Hard Choices

JOURNEY, "RAISED ON RADIO", COLUMBIA...
Steve Perry's solo album proved the essence of their appeal could almost be distilled to one vital member--and the variety of successful styles demonstrated the band's potential for even more diversity. Now Journey tightens down to the three principals Perry, Schon and Cain--and their closeknit chemistry proves that less can be a lot more, esp. to the third power! You've got that killer radio track with the title, a multi-format monster with "Suzanne", world class backup material like "Girl Can't Help It", the out-and-out CHR smash "I'll Be Alright Without You" and even the urbanesque "Once You Love Somebody". And, of course, the now #1 single, "Be Good To Yourself". Ultimate synergy? It's bigger than that.

PETER GABRIEL, "SLEDGEHAMMER", GEFEN...
With hits like "Games Without Frontiers" and "Shock The Monkey" to his credit, any new Gabriel that gets you without his patented time delay quirkomatic hook seems...well...sort of naked in a department store. This time his trend radar shines--cause we all know that funkgroove is just about where it's at. Love those Winwoodian vocals, Tony Levin's boss bass and the real possibility of triple format exposure.

GOLDEN EARRING, "QUIET EYES", 21/ATCO...
Yes, they are quite adept at video rock--but that doesn't mean they can't be huge on the radio again. Don't be duped by "chicken or burgers but not both" mindset. With the right song and sound, Golden Earring's special touch can actually broadcast pictures over the air! And--if the Doors were still recording today, wouldn't they sound just like this? We thought you'd think so.

RUBBER RODEO, "SOLVENIR", MERCURY...
Paul thinks it sounds like Bryan Ferry meets Fleetwood Mac. And with ace producer Ken (Bowie, Jubas, Supertramp, Missing Persons, Devo) Scott at the helm, there's ample room for comparison. Please--get past any name (Video act? Too modern! Too twangy? Too weird!) hang-ups you have and get into a terrific song from a musically unique and truly talented original rock and pop combo.

Reaction Records

GTR, "WHEN THE HEART RULES THE MIND", ARTISTA
They're definitely in charge of the Most Added this week--and 108 adds looks like the new number to beat for OTB response to a "new" act (not that Howe and Hackett have exactly stepped up from Holiday Inn status). The song's in at #18, with average play of just over "1" emphasis...23 Check-listers rated the song a four-star classic, highlighted by: Mark Chernoff, WNEW, "What Asia should have been"...Steve Becker, WJPM, "The next new major act"...Bill Evans, WLUP, "AOR homerun"...Lee Roberts, KILT, "Technorock at its finest"...Gene Brown, WJPM, "What Asia wanted to be when it grew up"...John Russell, KFOG, "Sounds like another great collaboration"...Robin Mathieu, WBLM, "A guaranteed top 10 track"...Mark Devine, WAKI, "The GTR does not disappoint. In fact, it's better than expected".

THE MOODY BLUES, "THE OTHER SIDE OF LIFE", POLYGRAM/THRESHOLD...
You don't need a weatherman to know which way the wind blows--and "Your Wildest Dream" track record alone should be more than enough motivation for depth album exposure. It's the play-up dominator with 23 (now on 11, now on 124), and home free with a powerful 15-5 airplay romp. Requests? Try debut #4 with 21 "excellent" mentions and 26 more "good" ones. The people are obviously frothing for more--and from their best of the decade, you've got to deal with "The Other Side Of Life" and listen to "Rock And Roll Over You."

38 SPECIAL, "LIKE NO OTHER NIGHT", A&M...
With an enviable growth curve and a million units in the bag the last time out, it's about time this act had a shot at that really huge record. They maintain their signature intro and vocal sound--and with help from Adams Family member Jim Vallance, the unique one-cut CD is the tool for the job for multi-platinum penetration.

HEAR 'N AID, "STARS", MERCURY...
Non metal fans will deride the vocal similarities artist to artist--but even Eric Clapton would have to tip his hat to the flame throwing finger gymnastics. This break will burn the hair off your tongs--guaranteed. And phones? We're betting number one requested after one play. Best metal number of the year--and a close second to "We Are The World" in the pop charity division.

GIUFFRIA, "I MUST BE DREAMING", CAMEL/MCA...
Greg and the gang's savvy remake claims another 26 reports--good for this week's longest 71-49 Primer, with a little help from increases at KGB, WCCC, and KRQU. It's now on 55 with 9 "4" or better emphasis mentions, including KUPD, WKQQ, WLAV, WLLZ and KQZZ. KUPD reports "excellent" phones, with "good" calls at WRIL, WKQQ, WBBN, KDEF, KISS, KDKB, WOUR and 4 more.

JOE JACKSON, "RIGHT AND WRONG", A&M...
It's one of our strongest Check-listers this week, with 41 building, 20 maintaining, none dropping, and 10 more considering...Joe's 35-23 Song move ranks #5 in points and positions, and the National (21-16) and Metro (23-17) underlines place #4 in points...There's new air on 16, airplay now on 93, with 10 max and 11 increases (WRCH, KILD, WRDU, WCCC, WOUR).

LOU REED, "NO MONEY DOWN", RCA...
Lou looks good with 25 fast backers and a #88 debut, and the radio reviews say to expect the interest to build pronto: WMMR's Erin Riley awards four-star status, saying "In Lou we trust"... "Extremely accessible" said CPNY's Don Berns...WKUP's David Hall agrees, "Has a strong shot"... From XAZY's Zak Phillips, "Another instant classic"...WPLR's Amanda Tepper sez, "I'm grinning over it"... KZJW's Cindy Ballen adds "Another stride toward mass appeal"... "It's great" came from WGN's Inessa York... "He just keeps getting better" reviewed WBAB's Ralph Tortora... "Unbeatable" according to WLUP's Bill Evans... And MARK's Mark Dida calls it "Perfect for us."

THE MODELS, "OUT OF MIND, OUT OF SIGHT", GEFLEN... As we've said for a couple of weeks now--this one's moments from smash status. "Excellent" phones now include WLUP, WLIR, WPLR, WYEM, WHEB and KRNA, with "good" calls from WEDN, XBER, WOPN, KSHE, WLAJ, KRKE, WPKX and 3 more. 16 more adds bring the LP on at #40 on the Metro list, and give it our third longest 45-36 National move...Also check the 58-47 Song Primer. Play ups include WBRU, WPLR, KMDD and WJMD...Amanda Tepper, WPLR, sez "The Models are starting to pull some really serious phones. I smell a hit here"...from The Biz at WLLZ, "Podell and I both think 'Out Of Mind, Out Of Sight' is an incredibly indicative, roll-down-the-convertible-top-summertime type of tune". And WKQQ's Bob Ellis calls it "A cut that will give your current playlist a different dimension. Straight ahead rock 'n' roll with a sort of quirk to it."

ICEHOUSE, "NO PROMISES", CHRYSALIS... Though it's early, the phones are starting to perk up: KBER, KUMB, WOPN, KAZY, KRKE, WJMD, WELN and 5 more list "good" to "excellent" calls...14 more adds give "Promises" 41 to date, powering up the second strongest 58-52 Song Primer...WKQQ's Rick Carroll predicts, "This is an absolute snast. A #1 song. And there's no question ORR will beat AOR to the punch on this one"...Will we turn our backs on a major hit to be? Have too many album radio programmers lost confidence in their hit radar? Watch this space and find out!!

JOHN ETDIE, "JUNGLE BOY", COLUMBIA... They sure know about this guy in the Northeast corridor--WINK's Hara Duda caught the act plenty in Philly. "The record of the week and best new artist of the year so far. After just a couple of plays this weekend, it's showed up on the Top 10 at 10:ever since"...Erin Riley, WOPN, sez, "Good lockbest--great song!"...WLIR's Larry Dunn raves, "Yowza! Dance, jump, and turn it up"...From WAAF's Russ Mottla, "Great song, great big production"..."Real catchy" said KRKE's Jessie Brice... "Good initial effort" was the word from WLUP's Bill Evans...And KML's Kevin Vaross reviews, "Good solid track"...New on 13, debut #99.

Buzzbands

BOB JUNGKAS, "BOYSTOWN", MANHATTAN... The stellar early stats don't lie--this song has the goods. 10 adds and 29 stations to date bring it on at #82, with the following Checklist highlights: Joe "Real catch!" Blood, KEZO...Bob "this guy can write" ETDIE, WKQQ...Robin "on the money sound" Matthieu, WRLM...Lee "fine young energy" Sandall, WLJQ...Russ "strong rock 'n' roll song" Mottla, WAAF...Bob "derivative but excellent" Balley, WRLS...Linda "Bruce, watch out!!" Lanci, WLNZ...Giney "listeners are calling when they hear it" Balton, KZEW...Michael "hot hook" Davis, KFMG...Mark "terrific record" Chernoff, WNEW... And Sarrett "getting great test results" Hart, WGLU...Will be 51Q.

KROKUS, "BURNING UP THE NIGHT", ARISTA... The Metro numbers burn brightly for Krokus this week, with the 50-29 Underline that indicator's second strongest move. The National chart awards the 44-39 Primer. Thanks to 11 more adds, 61 total--and ups from KROU, KDMA, WAPL, KQPS, WGLU and KBER...Major Checklist muscle after 4 weeks, too: with 17 building, 17 maintaining and 14 actively considering. "Burning Up The Night" advances 57-50.

CACTUS WORLD NEWS, "YEARS LATER", MCA... As progressive as possible without losing commercial appeal? Say hello to Cactus World News...Larry Dunn, WLIR updates, "Buzz of the week. It's receiving significant sales and phones. More than a hot import for us"...Inessa York, KQON, "Cactus World News has something very fresh and vital in its grooves"...Duane Sherman, WTOS, "This is a very strong record. THE BODEANS, "FADEAWAY", SLASH/WR... Nice of T-Bone to phone to thank us for our pick and support on this cool tune--but what made the call were the following Checklist ravas: Joe Blood, KEZO, "T-Bone did a nice job" (think he got off on that?)...Larry Dunn, WLIR, "The more I listen the more I like. Good male/upper demo response"...Zak Phillips, KAZY, "De'l Fuegos part II"...Warren Williams, KSRR, "Sounds pretty good"...Steve Funk, KZZZ, "Excellent record"...Bob Allen, KFMG, "Love 'em--we're considering"...Bob Walton, WKDU, "This year's biggest home listening record"...Ralph Tortora, WJAB, "Contenders for best new band of '85"..... And Bruce McDonald, WFKX, "The Bodeans cause a major disruption every time we play 'Fadeaway'. Phones galore"...New on KQON, KQON, WAPL, WTOS, WFKX, WEQI, KROU and WEZK.

JEFF PARIS, "BACK ON MY KNEES", MERCURY... WJAB's Ralph Tortora testifies--"Okay, so it's the third 12" in three weeks, but it's not fair to hold the artist completely accountable. The fact remains that it is a great tune and I applaud PolyGram and all involved for finally getting on the right track. I believe it's a hit (we're talking summertime, top-down cruising), and collectively we can prove it" ... Take heart from the 91-80 Primer, and adds at KMET, WQFM, WJAB, WFER and WHTF.

THE ROARING BOYS, "HOUSE OF STONE", COLUMBIA... Keep an ear on this melodic little smoothie--the Checklist indicates it could come alive despite the traffic. WLIR's Larry Dunn raves, "We love this song to death!!"...KALE's Ron Sorenson rates it "Better than Bryan Ferry"...WKDU's Bob Walton sez, "Takes a few listens but surprisingly good"...KFMG's Bob Allen compares, "Hooters meet Bryan Ferry"...Dave Kane, WOPN "Sounds like Roxie--considering"...Bob Eranes, WBCN, "Hey, this is cool!!"...And from Bob Showers, WJFS, "We have high hopes."

DANNY WILDE, "ISN'T IT ENOUGH", ISLAND... KMET's Sky Daniels pegs it "record of the week", noting that "Danny's perseverance has paid off. He's given us a record that's predecessor has to be Bryan Adams' 'Run To You'. One listen will tell you it's good. Repeated spins will serve notice that a budding popmeister has arrived"...The Biz, WLLZ seconds with "Although Danny doesn't really break any new rock and roll ground with 'Isn't It Enough', it's likeable enough on the first listen that we think the listeners will bite"...New on KMET, WLLZ, WJMD, WJHA, WJMD and KSOY, with second week action at KSHE, and WJCN...Already increased on KBAT.

ROBERT TEPPER, "DON'T WALK AWAY", SCOTTI BROS... Faced with fierce competition on the street, Mr. Tepper continues to pull credits add week after week. This report's new converts include KRQI, WJMD, WLNZ and KRNA, inacting a 70-61 spurt as the LP grows 48-45 in National play, 46 Metro. Looking for quality among the 41 now playing? Try KSHE, WNEW, KPOR, KIDW, KSRR, WYSP, WLAJ, KLAQ, WLLZ, WHJY, KSHE, WJMD and WPLR.

Automatics

Automatics Continued

ROBERT PALMER, "HYPERACTIVE", ISLAND... WKQQ, WPLR, WPYX, KRKE, WMGM and WHEB are but a few of the early request hotspots, and with 47 now on board, we expect the call quotient to escalate--as KFMF's Marty Griffin notes, "Let's face it, 'Hyperactive' is picking up where 'Addicted' left off. Robert Palmer is hot"...New on 15, upped at WMMR and WHEB, and "4" or better rotation at WMMR, KZAP, DC101, WPLR, KATT, and KZEW..."Hyperactive" checks in with the week's fourth best song move 66-52, holding the album in the top 10.

