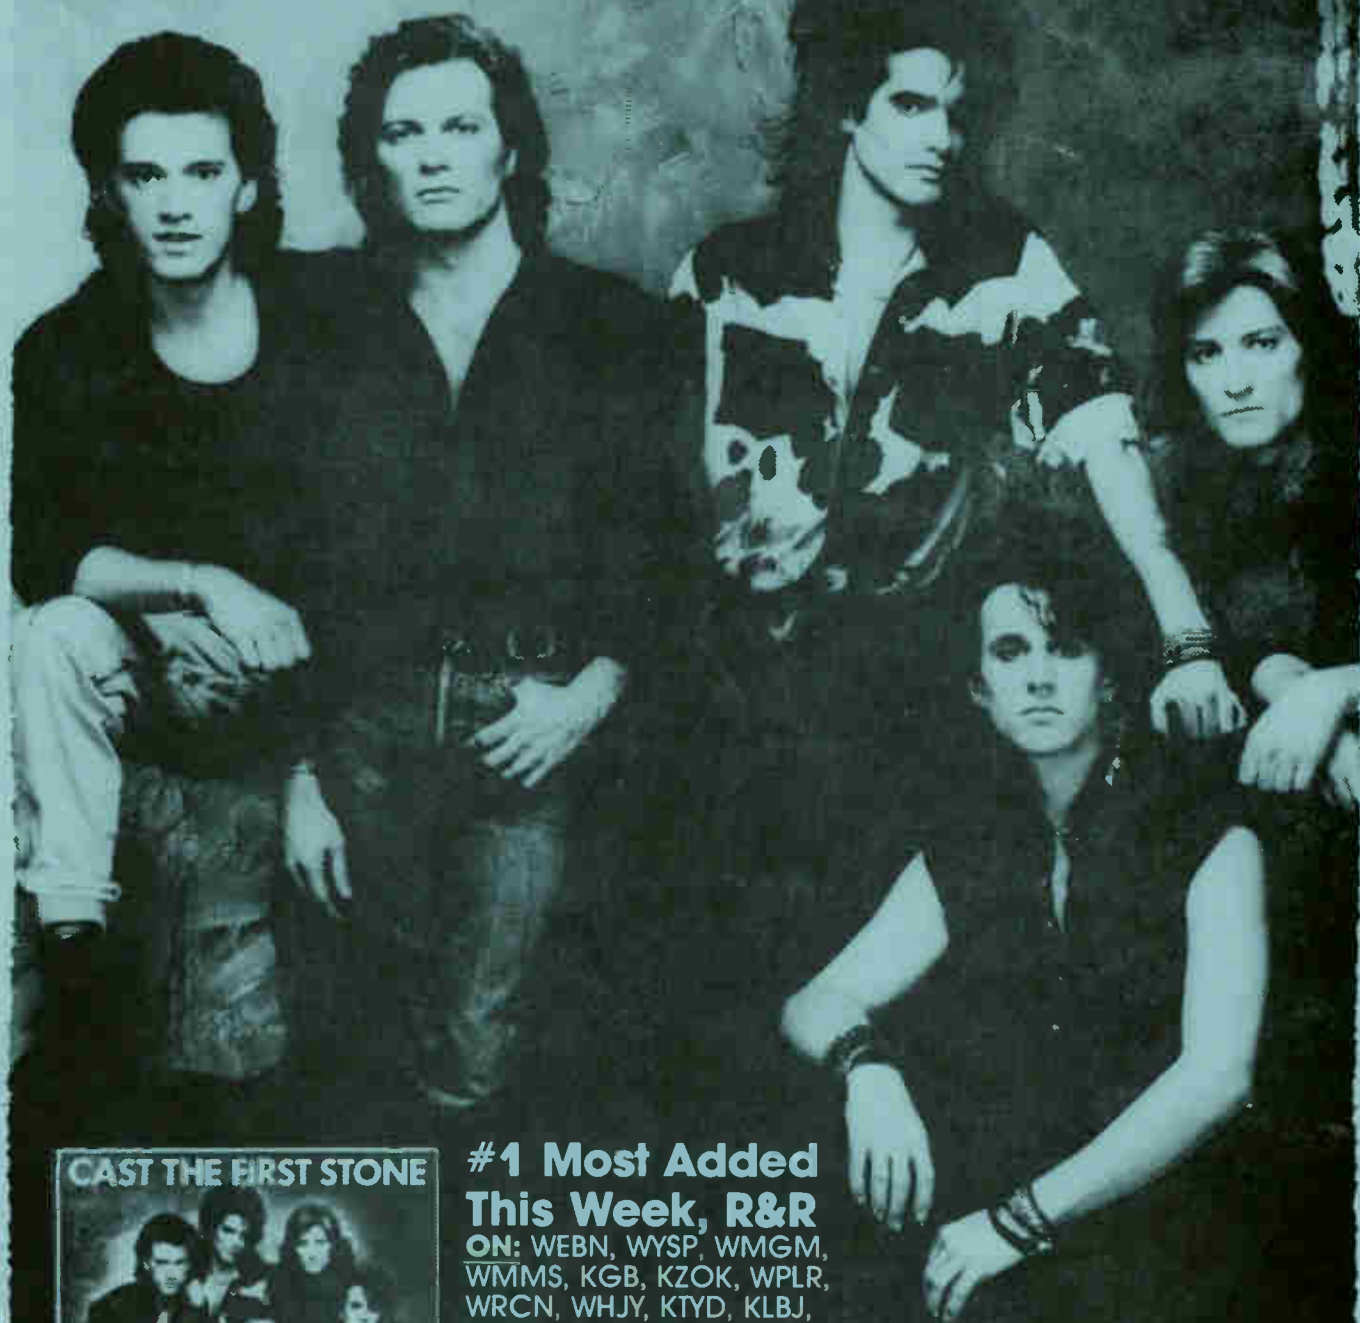

BOB CATANIA, ISLAND: "Well, my last movie was 'Back To The Future'...My favorite TV shows, 'Miami Vice', 'St. Elsewhere', 'Newhart' and Thursday night on NBC...Last books: 'Skeleton Crew' by Stephen King, and 'Berlin Game' and 'Mexico Set' which compromise the first two-thirds of a trilogy by Len Deighton. Great spy stuff...Magazines: 'Newsweek', 'Playboy', 'Collector's Showcase', 'Money' and 'Sesame Street' (for my kid)...Leisure activity: antique collecting."

PAUL RAPPAPORT, COLUMBIA: "Movie: Mick Jagger's 'Running Out Of Luck' - wait until you see it, it's a classic...TV: 'Miami Vice', 'St. Elsewhere', 'Simon & Simon', 'Crazy Like A Fox', 'Dynasty', 'Magnum, P.I.', and 'Riptide'...Book: 'Close Up Magic' by Harry Lorraine...Magazines: 'Magic Manuscript', 'Society Of American Magicians', 'Surfer', 'Time'...Activities: Playing with my kids, close-up magic, travelling, Heavy Beach in the summer, Maine or Long Island, Vermont in the fall, painting (oils), surfing and fencing (really!)"

LINDA KIRISHJIAN, COLUMBIA: "Movie: 'St. Elmo's Fire' and Mick Jagger's 'Running Out Of Luck' on the same day. I guess I was on a movie roll!...TV: 'The Bill Cosby Show', 'Wheel Of Fortune' (don't laugh), 'This Old House', 'Scarecrow & Mrs. King', 'Barnaby Jones' re-runs, 'Dynasty' and 'Knots Landing' (Okay, so I watch a lot of TV)...Book: 'Interview With The Vampire', skimmed through 'Fodor's Guide To The Caribbean & The Bahamas' (I won a trip to the Bahamas. Any takers on the plus one?)...Mags: 'Mademoiselle', 'The Armenian Reporter', 'Harper's Bazaar' for the Horoscope, my share of tips and trades, and I want to subscribe to 'Elle'...Activities: Antiques (Bill, I thought you knew), shopping (I guess I'm an APP at heart. Translation: Armenian American Princess), driving my car f-a-s-t!, going to the country, and taking tea in London."

LENNY BRONSTEIN, HEAVY LENNY PROMOTIONS: "'Rambo' was the last movie I had been eagerly anticipating and the violence and action didn't let me down. My only question is: How will he separate 'Rambo' from the Matt Bowlan character of '79 Books'?...Favorite TV shows: 'Airwolf', 'Miami Vice', the NBA (except on CBS), 'Nightline', 'Have Gun Will Travel' and 'Mike Hammer'...The 79th of the Matt Bowlan series and 'Monte Carlo' by Steve Sheppard (the brother of Richard Blade of KROQ)...Magazines (other than trades): Best magazine of all time: 'New York', second best magazine: 'Los Angeles', 'U.S. News And World Report', 'California', 'Playboy', 'Penthouse', 'High Society', 'Rolling Stone' (the reviews have lost all credibility), 'Sports Illustrated', 'Sport', 'US', 'Signature', at least a dozen other and three daily papers...Full court basketball playing and viewing and the worse addition of all - shopping. (Check my gender)."

BETH ROSENGARD, B.R.A.S.H.: "'Cocoon'. Two-thirds of which was delightful and wonderful; the last third of which was pretty predictable, but I recommend it...Favorite TV shows are 'Hillstreet Blues', 'Cheers', 'Bill Cosby Show', and various assorted PBS dramatic and nature shows...I'm currently reading 'In The Last Analysis' by Amanda Cross, a terrific mystery story writer...I subscribe to 'Consumer Report', 'TV Guide', 'Westways', the PBS programming guide...My favorite non-industry occupation is reading escape fiction."

MICHAEL ABRAMSON, ROCKER DOCTOR: "'The Ten Commandments' - live and in technicolor. Cast of thousands, cost of millions - and it was mah-velous...Favorite TV show: 'Mr. Rogers'...'Huckleberry Finn'...'Hustler' and 'Screw'...Making X-rated movies with Z-rated radio people (No names, call for info)."

