ISSUE 28
JULY 18, 1988

It's Sunny and 108 (that's hot!) in Boston. Sunny Joe White and 108, WXKS that is! Year after year, this Pyramid Hit Radio station has dominated the marketplace, specializing in a wide variety of styles and tempos. MMR has your up-close look, this week in Tuned In! Elsewhere, we've got details on one of the most innovative Rock Radio stations on the planet as we scope in on Noble Broadcasting's 91X (XTRA-FM). Veteran Rock programmer Trip Reeb now holds down the fort, with Oz handling music. In the A/C arena, WLTE-FM, Minneapolis has been on quite a roll, moving 3.6, 12+, last year, to a 5.9, 12+, presently. Gary Balaban programs, MMR tunes in!

There's no drought in the Summer of '88, at least not in terms of innovative, creative promotions! Case in point: Atlanta's Z-93 (WZGC) recently held a "What Outrageous Stunt Would You Do For \$10,000?" contest. The result: One guy actually covered his entire body in tuna fish only to have 15-20 cats lick it off! Another one ate 93 jalapenos and washed it all down with a bottle of tabasco sauce! Yes, there's more outrageous ideas. Find them in this week's City Tracks, your promotional idea generator.

Steve Winwood is on a roll! A quick glimpse of any of this week's MMR Tracer Tracks would certainly verify that Winwood is hot! He's also on tour! This week, we've got Steve Winwood "Captured Live!" The set includes classic tracks from Traffic and The Spencer Davis Group, along with his contemporary material. Details on page 13.

Monday Morning Foreplay has details on hot new summertime releases from Erasure, Glass Tiger, Lita Ford, James Reyne, Midnight Oil, and new Atlantic recording artist, Rebel Heels. Background bio, new release information and more! Find it all in this week's MMR!

MOST PLAYED/HIT RADIO

Four-in-a-row! Cheap Trick continues to dominate Hit Radio airplay, now up in play for the fourth consecutive week, as "The Flame" heats up the summer! This week, the Trick eclipses the 2,000 play count for the first time, racking up a reach index of 58.30 million. MMR ranked "The Flame" #1 in the Rock Radio format in issues #19, 21 and 22. Steve Winwood bolts into #2 with a play increase of over 250 spins, while The Contours are up nearly 200 plays and now rank at #3. Also up in play in the top 10 are Richard Marx, Breathe, Eric Carmen, George Michael, Gloria Estefan and Whitney Houston. Huey Lewis cruises into the #13 slot in just his second week, while other prime movers include The Fat Boys, Robert Palmer, Climie Fisher, Kenny Loggins, Van Halen, REO Speedwagon, Denise Lopez, Guns 'N Roses and The Moody Blues. New entries include Michael Jackson, New Edition, Taylor Dayne, Johnny Hates Jazz and Information Society.

MOST PLAYED/ROCK RADIO

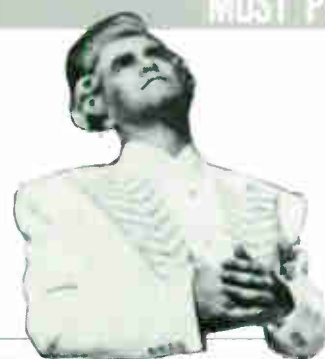

A month at the top for Winwood! The latest Steve Winwood track, "Roll With It" threatens to be the first track to rank #1 in MMR's Hit and Rock formats in the same week. Meantime, Van Halen continues to grow in leaps and bounds, as "When It's Love" jumps over the 800 play count, now attaining an overall reach index of 17.65 million. Robert Palmer is up again, now at #3, Pat Benatar moves #5-4, Huey Lewis #6-5, and The Gregg Allman Band #9-6. Others on the move in the top 10 include Bruce Hornsby and Guns 'N Roses. The Scorpions jump to #20 with "Believe In Love," while the latest from the Scorpions shows at #8 on the Monday Morning Replay nighttime chart. The Fabulous Thunderbirds are this week's newcomers, entering at #23. Others new to the chart are David Drew, Steve Winwood and Joe Satriani.

MOST PLAYED/ADULT CONTEMPORARY

There's no room at the top as The Jets lock in for the third consecutive week, stabilizing with 1,162 plays and a reach index of 23.01 million. Eric Carmen threatens, now up over 100 plays from #4-2. Rick Astley slips to #3, while Billy Ocean climbs to #4. Breathe, Steve Winwood, Richard Marx, Debbie Gibson and Elton John are all up in the top 10. Other tracks on the rise this week include Gloria Estefan's "1-2-3," Chicago, Al B. Sure, The Contours, The Moody Blues, Cheap Trick, Climie Fisher, Whitney Houston, Tracy Chapman and the Little River Band. Most Upward Movement honors are realized by Crowded House, Hall & Oates, James Taylor, Joe Cocker and Huey Lewis & The News. The latest from Crowded House and Art Garfunkel show as next weeks most likely to chart.

MOST PLAYED/CROSSOVERS

George Michael moves to the top of the pack on the Hit/Urban chart this week with "Monkey," while Whitney Houston jumps #5-2. Terence Trent D'Arby, Johnny Kemp and The Fat Boys round out the top five. Stevie B.'s "Spring Love" enters at #9. Steve Winwood leads both the Hit/A-C and Hit/Rock Crossover charts. On the Hit/A-C chart, Eric Carmen, Breathe, Richard Marx and The Contours round out the top five, while George Michael, Huey Lewis, Johnny Kemp and The Fat Boys enter. The Hit/Rock top five is lead by Winwood, followed by Richard Marx, Huey Lewis, Robert Palmer and Elton John. Bruce Hornsby, The Georgia Satellites, The Smithereens, Crowded House and Rhythm Corps debut.

GLOSSARY OF TERMS AND INDICATORS

CHARTS INDICATORS:

Increase from previous week, based on PLAYS or RANKING. NOTE: With the implementation of this methodology, it is possible for a title to rank lower than in previous week, yet retain it's arrow.

✓ Signifies a new entry.