THE OUTFIELD, "ALL THE LOVE IN THE WORLD", COLUMBIA... It's gonna be tough to top the first two tremendous singles, but at this stage their unusual vocal harmonies should definitely get 'em on base. One of the few bands that AOR can take most of the credit for breaking during the past calendar year starts with 13 adds and a #91 debut...On KSRR, KISS, KSJO, WSKS, WRIF, WYNF and more.

INXS, "LISTEN LIKE THIEVES", ATLANTIC... It's #10 Most Added with 12, as 82 now playing and ups from WZZO, WRUF, WDHA, KROQ, KBER and WOUR move it 42-34. Note the 22-19 National Lp turnaround.

THE HOOTERS, "WHERE DO THE CHILDREN GO", COLUMBIA... The ultra biggies have put the bite on the third and fourth track singles, but the Hoots continue to march on. As noted by WCPZ's Kevin Young, "I'm about to rename our town Hootersville. Ever since 'All You Zombies' came out, it seems Youngstown can't get enough of the Hooters"... This week finds new air at WIYY, WLUP, WPYX, WBAB and KQDS, with ups from WAAF, WAQX, WDIZ, WKQQ, WHMD and WOUR..."Children" Primes 33-31, with a 29-27 Lp Underline and 33-31 Metro progress.

Double Shots

JOE COCKER, "YOU CAN LEAVE YOUR HAT ON", CAPITOL... Album radio's second choice out of the box goes on KISW, KZAP, KILQ, WTOS and WEZX--and with WMMR and KAZY, WCCC and WTUE already in, it's one of the best bet backtracks around. The CHR blitz starts.

FEARGAL SHARKEY, "YOU LITTLE THIEF", A&M... Get around his unusual voice and you'll hear some of the most interesting and innovative pop around...WAAF's Russ Mottla predicts, "This song will break Feargal wide open"...CFNY's Don Berns has already done well with the song, calling it "An excellent follow up"...WMGM's Al Branca rates it "Four star all time favorite status"...And KOZZ's Steve Funk has no fear, simply saying, "I dig Feargal".

BRIAN SETZER, "BOULEVARD OF BROKEN DREAMS", EMI... Howzit gonna do? WCCC's Brian Illes says, "An excellent follow up choice"...CHOM's Neal Kushnir agrees, "Great rock ballad"...KZAP's Bill Prescott feels it "Beats the hell out of Stray Cats"...KFMF's Marty Griffin says, "Will follow in 'Knife's footsteps"...WIOT's Rick Van Gil rates it "Better than the first tune"...WHMD's Ron Chapman raves, "Fabulous"..."Nice ballad" said KILQ's Alan White...And "Simply dynamite" said KRNA's Steve Kosbau...And WGLU's Garrett Hart told us "credible follow up"...New on KAZY, KRNA, WEZX, WAQX, WRKI and WTUE.

HOWARD JONES, "NO ONE IS TO BLAME", ELEKTRA... One of the year's best ballads builds 49-43, thanks to adds at WMMR, WCCC, WKQQ and 5 more, and 7 ups including KFMQ, WRDU, KLBj and WOUR...Now max play at WZZO, WTUE, WLIR, WLUP, CHOM, KAZY and KLBj.

LOVERBOY, "LEAD A DOUBLE LIFE", COLUMBIA... The latest in their string of change of pace singles scores 11 adds and double debuts: The song hits at #87, bringing the album back at #50 in the Nationals. Now playing on 21, including KGON, KLAQ, KSHE, KOZZ, KRKE, KMOD, KILQ and KLBj.

Builders

JULIAN LENNON, "STICK AROUND", ATLANTIC... He continues to pace the leaders in the play-up race with KMET, KLOL, KLOS, WCMF, KATY, KSRR, WAAF, WIYY and 6 more this week, and 67 maximum rotation reports. Still #10 Most Requested with top 5 follow thru that includes WYSP, WNEW, WBAB, KICT, WKGR, WDHA, WTUE and WGRX...Nice Checklist validation, too: Building at 40, maintaining at 33.

HONEYMOON SUITE, "FEEL IT"/"BAD ATTITUDE", WB... It looked for a moment as if the label might have rushed the second single, but now it appears both tracks are enjoying excellent growth. "Feel It Again" Primes 9-7, and it's hard to argue with our third best 15 increases, especially when that list includes WDVE, WWCK, KSHE, KRQR and WLQV...Ditto 63 max reports and comments like this from WNEW's Mark Chernoff, "We've re-added 'Feel It Again'. It looks like this song may finally break here in NYC"... Meanwhile, "Bad Attitude"'s good add pattern continues, with 10 more just in, and ups from KGB, KLOS, KRQR, KQDS, and WAQX...Underlined 54-46 with 51 now playing. The album Primes the Nationals at #7 with the week's fifth best point increases; also Underlined Metro 9-6.

MR. MISTER, "IS IT LOVE", RCA... Looks like they're going to the moon again--with the week's second best 20 play ups and an 11-9 Underline. The Lp crunches 13-11 Nationally, with 93 now playing, 48 of which list max play.

GRAHAM NASH, "INNOCENT EYES", ATLANTIC... Big Checklist here, too, 30 builders deep. It's new on WYSP, KSJO, WQFM and KOME. Up at WRIF, WAPL, WGLU, WAQY and WZZO, and max on 13: DC101, WLUP, WKQQ, WNOR, KQRS, KSHE, KBCO. "Innocent Eyes" points up an Underline at #12 with the Lp Underlined 14-12, 18-14 Metro.

JIMMY BARNES, "WORKING CLASS MAN", GEFEN... The track that took forever to kick in now refuses to let go: Try our third best 15 play ups with WDIZ, KISS, WPLR, KGB, WCCC, WRXL, WRUF and WRCN heading the list...We've got a 24-22 Song Index Underline and corresponding album Primes 24-21, 28-24 Metro... New on WIYY, KEZO, DC101 and WTKX, now on 96, nine of which list max.

JUDAS PRIEST, "LOCKED IN", COLUMBIA... At what point is it safe for practically everybody but MOR? We'd say about 10 builders ago--cause now they're up to 37--against only 3 dropping. There's new air on WLLZ (with WEBN and KLOS on "Turbo"), a true-life 6-3 Most Requested build, and a 28-26 chart gain. Upped at KUPD, WPLR, WDHA, WLNZ, WAPL and KSJO.

JEFFERSON STARSHIP, "TOMORROW DOESN'T MATTER TONIGHT", RCA... Yet another single validated by album radio increases: Up at WCMF, KGB, KSJO, WSKS, WRXL, WZZO, KFMQ and 7 more, down on only 1, and max at 9. Be convinced by the 36-30 Underline and 73 station roll call. The Lp re-Primes 31-26/38-32 Metro.

BOB SEGER, "LIKE A ROCK", CAPITOL... Well, this week we're back to tell you that if "Fortunate Son"'s airplay points were factored in, Bob would have the #1 album. As it is, the #3 position merits an Underline for points gained. "Like A Rock" is the #2 point builder, moving 26-16 with 16 adds, 15 increases, and 25 max. It debuts at #11 Most Requested..."Tightrope" adds at 10, ups at KZAP, WHCN, WQFM, KSHE, WHEB, and KZEL, and Primes 52-45..."Sometimes" picks up 10, 75-65 with adds at KOZZ, WKFM, KRIX and WWCK...Ups from WDVE and WRDU and 25 now playing..."Aftermath" moves 74-69 behind 2 adds, 2 ups and 22 total..."Miami" is new on DC101, KESI, WMGM, KRQR and WWCK. Upped at WRDU, KAZY, and KQDS--Prime 81-73, and "It's You" completes the builders 92-84.

TEARS FOR FEARS, "MOTHERS TALK", MERCURY... Expect a quick close at this rate: Now on 70, with 10 adds, 5 ups and all kinds of Underlines: "Mothers" makes it 44-41, Priming the Lp at 33 Nationally, 49-41 Metro. Early phones are "excellent" at WFYV, KRNA, WMGM, KBER and WLIR. "Good" at 14 more, including WHJY, WMMR, KSRR and WYDD.

DIRT ALERT!

Presents ...

WCCC EXODUS: ILLES, GROSSMAN, TWO OTHERS EXIT

An extensive talent turnover is underway at Hartford's WCCC-FM, where four key players from the programming department have resigned in recent weeks. By April 18th both PD David Grossman and MD Brian Illes had bailed, with David expected to announce plans shortly and Brian accepting the Asst.PD/Promo Dr/Aft Drive slot at WKFM, Syracuse (see story below). Joining the exodus are midday personality/Production Director Steve Cormier who's destined for mornings/Programming Asst at WIZN, Burlington and night personality Beth Sullivan (aka Angie) headed for parts unknown. Station management moved quickly to fill many of the openings from within, upping Asst.MD/Research Director Harv Alan to MD/Promo Director/7p-mid, tapping weekend warrior Bill Schultz for middays/Production Director and moving WCCC-AM air staffer Carol Vasser to the other side of the building for FM overnights. Who's running the show while GM Milt Anniger (currently on vacation) shops for Grossman's replacement? For now, most of that responsibility will be shouldered by Harv Alan.

SYRACUSE ROCK WARS REVISITED...

It may only be the nation's 61st radio market, but when it comes to hand-to-hand combat, Syracuse is clearly one of the hottest radio war zones. Consider tenured AOR WAQX, which under PD Ed Levine, has managed to thwart attacks from two separate format challengers in the past 8 years--100,000 watt WSYR-FM and WSCY. Enter new contender WKFM, which debuted last October with a hybrid format, and thanks to recent changes, are now making serious overtures to the Central NY market. In January, the station's transmitter was relocated to improve metro coverage, and a month later, Burkhart/Abrams were brought in to consult. And last week, PD Steve Becker (a WAQX alumnus) hired WCCC-FM MD Brian Illes as Asst.PD/Promotion Dr/Afternoon Drive personality. Brian's banking on being a key factor in the station's success and naturally feels "WKFM is in a position to make a serious dent in the market. I'll have all the tools and support that's necessary to win at KFM and I'm quite confident that's what we're going to do"...Positioned as "KIX-FM, Quality Rock 'N' Roll", the station plans to make its mark in the spring sweep with a freshly produced Joe Kelly/Super Spots TV commercial, a Thousand Dollar No Repeat Thursday promotion, 100,000 bumper stickers and billboard visibility.

But Levine, MD Amy Dahlman and consultant Al Peterson, have fought long and hard to keep 95X on top, and they're not ready to relinquish any of their turf. A Song Of The Day promotion is doling out \$15K in daily \$500 increments, and a half-million bumper stickers and 100 billboards will insure market logo saturation. (20 of the billboards are going upside down with cash prizes awarded to listeners who spot them first). Like WKFM, WAQX has enlisted Kelly's Super Spots for a TV campaign, utilizing a customized spot that Ed sez "is very similar to KIX-FM's. The casual observer will find a shocking similarity in the two which is exactly what we intended to do".

The spring ratings will provide the first real test of WKFM, with all their systems in place. With 95X defending an 11 share to KFM's 3.5 (fall '85 Arbitron, 12+) the third chapter in an old war story is about to be written.

PIOMBINO TO DIRECT WESTWOOD ONE MARKETING

Less than three months after vacating the KMET, L.A. PD position, Rich Piombino has been named Marketing Director for the Westwood One Radio Networks. "It's a supreme honor to join Westwood One" says Rich. "This is a company of total professionals and is unquestionably one of the most influential forces in the music business today. I hope to learn as much as I contribute"...A former WEZX, Scranton and WKQB, Charlestown PD, Rich is regarded as one of the best promotion directors in the country, having held promotion and creative services director positions at WLLZ and WWWW, Detroit WKLS, Atlanta and WKTU, New York. Rich will work with Westwood One's station sales department setting up promotions around Westwood One programs, and will also assist the network's artist relations and music marketing divisions on a variety of special projects.

MOR (MOAMMAR ORIENTED ROCK)

K-ROCK's Howard Stern, his band Pig Vomit, and morning show producer Fred Norris have recorded a follow-up to their version of "The Harlem Shuffle". "K.I.L.L. Colonel Khadafy" (sung to the tune of "R.O.C.K. In The USA") is creating a hefty buzz in New York---K-ROCK's been playing it around the clock since Monday the 14th, and MD Mark DiDia reports it's already #1 most requested. Enjoy the depraved and timely lyrics in this Dirt exclusive:

There's a little faggot dictator that's bringing everybody down.

He's a towel-headed coward and his underwear is brown, brown, brown.

K.I.L.L. Colonel Khadafy! K.I.L.L. Colonel Khadafy! K.I.L.L. Colonel Khadafy!
Kill Colonel Khadafy!

Can anyone explain your reason for being such a creep?

The only explanation is your father made love to a sheep.

You're a terroristic sissy without an ounce of class.

We'll give you an enema or shove a neutron bomb up your ass. **CONTINUED**

CHRYSALIS FLEXES MUSCLES; ELEKTRA ADDS TWO

Chrysalis has finalized a "major expansion and strengthening" of its promotion department. "We are entering into the most productive 24 months Chrysalis music has ever experienced" explains VP of Promotion Daniel Glass. "The music releases will increase significantly and now we are ready!. The state of business on the streets is one of fierce competition and we believe we have the most qualified and agressive people in the marketplace."

