NEIL YOUNG.....JOHN WAITE.....JUDAS PRIEST LP.....KEEL.....
OMAR & THE HOWLERS LP.....TOM KIMMEL LP.....JOHN HIATT LP

NEIL YOUNG & CRAZY HORSE, "LONG WALK HOME", GEFFEN

On his first record with Crazy Horse in ten years, Neil takes off his techno shoes for a long walk home to his much loved "Gold Rush"/"Harvest" period. There's no living breathing 25-pluser who won't fall prey to those pristine, three-part harmonies, or that haunting sweet piano-harmonica interplay. Fusing a radiant return to his early '70's signature sound with a late '80's message, Neil comes up with an instant classic ballad, and a powerful statement. In a word, mesmerizing!

JOHN WAITE, "THESE TIMES ARE HARD FOR LOVERS", EMI AMERICA

John needed to deliver a career milestone killer, and boy did he come through! "These Times" opens with one of the hardest hitting, most immediate hooks in recent memory and power shifts from there. The piercing guitar, those flashy changes, John's emotional vocals along with the breathy back-up vocals, all pull together with stunning synchronicity. The result is an undeniable summer smash! And with Desmond ("You Give Love A Bad Name"/"Living On A Prayer") Child sharing writing and production credits, there's a subtle Bon Jovi accent to boot. "These Times" are tailor-made for Rock Radio!

JUDAS PRIEST, "PRIEST...LIVE!", COLUMBIA

With more than ten albums collectively selling beyond 7 million units, Judas Priest and your night time patrol are on extremely friendly terms. Last year's "Fuel For Life" tour saw Priest release that raw driven, unbridled power to the tune of three quarters of a million fans. On the new double live Lp, Columbia delivers the initial servicing of their special CD surprises they have up their sleeves: the first ever copper CD, engineered and edited for radio. You'll find Priest classics custom made for Rock Radio including "You've Got Another Thing Coming", "Turbo Lover", "Freewheel Burning" and the overlooked anthemic killer "Rock You All Around The World". It's the next best thing to being there!

KEEL, "SOMEBODY'S WAITING", GOLD MOUNTAIN/MCA

They amply demonstrated their pure rock programming value first time around with the phone certified "Right To Rock". Now back with the driving power rocker "Somebody's Waiting", Ron Keel and his henchmen unleash a double round of melodic voltage in the Def Leppard tradition, that works as well on record as it will on the opening spot of the Bon Jovi tour. An instant night time headliner sure to attract mega phones, "Somebody's Waiting" can easily be that much sought after breakthrough track to take Keel to the masses.

OMAR & THE HOWLERS, "HARD TIMES IN THE LAND OF PLENTY", COLUMBIA

Omar's impacted Rock Radio "Like an icepick in the forehead", as WKRR's John Amberg puts it. And with a second consecutive Most Added finish (25 New/104 Cume), 11 early play hikes (WQFM, KTXQ, WYNF, WHJY), 29 Good/Excellent phone reports, and that passing lane 46-32* Trax advance, they're, as WYYY's Chris Emry notes, "Howling their way to the Top 10". Now back-up the most refreshing record on the radio today with a double shot of Omar's 150 proof Mississippi hoo doo firewater: try the crossable "Dancing In The Canebrake", the re-worked "Border Girl" or the CCR-sounding "Mississippi Hoo Doo Man".

TOM KIMMEL, "5 TO 1", MERCURY

Programmers are praising Tom for his superb songmanship, incisive lyrics and vigorous vocals, and backing up their words with serious airplay. "That's Freedom" reigns as this report's #1 Trax Gainer (84-54*), fueled by 35 New/63 Cume, and with 37 more considering, look for a repeat performance next week. As evidenced by the deep and dynamic Lp, Tom's a master of straight-ahead, one-listen rockers, with a wealth of world class material custom made for the format. Our faves: "Tryin' To Dance", "Shake" and "True Love".

JOHN HIATT, "BRING THE FAMILY", A&M

Hiatt's "Thank You Girl" checks in with another impressive add week garnering 15 new including WAQX, KZEW, WMAD, WFYV, WDHA, WQBK, WRKI, KMJX and WRXK, expanding the cume to 43 (WNEW, WHJY, WLLZ, KFOG, WNOR, KBCO, KMOD, WEZX, KRQR, KZEL, WLAV, WONE), and generating a torrid 80-69* Trax leap. We originally touted "Thank You Girl" as John's most programmable cut to date and one tracking through the Lp will yield a similar perception for the entire package. Dig that "Lay Down Sally" intro on the homegrown "Memphis In The Meantime", then go directly to the energetic rocker "Thing Called Love" and the funky "Alone In The Dark". Depth with distinction!

AUTOMATICS

Depth Trax From Established Albums

GREGG ALLMAN, "CAN'T KEEP RUNNING", EPIC

Gregg's a shoe-in for comeback artist of the year, with an Lp that's been Rock Radio-active since its release in February producing #1 and top 6 tracks; and the radio rap on the hot follow-up is equally as enthusiastic. WMMR's Erin Riley exclaims, "Best track on the Lp!"...Anthony Alfonsi, WDVE agrees, "The best one yet!"...Dave London, WEZX reports, "Been on it for two months and great reaction"....And WHMD's "Catfish" Phil Colwart declares, "Can't stop the brother!"... "Can't Keep Running" defines the AOR Automatic—a classic rock current, and wait'll the listeners get a load of that "Layla" guitar vamp in the outro!

ROCK AND HYDE, "I WILL", CAPITOL

"Dirty Water's" subtle orchestral hooks motored it to #6 Trax, and into Heavy/Power play at well over half of our reporters. How subtle is the follow-up? About as subtle as a flying mallet! This effervescent acoustic guitar/synth romp has active written all over it. Simply stated, it exudes mainstream/crossover appeal, is a snap to hear and plays like a lesson in late '80's studio production wizardry. Say you will!

NIGHT RANGER, "HEARTS AWAY", CAMEL/MCA

There's no doubting Night Ranger's blue chip value regarding Rock Radio; a band that has constantly delivered a wide range of programmable material for the format. That upscale funk orientation on "The Secret Of My Success" proved to be another performance gem as it peaked at #10 Trax. Now it's time to turn to the demo-expanding power ballad that always scores big league results for Ranger. "Hearts Away" is a melody monster with a macro size hook, a full range orchestral atmosphere and just enough axe work to further its multi-dimensional feel. More success!

REACTION RECORDS

The Most Active New Trax as Determined by Adds, Charts and Programmer Reaction

ROGER WATERS, "RADIO WAVES", COLUMBIA

(109 New/109 Cume)...Conceptually speaking, they don't come much more anticipated nor more confidently executed than Roger Waters, and "Radio Waves" is certainly no exception. A robust 109 OTBers log in for #1 Most Added honors, while the track imposingly checks in at 27*! Now to those waves of raves: Pam Edwards, KGB glorifies, "Absolutely stunning!"...Andy Preston, KPOI shouts, "Stone mo-fo!"...J. David Holmes, KUPD assures, "Can't miss!"...Harve Alan, WCCC relates, "Contemporary yet classic"....Lex Staley, WFYV remarks, "Uniqueness counts"....Pam Brooks, WPDH reports, "Floyd fans freak out!"...Ellen Gerdes, KYYS shoots straight, "I think a station would be crazy not to play this!"...Ralph Tortora, WBAB admires, "Different, refreshing and exciting"....And Rad Messick, WDIZ heralds, "'87's 'Another Brick In The Wall', part III"...Destined to be a classic!

THE OUTFIELD, "SINCE YOU'VE BEEN GONE", COLUMBIA

(90 New/90 Cume)...And in the Columbia Most Added double header this week comes The Outfield who very definitely plan on playing deep once again. WLUP, KYYS, WNEW, WRIF, WSHE, KRQR, WKLS, KISS, WLLZ, KTXQ, WDVE and WEBN are among the 90 new, blasting the cut on to the Trax Chart at 35*! Sample this Outfield chatter from the likes of Glenn "Tops in their field" Stewart, WHJY...Ty "It's a sure bet!" Banks, KQWB...Chip "Best thing they've done!" Hobart, WQFM...Lorraine "Bound to be a hit!" Rapp, WAQX...And Jeff "Household name timel" Michaels, KSQY. Jay Baker, WFBQ lauds, "Another great Outfield cut"....Elise Vander Borqt, KNCN exclaims, "OTB smash!"...Kevin Vargas, KWHL endorses, "No sophomore jinx here; it's a solid radio track"....And WDVE's Anthony Alfonsi closes, "'Since You've Been Gone' should keep the momentum started on 'Play Deep' on the right track."...More like the warning track and beyond!

HEART, "BAD ANIMALS", CAPITOL

How eager was Rock Radio for more Heart? How's 80 new on the consensus backup track, "Who Will You Run To", and a debut at 38* sound? Or 21 new and an 87* chart appearance on the title track? Well enough with the questions, onto the exhilarating statements: Pam Edwards, KGB, "It's always tough to top a previous big seller, but Heart managed to pull it off"....Chris James, WTPA, "The Heart Lp does the last one three times over; the ladies show they still know how to rock"....Andi Turco, WPYX, "The sisters sound better than ever"....Jason Tyler, WRUF, "Every cut on 'Bad Animals' has potential"....And Erin Riley, WMMR, "The Heart album sounds like it's chock full of hits. They should stay with Ron Nevinson as long as they release records; they're a winning combination!"....And what a combol P.S. "Alone" assumes the Trax leadership role as it surges 2-1*, while the Lp's in the Album Action spotlight debuting 5*, National and Metro.

