A.R.C. — THE NATIONAL PUBLICATION FOR BUYERS AND SELLERS
OF OLD RADIOS AND RELATED ITEMS — WWW.ANTIQUERADIO.COM

THE HISTORY OF RADIO ON CD-ROM

Radio Era Archives produced the *QST-VIEW* series of CD's for the American Radio Relay League (ARRL) and over 1/2 million CD's have been sold. *QST* Magazine has been continuously published since 1915. We are now proud to announce that this small mountain of CD's (about 35) is now available exclusively from REA (All Sets) ! Every magazine published from 1915 to 1994, front cover to back cover, every article and column, all accessible with our database search engine.

QST-VIEW CD Edition truly captures the history of radio in 11 volumes. All CD's warranted to work on all Windows platforms from Windows 95 through XP. Each set is \$ 39.95 and we have all sets in stock. The sets are: 1915-1929, 1930-1939, 1940-1949, 1950-1959, 1960-1964, 1965-1969, 1970-1974, 1975-1979, 1980-1984, 1985-1989, 1990-1994. Each set of years is a self-contained set so you can operate one or all sets together. Now that large capacity hard drives are so inexpensive, the 36 CD's can be loaded on about 20Gb of hard disc space for instant searching and viewing without having to swap discs! Full information is provided with each purchase and *QST-VIEW* has on-line instructional help for operating the *QST-VIEW* browser!

EACH SET \$ 39.95 (specify the years)

ALL 11 SETS \$ 379

S&H USA for first set is \$ 5.00, add \$ 1.00 each set thereafter

S&H Export first set is \$ 15.00, add \$ 2.00 for each set thereafter

2009 1/2 PRICE SPECIAL (while supply lasts)

Don't forget, we have the entire John Rider's Perpetual Troubleshooters Manuals on a single DVD. All 23 Volumes of the Riders available at the click of a mouse! Over 120,000 different model radio schematics and related service information in an easy to use DVD. Thousands sold at \$ 199. **SPECIAL \$ 99 + \$ 6.00 S&H in the USA, add \$12 for worldwide delivery. Order Now while supply lasts !**

ANTIQUE RADIO CLASSIFIED

EDITOR'S COMMENTS

Welcome to the realities of 2009. Yes, this month's A.R.C. that you are holding in your hand is small. However, it contains everything a regular issue of A.R.C. contains, except the articles. And, the June issue will make up for that loss and include articles for both months. Ultimately, you will get the same information, and we will save a few dollars.

As with all of you, we must make some significant changes to survive these difficult times. And difficult times they are. For you, it could be that much of your retirement nest egg has evaporated, or even worse, you have lost a job. At the very least, you may be worried about your job security.

Everywhere in the country, homes have been lost, mortgages have become a burden, and credit impossible to come by. In the publishing industry, magazines and newspapers are downsizing, disappearing, fleeing to Internet-only publishing.

As a highly specialized, niche publication, A.R.C. has all the challenges of major publications, plus a few extras. Times have changed dramatically in the radio-collecting community since A.R.C.'s founding in the 1980s. In those days, A.R.C. was the only way to keep in touch regularly with thousands of people like you — you who love old radio and want to preserve its history.

Today, technology has given us the Internet, a wonderful instant communication and search resource, as well as an alternative to or substitute for print publication and journalism. And also today, many of us in the radio-collecting community are older (many of our early subscribers and major collectors are gone), and young people, so caught up in modern technology, find it difficult to appreciate or to relate to old-time radio.

We believe that there still is a place for A.R.C. We will continue to evolve, but we need your support. A.R.C. takes journalism seriously. We publish in-depth articles, compile and publish a comprehensive events calendar, and provide a clearing house for what is happening in antique radio.

OOPS!

The colorful Motorola display on our April cover was Frank Feczko's entry in the 2008 AWA old equipment contest. Our apologies to Frank for the mistake in his name. We have no idea how he became "Bob," instead of "Frank," in the attribution. Though our accuracy track record is pretty good, we deeply regret such errors.