In the Album Dept., former WIZN, Burlington OM/PD Roger Mayer is named Associate Director Albums/Midwest, joining Jeff Laufer who recently landed the same title on the West Coast. Both report directly to Director of National Lp Promotion, Kevin Sutter.

Concurrently, New England Regional Promotion Manager Charlie D'Atri ascends to Director National Singles, with Jan Teinfeld set as Associate Director Singles/West Coast. Jan hails from All-Pro Record Promotion, a west coast indy outfit.

Additionally, six new regional promotion managers have been announced. They are:

New England: Jerry Blair (formerly a CBS New England College Marketing Mgr).

Central/Cleveland: Michael Van Orsdale (from Chicago-based indy firm, New Avenues Music).

Midwest: Greg Thompson (from Chrysalis' Central region). Greg is based in Chicago.

Upper Southeast: Ralph Carroll (from WCGQ, Columbus GA where he was PD) based in Charlotte, NC.

Mid-Central: Geina Horton (from Y-108, Denver MD position) based in Denver.

Northeast: Mark Diller (from Midwest) based in New York.

And at Elektra, Harry Levy, most recently PD at highly regarded college station KUSF, San Francisco is the new National Director of College Radio Promotion. Taking the helm for local Seattle promotion for Elektra is Michelle Meisner, from MCA singles marketing, San Francisco.

Next up to announce its expansion: Arista.

HOCKER HOCKS NATIONAL ALBUM POST AT MCA

We bad, we nationwide department: MCA's Randy Hock has assumed the position of National Director of Album Promotion/Marketing. He had been serving as Director Album Promotion/Marketing East Coast since joining the label last summer. "Randy's always been real dynamic, to the point, and unwavering in taking charge of a situation" assessed VP Album Promotion John Schoenberger. "He and I have worked together for a long time and we complement each other perfectly. He's black and white and I'm gray."

Among the Hocker's experiences are five years apiece at Arista and Atlantic and airwork at WPHD Buffalo in its progressive McLendon days of the early 70's.

MASTERS LANDS VP STRIPES AT VH-1; ROBERTS TO KMYZ, TULSA

Kevin Metheny is out and Lee Masters is in as VP of VH-1. That makes Masters the key programming exec for the AC formatted MTV music channel, responsible for production, editorial content and on-air promotion. GM at KWEN, Tulsa since '84, many remember Masters from his Louisville days: He programmed WLRS from 75-77 and later was involved in the management/ownership of 'LRS, its AM sister WAVE, and KISO/KLOZ, El Paso, in partnership with Henson Broadcasting. In the late 70's, Masters co-hosted a weekly music TV program with Bob Pittman.

Lee Roberts has turned in his resignation as KICT, Wichita MD to take afternoon drive at KMYZ, Tulsa. Lee follows the footsteps of former KICT OM Bill Bruun who vacated that post last month to program KMYZ. Here's Lee with the rest of the dirt:

"It's not very often in this business that you get something that you really want. I have my hometown of Tulsa to go back to, I have my family to go back to, and I have one of the hottest PDs in the country to work for in Bill Bruun. I'd like to thank the management of KICT 95 for everything that we've accomplished in the last 12 years I've been here, but there comes a time when you gotta move on. As Leon Russell would say, Home Sweet Oklahoma on my mind."

Lee will be in Wichita thru the 30th; no replacement has been named at press time, but GM Linn Harrison tells FMQB he's talking to people from within first. Also exiting is morning man Doc Phillips with new PD Ron Eric Taylor slated to cover that shift.

LOU O'NEILL JR spent an hour last week with Frankie Banali, the steady beat behind the heavy metalists known as Quiet Riot. Banali was in New York for a slew of interviews, including Circus Magazine, RockBill, Hit Parade, Kerrang, Hard Rock's, MJ's Metal Shop, The New York Daily News, USB and much, much more. Of course, having the genuine rock star in the building meant that Susan Blond, Ray Anderson's Vice President of Press and Publicity, had to have Frankie sit down with her and King at the Water Club and break bread as the sun set in Lower Manhattan. Banali says the rest of Quiet Riot is ready to go, and that all of the internal problems have been put behind them.

GEORGE HARRISON guested last week on "The Today Show" with a live appearance on Monday and taped cut-ins for the rest of the week. The very thorough Jane Pauley conducted the Q&A sessions with the always fascinating former Beatle. Harrison said that way back when, Moammar Khadafy actually threatened the three other Beatles when they were still functioning as a team!

BILLY JOEL continues to record his new Lp in the studio and, according to Lou O'Neill Jr, on one track - "Getting Closer" - the Long Island rocker is working with one of his boyhood heroes, Traffic's Steve Winwood. And, on another, Billy's rockin' with another legend - the one and only Ray Charles - on a song called "Baby Grand."

DIRT ALERT!

WE'RE BETTING DOLLARS TO DOUGHNUTS that when Bono takes the stage of Giants Stadium on Sunday, June 15th, he'll have three fellows - called U2 - walking out behind him. It's a foregone conclusion that U2 will make their first appearance in America in quite a few years at the upcoming benefit for Amnesty International.

JUST AS WE ANTICIPATED several weeks ago, Bob Dylan and Tom Petty & The Heartbreakers will be coming to New York City on July 15th and 16th--and in a very big way! Has Dylan asked two of rock's biggest superstars to join him on selected dates???

REMEMBER ROCK 'N' ROLLERS Gary Brooker and B.J. Wilson, the blood and guts of the English group Procal Harem? FMQB has learned that the band is ready to launch a major comeback, and our sources in Europe say they hope that a tour can be put together. Among the songs they're famous for are: "Conquistador", "Salty Dog", "Hamburg" and "Whiter Shade Of Pale". Brooker and Wilson have written new songs that they're extremely excited about. The band will be called The Gary Brooker Band, and they're signed to PolyGram overseas.

MUCH OF THE ROCK PRESS is touting that 4-piece combo from Australia called The Church. They remind many of The Hollies and the early Byrds. They work a 12-string Rickenbacker guitar into the set, and otherwise go with two guitarists, drums and bass. They've just released their third album in America, their second on Warners.

ABC-TV'S "GOOD MORNING AMERICA" interviews The Fabulous Thunderbirds this Friday as part of a big series the program is putting together on rock 'n' roll. In addition, the band will perform two or three numbers live on WNEW-FM early in the morning on the Richard Neer/Mark McEwen/Lisa Glassberg Show. Publicist Charles Comer has also lined-up the following interviews for The Fabulous T-Birds: Newsweek Magazine; Circus Magazine; "Solid Gold"; The Rock Wire Report; "American Bandstand"; the cover of Guitar Player Magazine; a feature in Guitar World; Cream Magazine; Musical Sound And Output; Downbeat; Musician Magazine; plus several more we don't have space to print.

BY ALL STANDARDS, it was a sensational performance as Blue Oyster Cult and Kiss came together last week for a near-sell-out at the Jersey Arena in the Meadowlands for impresario John Scher. After a fine set by BOC, it was the Kiss-men's turn to come out and create pandemonium -- and did they ever -- as Gene Simmons & Company practically slaughtered the audience with a crescendo of rock. It was a pyrotechnic display right out of a science-fiction book as one special effect after another went off. These guys are master entertainers. Backstage, Donald Roesser, of Blue Oyster Cult, said that the Cult would shortly be going out on the road with Rush as a support band, and that they had enjoyed their time with Kiss very, very much... In the rejuvenated BOC there are Eric Bloom and Don Roesser, of course, on rhythm guitar and lead guitar respectively, but the band has been rounded out with the addition of Jimmy Wilcox on drums; Jon Rogers on bass; and Tommy Zvoncheck on keyboards. Zvoncheck formerly played with Aldo Nova and Clarence Clemons as well as Johnny Lydon and PIL.

The Rock Report

Despite their various other projects, NICK RHODES and JOHN TAYLOR have set aside some time to write material for their upcoming DURAN DURAN album due at year's end from Capitol. The group plans to converge in the studio this summer. Meantime, the word is out for a producer. Guitarist ANDY TAYLOR is the latest to enter the studio to record an album. He's enlisted the help of producer ROY THOMAS BAKER and TURTLES HOWARD KAYLAN and MARK VOLMAN (also known as FLO and EDDIE). THE ROCK REPORT spoke to FLO and EDDIE, who told us that TAYLOR is doing a cover of T-REX's "HOT LOVE". In the original version of that song, which ROY THOMAS BAKER also produced, FLO and EDDIE were featured on background vocals, as they were on other T-REX hits. Interestingly enough, POWER STATION found their first hit with another T-REX song "BANG A GONG".

ASIA vocalist JOHN WETTON is currently working on demos for a solo album. In the studio with WETTON are YES drummer ALAN WHITE and PHIL MANZANERA, one time guitarist for ROXY MUSIC. JOHN will announce his future plans shortly.

DEEP PURPLE is in the studio working on the follow up to their "PERFECT STRANGERS" Lp. Bassist ROGER GLOVER is producing the record with the aid of the band. So far, the group has laid down several tracks and hopes to have the record completed in time for a late summer release. At that time they will embark on a world tour. Keyboardist JON LORD recently spent some time in the studio helping his neighbor ALVIN LEE with the upcoming DETROIT DEISEL album featuring GEORGE HARRISON. DETROIT DEISEL is planning a summer tour but it's unlikely that either HARRISON or LORD will be with them.

GENESIS continues work on their new album for Atlantic. While they're working, fans will be happy to know that Cinemax is planning a lengthy run for the group's first full length concert video beginning in May. "GENESIS IN CONCERT" was filmed during the group's last tour at the National Exhibition Center in Birmingham, England. The concert, which runs an hour, features some of the band's most popular songs like "ABACAB", "TURN IT ON AGAIN", "THAT'S ALL", and "ILLEGAL ALIEN" to name only a few.

In more video news, ROD STEWART will release a new performance video this week through Karl-Lorimar. "THE ROD STEWART CONCERT VIDEO" was shot during his 1984 tour and features 17 songs including "MAGGIE MAY", "INFATUATION" and "TONIGHT'S THE NIGHT". The 80 minute cassette also has rare footage of STEWART during his ROD THE MOD days with THE JEFF BECK GROUP and clips from his time with THE FACES. Currently, ROD continues work on his follow-up to last year's "CAMOUFLAGE" Lp for Warner Bros. BOB EZRIN (PINK FLOYD) is producing.

"LIVE! FOR LIFE" is the name of the charity disc being released this week benefiting the AMC CANCER RESEARCH FOUNDATION. The IRS record will include unreleased studio and live tracks from STING and JEFF BECK ("BEEN DOWN SO LONG"), BOB MARLEY AND THE WAILERS ("LIVELY UP YOURSELF"), R.E.M. ("AGES OF YOU"), SQUEEZE, THE BANGLES and more.

Ex-J. GEILS vocalist PETER WOLF is hard at work in Boston on his second solo record for EMI. At the producers helm is MICHAEL JONZUN, who also lent a helping hand to WOLF's debut disc, "LIGHTS OUT". Look for this record in September.

BIRTHDAYS THIS WEEK:

Iggy Pop	4/21/47	(39)
Peter Frampton	4/22/50	(36)

News From Rock Over London

The complete line-up of artists has finally been announced for Sound Waves, the series of Greenpeace concerts at the Royal Albert Hall in the week of April 21-25. Monday 21 will feature, among others, NIK KERSHAW, KIM WILDE and BELOUIS SOME...Tuesday 22 has LLOYD COLE AND THE COMMOTIONS and BLANCMANGE... On Wednesday 23 BIG COUNTRY will be appearing, as will MIKE OLDFIELD, THE MEN THEY COULDN'T HANG and JUDIE TZUKE...Thursday 24 features ECHO AND THE BUNNYMEN and CHINA CRISIS...And the last night, Friday 25, stars THE CURE and THE WATERBOYS. An impressive line-up of artists all appearing in a good cause.

ROCK OVER LONDON was present last week at the launch of the HEAR 'N' AID project at the Hard Rock Cafe, just by Hyde Park. Many of the names on the "Stars" single, which features some 40 heavy metal luminaries, were in attendance, as was BOB GELDOF, who pointed out that the project will continue to embarrass the world's politicians as it raises yet more money for Ethiopian famine relief. The single will be followed by an album featuring tracks donated by KISS, RUSH, DIO, the SCORPIONS, BLUE OYSTER CULT, and even JIMI HENDRIX; there'll also be a 30-minute video called "Hear 'N' Aid: The

Sessions" about the making of the record. Plus a whole range of Hear 'N' Aid merchandise will be available. ROL had a quick conversation with JUDAS PRIEST's ROB HALFORD, one of the British contributors, and we'll be airing that very shortly on the show.

THE INSPIRATIONAL CHOIR, the British gospel outfit who've enjoyed some chart success of late, are playing a concert at the Royal Festival Hall on April 19 at which stars like SUGGS OF MADNESS and BRIAN ENO will be performing. It's also rumoured that there'll be special guest appearances by PAUL YOUNG and ALISON MOYET,

PETER GABRIEL has just released his first single for nearly 2 years. Entitled "Sledgehammer", it will feature on his 5th solo album which will be released next month and actually has a proper title, something he doesn't normally bother with. It's also called "Sledgehammer", in fact, and has been produced by DANIEL (U2) LANOIS. Meanwhile, KATE BUSH and PETER GABRIEL have been together in the studio working on a new single - and Kate has shelved plans to make a film version of "The Hounds Of Love" Lp. Instead she'll start working on the follow-up album.