BRYAN ADAMS, "HEARTS ON FIRE", A&M

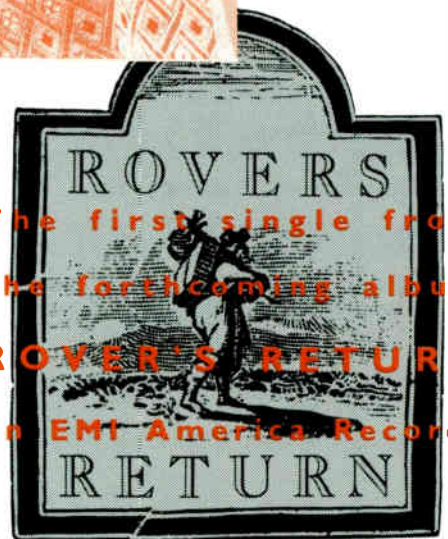

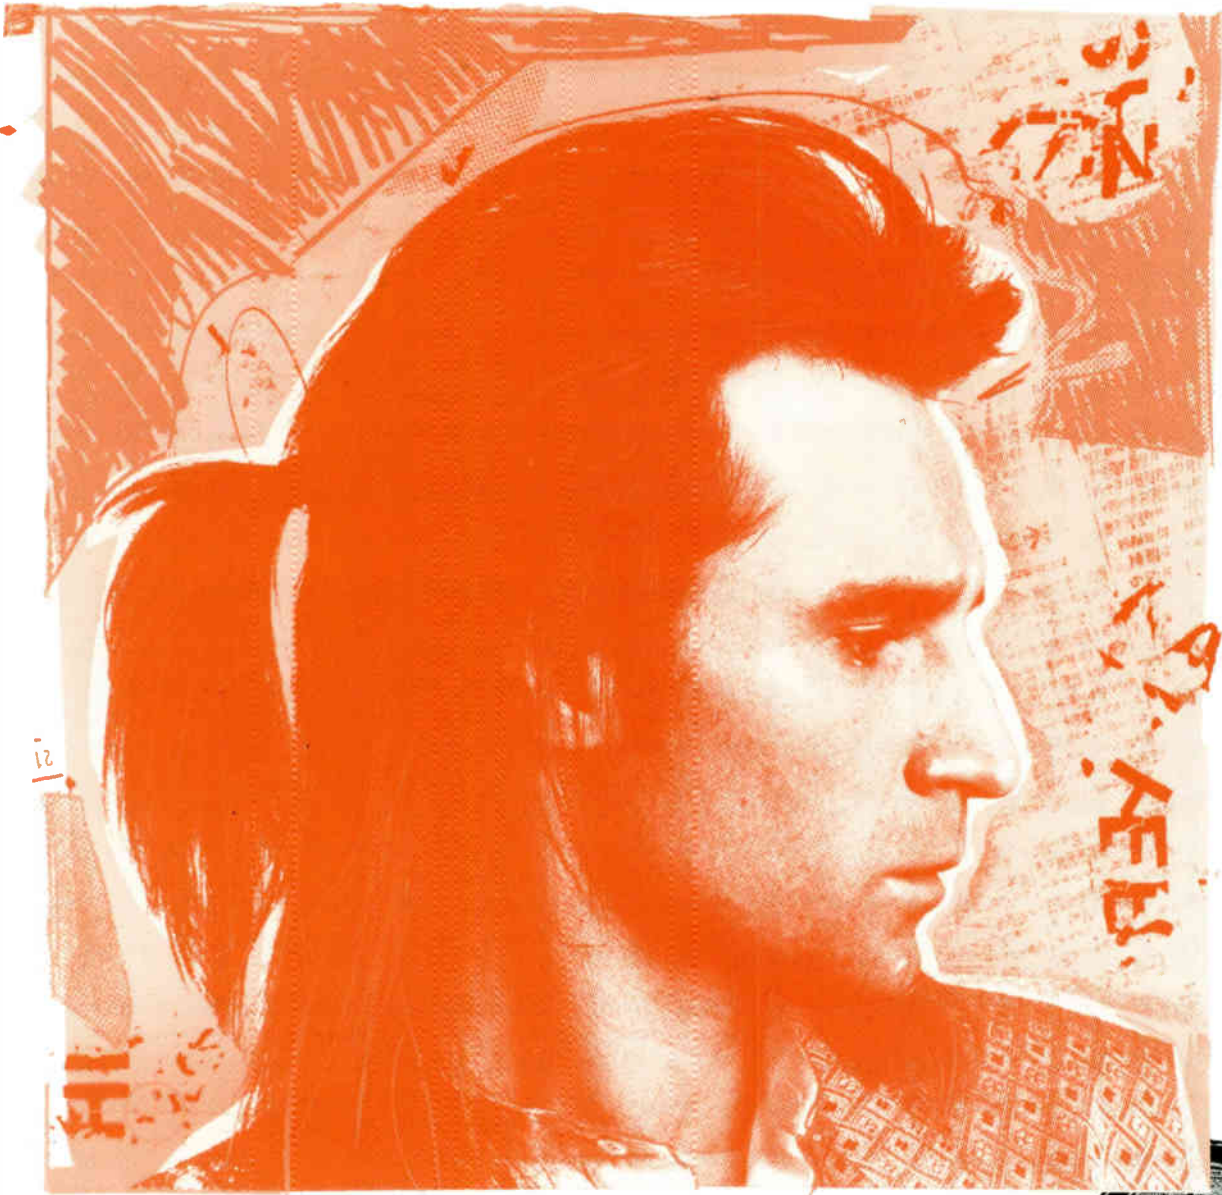

(45 New/100 Cume)...Bryan's on fire! Again. KQRS, KBPI, WAAF, WGTR, WHJY, WLVQ, WNEW, KTXQ, WZZO, WHCN, WAQX, WEZX and WHEB are among the newcomers re-entering the Adams' inferno this week and together with the weighty 100 cume and those 14 play increases, (WRIF, WMMR, WEBN, WKFM, WPYX, KATT, KICT, WBYS), creates a scorching Hot Trax trek of 51-23*, our #2 Gainer. The Lp remains an impressive fixture at 4* on both Album Action charts. With two Top 5 tracks under his belt, the red hot tour just startin' and the piece de resistance, that ever-loving CD re-service, Bryan's next Automatic track is all fueled up and ready for power.

WARREN ZEVON, "SENTIMENTAL HYGIENE", VIRGIN

(24 New/149 Cume)...Out a mere two weeks and pretty near closed. KLOS, WRIF, WRXL, WBCN, WIYY, WCMF, KAZY, KGON and WTUE are amidst the new sentimental hygienists mushrooming the early cume to a bullish 149 and while a beefy 25 increase play, (KGB, WLUP, KILO, WNEW, WQFM, WAPL, WDHA, WGTR, WQBK, WHCN, WHFS), the track explodes 26-14*. Now let's talk performance: 50 stations already citing Good/Excellent phones including WHJY, KYYS, KUPD, WGTR, WYNF, KILO, WTPA, KOME, WRQK, KMBY, KBCO, WPLR, WMGM and WBCN where Carter Alan steps up, "Warren Zevon is a natural and it's great to hear that classic voice again".

FROZEN GHOST, "END OF THE LINE", ATLANTIC

(23 New/31 Cume)...Don't let the title of this strong follow-up fool you--the remarkable success of "Should I See" was not the end of the line, but merely the beginning for these rookie of the year candidates. Witness "End Of The Line's" 23 new commitments (#8 Most Added) paced by KRQR, KZAP, KRXQ, KOME, WPYX, WPLR, WXRC, WTPA, WHEB and KEZE, the 31 current mentions (KFOG, WBYR, KBCO, CILQ, WAQX, KZEL, KFMH, KNCN) and the debut at 76* Hot Trax. While Frozen Ghost's Double Shot already enjoys Power/Heavy exposure at seven, it's already pulling Top 5 phones at WPYX where Andi Turco informs, "I have been a believer since day one and 'End Of The Line' is a great follow-up to 'Should I See', which worked very well for us"...Track #2 is another great hook-laden rocker that's destined to carry on their early tradition of excellence. Bank on it.

STEVE EARLE & THE DUKES, "I AIN'T EVER SATISFIED",

MCA

(21 New/55 Cume)...Steve and the boys may never be satisfied, but we'll bet our bottom dollar they're tickled to death with that blistering 83-63* Trax jolt--this report's #3 Gainer. Fueling "I Ain't Ever Satisfied's" fire are 21 new commitments (#9 Most Added) including KDKB, KISS, WCCC, WBAB, KRQR, CHEZ, WCMF, KTYD, WAPL, KZEL, WRDU, WXRC and WPLR, running the two week tally to a solid 55. While WHFS, WQFM and WRUF increase play, WLLZ, WLUP, WXKE and CHEZ already provide Heavy emphasis. A quick perusal of the checklist reveals plenty of future growth potential inherent in a massive 44 considering/17 close. You say you can't get no satisfaction from the present state of your playlist? Why not increase your hip quotient with Steve Earle & The Dukes.

GEORGIA SATELLITES, "THE MYTH OF LOVE", ELEKTRA

(21 New/24 Cume)...The true test of an Lp's depth (especially debut vinyl) is radio's readiness to serve up subsequent emphasis cuts without hesitation. On that note, it is our pleasure to award the Satellites with an A+ as "The Myth Of Love" checks in at #9 Most Added with 21 first-week adds headlined by WNEW, WKLS, KLOL, WLLZ, WYV, KOME, KOZZ, WHEB, WRKI, KWIC, KPEZ, KILO, KICT and WLZR. As the start-up cume stretches to 24, the Satellites fourth emphasis cut impacts the Hot Trax chart at 86*, and the Lp grabs #3 Metro Gainer honors, surging 47-43*...Greg Morrison, WRQK, steps up to lend his support, "The latest Georgia Satellites effort is definitely worth a shot"...What he said.

THE CULT, "LIL' DEVIL", SIRE/WARNER BROS.

(19 New/71 Cume)...WMGM's Al "Hit Man" Branca sez of the Cult's second emphasis cut, "With the obvious success of 'Love Removal Machine', this follow-up is a no risk add"...Clearly Al's not alone in that contention. The on tally is now up to 71 including this week's 19 newcomers (KYYS, KGB, WBYR, KMOD, KDJK, WEZX, KMBY, WMGM, KEZE, WBLM, WKFM). As WRXK and KWIC increase air, KZEL, WAAF, KFMH and WXXP rotate in power; 11 more spin Heavy (KLOL, KRQR, KRXQ, KZAP, CILQ, WBRU, WRXK); WAAF reports Top 5 phones and "Lil' Devil" soars 59-47* on the Hot Trax 100.

WHITESNAKE, "HERE I GO AGAIN", GEFLEN

(17 New/88 Cume)...Here we go again with another monster phone record from Whitesnake. Motivated by a whopping 21 Top 5 phone mentions (KUPD, KAZY, WYNF, KISS, WHCN, KOME, KILO, WDIZ, WDVE, KKDJ), "Here I Go Again" leaps 18-7 Most Requested, while another brawny add week (17 new paced by WRIF, KZAP, WEGR, KMOD, WRXL, WRCN; KDJK, WAQX, WGIR and KFMF) influences a 41-34* Hot Trax trek. Of the 88 locations now playing, KLOL, WXRC, WBLM, KWIC, WYMG, WRUF and KQDS increase rotation; 15 supply Max exposure, and 14 more provide Heavy emphasis...KDJK's Beaver Brown reveals, "Whitesnake is white hot and steaming. 'Here I Go Again' is getting so many calls, it jumps right to heavy."

SUZANNE VEGA, "LUKA", A&M

(12 New/122 Cume)..."Luka" has been one of the strongest, most consistent Reaction Records in the rack for weeks now, so it's no surprise to see Suzanne follow up last week's #2 Album Gainer showing with #1 Lp Gainer honors this report, lunging 26-17* National and 25-20* Metro (#2 Gainer). Blazing the trail for that superb album improvement are another 12 fresh spins (KGB, KZEW, KZAP, WRIF, WLVQ, WHTQ, WIOT, KLAQ, KZRR, WKRR, WGLU, WORZ, KRIX); 122 current mentions; increased air at 16 including KTXQ, WPYX, WOUR, WDHA, WCMF, WBLM, WZZQ, KPOI and WRDU, and 41 Max/Heavy rotation locations producing a blistering 32-18* Trax cruise (#4 Gainer). And, as Top 5 phones at 14 stimulate a 12-11 Most Requested rise, programmers continue to be astounded by "Luka's" listener appeal...WRQK's Greg Morrison relates, "Suzanne Vega is developing some surprisingly strong retail activity in Tire Town"...WKRR's John Amberg proclaims, "Suzanne Vega is enormously talented. 'Luka' is definitely an upper demo grabber."

CUTTING CREW, "ONE FOR THE MOCKINGBIRD", VIRGIN

(10 New/101 Cume)...The Cutting Crew's follow-up cut is now two-thirds closed and climbing as 10 new commitments (WQFM, WHCN, WRCN, WAAF, WXRC, WAPL, WZTA, KBAT) augment the cume to 101 and stimulate 34-28* Trax growth. As WMGM, WHTF, WAQY, KMBY, KDJK, WGLU, KTYD and WZEW increase play, "One For The Mockingbird" is now in Power at five, Heavy at a beefy 32 more, with Top 5 phones at DC101 and WHTF...Kim Alexander, WHCN, has the floor, "The Cutting Crew deserves another shot and this week it's 'Mockingbird'"...With this track currently exploding at Top 40, it's time to add it now or get burned by the competition.

ACE FREHLEY, "INTO THE NIGHT", MEGAFORCE/ATLANTIC

(10 New/89 Cume)...Ace moves into the current rotation at WBYR, WLAV, WPLR, WTUE, WRXL, WBLM, KEZE, WRUF, WOOJ and KGGO this week as "Into The Night" boogies 42-37* on the Hot Trax 100. As KFMQ, KNAC and WHJY up the rotation, it's now Max/Heavy at 15 (WKLC, KWIC, CILQ, KBPI, KLOL, KZAP, WYNF, WHEB, WDVE, WLAV, WWZU), while playing to Top 5 curtain calls at 17 for a hold at #9 Most Requested...WPDH's Pam Brooks reports, "Into The Fire' is burning up the phones and it's our #4 Most Requested song this week"...KDJK's Beaver Brown excites, "Ace Frehley and his comets are zooming towards the stratosphere, and soaring higher"...and Higher!

Y&T, "CONTAGIOUS", GEFLEN

(10 New/63 Cume)...Y&T's aptly titled lead track remains a top-drawer add getter as another 10 locations become "Contagious" this report paced by KSHE, WBYR, KGB, KEZE, WAQY, WIXV and KBAT. Factor in increased airplay at WDIZ, WAQX, KWIC, KWHL, KTYD and KATP and the result is a hefty 62-51* Hot Trax surge. Among the 63 stations now playing, KISS, KBPI, KRQR, KRXQ, KSJO, WAQX, WGIR, KTYD and KATP are already providing Heavy airplay, while KOME, KRXQ and KMBY report Top 5 request activity. The fever created by Y&T is "Contagious". Catch it!

The Most Talked About New/Developing Artists

ENVY, "AIN'T IT A SIN", ATCO

Although the holiday weekend left many programmers without their homework come report day, it was still a big week for the Stile sisters and Envy as these promising newcomers are off and running with 17 adds and #1 Buzzband honors OTB. First-week commitments are delivered by KISS, WHJY, WYNF, WCCC, WEZX, WDIZ, WMGM, WAQX, WAQY, KWIC, WQBK, WKFM and five more, while reaction among those that did hear "Ain't It A Sin" is extremely positive. Witness these envious comments from Lorraine "Incredible talent here!" Rapp, WAQX...Carter "Good strong rock" Alan, WBCN...Greg "Great female rockers" Mull, WRXK...Dave "Great potential" London, WEZX...Glenn "These ladies got balls" Stewart, WHJY...and Jack "Has potential" Emerson, KGGO...and more accolades...WTPA's Chris James sez, "Don't ignore the Envy. They look to be the Heart of the '80s and '90s"...WKFM's Steve Becker suggests, "This is a group to be on the lookout for. Two sisters that can mix it up very well in this world of rock and roll"...WPYX's Andi Turco excites, "These two ladies have one hell of a record put together and it warrants your attention"...Energetic, powerful and passionate--that's "Ain't It A Sin." Confident, enthusiastic and brimming with talent--that's Envy.

STEVE JONES, "MERCY", MCA

Judging from the wealth of radio raves filtering down from the programmer grapevine, it would seem that any preconceived doubts about Steve's ability to shed his past Sex Pistol persona were quickly swept away by "Mercy's" monster guitar driven hooks and stellar vocal track. Put plainly, radio is jacked sky high...Folks like Carter "A masterpiece" Alan, WBCN...Brian "Excellent surprise" Krysz, WKLC...Lenny "Riveting, powerful and accessible" Bloch, WRCN...Mary "Gonna be a killer!" London, WRFX...Alison "Mercilessly cool" Stewart, WBRU...and "Catfish" Phil "The pistol aims high" Colwart, WHMD...All that excitement generated quite the big first week for Steve as 15 add "Mercy" OTB including KFOG, WYNF, WCCC, WHFS, WBRU, WEZX, WDIZ, KFMH, KRNA and KATP. From left field to the mainstream. From Sex Pistol to pistol hot! Oh, mercy, mercy me.