CHART TERMINOLOGY:

REACH INDEX should be equated with GROSS IMPRESSIONS, not with an overall body of audience.

HEAVIEST SATURATION indicates the stations delivering the most GROSS IMPRESSIONS with airplay of any given title.

All numbers pertaining to reach index (gross impressions) are listed in millions.

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly, estimated 6am-midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

ATLANTA

It's the year of the "Power Games" at **WAPW** ("Power 99") and this time around it's "The Mind Bender." Listeners pre-register for their chance to play the game that could put a little extra cash in their pockets. Contestants will be given a category; for instance foreign cars, they would then have nine seconds to name all the cars they could, winning either \$50 or \$100 per correct answer. Congratulations to **BROOKS ALSBROOKS** who is upped to Marketing and Promotion Manager and **CHRISTI EVANS** who joins Power 99 doing 10P-2A from **KEGL** in Dallas **WZGC** ("Z-93") recently held a "Keep the Faith Rally" in hopes of getting George Michael to reroute his tour through Atlanta. Z-93 held the rally at Six Flags complete with 5,000 George Michael masks for attendees to wear. The whole event was captured on video to send personally to the Ex-Wham man. The "What Outrageous Stunt Would You Do for \$10,000?" promotion certainly turned out some fairly bizarre people doing extremely bizarre acts; including a man covering his body in tuna fish only to have 15 to 20 cats lick it off. Another man ate 93 jalapenos and washed it all down with a bottle of tabasco sauce.

DENVER

As if anyone ever needed a reason to kiss, **KQKS** ("KS104") has offered a little extra incentive, the "Kiss Off" for a 1988 Hyundai XL. Three couples have been kissing since June 24 in hopes of winning the new car. The romantic couples get a five minute break every hour and from what we hear this thing could continue for a long time. KS104 has already got plans for their next car giveaway, which will be a Suzuki Samurai. This time around contestants will have to freestand around the car 24-hours-a-day with a break every four hours. Three runner-ups will win trips to San Diego **KRXY** ("Y108") concluded their "Mile of Money" promotion with "Listener Appreciation Month." For the first eight days of July Y108 gave away \$108 every hour, bringing the total amount given away so far this year past a quarter of a million dollars. They continue to keep the listeners tuned in with concert tickets to all the hit shows including front row seats to George Michael, Tiffany and Anita Baker.

SAN ANTONIO

KITY ("Power 93") is playing "Power Numbers." They've teamed up with the local yellow pages to have an insert of coupons added into the book, listeners wait for their numbers printed on the coupons to be called out to win. Each number could be worth anywhere from \$50 to \$1,000 **KSAQ** ("Q96") has got the "Super Q Quick Cash Sticker." Rather than spotting cars with the sticker in the middle of traffic they call out a location where they'll be and the first person to show up with a sticker wins \$96 and if Q96 happens to be the station on the first button of their radio they'll snag another \$96 **KTFM**'s ("Hot KTFM 103") direct mail "Hot Summer Giveaway" includes some hot prizes; including a Ford Probe, a Glasstron Boat and four Honda Elite Scooters. Listeners need only mail in their entry to qualify to win, and then they must listen of course. Congratulations to **ROGER ALLEN** who assumes Assistant PD duties and **YOLANDA ARELLANO** who is the new Promotion Director.

BALTIMORE

The sweat is pouring off your brow, your lawn is yellow and there's only one thing you want to do, "Beat the Heat!" **WBSB** ("B104") helped listeners do just that as **BIG DON O'BRIEN** made the trek to Wild World Water Park with 50 morning show listeners immediately following a broadcast last week. Some listeners don't mind when it gets really hot though, because if it happens to hit 104° it means \$1,004 in cash to some lucky local and it's happened twice already. "BTV," Baltimore's Top Videos can now be seen twice weekly on the local Fox affiliate. The program is hosted by B104's nighttime man **TOM GILLIGAN**. Congratulations to Morning Show Producer **JOHN NOLAN** and his wife Lyle who had a baby girl on July 7.

ORLANDO

What better reason for **WBJW** ("BJ105") to have a "Listener Appreciation Party" than to thank listeners for making them "The number one hit music station;" and as an extra bonus Richard Marx will perform at the event. Happy birthday to Program Director **BRIAN THOMAS** on July 18. BJ105 is on the lookout for a hard-working Promotion Director, those interested should send a resumé to BRIAN's attention Orlando's outlet for "the best new music" **WCAT** ("Y106") gives its listeners hourly chances to win, when they hear the brand-new song of the hour — the objective, is to make sure the listeners stay tuned in long enough to familiarize themselves with the tune. Especially enticing are "Double Cash Thursdays" when the \$106 normally awarded turns into \$212.

SAN FRANCISCO

Tuesday's continue to be "trippin' at **KITS** ("Live 105"), the Bay Area modern rock station. Some of the upcoming trippin' adventures include trips to Washington D.C., New York and Rome. The "Concert Series" is also moving right along as Ranking Roger just finished a gig, upcoming shows include Devo and a surprise concert yet to be announced **KMEL** is fighting back against crack and violence in your neighborhood with "Summer Jam '88." The 10-hour mega concert will feature 16 performers including L.L. Cool J, Pebbles, Expose' and The Fat Boys. The concert is sure to raise lots of money for local charities as they've already sold-out the 21,000 seat pavilion. Congratulations to **MICHAEL ERIKSON** who is now doing 10PM to 2AM, as **RENIL LEWIS** moves into mornings to do traffic and entertainment "Hot Cars From the Bay Areas Hot New Music Station" is **KYUU**'s big summer promotion. Listeners will win \$100 when they hear the song of the day and qualify to win a Porsche 944, BMW 325i Convertible or a 300ZX. Happy birthday to **DON BLEW** on July 16. **JEFF McNEAL** of afternoons exits, a replacement should be named soon.