We are the voice of antique radio. We know of no other club or publication that is set up to respond to telephone calls, letters, e-mails from anyone, with the usual questions — "What is my radio worth? Where can I get more information? Where can I meet others interested in this hobby?" We send out hundreds of free samples of A.R.C. each year to spread the word about the joy of radio collecting and about antique radio preservation. These gratis efforts benefit all collectors and clubs.

Unfortunately, we cannot lower our prices, but we can give subscribers an incentive to continue to support us by subscribing, advertising, and making purchases from A.R.C. rather than from other sources. This month, we include a \$5 coupon on page 30, good until June 10, 2009, that can be used for any purchase (except advertising) over \$30 — perhaps a renewal or a book purchase. And, you still get free shipping and a 10 percent discount. New subscribers can use the coupon toward a subscription.

We are working hard to keep A.R.C. coming to you and hope that this plan of cost-saving by varying the size of the magazine will help us to reach that goal. Enjoy what is here and look forward to the June issue, which will be a banner one in celebration of our 25th anniversary.

A.R.C. Benefits. Be sure to take advantage of A.R.C. benefits: a toll-free number (866) 371-0512; Discover, MasterCard, American Express, Visa accepted; the Web, www.antiqueradio.com; books shipped free in the U. S. by USPS media mail; and for current subscribers, a 10 percent discount on all book orders. And, don't forget to use the subscriber \$5 coupon soon!

Coming Radio Events. Spring is in full swing for collecting activities. Listed are 6 auctions, 9 meets, and 26 meetings. Get out and enjoy Happy Collecting!

John V. Terrey, Editor

ON THE COVER

The drawing on our cover reflects our current state of facing the reality of hard times. Grandpa may fantasize about an ideal, but Grandma is there to remind him of the conditions of his real world. The illustration is from the cover of the 1924-1925 fall and winter catalog of the C.C. White Electric Co. in the John V. Terrey collection. The company, located in Dallas and Houston, Texas, advertised radios from such manufacturers as Freed-Eisemann and Magnavox in a price range of \$95 to \$175, as well as others like Crosley sets listing as low as \$14.50. Wholesale discounts of 30 to 40 percent were also available to dealers.

Estes Auctions

Specializing in Vintage Radios
Complete Auction & Appraisal Service

Radio Auction

“The James Fred Radio Collection”
Saturday, June 20, 2009 – 10 AM EDT

at the Expo Auction Center
8157 Garman Rd., Burbank Ohio (Exit 204 off I-71)
then south on SR #83 to the Love’s Truck Stop, turn left
onto Garman Rd. and follow 7/8 of a mile to the auction site.

Due to weather conditions this past winter, we were unable to get the bulk of the James Fred estate, so we have scheduled it for our June 20th sale. The collection consists of all types of radios and radio parts and items. We will be offering a selection of battery sets and early type speakers, horn speakers, cone speakers, and mantle speakers, a nice selection of tombstone and cathedral radios also. Lots of small wood and Bakelite radios, several Zenith Trans-Oceanics, nice variety of tubes to include early types and a selection of amateur radio transmitting tubes. Many pieces of radio test equipment tube testers, audio & signal generators, scopes, VTVMs, lots of literature and radio books and magazines, some sales catalogs. We will also be offering amateur radio items. Also, amateur receivers, transmitters, SWR meters, call books, Amateur handbooks and more. A complete set of Rider manuals, many console style radios and several old televisions. All in all another good sale. We hope you will plan on attending. We also look forward to seeing you at the summer swap meets. Remember we need to support all of various radio clubs and keep this part of our history alive and growing. Early sale: from 8:30 am until 10 am. Terms: Cash, check, Visa, MC. 5% gallery fee.

A.R.C. RATES & POLICIES

GUARANTEE. You may cancel your subscription at any time and receive a pro rata refund for issues not yet mailed. If errors do arise are made by A.R.C., upon request a free correction will be run in the next available issue.