FIRE TOWN, "CARRY THE TORCH", ATLANTIC

Coming off last week's #1 Buzzband accolades, Fire Town once again takes the format by storm, garnering 14 new commitments (WNEW, WQFM, KRQR, WYNF, WEZX, WMGM, WRKI, KZEL, WKLC, WQBK, WZZO, KRXR), running "Carry The Torch's" two-week tally to a solid 27 and motivating a Hot Trax debut at 91*. Increased rotation is already the case at WMAD and WHFS, while five locations supply Power/Heavy airplay, even at this early stage. The checklist turned up tons of "great American rock and roll" type comments from the likes of Doug Clifton, KBCO; Carter Alan, WBCN; Chip Hobart, WQFM, and Charlie Logan, WYNF, plus more from Steve "Hot phones" Becker, KFMH...Jay "Great record--very original" Baker, WFBQ...Al "Great upper demo record" Branca, WMGM...Bob "A fabulous record" Walton, WRDU...and Mary "Instant response" London, WRFX to name a few...And with another 22 Considering/12 Close, expect to see a lot more folks carrying the torch pronto.

iQ, "NO LOVE LOST", SQUAWK/POLYGRAM

WQBK's Bob Welch takes center stage, "After playing with iQ's "No Love Lost" for a couple of weeks of on-air tests, it gets the nod for a fulltime add this week. It sounds like nothing else on the air right now, and our audience is responding positively"...So is album radio. Responding to the tune of another 10 fresh spins this week: including WHFS, KOME, KDJK, WHTF, KWIC, KMOD, WQBK and KRQU; 25 current mentions, and a massive 43 more considering. While Top 5 phones are already the haps at WTPA, "No Love Lost" boogies 95-90* on the Hot Trax 100. We've heard reams of reviews along the lines of the "reminiscent of early Genesis" theme

from folks like Cathy Down, WLNZ; Chris James, WTPA; Redbeard, KTXQ; Jim Steel, WIOT; Steve Becker, WKFM; Erin Riley, WMMR, and Steve Cormier, WIZN. Now more testimony from Tricia "Working well at nights" Griffith, KBER...Mark "Great head music" Williams, WWZU...Michael "Serious rock and roll" Lowe, WORZ...and Mike "Very interesting-impressed!" Ferris, WYBR...Fill that progressive art-rock void with "No Love Lost."

BRUCE COCKBURN, "WAITING FOR A MIRACLE", GOLD CASTLE

Last week we touted Cockburn's latest in "Wax To Watch" and this week album radio heeded the call as 9 new (KBCO, WZEW, WEQX, CFNY, CHOM, WMAD, KTCZ, WHFS, KSTM), hop aboard OTB. We're gonna turn the floor over to CFNY's Don Berns for this one, "We're not going to avoid 'Waiting For A Miracle'. The compilation of every single this talented singer/songwriter has released since 1969, including two new songs. 'Miracle' represents an amazing career that has been ignored too long in the U.S., except by progressive radio and critics, ranking in quality with such Canadian exports as Neil Young and fine whiskey, Bruce Cockburn shouldn't have to wait for a miracle this time." We couldn't have said it any better ourselves.

POISON, "I WANT ACTION", ENIGMA/CAPITOL

Now that the Poison phenom has grown to platinum proportions with a major CHR/MTV single, the follow-up makes smart programming sense for any station that rocks out at night. An in concert show stopper, this straight ahead anthemic rocker is guaranteed to deliver elephant phones (it's already Top 5 Most Requested at MTV). Already on KISS, KNAC, KRXQ, WHEB, KMJX, KDJK and KATP, with heavy play/Top 5 phones at KUPD.

BERNIE TAUPIN, "CITIZEN JANE", RCA

After spending a little time with Bernie Taupin's solo debut Lp, it becomes readily apparent that he must have contributed much more than lyrics to Captain Fantastic's success. "Citizen Jane" is a smooth mass appeal midday mauler, guaranteed to grab those elusive females. This seamless multi-layered adult targeted track is highlighted by Bernie's assured, emotive delivery, Elton's high profile back-up vocals and Bruce Hornsby's irresistible ivory ticklin'. This one warrants serious consideration.

PRETTY MAIDS, "FUTURE WORLD", EPIC

Anybody looking to add some balls to their playlist should look no further than Pretty Maids' "Future World." This hard edged yet melodic smoker from Denmark's premier pure rock outfit packs a punch that would send Mike Tyson sprawling to the canvas. Combining a powerful back beat with Dio-like vocals and some of the tastiest axe work we've heard in a while, Pretty Maids have provided five and a half minutes of white-hot rock and roll at it's best. Slickly produced by veteran hard rock board wizard, Eddie Kramer, "Future World" is presently a big metal shop item, and now in current rotation at KISS, KNAC and newcomers KUPD, WWZU and KRZQ. And with all the MTV exposure, don't be surprised if there's a rush of phone activity from your listeners in the very near future.

JUDE COLE "LIKE LOVERS DO", WARNER BROS

As three new play mentions (WTPA, KKDJ and KDJK) expand the cume to 20, "Like Lovers Do" impacts the Hot Trax 100 impressively at 89*. Increased airplay is already being provided by KFMF and KWIC, while KFMH currently rotates in power and KZAP, KQDS and KFMF supply Heavy airplay. Also currently doing like lovers do are KFOG, WTUE, WMGM, WDHA, KRZQ, KRQU, WWZU, KATP, KNCN and KBLE, while the checklist uncovers a fat 39 more considering/14 close...Kim Alexander, WHCN reveals "Jude Cole's picture now hangs on my wall and his record hangs out on my turntable--a strong consideration." And a strong record.

SHELLEYAN ORPHAN/"SOUTHERN BESS (A FIELD HOLLER)" - COLUMBIA

Shelleyan Orphan, a duo from London translate their bittersweet pop poems into the framework of a string trio (cello, violin, viola). Their acoustic guitar accompaniment and airy harmonies are reminiscent of The Dream Academy and The Cocteau Twins. "Southern Bess" is a smooth multi-layered tune that offers a gentle contrast to the abundance of hard rock music. If you lean adult or adventure, don't miss this one.

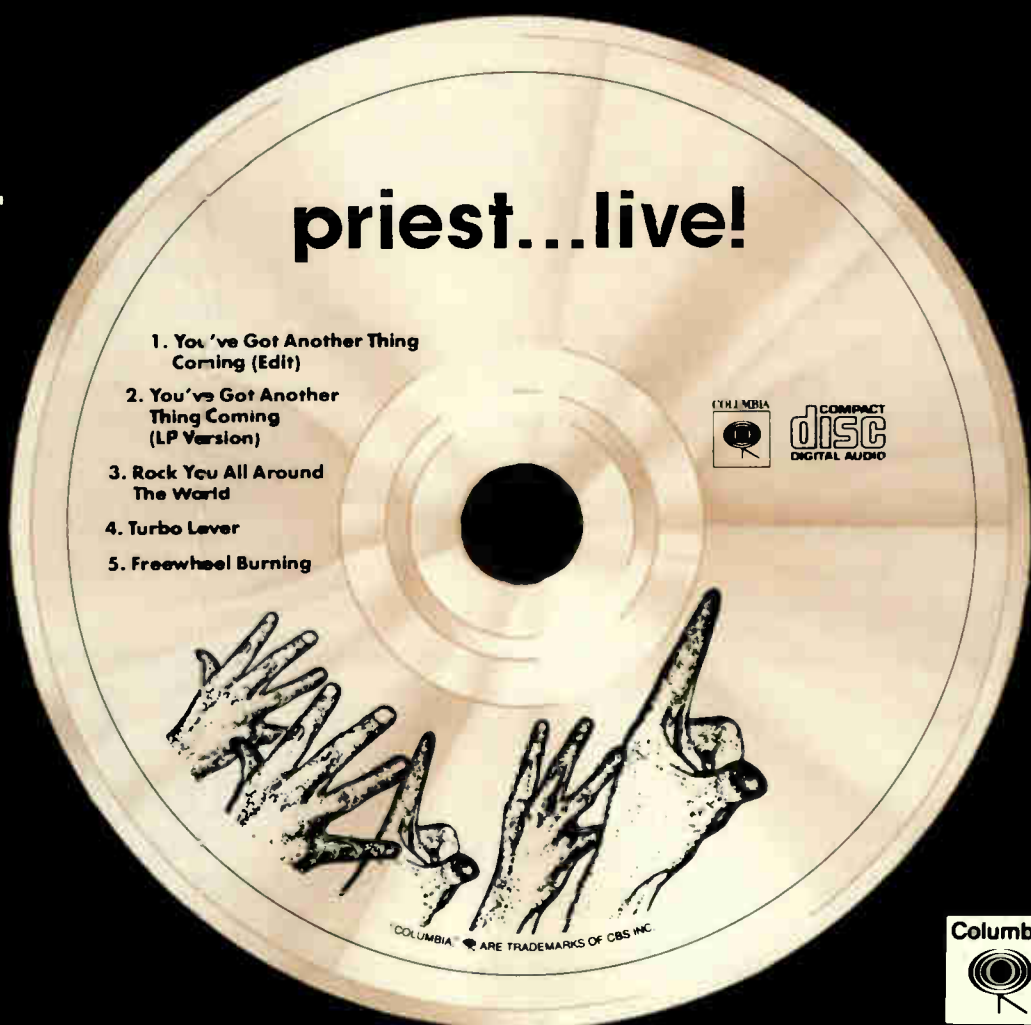

OUR FAVORITE BAND/"WOMAN NEEDS A FIDDLE" - BIGTIME/RCA

OFB are a product of a wide range of influences. Similar to Little Feat, OFB have a blues based sound with some country, folk, ragtime and rock and roll thrown into the mix. On "Saturday Nights And Sunday Mornings" OFB is joined by some special guests: Jason & The Scorchers, Michael Stipe (R.E.M.) and Steve Forbert. OFB offer refreshing music with a wit and style all their own. "Fiddle" progressively builds intensity as the song begs for sexual attention for each band member, instrument by instrument.

DIRT ALERT!

EXCLUSIVE: KRANES CROSSES OVER TO POLYGRAM A&R

WXRK, New York, MD Bob Kranes is making a career crossover, moving to PolyGram Records as Manager of A&R. The former WBCN, Boston, MD and WLIR, Long Island, Op Dr will be based at PolyGram HQ in New York, reporting to Senior VP of A&R, Dick Wingate.

"Rock 'N Roll is constantly changing in every aspect," Kranes told FMQB. "It's a lifestyle that's fun to live. When an opportunity comes along that's hard to pass up, it must be taken. The chance to work with PolyGram Records and Dick Wingate and the entire A&R staff is a chance that I couldn't resist. I look forward to some real exciting times and some real exciting music. Working with Dick and the A&R staff at PolyGram is going to be one of the most exciting moves I've made. Their knowledge of the industry, their knowledge of music, and their commitment to rock 'n roll is unlike anything I've ever seen. Watch out!"

Bob moves into a position that's been open since last year. He starts in two-three weeks. "I'm extremely proud," Wingate told us, "to add someone with the track record of Bob Kranes to the A&R Dept. at PolyGram. Bob's work at WLIR, WBCN and K-ROCK speaks for itself, and he's clearly shown himself to be a man of taste. Taste is what A&R is all about so I feel that Bob will be a great A&R man, and I look forward to working closely with him in the years to come. As another guy that came out of FM radio and ended up in A&R, I really recognize Bob's potential talent as an A&R man."

ASHER ACES KTYD MD

KTYD, Santa Barbara, afternoon drive personality Jane Asher will take over the station's Music Director responsibilities on June 1, replacing Laurie Bentson, who will stay on with the station as an assistant to Jane and new PD, Russ Mottla. Mottla, who began programming the station on May 18, told FMQB that he felt a need to have someone who could devote full-time hours to the position, something Laurie, a part-timer by choice, couldn't do, and thus the change was made. This is Asher's second tenure with KTYD. Her previous stint with the Tide was as PD for a year in 1984. On her appointment, Mottla told us, "She was an obvious choice. She's the most musical person on the staff. She's been in Santa Barbara for quite some time now and knows the market extremely well, which is obviously important to me as PD coming from the outside. There was no need to go outside the market to fill the position. Jane can tell me more of what I want to know about Santa Barbara than any amount of research."

In addition to taking on music responsibilities, Asher will move to middays. The station's new on-air line-up is: morning team Jay Fowler and David Hefferperson from 6-10A; Asher, 10A-2P; Mottla, 2-6P; Terry James, 4-8P; Mark "The Night Rocker" Avery, 8P-Midnight; Terrie Richards, Midnight-6A. A seven-year radio veteran, Jane's past includes two-and-a-half-years with crosstown CHR KHTY (formerly KTMS). Reach Jane or Russ for music calls anytime during the business day on Thursday and Friday.

DIRTY SHORTS

WFYV, Jacksonville MD Lex Staley has elevated to Asst. PD

It's looking very likely that WXXP, Pittsburgh, midday man Garrett Hart will be packing his bags soon for Green Bay. Look for the former WGLU, Johnstown, PD to bag the PD post at WAPL.

We hear it's all but official: Count on CILQ, Toronto, Asst. PD Bob Mackowycz to graduate to PD. The longtime Q107 resident will handle programming responsibilities previously shouldered by VP/GM/PD Gary Staigh, who departed earlier this month to head up Standard Broadcasting's radio division.