BIRMINGHAM

"All hit, **WAPI** ("I-95") decided to take a different approach when it came time to distribute their bumper stickers, the station opted for direct mail in conjunction with a local coupon distributor. The campaign is moving along smoothly now with cash being given away daily and an end of the summer prize of a ski boat with trailer just waiting to be won. Congratulations to **JEFF McKAY**, who joins I-95 as Program Director from **WBZZ** in Pittsburgh Congratulations are in order for **TAYLOR THOMPSON**, Music Director of **WKXX** ("KXX106") as she will be taking that long walk down the aisle — of the studio? She and her fiancé will be reciting their vows over-the-air. "KXX106 Funmobile" hits the streets daily giving away instant street requests, listeners get an opportunity to beg for their favorite song live. Congratulations to **PACO LOPEZ** who assumes the position of afternoon driver.

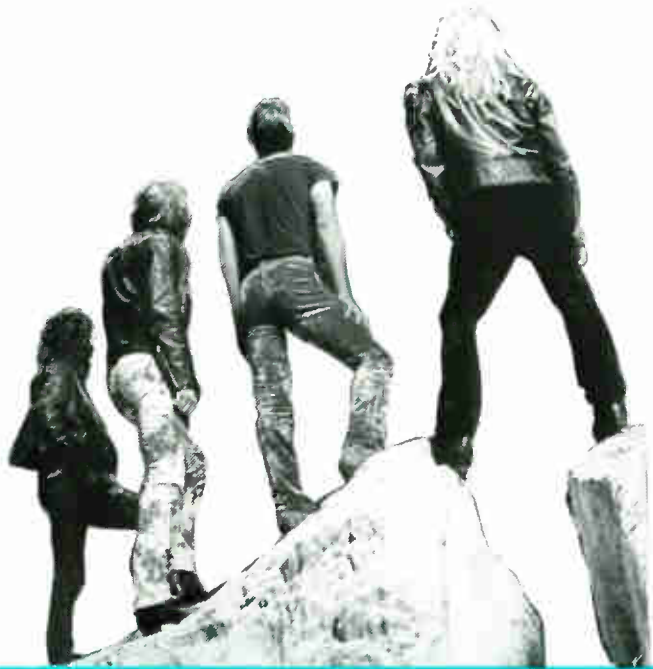

PORTLAND

"Beam me up Scottie!" — up to Universal Studio's new "Starship Enterprise" ride. **KKRZ** ("Z100") is sending two couples off to Hollywood to experience the new spacelike ride. Listeners will qualify for the trips by listening at work and winning "Landing Kits" that include t-shirts, Star Trek guns and a trekky briefcase. Z100 is also helping out Pepsi with their "Summer Prize Explosion," which can mean trips to see **INXS**, **Expose'** and the Summer Olympics in Seoul — just for having an "X" on their Pepsi can. Congratulations to **CONNIE BREEZE** of middays who has just been upped to Music Director.

TOLEDO

The Glass City seems to have an infatuation with Alex Trebeck so **WMHE** is doing their best to appease the quiz show addicts by bringing "Jeopardy" to the airwaves. The game operates just like the TV version by giving out answers to questions; to win the listener must respond with the correct question **WRQN** ("93Q") has definitely taken a fun approach to the summer which includes sending people to amusement parks everywhere, 30 winners recently made the trek North to Boblo Island. They didn't have to worry about whether or not their car had air-conditioning for the trip, as they were driven by limo to and from the park. They also gave away the ultimate company picnic which happened to be a trip to Cedar Point for the whole office. Congratulations to 93Q's new Program Director, **T.J. WALKER** who is amazingly only 18-years-old.

TUNED IN

WXKS: BOSTON

Boston! You could, of course, go on and on about this "venerable chalice of history." In this enormously culture-rich city you will find nothing but trademarks of greatness; Freedom Trail, Old North Church, The Commons, great baked beans, tremendous orchestras and, of course, The Celtics.

No less impressive are the radio airwaves and **Sunny Joe White's** Hit Radio leading **WXKS**. With a 6.5 12+ market share in the Winter '88 Arbitron, Kiss 108FM's **White** along with MD **Jeff McKenna** break away from the conventional hit format norm by programming an eclectic mix of Top 40, urban/dance and crossover rock 'n' roll.

As Boston's "Official Radio Station of Summer," Kiss 108FM is making the "108 Days of Summer" some of the hottest in Boston's history. Kiss 108 listeners can qualify to win fabulous prizes; including a \$25,000 Pontiac Grand Am, by winning one of the many various "Summer Prize Packs." The winning goes on all-day long with "Matty's Breakfast of Champions," "Dale Dorman's Free Ride" and more.

Things are really heating up in Boston this week. We've got the details inside; as the Boston mercury outside continues to rise past 99° towards a hot Kiss 108. It's **WXKS** and we've got them **Tuned In!**

XTRA: SAN DIEGO

From the cutting edge to the airwaves, **MMR's "Tuned In"** takes you to America's "Finest City" for an in-depth look at San Diego's **91X!**

The "X" modified a traditional standing album rocker to a fast-paced, modern rocker in the mid-80's, and now speeds towards the 90's under the direction of veteran programmer **Trip Reeb**.

Known for offering a wide array of unique and successful promotions; **91X** continues to score impressive Arbitron sweeps. Promotions that **91X** currently have in motion include two major concert trips; *INXS in Hawaii*, and *Sting in London*. **XTRA** also has the wheels a-turnin' and their "Beach Patrol" scoping out the San Diego area for cars sporting their **91X** bumper stickers; where winners can drive off with nine packs of concert tickets, T-shirts, radios and more. All of these giveaways are in synch with their major promotion — "Summer X-Plosion!"

XTRA is also getting ready to tee off when they host their own charity golf tournament. So hit the links with **MMR** to the aggressive and progressive ace — San Diego's **91X** this week in **Tuned In!**

WLTE: MINNEAPOLIS

Suppose a Lake Wobegon resident were to take the old Chevy cruiser down to Minneapolis. There, he'd find a different story: It's **Midwest Communications' WLTE** ("Lite FM 103").

