Hard Choices

EMERSON, LAKE AND OH, POWELL, "TOUCH AND GO", POLYGRAM... Bombast comes easy to Messrs. Emerson and Lake, who practically invented synthesizer rock for radio. Didn't these guys just about have an exclusive rotation category thru the late 70's? Though much has changed in years since, with the air's list approach supplanting Ruffles and Flourishes, this particular item has all the ridges--and hooks--a contemporary programmer could ask for. As immediately identifiable as anything they've ever done, and one of their most instantly memorable numbers to date. Hear it once, you're sold.

AC/DC, "WHO MADE WHO", ATLANTIC... Don't you just love CHR's hesitation on the hard stuff? Guess that means open field running for rockers, perfectly timed for top down cruising. And here's AC/DC shifting into drive with a return to the kind of riffing that first put 'em on the map. The Vanda and Young mix highlights the honky tonk rhythm and the big chorus while smoothing out the dirty, dangerous vocals. If your list lacks proper radio roughage, make room for their best radio song since "You Shook Me".

FINE YOUNG CANNIBALS, "SUSPICIOUS MINDS", IRS The Adventure Club to CHR to AOR path is always a tough go--and seems especially rocky right now. Nonetheless, we've gotta believe that this quirky and soulful remake on one of Elvis' coolest comeback hits has the magnetism to make the trip. It's guaranteed to make the upper demos flip and you must admit it's more fun than most of the stuff you've heard this week.

JOHN EDDIE, COLUMBIA... Having lived with the advance cassette, we were hard pressed to pull a single. Sure, we loved "Jungle Boy", but heard tons of equally great material. Now it's three weeks later, and those tribal drums have done their stuff. It sounds good, feels good, and gets results: Witness 16 phone frenzied callers so far, with a healthy geographic spread. And that's what you'll want to do when you hear "Dream House", "Pretty Little Rebel" and "Stranded" from an album you'll remember the summer by. Hey, Cleveland may have the Hall, but in terms of Hot New Talent, Philly's got it all.

BLUE OYSTER CULT, "PERFECT WATER", COLUMBIA Since you folks are in the mood to go back for deserving depth material (see Most Added), here's one of the best new 12's we've heard. It's the tune many picked on LP release, and that was before Sandy Pearlman's ace remix upped the axes and tightened up the track by almost a minute.

Tips

SMITHEREENS, "BLOOD AND ROSES", ENIGMA... WJCH has it in power--and though the act is New Jersey based, they're but one of many area bands vying for a shot. WXRT's Lin Brohmer is so stoked he's vowed to fly to L.A. and personally apologize to Beth Rosengard, if he can't get it past Nora. Noted new music ace, Gindy Ballen at KZEW, is also nuts about the track. Producer Don Dixon (REM, Guadalcanal Diary) is the only other name we'll drop. And to see your name in this write-up next week, all you need to drop...is the toner.

Reaction Records

THE FIXX, "SECRET SEPARATION", MCA... The best ballad of their career? That's the Checklist verdict with over 40% of our reporters rating 4 star classic status. New at the week's highest #17 debut with 93 OTB adds...WLUP's Bill Evans says, "Melodic, potential homerun material"... From KUPD's Curtiss Johnson, "Best Fixx single yet"...Bob Bittens, WNCN, "Hypnotic, melodic"... Erin Riley, WPMR, "Stunning"...Jim Jones, KMOD, "One of the best I've heard"...Robin Mathieu, "Their best ever"...Ron Diaz, WYHF, "As smooth a and appealing as the return of beach weather"... Mike Wolf, WYSP, "They've never sounded better"... Glenn Stewart, WHJY, "Such obvious hit records don't come in every week or even every month. This is it"...Karen A. Small, WGIR, "A groove that grabs you right away"...etc., etc., etc.

KENNY LOGGINS, "DANGER ZONE", COLUMBIA... Two consistent report weeks finds Kenny with 27 adds and 56 now playing--with a fast 8 ups that includes KATT, WCMF, MBAB and WYDD...The 74-43 Song move ranks first in points gained and #2 in positions, with DC101, KQRS and WXRK among the max play reporters...Phones are "excellent" at KLAQ and KQRS, "good" at KLOL, WDHA, KUPD, WNEW, WAPL and 4 more.

ICEHOUSE, "NO PROMISES", CHRYSALIS... Icehouse squares off with 26 Checklist builders against none dropping, with 22 actively considering and 21 maintaining. The airplay foundation builds with 13 more adds, 93 to date and 8 increases...The album claims our third best National and Metro moves, 31-25 and 28-24, with "Promises" underlined 41-29. Time to freeze your list, if you haven't already.

STING WITH JEFF BECK, "BEEN DOWN SO LONG", IRS/MCA... As WUPH's Dana Brown says, "You cannot deny the power of Beck and Sting together on this jam. Automatic all demo appeal"...From WVCT's Phil Manicki, "Sting teaming up with Jeff Beck is like air conditioning on a hot, humid day. A great song for a great cause"...KBER's Rob Roman feels it "will benefit both the older demo segment who remember when Blues was a part of most rock stations' playlists, and cancer research, which can definitely use the funds"...WZZD's Rick Strauss hears, "A song that reminds the core audience what we're all about"...From WTOS' Duane Sherman, "It's nice to have new tracks from some of my favorites, as well as knowing I'm supporting a worthy cause"...WLTR's Larry Dym says, "Sting/Beck sparkles and draws interest from all listener departments"... #2 Most Added with 73--new at #35. The LP debuts at 31 nationally and the week's highest #29 Metro entry.

BOX O' FROGS, "HEART FULL OF SOUL", EPIC... They're out of the box with 25 adds and a #79 debut, and we expect success stories like 'DVE's to motivate more fast adds...Greg Gillispie played the advance cassette several months ago and found "Top 5 requests after a week of airplay"...He pulled it when the album was delayed, and updates, "Now after a week of airplay, it's picked up where it left off a few months ago and lands at #3 most requested"...Glenn Stewart, WHJY, asks the musical question, "Are the upper demos gonna eat this up or what?"...KBER's Rob Roman feels, "Roger Chapman's vocals will knock your audience out, plus the great artist list will allow you to really talk this band up".

LOU REED, "NO MONEY DOWN", RCA... As noted by MLVQ's Lee Randall, this tune definitely reflects the economic times--and it's musically interesting on top of that...23 more adds give Lou an 81 station credit line, rolling up still more hard charging charts: "Money"'s 50-57 Primer is our fifth longest Song move, the 40-52 album Underline is #2 in points and #2 in positions, and the 43-35 Metro gain is that chart's biggest. 10 ups included WMOH, WTUE, WPCN, WNEW, KFOG, WOUH and WBAB...And, we've got a Checklist to watch: building on 27, maintaining on 22, none--repeat--none dropping, and 18 considering. No risk.

GLASS TIGER, "THIN RED LINE", MANHATTAN... Even without the stellar Canadian track record, this item instantly intriguing sound should make it a serious contender. KILO's Alan White noted the "Good progressive edge"...MYDD's Dave Shedlock quips, "What U2 would sound like if Bono could sing"...WMOH's Al Branca reacts, "Surprisingly different"..."Excitingly different" was how KQRS's Mally Walker put it...WRXL's Paul Shugrue calls it "The surprise of the week"...WSKS's Marty Bender says, "Very strong but subtle"...WAAF's Russ Mottis rates it "Hooky mainstream"...And "Refreshing" was the word from WPYX's Bob Welch...#9 Most Added with 13, including KTXQ, WRCN, WPCN, WLNZ and WBLU.

Automatics

JACKSON BROWNE, "IN THE SHAPE OF A HEART", ELEKTRA... Profit by example of 75 now playing and get with the program. JG's latest places #4 Most Added with 26, pulls increases at KZEL, KISS, KSHE, WTUE and WXKE, powering thru for the fifth strongest song move 47-31.

FABULOUS THUNDERBIRDS, "WRAP IT UP", CBS ASSOCIATED... The Birds have also more than earned the second track. It's #5 Most Added with 25, with 56 currents and ups from KBCO, WRUF, and WMOH pushing it 69-41. That's the #2 point gainer and third longest underline.

OZZY OSBOURNE, "LIGHTNING STRIKES", CBS ASSOCIATED... And you doubted? Clue yourself into the week's longest song move 57-52. It's easy when you've got 21 fresh recruits, and call letter clout like WAAF, WLLZ, KUPT, WQDF, KISS, WQIZ, WLOT, KTXQ, WPCN, KATT, KGB, WPYX, and WOUR...Double album underlines, too--38-35 Nationally, 29-36 Metro.

HONEYMOON SUITE, "BAD ATTITUDE", WB... New air at WRIF, WLOT, WLAY, WLLZ, WCMF, WCKK, WBAB and 8 more headline Honeymoon's week--with ups at WBBN, WSKS, KSJD and 4 more firing up yet another Underline, 39-32. Now on 60 reporters, including max spots at KISM, WYWF, KRQR, WKQQ, KILO, CILQ and KPOP.

THE OUTFIELD, "ALL THE LOVE IN THE WORLD", COLUMBIA... At this point, all you can say is "play". Top 10 sales for weeks reports MCC's Dary Allen, KXCN's Bonnie Stacy echoes, "The Outfield continues to amaze. Still a top 5 seller, still top 5 phones, and 'All The Love In The World' is taking hold already"...Single success gives the lp the week's strongest Back Page move 15-27, second strongest Metro advance 11-26, with 13 more adds and 8 ups (KLOS, KSHE, KZEM), helping "All The Love..." to a 51-40 showing. Now current on 57.

ZZ TOP, "WAKE UP WITH WOOD", WB... Concert favorite "Yoico Fly" continues to move up on the outside, with new air at KLDC, WTPX, WCKK and WXKE, helping the 60-63 increase...But "Wood" is the one to watch for now. It's got 12 more adds, 65 now playing and 62-53 Primer...Now "4" or better play at WAAF, DC101, WJZY, WFLN, KLSE, WQIZ and WFBQ.

INXS, "LISTEN LIKE THIEVES", ATLANTIC... We would think the world would already be in on this one, but it continues to build in bunches. Witness 10 more converts, including WJUP, WBAB, WNEW and WCMF, and a healthy plus 17 stations play up roll call, headed by WAAF, KSRR, KATT, KGB, KLGL, KLOS, KOME and WOUR. Underlined 19-14.

ROBERT PALMER, "HYPERACTIVE", ISLAND... The title calls the tune on the Song Index--as the follow-up shares off a 32-25 move. Got new air at WTPX, WLLS, WQSK, and 4 more, and the week's 15 play ups include WQIZ, WQDF, KQNF, KSJD and KZEM...Now on 60 reporters, and destined for close-out play shortly.

Buzzbands

CACTUS WORLD NEWS, "YEARS LATER", MCA... Rough cut Brit rock isn't exactly the current rave import style (yeah, we know they're Irish), but this sparky little number continues to win friends and influence programmers. It looks as if the New England corridor will be the key, with WAAF, WBRU, WRRK and WPDH topping 7 adds. Also on KLAQ, KBCO, KMOO, KZEM, CILQ and KILO...New at #58.

BRUCE HORNSBY AND THE RANGE, "EVERY LITTLE KISS", RCA... There's plenty of excitement here, too--more than is indicated by the standard adds/ups/phones criteria...WPDH's Pam Brooks comments, "It's a musical high to sit and listen to this whole lp. They've captured a nice blend of styles to come up with a sound that has the potential to make this group very big"...New on KGB, WAAF, KRKE, WPDH and WLAY, where Dave Lange awarded it "Record of the week. This album is fascinating to listen to. He may look a little country on the surface, but the arrangements are just incredible and this guy's a great piano player"... Underlined 69-75, with "excellent" calls at KLBI, WRXL and KBCO and "good" phones from KLGL, KAZY, WHEB, KLAQ, WOUR and WBLU.

BOB JUNGKAS, "BOYSTOWN", MANHATTAN... This much talked about new talent delivers 18 builders after 5 weeks led by WPCN, WQDF, WORA, WMOH, WCCC, WNEW, MLVQ, WBBN, KBER and WYWF, where Ron Diaz comments, "Bob sounds better on the air than on the turntable, and I crank that sucker in my office daily. The writing is first rate, with Bob painting a tough guy/romantic picture on 'Boystown', reminiscent of James Dean or a young Marion Brando. Cinematic rock"...New on WPCN, WFLR, WJZY and WAPL, upped at WMOH, WMPD, WHEB and KLBJ. Prime 53-30.