DEBRA OVERTURE, ROCKER DOCTOR: "Last movie: 'Head', the Monkees movie...'David Letterman Show'...The new Norman Mailer book...'The Face' from the U.K. is a magazine I read regularly...Swimming."

PAUL BROWN, ATCO: "'Prizzi's Honor'...'Green Acres'...'Stranger In A Strange Land'...'Newsweek', 'Sports Illustrated'...Running, eating, and practicing LaMaze breathing."

MIKE BONE, ELEKTRA: "Last movie was last night, 'The Explorers'. It was a preview...Last book, I'm currently reading a book by William Kennedy, 'Legs'...My favorite magazine is the 'Old House Journal'. I also subscribe to 'National Geographic', 'House & Garden', 'Metropolitan Life', 'Time', 'Architectural Digest', 'New York', 'New Yorker', '13', and 'Horticulture'...Movies, theater, home restoration, gardening, sailing ...TV shows I enjoy include 'Hillstreet Blues', 'This Old House', 'Masterpiece Theater', and 'The Victory Garden'."

SEAN COAKLEY, ARISTA: "'St. Elmo's Fire'. The song inspired me to see the film as did the stellar new talent. The film in a word, sucks. John Parr, however, will break off of this one...In the summer, the Yankees. In the fall, the Cleveland Browns on TV. In the winter, the Rangers, Celtics, Knicks, and Cavaliers, plus all-news shows...The most recent book was 'Lonesome Dove' by Larry McMurtry, a great panoramic, epic western with bigger than life characters and an enthralling story. Although the book exceeds 800 pages, it only took me three days to finish it while on vacation, and I'm not a fast reader...'Musician', 'National Geographic', 'Rolling Stone', 'Architectural Digest', 'Forbes', 'Fortune'...Non-industry leisure activities: Reading, films, theater, and lots of physical exercise."

MICHAEL PRINCE, ATCO: "'Rambo'. It was a night's entertainment...'St. Elsewhere', 'Hillstreet Blues' and 'Miami Vice' are the only three shows I watch...A John D. McDonald book called 'No Deadly Drugs'...'Fins & Feathers', 'Sports & Stream', 'Outdoorsman', 'Hunting & Fishing' and 'Golf Digest'...Golf! I had a four-day weekend and I played 36 holes every day. My average score was 90-91."

KEVIN SUTTER, CHRYSALIS: "'Back To The Future'. Even though Huey's my act and he's got a song in the movie, the strength of the movie alone will knock people out. The whole premise of the motion picture is most unusual...I do watch 'Miami Vice' on Fridays. Channel 31 in NY is currently rerunning 'The Prisoner'...It's been a long time but I'm presently reading Stephen King's 'Skeleton Crew', a collection of short stories...We get 'Gourmet', 'Musician', 'Time', 'Rolling Stone', and 'Travel'...Gardening and exploring are my favorite things to do."

DREW MURRAY, POLYGRAM: "The last movie was 'Rambo'. I use that movie as inspiration for the way I'd like my promotion staff to go into radio...'Miami Vice', without a doubt, 'Cheers', whatever PBS station still carries Monty Python and 'Faulty Towers' are my fave shows...I am currently reading the new Stephen King collection of short stories, 'Skeleton Crew'. He even mentions WBLM in the book...I don't regularly subscribe to magazines. I basically pick at the newsstands. Depending on current event 'Time', 'Inside Sports' if it looks like they have some interesting articles. I'll definitely buy the 'Penthouse' issue that will feature the 17-page Madonna spread...Aside from sex (?) my major leisure activity is raising my son."

MR. RECORDHEAD, POLYGRAM CONSULTANT: "'Last House In The West' was the last movie...Mr. Recordhead doesn't watch television...Arbitron, and is a member of the National Arbitron Book Of The Month Club. He regularly receives diaries from all markets...Well, of course, FMQB and their West Coast counterpart...Addicted to cleaning fluid, tries to get as many spindles as possible, and putting together a telethon being hosted by anybody but Jerry Lewis to abolish paper inner sleeves and judging bikini and wet T-shirt contests are among Mr. Recordhead's leisure activities."

FREDDIE D., HOT TRAX: "Movie: 'Prizzi's Honor', with Uncle Vito...With such great radio how could one venture to the tube?!? However, the weather channel during ski season is not a bad alternative...Book: Lee Iacocca, on loan from Uncle Vito. (However, I do read 'Inside The Record Business' at least once a week)...Magazines: I subscribe to several, but get the most use out of 'Psychology Today', for obvious reasons...Since leisure activity is my favorite topic, I will say in all seriousness hoops seems to do the trick more often than not, although the P.D. dart board Babineau sent me also works quite well!"

MICKEY THE MOOK, ROCSHIRE III: "Movie: The last movie I saw was 'Rock 'n' Roll Virgins In Heat'--it was the rough cut! The producers wanted my new label, Rocshire III, to do the soundtrack. It wasn't very good--besides, how many rock 'n' roll virgins do you know?...TV: 'Midnight Blue', reruns of 'Mr. Rogers' Neighborhood', 'The Joe Franklin Show', and of course, 'Good Sex With Dr. Ruth' is my wife Minnie's favorite TV show...Book: 'How To Pick Up Girls'. I didn't finish it--I'm waiting for Tim Kelly's video...Magazines I subscribe to: 'Album Network', 'R&R', 'Popular Mechanics', 'Reader's Digest', and the 'Penthouse Forum'...Leisure: My dog and I are doing a mixed metaphors aerobics thing! I do volunteer work at the Alan Wiggins/Steve Tyler Rehab Center for sports and rock 'n' roll stars. Very rewarding work...Yo mooks, I ain't dead--just underground. Once I get these indictments from WAOR straight, I'll be back at ya!"

MICHAEL CAPLAN, EPIC: "Most recent movie I saw was 'Cocoon'. Opie Taylor comes of age...My favorite TV shows are 'TNT', 'Prime Time Wrestling', 'Championship Wrestling', 'All-Star Wrestling' and 'Electric Blues'...Most recent book was 'Playing In The Band: The Official Grateful Dead Biography'...Magazines I regularly get are 'WWF', 'Digital Audio', and 'Gallery'...Non-industry leisure activity: Does listening to CD's you have to pay for count as 'non-industry activities'?...My idol is Paul 'Mr. Wonderful' Orndorff."

BRAD HUNT, ELEKTRA: "I feel like I've been interviewed by Mike Bone...Last movie was 'Prizzi's Honor'...TV show: 'Night Court'. It's the only show I really hate to miss...'Son Of The Morning Star' by Evan Connell was the last book I read...We subscribe to 'New Yorker', 'Smithsonian', 'New England Monthly', 'Living Blues', 'American Historical Review', 'Country Journal', 'Prevention', 'Hockey News', 'Southwest Art'...My leisure activity is mowing the back 40. It's the only thing I do on the weekends."

MARKO BABINEAU, GEFFEN: "Last movie: 'Jaws III'...Favorite T.V. show: 'Moby Dick'...Magazines: 'Field And Stream' and 'Whale Hook'...Favorite leisure activity: muff diving and buddy surfing."

MICHAEL PLEN, I.R.S.: "The last movie I saw was 'Prizzi's Honor'...My favorite TV show is 'Family Ties'...The last book I read was 'Sexual Astrology'...Magazines I subscribe to are 'New Music Express' and 'Playboy'...Non-industry leisure activity is golf."

JON SCOTT, MUSICVISION: "'Little Oral Annie'. What a plot!...'Ernest Angley', 'Wally George' and 'Bill Cosby' are my favorite TV shows...Book: 'Biorhythms: How To Influence Friends And Win Adds'...Magazines: 'Science Digest', 'Online', 'USA Today', 'Scott's Tissue'...Playing pinball and video games.(Paper Boy is hot!)"

ROB STEINBERG, SECOND VISION: "'Cocoon'...'Taxi', 'Monty Python', and old 'Bob Newhart' shows...Stephen King's 'Pet Cemetary'...'Hard Report', of course, 'Billboard', 'Album Network', 'Musician', 'Newsweek', and 'Village Voice'...Basketball and the beach."

Seal Of Approval

- PHIL MANICKI, WWCT: "'St. Elmo's Fire'. The characters were good but it seemed like there were too many of them and not all of them were developed as much as I wanted...I really don't watch television...'Helter Skelter' is the most recent book...None...I don't get out much either... Sports, definitely: swimming, baseball, basketball and water sports in general."
- TOM SHUGRUE, WRXL: "That's easy - 'Back To The Future'. It was one of the best movies I've seen in years... 'Hillstreet Blues' is my absolute favorite...I guess it would be 'Thinner' by Stephen King...Just 'Rolling Stone'...Well, I won't say skiing, due to my accident last winter, and I'm still recovering. Going to the movies and reading books and magazines!"
- TOM SCHEPPKE, KISS: "Movie: 'St. Elmo's Fire'...TV: 'World Class Wrestling'... 'Hope I Die Before I Get Old' (about the Who)...Magazines: 'Friday Morning Quarterback', 'Musician', 'Yacht Club Of America'... Leisure: sex."

- DAVID GROSSMAN, WCCC: "Last movie: 'Rambo'...Favorite T.V. shows: 'Cheers', 'Hill Street Blues', and any political mini series...Most recent book: 'RFK And His Times'...Magazines: 'People', 'Newsweek'... Leisure activities: except for the big one, there's movies."

