ISSUED WEEKLY - \$2.00 PER YEAR

January 2 1943

We welcome Robert Kostka 8909 Southview Ave Brookfield, Ill as a new member and the renewals of Clayton Woodward, John C Kalmbach Jr, Robert botzum. May all their coming DX pleasures be plenty.

It is hoped that each and every one of you NRC members enjoyed a Very Merry Christmas and that the New Year will bring Prosperity and along with an Abundance of Health and Happiness. Good DXing to all of you.

It was regretted that the usual procedure of enclosing Xmas Greetings along with our bulletin couldnt be done again this year. Dick Cooper who in the past very generously printed these for us was unable to do the same this year due to working conditions and long hours. So the above greeting is from your Club Officers.

Coming DX programs are in line from CFAR and CFCX that new station in Antigonish, who will be a rare catch for all of us. Info on these along with a couple Jack Quintrell might pull thru. For info on WGIL not being on, read report of Lefty Coopers.

The following letter was received in response to my report to TIBAS being returned by the Censor. "The enclosure slip station This Communication is returned to sender because its transmission is not permitted in the letter does not imply that radio messages are being transmitted in the letter, but that the information contained in your letter is not permitted in international mails. Verifications and requests for verifications of radio programs are no longer permitted outside the limits of continental United States. The above regulation had been adopted in the interest of hemisphere defense and to aid the United Nations war effort. I regret the curtailment of the activities of private individuals but I am sure you understand that there is a definite reason for taking this action.

signed W. Preston Corderman, Colonel G.S.C.  
Chief Postal Censor.

From the above letter it looks as if we will have to curtail sending reports to all countries as stated above. I am sure that all our members will understand why this action was taken and we all know that our own Countries security comes way ahead of our verifications.

TIPS and LPO REPORTS

January 2 1943

JOE BECKER-HAMILTON O. Well I stayed on 1490 kcs the other night and I finally landed KBUR who were only on for about 17 minutes from about 4:45-5:02AM. Heard National Anthem at 4:45 and the selection Marching Along Together and a couple announcements and then the National Anthem again at 5:02 at s-off. It was really tough pulling them thru WWSW-WJBK but I dood it. Cant seem to hear WTTM no matter how often I try. Heard KVOL test and also heard CHEX on special. I wonder if Dick Cooper is still alive, if so please communicate with Joe Becker, 415 S. 11th St Hamilton, Ohio. Dick are you lost, strayed or stolen-Hi. I believe I hrd a harmonic of some police radio on 1430 kcs. Any one else hear it?

AL BARTHOLOMEW-BRADFORD N.Y. DX lousy here this AM but will be gunning for KWRC in the morn and will of course listen to CHEX and report. DX was great on Xmas morn, spicks all over the dial especially Cubans and Mexicans. I DXed from 1:45 till 6:30AM. CMCB was identified in English on 630 kcs at 1:45; CMBC at 2:40 forgot the freq. Cuban on 640 kc from 1:50-; @56AM. ~~XXXX~~ XEQ logged for report on 730 kc 2:04-2:23 followed by HJCS R7 on 920 2:46-3:08. A Cuban on 1390 unknown signed at 3:46. CMCH & CMCX logged for report on 1290 after 4AM. They used twin call. Several spicks on 1400 one louder than rest, unidentified, on alnite. A French-Canadian behind WEXL on alnite, no announcements in English, could have been CKCV or CHAD. I took a chance and wrote CHAD. wonder if my report to HJCS will pass censor. I didnt mention weather and used IRC. At 6:32 AM finally logged WBBB for report as they came on the air. Soco I reported to 5 stations in 5 countries. Only veries in are KWAL a duplicate verie for me and very nice letter. ~~XXXX~~ KWLK sent a nice pink card verie with large black call-letters. TO ALL YOU MEMBERS;- Please listen in & report to the specials I arrange as I promised a goodly number of reports, and from various parts of the country. CHOV has been on the air since last August 21st and are not as yet willing to transmit a DX but perhaps will be able to arrange one later in spring. CFCX in Antigonish inform me they will take the air in January using 580 kcs. They are going to DX for us and I have set a tentative date. more on them later. Well reception lousy and too noisy for KWRC, I did report CHEX.

JOHN KALMBACH-WILLIAMSVILLE N.Y. Well I am still among the DXers and I have received veries from WHBI-WJWC-WHIT-WISH-CHEX and a recent verie from WBYN signed by Peter Testan, c.e. Got my snack fixed up with a new flourscent light and a GE electric clock. Not much Gas so not any driving around. Santa was good here and hope he was to all NRC members.

DON MEYER-BOSTON N.Y. Recent veries from KGVO-WMGA-WJTN. Reports out to KGNC-WGBG-WLIB-WJHO-WDBJ-KXYZ. Was WOLF on? Yes Don they were and we meaning Kenny and I reported them on DX special. 12/21 tried for KW50 but the old Zenith couldnt get the 50kw's out of the way on both sides. It was awfully noisy. Best verie from draft board 2-C. WLIB was R9 at 4PM on 12.16. 2-C is another deferment so will keep on milking cows.

