VOL 13 No 33

July 20 1946

We welcome Charles C. Vandervort-Laceyville, Penn as a new member and the renewals of Steve Walbridge-Kenny Page-Leo Herz-Thomas Carberry. Thanks a lot boys and may the coming DX season be a success.

DX CALENDAR

Nov 12 WDSR Lake City Fla. 1340 N R C 3:30 - 4:30 AM EST

Also this information from Bill Stone, from Publicity Director of ADXR Quote" Radio Australia-To USA/North America VLC9 16.82 mc 810 PM EST starting 27th July. This program will be on all DX-all phases, will have orchestra etc-skeds, etc. All reports will be verified. QRA-Radio Australia, Melbourne, Victoria, Australia. Other clubs please copy.

Regarding to the above. As you all know the N R C is strictly a BCB Club. This was voted by the Board of Directors when it was found that we could not keep a SW Editor and the SW news was so very slim. However the NRC will publish information regarding DXing and DXes as long as it pertains to the BCB only. Reason-If we vary our policy in some cases, we will have to vary it in all, because we cannot do one thing for one and then change our policy for another. So to all, please continue your reporting, with BCB news.

MORE DX CALENDAR

Nov 5 KRES St Joseph, Mo 1230 N R C 3:30 - 4:30 AM EST
30 St. Pierre 670 N R C 3:00 - 5:00 AM EST.

Your NRC will shortly undergo several changes in its format. We'll have a new Club President, for Joseph Becker Sr., is relinquishing his chance for re-election because of his doctors orders as to DXing. We're going to have a new Chairman of the CPC too, and it will be Dick Cooper. As I turn over this job to Dick after having been Chairman of CPC for 5 seasons, I want to wish Dick all the success in the world. If he gets the same co-operation that you boys gave me in reporting the programs, then I'm sure he will do a bang-up job. I want to thank all of you for your support, and especially to those who served on the CPC during this time. Al Bartholomew-Ed Slater-Walt Bishop-Steve Mann-Ray Sahlbach-Dick Cooper-Bill Stone-Len Kruse-Joe Becker-Leo Herz-Fred Van Voorhees-Dave Thomas-Doc Kirk-Phil Nichols and Al Maley. Thanks go to each of these and to all who reported the DXes and sent important thank-yous. I've enjoyed this job every minute of the way and I wish Dick all the success in the world as I turn my attention to a new job, that as Editor of the NRC starting with the October 5th bulletin. I hope I can retain the perfection of our present Editor, Pop Edge, who saved the club from oblivion several years ago when he took over the controls. We'll have the full story for you when at the Buffalo Convention and in the September DX Newses. To stop your guessing, Pop will still mimeograph and mail your DX NEWS and continue as Treasurer.

RAY (POP) EDGE-BUFFALO N.Y. Well not much DXing here at all. None done at home, all at station. Several reports out unanswered but veries in from WENC-WNVA-CKMO who are now on 24 hours daily according to verie-KSFT-WMFT-KCRT-WLAR. Total now 953. Wrote WCMA asking about their verifying policy but to date no answer received. However if nothing is heard, will write again. Missed lots of the new ones, well Winter is coming and more time. P.S. RALPHIE is got too much. his rot will be with later Station List.

Voting cards have been sent to the 10 highest and they have all been returned except 1. The Presidency has been established beyond a doubt but the Board Chairman will be either named or a tie will exist with the receipt of this last vote. So it was thought best to not announce anything until both have been named. All votes will be on display at the annual convention for inspection by any member, if they ask. It is hoped that by next bulletin we can give you a complete list of 1946-47 NRC Officers.

