Our Twenty-Ninth season

June 16, 1962

SAM SAYS

"Can't believe that another year has rolled around, but you are right! So here is my \$4 for the best value in radioland. DX hasn't been too good here lately, but I always look forward to the next issue of DX NEWS."

-San McLauchlan - Box 26 - Gatineau, Quebec.

NEXT ISSUE JULY 14

And for it, the deadlines will be the Tuesday before this date, July 10, at Brooklyn and Lemoyne, and Wednesday, July 11 at Mendota. We hope and trust that all who are spinning the dials during the summer will keep DX NEWS in mind and will support all our sections during this so-called off season. Oftentimes much fine DX is corralled during the warm months, so give it a try at least from time to time. Twasight DX is often very good in the summer, so keep your finger in the pie, and spin those dials!

CONVENTION '62

(by C. Alan Taylor)

"In '62 when people were young and the world was new
We came from California, Florida, and Canada too.
We came to celebrate a great Convention,
To meet fellow DXers, twas the main intention.
Now it is gone, but memories remain,
As we board that long black train,
For the last big convention in the Sky.
Now the moral of this story may not be clear to you,
But there's fond memories awaiting at Indianapolis in '62.

This little ditty was written just by me - Twas in attempt to let you see,
That Indianapolis awaits with outstretched arms,
So leave your factories, and leave your farms,
To make this a big Convention in '62, Everyone must come and that means YOU!"

We wish to remind you to look in this issue for additional news of the up-coming big Indianapolis Convention. Be sure to make your arrangements now to be there for all the fun, and believe us, if you have never been to one of our annual Conventions, you will definitely have fun! So, the more who will be there, the more enjoyment it will be for the whole group. Don't include yourself out - make your plans now to go to Indianapolis, where this year's merriment will be held. Come one, come all!

3

Maurice W. Nittler - 1755 South Vallejo Street - Denver 23, Colorado

Mill-Hi DX Doings from Ruby Hill's only DXer. Early April DX was outstanding beginning with 4/6 when KSYX-1430 was heard ETing and WLSI-900 r/c in good. 4/9- WGM-1380 on ET; KBER-1150 on RS at 5:15, in SS with EE IDs. WESC-660 on RS with rr mx at 5:25, WAYR-550 on RS with religious mx at 4:05. 5:47 was the time WAVI-1210 was heard on RS. WBCH-1220 s/on 6:00 followed by WSLM-1220 at 6:15. KVSA-1220 s/on 6:30 and WJIL-1550 on RS at 6:38 followed by s/on of KBLR-1550 at 6:45. KNIN-990 on RS at 7:07 to cap off a big morning. Then at 8:10 am I took a log on the new KICM-1250 in Golden, Colo. for their first day of broadcasting. 4/16- KOHO-1170 was logged at s/off in EE after Japanese programming at 4:00. 4/19 with KOMA off, I managed a log on unverified WKBW. 4/23- KGON-1520 heard under like circumstances with AN show. WFNL-1600 heard on ET until 4:00 s/off. 5/1, found WGV-1260 on RS at 5:45 with cw mx. Veries have come in very well with total now at 1,928: WKS-1420 KSYX-1430 WLSI-900 WAVJ-1210 KVSA-1220 KBER-1150 WTT-1370 WPGC-1580 WGM-1380 KNIN-990 KGPC-1340 WBCH-1220 WJIL-1550 WAYR-550 and KBLI-690. Looks like we will get a look at Larry Godwin's bailiwick in Boulder as the next meeting of the DENVER IN '63 Committee will be held there. Just about every motel in Denver is aware of the NRC now after our visiting them last Thursday night in a body. It has been mentioned that God will be in Indianapolis in '62. That is fine and good but he has been in Denver for years constructing the beautiful background for the wonderful NRC Convention in Denver in '63. (I'm not really looking for a fight, hi). Anyway, I hope to be able to make the pilgrimage East to Indianapolis over Labor Day.