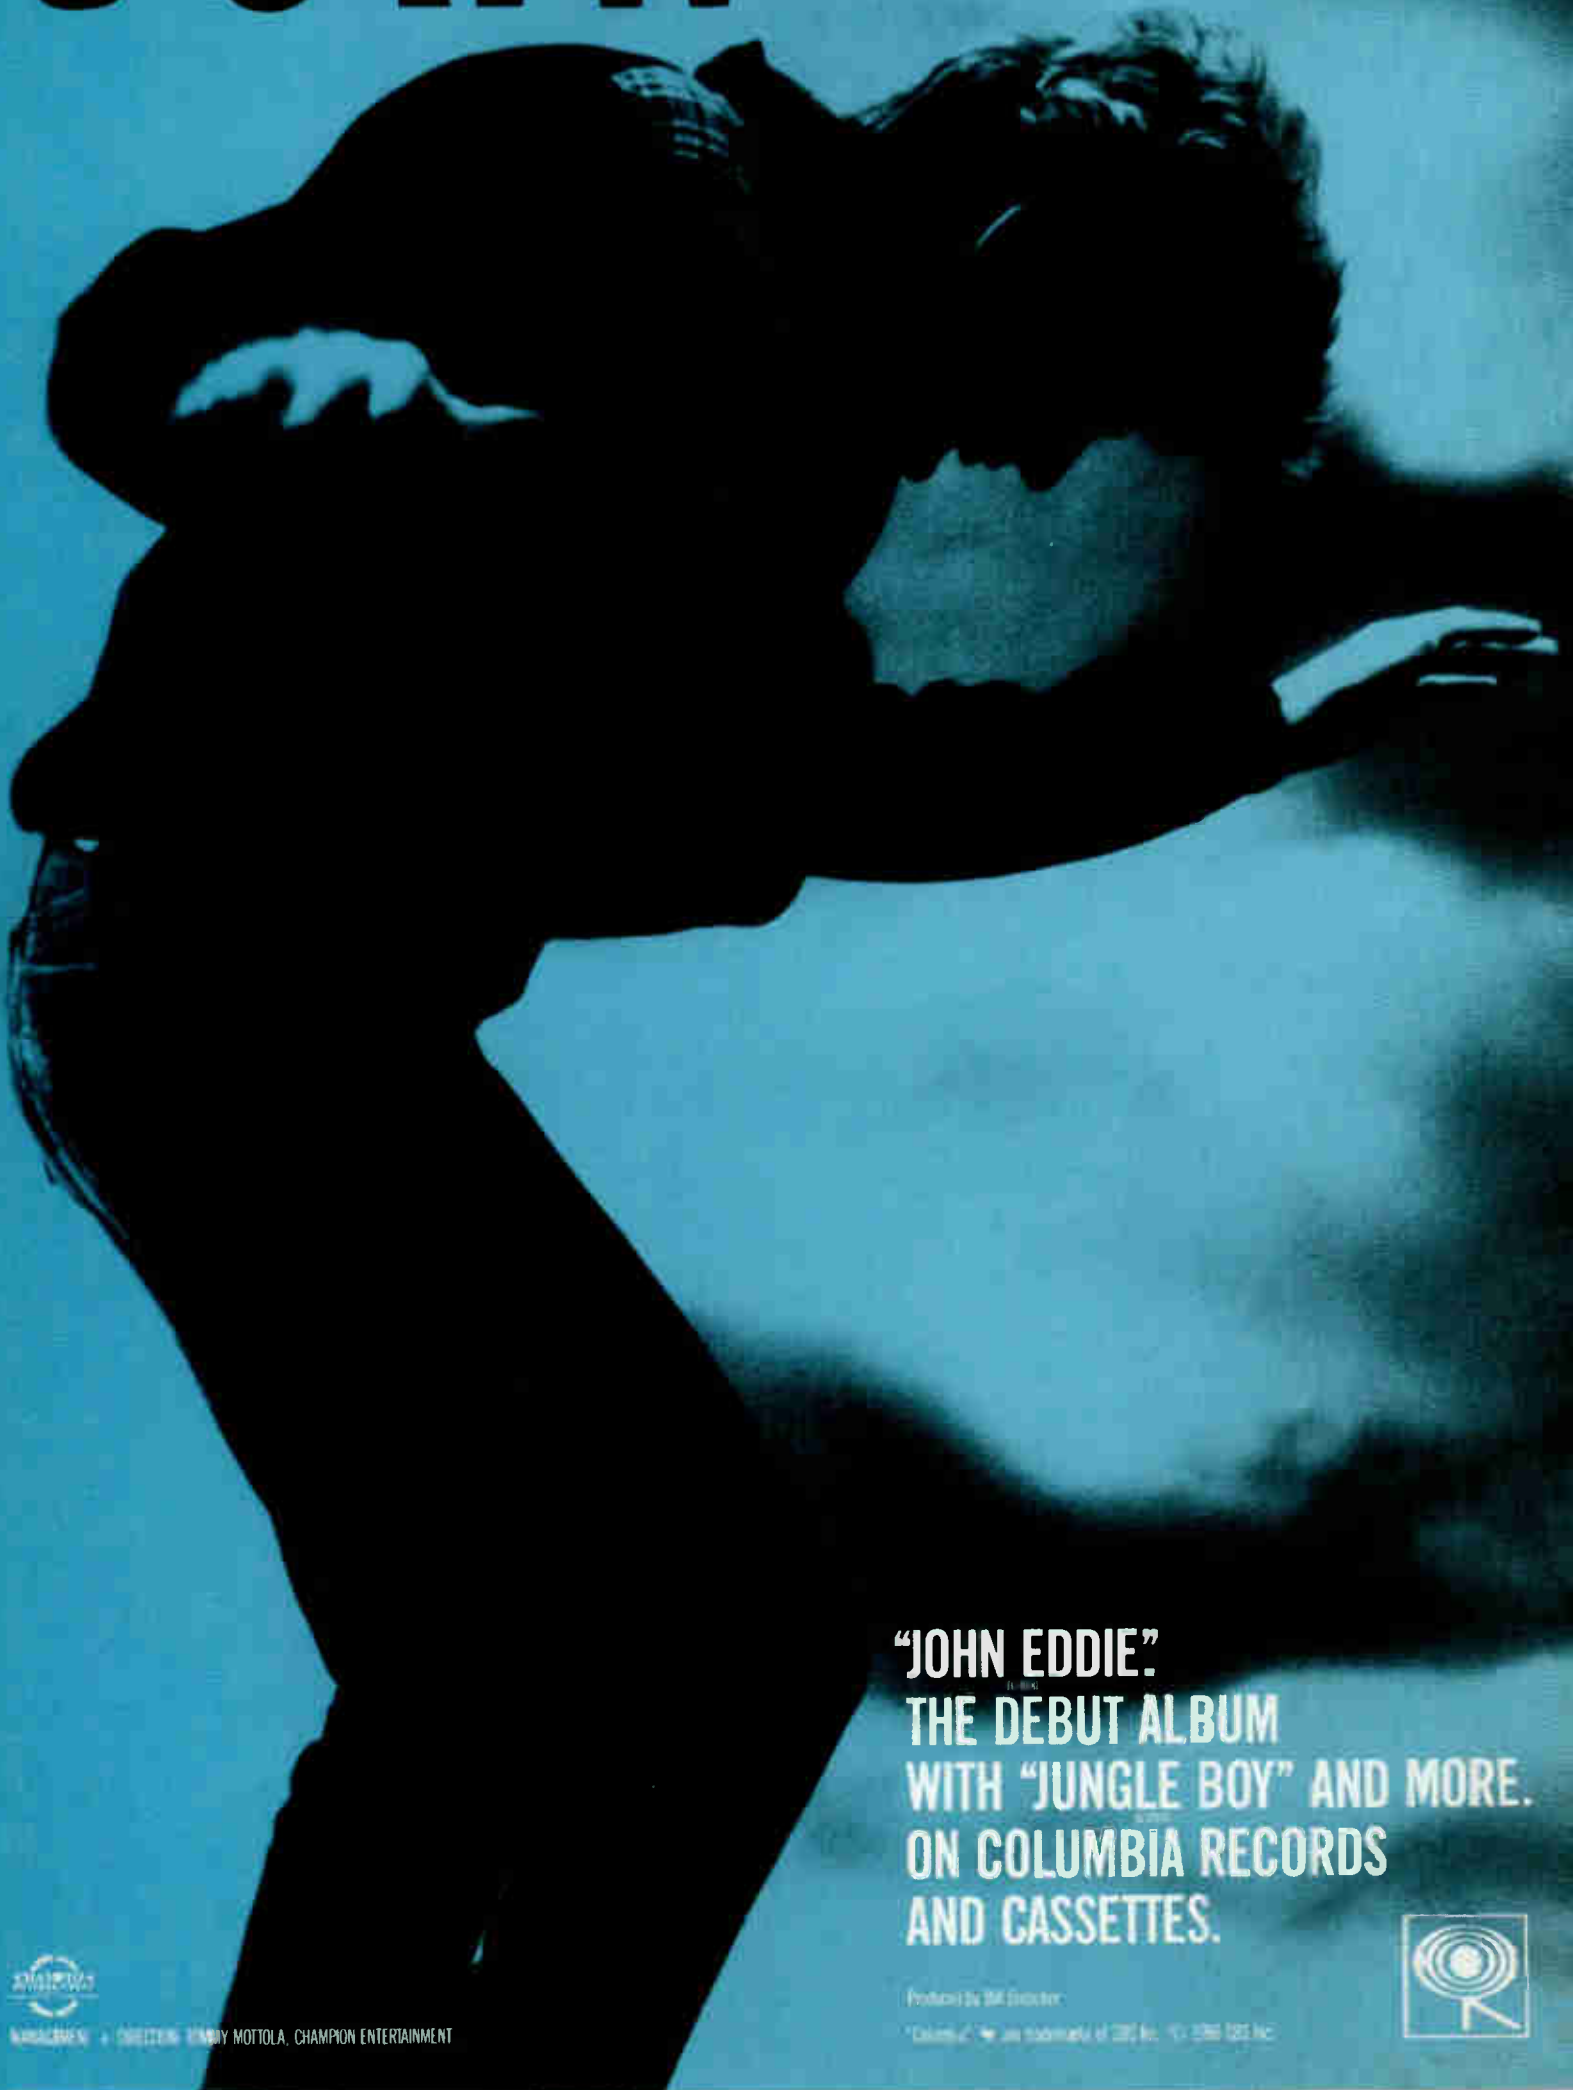

JEAN-MICHEL JAURE, "FOURTH RENDEZVOUS", POLYGRAM... Did KSRN's Warren Williams really say, "#1 selling record in Houston for months. He's a hero in this town"...Yep, the LOOP's Bill Evans added, "Good initial calls on 'Headphones Only'"...And WTSP's Mike Wolf said, "Artistically innovative as usual"...Need to cool 'em out? Take a hint from WBRU's Allison Stewart, who noted the "Yuppie valium appeal"...Then there's "Got to play it" from KLAQ's Pete Lopez...And "He defines the 80's" from WLIR's Larry Damp...KSRR and KFOG add.

THE MODELS, "OUT OF MIND...", GEPHEN... New air at WLOT, KOME, KICT, WCKK and KQRS takes the count to 97, 16 of which indicated builder status...Majors on that list include WSKS, KQRS, WLLZ, KSJD, KZEM, KMOO, KSRR, WLLS and KUPD...Play ups at 10 help keep it Underlined 25-22. Also check the 27-20 album gain.

WALK THE WEST, "LIVING AT NIGHT", CAPITOL... Just out and on KTXQ, WQDF, WHEB and WFFS...WRXL's Paul Shugrue calls it "Quality stuff"..."Rough and ready. We're considering" said KPDI's Andy Preston...WPCN's Pam Brooks said, "Refreshing sound"...WQSK's Peppy Apple awards "Interesting new band"...WPCN's Dave Kane hears "honest rock and roll"...And WQHA's Al Branca said, "Can't wait to hear it"...Don't be fooled by the rough/bar texture. There's something there.

DANNY WILDE, "ISN'T IT ENOUGH", ISLAND... Six adds may not strike you as tonnage, but after The Fixx and King, this was basically a pretty quiet week. Check the adds and you'll realize 6 stations for a developing act is about as good as it got. He's new on WQSK, WQFH, WOUR, KATT, WHEB and WXRC, with WTUE, WLLZ and WMPD upping. The roster now includes WLLZ, WQHA, KSHE, KGB, WMOH and KMET, where Judy Schultz Friedman calls us "The top 5 phones are continuing"...underlined 65-64

Radio's Raving About **JOHN EDDIE!**

"As far as **John Eddie** is concerned, it's really hard to write how you feel about an artist who captivates you immediately. That someone so young can write so poignantly really says something.

John Eddie's 'Jungle Boy' just scratches the surface and will be around for a long, long while.

That's why we're going to be there from day one."

Bob Kranes, WBCN

"Without a doubt, the record of the week and best new artist of the year so far is **John Eddie**.

After just a couple of plays last weekend, '**Jungle Boy**' has been in the '**Top 10 At 10:00**' ever since. He's incredible live and the whole album is killer."

Mark Di Dia, WXRK

"Check out **John Eddie's 'Jungle Boy.'** We've played it as a local demo for a couple of years, but the new version has a really cool back beat, which makes it fresh sounding for us, too.

John Eddie's true appeal, however, is his live show.

The man oozes charisma."

Erin Riley, WMMR

"It's time to start the cheers for another New Jersey boy, **John Eddie**.

He's been playing in the area for years, and there's already quite a buzz on this record. We've put in '**Jungle Boy,**' with more to come. Give it a listen, and you'll want to play it."

Mark Chernoff, WNEW

"Here comes **John Eddie!** '**Jungle Boy**' makes for fun radio. Dance, jump up and down, turn up the radio, this boy says '**Yowsa!**'"

Larry "The Duck", WLIR

"**John Eddie** is really good, and I have the feeling that this guy is really going to take off."

Mark Davis, KDJK

Columbia

WILD BLUE, "FIRE WITH FIRE", CHRYSALIS... "Fire" fights 91-86 behind adds at KOME, KISS, KILO, KPOP, and KMBY, and a WDHA increase...KLOL, WQFM and KLAQ report "good" calls with WSKS, KSJO, KMOD and KGB showing early "fair" phones...WLUP, WLLZ, KSRR, KISW and KTXQ top the list of 29 now playing. 4

JANE SIBERRY, "ONE MORE COLOR", OPEN AIR/WINDHAM HILL, A&M... I can't believe you goons are ignoring this Siberry record. True, it verges on AC, but you must be aware of the woman's major critical acclaim in the New York Times, Washington Post, L.A. Times, etc. And that every major record company is lined up at the door to steal her away...And you mean to tell me that of all of our reporters, only KGRQ and WEQX added this week? If it were schlocky pop or HBO rock or some oft repackaged burnout, I could understand the cold shoulder, but this beautiful song with only 9 adds to date? What gives?

Builders

PETER GABRIEL, "SLEDGEHAMMER", GEFHEN... Pete paces the play-ups with 42, and takes over #1 Most Requested. Perhaps "Buildozer" would have been a more appropriate title...He gains 8-5 in play with 4 last minute adds, 139 total, and 56 max...The LP's pre-release buzz is at least as mammoth as those stats, as typified by KWHL's Kevin Vargas, "I have heard the album and I am content"...How 'bout it, Curt? Still not convinced?

38 SPECIAL, "LIKE NO OTHER NIGHT", A&M... Talk about a battle--38's new single picks up 4 more adds and our second best 37 play ups for powerful 5-2 Primer--equally flashy is that 12-7 Most Requested action, easily the biggest move on that ranking. Try 31 "excellent" and 32 "good" reports... "Somebody Like You" comes up with our fourth longest 76-56 Primer, with 11 adds, 38 now playing and 7 ups (including KGB, KSHE, KSJO and WQFM)...The album reflects and collects, 8-6.

GTR, "WHEN THE HEART RULES THE MIND", ARISTA... Up across the board: Prime 9-8 on the Song Index with the week's third best 27 increases, 4 more adds and 130 to date...8-6 in National requests, and Checklisting like a mother with 26 "excellent" listings and 32 "good" phone reports... "Jeckyl And Hyde" adds 9 to the list for a 92-77 Underline...And new air on 10, including WYNF, KATT, WOUR and KILO brings "The Hunter" on at #96...The above moves the LP 12-7 Nationally, for the week's #2 album point gains, and 11-7 Metro, #3 in moves and points.