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "We've been looking at the R.E.M. record since its release and as I said at that time, this is their most accessible record to date. I don't see this becoming a huge, mass appeal type hit, but there is something about this band and the song that can't be denied. The growth in sales without airplay in town could be attributed to a cult following, but there's something more. These guys are beginning to approach the level of class that we're looking for and soon they will attain it... Speaking of 'class', the Robert Plant concert that ABC carried on Saturday night was nothing but pure class rock 'n' roll. I would like to see our radio station grow and evolve and exude as much class as Robert Plant's solo career...It's good to have another new Huey Lewis song, even though I can't remember it from the movie. It's another one of those trademark fun-loving Huey Lewis songs...John Parr is getting strong requests and the soundtrack is starting to sell, so 'St. Elmo's Fire' goes to h-o-t!...Dire Straits is doing very well on the phones and at retail and that, too, goes to h-o-t!...In the near future, Epic would be wise to release 'Ecstasy' from the Jeff Beck record as a 12" or a single. This tune is enough like say, Chicago or Toto, plus it has stellar guitar licks and could be a hit...Here's an idea for a promotion. If Motley Crue comes to your town, get the concert promoter to comp you the whole front row and then auction off all of those tickets and give the proceeds to Mothers Against Drunk Drivers (MADD). We might as well use someone that the kids idolize as an example!"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "Huey's h-o-t so we can always use another track from him! 'Back In Time' moves in with 'Power Of Love' and gives the ladies another tune to memorize before The News makes headlines at Red Rocks...Toss out any preconception you have about X. 'Burning House Of Love' is about to Xplode this band into the mainstream of rock...The Motels return with a nice melodic number that finds Martha Davis sounding better than ever...My fave rave this week in the new category is C.S. Angels. They've got the eighties' sound and their new album offers us their strongest material yet...Nice to finally meet Dede Whiteside. That's a thumbs up on the Jon Gibson!"

WYDD, PITTSBURGH, PA M.D.-DAVE SHEDLOCK: "REO Speedwagon should have another hit with 'Live Every Moment'. I've felt that it was the second best song on the Lp all along...a-ha is a band that mustn't be overlooked. 'Take On Me' is loaded with hooks and I'll bet it's going to be a huge phone record anywhere it's played... Many stations are successfully using Aretha Franklin and, for those that can play such crossover, the Pointer Sisters' new 12" might work. The 'Breakout' album proved the group's appeal and 'Dare Me' is as strong a song as any from that album."

WQFM, MILWAUKEE, WI ASST. P.D./M.D.-JERRY GAVIN: "It's been awhile since I put any words into the Trades, but a lot has been going on here at QFM. Picture several thousand people with the biggest giveaway in Milwaukee history. Here's what happened: For the past couple of months, we have set up displays with entry blanks at over 250 retail outlets. The prize you may ask? Only a \$100,000 home! We called out names on-the-air, then that person had 9 minutes and 30 seconds to call us back! They then received one of 93 keys. Only 3/4 of a million entries were received! Well, we gave the house away at the Summerfest grounds last week. Each person with a key tried to open a facsimile front door lock. As it turned out, the 83rd key opened the door. A very happy 25 year-old woman who has a small child and lives in an apartment (at the present time) jumped with joy as she now became the proud owner of a new home...And speaking of Summerfest, for the second year in a row we sponsored the Rock Stage with such headlines as The Fabulous Thunderbirds, Robin Trower, Bon Jovi, Yngwie Malmsteen, Uli Jon Roth, The Innocent, Donnie Iris, Van-Zant, Talas, Steppenwolf, Trash, and Helix. Picture ten thousand people a night at our stage. That was just one of five music stages set up at Summerfest. Over 700,000 people attended this year...Onto music: There is a real nice single by a band called Derrick With The Shakes called 'Cooler Near The Lake'. These are local musicians who got together in the studio and just had some fun. For those of you who are located near a lake, this song will tie in nicely. It's a great Summertime song with a sound similar to John Cafferty or Bruce Springsteen. Look for it in your mail!"

KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN: "The big news this week is Texas Aid--that's close to \$20,000 KZEW raised for Live Aid to North Texas Food Bank and The Panama Foundation which is going to build an orphanage in Ethiopia...Lone Justice was real good opening for Tom Petty, but I'd love to see them in a smaller venue...I've been waiting my whole radio career to add X--and this is it!"

WBCN, BOSTON, MA M.D.-BOB KRANES: "The streets are sweltering all over the country and we are definitely keeping them h-o-t! The tunes just keep on coming--Martha Davis and The Motels smoke!! 'Shame' is a smash! The band sounds better than ever and their new adventure shows that they are successfully exploring new territories...We have been able to successfully cross-over a great sounding club record onto the radio--I'm talking about Dead Or Alive. With all those people dancing their asses off, the connection is a natural. Don't be afraid to make it spin round and round a lot--a lot!...The Kinks are a staple! Ray Davies is a rock 'n' roll classic and 'The Return To Waterloo' is going to be an important record. 'Too Far Away' is the rocker on the record and it's the one we are going for...As far as what's happening on the phones: Talking Heads leads the way with Tears For Fears and Pat Benatar following behind...Motley Crue's 'Smokin' is blowing the lines...Ratt is coming on strong, and 'tiltuesday's 'Looking Over My Shoulder' is just as strong as 'Voices' ever was...Thanks to Joe Piscopo for his most enlightening live on-air interview... Charles Lacquidara's Big Mattress Song Of The Week: Y&T's 'Summertime Girls'...A great reaction can be gotten from the re-release of Twisted Sister's 'Under The Blade' record--get it out of your pile!...Also, check out Green On Red--their latest is a real classy record!"

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "99.5 KISS gives San Antonio its own Live Aid concert with special guests Leggs Diamond, Presence, and Jag Wire, with proceeds going to the needy; plus KISS news director, Steve Hahan will be feeding us live reports from the scene in Philadelphia...Some good songs you might have missed: Motley Crue 'Raise Your Hands To Rock'; Twisted Sister 'Shoot 'Em Down'; The Hooters 'And We Danced'; and finally, Shy 'Brave The Storm'...Rock steady T-Bone!"

WHJY, PROVIDENCE, RI M.D.-JEFF RICCIO: "It's been a few weeks but I'm back again! Lots has been happening R&R wise, so let's talk about the highlights...Motley Crue tops the phone category and I'm beginning to like it personally...The Motels have checked in with another class single. They've been gone too long and we're playing it twice as much to make up for lost time...Lone Justice has officially become my favorite act of '85. After seeing them live, hype or no hype, this band is major league. 'Sweet Sweet Baby' is a must for your station...Hey, how about those Beaver Brown guys? 'C-I-T-Y' is coming on strong and it should because it's the most fun that your listeners will have all Summer. I just finished checking out their rehearsals for their national tour which starts in a few days. Boy, are you in for a treat! If you missed 'em last time, be there this time. And by all means--say 'hello' to them!"

WLWQ, COLUMBUS, OH ASST. M.D.-JO ROBINSON: "Looking for another track from the Sting album? Try 'Russians'. Very timely and the calls on that cut are more than for 'Set Them Free' or 'Fortress'...Album radio should take advantage of the other Huey Lewis And The News track from 'Back To The Future', since CHR will play the devil out of 'Power Of Love'--It's smart to add 'Back In Time' and ram it down CHR's throat...The second Eurhythmic single 'Ball And Chain' is another rocker. It goes in this week...The response to Benatar's 'Invincible' has been tremendous. It's in heavy as is the timeless Tina Turner's 'Hero'...Top 5 requests: Dire Straits, Ratt, Motley Crue, Phil Collins and the Bryan Adams Import 'Diana'...We do have one question: Why, at the end of Godley And Creme's 'Cry', does Alvin the Chipmunk make a special appearance? Just curious!"

RADIO ACTION CONTINUED

WCCC, HARTFORD, CT P.D.-DAVID GROSSMAN: "Tears For Fears' 'Song's From The Big Chair' continues to dominate Connecticut's Lp sales. 'Head Over Heels' will prove to be the biggest track yet from this future classic album... 'Back To The Future' is a soundtrack capable of yielding some of Summer '85's hottest tracks. WCCC goes out-of-the-box on Clapton's 'Heaven', Lindsey's 'Time Bomb Town' and Huey Lewis' 'Back In'... John Cafferty's 'C-I-T-Y'--solid, powerful rock and roll. Just further proof of the solidity of this second album... Bruce Springsteen's 'Stand On It'--another infamous awesome B-side. This record should not be ignored. WCCC's 18+ adults want it and Bruce delivers... Godley And Creme's 'Cry'--first the video, now the song--excellent across the board appeal. A sure multi format smash."

WIOT, TOLEDO, OH M.D.-RICK VAN GIL: "FM104 bombarded Toledo on the 4th of July with a fireworks and laser show which brought 300,000 people downtown for the night. I've never heard so many ooo's and ahhh's in my life... More sounds of pleasure and approval happen everytime we play the Godley And Creme tune 'Cry'. The U. S. Mail didn't bring us the record until this week, proving the fact that everyone employed at the Post Office has been dead since 1957... I'm delirious over the Supertramp edit of 'Brother Where You Bound?' The guitar work of David Gilmour is superior on the tune, putting it on an even higher ledge of Supertramp quality... Super-sellers of the week belong to: Tears For Fears as they now have the #2 album in town, and George Thorogood is still moving records as he has the #4 spot. Everybody in Toledo is doing the 'Hand Jive' on IOT."

WBLM, LEWISTON/PORTLAND, ME M.D.-TOM WALLACE: "Martha Davis has been one of my favorite female rockers ever since the Motels first album! This new tune is another stupendous one for them. We've checked in for a long stay... I can't get over the stunning beauty of the Godley And Creme record. It sounds tremendous... It seems like the Cock Robin record has been around forever. The hooks have finally sunk in and the record hit-the-air this past week. It sounds mighty fine!... Motley Crue still rules the phones and probably will for the rest of the Summer... Tears For Fears 'Shout' is second request-wise, but at the top of the local album sales charts... Phones are building very nicely for John Parr. The movie seems to be helping this one along!"

