## THE CPC CORNER

KTNM-Tucumcari, N Mex will honor the NRC with a DX program on the morning of December 20th from 3 to 4 AM EST. The chief engineer says they are glad to cooperate with our club. You can look for an interesting program from this station on 1400 kcs. (R. Cooper)

KMTR-Los Angeles Calif., agreed to DX for us on December 5th from 3 to 4 AM EST. On checking the frequency it was found that KVI is on until 4 AM and KMTR was contacted with a request to change the hour to 4 to 5. They have not answered as yet. We suggest you try for this station from 3 to 4 and if not heard, listen from 4 to 5 AM EST. (Eldon Addy)

KVCV-Redding Calif., will conduct a DX program for the NRC on Monday morning December 29th from 5 to 6 AM EST. We welcome this program and will contact WITH to see if the channel can be cleared on that hour or part of it. (Eldon Addy)

DEC 6th HJCU Radio Cristal 720 kcs in Bogota Columbia 11:00-11:20 PM will dedicate a special program to you and your friends, this was in a letter to Kermit Geary. I don't know if this means National Radio Club or just Kermit Geary and his friends so that is why it is not listed in the column. The following was included in Kermit's verie, "Believing that a Good Neighbor Policy is worth little without a mutual acquaintance among the American peoples, we think that the broadcasting stations of all America and the personal relations among the radio-friends will contribute a great deal to that realization of that noble ideal"

"In keeping with this spirit of good will and friendship, we shall be glad to broadcast for you and your friends on Saturday evening, Dec 6th from 11-11:20 PM a special program which you may tune in on our frequencies of 720 kcs 5Kw or 4.855 kcs with 1 Kw. We hope you will enjoy listening to this program and please let us know the conditions of reception"

Kermit urges all to listen and report as this certainly makes one feel that the DXers Utopia is at hand. Their address is, Cristobal Paez G. general manager- Radio Cristal HJCU-Apartado 744-Bogota Columbia. And their air mail address is Apartado Aereo 4409. Lets all try and report to this station as Kermit says they override WGN quite a bit.

DON REYNOLDS-NEWBURGH N Y Here is my first report as a member of the VFB NRC. I will try to get a report in every week on my DX doings over here between the mountains in Newburgh. My receiver here is a 1937 model RCA Victor 15K all wave with 15 tubes. It is badly in need of first-aid. Latins hrd here after 6:30 PM include CMK-CMCY-CMBL-CMHQ-CMBC-CMQ-CMCF-CMKW-CMCM-CMKC-CMHD-CMBH-CMBY-CMCK-CMKU-CMBZ-CMX-CMHI-CMW-TIEP-TIPG-XEW-XEAW-XEG-XEDP-XEB-WNEL-LR1-HJAN-HJ CZ-HJCS-HJCR-YV5RA and YV5RB. Some are very good others barely identified. I think I have HJCB on 1105 but I'm not sure. (Thats HJCB coming thru Don, I had them last night-Ray) 11/22 WWPG-1340 on initial test 2:30am; XEMC-XEAU-XEDW-XEJP all hrd fairly well after 3 AM. XEAW now exclusively on 1010 kc; WRAL on all night asking for reports; KBWD-1380 testing at 4AM; YV5RA & YV5RB very good here near 8PM also VONF; HJAN really loud but fading in and out very much. No sign of and TAs or TPs now until receiver is completely fixed, still need volumn control and condenser; Recent veries are WJHL-KOAM-WSRR-WBTM-WSOY; Reports out to WKAT-WMBG-WCAR-WRAK-WJIM-WGR-WMEX-WITH-WWPG-WRAL-KBWD-XEJP-XEMC. NRC--a wide awake club--Sorry I didnt join in 1934 when I first heard about it. Please announce that I would like to strike up regular correspondance with any BCB NRC boys. (W'll boys drop Don a line)

DONALD S BARNES-ST ONGE S.DAK. Just a note to let you know of a change in my address from Chicago to So Dakota. Box 866; Havent had a chance to DX since arriving here but will be set up and under way yet this wk. Past 3 weeks have not DXed at all because of vacation and moving. This location here seems to be pretty good, but noise from the AC line is a bit bothersome on the few sets I have had opportunity to listen to. KPOW on Powell Wyo puts in a good signal most of the day. It certainly will be a relief to get away from some of the all nighters that have bothered me for years, WEDC-WJBK-WNOE and a few others. (Well Don we hope you will report often on your new location and what some of us boys here in the East would give to hear some of those stations you will be pulling in. By the way waht part of So Dakota is St Onge? Vol 9 No 10 sent as requested, did you receive it OK?-Ray)