TED BAMBERGER-SHAKER HGTS O. what happened to bulletin No 13? Not much doing during past week or so. Reports out to KXYZ-WLOF on special-KTUC-KFWB. Is WQAM on as an alniter? I find WIND on during those hours. Only veries are WRNL-KWAL. KWAL gives me 39 states, KTUC if it comes thru will be number 40. Another late report out to KGKB hrd on 2nd ~~XXXXXX~~ Thurs test 5:20-5:35AM. (Ted if the bulletin for Dec 12th doesnt arrive by the time you receive this one drop me a card and I will try to fix you up, this also goes to any others. They just must have gotten lost. About 5 of you fellows have written saying it didnt arrive.-Ray)

ERIC BRISTOW-CHICAGO ILL The signer of WJHO is T Marion Hyatt and Al excuse me for not looking up WAIT, it is from 9:15AM-7:15PM EDT. May change after 1st of year. Veries in are WEOA-W5B-CBK-WHN-KGHL-CHAB-WTIC-WDBJ-WHAM-WJZ-KOA-KYW-KNX-KOB-WCAL. Hrd CHEX last nite. (WCAL-Northfield Minn)

DAVE THOMAS-PROCTORVILLE O TO-HERB CAMPBELL-The station (Rising WALL was KRMD who was on with a short test, easy to identify here. WINC s-on at 8 Sun and often in clear for about 1/2 minute. See where Herz is in Fort Bragg, I wonder if he could get me that delinquent verie from AT-9? If he will I will send him a duplicate report. I have a cousin also at Ft. Bragg but he is not a DXer so he wouldnt understand how to go about it. By the way he also is in the Glider Division there. Name is Paul F Thomas. (Leo HERZ take Note) "othing new to report. Latest veries OPM-OPL 16 mos out and KWAL-KSJB. Joined VRC and ordered one of log books, hope I enjoy its membership as much as i do NRCs. CHEX was swell here this AM. Noticed asked for members opinion on contest 1943. Due to present conditions I'd be in favor of NO CONTEST. Xmas AM Spicks were thick, 920-550(KOY)-Spick programs 560-590-860-920-950-960-980-990-1000-1070-1150-1160-1400-1440-1500 but no reports sent. Special Flash, Iceland DX & TEST Dec 31st 00:01 to 01:30 GMT (Jan 1 1943) on 209 kc and EIDER-616 kcs (8-9:30 PM EWT 12/31) Members that will be on Dec 31 1942 from 8:00-9:30 PM EWT.

JOE LIPPENCOTT-CELO N. CAROLINA Just a brief report on recent reception. Xmas AM DXed from 1:55 to about 4:30. Also a little before midnight at 11:48 hrd what sounded like CMCM on 780 kc. They played Blue Danube. Any help on this? CMCM listed to be on 825 not 835 as supposed and I think TIEP gave phone number as 5542 several times. Hrd OK 1:58-2:55AM. Never got good data but think Slogan was La Voz Tropico. CMKX-1390 seemed to be here, hrd 3:16-3:35 when was sure of identification. CMOA-1360; On 1440 and 1450, Spicks, who were they? Who was Spick also 1320 still on at 4:18. Tried for KGVO but hrd only a Spick, played Bugal Call Rag at 3:05. KGVO made a hetrodyne only. At 2:58 selection I think was On The Alamo played by CMQ and on 800 and 640. Who is Cuban on 640? New antenna about 700 ft doubles signals from WGN, whisper on old antenna. R7 on new. Reported KSKY thru WBAF, KOWH also hrd on same freq. WTMA this AM at 9:30 AM for first time. (Still no one knows who Cuban is on 640kc) According to VRC list the Cuban on 640 kc is CMKU in Santiago De Cuba 1000 watts.

JOE BRAUNER-WILLIAMSVILLE NY DX not so good past few nights, found it way below par on Xmas AM and again this AM 12/28, even the old reliables had trouble breaking thru. On the 25th no luck with KGVO here, CMCX-CMCH using both calls on that channel and R6 during this period. WGIL's 20 minutes slipped by before I realized it (Made no difference Joe they wernt on-Ray) Did not hear many Cubans as usual that AM but logged WNAB with a Xmas special until 3AM, would not trade this one for a half dozen non-verifying Latins. No luck with KWRC either, DX so poor that WITH barely got thru the noise and WJW hrd after 5AM was hardly R4 here. CHEX pounded in very well with an interesting program but not much better than they are in daytime. 3 fine letter veries in this week from WHIT-KEVE-KSJB.

