Gulf State Radio Stations Cope With Katrina

Stations from the Florida Panhandle to Texas continue to offer extended coverage, with many in the path of the storm struggling to remain on the air.

At Clear Channel's WKSJ (95 KSJ)/Mobile, PD/MD/midday host **Bill Black** expected downtown Mobile to be flooded for several blocks. He said, "The storm surge is coming in on a high tide, making for rough flood conditions.

"95 KSJ and our Clear Channel/Mobile cluster have been broadcasting continuous storm coverage since 5pm Sunday. Our staff announcers, teaming with local NBC-TV affiliate WPMI, are updating listeners on the latest storm movements, power outages and road closings. Our audio is also being streamed at our weather website, www.stormalert.net, and has been picked up by Premier. We plan to continue long-form coverage through [Monday night]."

To the northeast, WTVY/Dothan, AL midday host **Big Mike Casey** and morning co-host **Amie Pollard** gave much-needed information on area tornadoes to the Wiregrass region while also providing reports to refugees who fled such areas as Biloxi, MS and Mobile. Pollard went on the air at 6am Monday, and, as of 6:45 last night, planned to remain on the air, as the entire region had been placed under a tornado watch until 5am CT Tuesday.

R&R Observes Labor Day

All R&R offices will be closed Monday, Sept. 5 in observance of Labor Day. All R&R Mediabase-monitored reporters can submit station adds via the R&R Add Tracker website anytime from this Thursday (Sept. 1) until 3pm ET on Tuesday, Sept. 6. R&R Country Indicator non-monitored reporters may submit their full reports any time during that time frame. The R&R Country Hotfax will be delivered Wednesday, Sept. 7. Thanks, and have a safe holiday.

Stations Assist Storm Refugees

While our coverage usually focuses on those most adversely affected, it's important to note the critical role radio plays in areas within driving distance of the storm. Radio can help those fleeing a storm in a number of ways.

CC/Alexandria, LA OM and KRRV PD **Steve Casey** said, "We're safe here in Alexandria. We have a lot of people passing through town looking for hotel rooms which aren't available, so we are directing them to shelters."

KRMD/Shreveport, LA was also assisting New Orleans evacuees. PD **Les Acree** said, "There were a lot of folks on the road en route to this area, and we certainly kept them informed on what was going on back home and where the nearest motel or hotelvacancies were. We also broadcast the names of restaurants willing to feed them for free, with their ID. Once critical needs are assessed, we will

Van Zant Placed On IR

Johnny Van Zant is facing three months' rehabilitation following surgery to remove a polyp on his vocal cord. His condition is termed "acute chronic inflammation of his vocal cord and development of a large vocal cord polyp" by Dr. Gaeyln Garrett of the Vanderbilt Voice Center. Touring, radio and media commitments for Columbia duo **Van Zant**, as well as **Lynyrd Skynyrd**, are being postponed.

"We've tried to shut him up ever since he was 7 years old, but I'd never wish this on him," says Johnny's brother Donnie. "I have faith that we'll be back before the year is out and better than ever."

Join Gerry For Dinner

The House party is tonight, but there are still some tickets available for this evenings' Leadership Music "Dale Franklin Leadership Award" dinner at a Nashville hotel. The honoree is WSIX/Nashville morning funnyman **Gerry House**.

Rounding out the top five are 'Play Something Country,' by Brooks & Dunn, And at No. 5, 'A Real Fine Place to Start,' by Sara Evans. Gretchen Wilson moves into the top 10 with 'All Jacked Up.' This Week In R&R

The two-page Country column will feature an in-depth interview with **Toby Keith** about his new Universal-distributed label, Show Dog, which will be formally announced at a press conference Wednesday. He outlines the spinoff label partnership with **Scott Borchetta’s** Big Machine Records and speaks candidly on a number of subjects.

Explaining his desire for his own imprint, Keith tells **R&R**, “It’s mostly just for freedom — being able to have control and not having to make those extra phone calls every time you do something. If we decide to switch singles or put an act out, we can roll with it in 30 seconds. We don’t have to call L.A. or New York. The system needs tweaking, so we’ll be doing a lot of things different.”

Also in this week’s **R&R** Country column, Borchetta details the fulfillment of his dream to have his own label. Also, we introduce you to the entire Show Dog and Big Machine promotion team, who will work singles from both labels.

Capitol/Nashville will release **Keith Urban's** first concert DVD, *Livin' Right Now*, on Sept. 27. Filmed at the Wiltern Theater in Los Angeles, the two-hour concert includes 18 songs and behind-the-scenes footage.

Shania Twain's new single, "Shoes," is on Lyric Street. That's because it's from the Sept. 20 release *Music From and Inspired by Desperate Housewives*. The hit series and Lyric Street are both ABC/Disney properties, hence the one-off promotion arrangement. Interestingly, the move temporarily reunites Lyric Street VP/Promotion **Kevin Herring** with Twain. Herring promoted Twain's first two albums while in a similar capacity at Mercury in the mid-'90s.

POWERED BY MEDIABASE

120 Country reporters. Songs ranked by total points for the airplay week of 8/21-8/27. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