ERIC BRISTOW-CHICAGO ILL Sent reports out to WHIS-WCKY-WEXL-WISN-WCAR-WTJS-WJZ-WJR-WJSC-WISR-WEIM-WEDC-WSB-WKOK-WEVD-WNEW-WCOP-KTSA-KFGM-KSL-KGHF-KPYO-KGIW-ERIC-KRLD-CKLW-CKOC-CMCK-KFJZ-KFEL-Mexico XEDP, I have 2 new states in this bunch. Received veries from WLAG-WAAT-WAGF-KFVD-KATE-WPAR-WBNY-KGMB-WCAU-KSTP. I had to get up and get my Mother to the train so I missed out last week. She is 75 and wanted to see her Kin folks once more, (Yes Eric that comes before DXing by a long way) I also lost an Aunt last week who was around 90 years young. (I know that the entire club sends you their Sympathy Erie) I now have 6 countries on the BCB verified in less than a years DXing, I started last Dec 12th. Will check and see how many stations and countries I have after Dec 12th and will send you a report on them to see how well I have done. (OK Eric)

WIMPY KALMBACH-WMSVILLE N Y Veries since last report have been from KMO WLPM-WWDC-KDTH-WGAA-WAGE-WLAG-WBYN-KHMO-WMRC-WOMT-WLAK-WING-KYSM-WABY-WCOV-WICA-WSIX-WJNO-WBCM-WBNY-CKNX-KFYR-WQXR-WSOY-WGBB-WNLC. Have 17 reports still out. (Note to J Becker-YV4RA and HJAR does not count in US-Canada-Mexico contest) To Dick Cooper, tnks for swell WISR program for which I did not hear because I listened for 15 minutes and heard nothing and went back to bed, now I am told that my clock was 15 minutes fast. But thats not so bad as I at least got up, Pop Edge was burning up because he shut off the alarm at 2 oclock and then didnt wake up until 7 am thus missing the KBIZ special. Also tried to get him to eat out of Junior's dish with Junior's breakfast food but he very reluctantly refused. and he laso passed up his bottle of milk. Hows KBIZ Pop?

DICK DANEKER-LANSDALE PA I'M still among the DXers but am not doing mush Am devoting some time to the hobby but results are lacking, can find no new material, have been at the dials 9 times past 3 weeks in the mornings. (You must be like me- listen the mornings they arnt on-Ray) The following were found CHAB-CKRN-CKNB-CJIC-CHLN-WISR-KMYR-KMJ-KXA-XESM-WKBB-KFEL-WBLJ-WGAC-KGMB-XEMC-WEIM-WCOP. No TP's and no TAs and no SAs and not much DX. The allnighters are a pain in the neck, cant get any new ones thru them. Noise has improved some but DX has been spotty, once good and then no good. (According to reports Dick I guess we will have to tune for those SAs in the evenings from now on) Got a new boss at the house just 16 months old and believe me I'm kept busy when ever I sit down by the set as he too wants to DX also. LEN KRUSE-DUBUQUE-IOWA Reception has been quite favorable for DXing the past week as colder weather moved in on the midwest; WIGM on air since 10/26, Nathan Williams C.E. plans test program every Thur for next several wks from 2:30-3 AM EST. The special over WCOU on 11/23 could not be hrd here as WEDC & WRAL took over; 11/23 KTSM hrd on sign off; WAOV test at 2:30; CHAB with R8 sig with news at 2 AM; How is this for an ideal slogan "The Combed Yarn Center of the South" used by WGNC; 11/24 What Mex on 1260 kcs at 3:30 AM. WEDC made an announcement to all NRC members shortly before WEIM put on their DX program, about it. Thanks to them. WEIM put on the outstanding DX program. I have ever listened to and from all reports they have received bags of mail. 1st hr could not be hrd as WEXL too much; WELJ comes on at 5:30 with religious program; 11/25 The 1st part of DX from WCOP not hrd as WISN was on test; However program hrd R6 at 4:24AM, another fb program for club and trks to them. At 5 AM CKOC signed on so thats all of WCOP; WCED had nice DX R9, new station for me, on air last Tues of month 4-5 AM. Veries received, cards WSTP-WNLC-WCOV-WTAX; Letters WGNC-WBTH-WFAS-KLO and WIGM. (See note on Poets page)

MEL OLIVER-HOUSTON TEXAS Veries rec this week from WDAN-WNAD-KROD; 11/23 WWPG with DX at 5AM; also 11/26 XEF requesting reports and will DX again 11/30 from 3-5:30 AM. QTH Box 70, Juarez and they promised QSL cards and souvenirs. WMIN s/o at 6 after 23 hrs continous broadcasting. 11/24 WEXL ruined 1st hr of WEIMs program but I could barely detect them after QRM left. Still poor receiver. KTMS test at 4:30 AM; 11/26 Got a fair log on KBIZ but they were abt breaking even with WEDC. XEG verified for me in one week with picture postal card of their stations bldg. This was last April. I sent them a 4-centavos stamp which would convey a card but not a letter. KTRHs new 50 kw job ready about the 1st of the year. Yes Mel Bills QRA is- B-31015 Stone W.H.-RCAMC Coy No 1 CMC-Canadian Army overseas. All mail to him is sent to Canada so only pay postage to Canada.