Here are some of **WLTE's** characters... **Orly Knutson** — the name sounds like he could be one of the Norwegian bachelor farmers who founded Lake Wobegon. ("Only in Minnesota could you have a morning man named **Orly Knutson**," says **WLTE GM Rand Gottlieb**.) **Knutson** typifies the Northland's neighborly ways through **Lite FM 103's "Office of the Day"** promotion. He visits each selected workplace to hand out coffee, doughnuts and other goodies.

Paul Geiger — he hosts **WLTE's "Original Saturday Night Cruise,"** and now takes it on the road to malls, parks and the State Fair. With the show getting a 23-share among adults.

Gary Balaban — **WLTE's** new PD, coming in from Washington, D.C. **Gottlieb** says that **Balaban** "has helped to move the station along." Two years ago, **WLTE** was a struggling lite hits station. Last year, they had a 3.6 share. By Fall, it was up to 4.7. Now it has grown to a 5.9 with a soft A/C sound.

That's the story on **WLTE**, and they're "**Tuned In**" this week.

10 Arbitron: Winter 1988, Boston metro area, persons 12+, Saturday 7-midnight.

Winter '88 10.1

Copyright 1988 Arbitron.

We've been partying with WXKS for 6 months. Now they're cleaning up.

When WXKS in Boston signed on with Open House Party, they were ready for a good time. But they weren't expecting a blast like this.

Latest Arbitron results show that Open House Party has pushed what were already good ratings up a whopping 28%. And that in one of the country's largest and most competitive radio markets.

The Open House Party is a wild, coast-to-coast extravaganza that is beamed live from a satellite dish. And it's just what you need to give your weekend ratings a real shot in the arm.

Hosted by one of Boston's legendary

DJs, John Garabedian, Open House Party gives listeners an intense CHR hit music mix, interviews with everyone from Jay Leno to Judge Wapner, kooky contests, a wild studio audience, plus live national toll-free request lines.

It beats canned countdowns and one-demo disco shows. It outperforms part-time week-end jocks. In fact, there's a good chance that in your market Open House Party will knock any other weekend show right out of the air. Because it adds live morning show quality production, excitement and charisma to your weekends with talent, staff and resources money just can't buy.

If you think increasing your weekend ratings 28% sounds like fun, find out how you can join the party. Give Sam Kopper or Brian Beecher a call at Superadio today, (617) 266-2900.

Lock it up now, before your competition decides they want to party.

PROMOTIONAL ACTIVITY

91X SUMMER X-PLSION 19X
Contestants register at Taco Bell for a shot at going to London to see Sting in concert. Also in the works, is an INXS show in Hawaii and trips to Fiji, Australia, Jamaica and Spain.

91X BEACH PATROL 6X
Plate numbers of cars bearing a 91X bumper sticker are read on the air. Owners have 30 minutes to call and claim nine packs of prizes which include surfboards, radios, t-shirts and concert tickets. If no one calls in the allotted time, prizes go to ninth caller.

BACKSTAGE PASS 3X
At 11PM, Dwight Arnold zeroes in on an artist for music and interviews. Featured on this occasion were The Dickies.

ALL REQUEST LUNCH BLOCKS 1X
During the noon hour, callers who correctly identify three songs by title and artist win prizes.

CHOICE CUTS 1X
Listeners write in to explain which three songs they'd want if they were stranded on a desert island. Freebies go to those selected for airplay.

"David Drew's Green Eyed Lady is garnering #1 phones at the station ahead of Guns 'N Roses and Jimmy Page! Not only that, but phones are coming in from the upper demo's, 18-34 year old males in particular. Testing fantastically across the board!"

— Joe Marion, WCCC

"We're getting calls from 40 year old men and 15 year old girls. It's a hit ... again!"

— Chris Herman, WHJY

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly, estimated 6am-midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

CITY TRACKS (ROCK RADIO)

USERS GUIDE: City Tracks are a potpourri of promotional, positioning, market news and information.

COLUMBUS

With temperatures hovering in the 90's and 100 degree range, **WLWQ** ("QFM-96") listeners can beat the heat with a dip at the "Dive in Movie" at Wyandot Lake Park Friday and Saturday evenings. There's a 40-foot screen set up by the pool and the wave machine is turned off, so people can lie in the pool and watch the movie. The kickoff movie? "Jaws" — what else? The QFM-96 World Tour '88 continues, with a trip to the All-Star Game in Cincinnati and dinner in Lebanon (Ohio) before the game. What's the most deck-ament thing you've done in your own backyard? One QFM-96 listener's response will mean a 12 by 6 redwood deck installed on their home. The QFM-96 window stickers are now available; and they could win a listener a brand-new 1988 Subaru XT-6. The QFM-96 Miller All-Stars softball team is at .500; PD BUZZ KNIGHT gets standout player honors.

NEW YORK

"Do you remember Rock & Roll radio...?" **WNEW** listeners obviously do. They voted their top 500 songs of all-time for 'NEW's "Firecracker 500," which aired July 2 and 4. In between was the live broadcast of Bruce Springsteen's concert from Stockholm, hosted by SCOTT MUNI. Saturday July 30 and August 6, more rock & roll radio memories on the syndicated "Top 60 of the Sixties," the show will air 8-11A during PETE FORNATALE's "Saturday Morning Sixties." 'NEW is giving away a trip to St. Martins in conjunction with the Aerosmith/Guns 'N Roses/Deep Purple show at Giants Stadium August 16. . . . **WXRK** ("K-Rock") raised \$30,500 in their Police Athletic League 12-hour radiothon and benefit concert; and those funds were matched by sponsors to bring the total raised to an impressive \$61,000. K-Rock celebrates their third birthday at the "Miller Music Concerts on the Pier" show with Joe Cocker on August 13. Two more world tours are on tap; to see Pink Floyd in Dublin, and Mick Jagger in Australia.