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "Obviously, we're smack dab in the middle of the era of the 'movie soundtrack'! Thankfully, it's a real treat to have our favorites supplying us with fresh material in between their own projects. The vote is in at WPDH for 'A Letter To Both Sides'/'The Fixx from 'Fletch', and the phone burner 'We Don't Need Another Hero'/'Tina Turner from 'Mad Max'. Two scorchers you'd be foolish not to give a spin ... Godley And Creme's 'Cry' is by far an outstanding piece of work. It's haunting and moving and the beat makes it build to a perfect crescendo. You don't know how to ease my pain, but hearing 'Cry' helps! If you don't think this one is right for you, go back and listen again! I guarantee you the women are gonna love it!... I'm glad to say we finally have made the room for Cock Robin's 'When Your Heart Is Weak'. I knew the story on this group was going to grow when I first heard it. So, it's good to be able to add our support... Some h-o-t new stuff on out-of-the-box: The Motels' 'Shame'. Martha sounds mint as ever. The lady sure knows how to work a lyric... And those loveable rockers, Cheap Trick--'Tonight It's You' could be just the smash hit every group looks for and Cheap Trick deserves. You can only thrill your listeners by getting on these two posthaste!... Mucho thanks to Bruce Tannenbaum for the chance of a lifetime to see Phil Collins."

KEZO, OMAHA, NB M.D.-JOE BLOOD: "This week's architectural theme features the Motels and X's 'Burning House Of Love'. First off, great to hear Martha and company come back so strong with 'Shame'. Richie Zito's sympathetic production brings out the best in the band. Martha's written a great track and this should put them back where they belong--on top... My fave rave, though, is the new X 12" 'Burning House Of Love'. I've always liked this band but this time around they put it all together! Exene and John have written a great track and Michael Wagner's production delivers the punch. This cut should bring the band mainstream accessibility--a true killer... Motley Crue continues to own local retail and phones, but Dire Straits are giving them a run for their money with #2 phones for 'Money For Nothing' and #3 sales for 'Brothers In Arms', so we'll go with a 3rd cut, 'One World'... The Bryan Adams import of 'Diana' is another great one from one of the best songwriters in rock these days. Amazing that this cut did not make it onto the 'Reckless' album... Congratulations to Steve Pachter on the new Miami gig!"

WRDU, RALEIGH, NC M.D.-BOB WALTON: "a-ha!! Yes, the crusade continues! I hope by now everyone has seen the video (it should be played hourly by MTV). After your jaws are off the ground, add 'Take On Me'. I hope the presentation of the song includes mentioning the video. This is one of our best chances to co-promote the song and the video. In fact, I think it's critical (remember the video mailings?). Let's do it again, with a-ha. Did I mention I really like the song?... As the Summer of 106 continues, a heartfelt thanks to Dave Dannheisser and Larry Butler and to Ed Bicknell for incredible last minute results. You guys put a classy touch on our winners' trip to London to see Bruce and Dire Straits. I can't wait till they hit our side of the Atlantic... I know that it never happens in these enlightened times, but just in case a name frightens you away from a record, close your eyes, open your ears and check out 'Trail Of Tears' from Guadalcanal Diary. In the tradition of other great pop songs, they get it all said and done in less than 2 1/2 minutes. Someone should send a copy to George Michael!"

KATT, OKLAHOMA CITY, OK M.D.-SCOTT DOUGLAS: "Thanks to Tom Petty for having us back to say 'hello' after an excellent show, and thanks to Bubba Wayne McManners of MCA... By the time you read this, our recently married afternoon guy, John Beaulieu, will be the music director at WTUE, Dayton. Congrats, Long John. Let's hope it gets longer... The KATT continues to accept tapes and resumes for full time openings--creative production a must. Absolutely no calls: Pat Welsh, KATT, Box 25787, Oklahoma City, OK 73125."

CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERNIS: "Greetings from the hip music capitol of the world! And thanks to Jim, Peter, Lars, Larry and the gang for a great time at WBRU in Providence for their recent all 'class' reunion...Live Aid is coming up as we talk, as opposed to as we read, and CFNY is proud to be the exclusive Toronto station for the world radio feed on World Wide Sports and Entertainment satellite. Our very own David Marsden has been chosen to be one of the four hosts for this event which will be heard in 75% of the world (except the U.S.)...Now onto music: It's Summertime and it's hot, hot, hot, which just happens to be the name of the record receiving top airplay this week, an old import by Arrow, which has also made an impressive debut in sales in Toronto...Other h-o-t action singles include Reflex 'How Much Longer'; Propaganda 'Duel'; Love And Rockets 'Ball Of Confusion', which has been super-hot in sales and requests since we added it; Bamboo 'Come Day-0', the hottest Canadian record we're playing right now; This Island Earth 'Take Me To The Fire'; Paul Hardcastle's 'Rain Forest'; Sylum 'I'm Impressed'; Scary Thieves 'The Waiting Game'; Thomas Leer 'Number One'; and Howard Jones 'Life In One Day', which made a real strong sales debut and gathers immediate phones and super-hot airplay in the first week. This man can do no wrong...Our top album airplay comes from the New Order Lp with 'Perfect Kiss', 'Love Vigilantes' and 'Subculture' leading the way for the album that was #1 in sales in Toronto for a month...Next is the Sting album with four cuts receiving strong airplay: 'Love Is The Seventh Wave', 'Fortress', 'Black Seam', and 'If You Love Somebody'. We've just added the Jellybean remix of 'If You Love' and the reaction has been immediate and hot, including a very strong sales debut in town...The Bryan Ferry album with the single, plus 'Sensation' and 'Chosen One', all make this artist's newest solo Lp his biggest yet...The Talking Heads album is next in airplay with 'And She Was', 'Perfect World' and 'The Lady Don't Mind' the top cuts here...Other hot albums include Kid Creole and the Coconuts, a perfect Summer sounding album with 'Caroline Was A Drop Out', 'Endicott', and 'Luv Got Me Dancing' receiving immediate airplay and reaction...China Crisis Lp continues to be strong in airplay and requests, with 'King In The Catholic Style' leading in airplay...The Box Lp is a real strong effort out of Montreal...Prefab Sprouts debuts in our Top 10 airplay. This is a brilliant import produced by Thomas Dolby...Other albums receiving strong airplay this week are: Dire Straits, B-Movie, Everything But The Girl, Strange Advance (don't overlook this album even though Capitol is), Style Council, and The Nails ('88 Lines' and 'Let It All Hang Out' are strong in airplay and reaction)...Our adds this week include The Fixx from the 'Fletch' Soundtrack, which I find to be not as strong as their other material, but the fact that they are a major group here will no doubt mean this will be another hot record for them; Robert Palmer 'All Around The World', Little Richard lives, and lives well; Go West 'Call Me' and 'We Close Our Eyes'--a real good Summer sound; the Pet Shop Boys 'Opportunities' (Import); Eurythmics 'Grown Up Girls' flip side of 'Must Be An Angel', which is the new single in England. It is not on the current Lp, but is real strong...Style Council 'When You Call Me' is another cut not on the current album but can be found on the import of remixes from the album 'Our Favourite Shop' which is the same album as 'Internationalists' but with a different title, 'Internationally'... And finally, the Commentators singing 'N-Nineteen Not Out'. When you get tired of the Paul Hardcastle '19' you might want to play this very funny takeoff which describes a Cricket match...Album adds: In addition to the 'Fletch' Soundtrack are Moral Support 'Insanity'; The Danse Society 'Say It Again'; and Propaganda 'A Secret Wish'; and again the single from this, 'Duel', is one of our strongest records...There are four singles that have either just been released or are climbing the American charts that are classic cuts for us from our import past, and they are Godley And Creme 'Cry'; Tears For Fears 'Shout'; Alison Moyet 'Love Resurrection'; and Depeche Mode 'People Are People'--all very strong...Finally, this week's Top 5 retail singles: Paul Hardcastle '19'; Love And Rockets 'Ball Of Confusion'; Dead Or Alive 'You Spin Me Round'; Depeche Mode 'Shake The Disease' and 'Flexible'; and Bryan Ferry 'Slave To Love'...Top 5 Lps in sales are: Dead Or Alive, Bryan Ferry, Talking Heads, New Order, and Sting...The Live Earl Jive Hit List (top requests): Love And Rockets, Sting, Depeche Mode (both), and New Order...Biggest upward Mover: China Crisis, 'King In A Catholic Style!'"

KGB, SAN DIEGO, CA ASST. P.D./M.D.-TED EDWARDS: "Well, I'm off to Wembley tomorrow to cover Live Aid for KGB-FM, so this is all off the top of my head. Add that to a 6.9 - 8.6 increase in the Spring ARB today and I'm flying high!...Music: AOR Weapon Of The Week--The Motels 'Shame'. A one-listen smash!...Urgent 'Running Back'. Superior mass-appeal rock and roll. Worth a shot...Y&T 'Summertime Girls'. We've been watching this one since week one. At the same time, we've been waiting for some of the crunch to clear out. Now that the room is here, it zooms on...Additional tracks: Jeff Beck 'Gets Us All In The End'. A superior album deserves a second track...P.S. Send cassettes, send cassettes, send cassettes!!! With so much good music available, it makes it easy for me to listen and add your records. We get tapes far less frequently than vinyl, and it would be nice to get them in synch...P.S. Just a reminder: music calls are Wednesday and Thursday afternoons, noon to 5:30 Pacific Daylight Time."

WSKS, CINCINNATI, OH M.D.-MARTY BENDER: "CHR dominant? Hey, don't blame me! All the real rock/AOR core albums just rolled in after the Spring book. Thanks a lot...I would also like to thank Elektra records for finally showing me how to spell Kumbayah...We added the TNT 12". Huh? What? What's that? TNT? Why did you add that? (click..Dial tone)...The Drama is a scandal...Corey Hart and Heart are two records all formats should be playing well into this entire year. Careful guidance and proper single choice should be major considerations as both acts are at crucial career corners...If you're planning on shooting a video or know someone who is, remember this: If you feel as though you look stupid, simply don't do it. Why let some guy with chains around his neck put a noose around yours?...And finally, whatever happened to 1994?"