Is KLSX, Los Angeles, part-timer Frazer Smith headed to DC-101, Washington, for middays? "It's bullshit," according to DC-101 OP DR Curt Gary. "Not true," seconds KLSX Asst PD Sam Russell, "He's not leaving us." Although DC-101 has talked to the former KROQ and KLOS, Los Angeles morning man, that's as far as its gone.

"We sort of unexpectedly ended up in the show last Thursday, and we're still developing it," sez WSHE, Miami OM Charlie Kendall on his landing in morning drive opposite his wife, Lisa. Are the Kendall's permanent replacements for Jimmy and Steve who exited last week? "It's 'Kendall and Kendall' TFN," sez Charlie...How have Jimmy and Steve been spending their newly found leisure time? "It's been an incredibly active week for both of us," Jimmy told FMQB. "Steve went to San Francisco for five days and I went swimming. Every twenty years I take a vacation, and I'm due." Jimmy and Steve have received inquiry calls from Pittsburgh and other cities, but so far it's just talk.

FMQB CINEMASCOPE: ABRAMS & SOMACH TALK ABOUT LAUNCHING CINEMA RECORDS

"Sweeping, symphonic, adventurous, progressive-rooted, headphone adaptable audio adventures" is how Lee Abrams describes what we can expect from Cinema Records. Conceptualized and consulted by Abrams, and run by program producer Denny Somach and artist manager Larry Mazur, the new

progressive rock specialty label will launch its initial releases in mid June. Among the Capitol distributed/marketted Cinema roster are: Moody Blues keyboardist Patrick Moraz, former Camel leader Peter Bardens, Yes synth wiz Tony Kaye, and Tangerine Dreamer Michael Hoenig.

We spoke with Lee and Denny about building and launching the new label.

PAUL: What kind of music will we hear on Cinema Records?

LEE: We call it new progressive. It combines the attitude

LEE ABRAMS

"The Dark Side Of The Moon" to the next level.

PAUL: What's the basic philosophy behind the label and what consumers will Cinema target?

LEE: We find that the music people like when they are 16-20 tends to be what they like for life. There's all these people who grew up on Yes, Genesis, 'Sgt. Pepper', Pink Floyd, etc., who are looking for the next step in the evolution of that kind of music. The primary audience will be 20-35; people who are too young to remember Gene Pitney but too old to be into Poison.

PAUL: With so much Rootsrock being released, there seems to be a shortage of progressive rooted rock.

LEE: It's sort of like hard rock. It's always been there, and the need for it still exists and when somebody comes out and does it real well, it works. I don't think progressive rock has ever gone away. But now there's a place for these artists to get exposed to the consumers. Blues is happening again, hard rock really never went away, but nobody's really tackled the whole progressive rock thing. I'm sure it won't be real fashionable with critics, but there's a lot of people out there who want to be swept away...sonically.

PAUL: From a musical standpoint, what are some of the qualities of new progressive?

LEE: Most Cinema music will be very symphonic in nature, sometimes soft but never soft and wimpy. If it's soft, it will always have a heavy edge to it, again, as in Pink Floyd. We will also seek ethereal and atmospheric music, but never sleepy. And when the music is relaxing, it's relaxing from an hypnotic way rather than a tranquil one. One of the great advantages we have is to utilize both guitar and keyboard synthesizer technology to create a wide spectrum of sounds. And it's rather unlikely we would get involved with anything too acoustic. Most of the music will be instrumental.

PAUL: What's your role with Cinema?

LEE: I'm the conceptual guy. I deal with conceptual matters--the way it looks and how it comes off to the consumers, and with the artist-- pre-production and production processes. Larry and Denny deal with the business and management end. The three of us do all the talent scouting.

PAUL: Will your work with Cinema present a conflict of interest with your role as a radio consultant?

LEE: No, they are two totally different entities. First of all, nobody at Burkhart/Abrams would let me get away with pushing one of my records. And certainly the clients, who are all real numbers hungry, would never play a record unless it deserved it in the first place. No, it's sort of self policing. The bottom line is, if the music's real good it will work, regardless of any involvement I have.

PAUL: Any thoughts on the state of Album Radio today?

LEE: AOR is the new M.O.R. Our big problem in the year 2027 is our audience is going to be dying off. But I see continued growth, and five years from now, or even sooner, 35-44 becoming a huge demographic for the format. In 1998, I can see us being a lot like WGN is today with these huge adult numbers, and nobody under 28 or 30 listening. There continues to be a tremendous need for more adventurous thinking. We call it offense-defense. Defensively you play the right records and say the call letters right and do all those things that you have to do properly. But then you have to think offensively--getting a little crazy, unpredictable, and trying to not be so boring--but not at the expense of the defense.

PAUL: How will Cinema differ from traditional record labels?

DENNY: Our whole idea is to create a label like, say

DENNY SOMACH

Atlantic was in the late '60's: Back then you went into a record store and if an album was on Atlantic you bought it, because it was always Cream or Led Zeppelin or something unbelievable. We want to foster the idea that if its Cinema,

'Gee, I liked their last one, I'll buy it, even though I may not know who the artist is. It's a Cinema record, I know what kind of music it's going to be.'

PAUL: Will Cinema acts tour?

DENNY: All our artists are tourable. Instead of doing the club tour or doing the opening spot on the big shows, we're looking to do what used to be done in the late '60's and early '70's--like putting bands in planetariums or doing a concert in the Grand Canyon. Things like what Jean-Michel Jarre did last year in Houston where he played to 500,000, with a light show in the sky--and it was a free concert. Staging events.

PAUL: I understand that some unusual packaging is part of the label's "re-think" philosophy.

DENNY: We're using a deep space concept. We're utilizing NASA footage but not the photos that we've all seen, like the guy on the moon, but the ones that you never see.

PAUL: With today's technology, the time seems right for a high tech label.

DENNY: The Technology is ready for this now. If you look back on history, the Lp became really big when people started buying component stereo systems instead of the one-piece unit where you stack the records. Now everyone has CD players and Walkmans, and a lot of Cinema music is headphone music. CD players are the rage, and this will be a big CD label. This kind of music is suited for CDs.

PAUL: Will Cinema releases be targeted for AOR?

DENNY: The records aren't being made for radio. The idea is to make something so amazing that radio can't ignore it. It's going to be more of a buzz/word of mouth thing. However, on all Cinema records there will be one or two tracks that can be embraced by Album Radio. It's just like Windham Hill--they sell millions of records and you don't hear them on the radio, until recently.

STATION TO STATION

Paul Nelson will join WWCT, Peoria, IL, as MD and co-host of the station's morning show, effective May 26. Nelson, whose extensive radio background includes stints with WAPL, Appleton (most recently); WKGR, Fort Pierce/West Palm Beach; WGRX, Baltimore, and WMET (WRXR), Chicago, will team up with current 'WCT night jock Dan Conlin and Laura Townsend to form the new "106 Breakfast Club" from 5:30-9A. Paul will be taking music calls Tuesday through Friday from 9A-Noon. Rounding out WWCT's new on-air line-up are: Major Tom Woerner, 9A-12 Noon; Rick Hirschmann, 12 Noon-3P; PD Phil Manickj, 3-6P; Jon Symmonds, 6-10P; Jenifer Daniels, 10P-2A; and Peter Scott, 2-5:30A.

Tracy Barnes has switched from overnights to middays at Z-ROCK, Dallas.

Springfield, MA, AOR/Country combo WAQY-FM & WIXY-AM has undergone a change of ownership from Wilks/Schwartz Broadcasting (a subsidiary of New England Broadcast Group) to George Silverman/Sunshine Broadcasting. The sale price was \$8.75 million.

WZXL, Atlantic City/Wildwood, has recently upped its power from 26,000 to 36,000 watts, improving the station's signal clarity in several outlying areas and widening broadcast radius by some 20 miles.

Warren Williams, who had been serving Houston AC outlet KKHT as MD/fill-in air talent, will join KNX-FM, Los Angeles, effective June 1.

Last week we reported that WNEW had gone from 3.8-3.6 in the February/March/April Arbitrend. The station has actually maintained a 3.6 share.

KKCY, San Francisco, is gearing up for a move to a new studio. Direct all correspondence after June 8 to the station's new address: 642 Harrison Street, Suite 404, San Francisco, CA 94107. All correspondence prior to June 8 should be directed to the old address: 1311 Sutter Street, San Francisco, CA 94109.

Lufkin, TX, AOR KDEY is planning to switch to Easy Listening on July 1.

VINYL TAP

Harry Levy has joined Capitol Records as National Director/Progressive Rock Promotion, and will be based in the label's Los Angeles headquarters. Levy, the former National Alternative Manager for Elektra, will be responsible for promotion of the label's product at all Alternative stations and will report to Capitol VP/Rock Promotion Ray Tusken.

RCA Manager/National Album Promo Hugh Surratt has temporarily relocated from L.A. to N.Y. to direct national promo efforts from Nipper headquarters, until the Director/National Album Promo chair is filled. "I've come in from the bullpen for about a month" sez Hugh, "Whatever it takes to get the job done in the meantime, I'm here to do". A number of names are being bounced around, RCA is talking to candidates, but so far nothing's been put together.

Interested in programming WCXR, Washington? Speed your resume, station composite tape and a brief programming letter ("No books, please") to Metroplex National PD Bob Kaghan at the station. Bob is overseeing programming for now, now that PD Douq Gondek has stepped down. Gondek continues in middays and working on certain programming projects.

CILQ, Toronto is pulling out all the stops for its 10th anniversary! Robert Plant, Bryan Adams, The Cult, Huey Lewis, Ace Frehley, Gowan and Tom Cochrane have all stopped or phoned in to the station as part of a week long celebration. Q-107's throwing a massive anniversary blow-out bash at a local Toronto club on Tuesday night, featuring former Q-107 winners Honeymoon Suite and The Partland Brothers, along with the Q-107 All Star Band, starring Rock And Hyde, Steve Earle, members of Loverboy, Tom Cochrane, Kim Mitchell and Gowan! At the party Q will give away a cool \$10,000 to one listener, but there's a hook: the winner has to spend all \$10K in 10 hours, with dropping more than a grand in one place!

WBEN-FM, Buffalo has reverted back to a hybrid posture after flirting with Album Rock for a few weeks. Herb Alpert, Janet Jackson, Madonna, et al are back after a short absence. Will 'BEN pact with John Gorman for consultancy services? The G-Man was spotted at the station this week.

"The CD Hotline" is a computerized catalog, listing all Compact Discs available world-wide in every musical genre (except Classical). The hotline also lists information about each CD, such as running time, SPARS codes (digital or analog), track listing, guest artists, producers and engineers, country or origin, consumer availability rating as well as reviews drawn from all major American and British record and audio magazines. The CD hotline is fully staffed 40 hours a week, including Saturdays and Sundays. Thanks to the Pollack monitor for the following tasty bits of music news. The largest open-air concert ever held in Scotland is scheduled for August 1, with U2 as the headlining act.

With Carl Palmer now back in the group, look for a new release from Emerson, Lake and Palmer some time this year.

A compilation of Steve Winwood's greatest hits will be released in September.

"Made in Heaven", a summer movie release starring Timothy Hutton and Kelly McGillis, will feature guest spots with Tom Petty, Ric Ocasek and Neil Young. The sound track will include music by R.E.M., Luther Vandross, Buffalo Springfield, Martha Davis and the Nylons.

KID WATCH

Former WRCN, Long Island, Asst. PD/MD Wayne Summers has taken an active role in fighting child abuse, by working with the national charity, Kid Watch. He phoned in this report: "I can think of no more worthwhile endeavor than that of helping a child, especially children unable to help themselves from abuse in its many forms and from exploitation. I extend to my fellow programmers an invitation to join in a national radio alert network to aid in this cause. Kid Watch is a national charity with a staff of dedicated professionals who work tirelessly and selflessly on behalf of our children through educational materials, public awareness, immediate response to a missing child, and treatment of the emotional trauma. Soon I'll call to give a brief overview of the organization, or to speed up the process call Kid Watch for information on how to help at 516-582-8444 or use the toll free number: 1-800-Kid Watch. From the "U2 can be refreshed department" this is a brand new track not picked from the "Joshua Tree".

HUE AND CRY/"LABOUR OF LOVE" (CIRCA)

The sort of song that makes you want an album full of the same right now...this Scottish duo are making their second ROL appearance.

THE ROCK OVER LONDON TOP 5

- 1 (-) JOHNNY HATES JAZZ/"Shattered Dreams" (Virgin)
- 2 (-) MARILLION/"Incommunicado" (EMI)
- 3 (-) WET WET WET/"Wishing I Was Lucky" (Mercury)
- 4 (-) U2/"I Still Haven't Found What I'm Looking For" (Island)

5 (5) THE HOUSEMARTINS/"Five Get Over Excited" (Go)

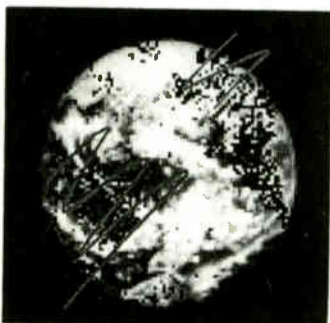

Some inside information on the forthcoming Prince's Trust shows at Wembley Arena on June 5 and 6...ROL's Graham Dene is the presenter for both shows and we hear that there are three days of rehearsals taking place at The Academy, the rock venue in Brixton, South London, on June 2, 3 and 4. Just look at this for a rehearsal band on June 2: ERIC CLAPTON (guitar); BRYAN ADAMS (guitar); MARK BREZICKI of Big Country (drums); MARK KING and MIKE LINUP of LEVEL 42 (bass and synths respectively); GARY BARNACLE (horns); SQUEEZE'S JOOLS HOLLAND (keyboards) and MIDGE URE (everything!) - that band will rehearse "Running In The Family", "Behind The Mask", "If I Was" and (get this) C'Mon Everybody". Then on June 3, the same band will rehearse tracks from the walk-on guests - "Everything I Own", "Stand By Me" or "Save The Last Dance For Me" and "Through The Barricades". On June 4, all the tracks will be rehearsed again together with songs from Phil Collins and Paul Young. An interesting insight into how a major rock event like this gets put together.