GOLDEN EARRING, "QUIET EYES", 21/ATCO... Three weeks out and the phones be looking fine: "Excellent" at WQFM, KOZZ, KUPD, WFYV and WLNZ... "Good" at 20 more, led by KISS, KMOD, WDIZ, KICT, WIOT, WRXL, KILO, KLAQ and WNEW...11 adds include KYYS, WHJY, KFOG, KSHE, KSRR, KQRS and WCCC, with ups from KTXQ, WDHA, KPOP, WHMD and WXRK...Now "4" or better at 22, including DC101, WLAV, WMMR, WLLZ, WKDF, WDIZ, WYNF, KQRS, KRQR, and KZAP...Underlined 31-24.

GIUFFRIA, "I MUST BE DREAMING", CAMEL/MCA... While we're at it, here's the real deal on their phone follow thru, too: WQFM, KSJO, KUPD, WAQX and WOUR and KRNA have "excellent" calls, with 25 more "good" ones, including KLOL, KISS, KMOD, WDIZ, WLLZ, WHJY, WCMF, KGB, WYSP, WYNF, KLAQ and KBER...78 ongoing current reports and 3 more adds convert for the week's highest album debuts--at #28 Nationally and #30 Metro, with 33-30 Primer for "Dreaming". Increased at KLOS, WCMF, WMGM, KWHL, KFMQ, WAPL, KFMF and WHMD, with KUPD, WKQQ, KRQU, KPOP and KFMF listing max.

THE MOODY BLUES, "YOUR WILDEST DREAMS", POLYDOR... The album brings home triple song Primers--matched only by Bob Seger (and GTR, if you wanna count debuts)... "Dreams" Primes at #3 with 19 increases and 65 max and a 4-3 Most Requested move. "The Other Side" slides 59-48 behind 8 adds and 4 ups, "Rock And Roll Over You" progresses 72-63, with 2 adds, 2 ups and 27 to date.

JOE JACKSON, "RIGHT AND WRONG", A&M... One of this report's best Checklisters comes back 48 builders deep, with most active phones and sales at WOVE, WHCN, WAQX, WAAF, WPLR, KROQ and WOUR...And best phones at WCMF, WLWQ, WYDD, WRUF, WHEB and KWHL and top fivers at WQBK, WHCN, WOVE, KBER, KFMF, KICT and KSQY. 114 total adds, 9 ups and 14 max power the single 12-10.

HOWARD JONES, "NO ONE IS TO BLAME", ELEKTRA... The build that matches the record's tempo continues slow but sure: New on WHCN, KYYS, WACK, KNCN and 7 more...Upped at WYDD, WCMF, WSKS, WPYX, WLNZ, WQBK, WBRU and KKDJ...With max action at 21...And top 5 phones at WDHA, WBRU, WKDF, WSKS, WYDD, WJLP, CHOM, KRNA, and more... "No One" slides 28-21, Priming the LP 29-21.

HEART, "NOTHIN' AT ALL", CAPITOL... They can really do no wrong, as evidenced by yet another Most Requested debut, this time at #11...WHTF, WMGM, WPDH, WTPA, WACK, WLWQ, WWCT, KRKE, KRNA, KPOI, KZEL, and WPGU front the top fivers...Underlined at #7 with 63 max and the fifth best 22 increases.

HEAR 'N AID, "STARS", MERCURY... Looks as if the party's just about complete with 72 adds to date... The requests increase 9-8 Nationally and ups from KSJO, KBER, KPOP and WTKX help out a 45-39 Song Index advance. Heaviest play at WLAV, WACK, WLLZ, WHJY, KISS, WYNF, WLNZ, WTKX, KOZZ, KBER and KPOP.

Double Shots

JIMMY BARNES, "I'D DIE TO BE WITH YOU TONIGHT", GEFHEN... We'll assume 7 adds and one re-add means most of you simply haven't gotten around to a serious audition. We're totally confident Jimmy will wind up as one of 86's major new solo rockers, and considering his overall progress in some of the heaviest traffic ever, we urge you to spend a little time with this deserving third track. Already on KMET, KMOD, WXRK, WKDF, KLAQ, WOUR and more.

JOE COCKER, "YOU CAN LEAVE YOUR HAT ON", CAPITOL... The record feels good. KZEW, WCCC, WDHA, KFMQ, and WHMD increase...with WIOT, WTPA, KMBY, WGRX, WRUF and WEZX adding...Already on 44, most notably WAAF, KLAQ, WMMR, WHCN, WLLZ, KISW, WKDF, KAZY, KMET, KMOD, WOUR and KZAP...If you're getting phones yet, let us know next week.

THE CALL, "EVERYWHERE I GO", ELEKTRA... Brad leaned hard for a track pick last week, and after about a dozen listens, I just had to pass. Then, every time the song came up on station charts, or the Checklist or in comments, that insistent riff came back to haunt me. And you know what? The record's going to come in. The charge starts at #92, with new action at KQRS, WPDH, KUPD, WKDF, KLAQ and KLOS.

JUDAS PRIEST, "TURBO LOVER", COLUMBIA... WPYX, KOME and WKDF headline five adds, with 24 FMQB stations now listing current play, with WACK, WHNC, WLLZ, KUPD, KISS, KGB, KLOS, WIOT, KMET and WEBN already in and a 85-76 Underline, maybe it's time for a second pass.

JEAN BEAUVOIR, "FEEL THE HEAT", COLUMBIA... The 12" arrived late at radio, but we still found a few music people had done their homework. WLUP's Bill Evans told us, "I was impressed. Good video"... Here's to WCMF's Dave Kane, WPYX's Bob Welch, WPLR's Amanda Tepper, WLNZ's Linda Lanci, WPDH's Pam Brooks, and WLIR's Larry Dunn for good early ears on a hit to be. The horses are at the gate at Columbia--and mark our words, this act is going to cross back big time.

BELINDA CARLISLE, "MAD ABOUT YOU", IRS/MCA... Naturally the Adventure Club is first to go--with KROQ, WYDD, WLIR leading the charge...KPOI's Andy Preston hears it, saying "Very cool song, nice guitars"... WDHA's Mike Boyle calls it "The Go Go's grown up"...KSJO's Ken Anthony notes the "Great crossover potential"...KBLE's Ron Sorenson reacts "Surprisingly strong"...From WLIR's Larry Dunn, "Surprisingly uncorporate"... "It's a hit" predicts KGON's Inessa York...And "Unexpected pleasure" as the verdict from WFYV's Lex Staley.

THE BANGLES, "IF SHE KNEW WHAT SHE WANTS", COLUMBIA... Amanda Tepper soap boxes, "The Bangles is an out-and-out hit. I can't believe that any so-called progressive AOR station would have missed out on them the first time out. Don't make the same mistake twice"...WBLM's Robin Mathieu is also clued in, "It's already a hit here. Maybe AOR can steal the thunder with Jules Shear's contribution to this cool girl group"...And, that add at Houston powerhouse KSRR ain't kibble, either, eh girlwatchers!

MCA... DELIVERING THE MUSIC OF THE 80's

EBA

Presents ...

DIRT ALERT!

MCA RENEWS AZOFF'S CONTRACT; ACQUIRES FRONT LINE, FULL MOON, AND FACILITY MERCHANDISING

MCA announced Tuesday (May 6th) that it will buy out all of the stock of Front Line Management, Facility Merchandising, and Full Moon Records in exchange for an undisclosed amount of MCA common stock. The acquisition marks MCA's entry into the talent management business and the vending of novelty items at concert venues.

At the same time, Irving Azoff, President of MCA Records, majority holder of Front Line and Full Moon and part owner of Facility Merchandising, has inked a new long term pact with MCA. Azoff will oversee the new acquisitions.

"The decision to buy out Azoff's holdings is an endorsement of the record unit executive. But it's also an opportunity to participate in another part of the music business." said MCA Prez/COO Sid Sheinberg in an article in Wednesday's L.A. Times. VP Album Promotion John Schoenberger echoed the same sentiment, telling FMQB, "Let this just reassure the entire industry that MCA is here to stay. With Irving remaining at the helm, we shall continue our progressive stance."

Warner Brothers Records will continue to manufacture, market and distribute Full Moon product worldwide (Chicago, and Peter Cetera). Facility Merchandising handles novelty vending rights in over 25 venues nationwide and held joint vending rights with MCA for the 1984 L.A. Olympics. Front Line's management roster includes Don Henley, Heart, Chicago, Stevie Nicks, Dan Fogelberg, Jimmy Buffett, Michael McDonald, and Boz Scaggs. Sheinberg doesn't feel the acquisition should pose a problem for Front Line clients because "The personal management firm doesn't negotiate recording deals. Such firms generally provide broad-based personal services and financial advice for clients."

KUPD RESTRUCTURES MANAGEMENT; PODELL GETS WLLZ PD NOD

Ernest Gladden has rejoined KUPD/KUKQ, Phoenix as VP of Programming, effective May 5. The appointment is part of a "management reorganization for an aggressive game plan for 1987" that also includes naming Ed Hamlin to VP of Operations for both stations. Gladden, who originally programmed KUPD from 1981 to 1983 and is a former KPRI, San Diego PD, told FMQB, "It's great to be back in the valley of the sun." Most recently, he had been operating San Diego based Multi-Media Communications Consultation, which deals primarily with AOR stations including KUPD. That company will continue to do business.

It's official. The Doc of Rock, Doug Podell, is now Program Director at WLLZ, Detroit, after several months as Interim PD. As Interim MD, The Roz, puts it, "WLLZ is now officially a Legacy Broadcasting station. Doug is now officially the PD. We now officially have a nice large promotional budget and we now shall officially kick big time butt, and start taking major numbers!" Yo, Roz, when are you going to have the 'Interim'surgically removed from your title?"

CROSS COUNTRY PHONE TAG: DE BELLA (SLEDGE)HAMMERS WEBN

Top-rated Philadelphia morning personality, WMMR's John DeBella, made a New Year's resolution a while back. He vowed to get the patron saint of the Morning Zoo, Peter Gabriel, to come to the radio station. And when DeBella learned that WEBN, Cincinnati was not playing "Sledgehammer", and that MD Curt Gary had pegged it a "country funk record", a light clicked on in his head. In one of the more humorous episodes of cross country phone tag, DeBella gave out 'EBN's number and Gary's name on the air, urging WMMR listeners to call 'EBN and request "Sledgehammer". "I was in shock" DeBella confided. "I'm desperately trying to get Peter Gabriel on the show and if it's going to take me and my listeners calling every radio station in America that claims to be a rock and roll station, and getting them to add the record...if that's what it's going to take to get Peter on the show, then that's what we'll do."

Of course, Curt has a sense of humor, too. 'MMR listeners who called 'EBN heard "Sledgehammer" on the station's music on hold system, even though 'EBN is not playing the record. "They got their song and then they got a piece of my mind" said Curt. "Mr. DeBella must be having a good time. I think it shows that this business is still a lot of fun and I respect him for that." But will 'EBN add the record??? Curt: "Peter Gabriel has a great song on his hands and I'll play it when it packs the most punch and then hide it away like a gem."

KZEL, KKDJ SET NEW PROGRAM DIRECTORS

"We'll always rock harder than any other Eugene station, but now we'll also rock smarter." That's the reading we got from newly appointed PD Jim Trapp on the latest programming strategy at KZEL. Although it enjoys double digit ratings, the station has terminated its relationships with Burkhart/Abrams/Douglas/Elliott. And now with Trapp in command, the programming blueprint is being readjusted. "Our strength previously has been with 18-24's" admits Trapp. "Although we have no intention of blowing off that core, we do feel that the station can become more listenable for the average 25-34, specifically the 30-35 year old rocker." But, don't count on KZEL to hop on the fashionable classic rock bandwagon. Rather, the plan is to "expand the music base" by beefing up current/recurrent and gold product, and "to eliminate certain redundant characteristics of the music mix." Trapp counts "addressing the dramatically unique needs of the listening audience, and building a fire under the station promotionally" among his other immediate priorities.

No newcomer to West Coast AOR, Jim cut his teeth on Sacramento radio, Rick Carroll style, at KNDE in 1972. He later crossed the street to KZAP. After programming KTYD, Santa Barbara, in the mid and late 70's, Jim went on to generate his own contemporary adult rock format. Designed for AM stations, the format mixed 60's rock and soul tracks with current material and was marketed in Santa Barbara in '83 and Seattle/Tacoma in '84. Trapp's arrival at KZEL marks his 14th year in rock radio.

DIRT ALERT!

Former PD Ken Martin remains with KZEL as Promotion Director and retains his midday airshift.

And Art Farkas is now ensconced as PD at Fresno's KKDJ, replacing Dean Opperman who exits after his 4th PD gig with the station. Although he's primarily been handling weekends at KKDJ for the past 4½ years (along with outside projects), Art's market experience shows he has anything but a week end. In his 6 years at former Fresno AOR KFIG ('74-'80), he ran the gamut from air talent, to PD, to GM. Art tells Dr. Dirt: "My task is to insure everyone that they have the environment in which to exploit their creativity. We're very pleased with our relationship with Burkhardt/Abrams, as well as our air staff. There are no shakeups envisioned...KKDJ intends to strengthen its relationship with the community and reaffirm all the reasons Fresno loves AOR."

WYSP AND KFOG JOIN HANDS ACROSS AMERICA

To drum up support for Hands Across America, WYSP took the stage at Philadelphia's Tower Theater for a 13 hour live radiothon. "We wanted to let people know that the date for Hands Across America is coming up soon" said WYSP Asst. PD, Mike Wolf. "We invited listeners to join us in the very first mile, which we bought for \$25,000. We came up with the idea of combining the best elements of a telethon and variety show and brought in rock and roll artists and the country's top comedic talent to work with our own air personalities for 13 hours of radio magic. With the help of local sign-up locations, we raised thousands of dollars for the cause, and increased awareness of the project." Among the artists who took part in the broadcast were: Stephen Tyler and Tom Hamilton of Aerosmith, Joe Lynn Turner, Greg Giuffria, Cy Curnin and Adam Woods of The Fixx, Lou Reed, Rob Halford of Judas Priest, Peter Frampton, Dennis DeYoung, Andy King of the Hooters, Patty Smyth of Scandal, Mike Rutherford, Kevin Dubrow of Quiet Riot, and Eric Bloom of Blue Oyster Cult, with the Del Lords, the Sharks, and Smash Palace turning in live sets.