The annual "Help A London Child" appeal over the Easter weekend by London's Capital Radio (their morning man is ROL presenter GRAHAM DENE) raised a record £145,000 for needy children and produced some interesting guest appearances, including one by BRYAN ADAMS, who played a live and acoustic version of "Cuts Like A Knife" on an acoustic guitar owned by PETE TOWNSHEND, no less. Pete had brought the guitar in to be auctioned off for the appeal.

Not so much ROCK OVER LONDON as Rumpus Over Paris recently, when WHITNEY HOUSTON appeared live on France's live family music show "Champs Elysee" and was confronted by the notorious French singer/composer SERGE "JE T'AIME" GAINSBORG telling her "I would like to....you. You are not Reagan and I am not Gorbachev so we can do it". Interesting argument, that, we must try it sometime. Needless to say the cleanliving, Godfearing Ms. Houston was most offended and everyone connected with the programme spent the next couple of days apologising profusely for the straighttalking Monsier Gainsbourg. But it is reasonable to assume that Whitney will not be saving all her love for him.

We warned you two columns ago (ROL News April 4) about the GARLIC GIRLS, Norway's entry in the Eurovision Song Contest which takes place in Bergen on May 3. That being the case, we're bound to make a similar announcement about the British entry in the competition, "Runner In The Night" by a group called RYDER. The single has been rush-released by 10 Records and although it's not down to the standard of "Boom-Bang-A-Bang" or other epic UK offerings of previous contests, it's not exactly Lennon and McCartney either.

That much underrated instrument - the bass guitar - is to be celebrated in an album, due for release in the autumn. It is the idea of ex-CREAM bassist JACK BRUCE and will feature the strumming of STING, JACO PASTORIOUS, STANLEY CLARKE and LEVEL 42's MARK KING.

And talking of LEVEL 42, whose "Something About You" was debuted on ROL many months ago: they have a new single out in Britain called "Lessons In Love", with a live version of "Hot Water" on the b-side.

QUEEN's open air spectacular on July 12 (ROL News April 4) promises to be the concert of the year. Tickets were in such huge demand that it was a complete sell-out after just 5 days. So the band decided to make it a repeat performance but tickets for a July 11 performance are already like gold dust.

The POGUES' main man SHANE MCGOWAN, at present still recovering from the motor accident we mentioned recently, is the latest artist to feel the lure of the movies. He will be starring in a new film entitled "Native Son".

Word from the FOREIGNER camp is that the band are NOT splitting, as the recent rumours have suggested. MICK JONES says quite the opposite, they're well into the planning of the follow up to "Agent Provocateur".

NIK KERSHAW's backing band, the KREW, have signed their own record deal with WEA and release their first single "Paper Heroes" this week. They wrote the song themselves, SIMON BOSWELL producing.

And more news filters out from the WHAM! camp...that promised final offering from the duo will be a 3-track Ep, one is expected to be an up-tempo disco number - "Edge Of Heaven", another will be a reworking of the SUPREMES "Where Did Our Love Go" and the third, a slow ballad.

INXS obviously felt their recent trip to our shores was worthwhile, because they're following it up with another next month. They'll play a series of concerts including one at London's Royal Albert Hall, no less, and "What You Need" is finally out as a UK single. The 12-inch release includes live versions of "What You Need" itself - that'll be featured on the coming week's ROCK OVER LONDON - and "The One Thing", plus the previously unreleased "Sweet As Sin". Both live tracks were recorded last November in Melbourne in front of the Prince and Princess of Wales.

And other tour news...SIMPLE MINDS are following this summer's trend for open air gigs - they've just announced 2 June dates at Milton Keynes and Glasgow, rounding off their world tour...LATIN QUARTER follow their European concerts with an extensive British tour during the next few weeks...The COMMUNARDS go nationwide in May coinciding with a new single "Disenchanted" out on May 16. Their debut album simply called "The Communards" is due in late June...

DEPECHE MODE are releasing another single from their new "Black Celebration" album to follow up "Stripped". This time it's "A Question Of Lust", with a 12-inch version featuring a live version of "People Are People". THE ALARM, meanwhile, are releasing "Knife Edge" as their new UK single, as exclusively reported in this column. The 12-inch of that features two additional songs, "Howling Wind" and "Unbreak The Promise". The band are currently planning an autumn UK tour.

GODLEY AND CREME have been flexing their video muscles again, this time on the promo for LOU REED's new single. We hear that the film doesn't actually feature Lou at all, but instead a life-size, fully-operational model of him!

SANDIE SHAW, the epitome of the sixties British girl singer, is set to make a comeback via a new deal with Polydor Records here and an album and tour slated for late May/early June. We're hoping she'll still appear barefoot just like she used to two decades back on "Top Of The Pops".

One-liners: "Dirty Work" is the ROLLING STONES 24th Top 10 album in Britain, a record for a group...STOKER has left GENERAL PUBLIC...and PUBLIC IMAGE LTD. are releasing "Home" from their Lp "Album".

The "Hits 4" compilation holds on at the top of the UK album chart, with DIRE STRAITS and the PET SHOP BOYS the immediate competition, but there was a high debut at 4 for PRINCE's "Parade" and a debut at 10 for CULTURE CLUB's "From Luxury To Heartache". The "Absolute Beginners" soundtrack is moving rather more slowly than expected, though, climbing 10 places to 21 in its second chart week.

BIG COUNTRY, delighted at the immediate success of their "Look Away" single, have been pegged back by a viral infection which has affected STUART ADAMSON and BRUCE WATSON and resulted in the rescheduling of the last week of their British tour.

The RDS Showgrounds, Dublin, May 21...that's to be the time and place for U2's only European concert of the year. The "Self Aid" show, aimed at raising money for a job creation fund and raising public consciousness about unemployment, will also feature ELVIS COSTELLO AND THE ATTRACTIONS, VAN MORRISON, the BOOMTOWN RATS, CHRIS REA, CLANNAD, RORY GALLAGHER, CACTUS WORLD NEWS, CHRIS DE BURGH and many others, all maintaining the Irish theme.

After the Number One success of CLIFF RICHARD AND THE YOUNG ONES' "Living Doll", WEA is releasing a Comic Relief album recorded live at the Shaftesbury Theatre. It features performances by BOB GELDOF, MIDGE URE, THE YOUNG ONES themselves, KATE BUSH, HOWARD JONES, BONNIE TYLER and many other familiar names in British comedy. WEA may also be releasing another CLIFF/YOUNG ONES single, a new and suitably off-the-wall version of Cliff's "Summer Holiday".

BLACKPOOL's famous son gets ROCK OVER LONDON rocking this week. That's GRAHAM NASH, whose solo album "Innocent Eyes" we feature along with two helpings of great concert rock: an exclusive with JOE JACKSON's "I'm The Man", recorded at the same time as his new "Big World" album but left off the final product; and INXS playing in Melbourne for the Prince and Princess of Wales late last year with a live version of "What You Need". That excellent new PETER GABRIEL single is also on our playlist, and there's an interview with DR. ROBERT of the BLOW MONKEYS, plus their follow-up to "Digging Your Scene". The Rock Request plays the connection between DIRE STRAITS and BURT LANCASTER...the Naughty Bits Department has news of an ELTON JOHN/TEARS FOR FEARS collaboration and explains why BILL WYMAN is feeling pretty ancient these days...and the Top 5 has more than its share of chopping and changing plus two new entries.

Question Of The Week

Following up a question discussed at the recent AOR meeting at the T. J. Martell Rock 'N Bowl, what's your feeling on music and program directors dealing with record companies in terms of time buys, promotions and related airplay support? Is it ethical for programmers to directly solicit such support? Should it be left to the sales departments? And do you feel record companies have followed through in backing up your airplay?

DON BERNS, CFNY: "It should be left to the sales department. Programmers should stay away from sales, with the exception of client calls and those should be reserved for the station's major clients. We have definitely somewhat of a problem in that record companies don't necessarily support our airplay with time buys but that happens all over the city, so it's not something I'm going to get on the soapbox about!"

GREG MULL, WXRC: "No, I don't think it's ethical. I'm more than happy when a record rep tells me he wants to support our airplay with a time buy, and I immediately turn it over to the sales department...I think WEA has done an excellent job in supporting our play with time buys. Unfortunately, the other labels haven't done as good a job. I have seen that when WEA supports an artist on our station with a time buy, the record shows good sales in our tracking."

PAUL SHUGRUE, WRXL: "Our sales department has one person who specializes in these types of buys, and we leave most of that to her. Airplay is never determined by promotions and as few and far between as time buys are, it's difficult to comment on record company follow-through."

MARTY BENDER, WSKS: "Let's not kid ourselves. The sales people get copies of our playlist, and come to me with questions about exclusivity in the market. The salesman becomes simply a middleman. On the other hand, a sure sign of a stiff record is the line 'we'll support you with a time buy'. A lot of the time, these buys are merely contractual obligations set up by management at time of signing."

BILL WESTON, WIXV: "The axiom 'the squeaky wheel gets the grease' seems to apply with record buys. I'm not talking about greasing my palms, just the required support to insure a record's success. If I left it just to the sales department, it would result in a substantial decrease in revenue and support. The record rep should make sure that any advertising dollars are directed to the station that is in fact playing the record. (Hearing a Kate Bush time buy on the competition when they never touched the record, and we took a chance on it, equals drop city and those are the situations that both myself and the record companies want to avoid)."

BRIAN ILLES, WCCC: "At any radio station, any time an employee sees the opportunity for the station to do more business, he should jump at the chance. Standard procedure would be to notify a member of the sales staff; however, if your sales staff has different priorities, or is not as aggressive in dealing with record time buys as they are with other things, then take the ball and run! I don't think it's unethical for a P.D. or M.D. to pursue this, if their sales staff isn't able to...In a situation where I'm considering a record and a time buy is a distinct possibility, I might be inclined to add the record not just because there'll be more money coming into the station, but because it gives me a better sense of commitment on the label's part that they're going to do everything that's possible to make the song/artist a hit, and we like to play hits!"

QUESTION CONTINUED

RALPH TORTORA, WBAB: "I'm proud to say that we have never based our decision on playing a record on whether or not a time buy promotion or related airplay support would follow. Records are and should be added on merit and that alone!"

WARREN WILLIAMS, KSPP: "I have no problem with referring potential time buys to the sales department, but I don't see it as my job to get it on-the-air...Basically, my job isn't to sell the radio station, but my job is to communicate potential business to the sales department...For the most part, yes!"

WAYNE SUMMERS, WRCN: "The Music and/or Program Director, along with help and follow-up from the Promotion Director, should be the ones who talk to the labels for promotions geared toward airplay support. The Sales Department should handle time buys, but I don't see anything wrong with the programmer starting the ball rolling in this area. It's unethical in my eyes only if the record is added because of a time buy. I think it makes good business sense for a record company to follow up an add with a time buy, if it's a new and unfamiliar artist. At present, I don't feel enough is being done by the record companies to support airplay on our station."

KAREN ANDERSEN SMALL, WGIR: "I think Program Directors and Music Directors can be immensely valuable in setting up the initial contact or concept, in other words, to get the ball rolling...I feel it's perfectly okay for the Program Director to start opening the avenues for a promotion or a time buy, but as far as the actual nuts and bolts of servicing and scheduling spots and handling the record company on a client basis, I think that should go to the appropriate department. Same with promotion-- that's what they're there for. But the Program Director should know what's going on with those time buys or promotions. The Program Director shouldn't drop the ball once the project has been forwarded...Not with time buys."

DOUG CLIFTON, KBCO: "Our programming staff deals directly with the record company when we're working on a promotion. Time buys go through the sales department. If a radio station is giving solid support to a record, then I think it's the record company's responsibility to support their artist on that radio station whether that support is through time buys or on-air promotions. For the most part, we have always had a lot of support from the record companies."

TOM SCHEPPKE, KISS: "If I feel we deserve support in conjunction with concerts, active retail, positive requests, or maybe because we owe the record or artist, I make it my business to let someone know about it. It is ethical, plus the sales team doesn't know the music like yours truly! Finally, if the companies want to capitalize on both our good fortunes, they should follow through, and they do!"

BOB BITTENS, WHCN: "Some of the best examples of cooperation between the radio and record industries involve Music and Program Directors working with labels on promotions. Radio, records, artists, and entire communities have benefited from this cooperation and I see little that is ethically questionable about the practice. However, I would like to see this effort put into deserving acts rather than having labels use promotions as enticements to add mediocre product or having radio add mediocre product contingent upon promotions. I would also have a serious problem with an M.D. or P.D. benefiting monetarily from time buys made as a result of record adds. The standard procedure for most record labels seems to be to do everything you can to get a record on the radio, then forget about it and move on to the next one. Support for acts already added is minimal to non-existent."

BOB WALTON, WRDU: "It's always amazed me how often I hear how important a certain project is, and then it doesn't seem that important to support that act with a time buy or a live date. I've often been asked for my support. I don't mind doing it and since the commission doesn't go into my pocket, I don't think there's any ethical discrepancy. I guess if I'm asked to support an act, I certainly don't feel guilty to ask the record company to support the act. We shouldn't have to ask!"