WHCN, HARTFORD, CT ASST. P.D.-BOB BITTENS: "Glad to hear they managed to edit Supertramp's 'Brother Where You Bound' without changing the overall feel of the song and without chopping David Gilmour's inspired guitar work. 'Brother' rivals the best Pink Floyd and Supertramp, and will take the Lp to new heights...Gilmour also makes an appearance on a new record from Floyd persuasionist Nick Mason and his new partner Rick Fenn. As you would expect, the album does have its weird moments, but also contains a nifty number called 'Lie For A Lie' that features Gilmour on vocals, and sounds like Pink Floyd meets Peter Gabriel. Thanks to Jay Miggins for the advance listen...Deeper, deeper, deeper! While our CHR competitors burn out the single, we can keep the airwaves fresh by offering a little bit more: New tracks from Springsteen (the non Lp B side), Huey Lewis (the other song on the soundtrack), John Cafferty and Supertramp all hit the airwaves this week...Hot on the home turntable and recommended, with or without your favorite exotic substance: The Blue Nile. The voice is weird but the music is haunting and the production is outstanding."

WNEW-FM, NEW YORK, NY MUSIC COORDINATOR: AMY GROSSER: "C'mon Cheap Trick! I haven't been this excited over new product in a while. I listen to the advance cassette every night. This material is strong. Don't let this record pass you by. 'Tonight It's You' is even starting to pull requests...Godley And Creme's 'Cry' is a simple tune but very mesmerizing...And how about a-ha? I've never really been one to promote a video before, during or after the listening of a record, but check this out if you can. The talent on all sides of the production of this video is incredible...I've grown to like the Tina Turner song as well as 'Letter To Both Sides' by The Fixx...Heart are definitely back as proven by 'What About Love'. I also like 'Nobody's Home'... Thanks to Dave Morrell and all at Capitol for a wonderful time at the Power Station show at The Ritz. Michael Des Barres holds his own. Go see the show when they come your way!"

KMET, LOS ANGELES, CA M.D.-PAM EDWARDS: "I respect the guy but I've never been a fan of Billy Joel's music. Even with this prior prejudice, 'You're Only Human' stands out as a track we can't ignore. Nice embellishment on the production end, too...On the concert trail, catch Tears For Fears. There are some sluggish parts, but in general they pass the test with high marks. If you can, take some time to speak with Curt and Roland. They are two of the nicest, most enthusiastic rock 'n' rollers I've met in a long time!"

WQBK, ALBANY, NY M.D.-PEGGY APPLE: "The Motels come back with a strong tune to lull the sunbathers soaking up the July heat poolside...Happy to say Dire Straits 'Money For Nothing', R.E.M., Suzanne Vega and Bryan Ferry are receiving a wonderful response from our listeners...Check out a-ha 'Take On Me' and New Order's edit of 'The Perfect Kiss'...Can't wait to hear the Chrissie Hynde/UB40 duet 'I Got You Babe'."

 WRXL, RICHMOND, VA M.D.-PAUL SHUGRUE: "Welcome, welcome, welcome! After having been without a Warners and MCA rep for the last nine months, it's about damn time! Linda Baker for WB and Joe Reagoso for MCA are now working the area. Many thanks to Dave Dannheisser and an unidentified MCA receptionist for helping us during the interim...I'll bet we are the only station to have jocks at both LIVE AID concerts. Our morning guy, Dick Hungate, just happened to be on vacation in England this week, and Tom Evans and I will be at the Philly show. Thanks once again to Hot Trax Promotions. By the time you read this, it'll all be over but the anticipation alone will fuel our five-hour drive to Philadelphia!"

WLIR, LONG ISLAND, NY LARRY "THE DUCK" DUNN: "Well, happy days are definitely here! The ratings are up and the champagne is flowing! Next time you raise a glass, raise one for us...Let's talk music: The new OMD album is a stroke of genius. Talk about versatility. OMD is not a stagnant synth band. They write great pop songs without any preconceived formulation. There is no reason you can't play 'So In Love' and 'Secrets'. Six albums later almost every underrated band makes it; Don't you think they deserve a shot?..We've been pounding away at the new X single. Tell me this isn't a song you can dig your teeth into! For anyone who thinks you can listen to this record at home only, forget it! Wake up--'Burning House Of Love' is smokin'...Godley And Creme 'Cry' is 'Hitsville U.K.' to me. Smashola all over the radio. With such a great video reinforcing radio, how can you miss?...Duck's Pick-To-Click: The Adventures 'Send My Heart'. This Irish track has been doing well for us for a time as an Import. Now that it has been remixed, I predict good phones for stations adventurous enough to give it a shot...Also The Blue Nile 'Stay'. This trio from Scotland was quoted by Jim Kerr of Simple Minds live on WLIR to be one of his favorite new bands. Though they've been around a few years, I agree with Jim. Definitely one of the hottest bands to come out of Glasgow...Thanks for phoners from Howard Jones, Paul King of King, Andy McClosky of OMD live from Liverpool and Joey and Richie Ramone live from Germany on tour with U2...Screamer-Of-The-Week: Talking Heads 'Stay Up Late'."

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE: "Even though it was the Monday after a four-day weekend, it didn't keep the faithful away from the Johnny Van-Zant show the other night. The band showcased much of their new material and the polished mainstream approach taken on the album really jumps to life in the performance. By the way, 'You've Got To Believe In Love' is still in heavy rotation and doing very well...Spend some time with the new Corey Hart. This album is loaded with great tunes. 'Komrade Kiev' will cause people to double take in disbelief when they hear those power chords. This guy's no wimp! Also, check out 'Waiting For You' and 'Water From The Moon'...B-side ALERT, B-side ALERT: Check the flip of the Dire Straits 7" for a great live version of 'Love Over Gold' which isn't on their live album...Hot and heavy on the car stereo this week: Kim Mitchell, Dire Straits, Taxxi, and those great Columbia Samplers. And that's all there is!"

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "KILO welcomes our latest addition, Gary Street, from across the street at KKCS/KKH, to handle the news department. X-news director, John Reid, will remain at KILO segueing to sales...Top retail: Dire Straits, Motley Crue, Talking Heads, Bob Dylan, Tears For Fears, AC/DC debuts at #8, Jeff Beck at #9, and Billy Joel at #19...Visits this week from both Tony Gates and Hugh Surratt. How much fun can one man handle? I'm off to see Clapton and Graham Parker tomorrow. Tune in for the recap next week!"

KMYZ, TULSA, OK M.D.-P.D. WITT: "Hey, is it supposed to be this easy building a winning radio station?--naaa, that ain't 'workin'--play the rock on the MYZ...Thanks for the helping hand from Charlie Stroble, Ed Cline, Jerry Barret, Roger Lifeset, Beth Rosengard, Lenny and Bubba Sam...I'd like to say again, how much street talk we are getting out of our 'Champagne Jazz Brunch'. Whimpy thing? Wrongo!! It is excellent-amundo!... Nowadays we are writing our history and reading everybody else's history. Much more is coming up but now page two!"

WHTF, YORK, PA M.D.-TIM DRAYER: "Thanks to the masked marauder who dropped off the customized George Thorogood 'Willie & The Hand Jive'. Enthusiasm for George is building in central PA as his August 2nd concert at Hershey Park stadium approaches--and we're seeing phones and sales increasing for jammin' George!...The test results on The Fixx 'A Letter To Both Sides' look very positive--it has a good shot at an official add next week... Special thanks to George Cappelleni of Warner Bros. for all his help on making the June 26th Van-Zant concert at the Countryside Inn a fantastic success. The crowd was so fired up for Van-Zant that they were chanting for 'Freebird'. Van-Zant is a red h-o-t band for central PA."

KZEL, EUGENE, OR M.D.-VINCE MERTZ: "There just aren't enough hours in the day! All this great music and so little time to listen to it. Please be patient. I'll get around to listening to your record!...Speaking of the great new music coming in, both the Huey Lewis tunes from the 'Back To The Future' soundtrack are killers...Dire Straits 'One World' must not be passed up. That's not the only thing on the album either, but then you knew that already...The edit of Supertramp's 'Brother Where You Bound' is great. After all, it's kind of tough trying to squeeze a 20-minute-cut into drive time...Keep your ears peeled for Urgent, the new Cheap Trick (which sounds a little like the early Stones), and X--big things are gonna happen in the sun with these records or my name isn't J. Peabody Weatherwax--which it isn't...New this week: The top of the list goes to Huey Lewis 'Back In Time'...On the top of the request sheet Huey Lewis 'Power Of Love'...And that's the news."

WRCN, LONG ISLAND, NY ASST. P.D./M.D.-JOHN GRAPPONE: "It's been a while since I had a chance to share some thoughts on these pages. I feel very confident that 'Fables Of The Reconstruction' will bring R.E.M. to a higher level as far as music programmers and listeners are concerned. Listen to 'Maps And Legends', 'Driver 8' and 'Feeling Gravity's Pull'...What I thought should have been the first track is now out and added to WRCN--'Love Resurrection' from Alison Moyet should be an automatic, especially if 'Invisible' was successful for you...On the heavier side of things, AC/DC is going to get the longevity that 'Flick Off The Switch' did not. 'Playing With Girls' is one hell of a track...Personal to Steve Shnur: Thanks for the Howard Jones phone call. He's a cool dude...I look forward to LIVE AID in Philly. TTT report next week."