Although Hands Across America's human chain will not reach into Northern California, San Francisco's KFOG is doing its part to help the nation's homeless. The station has enlisted 3,000 FOGheads to span the Golden Gate Bridge on Saturday morning, May 24th. "We've got the cooperation of HAA for their publicity machine and we're looking at this as an appetizer to Sunday's main course, coast to coast" sez KFOG PD John Rivers.

ALL RISE FOR A BLESSING FROM THE RIGHT REVEREND HOWARD STERN

Rejoicing over WNBC's down winter book, K-ROCK's Howard Stern hosted a funeral for his former employers outside their Manhattan headquarters. Dressed as a priest, Stern, and morning show partner Robin Quivers, (cross-dressed as an altar boy), arrived at the funeral in a limo. They were followed by a casket carrying hearse. The ceremony opened with WXRK's Ambassadors of Good Taste, Pig Vomit, who rendered a stirring version of "Turn Turn Turn", with Howard singing lead. After Robin read a psalm lamenting the death of WNBC, Pig Vomit closed the ritual with "Amazing Grace" as the K-ROCK crew sprinkled ashes and the assembled multitude of 2,000 gave a group finger to the NBC staffers gawking out the window.

MDs ON THE MOVE: WSHE, WHMD, WXTQ, KISW

WSHE, Miami Music Coordinator Kevin Cerenzia, is parting company with 'SHE after 4½ years on the payroll. Kevin's position has been eliminated. PD Michael DalFonzo will now handle music responsibilities. Here's Kevin's sales pitch: "My background is multi-faceted. I'm flexible as far as a future position goes, but would like to remain in the South." Reach Kevin at 305-741-2894.

Kliff Kahuna slides into the WHMD, Hammond MD slot, replacing Karin Caruso who's Baton Rouge bound. She'll take up residence at WIBR.

Good Morning, Mr. Phelps...Doug Phelps is the new MD at WXTQ, Athens. The position's been vacant for a while, so Dan took over. He continues in afternoon drive.

KISW, Seattle, taps weekend warrior Mike Jones for Asst. MD honors.

NEW NIAGARA ROCKER: WKGR'S INSTANT KARMA

Look for a new Niagara Peninsula rocker to hit the air on June 29th. Former CILQ, Toronto owners Standard Broadcasting (headed by Alan Slaight) plan to convert country formatted QR-FM, St. Catharines, Ontario, to CHTZ (or CHT-2ed as they say north of the border) with a hybrid format. The on-air handle will be "HTZ-FM (Hits FM)" and PD Eric Samuels sez the format will "draw elements from AOR, CHR, Adult Rock and other sources." Paul Morris, formerly of CHUM-FM, Toronto's music department is MD, and yes, the station's 50,000 watt signal will get into the Buffalo area.

Believe It Or Don't...Tom Sebastian exited WKGR, Fort Pierce, Florida last month as Asst.PD/7p-mid, but his wife Barbara remained a loyal listener. Exactly a week after Tom's departure, Barbara won 'KGR's Cash Word contest, pocketing a cool \$1,000. How's that for a severance check, or is it instant karma? Meanwhile, Tom's holding weekend air work at WCXL, a new CHR in Zero Beach, make that Vero Beach, but is still available for mornings at 305-466-3484. AND: Julian Wright has been named MD at WKGR.

DIRTY LAUNDRY

Ch-Ch-Changes at the mighty KATT in Oklahoma City...Mark Jordan (The Big Guy) adds Production Director to his evening airshift duties. Parttimer Richard Connor segues to Continuity Director, as Greg Czubeck takes on late nights.

Congrats to the Grand Poobah, WRIF's Arthur Penhall, who celebrated 11 years at WRIF's IFF on May 3. Art has held the 2p-6p slot for his entire 16 year tenure, and his famous "Baby" slogan has long been the rallying cry of Motor City rock and rollers.

KLOL, Houston retains B/A/D/E but drops Jeff Pollack. Meanwhile, Charlie Weiss exits as News Director.

Toby Mami's fills Rich Schmidt's old shoes at Rhino Records as Promotion/Publicity Director. Here's the inside story, direct from Toby, somewhere in Rhinoland: "For those of you who know that I just spent the last 11 weeks organizing the music business symposium May 2-4 here in L.A., let me just say I've jumped out of that frying pan into the fire here at Rhino Records as of May 5, where the heat has been intensifying since the Rhino/Capitol distribution deal. Those of you who know me, perhaps from as far back as the days of my famous Toby Mami's report in the Quarterback, know that I can handle the heat."

Deborah Glick is back at WIBA, Madison, handling middays.

WQMF Op Dir Allen Sells is now also heard in mornings with Ron Clay.

Overnights at KZAP, Sacramento now belong to Jim Frazier.

New to KWHL, Anchorage's weekend airstaff are Bob Buchanan and Jennifer Thompson.

The new morning man at WIZN is Steve Cormier, formerly of WCCC, Hartford.

HAPPY BELATED BIRTHDAY to KEVIN GUNN (5/6). Cards, gifts, money and other paraphernalia can be sent to Kevin at Denny Somach Productions, Ardmore, PA.

And a Happy B-day to Atlantic's Danny Buch and KSRR's Andy Beaubien (5/15).

DIRT ALERT!

THERE WILL BE ABSOLUTELY no press of any kind for Journey on this new album. Herbie Herbert is determined to make this a radio effort all the way!!!

CY CURNIN AND ADAM WOODS, of England's Fixx, were in New York last week for a series of press and artist interviews - and did they create a sensation! They kicked off a nationwide promo tour highlighting their forthcoming release, "Rockabout", and the first single, "Secret Separation", which is on your desk now. Don't be surprised if The Fixx returns to America in early summer on the front end of a major, major tour...Speaking about The Fixx, a belated note of congratulations to lead singer Cy Curnin and his lovely wife, Peri. The couple welcomed their first child late last year and named the little one Jamie Joseph Curnin.

TEXAS' FABULOUS THUNDERBIRDS certainly are sizzling! As you know, the T-Birds had the cover story last week in CashBox, a full two-page feature in Billboard, and a national story in U.S.A. Today. And, what about the rumors (yes, they are only rumors so far) that keep popping up which insist the following: If the head Stone, Mick Jagger, ventures out on a solo tour, it might be the Thunderbirds backing him up on stage. Talk about a sizzling story!!...One explanation for 'Tuff Enuff' exploding retail is the Ron Howard movie, "Gung Ho". As of last week, the flick had pulled in a scorching \$48.7 million at the North American box office and, of course, 'Tuff Enuff' is prominently featured in the movie...Are the good folks out at Disney Studios in Burbank changing their tune?? Lou O'Neill Jr has learned that the Disney people will be doing a Rock 'N' Roll Night out in California on May 23rd. It will feature the Pointer Sisters, Culture Club, ELO, The Bangles, Adam Ant, and the Fabulous Thunderbirds. They're taping it next week in California, and it will run on May 23rd...Speaking of the T-Birds, besides the Disney show they'll be doing "Solid Gold", MTV, "Good Morning America" and "American Bandstand" - all in the next few weeks...And, last week, Jimmie's kid brother, Stevie Ray Vaughan, pulled, 46,975 people to the New Orleans Jazz and Heritage Festival. Stevie Ray was at his most outrageous best. He wore an Indian chief's headdress which had been presented earlier in the day, on stage, during his concert.

FNQB CONGRATULATES Stevie Nicks on her sizzling performance last Tuesday night in Philadelphia. Opus opened the concert, but there was no doubt it was the Arizona-born beauty the overwhelming crowd had come to see. After the City of Brotherly Love, Ms. Nicks headed to Baltimore and Florida. Now she'll take a two-week sabbatical from the road, but will head back out on the American concert trail with Peter Frampton as the support act in two weeks.

LOU O'NEILL JR INFORMS that CBS has just signed well-respected New York City musician Tommy Price to a solo deal. Along the road, Tommy was associated with Billy Idol, Joan Jett, Ric Ocasek and Milla De Ville.

HOW SWEET IT IS!! That's what New York City concert impresario Ron Delsener is saying these days. He quickly sold out two Dylan/Tom Petty shows for July 15th and 16th and, faster than you can say, "Don't Come Around Here No More", put a third show on sale for July 17th. That one will probably go in a matter of hours, too.

LOU O'NEILL JR REPORTS that when The Grateful Dead open for Tom Petty & The Heartbreakers and Bob Dylan on four selected American concerts, they will be receiving the biggest opening act fee in the history of the music business.

THERE'S GROWING EXCITEMENT on 52nd Street about the "Top Gun" soundtrack that should be with us momentarily. Harold ("Heavenly Hills Cop"-fam) Faltermeyer has the lead cut, and a host of others will be featured including Kenny Loggins. The movie stars Tom Cruise, and has been getting favorable pre-release notices.

"OUTFIELD" continues to amaze everybody at CBS. The album is nearly Platinum and selling more than a hundred thousand pieces per week, and it still looks like "Your Love" has a way to go. Meantime, Outfield continues to promote their LP all across America. Just a few weeks ago, Columbia President Al Teller presented Outfield with their Gold discs commemorating 500,000 USA sales. At the rate it's going, Al will have to have the Platinum ready in the next week or two.

The Rock Report

THE ROCK REPORT had a chance to speak with ROGER WATERS in London last week. The former PINK FLOYD vocalist/bassist had some strong words to say about the notion of the group ever re-forming: "I don't think we'll be playing together again. As far as I'm concerned, Pink Floyd is all finished and behind me." Waters did say that DAVE GILMOUR and NICK MASON may attempt to make a Pink Floyd record on their own. As far as Roger's solo career is concerned, he has finished an album's worth of demos and is currently looking for a producer. We had a chance to hear one of the newly finished tracks, which is still untitled, and it deals with England's ailing coal industry. Waters has a concept for his forthcoming album which he claims deals with the negative influence of the press and television. He is hoping to begin a tour sometime in the new year.

"GENERATOR" is the title of the upcoming YES album due sometime in July from Atco. JON ANDERSON told us that the group hopes to begin their U.S. tour sometime this fall. As reported last week, two tracks appearing on the new album will be "LOVE WILL FIND A WAY" and "RHYTHM OF LOVE". All of the new songs are written and the band is now finishing the backing tracks. Anderson told us that the record reminds him of the third Yes album because it contains the same "raw energy", and features a lot more live work. In addition to Anderson's work with MIKE OLDFIELD on the single "SHINING", he has also been in the studio with sometime partner VANGELIS.

Another anticipated summer release is the new STEVE MILLER album coming from Capitol. No details have been made available on this untitled record, but as soon as they are we'll let you know.

PAUL SIMON and LINDA RONSTADT are just two of the names that will appear on the forthcoming PHILIP GLASS album "SONGS FROM LIQUID DAYS". Also contributing on various levels are: DAVID BYRNE of TALKING HEADS (who wrote some lyrics), SUZANNE VEGA and LAURIE ANDERSON. There are six tracks in all, including "CHANGING OPINION", "LIGHTNING AND FORGETTING", and the probable single "FREEZING". This record will be released in June via CBS.

Gabba Gabba hey, RAMONES' fans -- "ANIMAL BOY" is the title of the group's tenth album coming from Sire Records this week. Featuring the "classic" "BONZO GOES TO BITBURG", the record will also include "SOMETHING IN MY DRINK" and "SOMETHING TO BELIEVE IN". The Ramones are currently in the midst of a European tour.

The NIL YOUNG and CRAZY HORSE tour that was supposed to take place this June in the U.K. has been cancelled. Apparently, Neil Young has seriously injured his shoulder and requires surgery to correct the problem. The tour, most likely, will be rescheduled for later this summer.

KOD STEWART returns to the music scene with a new Lp in June via Warner Bros. The self-titled album will feature the single "LOVE TOUCH", which is also the theme for the forthcoming ROBERT REDFORD/DEBRA WINGER film "LEGAL EAGLES". Stewart will tour the U.K., for the first time in three years, beginning June 26th in Belfast, Ireland.

On the heels of their six-month world tour, THOMPSON TWIN JOE LEEWAY has opted to leave the group. The synth/conga player has departed in favor of a solo career. In fact, work has already begun on his debut album. Meanwhile, ALANNAH CURRIE and TOM BAILEY, who claim the split was amicable, will carry on as a twosome under the moniker THOMPSON TWINS. They are in the studio working on material for their next record.

BIRTHDAYS THIS WEEK:

News From Rock Over London

London's newest musicals - "Time" and "Chess" both came to a halt recently because of problems with their hi-tech sets.. "Chess" hadn't even started its previews when gremlins in the computer system meant the first 5 performances had to be cancelled including a royal charity gala...DAVE CLARK's "Time" rolled on again after temporary hitches and at long last the accompanying album has been released. The double Lp features LAURENCE OLIVIER narrating his way through 27 songs by artists including CLIFF RICHARD, FREDDIE MERCURY, JULIAN LENNON and MURRAY ("I write for Chess in my Spare Time") **HEAD!** Three singles are being released to account for all tastes; "Born To Rock 'N' Roll" by Cliff, "Time Will Teach Us All" by Julian and an operatic number called "Time" courtesy of Freddie.

And still with the musicals...the next release from the "Absolute Beginners" Soundtrack is "Quiet Life", written and performed by THE KINKS' RAY DAVIES who also stars in the film...

Two's definitely company for TOM and ALANNAH of the THOMPSON TWINS following JOE LEEWAY's decision to quit the band in order to concentrate on a solo album plus other projects. Tom is quoted as saying, "We perfectly understand his wish to pursue his own career and we wish him every success in the world." He says the duo have great plans which, no doubt, includes the album they're currently working on over in Dublin.

CND, Britain's anti-nuclear movement, plans to stage a huge live benefit in July to help publicise their cause... The show will probably take place at Wembley and is known to have the support of many artists including PAUL MC CARTNEY, DAVID BOWIE, GEORGE MICHAEL and SADE.