LEFTY COOPER-BROOKLYN N Y Rpts out to WPUV-WKEY-WIRA-WENC-WDSR-KTSM-KSTT-WRHI-WMFT. Am I ahead of your Dick? My rpt to WKIX has thus far brought me a personal letter from Betty Quave nee Freeman, our old friend from WISE and a phamplet about the station and their weekly program, but still nothing looking like a verie. By the way, Betty says that she misses all you boys's letters and she wants you all to know that she is happily married and is the Mother of a 7 lb daughter, Sharon Elizabeth, born May 1. DX last 2 fortnights 6/15 Nothing new-hrd WMOH testing at 2; 6/24 took WPUV for rpt at 1:07 and then bumped into whistle test on 1340 which turned out to be none other than badly needed WKEY-WASK WEED-WMVG all testing at 3. BILL STONE-TORONTO ONT Doing a little DXing now and then, since last bulletin have hrd these-WTVL on 6/15-WENC 7/2-KSTT 7/4, ditto with WDSG-WJOI & WNCA were 2 more on the 8th on F/C-WMON on 7/10 with their 1st test announced-WBEJ with 1st test same AM-WGAA on 7/12, thanks to members tip in last issue-WTIK & WMON again 7/14 & 15-WMON announced on 14th, they were taking the air at 5:30 PM the 15th. WTVL hit the air on 19th. Veries coming in nicely-Since last issue are WCMA-WTSB-KSFT-WKXL-KVAK-WBLJ-WLAR-XEBZ-WTVL-WTOD-KCRT-KROP-KSTT-CMKS-WENC-WNCA, no complaints here at all. Bruce & I helped Ralphie pull in WMON-WBEJ-WTIK on the AM of 14th on our short visit to him-hope KVIC comes thru Ralphie, after that 2 hour struggle-ouch.

GRANT BATSON-WESTFIELD N Y First of all I want to say thanks for winning 2nd place in bcb contest and the extra prize. Veries in from KRIG-KVAK-WGKV-KSFT. Said I would keep on DXing all summer but guess I overstated myself, none the last month due to an extra increase in work. Well I got the new driveway built during my vacation week. The last week of work driving truck nights so I guess until thats over I wont be able to DX. Did get some nice SWL's and have been in Erie a lot lately but guess not so close to Frank Wheelers on company biz so couldnt stop. Anyone welcome here.

KERMIT GEARY-WALNUTPORT PENN Got quite a boost on 7/12 when a dandy verie finally arrived, CB-120, Valparaiso. On a nice card with a printed heading and map of Chili, state my rpt is correct and conforms with their program of New Years AM. Our very cordial congratulations for you are the first listener in the USA to hear our little CBL20 which works with only 1000 watts. Had an R-6 sig. Other veries from CBL-KAMD-KCRT-KRES-KRIG-KSFT-KVAK-WENC-WIRA-WKAX-WKXL-WKXL-WMFT-WPOR-WTSB. Also dupscfrom CHUM-KLPM-WDAY-WGKV. Personal letter from WDAY replaces the rubber stamped OK on my old rpt & the one from CHUM replaces the mimeo acknowledgement on their opening tests Tnx to Harry P Ellicott Jr for nice card verifying Club DX. Delay was apparently caused by having new QSL printed saying that KVAK was a member of the NRC. Now if KWOR-KPKW and TGO will just come thru. Rpted to 6/10 WKXL testing all AM-WCMA again on f/c 3:51-4:02; 6/12 WONS at 4:58 AM s/on- On 6/17 WIRA 3:16-3:25-WLAT 3:45-3:55; 6/21 WMFT 3:26-3:35; 6/22 WMGY testing all AM; 6/26 KILO-KLPM & WDAY on late with election returns (KILO was not rpted) 7/2 WCOC on till 3AM with returns WENC testing all AM QRMd by Mississippi stations on 1240 kc with returns; 7/4 KSTT 2:26-3-WDSC 2:51-3:02; 7/7 WDSG testing all AM behind WWDC; 7/15 WMON 2:50-2:59 AM. This summer has been swell for catching new stations as they come on the air due to the very few thunderstorms and mild static in these parts. Enjoyed nice visit from our new member Warren Kandes on 6/30. We had swell Sunday afternoon DX gabfest here and tried to hear something on SW about Atom Bomb explosion but could only get KBE Press Wireless testing with Bikini lagoon has since been hrd frequently. Elwood Deibert and I are still getting together occasionally. He has just gotten a National HRO so I expect some stiff competition from him this winter. Guess he'll keep me on my toes.-Hi. Thats the type to set I'm using here too. He expects to be in Buffalo for the Labor Day convention. (OK Kermit how about you too-regarding the HRO, thats what I use at the station, have 2 of em and of all the receivers that I have played around with like it best of any with exception of my Scott, the Scott with its selectivity and sensetivity I find cant be bettered-Pop)