Skip Dabelstein - 12524 C Street - Omaha 44, Nebraska

Well I guess it's time I should report. Some of the stations heard are WGBA-1270 WJAZ-960 KDXE-1380 KOLO-920 (State #40) KADL-1270 WQIC-1390 KDWB-630 KNUJ-860 KUVR-1330 WCWC-1600 KSEL-950 WMRO-1280 WINX-1600 (State #41) WAAY-1550 WKXV-900 WZOK-1220 KWYO-1410 KFBC-1240 KENO-1460 KDON-1460 KLMX-1450 KXEO-1340 KICK-1340 WBIR-1240 KRAM-920 KEWB-910 WKYR-1270 WNOO-1260 WQAM-560 KAKE-1240 WJMX-970 (State #42) WREL-1420 WQOK-1440 KWOU-880 KXLY-920 WJMC-1240 KWRV-1360 KTCI-690 KOOK-960 KOYN-910 KENN-1390 and KSVP-990. I got a KICK out of my LICK verie. The CE said now that the signals are getting into Omaha they are going to increase aive tising rates. Not much of anything new. I have been listening about 15 minutes before leaving for school but nothing. However, some veries: KPRC KGMO KAMO WHBC WKOW KFAL KFYR CHAB KOLO KLCO KWIN WCWC KXEO KICK WGBE KFBC WQOK WNOO KWYO WQAM KEWB WBIR WRBL KEAN WKCW WINX KXLY KRAZ LWOU KOYN. Now at the end of the season I have checked and found that I have 298 heard and 121 verified to make a total of 529 heard and 225 verified. Well, I guess I'll say 73 and I hope everyone has a good summer.

Norman L. Maguire - 1420 Columbia Drive N.E. - Albuquerque, New Mexico

DX has been practically nil at this den this year, as a bad hand has curtailed most writing and typing. Did log and report a few specials, but no replies. Only veries were from KIQS KABY and KHUM. We have had our first outlaw station this winter, signing WNYS on 1180 kc/s. Never could find his location in Albuquerque. His hours of operation are irregular, often from midnight until 3 a.m. Has good equipment. KDEF-1150 went full time on May 15th. Sked is 7 a.m. to 2 a.m. EST. KMGM-730 changed calls to KVOD on May 21st, to stop a suit brought against it by MGM Pictures for using a call that MGM contends infringes upon their trademark. Sure funny how such a suit could be valid, as call letters are assigned by the FCC and in general have no bearing on business associations. KMGM never made any mention of the movie company, but used the Holiday Radio slogan.

John Swanson - 3654 North Paulina - Chicago 13, Illinois

Greetings from the Windy City! Sure doesn't help my antenna though. 4/20- WIIN-970 on a f/c at 12:55; WMNS-1360 through WSAI on its r/c @ 2:00; KXLY-920 through WOKY briefly @ 2:34; WQIC-1390 on r/c @ 2:55. 4/21- WVAR-1280 on f/c @ 12:15. 4/23- KTOE-1420 s/off @ 1:11; WFNL-1600 on ETs, WRAD-1460 with S-9 signals on ET. 4/24- WISE-1310 on f/c-TT @ 12:50. 4/25- WSWV-1570 on ET through XERF @ 12:13; WLOC-1150 on ET-f/c @ 1:30; WGBA-1150 on r/c-ET @ 1:47; KROE-930 with r/c through WKY @ 2:16. 5/13- WGBF-1280 with Cardinals' game @ 11:58 pm. Veries: WGBE KJLT WMNS KTOE KFRO-dx (f/up) WRAD WIIN WISE WFNL WLOC WGBA and KROE v/ls; WSWV WGBF WHBC v/cs; WFBC-1330 on report. Got a nice QSL from WSPA after ten months and no f/up. Thanks to all for surveys and I hope to get the ones I promised you out soon. 73.
KEEP WATCHING THE PAGES OF THE SUMMER 'DX NEWSes' FOR INDIANAPOLIS CONVENTION DETAILS.