DAVE KANE, WCMF: "The old axiom of 'squeaky wheel gets the grease' holds true in this regard. I think some programmers believe that an add means automatic time buy. I believe if you want something, ask for it. As far as labels' support of acts is concerned, as long as they know you want support, record companies--at least here-- have always been pretty righteous about helping out!"

JOHN LARSON, KDKB: "I think it should be totally left up to the sales department. Programmers should play songs based on their merit and the audience response. I still think record companies could better support AOR radio. I can't understand hearing Ozzy Osbourne spots on a CHR! I think record companies should make their buys according to what radio station has the audience they're trying to reach, not based on favors, as it sometimes is!"

GREG GILLISPIE, WDVE: "I really don't have a problem with Program Directors dealing with record companies in terms of promotions and related airplay support. I would imagine some programmers act as the Promotional Director of the radio station as well and, therefore, that would be part of their job. As far as dealing on time buys, I think most programmers are aware of how sales and programming can benefit each other and I would not hesitate to offer a time buy recommendation to both the record company and the appropriate radio station account executive. I would never approach a record company looking for a promotion time buy or airplay support in exchange for an add and record companies should never offer any of those items to me in exchange for an add--it just doesn't work that way. I would say most record companies do a fairly good job of follow through in supporting our airplay, but I think follow through could always be improved. Register to win promotions in record stores are of very little value to me. If a record company is going to come up with a promotion, then they should have an idea of how to make it exciting and work for the radio station to increase listenership and sizzle on-the-air!"

DANA JANG, KSJO: "My belief is that record companies should deal with radio stations in two separate areas-- airplay and promotions is one and advertising is another. Airplay and promotions should be directed towards the Program Director and Music Director and, in the case of promotions, specifically with the Promotions Director. Advertising should be dealt with the radio sales department. The point with advertising should be like any other advertiser to try to influence the audience of the particular radio station to buy the record. Advertising decisions should be made on the basis of what audience the radio station delivers as far as numbers, and demographics. It should not depend on airplay. Our programming department is in close contact with the sales department, and it's good to hear when record companies do back up airplay with advertising buys."

CINDY BAILEN, KZEW: "As a programmer, I'd be on very shaky ground if I tried to sell time to record companies. Too much risk of being misunderstood 'pay for play'? However, Rob and I work very closely with the sales department. Here's the latest idea: Special rate for record companies on developing artist. They've just started presenting it and so far the response from the record companies has been very positive!"

INESSA YORK, KGON: "I don't think everything should be left to the sales department who sometimes miss boats! The answer is to all work together. Generally, record companies do follow through in backing up our airplay."

NEXT WEEK'S QUESTION: What criteria are important to you in determining whether or not to add a CHR crossover? How important or unimportant are crossovers to your music mix? What current crossovers have the best shot at getting added at your station next week?

Radio Action

WCCC, HARTFORD, CT M.D.-BRIAN ILLES: "It is my great pleasure to announce that effective April 21, I will become Asst. P.D./Promo Dir./afternoon drive personality at WKFM, Syracuse, NY. I'm very excited about this move. WKFM is in a position to make a serious dent in the market, and I think I can be a real factor in the station's success. At WKFM I'll have the tools and support that are necessary to win and I'm quite confident that's what we're going to do...In addition to my departure, WCCC midday personality/Prod. Dir. Steve Cormier is leaving for WIZN, Burlington for mornings and Prog. Asst./WCCC nite personality, Beth Sullivan is leaving to get out of radio...And WCCC P.D.-David Grossman's resignation was effective April 18th...I'd like to thank all of the local label people and indies who have been so helpful and friendly in the past six months: Bill McGathy; Richard Pachter; Beth Rosengard; Paul Yeskel; Lenny Bronstein; Michael Abramson; Jay Miggins; Merv Amols; Debbie Sweeney; Joe Ianello; Don Delacey and Tom Jodka. I've enjoyed working with all of you; and although I won't be as involved with the music at WKFM, as Promotion Director I'll be more than happy to talk to you about music related promotions...And finally, to Neal Mirsky, who first told me WCCC was looking for an AM/MD last Fall, and told me to use his name when I called--- Neal, I promise I won't hold this against you too much longer!"

WCCC, HARTFORD, CT P.D.-DAVID GROSSMAN: "I'd like to thank the excellent airstaff at WCCC for all their work, long hard hours and extra effort that they put in during the last 21 months here. I'd also like to thank the various local and national record reps and everyone that has supported us in this period of time!"

WBAB, LONG ISLAND, NY M.D.-RALPH FORTORA: "I love finding new contenders for the best new band of 1986 and the BoDeans is in there. Unique, yet reminiscent of the Everly Brothers with impeccable production by T-Bone these guys cover everything from Tex-Mex rock to country reggae; I like it...Thank you, thank you, thank you. The Firm came through Long Island a couple of weeks ago; many thanks to Jimmy Page for the on air phone conversation...The next night was Rush at the Nassau Coliseum. The best show I've seen them do in five years (honorable mention to Marillion). I highly recommend the show to anyone who hasn't seen it yet. Special thanks to Geddy Lee for the autographed bass guitar, which one of our lucky listeners got to take home. Also, thanks to the entire Rush organization for their cooperation...The Bangles stopped by last week for a chat. If you think they're a one hit wonder, think again. Thanks to all the lovely lasses for taking the time to visit (let's go for that double platinum)...Finally spoke to Steve Hackett of GTR on the air yesterday. Can't wait to see this band on tour--should be really something when that happens. 'When The Heart Rules The Mind' should be one of the Most Added this week and deservedly so. Another record deserving of attention is 'Back On My Knees' by Jeff Paris. Recently it's hit me like a ton of bricks. This song is a HIT, but may never make it to your turntable because of skepticism. OK, so it's the third 12" in three weeks, but it's not fair to hold the artist completely accountable for that. Mistakes are made, and it takes a big man or corporation to admit them. The fact remains, it's a great tune and I applaud Polygram, and all involved, for finally getting on the right track. The song deserves your reconsideration. I believe it's a hit (We're talking summertime/top down/cruisin') and collectively we can prove it. Please, please, please listen to it."

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "Last week ZZ Top set a new record in Pittsburgh. They are the first band to sell out three consecutive shows at the arena and people went absolutely nuts. I was worried that they would play music predominantly from their last two albums, but they actually did a nice mix of their tunes, throwing in some great oldies like 'Manic Mechanic', 'Heard It On The X', and 'Arrested For Driving While Blind'. If they come to your town, don't miss the show, particularly the first five minutes in front of him...The Seger album is doing very well right off the bat, debuting at #6 in sales. Our lead track seems to be 'Like A Rock' followed up by 'Sometimes'...The more I hear this Dylan/Petty collaboration, the more I like it, and the same holds true for the audience. Starting to get some good phone calls on that, particularly with the concert announcement...I was very surprised that it only took a week for the Moody Blues to reach Top 5 requests. I'll be interested to hear the rest of that album...Time to talk about another Pittsburgh boy trying to make his shot for stardom the second time around. The new B.E. Taylor record is much better than any of his previous efforts; and when you hear the rock mix of 'Karen', I'm sure it will remind you of the last two Foreigner ballads...The GTR is an interesting collaboration. It's nothing that I didn't expect, but it's done well...Heard the new 38 Special single, and I'm glad to see that they've maintained their familiar sound yet broken away from what was getting to be an awfully predictable mold."

WLLZ, DETROIT, MI INTERIM M.D.-THE ROZ: "WLLZ was proud to provide Detroit with a free concert and live broadcast last Friday featuring Charlie Sexton. This vital young performer already has quite a following in the Motor City and lived up to his reputation as a live act not to be missed. Thanks to Charlie and the MCA team that made it happen: John Schoenberger, Don George, Tim Devine, and to Tim Neece... Aerosmith is a band that the Motor City can never get enough of; so, in addition to 'My Fist Your Face', we're getting calls up the wing-wang for the tracks off of 'Classics Live'. What a delightful surprise; produced much better than 'Live Bootleg' was. Killer versions of 'Dream On' and 'Lord Of The Flies'... Twisted Podell's arm off on the Models and now we both think 'Out Of Mind' is an incredibly indicative, roll down the convertible top, summertime type of tune...GTR goes on easily. It has the edge that Asia's been missing...And although Danny Wilde doesn't really break any new rock and roll ground with 'Isn't It Enough', it's likable enough on the first listen that we think the listeners will bite...WLLZ is the exclusive rock radio sponsor for the second year in a row at the PineKnob Music Theater. The first set of shows has been announced and now we've got spring fever. Looking forward to those backstage barbeques. Hope you're happening. Ciao."

WQFM, MILWAUKEE, WI M.D.-DANA BROWN: "First of all it's good to be back from vacation. Denver was gorgeous except for the blizzard on Thursday. But hey, what do you go to the mountains for anyway? A quick apology to all the record folks for the short phone calls, as upon my return from vacation I found twice as much work waiting for me. It's nice to know you're missed. Thanks for your patience...This week Bob Seger and Van Halen still working well...Wild Blue is one that you should definitely consider..My fave rave is still the Model 'Out Of Mind Out Of Sight'."

WBCN, BOSTON, MA ASST. P.D./M.D.-BOB KRANES: "War, what is it good for? Absolutely nothing! Live in peace!"

CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERNS: "One of the hottest concerts of this year, or any year, has to be Robert Palmer, whose depth and musical variety are nothing less than astounding--running the gamut from 30's and 40's standards to hard rock. Palmer's show has more than something for everyone. It's a musical treat that shouldn't be missed, with some h-o-t backing vocals from B. J. Nelson and a strong opening act from Mental As Anything. Palmer also received a gold Lp for 'Riptide'. Watch for 'Didn't Mean To Turn You On' to be the next single (the best track on the Lp)...As expected, the Pet Shop Boys Lp is off and running in Toronto, garnering great sales, requests, and airplay. Since we play 'West End Girls' and 'Opportunities' as oldies, the lead tracks for us are 'Love Comes Quickly, and 'Suburbia'. With this kind of depth 'Please' promises to be one of the hot Lps of the year...Also hot at the top this week is the 'Absolute Beginners' Soundtrack with both Bowie songs being joined by a great remix of the Style Council's 'Have You Ever Had It Blue' as the most played track off this hit Lp. And, if you bother to pick up the Import double Lp version, you'll find yet another Bowie track, 'Volare'--eat your heart out, Bobby Rydell...Finally, you AOR's can have your Top 5 at 5 or Top 10 at 10 or Top 12 at 12! CFNY now presents 'The Year That Was', a countdown of the top hits of years gone by. It takes a bit of research to find all those weekly charts, but they're there and the reaction is great so far! In addition to the music, we offer a prize each night to the person who can guess what the #1 song was for the week that we are featuring. It's just another way that we avoid following the clones...This week's hot add: Big Country 'Look Away'. This song should tear the roof off the sucker this spring!"

KKCY, SAN FRANCISCO, CA P.D.-TOM YATES/KATE HAYES: From Kate Hayes: "Maybe I should Xerox Don Berns' comments on the Simply Red show in Toronto, and ink in San Francisco! This band live was even better than I expected, and I've been a fan since the import single of 'Money's Too Tight To Mention' came last summer. Technically right on the mark with astounding professionalism and musicianship. I hope they pay their sound mixer real well. He rode the effects to perfection. Terrific show! The sight of all those upper demos on their feet swaying and dancing must have given Elektra a great rush, and the expected rush to the stores followed immediately! Speaking of Elektra, welcome to San Francisco Dave Johnson...New, strong and delightful: Lou Reed 'No Money Down'--This City belongs to Lou--Phillip Glass and Dizzy Gillispie!"

KMET, LOS ANGELES, CA ASST. P.D.-SKY DANIELS: "The record of the week: Danny Wilde 'Isn't It Enough'. Great Buildings was the most talked about band in L.A. a few years back, and Danny was its lead singer. Somehow its potential was never realized. Now Danny's perseverance has paid off. He's given us a record whose artist predecessor has to be Bryan Adams 'Run To You'. One listen will tell you, it's good! Repeated spins will serve notice that a budding popmeister has arrived...We all know there is an audience for GTR out there. (Subscribers to Guitar Player and owners of \$4,000 CD players, I guess). In reality, it's the talk value of the two Steve's that will get the audience interested...Request reapers: Van Halen; Giuffria; Joe Jackson; David Bowie and Bob Seger, the latter is making a charge toward the top, not unlike the Golden Bear at Augusta!"

WNEW FM, NEW YORK, NY M.D.-MARK CHERNOFF: "Time to start the cheers for another New Jersey guy, John Eddie. He's been playing the area for years and there is already quite a buzz on 'Jungle Boy'. And yup, you can hear the Springsteen resemblance...We've readded 'Feel It Again' from Honeymoon Suite. It looks like this song may finally break here in NYC...Some new records of note: Smithereens on Enigma. This is one hot New York City band with assists from Marshall Crenshaw and Suzanne Vega. Listen to 'Strangers When We Meet' and 'Blood And Roses'. Call Rick at Enigma for an advance...Also, the most wonderful record of the week, Peter Gabriel and 'Sledgehammer'...Like the Lou Reed a whole lot. I think that's terrific...GTR is what Asia should have done. Steve Hackett heard the record for the first time with compression on WNEW--and mentioned how great it sounded with compression."

