Radio Formats Defined

AAA (or Triple A)—Adult Album Alternative. Eclectic choice of music ranging from hard rock to folk music.

Adult Contemporary—Recent popular songs, with a few oldies. The songs tend to be upbeat and soft. News and talk segments are prominent during rush hour “drive times.” Also known as Light Rock.

Agriculture & Farm—News, weather and features of interest to farmers and others involved in agriculture.

Album-Oriented Rock—Popular rock music from past and present rock albums. Also see Rock/AOR.

Alternative—Rock music first popularized in the late 80s and early 90s. Also known as Progressive.

American Indian—Programming for North American Indians; includes native language (i.e. Navajo) broadcasts.

Arabic.

Beautiful Music—Uninterrupted, instrumental soft music. There is usually very little talk and few commercials. Also known as Easy Listening.

Big Band—Popular music from the 30s and 40s. Primarily instrumental works by bands such as Glen Miller’s Orchestra and Tommy Dorsey. Also see Nostalgia.

Black—Music, talk and news targeted at Black listeners. Music at these stations is similar to Urban Contemporary stations, but this format caters more directly to the interests and tastes of Black audiences.

Bluegrass—Related formats are Country and Folk.

Blues—Some Jazz and Progressive stations also program blues music.

Children—Programming for children, usually for educational purposes. Includes music, informational programming, and news presented for young people.

Chinese.

Christian.

Classic Rock—Popular rock music of the 60s, 70s and 80s. Also see Rock/AOR.

Classical—Classical music, often long pieces played without interruption. Announcers provide extended commentary and criticism on the pieces. Special features, such as live concerts, are common. Primarily a noncommercial FM format.

Comedy—Recorded stand-up comics and/or old radio comedy series. A rare format.

Contemporary Hit/Top-40—Current hot selling records. Usually a playlist of 20 to 40 songs continuously played throughout the day. DJs are

often upbeat “personalities.” News and information are given light coverage.

Country—Country music, ranging from older traditional country and western to today’s “Hit Country” sounds. The amount of news and talk on country stations varies widely from station to station.

Disco—High-energy dance music first popular in the 70s. Also see Black and Urban Contemporary.

Diversified—See Variety/Diverse.

Easy Listening—Similar to Beautiful Music, but may include some soft rock.

Ethnic—Programming for ethnic minorities, mostly in foreign languages.

Farsi.

Filipino.

Folk—Played full-time on very few stations, American folk music is also heard on noncommercial Variety stations. Also see Bluegrass.

Foreign Language/Ethnic—In addition to the specific language categories (i.e. French, German), this format denotes multilingual stations and others catering to ethnic minorities.

French.

Golden Oldies—Hit songs of the 50s. Also see Oldies.

Gospel—Especially popular in the South, evangelical music is programmed on many Religious format stations.

Greek.

Italian.

Japanese.

Jazz—Primarily a noncommercial FM format. Some Classical stations program jazz music features.

Korean.

Light Rock—See Adult Contemporary.

MOR (Middle-of-the-Road)—Traditional AM format featuring a balanced mix of music, news and talk. Songs are usually popular standards. Announcers are often personalities who try to keep the listener interested and informed. News, both local and national, plays an important role at most MOR stations; coverage of sporting events and other features of interest to the community is common.

Native American.

News—Continuous coverage of local, national and international news, including sports, weather forecasts and features.

News/Talk—Combination of news and talk formats. One of these elements may receive more emphasis. Also see News and Talk.

Oldies—Hit songs from the 50s, 60s and 70s. Usually played by upbeat DJs, with news, talk and special features (chart countdowns, trivia contests, etc.) playing an important role.

Polish.

Polka—Music for the traditional dance. Most polka format stations are located in Wisconsin.

Portuguese.

Public Affairs—Community interest programming (ie: broadcasts of city council meetings.) Many noncommercial, News, and Talk stations cover local issues on news features or talk shows.

Reggae—Jamaican music. Often played on Progressive stations.

Religious—Inspirational/spiritual talk and music. Most religious stations air Christian sermons or songs. Also see Gospel.

Rock/AOR—Rock music from the 60s to the present. Album-oriented rock features music “sweeps” or uninterrupted sets. News plays a secondary role. Also see Classic Rock.

Russian.

Spanish.

Sports—Play-by-play and taped coverage, sports news, interviews, discussion.

Talk—Topical programs on various subjects. Includes health, finance, and community issues. Listener call-in and interview shows are common, and the host’s personality tends to be an important element. Many talk stations air national satellite-delivered talk programs. News, sports and weather are usually emphasized during “drive times.” Also see News and News/Talk.

Tejano—Bicultural programming including Spanish programming, popular in Texas, particularly near the Mexican border. Interest surged in this type of Spanish music during the early 90s.

Top-40—See Contemporary Hit/Top-40.

Urban Contemporary—Dance music, often from a variety of genres (i.e. rhythm & blues, rap). Most Urban Contemporary stations emphasize music by Black artists. Also see Black and Disco.

Variety/Diverse—A station listing four or more formats. Typical of noncommercial stations.

Vietnamese.

David J. Del Beccaro, President
Damon Williams, Operations Dir
Music Choice is the premier music television network, reaching U.S. households through digital cable and satellite television. Music Choice programs interruption-free music for homes and businesses and distributes televised concerts and music shows. The Music Choice music channels reach 33 million households and the Music Choice Concert Series airs in 44 million homes nationally. Music Choice is a partnership among subsidiaries of Microsoft Corporation, Motorola, Inc., Sony Corporation of America, Warner Music Group, Inc., EMI Music and several leading U.S. cable providers: Adelphia Cable Communications, Comcast Cable Communications, Cox Communications, and Time Warner Cable