A few one-liners...JULIAN LENNON has postponed all but one of his concert dates until the Autumn due to technical difficulties...THE HUMAN LEAGUE's new Lp is being produced in Minneapolis by JIMMY JAN and TERRY LEWIS, better known for their work with JANET JACKSON, ALEXANDER O'NEAL and the like...Meanwhile, in Paris, the new BOWIE video is being produced by the a-ha video man, STEVE BARRON...BELOUIS SOME headlines his first national tour this month and will be previewing songs from his forthcoming second album.

ROD STEWART has a new record "Love Touch" and this summer he'll be touring the UK for the first time in 3 years.

JETHRO TULL will be the special guests at the "Welcome To The Garden" concert in Milton Keynes on June 26. They will join MARILLION and GARY MOORE with more acts to follow. It will be Jethro Tull's first British date since 1984 and will be their only concert this year. Back in '82, IAN ANDERSON helped to launch Marillion's career by inviting them to perform at a festival where Tull were the main band. It will also be Gary Moore's only UK appearance this year and probably Marillion's last concert here before they leave for America and finish work on the next album.

Rock band PSYCHIC TV have released a record about STONES guitarist BRIAN JONES called "Godstar". It is part of their campaign to re-open the investigation into the mysterious circumstances of Jones' death.

FEARGAL SHARKEY is only going to play 2 British concerts this summer and both of those take place in Cornwall, the south-western tip of England..And the success of Feargal Sharkey has led to revived interest in the UNDERTONES with the release of a single, "Save Me" (originally on the "Sin Of Pride" Lp). There will also be a compilation album "Cher O' Bowlies", including all their hits plus Lp and Ep tracks, released later this month.

"Action" is a charity compilation album featuring artists from the Midlands. Among others, it features UB40, JOAN ARMATRADING and STEPHEN DUFFY and profits go to help local children.

TOM ROBINSON is back on the scene doing a short UK tour with his band CREW. He will be releasing his 8th album this summer and has also been working on a stage musical to be premiered at this year's Edinburgh Festival.

Also in Edinburgh...SIMPLE MINDS will perform at the opening ceremony of the Commonwealth Games in July...And meanwhile JIM's wife CHRISIE is busy writing for a new PRETENDERS album.

And DIRE STRAITS are living up to their name...after 233 concerts worldwide and 12 months on the road, the band are grinding to a halt with every intention to take some time off to wind down. Apparently the post-tour fatigue feels "like being trapped in an elevator" and a sure sign of overwork is the fact that the band's two literature graduates haven't managed to finish a book all year! In all, around 2.5 million fans have seen them perform live during the tour.

The European Broadcasting Union's Eurorock festival will be held in Liverpool at the end of September. Local commercial radio stations will broadcast the festival live and British performers include the PET SHOP BOYS, CHINA CRISIS and BELOUIS SOME.

And STING's on stage with JEFF BECK in the coming week's ROCK OVER LONDON. Our live track is their contribution to the "Live For Life" charity album...The PET SHOP BOYS have a new record. It's "Opportunities" off the "Please" album. Hear it first on ROL plus the latest release from the FIXX. They're doing a tour of the States and Canada and we'll be featuring an interview with them on the show soon. There's also an ELO exclusive, the new release from CHRIS DE BURGH's forthcoming album and another singer/songwriter, JUSTIN HAYWARD, gives the clues to his "wildest dream" in our contest. Justin and fellow MOODY, JOHN LODGE, chat about the success of their current record..And talking of chat, as usual we have our ears to the ground for more Naughty Bits. All that plus, the Rock Request and excitement in the new Top 5...on ROCK OVER LONDON.

Question Of The Week

How has the recent change in CHR promotion affected the add patterns across the street? Do CHRs seem as interested in stepping out on new artists? Are they following your adds more closely? And how has the above affected your crossover quotient?

BOB BITTENS, WHCN: "In this market CHR appears to be making their add decisions a little more conservatively. But the overall change is minimal... No, there's been no effect on our decision-making progress."

KEN ANTHONY, KSJO: "I haven't noticed a change in the CHRs in our market... I'm sure they're aware of what we add, but there is no difference in patterns."

WARREN WILLIAMS, KSRR: "I think the adds have been a little more conservative than in the past. In this market, in order to find out what they're playing, you have to listen, because there's no way of getting an accurate picture on the printed page... It's so obvious that we're being reacted to more than before... The crossover quotient is the same because we judge the music song by song. If we hear a good record being played that we're not on, we'll obviously give it consideration."

GREG MULL, WXRC: "I think they're still stepping out. I believe WROQ is still as prone to play a new record as they ever were. The other CHR has never been very quick on records anyway, so nothing has changed. I don't see a tendency to be quicker on AOR crossovers and we have never made it a practice to play CHR crossovers. If we're not on the record first, then I feel we're not doing our jobs."

AL BRANCA, WMGM: "I think CHR has helped AOR immensely, especially as of late. It seems trends are turning more towards AOR and they are getting away from rap records... That helps me because it makes my crossover adds that much more credible."

HARV ALLEN, WCCC: "Each individual track needs to be taken as just that - individual. CHR promotion of records can vary with each individual act... I believe that our CHR competitors follow our adds just as we follow theirs. An add on WCCC gets added on merit, quality, sales and then what our competitors are doing with it."

KAREN ANDERSEN SMALL, WGIR: "I really can't answer that question because in this market, we have no direct Top 40 competitor."

MARK WILLIAMS, WWZU: "They seem to be going on tracks a little earlier than what they had been doing. I feel that this station is paving the way for CHRs... As far as our playlist, the only affect is the amount of calls on novelty CHR tracks (Rock Me Amadeus). However, it doesn't affect our playlist."

BONNIE STACY, KNCN: "My CHR competition is not even playing the Pet Shop Boys yet, so whatever they do means absolutely nothing to me."

DANA BROWN, WQFM: "There's primarily 1 dominant CHR in this market. I have never perceived the station as being very adventurous, even by conservative CHR standards. Generally their adds are adds that are always in the top 10 or 20 nationally... As far as their adding a song that we've broken, I don't perceive the frequency of that changing much. If a record is terribly successful with us, they will add it as a rule. We've never added a song in response to their playlist. Our influence comes from other sources, if the song is an obvious CHR song. As a rule we play very few CHR crossovers."

INESSA YORK, KGON: "I haven't seen any real reaction, at least not yet... It's not affecting any of our policy in any way."

AMY DAHLMAN, WAQX: "Our CHR competitor had to learn how to read charts. This has been a very educational experience for them. Of course, we're keeping an eye on their record action! If they're keeping an eye on us, then that would be a recent change because they never had to do that before... It hasn't affected our crossover percentage at all!"

DAVE LANGE, WLAV-FM: "Generally the other two stations follow us real carefully, and that pattern hasn't changed very much. Since they both have changed programming people, that has altered their pattern. They're just following us a lot slower now!... They don't seem to be as interested in new acts, since they're still looking at the Trades, which are showing less activity on new acts... I don't think it's affected the number that we play--it's how long we play them. Right now we're finding ourselves hanging on to them one more week, maybe."

TED EDWARDS, KGB-FM: "In our particular case it hasn't changed our philosophy one iota--(whatever the heck an iota is)!... Our CHR competition classically follows KIIS-FM's adds in Los Angeles--they're both Gannett--and with KISS as successful as they have been in Los Angeles, it's a follow-the-lead situation. And, since they are followers and not leaders, they've always tended to be late on music. It is almost never the case that they are on something before we are!"

RAD MESSICK, WDIZ: "I've seen basically the same number of adds, most of which seem to be leaning in a more CHR direction than before. Records like 38 Special, which will undoubtedly be big on AOR and CHR, have been just a week or two slower going on. I think they're actually having to work a bit harder to find out what's going on in the marketplace... As far as our crossover ratio, we're not any more CHR oriented than before... About the same."

GREG GILLISPIE, WDVE: "I see less of a desire on the CHR's part to step out and try unproven artists, but that could be due to a number of reasons. Certainly the Indy situation is one. The amount of established name brand artists with great new releases is another. And the fact that we're on a roll and they're f-l-a-t is a third!... I'd say they're following our adds more closely, only because bands like the Rolling Stones, Bob Seger, ZZ Top, John Cougar and Van Halen, which are natural AOR artists, have great singles out now... Any crossover we would play generally starts here and crosses to CHR. Rarely do we get beat-to-the-punch on a crossover type record."

BILL EVANS, WLUP: "We found that they follow our adds very closely, but the only pattern I've been able to ascertain is that if one adds a record, the other one won't. If you don't get them in the same weeks, you won't... They've been following very closely lately. That's how the Models wound up on B96... They added Wild Blue this week, which we went with a couple of weeks ago--and the Fabulous Thunderbirds didn't spread until we played it... If they add it first, we try to steer clear to present a different sound to our radio station."

LEE RANDALL, WLVQ: "Nationally, I see less volume of records being added, but to me their appeal and genre still is confusing--nothing concrete--They've always followed us in this market... In our situation, the crossovers are the same because we play them first."

AMANDA TEPPER, WPLR: "It hasn't noticeably affected the CHR's around here. One is consulted, and always has and always will follow their consultant line... In this market, we break acts first and the crossovers cross from WPLR to CHR... Our crossover quotient has pretty much stayed the same."

QUESTION CONTINUED

DOUG CLIFTON, KBCO: "Denver CHR radio is notorious for being the last market for going on singles. I really haven't noticed that much of a change in the last several weeks. The only exception to their following our lead on a record would be Level 42 'Something About You'...The only crossover record that has affected us recently would be Simply Red 'Holding Back The Years'."

RICK STRAUSS, WZZO: "It seems to me that their add list has gotten shorter. I'm not sure that they've been watching our list any closer because they've been doing that for some time!"

TOM STARR, WOUR: "We're seeing a semblance of legitimacy to the airplay reports from across town for the first time in almost 3 years. Given their recent ratings performance (or lack thereof), it's probably just an effort to attend their own funeral with a clean conscience!"

PAUL SHUGRUE, WRXL: "The two CHR's in our market don't seem to be affected by the lack of independents... The long-time market leader has always been very tight and the other CHR has just signed on, so they take more chances with their music anyway."

ROBIN MATHIEU, WBLM: "CHR here seems very interested in stepping out on new artists! I feel our local CHR's have been following our adds very closely; however, our CHR quotient stays the same since we've always played the best of the compatible crossovers first."

STEVE BECKER, WKFM: "The CHR in this market has always taken a chance on new products, at least in night-time play...It does seem that they follow the playlist of both AOR's in the market...Yes, I do look at the CHR's playlist for any possible crossovers."

KEVIN VARGAS, KWHL: "The CHR in this town, at least our main competition, is actually pretty aggressive musically. They have been known to play songs before they are a single...We don't worry about crossing over their playlist but it would appear they crossover more to ours, which is what happens when you're the rock 'n roll leader!...They are good competition and we are involved in a heated, but fair and professionally handed, fight. But, I am fully confident we'll always win because our product is better--better presented, and our airstaff sounds better plus we don't have any pukers."

JUDY MC NUTT-FRIEDMAN, KMET: "I don't know how all of this has affected the CHR station because, in general, they play things so much later than we do that I haven't really noticed any difference. About the time we're going off of 'Addicted To Love', they're just getting around to thinking about it."

NEXT WEEK'S QUESTION: The Hands Across America project is going to take place on Sunday, May 25th. Are you planning any promotional tie-ins, special broadcasts, or other involvement in this event?--Suggested by Greg Gillispie, WDVE.

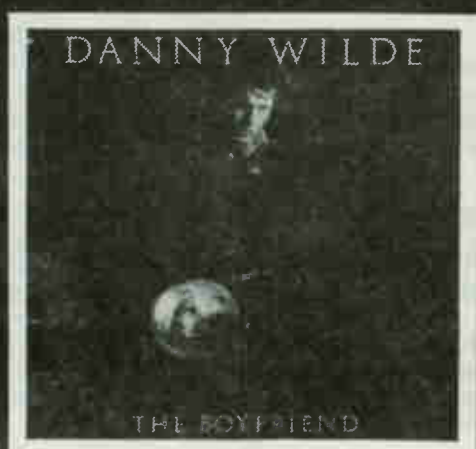

KMET Is Wild About WILDE

"Danny Wilde's record is a classic case of what's good for radio—you listen to it, it sounds good. You put it on and all of a sudden wonderful things happen—major reaction. Literally, within days of playing *'Isn't It Enough'*, the record went Top 5 phones, and that hasn't slacked off at all. So we know it's not just his mom and cousin calling in." JUDY McNUTT, KMET.

NOW IN POWER ROTATION AT: KMET, WLLZ, KMOD, WTUE, WKDF, WSHE, KGB, KNCN, WDHA, WHEB, WOUR, KATT and WQFM

"It took me a while to see the light, but Danny Wilde's *'Isn't It Enough'* is one of those songs that sound better on the air!...

This track was made for radio." DANA BROWN, WQFM

Radio Action

KZEW, DALLAS, TX ASST. P.D./M.D.-CINDY BAILEN: "The Peter Gabriel record is terrific! Beyond 'Sledgehammer', try 'Red Rain', and listen to the duet with Kate Bush...Everyone here likes Ted Nugent's version of 'Little Red Book'. I was wondering how many people still remember the love group or the Dionne Warwick version!... Icehouse is getting good response on the phones...Jackson Browne's 'In The Shape Of A Heart' could be a mega h-i-t...Oh, here's a deep cut from the Lou Reed Lp 'Mama's Got A Lover'-that riff is straight out of 'Brown Sugar'...Listen to the Smithereens cassette. I love that sound."

WQFM, MILWAUKEE, WI M.D.-DANA BROWN: "Three cheers for 'Live! For Life!' You cannot deny the power of Jeff Beck and Sting together when they jam on 'I Been Down So Long'--automatic all-demo appeal...It took me awhile to see the light, but Danny Wilde's 'Isn't It Enough' is one of those songs that sounds better on-the-air than when you just drop a needle on it in your office. This track was made for radio!... 38 Special and Golden Earring are moving up the charts nicely. But my surprise of the week is how well Guiffria is doing with 'I Must Be Dreaming'. This song was just begging to be re-done and Guiffria did an excellent job of it."