SACRAMENTO

Another one rides the bus department; bus loads of **KRXQ** ("93 Rock") listeners will invade San Francisco July 16 in search of the "Monsters of Rock." One lucky listener will have the added bonus of having the guitar he/she won autographed by band members on the tour. Speaking of massive collections of bands, the finals of the 93 Rock "Battle of the Bands" will find six bands vying for top honors July 23, and 93 Rock expects massive crowds once again, as there were last year. Incidentally, the Placer County Foodbank benefitted to the tune of almost \$1,000 from the 93 Rock softball tournament; although the 93 Rockers didn't fare as well themselves.

GREENSBORO

Another CITY TRACKS debut from the Tar Heel State. Last week, CITY TRACKS welcomed Charlotte; this week it's Greensboro. **WKRR** ("Rock 92") took to the beach recently with 150 of their closest friends (75 winners and their guests) for a beach party weekend at Wrightsville Beach. The "Rock 92 Classic Cab" joins the video van in their fleet of vehicles. It's an honest-to-goodness New York City Checker Marathon taxi cab, completely renovated and adorned with the Rock 92 calls inside and out. Rock 92 joins the Greensboro Preservation Society for "Friday at Five" parties. Money raised will aid in the effort to restore downtown Greensboro. The next scheduled party is July 29. Happy birthday in advance to GM ALLEN DICK (August 7) and PD BRUCE WHEELER (August 10).

NORFOLK

When Robert Plant comes to Hampton July 22, **WNOR** ("FM-99") listeners will cruise — literally — to the show on the 49-foot schooner christened the "FM-99 Ship of Fools." Tall cool ones will be served on board, and as for meeting Robert Plant backstage? Heaven knows! The FM-99 Rock & Roll Patrol is on the loose, saying "Show Us Your 9's!" The people they approach will be handed an envelope with a "W", "N", "O" or "R" on it. Prizes inside range from VCR's to CD players to the grand prize — a \$5,000 diamond and a \$12,000 Mustang convertible. APD JEREMY COLEMAN leaves for sister station WKLH, Milwaukee. Happy birthday to veteran midday guy MIKE ARLO. The station fairy godmother (disguised as Promotion Director ROBIN RUSS) cast a spell that allows MIKE to stay 29 forever.

SAN DIEGO

Imagine the startled looks as San Diego mayor Maureen O'Connor presented Soviet officials with **KGB** (the radio station; not the secret police) T-shirts. It happened on her trip to Russia for an arts exchange program. Imagine the startled looks on people's faces as morning man BERGER & PRESCOTT hammed it up with a pair of prize-winning piglets named — you guessed it — "Berger" and "Prescott." The KGB morning team brought the bacon home from the Delmar Fair, to retirement on the Brown Broadcasting farm, for use as mascots; saving them from a fate as half of a breakfast special. . . . The new **XTRA** ("91-X") limited edition '88 bumper stickers sport fashion colors and powerful winning potential in the "Summer X-plosion." License plates of cars spotted with the stickers are read and the owner wins a "Summer X-plosion pack," filled with anything — including trips to Fiji, Australia, Hawaii or Jamaica. KEVIN "THE DEAD DOG KID" returns to 91-X as Creative Services Director.

MIAMI

What started off as a **WGTR** ("97-GTR") "Stupid-Ass Question of the Day" mushroomed into "Women Pumping Gas: the Sporting Event." 97-GTR gave away free gas to the first 97 women in line at a gas station who pumped their own gas without spilling any. Thousands of leering men filled bleachers set up for the event, to cheer on the contestants. The big winner not only pumped gas spill-free, but also checked under the hood as well. By the way, 97-GTR lost in the "Rock Versus Bach" for Juvenile Diabetes fund-raiser (June 13, CITY TRACKS). So HERMAN & McBEAN must attend "Die Valkyrie," one of the longest operas ever written. . . . Lots of changes at **WSHE** it's MITCH PHILLIPS and newsman ROB WILLIAMS mornings; SUZANNA DANA 10A-3P; SHADOE STEVENS 3P-7P; BILL MURPHY 7P-Midnight and GLEN RICHARDS overnights. PATTY COHEN steps in as acting Promotion Director, replacing the exited JOHN BLOODWELL.

PHOENIX

When **KUPD** listeners go in search of monsters, they won't be David Bowie's "scary monsters or super creeps;" they'll be the "Monsters of Rock." KUPD has sent listeners to two "Monsters" shows already, and has another one planned. Listeners have seen the almighty "Monsters" show in L.A. and San Francisco; and trip three will find listeners back in L.A. for the July 23 show. KUPD will draw the winners at their "landing party" at Studio West July 15. SUE COOK joins DAVE PRATT on KUPD's morning show as newperson and co-host.

WASHINGTON DC

MMR extends its deepest sympathies to the family and friends of **WCXR**'s PD BOB KAGHAN. BOB spent over two very successful years at 'CRX during its transition from Country to Classic Rock, and also did stints at **B-106** in Washington D.C., **WBCY** in Charlotte and **WRJZ** in Knoxville. His family has requested that in lieu of cards or flowers, donations be made to BOB's favorite charity: The National Alliance for the Mentally Ill, 1901 N. Fort Myer Dr., Arlington, VA, 22209. . . . **WWDC** ("DC-101") gets ready for some serious spiking and volleying during their annual volleyball marathon July 23, to benefit the Kidney Foundation. The DC-101 Boss Jock team hits the court between Noon and 2P to battle top fund-raising teams.

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly, estimated 6am-midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

HEAVIEST SATURATION (ADULT CONTEMPORARY)

USERS GUIDE: Those stations delivering the largest number of gross impressions for each title. Number listed is in millions, calculated by each radio stations average quarter hour share, multiplied by the number of plays given the title. CITY TRACKS (ADULT CONTEMPORARY)

USERS GUIDE: City Tracks are a potpourri of promotional, positioning, market news and information.