PAYMENT. Please send in full payment with your order or ad. A.R.C. does not carry accounts; all subscriptions, ads, etc. must be prepaid (except for the 6 and 12 month display ads indicated below). Pay in U.S. funds. Checks drawn on a U.S. bank, money orders, VISA, MasterCard, American Express or Discover (\$10.00 min.) are preferred. Make check out to "A.R.C." Cash is OK for small amounts. Canadian payers may send a Canadian check but specify *U.S. funds*. Subscriptions will be prorated to amount sent if amount is incorrect.

FAX & E-MAIL PROCEDURES/PAYMENT. Subscriptions, book orders, classified ads, display ads, etc. are welcome by fax or e-mail. Deadlines are the same as for ads received by mail. Please calculate the amount due. Payment by credit card is preferred if your order is over \$10. If under \$10, or if you prefer to send a check or money order, state the amount being sent and that the payment is in the mail. Do not send another copy of your ad with your payment; simply indicate that it is a fax or e-mail payment. If you want confirmation of our receipt of your fax, call immediately after sending your fax.

CHANGE OF ADDRESS. Please notify us 4 weeks in advance of a change of address. Send both your new and old addresses, and include your SUB# and effective date of your new address. Temporary address changes can be made also.

SUBMISSION OF MATERIAL. *Antique Radio Classified* welcomes and solicits information that pertains or relates to radio history or collecting. This may include articles, book reviews, photos, information on upcoming radio events, meetings, antique radio organizations, radio auctions, sources of old radio and restoration supplies, and other related and interesting material. All material submitted should be carefully researched, typed and accompanied by good photos, if appropriate. Computer disks are appreciated. Writing guidelines are available upon request.

PUBLISHING RIGHTS. Unless other arrangements are made: (1) All received materials (ads, articles, letters, correspondence, e-mail, photos, artwork, etc.) become the property of A.R.C., may be edited, combined with other material, published, and will not be returned. (2) For all received materials, A.R.C. is granted publishing and reprint rights in all forms of media including the monthly printed magazine, internet, etc. (3) Publication is subject to approval by A.R.C. and to time and space constraints.

MAILING OF ISSUES. U.S. subscribers can receive A.R.C. by First Class or Periodicals mail (Periodicals is the way most magazines are mailed). The mailing of First Class copies is staggered with faraway copies mailed before local copies. Non-U.S. copies are mailed on the first day. Periodicals copies are mailed on the last day. Mailing dates change each month, but mailing is usually completed by the last day of the month. First Class copies usually are received by the 5th of the month; copies by Periodicals mail, by the 10th.

ETHICS. No person involved in the production of A.R.C. is to act on any information in the magazine until the first delivery day after local copies are mailed.

DISCLAIMER. The publisher is not responsible for any buying and selling transactions incurred, or for any other use of the contents of this publication.

Antique Radio Classified subscription rates, frequency of publication, content, policies, size and ad details, and rates are subject to change at any time by A.R.C.

DISPLAY AND BUSINESS CARD ADS • DETAILS AND RATES

The deadline is the first of the month for display and business card ad artwork, payment and repeat requests.

Advertising is accepted only for early items related to radio, communication, etc. All items must be described fairly; reproductions, reprints and not-original items must be so identified. Advertisers must agree to respond promptly to inquiries and orders, to resolve problems promptly if the buyer is not satisfied, and to comply with a buyer's refund request on unaltered returned items.

Advertising must be prepaid, except as noted below; see "Payment" paragraph above for details. Late ads will be run only if space and time permit. Originals must be the artwork size listed below. Send all artwork on disk or ask us to typeset it for you. Do not send in artwork on art board or send negatives. Please call for instructions on how to send your electronic ad. If used, reverse type must be limited to 25% of the ad. If you want us to prepare your ad, include the one-time cost below for A.R.C. to make up the ad.

Add \$16.00 per photo for screening unless part of an existing electronic ad. **Do not cut or trim photos or glue photos to artwork; submit separately.**

If you are confused by these requirements and terms, please

contact A.R.C. before beginning to prepare your ad. We will be happy to advise you on your ad ideas, estimate how much the ad will cost, recommend an ad size, etc.