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "New on KISS this week: More Seger, The Firm, new GTR, and John Cougar 'Scarecrow'. Better late than never...For a record that's still retailing top 20, the Outfield goes on with 'All The Love In The World'...UFO has another hot track from 'Misdemeanor', 'One Heart'. Sounds like a winner...Also more Legs Diamond rolls on KISS. The track 'Turn To Stone' is the definitive track...Finally, Great White is happening on the west coast. So I'm getting ready."

KBER, SALT LAKE CITY, UT M.D.-ROB ROMAN: "It's time to let your heart set your mind in motion. You know about Howe and Hackett, so give your audience a chance to hear great new stuff from GTR. Don't be fooled like I was on the first listen...Rob Jungklas is an all-American boy, even though 'Boystown' sounds like something from Down Under. This record will be noticed...Giuffria cannot be denied. There's no dreaming here... Thanks to Bob Sheeran and John at MCA for the nice plant to help us feel more at home in our new place."

KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN: "With all that's going on in Libya right now, seems like we all stand a chance of waking up tomorrow as amphibians. That's a line that I stole from Steven Clean...John Eddie is the Gary Glitter of the 80's. I'm not sure if that's good or bad...The Bob Seger album is sounding better and better to me. 'Sometimes' is my favorite this week, but 'Like A Rock' is also strong...The Moody Blues is happening in Dallas...And how about Heart's latest?...Getting spot airplay on the ZEW: the Art of Noise version of 'Peter Gunn' and that killer song by the Raveups (the best unsigned band on the airwaves right now)."

KGON, PORTLAND, OR M.D.-INESSA YORK: "A big pleasure in doing a free concert last week with Tommy Keene (a very real guy, thank you very much), and thanks to everyone at Geffen, to Greg Lee (his last hand in a Geffen thing), and to Tommy, of course. Much continued success in every way that counts...A couple of new things that both Iris and I adore: Cactus World News has something very fresh and vital in its groove. We featured it on our new music show and hearing it on the air just accented that vitality. That's one to watch...Also Roger, whoops, I mean Bruce Hornsby sounds potentially infectious...Translator is a band I couldn't get enough of in the debut album of a few years ago, but having lost them somewhere in between, it's really great to hear their new one 'Standing In Line'. It sounds very fine. The album as a whole reminds me of the 'Summer Of Love'."

WLUP, CHICAGO, IL M.D.-BILL EVANS: "As one of the earliest graduates of Genesis University, I have followed Peter Gabriel's career with constant anticipation, blind respect, and unswerving loyalty. Therefore, it comes as no surprise that I am enamored with this Lp. 'So' is his best effort to date. The African rhythms are still prevalent, but this time the vocals are mixed way up front. The lyrics are understandable! The production is thinner (not as multi-layered) than before, presenting stark musical contrasts that draw the listener into the dreamworld of Peter Gabriel--EAT IT UP."

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "How 'bout those Yankees? Lou seems to be the right man for the job! I saw the Milwaukee game at Yankee Stadium Saturday and had a great time. Thanks to Mr. 'Emotion In Motion' McGathy for all the hotdogs and beer and P.S.--the chicken wings were great too! Also, a big 'thank you' to Jay Ziskrout of Arista for the invite to hear GTR's new album in Manhattan Monday night. The album is incredible! Look out for a track called 'Jeckyl And Hyde' when you get the Lp!"

WAAF, WORCESTER/BOSTON, MA M.D.-RUSS MOTTLA: "Let's talk about regional hits this week. Songs that started in one area of the country, and then spread nationally, even after you had thought it was over. We've seen it all happen before, and it looks like it's happening again. All the stations that are playing 'Live It Up' by Mental As Anything can tell you this record works--it's reactionary and gets good requests. Sometimes I get the feeling that we rock 'n roll types take the music a little too seriously. Let's not forget we make our living dealing with a pretty minor part of people's lives. Some songs are rock 'n roll artistic masterpieces and get lots of airplay -- and sometimes songs just feel good. Come on, as the bomb's dropping this week, let's lighten up and 'Live It Up'!"

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: "It's always a good idea to go deeper on new artists when possible to avoid the flash-in-the-pan syndrome. That's the case with Glen Burtnick. 'Crank It Up' takes a bit to get going, but when it does, you're hooked, literally. I can't get the chorus out of my head. This guy is really worthy of substantial airplay...And how 'bout the Models? 'Out Of Mind' is a cut that will give your current playlist a different dimension. Straight ahead rock and roll with a sort of quirk to it... If the GTR Lp is in line with the single, it should have a long life. This is AOR's record."

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "The heart often rules the mind, but the guitar always rules. GTR is an automatic and we are certainly looking forward to the rest of the album...Robert Palmer rocks along. 'Hyperactive' has the potential to work as well as 'Addicted' and we thank the folks at Island for the unsolicited catalog service...Rock 108 has lead the way with the Outfield from the start and we continue to do so by adding the latest 12". Listen and play it...Rob Jungklas with 'Boystown' is another that cannot be avoided...Good things to report on the new Krokus. Albuquerque loves to crank those guys... And the usual Priest-Ozzy monsters are on the phones; however, don't let Priest fool you. They've been an extremely popular band since 1973 and don't you forget it."

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "Move over Gary Glitter--here comes John Eddie. 'Jungle Boy' makes for fun radio. Dance, jump up and down and turn up the radio. This boy says Yowsa!...We're getting heavy phones as a Top 5 request on the new Lou Reed single...Buzz of the week goes to the Cactus World News single. This has been more than a hot import for us. It's receiving significant sales and phones. Remember when stations ignored U2 initially? If you dig Irish rock and roll--step out--'Years Later' is a great song...Screamer Of The Week: Hipsway (import) 'Honeythief'."

WRKI, BRIDGEPORT, CT M.D.-MARK DEVINE: "The GTR record does not disappoint. In fact, it's better than expected...And we're glad to go with another cut from the Brian Setzer album, which is a great record front and back."

WGIR FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "We're seeing good phones for the Del Fuegos. So we'll put in the next track on the album 'It's Alright'...We also want to help support our local musicians from Concord, New Hampshire. Their sound fits in perfectly with the 'classic-roots' feel that album radio is looking for these days...Speaking of classic sound, the GTR song is great album radio material from the word go. I like to see great guitarists like Hackett and Howe working together rather than trying to out do each other...A record that Bob and I like right off the bat is the Models 'Out Of Mind Out Of Sight'. As Bob says, 'It woke me right up in the music meeting'. The song also goes along with the warm weather we've been having."

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "In the second line of last week's comments, it should have read 'weren't' not 'were'...Two tunes I can't yell 'hurray' loud enough for are the new Moody Blues and GTR. The Moody Blues have long been a band on the edge of extinction. Right when you think they may be finished, they make another great happening record. No matter what the sales figures say, this band always sounds so good on the radio. No band makes better mid-tempo songs. The vocals haven't sounded this smooth and rich since Justin Heyward's work for Jeff Wainnes...GTR is a very welcome listen. Of course, when you take the two best cinematic guitarists and turn them loose to arrange to their delight, you're bound to hear some excellent rock 'n roll. GTR reminds me a lot of Boston! I know I'll hear it for that comparison, but they are making music that contains great variations, instrumental depth, and the pacing and flow is controlled with a tasty guitar edge. As for the Boston comparison, remember how 'More Than A Feeling' gave us a fantastic preview of all of the potential that was to be fulfilled upon hearing the entire album? And I have a soft spot in my heart for songs that are not explosive or searing--that still remember what a guitar is for. If both of these tracks are examples of what's to come with the entire album, all I can say is yeh--power that puppy!"

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "ZZ Top in Buffalo last night were awesome! We took up a bus load of listeners and were treated to a regular hit parade of some of the band's best songs from both past and present, and a light and lasershow that is state of the art. Jimmy Barnes also provided an invigorating warm up to the show. Thanks to Warner Brothers' Jeff Criden and 'nice-to-see-you's' to Dave Dannheisser and Jack Hopke...I be liking this Roaring Boys 'House Of Stone'. It's got the familiar sound of Roxy Music but it's different enough to keep you interested...Thanks to CBS, A&M and Warner Bros. for their recent compact disc mailings. Please feel free to keep them coming... And a tip of the Kane-o hat to all of the visiting luminaries of the past two weeks, including Bill Bartlett; Dave Morell; Jack Snyder; Doug Hamann and the infamous Chicago doctor of rock and roll, Larry Lyons. Hey! My door is always open. Check with your travel agent soon, and come up for a visit."

KRNA, IQWA CITY, IA M.D.-STEVE KOSBAU: "Honeymoon Suite just played here with Heart, and our phones have erupted for their material since the show. Honeymoon Suite is the finest show of any up and coming opening act I've ever seen! Great performance, and good luck, guys!...Our positive response to Journey's new single continues to pour in. It is their hottest ever... 'Out Of Mind, Out Of Sight' is a very inappropriate title for The Models' tune. Out of sight, maybe, but my mind is pleasantly imprisoned by those monster hooks...The Outfield's latest proves further that these guys are super power hitters. I look for it to follow nicely in the footsteps of 'Your Love'...Simple Minds; The Hooters; and Tears For Fears are no less impressive."

WFXR, CHARLESTON, SC M.D.-R. G. JONES: "Seems like I just can't get away from Charleston because I moved from Charleston, West Virginia to Charleston, South Carolina! Things are going great and I'm anxious to hook up with all the right record people. I'll be working with mostly new people from the labels. The best time to get ahold of me would be after 1:00PM Mondays and Tuesdays, EST...I've got to admit I'm still up to my ears in trying to listen to new stuff after moving in here. We seem to be staying on the hottest of the hot! Record people can get ahold of me in the next couple of weeks, and get everything straightened out. I'm looking forward to the contacts...The Howard Jones certainly is way overdue. I've been talking about this ever since the album came out...The Jeff Paris seems to be off to a good roll bringing people right down to their knees...We're also getting into a second cut on Honeymoon Suite. These guys are overdue for bringing in track two!"

WIOT, TOLEDO, OH M.D.-RICK VAN GIL: "MCA has blue chip stock in Charlie Sexton and I wanna buy a couple thousand shares! Watching Charlie live you get that warm yellow fuzzy feeling that he will be putting out quality records happily ever after...The only thing better than tequila and hot Mexican food is ZZ Top! And boy, do these dudes put on a show. Perfect sound, incredible stage presence, fantastic special effects, and most importantly--this band has fun on stage. For my pesos, ZZ Top was the best concert ever in Toledo!"

KICT, WICHITA, KS ACTING P.D.-LEE ROBERTS: "Lots of changes to report at T-95. Music call hours are still the same, but the new music policy will be I will pass information on to Ron Eric Taylor, but all reps need to make music calls to him regarding hot new material...Personal to Ray Spencer: I need your help!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "GTR is definitely the new major group to hit the airways as Steve Hackett and Steve Howe put their experience to good use. GTR is not a retread of Yes and Genesis--expect them to be around for awhile....Better-late-than-never department: With The Call's, 'I Still Believe' and we'll also pop on INXS 'Listen Like Thieves', plus Bob Seger's 'Sometimes' cannot be denied, so we'll let it rip too!...Oh, before I forget! KIX-FM is also doing TV, billboards, money give-aways and bumper stickers totalling \$100,004.75 for the spring campaign. Central New York has never seen anything like it! Your turn, Ed!"

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "KILO retail: Van Halen sits in the top spot, followed by the 'Pretty In Pink' Soundtrack; Bob Seger; Ozzy Osbourne; Dire Straits at #5; Rolling Stones #6; Honeymoon Suite #9; and Jackson Browne at #10...Lots of great songs out right now. Been spending a lot of time with Danny Wilde; The BoDeans; Rob Jungklas; Bruce Hornsby; Icehouse; and pay attention to Eric Johnson, another guitar whiz from Austin. His playing will rip your ear off!...Ouch!..Speaking of playing guitar, two of my personal heroes: Steve Howe and Steve Hackett are going to carve themselves a niche with GTR. Don't discount Max Bacon--He can really sing, in shades of Styx ...If Cactus World News is good enough for Bono, they're good enough for me. The edit of 'Years Later' is great....Wahoo!"

WWCK, FLINT, MI P.D.-MARK MILLER: "Just a few random thoughts: The Call tops the list this week in phones. In fact, it's been top five phones for a month. Sales are just starting...Pet Shop Boys have a top album in sales and top five phones since the release. I can't imagine not being able to play this record. Admittedly the name of the band leaves something to be desired, but the sound of the record is nothing less than haunting. An instant winner with everyone--it cuts through all demos without turning anyone off...I think Atlantic might be missing the boat on Peter Frampton's song 'Hiding From A Heartache'. We've seen instant reaction much better even than 'Lying'. It's the best cut on the album...And finally, a few thoughts on Bob Seger's record: Being from Michigan, I suppose I was a little more critical than most. On first listen, the record sounded somewhat sterile--almost over-produced, but after repeated spins, the real genius of the man sinks in. It's an extremely subtle record, but all things considered, I think he's got another masterpiece!"