AUSTIN

There's been a changing of the guard of sorts at **KEYI** ("Key 103"). The station was recently purchased by Degree Communications Associates III, and **MICHAEL LEE SCOTT** is the new Operations Manager (from KHFI). Program Director **KEN RUSH** and his crew are currently involved in a big "Summer Vacations" promotion; giving away a series of family trips to destinations all over the U.S., Europe, the Caribbean and Mexico. Plus, "Key 103" listeners are picking up day-long excursions to the Sea World of Texas complete with limo service to and from the park. New to news and weekends is **ELAINE WARNER**; fresh from **WVIQ/Virgin Islands** **KKMJ** is "Magic 95.5;" the city's soft A/C. Regular features on the Keymarket facility include; "10-in-a-row" music sweeps, "No repeat workdays," and listener "Thank you" dedications; the latter involving cash giveaways.

NORFOLK

Happy Anniversary! PD **MARK THOMAS** is celebrating the start of his second year of leading **WLTY** ("Y-96"). Big congratulations are also in order to the station's News Director **GEORGEANN HERBERT**. She was recently honored by being elected Region 13 Director for the Radio-Television News Directors Association. The "Y-96 Cash Call" continues to put money in the pockets of Hampton Roads listeners; knowing the always changing dollar amount is netting them anywhere from \$296.96 to \$1,969.60.

ROCHESTER

There's a new kid in town, well — sort of. **WEZO** has switched calls and become **WRMM**. The former Drake-Chenault station is now known as: "Warm 101.3 FM" with "Soft rock, less talk," and a totally live airstaff. **DAVID ISREAL WOJY/WGLD** now programs with new staffers **JAY LAWRENCE (WOHO/ Toledo)** and **PAT RIVERS (WRLT/Buffalo)**. "Warm" is currently making its mark in the market with "40-minute music sweeps" every hour 9A-5A, and an extensive TV ad campaign In Rochester, the station with "The heart of gold" is **WVOR**. Their "Heart of Gold Charitable Foundation" routinely raises money for needy individuals and families in the area who can't find other means of assistance. "WVOR-100" has a big Labor Day concert planned featuring The Beach Boys and a car giveaway at the Finger Lakes Performing Arts Center. Happy birthday to PM Driver **TOM KELLER** on July 24, and early congrats to midday host **HEATHER**; expecting her first child at the end of the month.

DAYTON

WWSN ("WSN 107.7") is "Cruisin' with the Classics!" The station that plays "Classics of the 60's, 70's and 80's" is also giving them away: A '65 Mustang, a '76 Corvette and a 1988 Acura. To register, listeners send in their favorite song from the 60's, 70's and 80's and call in when they hear their name read on-the-air, along with one of the songs. The era of the song played determines exactly which classic car they're eligible to win — along with 500 gallons of gas and a year's supply of Classic Coke They're dancin' in the streets in Dayton with **WYMJ** ("Magic 104")! The "Street Dance '88 Tour" takes the station to a new locale once a week for an evening of music and fun complete with "Harvey the Magic Rabbit" and the "Magic 104 Ohio Music Machine;" "the world's largest all CD radio on wheels." GM **JIM McFARLANE** is bringing a new PD on board: **MARK SPENCER** (A.K.A. **MARK STANDRIFF**) from **WTWR/ Toledo**. **MARK** will join **KAY FRANCES** in AM Drive.

PHOENIX

How about a little whoopi?! No, we're not talking The Newlywed Game, we're talking Whoopi Goldberg! **KESZ** ("Easy Rock 99.9") is presenting "A Whoopi Night Out" with tickets to see the dreadlocked one live on stage. Meanwhile, the station's "Easy Morning Crew" (**BARRY CHASE** and **BETH McDONALD**) continue to laugh folks out from under the covers. An ongoing bit/contest involves a series of rotating game shows that include; "To Pay or Not to Pay," "Radio Jeopardy," "Holly-weird Squares" and the "Jukebox from Hell;" the latter featuring obscure versions of well-known songs. (Ever hear "Lucy in the Sky with Diamonds" by William Shatner?) In Phoenix, "Lite Rock Less Talk" means **KKLT** ("K-Lite 98.7 FM"). Assistant Program Director **ROGER THOMAS** has left the bachelor life behind and taken a bride; **MMR** and **CITY TRACKS** sends Congrat.

SAN DIEGO

Music and fun in the great outdoors is the order of the summer at all three of this market's A/C outlets — and with good reason — it's San Diego! **KFMB** ("B-100") and the San Diego Symphony Orchestra's "Concert on the Green" is benefitting the Children's Hospital. The station is also involved in a 10K "MADD Run," and the "Maquina Musical" street dance will feature the hot sights and sounds of **Brenda K. Starr** and others. PD **BOBBY RICH** will act as M.C. at the Adult Radio Programming Conference later this month By calling in when you hear the specified "Today's hit and yesterday's favorite" played back-to-back, you with a trip for two on the "KKYY ("Y-95") Party Cruise." Winners are chosen everyday as part of the "Y-95 Days of Summer." There's a midday opening at **KKYY**. T&R to PD **PAM FINN** (no calls please) **KYXY** is presenting the Boston Pops through the "Summer Pops" series. It all begins with a picnic on the green followed by music under the stars and a post-concert fireworks show. The station is also hosting the upcoming "Virginia Slims Pro Tennis Tournament."

DENVER

CHRIS ELLIOTT has left **KMJI** ("Majic 100") to program crosstown oldies outlet **KXKL**. Acting PD **RICK BRADY** has the station currently giving away mucho money in the summer long "Majic Money Song of the Day" giveaway. Each morning a new song is identified along with a song snippet. The 100th caller the next time it's played grabs \$1,000. The Majic Van is out and about this summer as are the station's listeners who have been enjoying Chicago, The Beach Boys and others at the brand-new Fiddler's Green outdoor amphitheatre A multi-car entourage complete with a chauffeur-driven limo and police escort had heads turning in Denver recently thanks to **KOAQ** ("The New Q-103"). The winner of the \$25,000 Shopping Frenzy was whisked around in style as she attempted to spend the grand prize pot in one hour; and not more than \$5,000 at any one location. Cheers to the station, McDonald's, Miller Beer and 7-Up who all banded together recently after Denver's devastating tornadoes hit. City clean up crews at both touchdown sites were treated to free refreshments courtesy of the group.