GRANT BATSON-WESTFIELD N.Y. Veries received are from WHIT-WRDO-KEVE-CBK KEVE verie was a card & letter, the kind I like to receive. CBK back in 10 days, not bad for these times. Reports sent to KPOW-1230 freq ck on 12/23 Q3 R7. CHEX on DX special, was a swell program with plenty of plugs for the NRC, hrd Q4 R9, didnt hear WGIL tho, I listened 4-4:20 and all I got was some Spick and other spots were well covered by Spicks too. If KGVO was on, couldnt get any dope. Sent WGIL a tnk card, also got a swell new Years card from Jaime Marino montes of COK, Havana.

HERB CAMPBELL-ATHENS PA. Xmas week end noted for static and Latins. 12/24 at 8PM LRL was R8; 12/27 WPRA was R9 over WNOX at 7:30 PM. Best Spick that I hrd Xmas AM was TIEP which went kapoot at 4:47. No sign of KGVO or WGIL. Not sure of KWRC-unknown with short announcements and dance hits R1-3 Q2. CHEX was fine program, Q4 R7 (Should have been better report) I hereby retract all insinuations which I may have voiced about WHIT veri fyinh, as they did a hansome job. HAPPY NEW YEAR TO ALL.

I wonder if Dick Cooper is still alive, if so please communicate with Joe Becker, 415 S. 11th St Hamilton, Ohio. Dick are you lost, strayed or stolen-Hi. I believe I hrd a harmonic of some police radio on 1430 kcs. Any one else hear it?

AL BARTHOLOMEW-BRADFORD N.Y. DX lousy here this AM but will be gunning for KWRC in the morn and will of course listen to CHEX and report. DX was great on Xmas morn, picks all over the dial especially Cubans and Mexicans. I DXed from 1:45 till 6:30AM. CMCB was identified in English on 630 kcs at 1:45; CMBC at 2:40 forgot the freq. Cuban on 640 kc from 1:50-; 56AM. ~~SMSE~~ XEQ logged for report on 730 kc 2:04-2:23 followed by HJCS R7 on 920 2:46-3:08. A Cuban on 1390 unknown signed at 3:46. CMCH & CMCX logged for report on 1290 after 4AM. They used twin call. Several spicks on 1400 one louder than rest, unidentified, on alnite. A French-Canadian behind WEXL on alnite, no announcements in English, could have been CKCV or CHAD. I took a chance and wrote CHAD. wonder if my report to HJCS will pass censor. I didnt mention weather and used IRC. At 6:32 AM finally logged WBBB for report as they came on the air. 3000 I reported to 5 stations in 5 countries. Only veries in are KWAL a duplicate verie for me and very nice letter. ~~XXXXX~~ KWLK sent a nice pink card verie with large black call-letters. TO ALL YOU MEMBERS;- Please listen in & report to the specials I arrange as I promised a goodly number of reports, and from various parts of the country. CHOV has been on the air since last August 21st and are not as yet willing to transmit a DX but perhaps will be able to arrange one later in spring. CFCX in Antigonish inform me they will take the air in January using 580 kcs. They are going to DX for us and I have set a tentative date. more on them later. Well reception lousy and too noisy for KWRC, I did report CHEX.

JOHN KALBACH-WILLIAMSVILLE N.Y. Well I am still among the DXers and I have received veries from WHBI-WJWC-WHIT-WISH-CHEX and a recent verie from WBYN signed by Peter Testan, c.e. Got my shack fixed up with a new flourscent light and a GE electric clock. Not much Gas so not any driving around. Santa was good here and hope he was to all NRC members.

DON MEYER-BOSTON N.Y. Recent veries from KGVO-WMGA-WJTN. Reports out to KGNC-WGBG-WLIB-WJHO-WDBJ-KXYZ. Was WOLF on? Yes Don they were and we meaning Kenny and I reported them on DX special. 12/21 tried for KW50 but the old Zenith couldnt get the 50kw's out of the way on both sides. It was awfully noisy. Best verie from draft board 2-C. WLIB was R9 at 4PM on 12.16. 2-C is another deferment so will keep on milking cows.

TED BAMBERGER-SHAKER HGTS O. What happened to bulletin No 13? Not much doing during past week or so. Reports out to KXYZ-WLOF on special-KTUC-KFWB. Is WQAM on as an alniter? I find WIND on during those hours. Only veries are WRNL-KWAL. KWAL gives me 39 states, KTUC if it comes thru will be number 40. Another late report out to KGKB hrd on 2nd ~~XXXXXX~~ Thurs test 5:20-5:35AM. (Ted if the bulletin for Dec 12th doesnt arrive by the time you receive this one drop me a card and I will try to fix you up, this also goes to any others. They just must have gotten lost. About 5 of you fellows have written saying it didnt arrive.-Ray)

ERIC BRISTOW-CHICAGO ILL The signer of WJHO is T Marion Hyatt and Al excuse me for not looking up WAIT, it is from 9:15AM-7:15PMEWT. May change after 1st of year. Veries in are WEOA-W5B-CBK-WHN-KGHL-CHAB-WTIC-WDBJ-WHAM-WJZ-KOA-KYW-KNX-KOB-WCAL. Hrd CHEX last nite. (WCAL-Northfield Minn)