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART: "There must be something in the water in Australia that makes for so much talent! INXS 'Do Wot You Do' from 'Pretty In Pink' is this week's Master Blaster, and waiting in the wings is Icehouse...The strongest 'Scarecrow' track reappears with John Cougar's title track, a top request months ago. I have a feeling it might be re-requested...But the big news in Providence is the WBRU Rock Hunt is over, done, kaput, finis and the winner is: The Dames, a great band that sounds like The Ventures with vocals. So, somebody, please sign them quick! Besides, these dames are pretty good to look at! Gigantic amounts of 'thanks' to our judges at the finals: Oedipus from BCN; George Skaubitis from Warner Brothers; Rob Tennenbaum from Rolling Stones; Karen Durkot from Elektra; George Brady from MTV; Tony Lioce from the Providence Journal; Rick O.B. from HJY and Bruce McDonald from FNX. Hey, it was more fun than words can explain!"

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "GTR is looking good first week out! I've got to admit we were worried that the onslaught of heavies might minimize reaction, but not so. Phones are happening, and we're looking forward to hearing the rest of the album...Calls and sales remain steady for the big 3 as Van Halen; Rolling Stones; and Bob Seger continue their battle for the top spot...Ed's fave from the Seger is 'The Ring', while I'm set on the title track...The latest from the Moodies can't help but be their biggest record of the 80's, and John Cougar Mellencamp's 'Rain On The Scarecrow' is the essence of his album and cause... It must be spring--everyone was in town this week! It was great to see Bill Bartlett and the Capitol crew; Dr. Lyons; Doug Hamann; David Ross and John Weston and 'thanks' to Ozzy for stopping by!"

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE: "Thanks to Jay at Arista for setting up the GTR phoner! The record is just great and so are the guys!...Some favorite new music this week includes: Rob Jungklas; Lou Reed and the BoDeans...The Rob Jungklas already has our phones ringing...The Lou Reed album will be very deep! See if you can get an advance cassette and see what I'm talking about!...As far as The BoDeans go, 'Fadeaway' will find room here, but I also really like the 'Angel' cut!...If you don't care for 'House Of Stone' from the Roaring Boys, get your ears on good old side 1, cut 1, called 'Every Second Of The Day'. This is the cut!"

"Tyranny"

WPLR, NEW HAVEN, CT M.D.-AMANDA TEPPER: "It may be tax season, but I vote for 'No Money Down'. I figure Jim Samalis must be grinning over the new Lou Reed release--I know I am! The lyrics, the performance, and even the almost-no-guitars arrangement, all make me smile. 'No Money Down' is my new favorite song!... Bob Seger is already Top 10 sales here, so we'll go with the title track. Like everything else on the album, it reminds me of old Seger...The Models are starting to pull some really serious phones. I smell a h-i-t here...Thanks to the folks at Arista for an interesting evening at the GTR Listening Party!"

WGLU, JOHNSTOWN, PA P.D.-GARRETT HART: "Greetings rock 'n roll refugees! Here in the forbidden zone, we're getting great test results on the Rob Jungklas track 'Boystown'. We'll be coming in on this one next week... The new Danny Wilde tune 'Isn't It Enough' certainly has our ears perked up. We'll be dealing with this one also...Thanks to Mark Wallace, the incredible Bobby Z, and Billy Gibbons for a delirious evening in Pittsburg with ZZ Top (and the winner is)...Also, thanks to Doug Hammond for the ultimate evening with Ozzy Osbourne. The show is a wild one--you've got to see it!...Till next time, let it rock!"

WTCS, FAIRMONT, WV M.D.-SCOTT REPERT: "ADDS: Stan Ridgway 'Drive'; Cactus World News 'Years'; Lou Reed 'No'; Bourgeois Tagg 'Mutual'; Joe Jackson 'Wild', 'Right'; Doug Wain 'Stay'; Icehouse 'No'; Winter Hours 'Girl', 'Wait'...CONSIDERING: Wild Blue...MOST REQUESTED: Rolling Stones 'All'; Krokus 'Burning'; Van Halen (all cuts); Tears For Fears 'Talk'; Bob Seger 'Storm'...INCREASED PLAY: Loverboy 'Lead'; Robert Palmer 'Hyperactive'; Wax 'Right'...INCREASED SALES: None...A belated 'thank you' to Mark Fritzggers for the Firm tickets. Now we've got to do the Pirates!"

WKGR, WEST PALM BEACH, FL ASST. TO P.D.-TOM SEBASTIAN: "ADDS: Bob Dylan 'Band'; Howard Jones 'No'; Bob Seger 'Rock'; Heart 'Nothing'...CONSIDERING: Everything...MOST REQUESTED: Fabulous Thunderbirds 'Tuff'; Brian Setzer 'Knife'; Rolling Stones 'Winning'; Robert Palmer 'Addicted'; Julian Lennon 'Stick'...INCREASED PLAY: Tears For Fears 'Talk'; INXS 'Listen'; Bob Seger 'Miami'; Pet Shop Boys 'West'; Dennis DeYoung 'Call'... INCREASED SALES: Van Halen; Mr. Mister; Sade; Bob Seger; The Outfield...KGR's Cashword Contest is going full tilt! Each day some lucky listener wins \$1,000 cash from the mighty KGR and response has been tremendous... South Florida traditionally has a heavy spring and summer concert lot, and straight ahead we have Heart; Stevie Nicks and the original Hot Tuna coming to town...Still awaiting word on Julian Lennon tour dates. If you know something, please call and ask for me!...We'd also like to welcome Sharon Sutton to middays and our spring lineup is now set with Tom Stevens doing mornings; Randy Luce afternoons and Major Tom Sebastian nights. And the overnight duties are shared by Mike 'The Reverend' Ryan, and Dr. J. ...Till next week, aloha!"

KOME, SAN JOSE, CA M.D.-CANDI CHAMBERLAIN: "After all these years, when nobody remade Arthur Lee and Love's 'Little Red Book', it cracks me up that two different artists have done it at the same time! Both Ted Nugent and Greg Kihn have come up with outstanding renditions of the song. Absolutely one of my all time favorites... There is something so sweet and hauntingly addictive about 'No Promises'. Icehouse has a biggie on their hands, and on our turntables...I'm sure there's nothing left to say about GTR that hasn't already been said. Yeowwww. Classic form with several new twists. Max Bacon has certainly found his element, and the Howe/Hackett meeting of the musical minds is one of the tastiest combinations of sheer genius to grace the airwaves so far this year."

KBCO, BOULDER, CO M.D.-BOUG CLIFTON: "New Lou always sounds great on the radio, and 'No Money Down' does sound great! Lou Reed continues to reestablish himself as a major force in album radio and 'Mistrial' sounds like it will be happening all summer long...The BoDeans caught me off guard. They have a unique vocal style that sets them apart from a lot of the other American roots rock bands...The Roaring Boys is another record that caught our ear this week...An update on the Bruce Hornsby record: It's developing fast! The first week it was light--in its second week, it moves up to a medium and now we're taking it up to a power rotation! We're ready for backup cuts from the album!"

WXRK NEW YORK, NY M.D.-MARK DIDIA: "Without a doubt the record of the week and best new artist of the year so far is John Eddie. After just a couple of plays this weekend, it's showed up in the Top 10 at 10 ever since. He's incredible live and wait until you hear the rest of the album. A real champion!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "Thanks to Freddie D. & Bobby Silver of Polygram for a great dinner in Philly. Dessert was even better as Rush put on a great show...Adds this week: GTR 'Heart' out of the box and instant phones; Heart 'Nothin' At All' this album just refuses to quit; John Eddie 'Jungle Boy' brings out the animal in everybody, it's going to be big; John Mellencamp 'Rain On The Scarecrow', we were on this song before but considering the issue it deserves a second play, not to mention it's a great tune; Lou Reed 'No Money Down' is a sure bet; Danny Wilde 'Isn't It Enough', vocals sound a lot like John Waite; also on Bob Seger 'Miami' and Eric Johnson 'Off My Mind'...Top Five Phones: Van Halen still on top at #1, Journey at #2, Pet Shop Boys #3, Ozzy drops to #4, and the Models a surprise at #5."

KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY: "ADDS: Bob Seger 'Rock', 'Tightrope'; INXS 'Listen'; Guiffria 'Dreaming' Bob Dylan 'Band', 'Alarm', 'Absolute'; GTR 'When'; Moody Blues 'Wildest'; Outfield 'Love'; Eric Johnson 'Zap'; The Call 'Everywhere'; Dokken 'Chain'; Joe Jackson 'Right'; Accept 'Heaven'; Jackson Browne 'Lives'; Loverboy 'Live'...CONSIDERING: Jeff Paris; Honeymoon Suite; Danny Wilde; Cactus World News...MOST REQUESTED: Metallica; Ozzy Osbourne; Judas Priest; Journey; Van Halen...INCREASED PLAY: Julian Lennon; ZZ Top; Journey; Graham Nash; Charlie Sexton; Legs Diamond; Starship; Joe Lynn Turner...INCREASED SALES: Van Halen."

WTPA, HARRISBURG, PA M.D.-CHRIS JAMES: "We are pleased to announce that the premier morning show has arrived at Central PA's best rock station! Starting last week was Brian Christian, one of the industry's most creative! His successes include KOPA, Phoenix; KITY, San Antonio; KZZP, Phoenix; WGNG, Providence; WCCC, Hartford--just to name a few! He will be joining Dina Joseph from 5:30-10:00AM weekdays. It looks like the spark has set us on fire. This will now mean that I will be working middays, from 10:00AM-3:00PM. My music calls are now being taken Thursday and Friday, 9:00-10:00AM and 4:00-5:00PM...Also, huge 'thanks' to Bobbi Silver of Polygram. With her help we pulled off a huge Rush promotion. We took a busload of people to the sold-out show on the 16th--listeners all went for free. Mr. Recordhead comes through again... Please join me in welcoming Brian to our staff and aloha!"

WIXV, SAVANNAH, GA O.M.-BILL WESTON: "Bob Seger reported as an add one week late, because the Lp arrived one week late. Right now I'm formulating jokes about how many record reps does it take to get on the 'A' list! (Thanks to Dickson and the record bar for the stock copies)...Sounding real good: Platinum Blonde's track 'Somebody Somewhere'. Todd Rundgren wished his Psychedelic Furs record sounded this good...Besides incredible good looks, do Joe Jackson and Tom Selleck have anything in common? Tom likes volleyball, and Joe's head looks like one! Joe's musicianship and integrity is unequalled, however. Isn't one of the reasons we like Neil Young so much is because he takes chances? The same goes for Jumpin' Joe. Really like 'Wild West' and 'Right And Wrong', but who said this is a return to 'Look Sharp' and 'I'm The Man'? Sorry, I disagree, and honestly how many of you tried to play Side 4 for secret messages?"

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "By the time this goes to print, Aerosmith will have played their sold-out show here. A very big show for this Boston born and bred band fan who has never seen them before. Thanks to Tom Hamilton for last week's interview...The Moody Blues debut at #1! Most Requested. We're hearing from a lot of the band's loyal fans, and there are a lot of them here...Congrats to Kathy Scruggs of WUVA on her new position as P.D., and Malinowski--I hope this means you're remaining M.D. ...To all veteran WUVA staff, thanks in advance for a wild weekend--I know it will be!"

KFMF, CHICO/REDDING, CA M.D.-MARTY GRIFFIN: "We've been hearing about it for months now, with a lot of hype and hoopla and it was well worth the wait! GTR is here and it sounds fantastic. Hats off to two Garrett legends--Steve Hackett and Steve Howe. It's great to have you back on the radio...Robert Palmer is h-o-t. Let's face it, 'Hyperactive' is picking up where 'Addicted' left off. Jump on it before your competition does...Other station favorites this week include Guiffria; Howard Jones; INXS and make sure to check out the Alarm 12", 'Absolute Reality'...The KFM 94 key contest came to a close last weekend. It will probably be our biggest promotion of the year. KFM awarded a lucky listener, a brand new 1986 Chevy Sprint. Who knows--maybe next year we can give away a new Corvette!...Until next time, keep rockin'!"

KFMX, LUBBOCK, TX M.D.-BILL BATEMAN: "ADDS: GTR 'When'; Guiffria 'Must'; Heart 'All'; Robert Palmer 'Hyperactive'; Autograph 'Band'...CONSIDERING: The Call 'Everywhere'; Lou Reed; Icehouse...MOST REQUESTED: Rolling Stones 'One'; Van Halen 'Why'; Bob Dylan 'Band'; Eric Johnson 'Off'; OMD 'If'...INCREASED PLAY: Bob Dylan; Rolling Stones; Bob Seger; Models; Jackson Browne; Eric Johnson; Howard Jones...INCREASED SALES: Top 5: Van Halen; Rolling Stones; 'Pretty In Pink' Soundtrack; INXS; Pet Shop Boys."