If you've heard rumours about THE WHO reforming to celebrate their 25th anniversary...here's the true story. Five months ago, Pete, Roger and John had a meeting to discuss the possibility of marking the occasion - but first they had to decide which date to celebrate. In the summer of '88, THE WHO can look back on 25 years together, while 1989 sees the silver anniversary of their first release ("I'm The Face"/"Zoot Suit" as the High Numbers in 1964). Nothing was decided, and since Pete has since expressed his preference for a private party - however, given an interesting enough alternative, he may change his mind. So there's a challenge! In the meantime, all three are busy with their solo projects which will be completed in time for them to celebrate at least one of the anniversary dates.

ROL's week at the Montreaux Rock Festival gave us the chance to make friends with plenty of interesting people - like, for example, JOHN FARNHAM, the former LITTLE RIVER BAND singer who's now a massive star in Australia. His single "You're The Voice" is belatedly breaking in the UK, and we found John to be not just a very interesting character but

FREHLEY STARTING REHEARSALS FOR FIRST TOUR IN TWO YEARS: Former Kiss member Ace Frehley began rehearsals with his band, Frehley's Comet, for his first tour since March, 1985. The tour begins June 20th in upstate New York. Anton Fig, who handled drums and percussion on the new album, will not be in the band. He has been replaced by another drummer, Billy Ward. Frehley says they'll be doing most of the album as well as a few songs from his days with Kiss, such as "Shock Me," "Rip It Out," and "New York Groove." "New York Groove," was actually from the solo album Frehley recorded in 1978 when all four members of Kiss released albums simultaneously. "It was the only hit from any of the solo records," Frehley boasted. Frehley, who left Kiss in 1983, says he's spent the two years since Frehley's Comet last performed trying to find the right record label, securing the deal and finding the right management. Frehley says he's also been writing songs since 1983 which left him with plenty to choose from for his album, though his single, "Into The Night," was written by Russ Ballard. Frehley says he keeps in touch with his former bandmates and sees Peter Criss occasionally. He hasn't seen Gene Simmons or Paul Stanley in a couple of years, but speaks with them on the phone. Frehley is planning to make the song, "Rock Soldiers" his next video.

STARSHIP: The Starship is now a four piece band. Bassist Pete Sears is out of the line-up after 13 years. The new Starship single, "It's Not Over 'Till It's Over" is scheduled for release June 12th.

JENNIFER WARNES: Jennifer Warnes is doing a brief, four date tour of Eastern Canada next month starting on the 12th. She'll do additional dates in Western Canada in July. Warnes, who sang the "Blind Date," theme, also has another movie

theme coming out. This one is from "Dirty Dancing."

DURAN DURAN: Duran Duran has been set as the opening act on the Canadian leg of David Bowie's world tour. The August dates will be part of Duran Duran's 50 city, three month North American tour, which will end September 8th. They'll start work on a new album in Paris in October. There will be no more Arcadia or Power Station projects, according to Duran Duran.

CHRISIE HYNDE ADDING MUSIC TO JAMES BOND FILM:

Chrissie Hynde is joining A-HA on the soundtrack for the James Bond movie, "Living Daylights". Hynde is co-writing and recording two songs for the film with usual James Bond composer, John Barry. It marks the first time a Bond film has featured more than one vocal track. One of Hynde's tracks will be used over the end credits; the other will be integrated at some point in the film. Barry also worked with A-HA on the main theme, as he did with Duran Duran on "A View To A Kill".

Horn player Roger Ball, of The Average White Band, (born in Dundee, Scotland) is 43. FMQB salutes Capitol Records on this date for, what is, indeed, the anniversary of the founding of that great organization. In 1942, Glen Wallichs, Johnny Mercer, and B. G. DeSylva started a company called Capitol Records. The pride of Hollywood & Vine is 45 years old today. Gordon Waller, of Peter & Gordon fame, is 42. On this date 32 years ago, in 1955, Bill Haley's "Rock Around The Clock" became the first #1 of the Rock Era when it hit the top of the Billboard Charts. FMQB notes that even to this day, "Rock Around The Clock" remains the third biggest-selling single in music history. And what are the first two? Answer: "Rudolph The Red-Nosed Reindeer" and "White Christmas". On this date in 1968 Senior Senator Robert F. Kennedy (Dem./NY) was slain in Los Angeles, California, by Sirhan Sirhan. And to Prince Rogers Nelson (born in Minneapolis, Minnesota), who is 29, a special happy birthday wish.

BEST BITS

OPERATION KYYS

KYYS/Kansas City PD Scott Jameson developed a most unique concept for the morning show when the station recently broadcast

live from a hospital operating room during an operation. Morning show host Max Floyd, clad in surgical greens, was on hand to describe the sights and sounds of back surgery being performed on a woman who must have been a big fan of KYYS. Floyd's partner, Frankie Hutchison, was in a room next door with Jameson who produced the show. The third morning show member, John Hart, was handling things back at the station.

The surgery was performed by neurologist Dr. Ketcherside. A friend of John Hart's, Ketcherside is occasionally a character on the morning show and goes by the name "Dr. Brain". They call him whenever they have a medical question. Scott explained, "When Dick Howser had brain cancer it was a very serious, very sensitive issue. All the jokes were put aside and 'Dr. Brain' gave a real layman's insight into what the disease was and what the complications were. On the other hand, the live broadcast was meant to be fun and lighthearted, nothing really serious."

The morning crew put together a series of pre-production bits to play throughout the show. They taped a conversation with the woman the day before the operation asking her questions like: Are you scared? Why do you want to do it? Why do you want to do it on the radio? They kept the show very light. At one point Frankie announced that the station would give \$102 to any woman who delivered a baby at the hospital between 6AM and 9AM. That was a pretty safe bet for the station, that hospital doesn't deliver babies.

Regarding the idea behind the broadcast Scott Jameson stated, "We weren't trying to make a big statement, I just wanted to do it because it's never been done before. It's fun and it's different. Some people are gonna like it. Some people aren't gonna like it, but it created talk. And you know it worked because the competition was making fun of it!"

WHJY'S SLY FOX

Women morning personalities in the radio industry can probably be counted on one hand, and to hear controversial female jock on

the air is even less likely. But WHJY/Providence's Carolyn Fox, is just that: a female, controversial, morning disc jockey. Because of this rare situation she has been featured in US Magazine, USA Today and on "West 57th St."

Some of Carolyn's best known stunts included (with the help of Asst. PD Glenn Stewart who did news at the time) the shut down the city of Providence on April Fool's Day. She went on the air and said that the city was closed for the day by the Providence Labor Relations Action Board Committee. They gave no real reason for the city's closing and within an hour they had created such a stir that a police officer came up to the station and told them to stop. The station received incredible local and national coverage from this event.

Carolyn also managed to get a call into "The Refrigerator" when Chicago was in the Super Bowl with the Patriots. She pretended she was the Refrigerator's mother and spent a half an hour trying to get through to him at his hotel. She

finally found someone stupid enough to let her through. She was very nice to him and wished him good luck in the game, but he just grumbled and hung up on her.

Carolyn's latest coup was creating a phrase that all of Providence has picked up on. For many months she's been telling people to "have a large day." It's become such a popular catch phrase in Providence that the station went so far as to have extra large t-shirts made up with the saying printed on them.

It's great to know there are at least few ladies making their mark on the morning airwaves and we expect Carolyn will be around for quite a while. Oh, and by the way, have a large day.

WYMG BOOKS IT!

WYMG/Jacksonville, IL morning man, Joe Caruso, found an unusual way of giving away a pair of baseball tickets on his

show recently. Joe explained: "I had promo'd all week long that I had four tickets to the Cubs/Cardinals game at Busch Memorial Stadium and that my newsman and I should take a couple of listeners to the game. It came down to the day of the game and had been saying all week that I was going to give these tickets away, but when I got here today, I only had two tickets." I don't know what I did with the other two tickets--the ones we were going to give away to listeners. I must have misplaced them. Let me retrace my steps and see what I did yesterday.' We dragged this out throughout the morning. I would say, 'Let's see, I went to a restaurant, then I went back home, then I played softball, I stopped at the library...' People started calling up suggesting that maybe you left them at the library. I said, 'Yeah, I could have. You know, you're right! I was using them as a bookmark. Now, if only I could remember which library.' Calls started coming in from different libraries until I finally narrowed it down to which library. Then I said: 'But I don't remember which book!' The library the tickets were in wasn't open yet, and didn't open until 9:00AM. But, apparently cars started gathering in the parking lot. At 9:00AM, I went on the air and said, 'Ok, I remember which book. It's Essentials Of American Government' - because of all the Governor Thompson jokes we've been doing. I figure I have just as much chance as anyone when he's done so I'm going to study up! Anyway, there was a mad dash in the library for that book and someone finally got the tickets."...So much for the library being a quiet place to study!

Is your morning show funny? Do your listeners suffer from terminal laughter as a result of listening to your morning personality/team? Have some of your recent morning bits been nominated for dozens of awards for their creativity and entertainment value? Why not share these ideas with the rest of us and in the process help those struggling, dull, witless, droll, void of originality, ratingless morning shows get their act together. Send us your Best Bits on tape or in written form to FMQB, 1930 E. Marlton Pike, Suite F36, Cherry Hill, NJ, 08003.

POLYGRAM PRESENTS
QUESTION
of the
WEEK

How would you define your station's image in your market? What effective image enhancing promotions, marketing campaigns and programming features has your station done lately?

LIN BREHMER, WXRT: "Our fifteen years on-the-air provide us with an enviable stability in the business community and a largely unparalleled commitment to new artists in the musical community. The musical direction of the station has always appealed to the more mature rock listener which has reflected in qualitative ratings and are usually only succeeded by Chicago's classical station. In the way that we present ourselves on-the-air we tend to be music intensive, listener friendly, and we feel that our audience has the intelligence to appreciate our award winning commitment to news and information... We do very little in the way of day-to-day record/ticket giveaway promotions, and concentrate our promotional efforts towards larger events and special presentations tying in as the official station for the world's largest blues festival, for example; or promoting local appearances by up-and-coming artists at very low prices in an effort to establish the artist in Chicago."

BILL PUGH, WKLS: "We are the rock 'n roll station... Pure rock 'n roll, which is basically saying that we don't play a lot of crossover material. With a market that is served by 3 Top 40's, a couple of AC's, there's no real need to be all that durable to a female audience. We reinforce that position (pure rock 'n roll) with everything we do as far as billboards, TV, bumperstickers. It means that we're also contemporary, but we're not overlooking the past. We're the heritage station in town. We promote that, our 13 years as an AOR, the only AOR in town. Some of the things we do to enhance that image are speciality weekends, listener involvement, etc. ... We're turning the clock back to June 1st, 1967, for the release of 'Sgt. Pepper' and we're doing a whole day a la 1967 with CD player giveaways, CD's, club promotions and the music, and our jocks reflecting that... Along with this is our 'Summer Of Love' promotion, sending listeners to see The Dead in San Francisco, and also to London to see Abbey Road. A lot of the promotions we do are targeted to 18-34;

25-34; and 25-44 male and adults. Basically, we're a good, fun pure rock 'n roll station."

DAVE LOGAN, KFOG: "The AOR leader... One of the things we've done is a Monday thru Thursday feature called the KFOG Adventure Hour. Monday thru Thursday at 9:00 P.M. - Monday night - the KFOG Deadhead Hour... Tuesday night - Midnight Dread (an hour of Reggae)... Wednesday night - Musical Starstreams (the one hour version, new age)... Thursday night - The Blues Power Hour (rock 'n blues). I think we've gotten to the point where people have heard 'Down On The Corner' for the 11 thousandth time... So for an hour, it's early enough, and it's music intensive enough; from a speciality programming nature, that it gives people a reason to listen to the radio."

DAVID DYE AND HELEN LEICHT, WIOQ: "WIOQ's image is more defined by the amount and quality of music we play than by anything else. We are Philadelphia's adult rock and roll alternative. We play deeper cuts on big albums. We play a wider variety of types of music and we support new artists first. Our image as a leader with new music in Philly has been greatly enhanced by our successful co-promotions of both Bruce Hornsby and Crowded House on their first visits to the city. Replaying live cuts from these concerts continues to reinforce this position... Our promotional thrust is focused towards the adult listener who may have children, with prizes like the WIOQ Beach House - giving away ten weeks at an ocean front home for ten people per week - geared to the whole family. Our TV spot, featuring local people with the same name as rock stars performing well-known videos, is the talk of the city and presents the station as a witty, fun alternative for hip adults."