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "The new Fixx song took a couple of listens, but it's begun to grow on me. 'Secret Separation' goes into a power rotation right away...I love that arrangement on 'Heart Full Of Soul' from Box Of Frogs, though I have to admit I'm not crazy about the vocals. We're anxious to get the Lp in...Watch out for the return of the Beat Farmers. They're back on MCA/CURB this time around. We picked up an import that has a great version of Neil Young's 'Powderfinger'...Also, another new import going in this week from Joan Armatrading. The song is called 'Kind Words' and continues with more of the same kind of edge that she's had on her last few domestic releases... 'Live! For Life' benefits the American Cancer Society Research Center Headquarters in Denver, so that has an obvious local connection to KBCO... The Sting/Jeff Beck collaboration and the Bangles tracks are the strongest...We finally added the Rubber Rodeo this week, plus we're now on the new Suburbs. We like 'Life Is Like'!...The 7th Kinetic (challenge) was a complete success! On Saturday, May 3rd, nearly 40,000 sun worshippers joined KBCO for Colorado's biggest outdoor party of the year. 76 teams were entered in this year's challenge. The event was covered by all local television and print media. Watch for photos in Dirt Alert!...P.S.: Bruce Hornsby is #1-Most-Requested this week!"

WCCC, HARTFORD, CT M.D.-HARV ALLEN: "The word of the week is infectious! The other night, temperatures went down to 25° and the next day the high was 85°--Pass the cold medicine...John Eddie's 'Jungle Boy', too, is infectious! Listen and get hooked...Ready to reap the rewards of 'All The Love' from The Outfield. This album has been Top 10 sales for weeks!...The Fabulous Thunderbirds 'Wrap It Up' are pulling heavy phones here. Check out the original version by Isaac Hayes. If you have never heard it, it could be a different song!"

WHJY, PROVIDENCE, RI ASST. P.D.-GLENN STEWART: "The Fixx 'Secret Separation' is going to be a s-m-a-s-h! Such obvious hit records don't come in every week, or even every month. This one is it!...A song that takes repeated listens to sink in means it either won't be a hit, or the hook will be around forever after a slow build. After repeated spins of Golden Earring's 'Quiet Eyes', I still can't quite decide which one it will be, but it's worth playing the record to find out!...I have only one question on the Box Of Frogs, 'Heart Full Of Soul', are the upper demos gonna eat this up or what?"

WLLZ, DETROIT, MI INTERIM M.D.-THE ROZ: "98.7 WLLZ, Detroit, is now officially a Legacy Broadcasting Station. The Doc Of Rock, Doug Podell, is now officially the Program Director. We now officially have a nice large promotional budget and now we shall officially kick big time butt and start taking major numbers!... Adds this week include: Fixx, one of the finest bands to develop out of the 80's -- always unique, hooky and a gas in concert...The Box Of Frogs with their wild interpretation of their former bands' 'Heart Full Of Soul'. Being a big Froggy fan, I can't wait to hear the rest of the Lp!...John Eddie, whose 'Jungle Boy' song makes the jocks swing from the overhead lights in the air studio!...And Peter Frampton's 'All Eyes On You', with its 80's quirkiness, and his classic guitar, should do at least as well as 'Lying' did!...Last Saturday, Wheels welcomed Ted Nugent home to a sold-out Cobo Hall! Teddy's made us proud with the 'Little Miss Dangerous' project. He'll star with Doug on Detroit's only locally produced video show, 'The Beat' later this month."

WYSP, PHILADELPHIA, PA M.D.-MIKE WOLF: "On May 3rd, 94 YSP took to the stage of Philly's historic landmark, The Tower Theater, for a unique broadcast to help out Hands Across America. It was thirteen hours of radio magic as 94 YSP's air staff cajoled with guest host Yakoff Smirnoff, and comedians Larry Bud Mellman and Rich Hall, as well as dozens of the music industry's most interesting personalities. Many thanks to the Del Lords and Smash Palace for playing live. And we are also grateful to Steven Tyler and Tom Hamilton of Aerosmith, Joe Lynn Turner, Greg Giuffria, Cy Curnin and Adam Woods of The Fixx, Lou Reed, Rob Halford of Judas Priest, Peter Frampton, Dennis DeYoung, Andy King of the Hooters, Patty Smyth of Scandal, Mike Rutherford, Kevin Dubrow of Quiet Riot, and Eric Bloom of Blue Oyster Cult for their time and effort in helping out the nation's homeless. Your help will not be forgotten...On the new release front The Fixx has my vote for best new song of the week. They've never sounded better than they do on their new song 'Secret Separation. I can't wait for the rest of the album to land on my turntable!"

WEBN, CINCINNATI, OH M.D.-CURT GARY: "Funny how an episode of phone tag points out once again that AOR radio revolves around WEBN. Thank you."

KDKB, PHOENIX, AZ M.D.-STEVE TRELLA: "I'm taking music calls on Monday and Tuesday, 11AM to 2PM MST - and we're not on Daylight Saving Time."

KOME, SAN JOSE, CA M.D.-CANDI CHAMBERLAIN: "The Wild Blue tune is one of those songs I wish I'd written myself...Hot new tracks include Models, Kenny Loggins, and Priest's 'Turbo'...I am particularly blown away by how beautifully The Fixx have musically personified one of life's favorite stories."

KGON, PORTLAND, OR M.D.-INESSA YORK: "I don't know what possible superlatives I could use to say 'The Fixx is it.' 'Secret Separation' is really a one in a million song. When I think how it felt to hear 'Every Breath You Take' for the first time and realized the beauty of it, 'Secret Separation' holds that same power. Having seen a promo video along with a couple of other tracks from 'Walkabout' I'm really impressed at this band as musicians and not magazine cover boys...Thanks Iza Daviers of Icehouse for an elegant and informative interview, and to Icehouse management for paving that long way from Australia."

WLVO, COLUMBUS, OH M.D.-LEE RANDALL: "Another week knee deep in great releases! The Fixx is an automatic and, of course, we support John Cougar with each single release...The Outfield deserves another track. Listeners are demanding it...As the concert tours step up for Spring and early Summer, we're anticipating Jackson Browne, along with Simple Minds and The Call...In the hard-work-department, watch Brian Setzer live... Records moving in sales: Honeymoon Suite; ZZ Top; Outfield (#4); Robert Palmer (#3); and the battle-- probably similar to your market--Van Halen and Journey are going for #1...Where's that Van Halen CD??? I would love to buy one...In our market, there seems to be an economic awareness. Listeners and families are looking for good deals, not discounts, and the housing market is exploding! We think Lou Reed's 'No Money Down' is a great concept and endless promotional ideas could sprout from this one!"

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "To Lenny Bloch at WRCN: Long Island concert leader? Let's set the story straight: Ozzy Osbourne at Nassau Coliseum, WBAB co-promote. WBAB on stage for intro--(I ought to know. I did it!--Hot Tuna, WBAB co-promote. WBAB on stage! The Alarm, WBAB co-promote. WBAB on stage! You can celebrate all you want, but don't try to cloud the truth! P.S.: ZZ Top is not shunning Long Island: ZZ Top plays the Nassau Coliseum June 13!"

 ROD STEWART's new album will be released on June 16. It's simply titled, "Rod Stewart", and it's the first of Rod's nearly 20 solo Lp's to be so titled. The first single, "Love Touch", will be in stores within two weeks...WANG CHUNG are in London, recording their next album. They're co-writing material with their producer, PETER WOLF, who co-wrote STARSHIP's "We Built This City" and "Sara", and produced their "Knee Deep In The Hoopla" album. Wang Chung's Lp should be ready for late summer release...JOHN PARR is working on his next album too. The track to be released as a single is called "Two Hearts", and it'll be the theme to the upcoming film "American Anthem". The movie premieres in late June, with John's Lp due in late summer...FOREIGNER's lead singer, LOU GRAMM, starts work on his first solo album later this month. He'll be working with DAN HARTMAN, who's currently producing JAMES BROWN's next album. Gramm, however, is still very much a part of Foreigner. They'll begin recording their next Lp in September, and plan to tour the U.S. early next year.

INTERVIEWS

 Jim Kerr: "This whole tour, every night, we've dedicated some kind of song to Amnesty. We're working close with the people at the gigs in terms of leaflets and information. We feel it's better to do it this way -- give a whole tour where you concentrate on the effort, as opposed to just one big night. We're only trying to give some light on a good cause here."

The Friday Morning
 Quarterback Album
 Report

*Former sneak preview video

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "This week more Van Halen rolls with 'Love Walks In'. This one is gonna be big, so I wanna bang it while it's fresh...Another possible hit-bound track is 'Girl Can't Help It' from the new Journey Lp. We'll start it up for the same reason...Also, we roll this week with Ozzy's latest 'Lightning Strikes'...While we're in the Land of Oz, thanks to Epic's Michael Caplan and Charlie Strobel for help on the show...Also this week we hit Sting/Beck from the 'Live! For Life' Lp. The guitar does all the talking here...We're also on Peter Gabriel 'Sledgehammer'. This one's kinda funky for us, but we're setting up for what will be a hot Lp...Lastly, The Fixx are back with 'Secret Separation'."

KMET, LOS ANGELES, CA ASST. P.D.-SKY DANIELS: "Record of the week is The Fixx 'Secret Separation'. In Bill's choice last week, he cited Rupert Hine's production and Cy Curnin's vocals. I would like to add to that analysis what I feel is the dominant component: the guitar, insistent in success and irresistible. It is the bed rock upon which The Fixx has built this sonic house...I was fortunate enough to witness the Greek Theater show recorded for 'Live! For Life', Sting/Jeff Beck collaboration. If only we could harness the energy on stage and in the crowd that night and direct it toward a cure for cancer. The Alarm and R.E.M. cuts demand our attention as well. I'm getting ready to start raving about Dwight Twilley's and Ric Ocasek's forthcoming albums, so be forewarned...An early prediction for the next record of the week: Peter Gabriel's 'Red Rain' or 'In Your Eye', so take a few more listens to determine the ultimate victor...I'd like to offer a welcome to Rich Piombino to the Line One team. Rich's impact is already being felt and welcomed."

WYNF, TAMPA/ST. PETERSBURG, FL ASST. P.D./M.D.-RON DIAZ: "One of my favorite '80's band, The Fixx, continues to put out progressive trend setting sounds. Always welcome in these parts. WYNF goes for an out-of-the-box fix with 'Secret Separation', as smooth and appealing as the return of beach weather...The GTR album gets better with every listen. My initial favorite was 'Jekyll And Hyde' but now 'The Hunter' gets those honors. It's almost a cross between Styx and Yes and is the showcase piece for Max Bacon's vocals...Rob Jungklas sounds better on the air than on the turntable and I crank that sucker in my office daily. The writing is first rate with Rob painting a tough guy/romantic picture on 'Boystown' reminiscent of James Dean or a young Marlon Brando cinematic rock...Records performing on the air include the Howard Jones/Phil Collins collaboration. It's really a beautiful song and surrounded by the right tunes, it does not sound too soft...On the other end of the spectrum, huge nighttime phones for the Hear 'N Aid project and local boys Savatage are wearing out the request lines. The Savatage remake of the Badfinger hit is actually quite good...After a few weeks, it seems like the Journey Lp will indeed be their biggest. We're using 'The Girl Can't Help It' and 'Positive Touch' for starters."

WLIR, LONG ISLAND, NY ASST. P.D./M.D.-LARRY "THE DUCK" DUNN: "Healthy week for music. To start off, I hope everyone does their part to benefit cancer research with the 'Live! For Life' package. General Public 'Tenderness' is one of my all time faves and I certainly enjoy dropping the needle on this live version. Sting/Beck certainly sparkles and draws interest from all listener departments...Thanks to CBS for servicing the Jean Beauvoir video along with the single. Certainly when you see the 'Cobra' trailer, you'll appreciate the song even more. 'Feel The Heat' is hot. My hat's off to Jean for his fine production on the new Ramones Lp...Duck Pick to Click: The Fixx 'Secret Separation'. Is it my imagination, or could we have heard this as a who track at one time? No matter-great production, a great hook, and Cy's vocals all add up to my fave this week...Thanks to everyone who called this week on the congrats. I have to announce new music call hours: Monday 11 A.M. - 5 P.M. only. I will take calls other days if I'm around, except Tuesday, which is always my music meeting. So please, no calls Tuesday...My thanks to Mike Score from A Flock Of Seagulls, Ian Slater of APB and Sean Kelly of The Models for stopping by the station...Screamer of the Week: Erasure 'Oh L'Amour'."

WLAV-FM, GRAND RAPIDS, MI P.D.-DAVE LANGE: "Record of the week goes to Bruce Hornsby. This album is fascinating to listen to. Other people have said 'Jackson Browne of the 80's', 'Los Angeles Bruce'--This guy really doesn't need any comparisons. The act may look a little country on the surface, but the arrangements are just incredible! This guy's a great piano player...Sting and Jeff Beck could be the best merger of the year. Buy stock now! Phones are good for it already...AOR radio has worked real hard on The Fixx for the last three years now. I don't hear any tremendous new ground broken on 'Secret Separation', but it's a solid record and when they tour, the audience will react accordingly...Second cuts for Fabulous Thunderbirds; Honeymoon Suite; and the sales breaker of the week here: GTR, with 'Jekyll And Hyde' already showing Top 10 sales...Increased plays include: Peter Gabriel--phones are excellent for this one. Now is the time to capitalize. This record will cross over!..Heart--we know Heart's gonna cross over! Let's be there first...The Hooters--I sense a reluctance on AOR to go with a fourth single from The Hooters. Why?"

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "Back in February, we played the Box Of Frogs for a week because we thought the tune was a classic remake of what was already an AOR classic, and it was one of the hottest tunes available at the time--and we wanted to get the ball rolling on it! After a week of airplay, it was Top 5 requests, but then Epic changed their release date and we opted to pull back until we got closer to the new release date. Now, after a week of airplay on this tune, it's picked up where it left off a few months ago, and lands at #3 in our most requested list. Not only is 'Heart Full Of Soul' a winner, but Epic may find themselves the first label to break Graham Parker with his performance on 'Get It While You Can' ...The Emerson, Lake and Powell is not quite what I had expected. Evidently this tune was recently recorded and added to the album. However, when you get the album, you'll find that Side 1 is very reminiscent of the conceptual stuff they did on the first couple of albums, while the second side shows their great song-writing ability, a la 'Lucky Man'; 'Still You Turn Me On'; etc., etc., ...Between Emerson, Lake and Powell, the GTR, and the Moody Blues, it's like we've returned to the renaissance period of AOR...The 'Live For Life' will create a lot of talk--not only because of the unlikely pairing of Sting and Jeff Beck, but also because of the charitable aspects of the record. However, I don't think it will be a long term airplay item!...Ry Cooder has always been one of my favorite guitarist/songwriters, and between the two soundtrack projects he has out right now, there are some great licks that are not too far removed from Clapton's most memorable works. If straight ahead raw rock 'n roll works in your market, these two soundtracks would be worth investigating...Once again, ZZ Top 'Velcro Fly' nails down a Top 5 most requested slot. This thing is gonna be h-u-g-e!"