Record Action

AL CAFARO, A&M (212-826-0477): "Let's talk 'Pretty In Pink' folks! Many of you are not dealing with this at all. You're making a mistake. You have the opportunity to exploit a film that has done over \$45,000,000 in business and a soundtrack that is Top 10 and approaching platinum quickly. Let me add, these figures exceed substantially the business generated by 'The Breakfast Club' film and soundtrack. You will recall that the Simple Minds had a #1 AOR track off that album with not a word spoken about this 'teen thing'. You know what I'm referring to: the presumption that because this project appeals predominantly to teens it's somehow anathematized. Yes, teens love it, but you realize this kind of success includes other demos. It's too big not to. What is so dreadful about playing something that teens are into? You can program four different tracks off of this album with no fear of blowing off your prime demos--there's no heavy metal here. SUZANNE VEGA, PSYCHEDELIC FURS, OMD, INXS--they're all adult-sounding records, no silly images here. In the process, you can be reflective of what young listeners want to hear. The pendulum will swing. In six to nine months we'll all be talking about how to introduce new listeners to the format...JOE JACKSON's 'Right And Wrong' is through-the-roof. We're thrilled at the reception in the stores and on the radio. Thanks for your support...The SIMPLE MINDS show is a killer. Don't miss it!...This week you have .38 SPECIAL's latest 'Like No Other Night'. The album is loaded. This is a year full of music. Get ready...FEARGAL SHARKEY's 'You Little Thief' and GLEN BURTNICK's 'Crank It Up' ask for your ears, please listen... You'll be getting an itinerary of the mini Black Wall Monument as it tours the country. DENNIS DeYOUNG's song should be on the radio around this event...And, finally, we're seeing sales and requests around airplay of 'Now I'm Talkin' About Now' by the SWIMMING POOL Q'S."

JEFF NAUMANN, RCA (213-468-4055): "I saw the Comet and what an experience. Another great experience is listening to the new LOU REED song 'No Money Down' and, if you like the 12", wait till you see the video. I'm not big on videos, but this is the best I've ever seen and Lou isn't even in it, believe it or not. You can see it on MTV as an exclusive. BRUCE HORNSBY AND THE RANGE 'Every Little Kiss' sounds so damn good on the radio. If you can't hear this one maybe you're in the wrong business. Hornsby is a veritable suckahh!!!...You should have the second great 12" from CLANNAD 'Closer To Your Heart'. It's up-tempo and real catchy...STARSHIP's 'Tomorrow Doesn't Matter Tonight' is a smash, so wait no longer you few Doubting Thomases out there!...AUTOGRAPH 'We're An American Band' continues to pull in the rock and roll stations. Why not give it a shot between 6:00 and Midnight, at least?...I just bought tickets to see the Monkees. I can't wait."

JAY HART, ELEKTRA (312-595-6000): "In her absence, Lynn Van Metre with the Chicago Tribune, asked that I cover and review METALLICA's recent Chicago appearance. To put it plain and simple, in Lynn's proper journalistic style, they were fucking great. These guys did kick some serious butt. The 'Master Of Puppets' are now the masters of the midway. Speed metal is where it's at with the kids today, and nobody plays fast enough to catch up with Metallica. Ozzy was billed as the headliner for last week's midwest shows, but don't count on it. You couldn't convince the majority of the crowd of that. They were standing on their seats with their fists in the air when the house lights went down, before Metallica even hit the stage with their first opening power chord. Give those late night head-bangers what they want to hear. Metallica's 'Master Of Puppets', part one 12". Metallica rules!"

MICHAEL PRINCE/PAUL BROWN, ATCO (212-494-6400): "On your desk is the 12" from GOLDEN EARRING, 'Quiet Eyes'... It's great to feel the buzz that DANNY WILDE's 'Isn't It Enough' 12" has created. In the era of over-produced acts, he cuts through all the hoo-hah and lets his singing do all the talking...As sure as my kid has three, no, make that four teeth, this PAUL BRADY Lp 'True For You' is not going to slip between the cracks. You'll be doing yourself a disservice if you don't take a copy home. This is a gorgeous record from an incredibly talented guy...BOBBY BARTH, new on KLOL, 'Dangerous Games' looks like the track. Please go back and take a listen...And the Yankees are still in first place...Coming down the line: LIMITED WARRANTY, LOUDNESS and GIRARD McMANN...Since you did, thanks for reading."

KEVIN SUTTER, CHRYSALIS (212-758-3555): "Well, as predicted, no problems for 'No Promises'. The ICEHOUSE fans are really making their presence felt. New Icehouse club members are: WBCN, WYSP, WLUP, KLOL, WPDH, KLBJ, KATT, KMOD, KOME and 30 more. Don't worry, gang, the band knows who their friends are. And for those of you who haven't warmed up to the record, hurry up! With the album being released the first week of May and the CD in June, time's catching up with you...From out of Chicago comes WILD BLUE (formerly Jinx). Their lead track is called 'Fire With Fire' from the Paramount motion picture of the same name. In fact, Paramount's got 'Fire With Fire' as the trailer to 'Gung Ho'. You know, the movie that's the #3 box office picture this week and is in distribution at 1400 theaters nationally. Just think, your audience has already heard this. Now, if that's not the best promotion plan for getting music to the people, I don't know... Okay, okay, they're telling me I'm getting long-winded but, before you turn the page, please plug into the new Chrysalis album staffers who are with us as you read this. In the Album Department: Associate Director of West Coast Albums, Jeff Laufer, and Associate Director of Mid-West Album Promotion, Roger Mayer."

LINDA KIRISHJIAN, COLUMBIA (212-975-1701): "Did you see three ROLLING STONES songs in the Top 15?...Did you know the OUTFIELD album is now gold and 'All The Love' In The World' is leading them on the way to platinum?... Also locked in on the platinum road is JUDAS PRIEST...Paving the platinum road is the HOOTERS with their latest smash 'Where Do The Children Go' (with a little help from their friend, Patty Smyth)...I know you've been anxiously awaiting Monday, April 21, the day JOURNEY's album 'Raised On Radio' saturates the airwaves!!! I can't wait to hear your reaction to this amazing album. If it was anything like mine, you'll be guaranteed a good mood. I cannot put into words what Steve, Neal and Jonathan have put down on vinyl. 'Be Good To Yourself' and listen!! -- A LOT!!!...ELVIS' live 'Misunderstood' is quickly becoming a collector's item and a great radio programming tool. It's in power rotation here in New York and it sounds terrific! Also, in our live library is LOVERBOY's live 'Lead A Double Life'...AEROSMITH has just come out with a classically wonderful album of previously unreleased versions of the old standby HITS we all know and know our audience loves!!! Start with 'Dream On' and work your way right through 'Classics Live' in a classic fashion, of course... B.A.D.'s 'Medicine Show' continues to sell the album! And new on the horizon is a band from Cambridge, England, THE ROARING BOYS with 'House Of Stone'. The 12" version we sent you is the one to play. Album (and Ep) tracks getting your attention are MENTAL AS ANYTHING's 'Live It Up', TRANSLATOR's 'Standing In Line', FASTWAY's 'Kill Me With Your Heart', UNTIL DECEMBER's 'Secrets', DEBORA IYALL's 'Strange Language', BONNIE TYLER's 'If You Were A Woman (And I Was A Man)' and just out LEMAN's 'Chain Around Your Heart'."

JEB BRIEN, CHAMPION ENTERTAINMENT (212-765-8553): "In the words of JOHN MELLENCAMP, 'There are only two things which cause change: people and protests!' 'Rain On The Scarecrow' touches those ideals. More than playing this cut for your audience, it is important that they understand the meaning and significance of it. More than just a hot track, 'Rain On The Scarecrow' is a documentary to alert America that the fiber is being taken from our backbone! The American small family farmer is being forced out of business. Free enterprise, America's ultimate symbol of pride and prime example of democracy, has been shit on. Help build the protest with 'Rain On The Scarecrow'!...TURN UP THE RADIO...JOHN EDDIE gets primal response on 'Jungle Boy'. Blockbuster call letters in the Northeast roll in on this the first week. Rapp has the buzz going! John Eddie is the real deal. Traditional rock and roll at its finest...MACHINATIONS coming this week from Bennett and the gang at Epic."

JEFF "HEAD 'EM UP, ROCK 'EM OUT" COOK, ELEKTRA (404-921-4086): "Greetings from the hot and dusty trails of Texas, where I'm on THE CALL/SIMPLE MINDS tour. This tour is a combination even the hard-core shit kickers couldn't resist. Why, partner, I've seen sold out shows 'Everywhere I Go'. When The Call hits the stage each night all the buckaroos and buckettes are in their seats and rockin'. The band plays a lot of songs from the new Lp 'Reconciled' including 'I Still Believe' (great live), 'Oklahoma', and the new single 'Everywhere I Go'. Album radio better get ready to lasso this track cause it's gonna go up the charts like a Texas tornado. Elektra has branded this one a hit. Would I steer you wrong? Don't miss The Call/Simple Minds tour when they stampede through your town. It's a great show. No bull!"

LEE ARNOLD, LEE ARNOLD MARKETING (312-328-3907): "Congrats to Jon Scott. What an amazing event! How can he possibly keep topping himself? It was great seeing all my old friends in L.A. Boy, does Larry Bruce have KMET sounding hot! If this is what you can do, Larry, after just a month or so, I can't wait to hear it by the end of the summer. It only seems right: L.A., beautiful women, and KMET rules!... Got home to Chicago for just a couple of days, put on my travelling shoes and headed for Detroit for the CHARLIE SEXTON live broadcast and free concert that WLLZ sponsored at Harpo's. This kid's 17-years-old and he's already got it. 1,400 people and 1,000 turned away at the door. It was a crystal-clear, live broadcast and Charlie and his band were cookin'! What a wonderful feeling it was to drive around Detroit and hear the job that Doug Podell has done at WLLZ. The book's about to come in and WLLZ for sure will be sitting on top of the heap. With new owners coming in, who know how to spend money, and with WRIF sitting there cutting back salaries, you can bet that by the end of the year WLLZ (with Doug at the helm) will kick their ass! Between KMET and WLLZ, they renewed my hopes that rock and roll radio is alive and well... If you're not playing 'Back On My Knees' by JEFF PARIS, get with the program. Join KMET, WLLZ, WQFM, WYSP, WSHE and some of the other stellar programmers in America on this terrific record... Another record of note: Look out for DANNY WILDE. Smart programmers with good ears have added this record quickly. Lots of projections on this hit-sounding record. Wait till you hear the whole Lp, it's five cuts deep... Check the quality of adds on the LEGS DIAMOND 'Turn To Stone'. Radio stations like KISS, WQFM, KTXQ, WYSP, KLAQ, KMOD and KLBJ, just to mention a few. This record really rocks for today's radio listeners."

MARKO BABINEAU, GEFFEN (213-278-9010): "What can I say. By now you've all been infected by PETER GABRIEL-itis. There's only one word that follows 'Sledgehammer'--W O W!!!!!!"

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "By now all of you should have received an advance tape of tracks from the much talked about JOHN EDDIE album. Spend some time and we're sure you'll agree that this artist has a very big future ahead of him. 'Jungle Boy', our first single, is currently being blasted all over the Northeast and this week should be a strong one for John. The music is hot, BIG drums by the Mighty Max, guitars by NILS LOFGRIN and DAVID LINDLEY, and rock and roll keyboards by the FACES IAN MC GLAGEN, the believability of the vocals is there, and, for me, the greatest part is the songs themselves. What is especially nice is that album radio has a chance to build another career that will become very meaningful to the format itself. Make JOHN EDDIE your own now... Next, the controversial LOVERBOY song! Is it a bird?! Is it a plane?! I'll tell you what it is---it's a fkn hit!!! Don't think too hard on this one, just listen to the track. This could be HUGE!... For those not yet on the HOOTERS, let's go! This ballad is perfect for the balance you need on the other side because of all the rock you are currently dealing with. A killer tune, with powerful meaning from clearly the most popular new bard in America!... And coming down the stretch, it's the OUTFIELD! Gold this week with explosive sales--our 12", 'All The Love In The World' is out now! This album will be around all summer. And last, but absolutely great--'Classic Live Rock' for classic Rock Radio--live 'Dream On', 'Sweet Emotion', and other greats from AEROSMITH. Freshen up these traditionals. The band is touring all spring and summer and the demand is there. We are constantly selling tons of AEROSMITH catalogue. This is the real thing, your audience knows it and loves it... So, if you think things have been confusing in the last few weeks, try this! I am working a killer live AEROSMITH package which is now really Marko's band, and J.B. is working 'Pretty In Pink' by the PSYCHEDELIC FURS which is really my band! Somehow I am sure it will all work out but it can get confusing. I mean, hey, I'm still promoting ZZ Top!"

GARY AND THE WACKY SISTERS, MJI BROADCASTING (212-245-5010): "Joe Piscopo will join us as our special guest on the fourth edition of THE COMEDY HOUR. This is timed perfectly for the release of Piscopo's new movie 'Wise Guys'... If you don't know already, THE COMEDY HOUR is produced by former WBCN production wiz, SCTV writer, and current WNEW-FM audio ace, Tom Couch. It's written by comedy writer extraordinaire Lin Belzer (Yes, he's Richard's brother!) THE COMEDY HOUR is hosted by WNEW air personality and HBO entertainment reporter, Mark McEwen... "5150" is #1

**FMQB Album Report
Billboard Lp Chart**

**"Best Of Both Worlds" #17 Song Index is
the second track, already taking off!**

Time to power this killer cut.

"I can't find a song on Van Halen's new album that doesn't click with the first listen or burn up the phones on the first play. Every note sung and played is right on the money." **PAM BROOKS, WPDH**

The second honeymoon has just begun, and the first is not over!

"Bad Attitude" 54-46* Song Index

"Feel It Again" 9-7* 29-CHR!

"Honeymoon Suite is a winner. 'Feel It Again' is already in the winners circle pulling phones and we're expecting big, bad things from 'Bad Attitude'." **GARRETT HART, WGLU**

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