POLYGRAM ROCKS RADIO
ROCK N' QUOTE OF THE WEEK

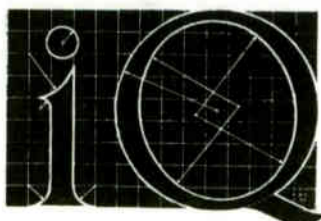

"After playing iQ's 'No Love Lost' for a couple of weeks of on-air tests, it gets the nod for a fulltime add this week. It sounds like nothing else on the air right now and our audience is responding positively."

edged version of KQ. The other is softer, less accessible, and is perceived as an AC version of KQ...where we have a great deal of heritage and are perceived as the broad-based mainstream AOR...Up until now, we've been able to rule the roost. We're the place where you can hear the new U2 along with local artists; like the Replacements and Suburbs, along with great classic, timeless rock so there's a strong perception of depth...We feel we need to touch the peak as much as possible, avoid becoming corporate. We throw listener appreciation perks, we make our personalities accessible at every concert in town. Accessibility is the operative."

KEN ANTHONY, KSJO: "KSJO has gone through several management and slight programming changes over the past few years. I'd honestly say, as a result of these changes, KSJO has had a bit of a mirky image in the marketplace. Over the last six months we've made the appropriate changes to reflect our heritage position. KSJO is the longest running album rock station in the Bay Area (the station recently celebrated its 19th birthday) and we have done significant programming and marketing changes to reflect that...Programming wise we've instituted the Classic Rock Electric Lunch during the noon hour, along with paying great lip service to our heritage and longevity in the market. Also bringing back jocks like The Lobster and Billy Vega has drummed home our heritage in this area as well. We've also highly enhanced our high tech image in a high tech area like the Silicon Valley with several major compact disc player promotions, coupled with the fact that we are playing most of our music on CD (KSJO does a Compact Disc Hour weeknights at 11:00PM). KSJO's image in the past has primarily been a 12-24 hard rock station. We have worked hard over the last few months to speak to the 25-40-year-olds in the market. As a result of this, even though our 12+ winter ratings were down, we showed a 45% increase in men 25-34. This encouraging bit of news means that we are moving in the right direction in terms of upgrading our image."

GLENN STEWART, WHJY: "WHJY is Southern New England's home of rock and roll, but our market-leading upper demo numbers support our claim as an 'adult' station too. Credit proper dayparting for that. Recent focus groups have also confirmed that we are the first station to go to for concert information and entertaining personalities. We support this image with fun promotions like this week's 'Live From LA' trips and broadcast, \$5,000 spending sprees, and our 'Outrageous' contest. In everything we do, we aim to create a buzz. And it works."

BILL WISE, WGTR: "Our image is the world's first all compact disc rock 'n roll station. We do a feature every week night at 9:00 PM, called The Custom Compact Disc, where listeners send us their six favorite songs and make up their own compact disc...We play the songs on the air and give them a CD of their choice. We're also giving away the world's first compact disc juke box, which we have on display at Burdine's Department store, through the spring book."

RICK CARROLL, KROQ: "We're imaged as being musically progressive and in-step with the way L.A. is, as compared to the rest of the stations here being four steps behind. One of the ways we've been able to foster that perception is by having actual artists such

as Billy Idol endorse us and say those kinds of things in IDs. Billy has allowed us to be the only station that goes backstage with him. We're the only station in town that U2 did an ID for--they remember that five years ago, KROQ broke their very first record. Recently, we've elevated that image by doing what WBCN's been doing so successfully with the Noon-time Free Concert. The first one was last week with Mission U.K., and we had to turn away 200 people from a hall that holds 1200 people. We also do Block Party Weekends--two in a row--from artists that enhance our image--U2, Bowie, INXS, Depeche Mode, and with that we give away the artists' entire catalogue. We've recently re-designed our logo to make it more street-hip, and we're launched a buscard campaign that has the new logo on 4 out of every 5 buses in L.A. Our slogan is 'Rock Of The '80s and '90s.'"

MARTY BENDER, WFBQ: "We recently spent a great deal of money to find out what our image was in the market according to our listeners. The results are thus: WFBQ is the station that plays too much hard rock and not enough hard rock; has a great morning show and has a terrible morning show; plays the most music and has too many commercials; has the most information and doesn't give enough information. I think that pretty much zeros in on it."

NAT LAMP, KLAQ: "KLAQ's image in the market is that we're first the rock and roll musical playground, and the music covers ages from 18 through the late thirties, early forties, and if you want that music, we're the station to listen to. Outside the music we found out that those people that are looking for public service help are beginning to realize KLAQ can get the job done; and they are now sending us more than a form letter asking us for help. I.e: over a year ago, we got the United Blood Services the most donations in the city's history. A few months ago, we did the exact thing. Both were done with our rock image and were centered around a couple of concerts that were coming to town. We also raised over \$14,000 in pledges for Special Olympics, and this was done with our 'Pay For Play', 12 hour radiothon. So our community service image is very good in this city...One of our biggest image enhancing promotions is our balloon festival, which just occurred over the Memorial Day weekend. 80 balloonists from all over the country were in attendance and we did what might be the biggest international fly when we had 40 balloonists fly from Mexico to the United States. This whole event, now in its second year, is promoted as a family event; and when we say family event, we mean we have billboards all over the city inviting all residents to participate. It also includes music, airshow, parachutists, and a lake to picnic or party at...One of our biggest marketing campaigns in this city is our billboard campaign. On the air, I think Rockline is one of the best on-air programs that we run. We also do special programs in different dayparts that try to get the listeners involved through write-in. One is the 'Catch Of The Day', where listeners write in and request their favorite three songs from a particular group. The response has been overwhelming. The other write-in asks listeners to send in a mini-menu that includes three or four of their favorite Psychedelic Psupper songs. One other thing that we've done is taken features that were exclusively morning show features and expanded them to the night time."

JOHN SEBASTIAN, KDKB: "KDKB's image has been mixed. On the one hand, this radio station is the heritage rocker since 1971. Conversely, the last couple of years, the station has

QUESTION OF THE WEEK

wandered away from its focus, hurting its reputation. To fix this situation, since my arrival we've adopted a campaign called, very simply, 'KDKB IS BACK'. We have a good billboard campaign and on-air production to match built around this theme. This has helped us re-establish ourselves with the audience in Phoenix that has grown up with KDKB. In letters and phone calls, the audience has echoed the phrase back to us. Notice should be taken by competitors and friends alike. KDKB is back."

IRIS HARRISON, KGON: To the Portland audience we're perceived as the rock and roll station with a 13 year heritage, playing not only classic album cuts, but the best of the new product. Amazingly enough, we're still some what perceived as the hard rock station in town, going back to our days of playing heavy metal...Lately, an effective image marketing campaign has been a very classy direct mailing piece. It's an artistic, classy and interesting postcard with station features listed on the back. Image promotions contain the likes of trips, concert involvement, outdoor summer activities and the likes. Successful programming features are No-Repeat Thursdays, CD Weekends and Two-For-Tuesdays."

JIM STEEL, WIOT: "That is a hot topic here in Toledo. Years ago, we used to be a headbanger station, and many people still refer to 'IOT as 'that heavy metal station'. Over the past 10-18 months however, we have come to eliminate all of the non-melodic metal and have geared our music on a more well rounded sound. In addition to the great balance of music and jocks that are real everyday type of people, very classy and 80's-ish style billboards and bumper stickers have flooded the market, TV spots are next."

CFNY, TORONTO, CN ASST.P.D./M.D.-DON BERNIS: "Stop the presses! Summer is coming and so are the major artists' releases, and leading the pack are two outstanding albums: 'Live In The City Of Light' should do for older Simple Minds material what 'The Joshua Tree' has done for U2, in the sense that once the Johnny-come-latelies hear some of the classic older trax like 'Promised You A Miracle' and 'Waterfront', the catalogue of albums should rebound back onto the chart in a big way. We don't ordinarily jump on live albums, but this one is so well done we can't resist. The love song 'Sun City/Dance To The Music' medley is guaranteed to be a radio classic for years to come...The other exception to the rule for us is compilation albums, which we usually avoid except for added new tracks. We're not going to avoid Bruce Cockburn's 'Waiting For

A Miracle': the compilation of every single this talented singer/songwriter has released since 1969, including two brand-new songs, two completely re-recorded older tunes, and two versions of songs from his film, 'Rumours Of Glory'. 'Miracle' represents an amazing career that has been ignored too long in the U.S. (except, of course, by progressive/aggressive radio and critics). Ranking in quality with such Canadian exports as Neil Young and fine whiskey, Bruce Cockburn shouldn't have to wait for a miracle this time. American radio should be jumping all over this double album (with eleven extra trax on the CD) on Gold Mountain/MCA...Single Of The Week honors go to Roger Waters, who sounds like anything but Pink Floyd with 'Radio Waves', a perfect poppy summer song--much better than 'The Pros And Cons of Hitchhiking'...Progressive/aggressive radio stations that are looking for those elusive teen numbers should take note of 'Possessed To Skate' by Suicidal Tendencies. This one drives the kids crazy. Not only are requests starting to pour in, but when we play the video at our road show dances, the floor sags with the weight of all the partiers. It may border on hard core, but that doesn't matter when it's a hit."

KTXQ, DALLAS, TX ASST.P.D./M.D.-REDBEARD: "Personal to D.L. at P.G.: You're jammin' me!"

WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI: "Heart's 'Bad Animals' was the perfect way to start off the Memorial Day weekend. The album showcases the band's usual strength in vocals and melody. Ann and Nancy keep their audiences hanging on for more. Some of my favorite tracks are: the title track, 'Who Will You Run To?'; 'There's The Girl'; and 'Easy Target'...Roger Waters' 'Radio Waves' is an interesting preview of what we should expect from the forthcoming 'Radio K.A.O.S.'. Can't wait to see what Roger's impression of our business is...The Outfield's 'Since You've Been Gone' should keep the momentum that was started with 'Play Deep' on the right track. I would like to thank Phil Collins, Tony Banks, Mike Rutherford, Daryl Stuermer and Chester Thompson for being so kind when I met them backstage at Three Rivers Stadium here in Pittsburgh. The show put on the Sunday before Memorial Day was a light-and-sound extravaganza that you don't see very often. You couldn't have asked for a better day in terms of weather or enthusiasm. Thanks to Bob Clark from Atlantic, and double thanks to Mark Fritzes, also of Atlantic, for all their help in coordinating everything that was involved with our pre-concert reports as well as meeting the band."

WWDC, WASHINGTON, DC OM/M.D.-CURT GARY: "I'm off to Genesis!"

KISS, SAN ANTONIO, TX P.D.-JIMMY CHRISTOPHER: "After eight years and four months (over a fifth of my life) at KNAC, I've said adios. It's tough to explain all that I experienced and all the changes that I saw and made. I want to thank Flagship Broadcasting for putting the much-needed finances into the station's studios and signal. Thanks to GM Gary Price, who I knew like a father, and taught me a ton about programming. Ross Goza M.D., and Production Director Tom Maher were like brothers and Sales Manager Nicky Randolph was like a sister. The staff was the most underrated in L.A. I love you all and I miss you. Good luck to Tom Marshall, I know he'll continue the KNAC rock and roll legacy...I'm into my second week at the legendary 99.5 KISS, rockin' all of South Texas. We're having fun here and rockin' our socks off. What a staff. They've all made me feel right at home--from the GM David Small and Tom 'T-Bone' Scheppeke to Donna Keller in Promotions and the entire sales staff. My staff is all winners. I mean, how many people in this country can say that they've programmed the two hardest rockin' stations in the U.S.?"

KGON, PORTLAND, OR M.D.-INESSA YORK:

"When someone the magnitude of Roger Waters puts together an album, it really does seem redundant to comment on its virtues. But, I have to say that I was genuinely surprised at how modern 'Radio Waves' sounds. There's almost a punk edge to Roger's vocals. A very hard-hitting song that works musically and/or conceptually. What a fitting comment on our time. Thanks from myself and Iris to Columbia for putting together a fine atmosphere for listening...P.S.: Love that Loverboy!"

WLIR, LONG ISLAND, NY ASST.P.D./M.D.-LARRY

"THE DUCK" DUNN: "Thank God it's Friday and Thank God he carries a badge. Art Of Noise 'Dragnet' is wacked. I hope the movie is the same...Danny Wilson 'Mary's Prayer' and the Replacements 'Alex Chilton' are currently enjoying Top 5 phones--as well as great sales...Special thanks to Robert Smith of The Cure for phoning in. Robert mentioned on-the-air that 103 songs were recorded for the new album, which was whittled down to 35 songs. I can't wait for the album and B-sides...Screamer Of The Week: U2 'Trip Through Your Wires'. This makes seven Screamers for 'The Joshua Tree'. From this point on they will be referred to as The Magnificent Seven... My thanks to Steve Stoff of RCA for bringing Bryan and James of Pseudo Echo up for an on-the-air interview with Donna Donna."

WLVQ, COLUMBUS, OH M.D.-WENDY STEELE:

"All of a sudden there's a surge again of good music and interesting music. The weird Roger Waters is at it again. It really attracts those upper demos...One of the adds was Suzanne Vega 'Luka'. It seems to be working for many others, we'll give it a shot...Saw Bon Jovi at an outdoor show close to Columbus last weekend; over 40,000 people were there. It was quite a fun and entertaining day in the sun."

KLOL, HOUSTON, TX M.D.-HARVEY "DR. K" KOJAN:

"I've been sitting here at this cluttered desk for 45 minutes, deadlines rapidly approaching, my sun-drenched backyard beckoning, trying desperately to put into words how much I love Little Steven's 'Freedom'. If you, like me, have never been a fan and were not convinced by 'Treaties', please set aside some time to listen to the whole album--especially the title track, which is as passionate as any music can get--and a great dance song to boot!"