We assume that advertisers want all ads which are submitted to run without delay; therefore, we will run the ad and bill for any additional work required for the ad to meet these specifications. A late ad will run beginning with the next month. "Tear sheets" will be sent only for 1/16-page or larger ads and only if requested when the ad is submitted.

First business card per advertiser is at lower rate.

The 3-month rates represent about an 11% discount, the 6-month rates 23%, the 12-month rates 30%. Placement requests: add 15% but call first. Clubs: write for discount policy.

Page	ARTWORK SIZE (SEND IN THIS SIZE)		As Printed (size in magazine)	
	H x W (inches)	H x W (inches)	H x W (inches)	H x W (inches)

† For 6 and 12 month ads, no ad make-up charge if no change is made to ad for entire run.

E-mail: arc@antiqueradio.com

Web: www.antiqueradio.com

CLASSIFIED ADS • DETAILS AND RATES

ONE FREE 50-WORD AD for subscribers in each issue; additional words are 10¢ each. See details below. Classified ads sent by mail, fax, e-mail or by any other method must be received (not just postmarked!) by Noon Eastern Time on the classified ad deadline date to guarantee inclusion in the current issue. Late ads are held for the following issue. Please enclose correct payment with all ads. Cash is OK for small amounts. (Canadian and other foreign advertisers, please see "Payment" on opposite page for methods.) "Free words" cannot be accumulated from month to month; free words must be requested when ad is submitted.

Faxed & e-mailed ads: Please see additional information on opposite page.

When including ads with other A.R.C. correspondence, write the ads on a separate piece of paper. Include SUB# with ad. Ads may be sent in advance; but, write each ad on a separate piece of paper and indicate the month (or successive months up to your subscription expiration; 12-months, maximum) you want the ad to run.

To minimize our typing errors: Please write legibly. Use both capital and small letters. Do not use a dash between words. Carefully write the following numbers and letters (especially in model numbers) since some can look alike; for example 1, l and I (the number one, the capital i and the small L.) Also: 0, O, o, Q and D; v, r and n; 6, b and G; V, U, u, v and Y; A and R; 5, S and s; 2, Z and z. We try to correct spelling errors, so when using an uncommon word or manufacturer which we might mistake as a more common word or manufacturer, note it so that we do not "correct" it. Editor's annotations are in [brackets] in ads.

Advertising is accepted only for early items related to radio, communication, etc. All items must be described fairly; reproductions, reprints and not-original items must be so identified. Advertisers must agree to respond promptly to inquiries and orders, to resolve problems promptly if the buyer is not satisfied, and to comply with a buyer's refund request on unaltered returned items.

Classified ads must have a standard heading such as WANTED, FOR SALE, FOR TRADE, FOR SALE/TRADE, SERVICES, MESSAGE, HELP, AUCTION, MEET, FREE. This heading is the only bold or all-capitalized words allowed in the ad. Capitalize only manufacturer names, model names, etc. This standard ad format makes scanning the ads easier.

Before writing your ad, please look over the ads in a recent issue of A.R.C., and try to write your ad in the same style. Full name (or company name) and address are **required** in all classified ads; we will add it if you forget.

The publisher reserves the right to edit ads without notification to the advertiser and to reject ads for any reason. Names other than the advertiser will be edited out of ads. Ads with non-radio-related items will be returned or edited unless the non-radio-related items are for trade of radio-related items, or they are incidental to and appear at the end of an otherwise acceptable ad. The publisher is not responsible for errors due to illegibly written ads or for any other reason. See also Publishing Rights on opposite page.

Clubs: Since club activities receive free coverage on the *Coming Radio Events* pages, the free 50 words may not be used for club activity ads. A discount on display advertising is available for clubs.

Classified Ad Rates per Month

Deadline: NOON ET— 10th of the month!

