(2) Frequency in kilohertz; power and hours of operation. WOF operates with one kilowatt in daytime hours, 250 watts at night, and uses a directional antenna in daytime. Nighttime operation is limited to hours when dominant station KQSL is operating in daylight. WOF holds a construction permit for five kilowatts power day and night.

Operational abbreviations:

CH—critical hours
CP—construction permit
CR—Canadian restricted
D—day
DA-D—directional antenna daytime only
DA-N—directional antenna nighttime only
DA-1—directional antenna day and night
DA-2—directional antenna with changing patterns, day and night

(4) Licensee name and date of acquisition (if not original owner). If the licensee is a group owner—a company with several broadcast properties—it is so identified, as is a group owner of which the licensee is a subsidiary. Details on group owners are listed in section A.

(5) Network, audio news service, rep and programing. The WOF national affiliate is ABC Entertainment Network, regional is Mountain State. The station subscribes to a news network from Associated Press Radio. Sales representatives are also listed—national rep first, then regional. The WOF program format is part middle-of-the-road, part country and western, with three hours weekly of special programing in Spanish.

(6) Personnel.

(7) Advertising rates. The prices the station charges for a 12-times-a-week, one-minute spot are shown for each of four day-parts:

6 a.m.-10 a.m.; 10 a.m.-3 p.m.; 3 p.m.-7 p.m.; 7 p.m.-midnight in that order. If a day-part is inapplicable, a dash (—) replaces the rate.

Co-owned FM. WOF-FM has the same ownership as WOF(AM), and the FM listing contains only information different from the AM. Co-owned AM and FM stations are always listed together, even when they have dissimilar call letters.

(8) Frequency in megahertz, effective radiated power, and antenna height above average terrain. WOF-FM broadcasts in stereo.

(9) Programing. WOF-FM duplicates WOF programs 50% of the time and has a C&W format.

(10) Co-owned TV. WOF-TV has the same licensee as WOF-AM-FM.

Listings for independent FM stations follow the format of AM station entries.

Policy

By law, the Voice of America, a part of the International Communication Agency, operates under the following directive "The long-range interests of the United States are served by communicating directly with the peoples of the world by radio To be effective, the Voice of America must win the attention and respect of listeners These principles will govern VOA broadcasts

"1 VOA will serve as a consistently reliable and authoritative source of news VOA news will be accurate, objective and comprehensive

"2 VOA will represent America, not any single segment of American society, and will therefore present a balanced and comprehensive projection of significant American thought and institutions

"3 VOA will present the policies of the United States clearly and effectively, and will also present responsible discussion and opinion on these policies"

To implement this directive, these broadcasts present news and news-related items of American and world events, news analyses, commentaries, correspondents' reports, editorial roundups, and feature material such as documentaries, roundtable discussions, interviews and special events all of which provides overseas audiences with a balanced and accurate concept of the many facets of American life and clear information regarding U S policies