WBRU, PROVIDENCE, RI M.D.-LARS MURRAY: "It's always fun to add music by true artists, especially good catchy music by true artists. 'Shame' from The Motels and 'Head Over Heels' from Tears For Fears are perfect examples. The synth riff on 'Shame' is an instant hook and the song gets better from there. Great acoustic guitar and the voice I'm a sucker for--fab!!...Tears For Fears just write the kind of catchy pop melodies that don't make you feel guilty for liking. Like Canada Dry, it's 'not too sweet'...'Money For Nothing' or, as we refer to it at WBRU, 'dollars for diddley', is the kind of song AOR has been waiting for for a long time. From the moment the guitar kicks in, to Sting's echo of 'Don't Stand So Close To Me', this song epitomizes rock '85. Social comments, super voices, gritty guitar assertive drums--everything...RED ALERT: Get on Talking Heads 'And She Was'. Listeners really do appreciate quality. We played it four times before it was our #3 requested song of the week!"

KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY: "ADDS: X 'Burning House Of Love'; Godley And Creme 'Cry'; Night Ranger 'Four O'Clock'; Jeff Beck 'Gets'; Ratt 'You're In Love'; Talking Heads 'She'; Highway Chile 'Christine'; Sting 'Fortress'; Power Station 'Murderess'; R.E.M. 'Can't'...CONSIDERING: Guadalcanal Diary, Urgent...MOST REQUESTED: Dire Straits, Motley Crue, Ratt, Jeff Beck, Tears For Fears...INCREASED PLAY: Jeff Beck, Ratt, Motley Crue, Taxxi...INCREASED SALES: None this week...Move over R.E.M., Guadalcanal Diary has arrived! It's my favorite new album--I even like the cover! 'Sleeper's Awake' is my favorite right now and since I haven't seen the 'Watusi Rodeo' video yet, I'm combing video channels constantly to try and catch it...This new Fixx tune from the 'Fletch' Soundtrack is their best since 'Deeper And Deeper'. It gets phones on every play...If you haven't had the pleasure of seeing Tom Petty And The Heartbreakers in concert yet, do yourself a favor! A fine, fine show! His rendition of 'Spike' was an absolute thrill.. Thanks to my Bubba Wayne McManners for making the night 100% perfect as always!"

Yes, after giving my answers to the Question Of The Week, I can now proudly say that I know what it's like to be interviewed for a Dewey's magazine ad. My mother thanks you, my father thanks you, and now I'll get serious...Russ Ballard has now produced two strong solo albums in a row and I hope we can all go beyond the strength of the single in supporting him this time around. 'Rebel' has the potential to speak to the heart of our over 25 audience, if we give them the chance to hear it. So let's!...Huey Lewis and Eric Clapton have each come up with fresh sounding, strong, new work (in spite of the Soundtrack syndrome) on 'Back To The Future', and the Starlighters' treatment of 'Night Train' was a pleasant surprise too...Don't miss the Ray Davies touch on 'Return To Waterloo'...And as for the Motels, what's left to say? Martha and her men are magic...From the Future Frenzy File, a Lonnie Mack attack comes to Vail on July 31st. We'll let you know how it goes if we survive the overdose of AURAL ecstasy!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "WOUR's current Hook-Of-The-Month-Club selection: 'Cry'. We've always said that the cream rises to the top, and here's a tune that proves it...Up until 'Burning House Of Love', the idea of X with a hit seemed about as likely as the Red Sox with pitching, or the Pope with a paternity suit. We're predicting great things for this song...Savvy programmers with CD's have already found the monster lurking on the B-side of the new Phil Collins single. 'We Said Hello Goodbye' minus the long intro, has been the most requested song from Collins' latest since it first hit the air!"

Phones, sales, and best of all--quality! The ending of 'Love Is The Seventh Wave' is a great example of Sting's wit...The soundtracks keep rolling in, but what keeps them fresh is a four letter word that starts with 'F'--Fixx. 'Letter To Both Sides' is a mix of the band's uniqueness and appeal that will make this one a winner...Saving the best for the last is the 41 year old guitar master, Jeff Beck. The 1:10 solo at the beginning of 'Gets Us All In The End' is proof that Mr. Beck is still the best in the business!"

Instead of the 12", we've been pounding 'Mexico' and the response has been great. I look to use at least two other tracks from the Lp in rotation. For our audience, Katrina offers the same kind of good old-fashioned rock and roll that Huey made popular again...That 'Brother Where You Bound' edit is working great. As soon as the 12" comes in, I plan on switching it with 'Cannonball'...Thanks to the people at Belkin Productions in Cleveland for helping us celebrate our 5th anniversary with an appearance of the Michael Stanley Band. The band was in great form and played some new stuff that was, to say the least, exciting--something any AOR should be able to sink their teeth into...Is jazz programming a viable force in AOR? You better believe it is! We did an outdoor concert on the lake featuring a jazz band from Cleveland and we drew three thousand, not including all the people docked in their boats!"

I've been throwing myself against the wall to this record for the last week, so naturally Annie's Album Of The Week is Shriekback 'Oil And Gold'."

Propaganda's new Lp 'Secret Wish' is chocked full of songs bridging that gap between AOR and CHR. Check out 'Duel' and 'Doctor Mabuse'. There's a lot of big hit potential on this record...Have you heard Stanley Clarke's funky version of 'Born In The U.S.A.'? It's a killer but takes nothing away from the original...Jeff Beck's new record is another Lp with several great cuts and lots of longevity. From Roland West: "Midnight Oil, another wonder from the land Down Under is a band that has often been compared to the Clash, and rightly so. Now with the American released 'Best Of Both Worlds', the Aussies bared their fangs. Tough music that you can even dance to! Listen to Midnight Oil!...Another tough duo making themselves known are Ry Cooder and Lee Ving, yes from Fears, combine their talents on the 'Alamo Bay' Soundtrack. Play the title track--I dare ya! ...C.S. Angels have a new album out and KNAC again will be going ga-ga over this one. These devils have h-o-t offerings and they get good phone response...Speaking of h-o-t, the fireworks continued after the 4th at the Tubes show KNAC put on at the Pacific Amphitheatre, and don't forget 'cause I won't let ya, that the 4th Annual Flute To The Southern California Lifeguard Association is happening on July 13th. KNAC will be broadcasting live from the beach...Oh, and one more thing--shame on me--We've booked a room with the Motels again! 'Shame' on you if you haven't. From the best of the west, see ya!!"

John Denver makes his video debut in "Don't Close Your Eyes Tonight," which was filmed in five locations in Hollywood and in Newhall.... Director Zbigniew Rybczynski's latest project is a video for Angel Maimone, a French duo, for "Ultimo Ballo," an Italian Ballad. The clip was shot in Venice and in London.... "I hate to think of the audience hearing my work for the first time on a television set," Bryan Ferry says of music videos, "with these fixed images which aren't necessarily what I had in mind when I made the record."...A video for Free's classic "Wishing Well" has been completed in England.... Aretha Franklin has completed her first concept video, for "Freeway Of Love." Clarence Clemons of the E Street Band and producer Narada Michael Walden joined her on the set of the video, which was directed by Brian Grant.... Sting's video for "If You Love Somebody Set Them Free" was directed by Kevin Godley & Lol Creme.... The Eurythmics' next video will be for "There Must Be An Angel (Playing With My Heart)."..."Video Rock," which has aired on WJET-TV in Erie, PA, is going off the air. Label proposals to charge for music videos were a deciding factor.... Even Britain's BBC is objecting to proposals to charge for music videos. "We don't ask these people to make videos to plug their records, and in any case, we already pay copyright and performance fees on them. If they prefer to spend thousands on something arty-crafty, instead of coming into the studio to perform, why should we foot the bill?" a BBC spokesman commented.... The new owners (pending FCC approval) of WVEU, Channel 69, in Atlanta, have begun purchasing syndicated programming. "I don't see keeping the video music as a full format" for the station, a spokesman for the purchasing group says.

VIDEO NEWS

There's another PRINCE video from his latest album, "Around The World In A Day", but it's doubtful that we'll see it here in America. The clip is for his British single, "Paisley Park", and it was shot recently in London by Sebastian Harris, who also directed Nick Lowe's "Half A Boy And Half A Man". Prince does not appear in the video at all. However, there are no plans to release "Paisley Park" as a single here. Instead, the latest inside word is that "Pop Life" will be the next single...A new JOHN FOGERTY video for the song "Vanz Kant Danz" from his "Centerfield" album was recently completed in California. The video was directed by Oscar-winning clay-animation specialist Will Vinton, whose "Claymation" effects can be seen in the new movie "Return To Oz". Because Claymation is such a time-consuming process, the clip took 9 weeks to produce.

INTERVIEWS

NILS LOFGREN: "It was like May 22 or 23 of '84 when I was asked to join the band, and we had jammed for a couple days together, up in New Jersey. I say up, I came from Washington, DC, I live in Maryland, and Bruce asked me to come up and jam, and a few months earlier I told him if he needed a guitar player I'd love an audition. So I went up and played and it felt real good and he asked me to join the band, which was an amazing day for me."

Record Action

MICHAEL PLEN, I.R.S. (212-605-0606): "I'd like to make a stand about a record on Manhattan Records. I know everybody's thrilled with the guitar brilliance of Jeff Beck, but there is an artist out there who makes Jeff Beck's guitar work look like a first-year guitar student. His name is Stanley Jordan; and he has a record out on Blue Note through Manhattan through Capitol Records. After listening many times to the album, one would think that there were numerous overdubs and numerous tracks of different guitars. Mistake. It's Stanley playing an incredible guitar with two hands. If you ever watched Eddie Van Halen play guitar and heard him talk in interviews, it's people like Stanley Jordan and guitarist Allan Holdsworth that he cites as guitar brilliance. So if you're looking for the ultimate six-string orgasm, call up your Capitol rep and ask him for a copy of Stanley Jordan. It's definitely the best guitar rock album to come along since 'Beckola'...Also thanks for playing R.E.M. To those of you who are on it, it's obvious why you're a good radio programmer. You can sense a trend a mile away. For those of you who aren't on it, I'm sending your names to Del Monte so they can start a new kind of vegetable called Peaballz...Please listen to 'Playground' by The Truth, 'Half the Way There' by Three O'Clock, and 'Just Friends' by Beat Rodeo."