Subscribers (First Ad):

First 50 words: **FREE!**
10¢ per word for words over 50

Subscribers (Ads after first ad):

10¢ per word for all words

Non-Subscribers:

30¢ per word

Please do not forget to send in the extra 10¢ per word when your classified ad runs over the free 50 words; your payment will be appreciated, and it will help to keep A.R.C. healthy.

PHOTO & DRAWING DETAILS

Deadline: 1st of the month
for all ads with drawings or photos!

Drawings and photos are encouraged as the response to your ad is much larger and the reader knows better what you want or are selling. Send in your drawing or photograph, and A.R.C. will reduce it or enlarge it as needed.

Photo and Drawing Rates per Month

\$10.00 per month for each photo or drawing
(If ad is canceled, this amount cannot always be refunded.)

CHANGES & CANCELLATIONS

Please check your ads carefully before sending them in. Once ads are received, it is not always possible to refund the amount sent, pull the ad or make changes.

IMPORTANT — COUNTING WORDS — IMPORTANT

The standard headings: WANTED, FOR SALE, etc., count as one word each time used in an ad. Name, address and (one) telephone number, count as 6 words, regardless of length. Ham call letters and business name can be included in the 6 words and do not count extra. Full name (or company name) and address are required in all classified ads. Each additional word, abbreviation, model number or number group, extra telephone numbers, fax, e-mail, etc. count as one word each. Hyphenated words count as two words.

Timeless Volume Still Available

Wireless Communication in the United States

By Thorn L. Mayes

The following review by James & Felicia Kreuzer was published in the April 1990 issue of *A.R.C.*

If your interests lie in wireless communication before the broadcast era, then this book is for you. The main theme is the study of early wireless apparatus and its associated operating companies. In the first chapter, transmitters, receiving tuners, and detectors are skillfully described as to their operation and construction. The second chapter scans the growth of commercial and government wireless stations in the United States prior to 1920.

The third chapter, consisting of 175+ pages is broken down into twelve subchapters. These sections exemplify the development of early wireless companies, some obscure and others more notable such as DeForest and Marconi. The chapter also narrates extensive biographical information about company pioneers, including some crooked dealings of stock promoters.

The fourth chapter is devoted to a biography of Harry Shoemaker, a prolific wireless inventor with well over 100 patents. The final chapter consists of various letters from wireless pioneers such as Elmer Bucher, George Clark, Paul Godley, Lee DeForest, etc. These chapters provide insights into these pioneers' past achievements and include never-before published facts of a somewhat personal nature.

The book was initially introduced through lectures given over a 25-year period by Thorn Mayes. He gave seminars at AWA (Antique Wireless Association) conferences, some which were later published in the *Old Timer's Bulletin* or in separate monographs. Some chapters also

appeared in other club journals. Thorn Mayes' original material has been rewritten, to include additional facts, and has been prepared for publication by Art Goodnow, Robert and Nancy Merriam.

Once we began reading this book, we couldn't put it down. This book contains information unavailable elsewhere on many early wireless companies. Thorn Mayes' precise writing style should be a guide for us all. His thirst for a complete and accurate account of wireless history is exhibited in a "Bibliography/Reference" list at the end of each chapter. Radio historians have been waiting for this book which many will be able to use for research on early

wireless companies. The book contains many fascinating biographies about wireless inventors, promoters and entrepreneurs who played an important part in the technological and social development of wireless telegraphy. High quality photographs are abundantly placed throughout the text, many of which we have never seen before, a result of Thorn Mayes' and Bob Merriam's archives.

On a scale of one to ten, *Wireless Communication in the United States* certainly rates a ten. The book fills a void on every radio historian's bookshelf. The only disparaging remark about the book is the fact that it is only available in softcover. My copy is already shopworn after two weeks of use! We would like to see a hardcover edition which could hold up to continuous use in early wireless reference work.

The book is available from *Antique Radio Classified* for \$29.95 with free U.S.A. shipping. Subscriber discount price is \$26.95. Order Today! (#46-Apr09)