DICK COOPER-KITTANNING PA Veries include letters from WWNY-KAVE-WSAU-KSKY-WLAG and cards from WOL-WRRN-CKNB-WJPR-KOA-KHMO-KHQ and a nifty crd from KSCJ; I suggest anyone not having KSCJs new card should get it. WWNY sent clipping with verie and seemed pleased with results of NRC DX. WEIM program received 100% and they sent me a handsome GE Wall Clock fm previous program. Fred Borchardt also got one. Missed WCOP program for 1st special missed this year except KEVE which could not be hrd. KBIZ had swell program with Ham chatter in place of routine anns. KPRO heard on reg sked signing at 3 AM EST; KGGF hrd in early evening in back of CBF; WWPG hrd test several times past wk promising beautiful verie card. WJMA promised to verify reports soon. I prepared cards for them and they should be sent out soon. WISR not too pleased with results from their DX but conditions were not good. Watch for WPER soon; WFIN not on yet. My bulletin received regularly EVERY SUNDAY MORNING in as much as I have it sent to a PO Box and can get it by calling at the PO. The only time it was not there Sunday was once last year when Ray mailed the bulletin on a Friday or gave it to another party at Buffalo PO. I'M sure the fault must be at local PO so if any of you boys are not getting service look there. KFRE to join Mutual network on Dec 1st so should be testing.

ELDON ADDY-MARCUS IA Just a line to let you know of my DX activities for the past week or so. Reception very poor, lot of static & poor sigs. New veries are YV4RA-WGAA-KFKA-WISR-WLAG-WWNY for 400th. "LEO THE LION"

This old earth of ours has grew & grew	He loves wine women and song
I've see Japs French & Germans to	Everytime he sings he gets the
But Im sure theres very few	gong
Thatll compare to the Leo we know	To the red white and blue he will
You & I we both know him well	always belong
We all love to hear his "Und & Vell"	Hes a real American or else Im
And oh what stories he can tell	wrong
But all of us are still his pals	Saurkraut und Weiners he sure can
Youve heard of lions they sure can roar	eat
To our wee Leo lions are only a bore	And our Leo loves Pickled Pigs feet
A good fight is the thing he does ador	We tease & kid him every day
So we call him Slugger & Killer the	From early June till late in May
man of demeur	We all know hes worked very hard
	And hes been given his just reward
	In the form of our Chairman of the
	Board
	Thats Leo Herz our lion shield & Sword

"A WORTHY FIGHT" By Fred Borchardt

Ive seen tennis wrestling & dogs that	Now why should I speak of the
bite	darker side
And big boxers that punch with all	Our DX contest is our real pride
their might	As through the airplanes the sigs
You can have Europe its bal alright	do ride
But our BCB is sure the best fight	By our trusty receivers us DXers
England & Germany are big & strong	are tied
They get what they want by singing a	We fight & fight with all our might
song	The QSLs received are sure real
But Im sure theyed get the gong	sight
If they were in our contest long	As more and more DX, off we bite
The roar of the cannon Europe does	The points they mount to left & right
rear	Friendly enemies we are in every
The noise is heard from far to near	sense
Our clubs receiver they should hear	Picking at each other from over the
Then theyes hear noise that is sweet	fence
to the ear	Competition is really getting very
In Europe they have the report of	tense
the gun	But the fellows are all very fine
But our reports are all in fun	gents
We mail our reports to East & West	Wholl win is only a long guess
Over there the males forever rest	But congratulations hell get from
	the rest
	Again I think I now need a rest
	So Ill shut up and not be a pest.

From reports received in last weeks mail the bulletin must have been waylaid at Chicago the transfer point for the west. It seems that all the members living east of there received their bulletin for the week on November 15th on Monday as usual. So it is as I expected, the trouble was not in Buffalo as the 2 fellows who handle it on Saturdays alternate and they do give us real service. The only restriction is that I have the bulletin to them by 9:30 AM every Saturday morning and they will do the rest. Last year the Club bought a carton of Cigarettes for the man in charge at the P.O. but I believe that the asst should also be considered this year as he handles the bulletin half the time.-Ray.