WGRX, BALTIMORE, MD ACTING M.D.-MIKE BUTSCHER: "New hours to talk music are now Tuesday and Thursday from 3 P.M. to 5 P.M."

WHTF, YORK, PA M.D.-TIM DRAYER: "Springtime is here and there's a lot of good music here: First off, The Fixx 'Secret Separation'. I feel this will be a good comeback record for the band...Kenny Loggins 'Danger Zone' is definitely one of the best songs Kenny has put out in years and is a prime contender for next week...If you're looking for a good upper demo record, you'll find it in the latest single from the Box Of Frogs 'Heart Full Of Soul'...Songs we are also considering for our playlist: 'Every Little Kiss' from Bruce Hornsby, and Jean Michel Jarre 'Fourth Rendez-vous', which tested well on last week's section of 'For Headphones Only'...My first push for next week is the track 'Do It Till We Droop' from Frankie Miller. Take a few minutes and listen--you'll be convinced!"

WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-RICK STRAUSS: "We've been on The Models for 6 weeks, and it's slowly and steadily developed very nicely into a h-i-t for us. This week we're seeing #3 requests on 'Out Of Mind'."

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "The new Fixx record 'Secret Separation' is great! It's one of those records with a groove that grabs you right away. This one'll do very well for them! It's more mainstream sounding and not as quirky as some of their previous songs...This is the week we'll go with Lou Reed 'No Money Down'. Reed's an artist whose new direction also makes for satisfying listening...Dokken always does well for us in this market, both in sales and requests, so we'll go with the next track 'Unchain The Night'...In the better-late-than-never-department, best of luck to Joe Ianello in New York. Sorry to see you leave Boston."

KMET, LOS ANGELES, CA M.D.-JUDY MC NUTT-FRIEDMAN: "Danny Wil@e's record is a classic case of what's good for radio. You listen to it, it sounds good. You put it on and all of a sudden a wonderful thing happens--major reaction. Literally within days of playing 'Isn't It Enough', the record went Top 5 phones, and that hasn't slacked off at all. So we know it's not just his mom and his cousin calling in...Although it's not the kind of record that I usually like, Dokken's 'It's Not Love' is a personal favorite--and it's doing well. It's not the current 12" but we find the sort of AC/DC song structure works well fur us--and it's catchy, too...The Bruce Hornsby is more my style of music and we're also getting a real good phone reaction on that. 'Every Little Kiss' is on the air but the whole album is wonderful...Peter Gabriel's 'Sledgehammer' knocks me out. Real good calls...Real positive early reaction to The Fixx's 'Secret Separation'. Nice and different and I like it...There's a major, major street buzz on the Rave-Ups. I don't know if this record is out nationally on Fun Stuff Records. The album is called 'Town And Country' and we're on 'Positively Lost Me'. Watch for this major L.A. street band--not at all heavy metal or pop--just really different... And speaking of different, Carol Peters from the Pasha organization sent me a cassette three weeks ago of 'Isle Of Man'. This record will probably win New Artist Of The Year for EPA again. Boy, it's fabulous. 'Am I Forgiven' is my early favorite...The Call is still getting major phones and we just added 'Everywhere I Go'. We also played 'Oklahoma' early on to help set up 'Everywhere'...Also watch for Hurricane and a song called 'The Girls Are Out Tonight'. It gets phones...Also like Loudness."

CFNY, TORONTO, CN ASST. P.D./M.D.-DON BERNIS: "In this day and age of prefabricated music, those who take time to listen to new and innovative music will find Jane Siberry at the forefront of the genre. With the U.S. release of 'One More Colour' (already a h-i-t in Canada at the CHR, AOR and AC levels), and the imminent release of 'The Speckless Sky' Lp--as well as a forthcoming U.S. tour--you folks South of the Border are about to find out what we already know up here in the Great White North: Jane Siberry is a quality artist who makes hit records, a rare combination that will give every radio station playing her fine product a shot of class that will make your listeners sit up and take notice. Jane is just part of the 1986 Canadian invasion!...Check out 'Living On Video' by Trans X, a staple item for us for over two years and Top 5 hit in England and Germany last year...And, welcome Luba to the U.S. airwaves with her single off the '9½ Weeks' soundtrack. 'The Best Is Yet To Come' comes to you with a proven track record here and should prove to be an International hit for last year's winner of the CFNY CASBY, Canadian Artists Selected By You Award for most promising female vocalist...Sales note this week: The Pet Shop Boys have hit the top with 'West End Girls' and their Lp 'Please'...And, Boys Don't Cry 'I Wanna Be A Cowboy' is headed back to the Top 10 as a domestic release, having already been the top selling import in Toronto a couple of months ago...HOT! HOT! HOT! adds this week from: The Moody Blues, whose album proves that old war horses never die--they just keep on making great music...Mike Oldfield and John Anderson (What a tune! What a tune!)...The Fixx (another great song from one of my fave bands)...The Faith Brothers 'Eventide' Lp (out for a while, but definitely worth another listen)...and our import add of the week 'Good Evening Yugoslavia' by Hitlist."

WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE: "A big 'thanks' to Michael Plen for bringing Mike Peters of The Alarm by for an interview! I can't believe I saw these guys in a 500 seat auditorium! That will never happen again. What a treat! ...Trying to make room for the following: 1) Glass Tiger; 2) Walk The West; 3) Box Of Frogs; All are very good contenders for next week!...Just want to welcome Mark Diller to New York! He's our new Chrysalis guy! Good choice, Kevin!...Congratulations to John 'Scum' Weston on his move to Atlantic. Just what Atlantic needs--another Rangers fan!"

RADIO ACTION CONTINUED

KMYZ, TULSA, OK M.D.-SAMMY LEE: "I'd like to say thanks, thanks and thanks again to Gerry Barrett for bringing the guys from Honeymoon Suite to the station and for the tickets and backstage passes. It was great...To James Bishop, thank you for sending the Heart Lps and getting us the Heart interview and backstage passes. Meeting the band was the best ever...The better late than never thank you to Beth Rosengard for the original Honeymoon Suite idea. If you're ever back in Tuscon, let me know."

KZEP, SAN ANTONIO, TX M.D.-DICK SHEETZ: "The latest Birch ratings show KZEP up and flying! We nailed our strongest 18-34 male numbers yet, and that's just the crowd we're looking for!"

WPLR, NEW HAVEN, CT M.D.-AMANDA TEPPER: "The Bangles is an out-and-out hit. I can't believe that any so called progressive AOR station would have missed out on them first time out! Don't make the same mistake twice...Ditto for The Outfield. Both these bands have an identifiable sound which really helps a new act...Seeing phones and sales on the rise for Joe Jackson...I l-o-v-e the new Fabulous Thunderbirds track! It's very different from the Sam and Dave original."

WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN: "Just checked out one of our upside-down billboards, the one that the Morning Team will be broadcasting from tomorrow morning! Not only does it hang precariously over a major highway--the ledge is only two feet wide! That won't stop us from giving away two grand in our Billboard Bounty promotion and announcing our search for the twenty thousand dollar, one millionth tune to be played on 95X! This City has never experienced a promotional blitz like this. Combine 95X with the parade of shows set for Upstate, and we're looking at a long hot Summer of rock 'n roll in Syracuse!...A quick look at music: The Sting/Beck combination has brought out the best of both these dudes. Serious phones from Police fans, blues fans, Beck fans, et cetera...I'm surprised at the strength of Box Of Frogs. Ed and I were not believers in the last album, but this time around it sounds like a winner...The Fixx have reestablished themselves in my musical heart with 'Secret Separation', though I must admit it took a couple of spins...And, John Eddie's 'Jungle Boy' is drumming up some phone action. It will be the Summer song of '86...Just heard the new AC/DC! The crunch is there but the bite is gone. I think it's their best in years, but will radio care?...And ELP just slipped through the door. Sounds just like the good old days--even better!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: "One listen to the John Eddie advance says that this kid is a serious contender for rookie of the year honors. 'Pretty Little Rebel' is enough to stop traffic. As soon as it's in, it's on...Quirky, but full of the stuff that great summertime hits are made of is '#9' by the Suburbs. Catch it soon on a turntable near you...Gabriel continues his stranglehold on WOUR's request line to no one's surprise (except maybe Curt Gary)...Anyone who has benefited from being in his territory knows that the hardest working man in show business is really Joe Ianello of Atlantic. All OUR best to him on his move into Atlantic singles promotion, even though he's too good to be deserted by the other format...And unless the Rangers pull off the comeback of the millenium between now and when this hits print, condolences to Danny Buch."

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "The Sting/Beck collaboration on 'Live For Life' is a knockout from first listen. Has Beck ever sounded better to you? I'm hoping the R.E.M. track will be next candidate for mega-airplay...The Fab.T-Birds and the Bangles are selling real well in Maine now. 'Why Get Up' by the T-Birds is a great morning novelty song sure to generate response...And 'If She Knew What She Wants' from the Bangles is already a hit here. Maybe AOR can still steal the thunder with Jules Shear's contribution to this cool girl group...John Eddie can't possibly miss with 'Jungle Boy'. As Jose sez, 'It's the kind of song you hate to play once cause it'll tie up the phone lines forever'. We decided to play it anyway...Love the new Fixx song. Hope there's more where that came from."

WHMD, HAMMOND/BATON ROUGE, LA M.D.-KLIFF KAHUNA: "Blow Monkey's 'Digging Your Scene' is a winner!...Fabulous Thunderbirds: great follow up to 'Tuff Enough'...38 Special: wild eyed southern boys are back, sounding good...Bob Seger 'Like A Rock' is a good ballad along the line of 'Night Moves'...Krokus 'School's Out' does Alice Cooper justice...Peter Frampton is a nice surprise...Loverboy 'Lead A Double Life' is a super rocker...Peter Gabriel's 'Sledgehammer' is the biggest thing he's ever done."

WRUF, GAINESVILLE, FL M.D.-RICK RICHARDS: "It's great to be the new M.D. here at ROCK 104. I'm ready to dive in head first and really get my feet wet. Best of luck to Virgil Thompson and thanks for all the help...Peter Gabriel hits home this week, with 'Sledgehammer'. Instant phones on this one and it zooms to our top five...The new 38 Special Lp sounds great. The good'ole southern boys changed things up just enough to sound fresh...We're expecting the new Kenny Loggins to really take off."

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: "Are you looking for a real taste of Americana? An album that feels good from start to finish? One of the most fulfilling projects right now has to be Bruce Hornsby And The Range. It's a musical high to sit and listen to this whole Lp. They captured a nice blend of style to come up with a sound that has the potential to make this group very big. I literally love every song on the Lp. Watch out!...I know there is a real overflow of all the heavy hitters and we're all multiple tracks deep, but I want to turn you on to another new group that's right at our fingertips from Canada. They are known as Glass Tiger. And thanks to Howard Bernstein I've been blown away by the cassettes the last month. We're talking hip here. More than one, so when you get this Lp, you better give it a good listen and treat your ears to the stuff stars are made of. Great hooks and hot music run rampant. Even the general manager is getting a rush out of Box Of Frogs' updated blast of the past. 'Heart Full Of Soul' is a fine rocker that survives the years and makes its comeback as not just a cover but a refreshing piece of R&R. Continued strong calls on GTR 'When The Heart Rules The Mind'. It remains on number one at our Top 12 At 12. Howard Hackett has certainly hit the mark with this new venture. WPDH is dropping and rocking with the latest from the Oriental Delegation to the metal world, Loudness. Let it go, it will be good for you. The guys prove they're hot with an axe, give good licks, and they're aband bound to be around for quite some time."

WFAL, BOWLING GREEN, OH P.D.-DALE STEAD: "ADDS: Journey 'Girl'; Sting 'Down'; The Call 'Everywhere'... CONSIDERING: GTR 'Hyde'...MOST REQUESTED: Van Halen; Robert Palmer; Rolling Stones...INCREASED PLAY: Howard Jones; Simple Minds; Journey...INCREASED SALES: INXS; Rolling Stones...The new Journey looks like it could be the best so far, no bubble gum rock here!...Krokus is starting to catch on here in Northwest Ohio's windy city...The latest from Howard Jones is the song-of-the-week...Phil Collins does it again!...Can't wait to get the new 38 Special Lp. It's been a long wait, but judging from the first release, it's been well worth it...Thanks to everyone that helped out with All Winner Weekend. The promotion was quite a success!"

KBLE-FM, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: GTR 'Heart', 'Hunter', 'Toe', Gerard McMann 'Every', 'Message'; David Knopfler 'Double', 'Missing'; Sting 'Down'; Lou Reed 'No', 'Hurt', 'Original'; Dumptruck 'Winter', 'Seven'; Kip Addotta 'Life', 'Yuppie', 'U Haul'; Annabella 'Magdeline', 'Wild Fear'; John Schofield 'Still'; Peter Gordon 'Romance'; Robby Krieger 'Costa', 'Baglady'; The Fixx 'Secret'; Limited Warranty; Style Council 'All'; Box Of Frogs; Glass Tiger; Belinda Carlisle; Force MDs, 'Here'... INCREASED PLAY: Latin Quarter; Paul Brady; Eric Johnson; Pet Shop Boys; Moody Blues; Rubber Rodeo...The big excitement around the radio station this week occurred at the 7-11 across the street when two guys who had been hassled for trying to steel beer, came back and shot up the store wounding two clerks and two customers! When an event so tragic and so senseless happens so close to home, it is certainly cause for reflection. So, we're digging a moat right now and the drawbridge is on order!...Musically: Lots of quantity, though a bit short on the quality end this week. Picks of the pack include The Fixx; Limited Warranty; Belinda Carlisle and Force MDs."