LEN KRUSE-DUBUQUE IA Even thoughtits mid-summer DXers are enjoying new catches every few days if they spend any time twisting the dials. DICK COOPER-KITTANNING PA Despite my laxity in rpting to the bulletin I have been getting in a bit of DX when time permits. Among veries are letters from KGVL-WSIV-KTMC-KRES-WDSR-KXLR-WMVG-KAMD-WTSB-WKXL-WTOD. Cards from WDSR-WLAR. Rpts out to WCMA-TGO-WKRZ-WONS-WPPA-WNCA-WJOI-WMFT-WIRA-KRIG-KWOR-KXLA-WPUV-WMGY. Have a card from KWOR requesting me to make him a 3 color verie card and in a week or 10 days I expect to have a nice card fixed up so you boys who heard KWOR will be getting the verie soon. Made up cards for WKRZ and delivered them in person to Russ Shettler, ce some weeks ago and note that he sent them out to just about every one but me. Thats ironic isnt it? Had a swell visit from Pop and Mrs Edge and also fm Al Bartholomew and his swell family on their way to the west coast for a 6 week vacation trip. Looking forward to meeting Doc Kirk in a few days. Hoping to meet hundreds of the old gang in Buffalo on Labor Day. Van Voorhe tells me the Board has given me CPC Chairmanship for coming year succeeding Lefty Cooper who takes on another important job. I will appreciate hearing from any of the fellows who want to do CPC work as well as any suggestions from the membership at large. I promise to try to do my best always and I'm sure it will be a big job if we can do it as well as Lefty has. Best wishes to him en his new duties.

REGARDING NRC CONVENTION

Well boys the time is getting ripe for our annual convention and it is expected that a number of you boys will attend and you can be sure that we are looking forward to seeing a good number of you.

Several have written in asking about a place to stay. As you know Buffalo is like all other places, houses scarce along with rooms.

Your Editor and his wife have their vacations together this year and with the daughters grown up a vacation is planned and it runs from August 24 to September 7th. The Mr- & Mrs plan a drive and will leave Buffalo Aug 24th and return August 30th. So here is info regarding to reservations for the ones wanting them. If you plan to attend and want a room in a Hotel reserved write now. You can take a chance of getting a room in a tourist home in Williamsville as was done other years, but you are taking a chance. Also Cabins might be empty if you get in Buffalo early in the day of after noon, if you wait until evening they are taken. So you decide on just what you want and if you want a room at at hotel(not the most expensive but a nice place) drop a line to Thomas Carberry Jr 272 Hoyt Street-Buffalo 13 N.Y. and he will get one for you. It is suggested that you also send a couple bucks so he can make a down payment to be sure that you get one and also state just what you want. So be sure to do this now-now NOW-NOW-NOW.

Regarding the banquet dinner on Sunday Sept 1st. It is not known yet just where it will be held but you can be assured that a good dinner will be had at some nice place and not too expensive. We will do our best and more info will be in the August bulletin as to sending in your Dinner reservation. So get working on this NOW as the early bird gets what he wants. Remember Thomas F Carberry JR 272 Hoyt Street Buffalo 13 N.Y.

There are quite a few new stations granted CPs and also several new Calls issued. If they are not in this issue they will be in the August 17th. As you know its summer and I too like to get in and enjoy as much of it as is possible. You might get it before the August issue, and if so will mail it seperate later. Thanks to Dick Cooper-Len Kruse-Phil Nichols-Bill Gabriel Jr for that station information.

REMEMBER THE CONVENTION AND MAKE YOUR RESERVATIONS NOW TO CARBERRY JR.
