~~MEMBER'S CORRESPONDENCE~~ PLEASE ADDRESS REPLY TO

ERIE, PENNSYLVANIA

July 11 1940

Dear NRC Member:-

After a very long delay I will undertake to try and get a few words to all you members. In the first place I want to quite all rumors that the NRC has not folded up or intend too. My wife has been very sick for the past three months. In the past week she has improved a great deal but not completely recovered yet. With this issue we will not try and publish the news that we have here at Headquarters as its out of date but we will be back next month with our regular schedule and the old time bulletin with all the news. So please stand by.

I would like to ask all you members to give me a little cooperation and remit with all the membership fee's as these past few months has put a big dent in the old pocket book and as you know it takes money to operate a Radio Club, at this time I want to thank all you members that answered my last request about the membership fee's. With in the next few days I will turn over the complete list of members names that have sent in their fee's and the Treasure will get the cards out. To all you members that have orders for stationary and other supplies I will try and get these orders out as soon as we get back on our feet again. Also to all you members that have NRC pins order, we will try and get these out very soon.

With this issue we will publish the NRC Election returns, the Amatuer News, and a few other items that might prove of interest. At this time I would like to mention the wonderful Time that was showed the Erie boys at Tom Carberry's home on May 5 th, those attending were Ray Edge, John Kalmbach, Ed Feichtner and yours truly. A wondeful time was had by all, and may thanks to Mr and Mrs Carberry, (Junior Carberry's Father and Mother) all so to Toms Sister. All I can say I wish I lived closer to these Buffalo boys so that we could get together more often. Allso I want to say thanks to Jack Siringer who visited HQ May 25th and Jack and I had a very nice visit.

In closing this personal note to all you members please excuse me if I am slow in getting all your letters answered as I have letters here and how, I will try and get them all out in a very short time. I have many cards and letters here from None Members and members that contains Official Business and will have to be answered first, after this I will get after your mail.

Thanks also to Charles Morrison President of the IDA for the swell send off he gave the NRC Report forms in the May 1940 issue, we had many request for the Forms, thanks Charles OM, hope the NRC can repay you.

Your President,  
Harry M. Gordon