WXRT, CHICAGO, IL M.D.-LIN BREHMER:

"Many people have commented recently that it's good to hear Dan Fogelberg rocking again. While I heartily concur that Dan's latest offering is refreshingly upbeat, I'm a bit concerned that I might have missed something in this fine song writer's career. Now, before Dan's newest release, when was it exactly he was 'rockin'?' Are we talking 'The Last Nail'? 'Tullamore Dew'? No big deal. Just curious...We admire the cleverness of Roger Waters, who on the one hand does a concept album about the horrors of tightly formatted radio, and then on the other, releases a single that will clearly appeal to the tightest formats of every description. But then, hasn't Roger always relished life's little ironies?...Adds this week: Local nightclub faves: Big Twist And The Mellow Fellows; The Rousers from nearby cheese country; Roger Waters; Little Steven; and a remarkable little record that sounds so good we don't care he's soon to become a country artist Bill Lloyd."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY:

"If James Dean had been a singer he would have sounded like Steve Jones...The Heart album sounds like it's chock-full of hits, my favorite being 'Who Will You Run To?'. They should stay with Ron Nevison as long as they

put out records--they are a winning combination."

WNEW-FM, NEW YORK, NY P.D.-MARK CHERNOFF:

"WNEW-FM broadcast live from Asbury Park, NJ on Friday, May 22nd, to kickoff Memorial Day Weekend. The broadcast was from dawn to dusk with an estimated 50,000 fans. Co-hosting the morning show was Southside Johnny, with live music all through the day with: Beyond The Blue, Ronnie Spector, NRBQ, Smithereens and Pseudo Echo. Later on, at 12 Midnight, we broadcasted live from the Stone Pony with the Smithereens. Many thanks to Jerry Lembo, Steve Stoff, Don Maggi, Cindy Sivak, the WNEW-FM Staff and all others involved for making WNEW-FM summer's coolest rock and roll!"

WIYY, BALTIMORE, MD M.D.-CHRIS EMMY:

"I love Omar. It's another 10-year-overnight Texas success story just like the T-Birds. Guaranteed: They'll howl their way to the Top 10...It's great to see that I'm not the only one that's delighted with the return of Warren Zevon. With R.E.M. behind him, the stage show should be a thing to behold...Thanks to Geffen's Jann Zlotkin for an entertaining afternoon on-the-air with Whitesnake's David Coverdale and an even better dinner after."

KGB-FM, SAN DIEGO, CA M.D.-PAM EDWARDS:

"It's always tough to top a previous big seller, but Heart managed to pull it off. With good direction and excellent songs, they've stayed true to the sound that works for them. 'Who Will You Run To?' is the obvious second track and 'Bad Animals' gets the rockers going...In another truth-is-stranger-than-fiction tale, Roger Waters chronicles the story of radio KAOS. It's hard to believe that this was written before the KMET fiasco exploded and, now with the lawsuits flying, it's an even eerier thought. Without the 'reality' connection, this is still a stunning song that is really an attention grabber, and 'Going To Live In L.A.' is Pink Floyd all the way...Thanks to the Doobie Brothers and Mike Coates for the interview and First Reunion Concert in San Diego. It was like they never left...Also big thanks to Andy Taylor for an incredible club show. Seems Andy and the Psychedelic Furs couldn't come to terms (he's off the tour) so he called us up and within twenty-four hours he was booked into a local club and the show was sold-out. He's got a hot band and a rock and roll future."

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART:

"About seven months ago, my Program Director sat me down and made me listen to the 'Miami Vice' soundtrack. Why, you ask. Because there was this amazing Steve Jones track on it. Since then we have long awaited Mr. Jones' triumphant return. His sleek solo project is mercilessly cool. It is a pleasure to add this song...Roger Waters' 'Radio Waves' is a phantasmagorical journey into the whorl of art rock...Mason Ruffner rocks in at #5 requests this week...P.S.: Who else is loving that 'Dragnet?'"

"Odds 'n' Sods (or, today I feel like Larry King): Welcome back, Roger Waters. 'Radio Waves' is uncharacteristically right. I love it!...Boston has six sold-out shows in Worcester this summer. The opening band is Farrenheit. We're turning our listeners on to 'Love In Loveland'. This one rocks...The Cutting Crew deserves another shot and this week it's 'Mockingbird'...It's now more fun to play 'The Game Of Love', courtesy of Montrose. We tested that a while back and folks loved it...Mason Ruffner continues to grow in phones...And Richard Marx is definitely the curiosity call King Of The Week...Jude Cole's photo now hangs on my wall, and his record hangs out on my turntable--strong consideration...When you get your Omar & The Howlers Lp, check out 'Lee Anne', it's the sweetest blues yet...Finally, 'HCN finished our 18th year of rock with the final night of our Rock Test Tournament. WBCN, BOSTON, MA M.D.-CARTER ALAN:

"I'm just back from a week of relaxing in Pennsylvania--I wasn't named after Allentown or vice versa...Catching up on some of the listening: Warren Zevon is a natural and it's great to hear that classic voice again. The tour with the R.E.M. boys should be a smoker, drawing lots of long time fans who haven't seen Warren play electric for years as well as a load of the curious who love R.E.M...Tom Kimmel's got a hit Lp. Lots of great songs on this one; 'A-Z' is my fave...That new Gary Numan record on Critique is his strongest step forward in years...Steve Jones is absolutely brilliant...And the Little Steven record stops me cold. Personally, I'm in love with 'Bitter Fruit' and 'Pretoria', but 'Freedom' and 'Sanctuary' are also strong reaction songs from the 'BCN staff. What an album. It's already on my 'best of' list for 1987...Thanks to Rock And Hyde for a brilliant 'BCN show at the Paradise last week. The joint was packed, everyone was stoked, and the band blew us all away!"

"Thanks to Michael Prince; Kevin Young and Joe Gerber for bringing Rhonni and Gina Stile of Envy to 95-X. These two talented sisters are destined to burn a trail as they go starting with 'Ain't It A Sin' from their new album. Rhonni's voice knows no bounds, while Gina's guitar licks are a wailing addition to this straight ahead rock 'n roll band. Gina was selected to perform at the upcoming NAMM Convention, while the only other guitar player scheduled is Eddie Van Halen. They're young and raring to go. Don't miss Envy!... The 95-X Memorial Day Festival was a blast, thanks to The Kingsnakes; Reckless; Jon Butcher; Dickie Betts and Benny Mardones for putting on incredible performances. It was an added bonus to see J.J. French of Twisted Sister up for the show."

"This week I get to actually see my very first pro basketball game. I can hardly wait, but I'll remember to keep my mind on music matters! This week's music meeting seemed like an open court---with the Memorial Day holiday weekend as our spectator, and the product dribbling all around us, with indeed some fancy footwork. The adds were few, but the jump shot tunes selected were hooped precisely: Roger Waters; The Outfield; and another basket from the Heart album racked up the points on the scoreboard...But the real champ this week was the Motley Crue single. It's been on for only two weeks and has already bumped and dumped into heavy. We're getting top phones and the album debuted in Lansing at the #1 spot. A feat that even Dr. J would be proud of...The Pistons may have Isaiah; The Lakers may have L.A. & Magic; The Celtics may have their fancy floor and The Bird--but at Lansing's Lazer, we have the real champ--that of great rock 'n roll!"

WTPA, HARRISBURG, PA ASST. P.D.-CHRIS JAMES:

"The Heart Lp outdoes the last one, three times over. The ladies show they still know how to rock. 'Bad Animals' is a standout, along with 'Who Will You Run To'...Along the same lines, don't ignore Envy. They look to be the Heart of the '80's and '90's...Stan Campbell finally gets an add. Sounds like The Doobies meet Jon Butcher. Should be great through the Summer...How could you ignore a record by Roger Waters? Once again a great AOR track...Frozen Ghost follow-up is a great surprise. Shows no sign of burn through the Summer...A note to listen to Wall Of Voodoo's 'Do It Again'. It's the Summer record waiting to break!"

The sisters sound better than ever...Speaking of sisters, have you heard Rhonni and Gina of Envy? These two ladies have one hell of a record put together and it warrants your attention. Thank you, John Weston and Danny McClosky for bringing them by...We're also putting in Frozen Ghost 'End Of The Line' this week. I have been a believer since day one, and it's a great follow-up to 'Should I See' which worked very well for us...That's it for this week--stay well!"

This is some serious American rock 'n roll here...I hear a trace of John Mellencamp in 'That's Freedom' from Tom Kimmel. That song should do real well here...Suzanne Vega is enormously talented. 'Luka' is definitely an upper demo grabber."

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA:

"Roger Waters' 'Radio Waves'--The name alone will evoke mega-requests, and besides the tune is great...Robin Trower 'Passion'--His local following here at the Shore is unbelievable. We've had a very successful run with both 'No Time' and 'Caroline', and this one's more guitar oriented to please your typical Trower fan...Envy 'Ain't It A Sin'--These twins remind me of a heavy version of Heart. If they could perform live, as good as they look, we've got some new high mistresses of metal!...The Cult 'Lil' Devil'--With the obvious success of 'Love Removal Machine' this follow-up is a no-risk-add...Fire Town 'Carry The Torch'--the closest thing you can get to The Byrds'

'Mr. Tambourine Man'. Great upper demo record...Also on: World Party 'All Come True' and Stan Campbell 'Years Go By'."

WORZ, ORLANDO, FL M.D.-MICHAEL LOWE:

"Keep your eye on the Paul Janz album! Last week we were talking about Richard Marx--Next week we'll be talking about Paul Janz! Same rock sound without all the heavyweight names."

WQBK, ALBANY, NY M.D.-BOB WELCH:

"After playing with iQ's 'No Love Lost' for a couple of weeks of on-air tests, it gets the nod for a full-time add this week. It sounds like nothing else on-the-air right now, and our audience is responding positively...Envy has a great little rock 'n roll tune. These ladies can play and sing...Just a word about artist ID's: We love them and use everything we get, but we've recently gotten a couple that we cannot use. The slogan 'Q104' is obsolete and has been for nearly three years. 'QBK-FM 104' is the slogan these days. Make a note, and keep them coming...As you read this, I'm lying on Virginia Beach with a frozen Marguerita, tanning my newly slender bod. For the trip I'm bringing U2; The Cult; John Hiatt; Omar & The Howlers; Jon Butcher; and all my Frank Zappa tapes. I'm going to enjoy this. It's been a wild year. John Cooper will be taking your abuse until I get back."

WRFX, CHARLOTTE, NC M.D.-MARY LONDON:

"We will be moving -- Look for new address next week! Please note: If we do not have new music on compact disc, we will be unable to add. New facilities and present facilities in transitional change. Forgive us for problems this may cause with some new product not yet available on anything other than vinyl. This situation should be cleared up within a month, but until then--please send CDs if you wish airplay, if you have it!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER:

"A couple of promotions we've been doing recently include our morning show doing a live remote from one of our humongous billboards, adjacent to one of the main expressways leading to town. This kicked off the Memorial Day weekend, as we reminded people to drive safely over the holidays which our morning crew did on-air and visually, with a large banner, telling people to drive safely. We got good TV coverage out of that...Rock Around The World returns to our airwaves and we are sending people across the country and around the world. Some of the trips include: Tom Petty in Dallas; Bryan Adams in Montreal; David Bowie in London; and Boston in L.A. Thanks to all

companies involved in these promotions. They sound great on the radio...I also got a chance to meet a new group that go by the name of Envy. This is a group that on the lookout for: Two sisters that can mix it up very well in this world of rock 'n roll. Rhonni, the lead singer, has a very strong voice with an added punch, but still keeps it commercial, along the lines of a Pat Benatar or Heart. Meanwhile, Gina, on guitar, may give some of the guys a run for their money. If you haven't already, check their song 'Ain't It A Sin'."

KFMQ, LINCOLN, NB M.D.-JOE SKARE:

"Motley Crue continues to light up the phones--Top honors on the request lines at Q-102. What else is new? Adds this week are Roger Waters; Steve Earl And The Dukers; and Omar & The Howlers. 'Hard Times In The Land Of Plenty' is a great Summertime rock 'n roller that sounds great on the radio. Watch this one!"

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE:

"Large thanks to A&M for helping us put together a Memorial Day weekend trip for two of our listeners to see Bryan Adams in Miami. The promotion was a big hit. Our next giveaway will be to see Tom Petty in LA, along with a whole schedule of fun things to do in that funky town. Nice to see Atco's Michael Prince and Atlantic's Kevin Young bringing around the girls of the new band Envy. It's nice to see that kind of commitment on new acts. It sure seems like a real roots rock rebellion lately...and we're loving it. The parade of 'rock and roll with no machines' continues with Omar And The Howlers, whom we will gladly make room for. Doing real well on the phones after just a short time are Dan Fogelberg, Vega, Richard Marx and Mason Ruffner. Also added this week was the next single from Rock And Hyde, called 'I Will'. You will too after you hear the song. This could be one of the best and, unfortunately, overlooked albums of the year."

WHMD, HAMMOND/BATON ROUGE, LA M.D.-"CATFISH"

PHIL COLWART: "This new Heart album has enough h-i-t singles to last thru Fall. Our 2nd cut is an obvious choice 'Who Will You Run To'...Congratulations to Roger Waters for another brilliant concept album. 'Radio Waves' is Waters' best since his 1984 'Pros And Cons Of Hitchhiking' Soundtrack. It will be fun to see where this one debuts on the AOR charts...Andy Taylor's 'Don't Let Me Die Young' arrives in a timely manner--when national morale is low. Let Andy lick them up!...Wendy Walman is back after no solo Lps for five years. Wendy is back on Cypress Records with 'Living In Hard Times'. Remember, she co-wrote 'Heartbeat' for Don Johnson. Her new Lp is worth a listen. Also, The Saints are touring down here. It's true--there are Big Hits On The Underground."