PORTLAND

How to you want your steaks cooked? The "103 Days of Summer" at **KKCW** ("K-103") means movie premieres, concert giveaways, and office cookouts every Friday. Area businesses qualify for the cookouts by sending in a note on company letterhead. Those chosen are treated to a full-scale barbecue delivered right to their doorstep. It's a promotion that undoubtedly leaves the lucky winners saying, "Well done!" **K-103** is also putting a unique twist on the typical trip giveaway — by bringing people to Portland. The station has been reuniting loved ones by flying-in listener's friends and relatives. Sorry ladies, he's taken! Nighttime personality **BILL JACKSON** has wed —Congrats!

TAMPA

Is new **WFLZ** ("Florida's 93.3 FM") morning man **JACK HARRIS** really that greedy? Naahh! To capitalize on a claim that **HARRIS** came to 'FLZ for the money, the station just began a new TV campaign featuring their new personality. In the ads, **HARRIS** appears with a briefcase full of money; admitting to his greed and promising to share his newfound wealth with his listeners — to the tune of \$1,000 a day! **GARY McHENRY** is also new to the AM studio **WNLT** ("W-Lite") is bringing to the city the touring half-scale replica of the "Vietnam Combat Veterans Memorial" to Tampa this month. New to the station is **GSM RANDY BRAUN** (**WLLT/Cincy**) and **BILL WERTS** is named VP/Sales They're 'on the road again' at **WUSA** ("W-101"). Dubbed "BOB & JUD to Go," the Morning Show does one show a week from an area restaurant along with the "Giant 101 Super Jukebox;" a 25-foot inflatable 1950's style jukebox. The "101 Days of Summer" continues — with a Chevy Blazer, trips to Disney World and airline tickets to be given away.

FOREPLAY

ARTIST: REBEL HEELS

TITLE: In Hot Pursuit
RELEASE: 7"/12"/Pro CD
LABEL: Atlantic

Six years ago, vocalist Liz Larin, joined forces with Michael King, who was starting to make a name for himself around Detroit. Liz thought it would at least pay some bills, so they played a suburban club and started to develop a large following under the name Rebel Heels.

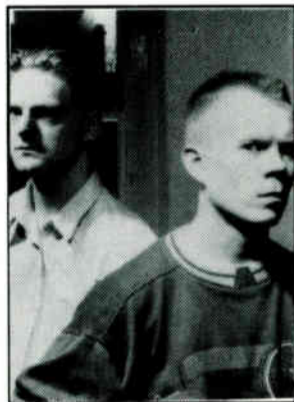

Professionally, it was love at first sight.

"When we met," Liz recalls, "we both had the same crazy idea. It was the first time I had met another musician who wanted to venture into this area where music becomes your life and your life becomes your music."

Percussionist Danny Craig was added, and in 1987 Rebel Heels signed with Atlantic. They recorded their debut lp with noted producer Rupert Hine (The Fixx, Howard Jones).

"Rupert stripped us down to the bare bones and then put just a touch of refining over that," says Larin. "He was able to take what we do live — the excitement, the energy — and make it happen on tape. He kept the honesty of the performance by being totally faithful to the spirit of the songs."

Conveying that spirit is essential to the band, and is evident on their first single, "In Hot Pursuit." "We try to leave people with a feeling that life may be tough, but it's worth it," says King. Our songs are often about struggles, but we always seem to end up with a sense of hope."

ARTIST: ERASURE

TITLE: Chains Of Love
RELEASE: 7"/12"/Pro CD
LABEL: Sire/Reprise

"Chains Of Love" is the lead single from Erasure's fourth album THE INNOCENTS. Fourth lp, that is, if you include their TWO RING CIRCUS, which contained dance remixes of their previous album.

Their new single features assorted versions of "Chains Of Love," including four different mixes on the Pro CD. It was produced by Steven Hague and remixed by Shep Pettibone. That duo worked with Depeche Mode and The Pet Shop Boys previously.

Vince Clarke, the creative prime mover behind such bands as Depeche Mode, Yazoo (Yaz), and The Assembly, makes up one half of Erasure, along with Andy Bell.

Clarke recruited Bell from scores of hopefuls responding to an ad in the British music newspaper, "Melody Maker." Bell was with a garage band called The Void in his native Peterborough when Clarke called. Clarke knew immediately that the 'void' had been filled once he had heard Bell's pliant, supple vocal style.

Erasure's North American tour continues through August with club dates lined up this week in Toronto, Detroit and Chicago.

ARTIST: GLASS TIGER

TITLE: Far Away From Here
RELEASE: 7"/12"/Pro CD
LABEL: EMI-Manhattan

"Far Away From Here" deals with the difficulties of keeping relationships together when you're on the road," explains Sam Reid of Glass Tiger. Vocalist Alan Frew co-wrote the song. "Being a lyricist, Alan has to be careful when he writes lyrics that he's representing five guys," says Reid. Struggling relationships is one of those subjects the guys from Glass Tiger can relate to.

"It's not unusual for musicians to have problems with relationships, and I remember thinking it's got to be possible to keep a relationship going, but it's very, very difficult," Reid says. "But if you're really dedicated to your music, and it takes up as much time as it does, then some things like relationships have to pay the price."

Glass Tiger has not only paid the price, they've paid their dues. "We were told by experienced people what it would be like to be a working band," Reid adds. "But you can't put it in words until you get out there."

"(Being on the road) is like... WORK, its tough-going. It's enjoyable work, and I don't think anybody in Glass Tiger would trade it for anything. I think our feelings came out of the wash a little bit on DIAMOND SUN, (their second lp).