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "Sometimes two notes are all you need to make a song! The Fixx have put those two together and that equals a major hit! 'Secret Separation' will be all over the dial, so bang it now, rockers!...Yeh, the Box Of Frogs's version of 'Heart Full Of Soul' is different, but how do you cover a classic song and make it stand on its own? How 'bout an exciting arrangement, plus the vibrato vocals of Roger Chapman, and the stinging guitar of Rory Gallagher to pull it off after a couple of listens?...We're gonna play 'Live! For Life' 'cause it benefits the American Cancer Research Center in Denver. We will be involved in a benefit show locally to tie it all together. Thanks to Bonny Kilpatrick of I.R.S. for the goodies to auction off...Thanks to Katie of Polygram for the Mellencamp show. John's a worker for rock 'n roll, who's not afraid to get involved and speak out on a significant cause for our country. We'll do everything that we can to let our listeners know what they can do for the farmers of Colorado, and you should do the same in your state...Lastly, but not leastly, many 'thanks' to Dick Merkle of A&M, Denver, for your support on and off the court!"

WBUR, PROVIDENCE, RI M.D.-ALISON STEWART: "Compatibility between superstars and soon-to-be-stars is refreshing to see, while the Rolling Stones, the Moody Blues and Bob Seger can co-exist in peaceful harmony with our #3 phones Art Of Noise, #1 phones Suzanne Vega, and Boston-based The Neighborhoods at #8. The choices being made have been tough because of good songs, great songs, and amazing songs...Swing low sweet Lou, 'Mistrial' is something to really listen to... 'Live! For Life', besides being for a good cause, is good for the ears, doubling as yuppie rock...Sting with Jeff Beck makes its debut this week into the kind of song that rocks, but rocks after 5PM!"

WKDF, NASHVILLE, TN M.D.-DAVID HALL: "It didn't get as much press as the Russian's nuclear spill, but we had bar-b-que sauce spilled Sunday night after the ZZ Top show at MISU! Warner Bros., Gene Dries, personally brought the stuff from Memphis, so you know how deadly it must've been! I'll admit it was human error which caused the accident! I mishandled a large jar of the sauce, and besides the floor and the wall, the sauce was all over me and the contest winner! Officially, only we two were considered casualties, but eye witnesses say several others were splattered as well! None of this got in the way of a massive good time at the ZZ Top show, which I heard many calling 'the best concert they've ever seen!' Thanks for the concern, but I'll be okay! Experts have advised me to remain calm and wash my hair and clothes daily and the bar-b-que smell should be gone soon! Meanwhile, I'm just going to stand between two slices of bread and wait for my girlfriend to get hungry! Then, as Frankie Miller says, 'We'll Do It Til We Drop!' This is the song that can finally put Frankie Miller over the top! It stood out from the first time I heard the album. We had a great run with 'You're A Puzzle', and I expect this Bad Company-sounding track to do even better!"

WPYX, ALBANY, NY ASST. P.D./M.D.-BOB WELCH: "Quotes of the week heard during our morning team's live broadcast from Disneyworld: Bob Mason asked one of the Disney employees whether or not Minnie Mouse wears underwear!"

KMOD, TULSA, OK M.D.-JIM JONES: "Special 'thanks' to Jerry Barrett of Warner Bros., and James Bishop of Capitol, for putting together a great Honeymoon Suite and Heart show, and 'thanks' to Nancy and Ann Wilson for sharing time with us after the show! We're getting great response already on 'Nothin' At All' and Tulsa likes the album so-o-o much we added 'Nobody's Home' and both songs sound like smashes!"

WEZX, SCRANTON, PA ASST. M.D.-JACK MYERS: "We just got our first Birch quarterly of '86 and we're #1 12+ and adults 18-34."

KBER, SALT LAKE CITY, UT M.D.-ROB ROMAN: "The time has arrived and the Box of Frogs are not a bunch of green rockers. I've been wearing out the advance cassette in my car and believe me it has plenty of tasty tracks to pick from. Roger Chapman's vocals on 'Heart Full Of Soul' will knock your audience out, plus the great artist list will allow you to really talk this band up...All the advance talk about The Fixx was absolutely correct. 'Secret Separation' sounds great on radio...Giving your audience Sting and Beck's bluesy track will benefit both the older demo segment, who remember when blues was a part of most rock stations' playlists, and cancer research which can definitely use the funds...Van Halen, Hear 'N Aid and GTR continue to burn up the phones and Joe Jackson and 38 Special are still building."

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: "What a great gritty raw sound on the new Box Of Frogs. Chapman's vocals have so much gut emotion--the perfect upper demo cover record...Robert Palmer continues both Top 5 phones and sales. 'Hyperactive' upped to heavy...Ditto on the Fabulous Thunderbirds. The feedback on 'Wrap It Up' has been incredible...Admittedly, the Golden Earring is a 2 or 3 listen record, but sounds super on the air. Don't miss the party on this one...What's this ear busting sax on the Loggins single? Katie, bar the door...Out-of-the-box Top 5 phones as well on 'Memphis Thing' from Rob Jungklas. Overwhelming response with each spin."

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "Flash! Don't let 'Foreign Shores' by E. Wade go unnoticed. The title is the one to key on, but the whole Lp is hot. We're talking a strong hook, relateable lyrics, and music that moves. 'Try To Remember' is another track from the Lp that really stands out...Long Island likes GTR. Already there are strong sales and requests...Art Of Noise is a surprising winner here with 'Peter Gunn'. The Lp is doing well at retail...It gives me great pleasure to see 'Shape Of A Heart' emerge as the next big track for Jackson Browne. I was very impressed with 'Shape' from my first listen. I look forward to mucho success on this one...I've changed my music hours: You can now talk music Noon-3:00PM Mon, Wed. & Fri. ...The adds are still ready Tues. after 2:00PM."

WFXR, CHARLESTON, SC M.D.-R.G. JONES: "First and FOREMOST I want to thank all the people at all the
respective labels who were so very helpful in keeping up with the service to us during the April showers
of rock and roll. It absolutely had to be the biggest record giveaway that the low country has seen.
Much appreciation to all concerned. But there are those that we were lacking. It's tough to add some
of these new records we haven't gotten yet. If everyone wants to help the rock revitalization in the
South, I certainly hope we can get together and improve the service we so desperately need."

KFMQ, LINCOLN, NB ASST. P.D./M.D.-BOB ALLEN: "The Q102 gala open house party showcasing our new facilities

so we'll let him do some graduate work on the air with 'No Money Down'. Howard 'Phil' Jones gets the nod
too...And the Fixx 'Secret Separation' was well worth the wait...And yes, Plen, we're finally playing your

Van Halen; the Moody Blues; and 38 Special. For us, they cover it all: Excellent sales, great phones...I was

ALAN WOLMARK, RCA (212-930-4309): "Rock radio is playing Beach Boys and Jan & Dean and my motorcycle is in full stride - SUMMER IS HERE! And RCA has two of the hottest new discs for summer '86: 1) Lou Reed is off to the quickest and most solid start ever. And to top off the excitement, Lou Reed is officially the only U.S. representative in the Amnesty International tour!...2) Bruce Hornsby & The Range is charted across-the-board on album radio out-of-the-box with the likes of WEBN, KGB-FM, WAAF, KMET, WNOR and tons more getting phones and sales! Don't wait it out on this unique great act!...Watch your mailbox for Annabella (ex-lead singer for Bow-Wow-Wow) with a cool version of Alice Cooper's 'School's Out'!...Metalheads and serious rockers: Check out 'She' by White Wolf...And don't look now, but Starship has a third smash hit with 'Tomorrow Doesn't Matter Tonight'...A special rock mix of 'Ball & Chain' by Wax will be out any minute. It's already doing well at KMET and 91X!...Heavy rotation at home: Joe Jackson, Chuck Berry Rock And Roll Rarities, Blow Monkeys."

GEOFFREY SCHULMAN, ARISTA (213-655-9222): "It looks like the A Team is going to score again with the debut album from The Sluggers. This three piece band from Nashville cooks up some of the best all American rock 'n' roll you ever heard. Their first 12", 'Over The Fence', should be in your hands right now. This is a great band with great songs...Thanks to everyone for the great response to GTR. 'When The Heart Rules The Mind' is a hit record and now is the time for heavy and power rotation. 'Jekyll And Hyde' has emerged as a strong second track with 'The Hunter' right behind. Watch for the first leg of the GTR U.S. tour to come to your town soon. The band will play small intimate concert halls and theaters now and bigger venues later...This is a message to all Krokus non-believers: Play this record and your phones will ring. 'School's Out', to be released on 7" vinyl May 19th, will be a hit song again. Do the right thing. OK?...The word JAM has taken on a new meaning. Jersey Artists For Mankind will be released on May 16th. JAM is Bruce Springsteen, Southside Johnny, Clarence Clemons, Nils Lofgren, Carolyn Mas and other New Jersey artists performing a new song, 'We Got The Love'. All royalties from this record will be distributed to charitable organizations to feed needy Americans...Over 40 AOR stations are now playing tracks from Latin Quarter. This is quality music, don't miss it."

TOBY MAMIS, RHINO (213-450-6323): "For those of you who know that I just spent the last eleven weeks organizing the music business symposium May 2nd-4th here in L.A., let me just say I've jumped out of that frying pan into the fire here at Rhino Records as of May 5th, where the heat has been intensifying since the Rhino/Capitol distribution deal. Those of you who know me, perhaps from as far back as the days of my famous Toby Mamis Report in the Quarterback, know that I can handle the heat...The 'COVER ME' album has been doing real well, as has everything associated with Springsteen, and we're still actively working the 'Atlantic City' 12"...KIP ADDOTTA's album, 'Life In The Slaw Lane', is funny and generates phone calls to prove it. Don't miss 'Yuppie Rap'...The PANDORA's tour is finally heading for home -- watch out Texas May 10th thru 15th!...Since the departure of Rich Schmidt and then Grace Ensenat from Rhinoland, you may not have been kept as informed as you should have been; but I can't read your minds, so call me!"

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "By now you should be listening to JOHN EDDIE's debut album. Listen to John's great lyrics and the dynamics of the songs and instruments--all powered by the Mighty Max Weinberg on drums with Nils Lofgren and David Lindley on guitars. What you get is real rock and roll. 'Jungle Boy' is pulling massive phones, and don't be fooled that it's only happening in the East - this record is a smash hit and there's a ton more from where this came. We like 'Pretty Little Rebel', 'Dream House', 'Hide Out', 'Cool Walk', 'Living Doll',...Ahhhh, we're in love with the whole damn thing! Put it on the turntable and watch it fly. By the time you read this, over half of American Album Rock Radio will already be on it. It's nice to be working the real thing...Go see 'TOP GUN' immediately. I predict the new look for summer will be blue jeans, white t-shirts and flight jackets. The LOGGINS looks like a stone cold smash...The JUDAS PRIEST tour is on the move. Want to talk about the addition of second shows? These guys are H-O-T! 'Turbo Lover' is next up and this one looms huge. The song is written about Turbo Porsches from when Rob and Glen went to visit the factory. I'd say a whole lot of folks can relate to that...The BANGLES look like they're about to have another hit and this one looks even bigger than the last...I know there's a lot of stuff out there now, but you absolutely must find room for JEAN BEAUVOIR (pronounced Bovwar). This budding new talent is extraordinary. 'Feel The Heat' is a one-listen automatic, and wait 'til you hear this album. Indeed, the God of A&R is shining upon us...Again, two new great songs to be aware of: 'Tyranny' by the STABILIZERS and 'House Of Stone' by the ROARING BOYS, which I heard on WLIR over the weekend and man did it sound powerful...Lastly, to David Hall: Number one, I would have thought you might have called if there was a real problem before you went to print. I mean, after all, it would have been the professional thing to do. Number two, I hear the club owner was partially responsible for the mix-up, and I didn't even see his name mentioned. Third, even though it appears that you were treated unfairly, you should know that in this business a glitch or two is possible, and I myself have run into a road manager or two that has been suffering from road damage. How you can put blame on the artists themselves is beyond me and to make 'never again' vows is wrong and childish, especially for all to see. This record company takes major pride in our acts and, furthermore, when you call, we deliver. Cool out, Bud, you're beginning to sound like the road manager."

JAY HART, ELEKTRA (312-595-6000): "I'll be short and to the point this week, and the point is THE CALL 'Everywhere I Go'. This was your track, radio. The consensus cut from the majority of programmers who were serviced with The Call pre-release cassette back in February. 'Everywhere I Go', radio, this one's for you...Also coming soon, the UNFORGIVEN. Rough and ready rock and roll at its finest...Lincoln, Omaha, and Kansas City: Love you, babe! We'll do lunch again."

MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400): "Just when you thought it was safe to go into the studio, two brand spanking new Lps are currently gracing your environs: LOUDNESS 'Lightning Strikes'. This one is going to jump out of the stores, so if you do any programming of this sort, it's a must...Also LIMITED WARRANTY's self-titled debut Lp bears close listening. Brian Tench has done a magnificent job of producing this young group of Minneapolitans. The material is very, very strong. So far, the reaction to the initial 12", 'Victory Line' has been great. Please check out 'Yesterday's News' and 'Hit You From Behind' as well...Since you did..."

LEE ARNOLD, LEE ARNOLD MARKETING (312-328-3907): "Congratulations to Doug Podell. In case you haven't heard, Doug officially was named Program Director this week by the new owners of WLLZ. With the job he did on the last Book, the choice was obvious. I'm real proud of you, buddy. Do me a favor, kick RIF's ass!"

MICHAEL PLEN, I.R.S. (212-605-0606): "As sure as we're standing here, in one year, The Alarm will be the biggest act to break through radio. Book it!"

LINDA KIRISHJIAN, COLUMBIA (212-975-1701): "Give me an 'S'!...Give me an 'M'!...Give me an 'A'!...Give me an 'S'... Give me an 'H'!...What's that spell?...JEAN BEAUVOIR 'Feel The Heat'...John Eddie 'Jungle Boy' is also proven. It's top 10 phones and not just on the East Coast...The Roaring Boys 'House Of Stone' is subtly winning over some fans. We've got another one here!...And I can't say enough about The Stabilizers. If 'Tyranny' peaks your interest, as it should, play it. When you get the album, also listen to 'One Simple Thing'. It will excite you...The Outfield is doing it again. Their album sales are increasing and so is their play with my fave rave, 'All The Love In The World'. Here's to their platinum potential...And how about The Bangles 'If She Knew What She Wants'. It will be stronger than 'Manic Monday', if you can imagine that...On The Top 40 front, Hooters 'Children' breaks this week. Let's show CHR who found these guys in the first place...And Loverboy 'Lead A Double Life' in those all important tests come out smash every time. Think about it and go make yourself a great book. Let us help you."

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