KNCN, CORPUS CHRISTI, TX M.D.-ELISE

VANDER BORT: "A big, huge 'thank you' to Joe Estrada of I.R.S. for the great Concrete Blonde show in Austin. This band puts on an excellent show. If you thought they were a little wimpy for airplay, go see them live--it'll change your perspective totally...I want to say 'hello' to my new radio friends: In Midland, John Rocking Robbins and Kazz--The Button say 'hi'--And to Loris Lane of Lubbock--let's get together again and harass the late night DJs. It was fun! Thanks again, Joe. P.S.: My Mom says thanks for the backstage pass. Watch this space for sordid details of Mom's and my adventures with the Georgia Satellites when they play Austin with Tom Petty and the Del Fuegos. If I can ever get my suitcase unpacked, I'll

let you know what's h-o-t musically in the C-City!"

"ADDS: Julian Cope 'Volcano'; Wendy Waldman 'Hard'; Rank & File 'Golden'; Marshall Crenshaw 'Easy'; Roger Waters 'Radio'; Omar & The Howlers 'Hard'; Bryan Adams 'Hearts'; The Outfield 'Since'...CONSIDERING: Long Ryders; Hunters And Collectors...MOST REQUESTED: Bon Jovi 'Wanted'; Motley Crue 'Girls'; Bob Seger 'Shakedown'; U2 'Still'; David Bowie 'Day'; Tom Petty 'Me'...INCREASED PLAY: Mission U.K.; Cutting Crew; Gary Numan; Peter And The Test Tube Babies; Warren Zevon."

WJXQ, JACKSON/LANSING, MI M.D.-BILL WEBSTER:

"ADDS: Steve Winwood 'Back'; Danny Wilson 'Prayer'; Lone Justice 'Found'; Fleetwood Mac 'Tango'...CONSIDERING: The Cult 'Devil'; Fire Town; The Outfield; Little Steven...MOST REQUESTED: Heart 'Alone'; Bon Jovi 'Wanted'; The Truth 'Weapons'; Little America 'Walk'; Whitesnake 'Still'...INCREASED PLAY: Mondo Rock; Bruce Hornsby; Cutting Crew; David Bowie; Richard Marx; Dan Fogelberg... The Lone Justice, which doesn't seem to be getting too much of a push, is a great rock track. I like 'Tango' much more than 'Seven Wonders'...Danny Wilson is great too. I expect it to sound great on the radio."

WGLU, JOHNSTOWN, PA M.D.-BRIAN WOLFE:

"Thanks to Westwood One and Dave Bouchard of Epic for all the help, tickets and touch-of-class with the REO Speedwagon show last week. It was probably the best rock 'n roll show to come through Johnstown in a long while... Also, thanks to Mark Fritzgas of Atlantic for all the help with the Genesis show in Pittsburgh last Sunday."

WCLZ, PORTLAND, ME ASST. P.D.-LORETTA

CRAWFORD: "Oh, those long weekends. Too much fun and I almost forgot to come back to work!...Phones are h-o-t for Keiko Matsui... Also, good initial response on Nicholas Tremulis and Stan Campbell...We're pushing buttons with some good time jazz tunes as well--like Jonathan Butler, a young South African black man with musical roots as far reaching as the universe...Plenty of controversy over Michael Jackson selling the rights to some great Beatles songs to advertisers. I guess that's what capitalism is all about. It leaves me cold."

WRUF, GAINESVILLE, FL M.D.-JASON TYLER:

"The Wilson Sisters are once again in prime form, and I mean musically with Heart. Every cut on 'Bad Animals' has potential, especially the howling title track...I'd like to thank Lady Di for the live recording from the Prince's Trust, for giving us a great way to bring back well worn tracks... The Motley Crue are still burning up the phones...If Bryan Adams is in your neighborhood, check him out because he laid down two and a half hours of solid rock for us rock 'n rollers!"

WOJ, FT. MYERS, FL M.D.-STEVE AVERY:

"Omar & The Howlers' 'Hard Times In The Land Of Plenty' will cause headaches among politicians and their media pets who keep telling us 'things are getting better'. A good song to play in your BMW while counting your blessings--it could've been us on the street...Vigil's 'Until The Seasons' has an almost mystical flavor that is a welcome change from the typical electric bubblegum and heart-throb songs--It appeals to the body and the mind! And for a good chuckle, on side two, check out the 'Celiba Sea'. Interesting little ditty...On TSOL's 'Hit And Run', I particularly like 'Dreamer' and 'Not Alone Anymore'...And my question-of-the-week: Is the world ready for a hard rock band that tosses Bibles into the audience at concerts? Stryper's 'Free' is pretty good music, and besides, if old J.C. is watching, it won't hurt to stay on his good side!"

WWTR, OCEAN CITY, MD M.D.-JENNIFER GIPE:

"Our first Best Body On The Beach Contest was an unbelievable success. A couple thousand people joined us in the search for the Best Body of Maryland, Delaware, Virginia and Pennsylvania. It's truly something to see...The more I listen to the Tom Kimmel, the more I like it. It's a definite add here...Being burnt out on U2 a little bit, it's wonderful to be giving 'Bullet The Blue Sky' a lot of airplay. It reminds me of why I like that band."

WHTQ, ORLANDO, FL M.D.-SLATS:

"Bryan Adams was in town to put on a workman-like performance this past week. It was like he was saying to the packed house 'You paid \$18.00 to see me--welcome, and let's rock!'--but Christ, the real surprise was Patty Smyth. The word to describe her was 'magnetic'. What a sparkplug! Don't go to the beer cooler backstage until she and her band do Zeppelin's 'Whole Lotta Love' for an encore. Thanks to Craig Lambert; Jordan Zucker and Paul Rappaport for the hospitality. Since Lambo bought the drinks we add the new Bryan Adams single and, finally, Suzanne Vega, plus another one from Heart. Have a slippery nipple day."

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS:

"Howdy and congrats to my buddy, John Regan, currently a part of Ace Frehley's comet. 'Into The Night' is burning up the phones and it's our #4 Most-Requested-song this week, and it rocks the 'PDH airwaves. Lookin' good, John...Flash! Flash! Floyd fans freak out! Calls are already happening around Roger Waters' 'Radio Waves', and I can certainly hear why. He always supplies us with material just slightly left of center and churns up the listeners' ears with his unique style... Consensus of opinion around these halls--Lou Gramm's 'Ready Or Not' is a fucking h-o-t tune. All the right stuff is all that need be said...Lou and Patty Smyth rock in the Hudson Valley in June and we can't wait... Have you ignored Dan Fogelberg because you know his sound and it's not right for you? Well, I've got news for you--Drop the needle on 'She Don't Look Back', and be prepared for a surprise and an add! Very h-o-t male phones are already coming in here, proving that Dan's scoring big with this refreshing approach. You never could ignore his super voice and he's gotten real aggressive with this one. The calls indicate that it's a h-i-t!"

WZXL, ATLANTIC CITY, NJ P.D.-STEVE MC NEE:

"100.7, WZXL, is proud to announce a power increase of 12,000 watts. That brings the station now up to 38,000 watts covering more of South Jersey than ever before. Anyone who is vacationing down the shore--give us a listen and let me know how we sound!"

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS:

"It was our extreme pleasure to host Capitol's Bill Bartlett and his charming wife over the holiday weekend. Ask him what the Alaska experience was like, so you can find out what you've been missing?...About the new Outfield, no sophomore jinx here. It's a solid radio track and if you think this is good, wait till you hear the album...I have mixed emotions about the new Motley Crue record. The single is a smoker with wide appeal, and it should launch the album to s-m-a-s-h status. The album should give adequate inspiration for The Crue kids to be obnoxious all Summer long!"

The new stuff that sounds best this week is undoubtedly Steve Jones and Roger Waters. WEQX also added fresh vinyl from Rip Roc Bop, a smart young band from Albany that knows to bring their record to our studios in Vermont if they want airplay in Albany! ...Countdown to Scruffy The Cat concert--four weeks!"

RECORD ACTION

RICHARD PACHTER, PROMOTION IN MOTION

(305-482-6629): "Several years ago Gerry Lacoursiere, the head of A&M in Canada, called me to testify about a new artist he had signed: a skinny kid named BRYAN ADAMS. Well, we all know what happened with that one. Recently, he called again to tell me about a new artist that he was having a similar success with in Canada, a fellow named PAUL JANZ. I was somewhat skeptical, but Gerry isn't prone to hyperbole. Once I listened to a tape of Paul Janz, I knew what he was talking about; Janz is hot shit, but don't take my word for it. Put an ear to his initial release 'One Night' and discover the electricity of a great new artist, Paul Janz."

JEFF NAUMANN, VIRGIN (213-278-1181):

"First off, hats off to yet another successful night at Rockline, orchestrated by the beloved Cindy Tolin and her crack crew. It was STEVIE RAY VAUGHAN who played a neat, live pipeline and our own CUTTING CREW. Even though this is the Cutting Crew's first nationally syndicated show, they came off sounding great. They even took calls that spilled over when the show was over. Next week, WARREN ZEVON, with OZZY, will be taking calls on Rockline. That will be one not to miss. Mr. Zevon has a smash with 'Sentimental Hygiene' and everyone (except for two or three Jesus freaks) in the universe agrees. CUTTING CREW'S 'One For The Mockingbird' is going on Top 40, like Pigs On Corn. So don't wait any longer on a hit

record. It's time to add it now. DANNY WILSON'S 'Mary's Prayer' sounds so good on the radio. Give your females and upper demos a real treat. Even WIYY's Tom Evans has been reported singing 'Mary's Prayer' in the shower. SPEAR OF DESTINY'S 'Strangers In Our Town' is a record not to be overlooked. It rocks and it's very hip. THE BALAAM AND THE ANGELS 12" of 'Light Of The World' is out. The tour was a success, now it's time for an add, if you haven't done so yet. Finally, for the immense U2 following, let them hear the song 'Heroine' from the 'Captive' soundtrack. I'll bet my house they'll love it. Flash: VIRGIN PISTON WORKS is coming."

MICHAEL PRINCE/ALEX MILLER, ATCO (212-484-6400):

"It's been a great first week for the band ENVY. We knew, coming back from Memorial Day weekend, that 'Ain't It A Sin' would be added to many quality radio stations. Check the adds, you'll see how strong Envy is. More importantly, put 'Ain't It A Sin' on your turntable and make it an add this week! Since you did, thanks for reading."

ED TRUNK, MEGAFORCE (201-254-6533):

"'Into The Night' from ACE FREHLEY continues to build, just check any chart in any trade! The video is now on MTV and the band is presently rehearsing for a headline world tour to kick off in Poughkeepsie on June 20. Ace has just completed two weeks of non-stop press on both coasts, and will be making live appearances on various T.V. shows, including an MTV feature interview. It's now time to kick 'Into The Night' into the heavier rotations, after all, a Billboard jump from 118 to 56 means something!!! ANTHAX is now on their 'Among The Living' American Tour, and are receiving rave reviews everywhere. The band's special guests on the entire tour are METAL CHURCH. OVERKILL is also getting great response supporting MEGADETH on their current U.S. tour. TAKING OVER continues to do well at retail, and the video for 'In Union We Stand' is a regular on MTV's Headbangers ball. Speaking of MTV, the Anthrax video for 'Indians' is due to hit this week. It's gonna blow you away! Keep an eye on the debut from TESTAMENT, THE LEGACY is picking up some major college airplay, as well as commercial metal shows. If you haven't experienced the power of this album and need a copy, give me a call at 201-254-6533."

MATT POLLACK, RELATIVITY (718-995-9200):

"'SCRUFFY THE CAT'- Just a few more of the never ending adds in the Scruffy saga: WMDK-N.H.; WFMX-MA; WBRU-R.I.; KVEZ-VT; WRFX-N.C.; KJET-W.VA. Ah yes, and also a 12" your way, real soon, real hot, contains 'Never Never' and 'Time Never Forgets'. Hope all you folks caught them on MTV this past Sunday night, if not, you're deprived. Few may be able to catch them live. They're on the road purring East Bound, coming to a neighborhood near you. Give me a ring to find out when and where. If all the press is tempting you to spin it, give in to your weakness. But spin with discretion: potent and addictive!"

PROGRAM PRODUCER

ED PINKA, RADIO INTERNATIONAL (212-302-1670):

"What a week! THE BEATLES, THE STONES, THE KINKS and ELO all made rock and roll history this week. How? Don't ask me, let THE BRITISH WAX MUSEUM give you the details. Only five minutes a day keeps your listeners informed and entertained on all the rockings and doings of the day. It's quick and easy and short and sweet, but it's still got all the events, trivia, interviews and great music that make it rock and roll. THE BRITISH WAX MUSEUM, a rock 'n roll history lesson."

It'll be their first official live album since 1971's "Made In Japan". They'll also be filming some of the shows for an accompanying full length concert video.

INTERVIEWS

BONO: If you read and believe your good press, you've got to read and believe your bad press. So we don't really believe any of it and just believe what we think about ourselves and believe each other in the group. In U2, that's kind of the way it's always been. We look to each other for a kind of "how we're doing". You said "the band of the eighties" and that's a real compliment until it's the 90's, then it's not such a compliment. To be honest we still have so much further to go. We have a lot to learn, and as a group I think we're just kind of getting started really.