BRAD HUNT, ELEKTRA (212-484-7232): "MOTLEY CRUE means most requested and #1 sales reports throughout the U.S.A. If you are not playing 'Smokin' In The Boys Room', you screwed up. Sorry, but your loss is definitely some other station's gain and I hear they may cut back again on unemployment benefits. But, hey, don't worry, the shoe industry is always looking for sales help...HOWARD JONES' 'Life In One Day' is a hit record at both AOR and CHR. 'DREAM INTO ACTION' steamed past gold and is headed for platinum. Howard is wrapping up the summer phase of his sold-out tour and will be appearing on the London side of the Live Aid concerts. It is time to add this record now!...GUADALCANAL DIARY 'Trail Of Tears' is one of the most talked about debuts of the year. Catch onto 'Trail' before it passes you by...X is hotter than a California brush fire with 'Burning House Of Love'. Amazing how this band is always so current and topical. Seriously, this is classic rock 'n' roll from the Michael Wagner produced Lp 'AIN'T LOVE GRAND' that will break X once and for all into the mainstream of American radio...GRAHAM PARKER's assault on the airwaves continues with the perfect summer anthem 'The Weekend's Too Short'. If the audience doesn't react to this immediately, they are dead and don't count anyway...On your desk today, the solo debut of JOE LYNN TURNER 'Heartless'. Joe's voice will be instantly recognizable to everyone after his long stint as lead vocalist of Rainbow. Great mass appeal rock 'n' roll...Watch out for ROGUE MALE's 'FIRST VISIT' to your town soon...Also arriving this week, CHAIN REACTION's 'CULTURE SHOCK'. 'Physical Graffiti' is already on WFNX and WRAS."

LINDA KIRSHJIAN, COLUMBIA (212-975-1701): "This week I feel just like the Mad Hatter running, writing, talking. No time to say goodnight, goodbye, but time to say great records. I must tell you that Cock Robin is beginning to make its move. So watch out instead of watching, otherwise you'll be late!...Alison Moyet is holding her own as well. The video, unlike the baby, is due momentarily...Things you will see on your desks soon: Men At Work 12" of 'Maria', Hooters 12" of 'And We Danced', Midnight Oil Lp, Uriah Heep Lp, Wham! 'Freedom' 12", and Nick Mason 12" (with Rick Fenn of 10cc and special guest David Gilmour) of 'Lie For A Lie'...Continuing to build and sell: Paul Young, Bob Dylan, Hooters, Billy Joel, Kenny Loggins...On the horizon: Gowan!!!...We were held privy to a preview of Mick Jagger's upcoming 'Running Out Of Luck' flick. It left me breathless!!!...Congratulations to the best marketing plan ever conceived: New Coke and Classic Coke. I knew it was bound to be!! You are mah-velous!!!...Did you know 'She's The Boss' was certified platinum? You bet your sweet toot toot!!!"

ROGER LIFESET, PHONE-AT-THE-MOUTH (818-991-7668): "It's been altogether too long since I got enough steam to use this open forum to raise consciousness in an area where many major and minor labels are sadly stuck in the Dark Ages. We have been working in the AOR/jazz area for all of our eight years of independent promotion. I can honestly tell you, we are in the renaissance of jazz/fusion at the album radio level. Thanks largely to January's Abrams Convention and the foresight of Dave Logan and Lee Abrams, 'fusion' has become an intelligent choice for weekend programming. These shows gain instant local sponsorship, reflect yuppie/affluent tastes, and hone in on AOR's reclaimed upper demos. 'Sunday Jazz Brunch' is a winner for superstars and I'm glad to have been there with them since day 1. John Sebastian's 'Great Radio' format offers the opportunity of full-time airplay and nightly 'Lights Out' overnight rotation, plus weekend specials. Soon to be on the horizon, the real coup, NBC's syndicated show, 'The Jazz Show' with David Sandborn as host. All this and most companies don't even have a mailing list to cover this trend. With exception of CMJ's 'Jazz Times', we have no charts that reflect album radio's tastes in this area. R&R's jazz chart appears on the Black Radio page and does not do justice to many from Allan Holdsworth to Dan Siegel. There is no funk factor at AOR so we really have no printed charts to follow. (Hint!) We are now tracking over 80 album radio reporters playing jazz! Are you aware in the last month we have added: KLOL, WHCN, WZZO, KAZY, WPYX, WRKI, WRDU, WIOT, KEZO, KMOD, WDHA, KMYZ, WTUE, KKDJ, KICT, WWCK, KZEL, KGON, and KPOI to our mailings? As a way of helping our industry become more on top of these developments, we would like to supply you with our most up-to-date AOR/jazz mailing list. We have the information broken down to include the show's host, name of show, broadcast hours, etc...Just call and you can have the keys to better servicing the real music of the mid-eighties. (818) 991-7668."

BRUCE MOSER, COULD BE WILD PROMOTIONS (716-885-5200): "Kim Mitchell is officially Platinum in Canada, is on tour with Bryan Adams, was seen on 'Good Morning America' when M.A.D.D. endorsed 'Go For Soda' as a summer anthem, and, last but not least, Kim's Lp is now on Bronze/Atco. Call Michael Prince for reservice, IDs and tour info ... Personal to Bob Catania: You have done a job that you can be proud of. You not only gave 100% effort, but you deserve a medal (a Gold or Platinum album would do) for your 200% effort!...The Boss received some unexpected national attention when the hostages landed in Germany. They were greeted by the American families based there singing 'Born In The USA'...Congrats to Spencer Proffer on his recent marriage. P.S.: You did a great job on the new Jon Butcher Axis album...Peter Wolf joined Bryan Adams on stage in Worcester for a rousing version of 'Hound Dog' and 'Blue Suede Shoes'. If you're not playing 'Diana', you're missing a smash!...Coming soon: Tons of fun from Rhino. Big Daddy and Bob and Zip will have you laughing in the aisles."

DAVID FLEISCHMAN, ATLANTIC (212-484-6017): "The next 12" from Mr. Plant's 'Shaken 'N' Stirred' Lp will be 'Too Loud'...The latest from Phil Collins is the fabulous 'Don't Lose My Number'. Yes, I know, many of you have already played this track. Did you 'Burn It'? Probably not. CHR is jumping on this record hand over fist and you know your competitor is pounding this song. You're gonna play it. Help me have a good summer and play it now (remember Phil has three straight #1 singles)...The Ratt phenomena continues with mega sales and requests. The tour is underway and the feedback on the dates is HOT...FINALLY, FINALLY, FINALLY, long standing belief and hard work pay off as John Parr has a real record with 'St. Elmo's Fire (Man In Motion)'...AC/DC is back and they're proud. The 'Fly On The Wall' Lp cooks, start to finish. Besides 'Danger', 'Sink The Pink' and 'Shake Your Foundation' are additional tracks being played. This record has got the goods...No, that mystery act that appeared at the Live Aid concert late in the afternoon was NOT future superstar, Atlantic recording artist, Matt Bianco. MB was asked to perform but had to decline due to a previously scheduled meeting with President Reagan. Details of this meeting are being withheld under the cover of national security."

KEVIN SUTTER, CHRYSALIS (212-758-3555): "Well, I'm back, my lovelies. You thought no one was going to torture you about Refugee. Well, I'm back only two days and I've donned my Darth Vader of Promotion outfit and come up with nine adds. That means next week the rest of you should get the 12" out and be prepared because The Force is with me now (aha!)...Huey and Pat continue to blow through the roof. Huey's song fits so well into the movie 'Back To The Future' that I think it'll be the summer hummer from the summer blockbuster movie!...As for Pat--look out! I pity the fool who doesn't have this right next to Huey in the power rotations...Speaking of powers, the future power from Chrysalis is the Adventures 12" of 'Send My Heart'. Should be in rotation now. This sound will really get you some great phoners from your listeners. Soon we'll be able to tell you who they'll be touring with this summer...Stay tuned, my lovelies."

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "In two quick weeks, Billy Joel once again is setting records for marks in airplay and sales. The new single 'You're Only Human' is positively blowing out at Top 40 and in this short period of time the record is being reported Top 6 by the Musicland chain, which is certainly beyond major. If you don't power this record (we are shooting for upper demos are we not?), I would quarrel with you. If you don't at least day part it, you're nuts!...Cock Robin continues its roll. More heavy believers this week than ever before. The record is a hit and both formats are finding it out as the pace quickens. Listen to your peers on this one, it's for real...One day, just like in the case of Patty Smyth, a whole lot of people are going to line up for Gold and Platinum records for Alison Moyet. This budding artist is ready for superstardom. BE THERE!...Hooters' second track 'And We Danced' is even hotter and more immediate than the first. This band is on the road and breaking across the country. 12" out this week...Call WMMS for the story on Gowan - it's real, it's growing, and it's BIG...New 12"s this week!: 'Maria' the hit, repeat THE HIT from Men At Work, and the very exciting Nick Mason with Rick Fenn from 10cc and David Gilmore."

MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400): "Well, the party's over. Gone are the blazing afternoons in Hyannis, cool quiet evenings in Chatham, and no schedule whatsoever. Hope no one missed me too much...Now pursuant to Mr. Catania's comments of a couple of weeks ago, no one is going to allow radio to ignore 'All We Are'. Not only is Kim Mitchell a core AOR artist, not only is he coming off a huge hit, not only is he opening for Bryan Adams on the road, but 'All We Are' is made for album radio. It's not like anyone's asking you for undeserved support. Kim Mitchell has reached this junction the old-fashioned way, he earned it...Highway Chile's 'Christine' has hit the ground running. This is one infectious hook that you'll find yourself singing in the shower. Guaranteed to grab people...Since you did, thanks for reading...PROGRAMMERS TAKE NOTE: You just can't hide from Eddie And The Tide."

