Young Joins WB For West Coast

Former Capitol/Nashville Sr. Director/National Promotion **Rick Young** is the new West Coast regional promoter for Warner Bros., succeeding **Jim Malito**, who was promoted to WB's national post a month ago. Young is based in Burbank and is already on the job. There's no phone number to report at this time, although his e-mail will be rick.young@wbr.com

Rick Young worked the West Coast for Capitol for seven years before moving to Nashville for the national job. Prior to that he held a variety of posts in radio, including PD and on-air personality positions.

Dennis Menaces Gulf Coast

Western Florida and Alabama took another pounding over the weekend as Hurricane Dennis made landfall as a Category 2 storm. WKSJ (95-KSJ)/Mobile PD **Bill Black** reports that his station maintained a steady community-service presence during the storm. "95-KSJ and our Gulf Coast Storm Alert Network team of broadcasters put in a long weekend keeping the Gulf Coast informed," he says.

The Bear Returns To Tuscaloosa

No, Bear Bryant hasn't risen from the departed. But Citadel did debut WFFN (The Bear)/Tuscaloosa, AL last Friday. Citadel/Tuscaloosa OM **Greg Thomas** is overseeing The Bear for now. There are no jocks, just "Jack"-like promos declaring "We play what *you* want." And there's plenty of sarcasm and irreverence in the liners, which are voiced by former WUSN/Chicago afternoon driver **Bill Lloyd**. Music quantity is the primary selling point; the early focus is on 20 in a row.

Groves To Manage Triad/Savannah-Hilton Head

Triad/Savannah, GA-Hilton Head, SC has named **Susan Groves** OM of the seven-station cluster, which includes Country WGZR. Groves was previously PD at Citadel's Alternative WRAX/Birmingham. She replaces Bob Neuman, who exited earlier in the year to program Hot AC WRMF/West Palm Beach.

More CMA Fest Performances Slated For ABC

Dierks Bentley, Kix Brooks, Sara Evans, Jo Dee Messina, Dolly Parton & The Grascals, Earl Scruggs, Ricky Skaggs, Sugarland, Keith Urban and **Trisha Yearwood** have been added to the ABC television special *CMA Music Festival: Country Music's Biggest Party*, set to air Aug. 2.

This Week At Callout America

Our weekly analysis of Country callout research is brought to you by Bullseye President **John Hart**. Here's a look at some of the biggest stories Hart looks at in next week's issue (July 15):

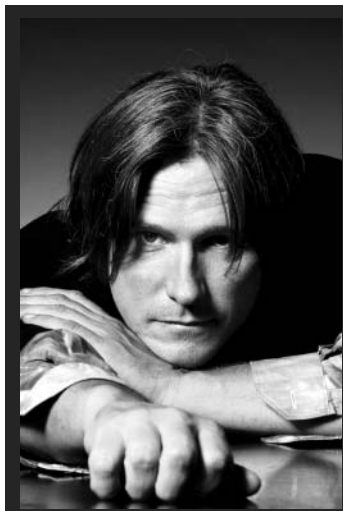

"It's tight in the top five this week. Toby Keith continues his multi-week reign in the No. 1 slot, both positive and passion, with 'As Good As I Once Was.' Sugarland's 'Something More' holds as the No. 2 song in the sample and is the No. 2 passion song, up from No. 3. The No. 3 song over-all this week is 'Help Somebody' by Van Zant. New to the top five this week is Faith Hill's 'Mississippi Girl,' up strong from last week's No. 8. Sara Evans moves into the top 10 with 'A Real Fine Place to Start,' which ranks No. 9, up from No. 12. At only 7 weeks old, Craig Morgan's 'Redneck Yacht Club' is on the move, ranking as the No. 13 song and the No. 9 passion song. Leann Rimes' 'Probably Wouldn't Be This Way' is showing strength as the No. 17 song for the week, up big from No. 27."

Chesney Is Road's Top Draw

Kenny Chesney's 2005 *Somewhere in the Sun* tour has played to 609,862 fans so far, topping attendance figures for the year's second- and third-place tours, U2 and Celine Dion, which have drawn 499,109 and 321,169 people, respectively. Because his ticket prices average less than \$60, however, Chesney is No. 3 on the top-grossing-tours-to-date list.

 If this is a song driven format,
 then this is a SMASH!

Lisa Brokop

 With an infectious, hooky chorus,
 this song hits the core audience
 with perfect relatability.

"Big Picture"

100% audience tests all over the country.

"Her performance at Frog Fest XVII two weeks ago proved again what a shame it is that such a talented woman hasn't had the success in the U.S. that she enjoys in her native Canada. Lisa is a co-writer on this song, one that should strike a chord with our audience. But the main thing Lisa offers is that magnificent voice - one of the finest in our format."

121 Country reporters. Songs ranked by total points for the airplay week of 7/3-7/9. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number. MOLLYE REES

"Anybody can record and sound great, but the real test is when they sing acoustically and it sounds better than the original." WDEN/Vance Shepherd

"What impressed me most about Mollye is her commitment to the substance of her songs and not just the sound. She sings about what she believes and that comes through in her music." WGOL/John Pilati