ARTIST: LITA FORD

TITLE: Back To The Cave
RELEASE: 7"/12"/Pro CD
LABEL: RCA

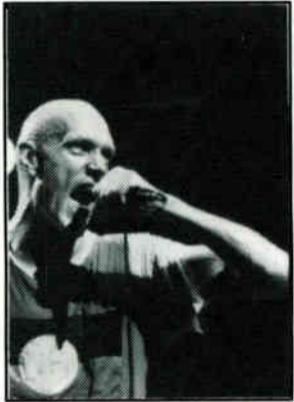

It seems that once MTV viewers got a look at Lita's looks, they were hooked. Ford's first video, "Kiss Me Deadly," spent over 7 months in MTV's rotation, causing many programmers to take a second look at the song. Her new single, "Back To The Cave" was filmed recently at the Country Club in L.A.

"It's a performance video," says Lita, "and the audience went wild. It was done by Wayne Isham, who directed 'Girls, Girls, Girls' by Motley Crue and Bon Jovi's 'Living On A Prayer.'"

"Back To The Cave" was written by Ford, keyboardist David Ezrin and producer Mike Chapman. "Mike got the title from another song that we'd written called 'Broken Dreams,'" Lita said.

While searching for material for her LITA album, she contacted Chapman, who's resume included the work with Tina Turner, Pat Benatar and Huey Lewis. "Something just clicked, between Mike and I musically," recalls Lita. "He understood what I was trying to do musically, and he brought out the best of me in the studio."

"I've always been able to write real heavy songs, and Mike's a pretty 'pop' producer. So I think between us, we came up with a good hard-rock album."

ARTIST: MIDNIGHT OIL

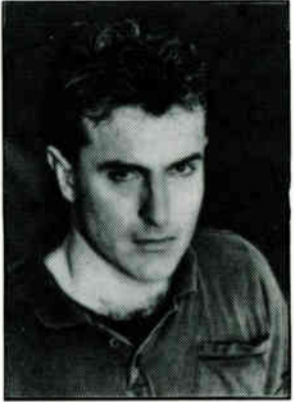

TITLE: Dead Heart
RELEASE: 7"/12"/Pro CD
LABEL: Columbia

At 6-foot-4, with pale blue eyes and a bald head, vocalist Peter Garrett looks more like a creature from outer space than a rock star. That suits him just fine, as Garrett finds the whole 'rock star' image laughable.

"The majority of rock stars are quite offensive," Garrett claims. "Offensive in two ways: One is they don't really, as artists, even begin to explore their own potential."

"Secondly, they pander to a very base, easily exploitable side of human nature that doesn't necessarily understand their responsibilities, whether it's with sex or something else, not realizing that they're travelling down that very well-worn, totally predictable, utterly stereotyped devoid road that's been travelled by barbarians and malcontents in the past. It's just a sham and a joke," according to Garrett.

About Midnight Oil's new single, "The Dead Heart," Garrett said, "It's rock 'n' roll. Even a band like Oil who obviously have their serious side, can't prejudice what you want your audience to do. There's a section of our audience that probably are there just to jump up and down, we don't stop 'em from coming in."

ARTIST: JAMES REYNE

TITLE: Motor's Too Fast
RELEASE: 7"/12"/Pro CD
LABEL: Capitol

James Reyne (pronounced "rain") is part of the Australian Invasion. His former band, The Australian Crawl enjoyed a great deal of success in the land Down Under, where Reyne's self-titled solo lp is triple platinum, featuring three hit singles, including "Motor's Too Fast."

"With that song," Reyne says, "I had read something about this girl that picked up some guy and killed him. She did it because she was bored. And, after seeing that, I was thinking about the way our culture and society works, and the whole thing sparked that song."

Though Reyne is happy about his success in his native land, he said the lack of population stalled his progress. "I think I'd come up against a brick wall, and, obviously, I wanted to go further."

"America is the biggest market in the world. It's cultural heritage is so vast. It's rock 'n' roll heritage... all the music I had grown up listening to was American music."

"We have, in Australia, far more awareness of American culture, because of rock 'n' roll music and television, than Americans have of Australia," Reyne adds. "Over the last couple of years, I think people in America are becoming more aware of what Australia is really like. We really don't have a bunch of kangaroos jumping around."

COMING NEXT WEEK

HIT RADIO

The wide musical range of Hit Radio will be illustrated with the next issue's Tuned In, as MMR spotlights KSFM ("FM102"), Sacramento.

ROCK RADIO

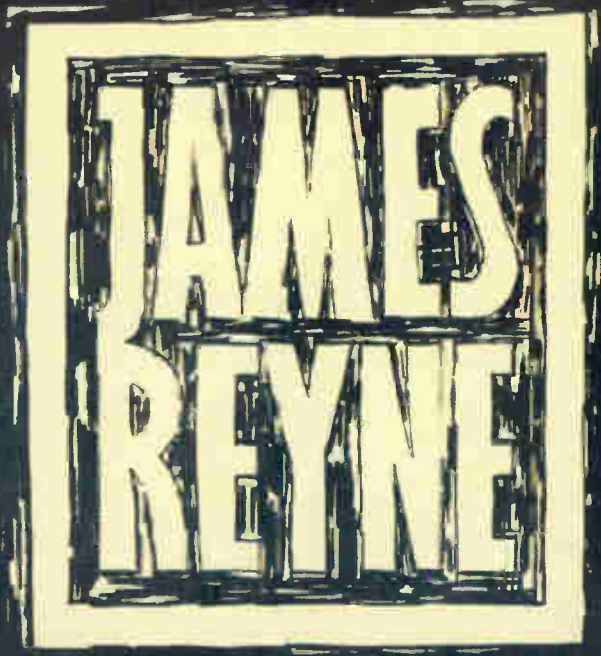

No posing, just blazing rock... Long Beach is the spot and "Pure Rock" the motto for KNAC ("105.5") as Tuned In plugs in accordingly.

ADULT CONTEMPORARY

MMR's ever-expanding coverage knows the way to San Jose's KARA ("105.7"), and we'll be Tuned In to them next week.

"Motor's Too Fast"

The First Single From The Debut Album

"Give me some where to go
Don't give me train rides
Never gave anyone the slightest motion
Never showed us that the call was cast
Mama don't want you
Daddy don't want you
Your Motor's running way too fast."
