Allocations by States & Cities: VHF & UHF

As of October 1, 2005

Following table constitutes Part 73, Sec. 73.606 (b), amended, effective March 28, 1966 included in Fifth Report and Memorandum Opinion & Order, adopted Feb. 9, 1966. Asterisks (*) indicate channels are reserved for non-commercial educational use. Plus (+) and Minus (-) symbols after channels designate offset carrier positions. **Note:** ¹ Channels so indicated will not be available for use until further action by FCC.

Digital TV Allocations

As of November 1, 2005

For analog allocations, Asterisks (*) indicate channels reserved for non-commercial educational use. Plus (+) and minus (-) symbols after channels designate offset carrier positions.

The Television & Cable Factbook: ONLINE

Continuously Updated... Easy Internet Access... Fully Searchable...

Now you can access the entire contents of the **Television & Cable Factbook** database right on your desktop — or with any Internet connection.

Your subscription to the **Television & Cable Factbook: ONLINE** will provide you with access to more than 740,000 detailed records. And, best of all, the database is continuously updated to ensure you always have the most current industry intelligence.

The user-friendly query interface allows you to perform fully customized data searches—so you can retrieve data in a number of ways, tailored to your precise needs. And not only are the research options extensive and flexible, but after just a few searches, you'll have saved hours and hours of cumbersome research time.

So sign up for a **FREE 7-day trial** today and see for yourself why the **Factbook: ONLINE** is an indispensable tool for you and your business. If you subscribe, you'll recover your investment in just a few searches. The convenient access to industry data ensures your subscription will easily pay for itself, again and again. The **Factbook: ONLINE** will save you a great deal of time, effort and money.

WARREN COMMUNICATIONS NEWS Telecom & Media Intelligence www.warren-news.com

Communications Daily

The Authoritative News Service of Electronic Communications

Read the only publication the Federal Communications Commission (FCC) and the National Telecommunications and Information Administration (NTIA) have subscribed to electronically for *all* their employees...

"CD has the sources, the facts and the intelligence to put it all together. I rely on CD every day."

Timothy A. Boggs
Senior Vice President for Public Policy
TIME WARNER

The only daily publication covering the entire telecommunications industry, **Communications Daily** follows the latest news in telephone, broadcasting, cable TV, electronic information distribution, satellites, cellular radio and all other important segments of communications.

The **Daily** condenses a tremendous amount of valuable information into each compact issue. You get the maximum amount of news about your industry—the very latest intelligence to help you make key business decisions—in an easy-to-read format that takes you just minutes each day to digest.

Fifteen veteran editors and reporters cover the news for **Communications Daily**. They keep you abreast of new developments in industry, the FCC, Congress, the White House and of other important telecommunications news at home and around the world.

Communications Daily makes news by covering the news. Order your subscription today. If you have a computer and e-mail address, you may choose to have your subscription to CD delivered *electronically* (via the Internet).

WARREN COMMUNICATIONS NEWS Telecom & Media Intelligence www.warren-news.com

Communications Daily

The Authoritative News Service of Electronic Communications

Read the only publication the Federal Communications Commission (FCC) and the National Telecommunications and Information Administration (NTIA) have subscribed to electronically for *all* their employees...

"CD has the sources, the facts and the intelligence to put it all together. I rely on CD every day."

Timothy A. Boggs
Senior Vice President for Public Policy
TIME WARNER

The only daily publication covering the entire telecommunications industry, **Communications Daily** follows the latest news in telephone, broadcasting, cable TV, electronic information distribution, satellites, cellular radio and all other important segments of communications.

The **Daily** condenses a tremendous amount of valuable information into each compact issue. You get the maximum amount of news about your industry—the very latest intelligence to help you make key business decisions—in an easy-to-read format that takes you just minutes each day to digest.

Fifteen veteran editors and reporters cover the news for **Communications Daily**. They keep you abreast of new developments in industry, the FCC, Congress, the White House and of other important telecommunications news at home and around the world.

Communications Daily makes news by covering the news. Order your subscription today. If you have a computer and e-mail address, you may choose to have your subscription to CD delivered *electronically* (via the Internet).