MARKO BABINEAU, GEFFEN (213-278-9010): "Senses up everybody, Sharkey's Machine goes into action...If you haven't caught a live show lately, you must see the scourge of the west, Lone Justice. All reports back are nothing short of excellent. 'Sweet, Sweet Baby' is about to dominate the airwaves or, as Rod would say, 'People Get Ready'...Speaking of tours, I have had the supreme delight of witnessing my hero, Don Henley, on stage already. From start to finish, this performance is nothing short of what Billy Crystal would say, 'Marvelous'...Third on the Geffen roster when it comes to touring ability, look out for those bad boys from Florida. The Van-Zant boys have made an all out attack, opening up for the Night Ranger tour. This band will turn you inside out, with their live rendition of 'I'm A Fighter', 'Gotta Believe In Love' and the show stopper, 'Midnight Sensation'. By the way, we know how much you hate getting stiffed backstage at a show, so we've come up with a rock 'n' roll remedy. This doesn't mean you have to pay to play, but if you're playin' 'Midnight Sensation' Johnny's gonna want to personally thank you, so look for an all access laminated pack in the mail...Well folks, this land shark's about to hit the sand, so remember--keep your chin above water and always straight ahead."

RECORD ACTION CONTINUED

RICH SCHMIDT, RHINO (213-450-6323): "I'm back, and my vacation was great. The fishing in Southern California is excellent. By the way, a trivia question worth valuable video prizes is at the end of this paragraph. The best bass lure in Southern Cal Lakes is the Rapalashadrap. I scored two 2-pounders on that baby. I was going to retire the lure into the Vacation Hall of Fame, but I finally lost it in the underwater world of trees at Lake Morena...Thanks to all who are dealing with Fred Blassie's 'Pencil Neck Geek'. Ask Ed Levine about his phone interview with Blassie some time. Fred says Ed knows more about wrestling than the King Of Men himself...The big news is our upcoming World's Worst Records Volume II. The first single from this package is WAAF's morning team, Bob and Zip's hysterical send up of David Lee Roth's 'Just A Gigolo' called 'Just A Big Ego'. Then, two weeks later, expect the all-new album by Big Daddy. Can you picture 'Sussudio' done like 'Run Around Sue'? How about 'Girls Just Wanna Have Fun' rendered like 'The Duke Of Earl'. To quote a friend, 'Could be a big summer for Rhino.'...Now the quiz: In the Jetsons, what was Mr. Spacely's first name? Winners will receive Rhino's new home video release, 'Saturday Night Shockers' Volume 1 or 2. Go fish!"

FREDDIE D., HOT TRAX PROMOTION (609-424-8588): "Move over Ben Franklin, William Penn and the Liberty Bell. Enter Live Aid! The City of Bastardly Deeds once again becomes the focal point for mass hysteria history in the form of mega cum concert (better known as, 'If you're not on the bill, retire'). My soul-searched question is, why us? I mean really, don't the Jehovah's Witnesses warrant any respect? By the way, a defector tally will be released (probably by USA Today) to disclose the most influential of the two groups - current odds weigh the Witnesses as early favorites. Back to the original question, why us? After all, Philadelphia has already hosted six 'Rocky' movies. That's enough excitement for half a century. They say the reason is the kindred spirit Philly symbolizes as well as the all too rational idea of proximity. But that's all bull. The real reason is crowd control -- how about a light, scarecrow?!? To all visitors I must qualify in advance, I told you so!"

ROB STEINBERG, SECOND VISION (212-334-9260): "SCORPIONS--UPDATE--'WORLD WIDE LIVE'--THE MOVIE: All across the country this summer you will experience the sting of the hottest rock movie promotion ever. This film highlights the Scorps' best concerts, interviews, backstage antics, radio station and retail in-store visits, plus more than could be imagined in your wildest fantasies. All across the globe--from New York to Paris--Texas to Tokyo--California to Rio--this film is a fanzream cumtru. To all radio and retail: In your big city, a night to remember! Up on the big screen, an exclusive performance in the hottest rock club of 'WORLD WIDE LIVE--THE MOVIE' with complete radio and retail tie-ins. This will have the kids lining up around the block to get in. Give-aways at the screening include: cassette's t-shirts, records, advance release home videos, tickets to LIVE SCORPIONS CONCERTS, trips, and backstage passes to some of the biggest rock festivals where the Scorps will perform--THE TEXAS JAM in Dallas on August 24th and DAY ON THE GREEN in Oakland on August 31st. The film is now being booked for screenings in August and dates will be firm this week. This is no typical live album! Radio must play this record in real rotations. The kids are buying it, requesting it, needing it, and soon they'll be seeing it, courtesy of you. 'Big City Nights' is the AOR track we need support on. MTV is featuring it as an exclusive. Why should live albums only be played in live options when you can have a promotion of this magnitude to accompany your support? Come out of the library recurrent closets and show your audience the best live album/movie promotion they can experience."

DEBRA OVERTURE, MICHAEL ABRAMSON/ROCKER DOCTOR PROMOTIONS (212-370-9041): "It's out and on your desk. It came with your R&R last week. It is the edit of 'The Perfect Kiss' by New Order--and now is the time to listen to it! John and Peggy at WQBK did and have joined the crew of believers. For whatever reasons you choose not to deal with this record now, remember when the first Talking Heads, U2, R.E.M., Simple Minds, and Tears For Fears Lps came out? A little off center at the time, but these artists possessed a unique, distinctive sound and AOR helped launch their careers. All I'm saying is that this band should not be ignored...I've listened, listened and listened (that's a few listens) to the Cock Robin record. If 'When Your Heart Is Weak' has you doubting--check out 'Thought You Were On My Side'. A very strong track and worth a listen...John Parr has gone full circle. 'St. Elmo's Fire' leaps him back into the spotlight--and you knew he had the goods all along...And, off the 'Fletch' soundtrack--The Fixx are getting a real good buzz on 'Letter From Both Sides'. There are a lot of fans here, so when your listeners come home from the movie, they'll ask about 'that new Fixx song'...The new AC/DC Lp, 'Fly On The Wall', continues to twist and mangle the minds of metalheads everywhere. But hey, that's how they like their rock and roll! 'Danger' is the key, but there's attention to 'Shake Your Foundations' and 'Sink The Pink'...The next Ratt track is 'You're In Love'...And lastly, advice to the lovelorn: Those summer romances could use a dose of Alison Moyet's 'Love Resurrection'...On the home turntable: Gene Loves Jezebel's 'Cow', The Cult's 'She Sells Sanctuary' (I love those thundering guitars), and Pre Fab Sprouts' 'Appetite' from their Lp 'Steve McQueen'...See ya at Live Aid!"

JON SCOTT, MUSICVISION (818-906-1995): "a-ha!...a-ha!...a-ha!...a-ha!"

BENNETT KAUFMAN, GOLD MOUNTAIN (213-469-2411): "The Textones begin a two month U.S. tour today in Neal Mirsky's town of New Haven. They are coming off a very successful European tour. Karla Olsen is now available for interviews, ID's, etc., beginning this week. Let me know if you'd like to set one up. The album continues its steady growth, and new adds include: WDIZ, WHFS, CHEZ, WYSP, WEZX, KUFO, WXTQ, KFMH, KLPX and KTCL. 'Clean Cut Kid' and 'Running' are two other tracks that are getting airplay...Keel starts another tour this week with Helix and Accept. The boys with 'The Right To Rock' continue to sell albums everywhere. If you are still not hip to this band and the power of rock and roll, go see Keel and watch your listeners go wild!..Next week HYTS second album, 'Looking For The Outside', hits the street. 'American Way' is the first single and is guaranteed to light up the phones...P.S.: Neal, sorry you couldn't make it. Hope you feel better."

LENNY BRONSTEIN, HEAVY LENNY PROMOTIONS (213-468-4009): "Why does AOR spend years building up acts only to literally hand them over to CHR to bask in their glory? When someone becomes a mega superstar that transcends all formats--AOR immediately thinks fame and mass appeal is a terminal disease. Who made AOR the arbiter of taste of the entire nation? You strive for years to establish a favorite, and when he makes it, you penalize him. Where's the logic? Where's the cognizance of your silent majority/passive audience who don't jam your phones? If nothing else, the audience who grew up with you or your format is curious about the latest release by the superstar you pushed, then overexposed for years. How can you expect loyalty from an audience that doesn't know what you'll declare hip or cool this week? And with the wealth and depth of 20 years of AOR oldies, why are we still hearing the same core oldies we burnt out three years ago before the 80/20 fiasco? Why are the best oldies only valid for 'Electric Lunch' and 'Psychedelic Supper'?...Stay heavy!"

GAIL LEE, PASHA (213-466-3500): "Stop along the axis."

BOB LAUL, SERIOUS BOB PROMOTIONS (212-580-3314): "With the flood of new records out there and no rain in New York City, it looks like a pretty hot summer...To start it off, there is World Sitzenz whose debut Lp features 'Lock It Up', a nifty little tune with some great rhythms, lots of kick, and it's a perfect summer song...From across the sea comes The Adventures debut 12" called 'Send My Heart'. Produced by Bob Seargant of English Beat fame, this record is Blondie meets Renaissance...From Canada comes Refugee with their second 12" called 'Listen To Your Heart'. If you played their first cut, this is a must...Cock Robin is really taking off on all levels with 'When The Heart Is Weak' (all these 'heart' songs!). This record is moving fast so don't wait too long to play it...Lastly, one of my faves, Alison Moyet, who has sold over 300,000 units here in the U.S. and is destined to be a hit...On the home front, The Adventures, Jeff Beck, Robin Trower import Lp and the Fine Young Cannibals import."

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