Randall Lee - 4357 Ridgeway - San Diego 16, California

After many issues of silence from this den, time to report has arrived. April DX by dateline: 4/2- CJIB-940 Vernon, B.C. s/off 3:05; 2BL-740 Sydney, Aussie at 3:57 with ABC NX and ID at 4:00; 4RK-840 Rockhampton at 4:07; WKCW-1420 s/on 4:00; 4/9- KAPT-1220 Salem, Ore. RS at 9:30 pm, KGDN-630 TT at 4:37; WINS-1010 RS at 5:30; KRSC-1400 "Cancer Crusade" until 3:39 s/off; KATL-1340 TT 3:45 ID; KIRO-710 RS at 2:30; UnID SS on 1000 from 3:30-3:55 possibly IDing as "Radio Mil"? with numerous jingle IDs and semi-rr mx; WGH-1310 RS at 4:05; WFBL-1390 s/on 5:00 with SSB. 4/19- KCHJ-1010 at 3:30 am with RS; CHWK-1270 s/off at 3:07; KGON-1520 with rr (KOMA definitely off MIs); KWSO-1050 TT at 3:20. Like that's all the DX; thought I DXed more than this. Sounds like a DX sabateur. (Duke of Earl, maybe? Hi, Larry, Frank). Not many veries, but best of my DX career, AFRS-890 Adak Island, Alaska v/l running 250w. Very definite verie from AFRS came airmail in two weeks. V/l's from KRNK KARI KAVL KTOK KAYO KIQS KUBA KHOE KGAK (2) WTIC WFUN WTBF WALA. QSLs from KGRG KFJZ KMBYp KCLS KENN WHB WAVE WFLA WTIK WDVA WCKR 4MI-1080 2QN-630 XEC-1310 XEXX-1420. Larry-Frank, how about a KICY verie? Here's a proposition: Members of SCALD are counting WCAU-1210 and WOR-710 for New Jersey. Their city of license is Philadelphia and New York, respectively but XRs are actually located in New Jersey. Why not count such stations as their XR location? I am, and I know at least four others who are. If you fellows think rationally you will come to the same conclusion as we of SCALD did. How's that sound, too radical? I'd like to hear from some of you on this subject, pros and cons. We should have some kind of a system of standardization in state totals. With the addition of New Jersey as a new state (WCAU) I now have 45. If you disagree please write, I'll like to hear your views and ideas. Please, those I owe letters to, Frank, Norm, Fran, Murray, Dick, Joe, and Doug, hold on just a little longer. I'm in the midst of moving across town and will be writing within one week for sure. I have 2,400 KFWB surveys (no kidding). They have discontinued printing them. Want 'em, just write. No more space - best of DX and 73s to all.

Bill Hutchinson - 2412 Ellis Road - Baltimore 34, Maryland

DX activity here at a low level now, due to the advent of DST. A card received from CFOR-1570, and a card from CJBC-860. Today I received my PP back from WGAI-560, confirming daytime reception of 4/18, and a letter from Freddie Jack Stanley, CE, asking for another report, as he was surprised that I could hear them in Baltimore. I have suggested that he do a DX Special for us, if he really wants reports! Veries are slow to come in, but I keep hoping. I notice that returns have dropped since I started using report forms, and I think I will go back to using a letter report, even though it is more work. They're off and running at Pimlico for the next few weeks, so no daytime DX for a while. I hear that comic Red Skelton is planning to drop in at Indianapolis for the NRC Convention.

(Report - no name or address)

Hi. Things are getting busy so this may be my last report for some time. These new stations logged since last report. WGLI-1290 4:05 am EST 4/29; WEAP-1250 4:30 am EDT. This was the night that DST went into effect, so for one time, I'll use EDT, one hour behind ADT. So at 5:30 am 4/29, with daylight outside, WEAP-1250 isn't bad distance; my second from that state. CJLS-1340 8 pm EST 5/2, Radio St. Pierre-1372 6:30-9 pm s/off, 5/7, and WRKD-1450 10:14 pm 5/6. Two welcome veries since last report, a 7 $\frac{3}{4}$ "x3" QSL from KSL-1160, along with a very nice 40th anniversary 1922-1961 three-page letter consisting of one page of technical info and two pages of history of KSL radio, updated May 1962. KSL was first licensed on 4/21/22 under the calls KZN on 833 kc/s., 500w This 40th anniversary letter gives a very interesting history of KSL and is the nicest one of its kind I ever have seen. V/s is M.M.Jones CE. Other veries is v/l from Mr. Galal El-Mahdy, Senior Engineer, U.A.R. Broadcasts verifying my reception of Cairo-818 2/14. He gave me the Arabic ID of Cairo-818 as "Hona Al Lahira" or "Here is Kairo." He seemed pleased with my report. He suggested it would be easier for me to tabulate my info and he enclosed a copy of SINPFEMO Readability, a system I'll explain in my next report (neat, too). He is going to send a QSL. When I receive it it will be my most prized verie. Address is U.A.R. Broadcasting, Main Transmitting Centre, Batra, Dakahlia, Egypt, U.A.R. Boy, was I thrilled when I got this letter! Got it one day; next day came the KSL. Well, that's all for now. Thank you, Ernie, for the ID on my mystery TA, AFN-1106. This station raises the total to 2;3 heard, 38 verified. Until my final exams are over, 73s and good DX.

June 16, 1962

D X N E W S

5

C. Alan Taylor - 2529 East 9 Street - Indianapolis 1, Indiana

Sent HRN-670 a report on reception earlier this year and never did get a verie, makes me mad. Also reports off to YND-675 YVLT-dx-825 YSKL-765 and more. No sweating the Spanish. I get a blast out of writing SS reports. Heard KYND-1580 in Tempe, Ariz. on 5/1 from 1:30-1:45 with TT, report off and if they verie it gives me Arizona. Also a report off to KPBM-740 in Carlsbad, N.M. for their 5/2 TT from 2:00-2:15 and that is #2 for N.M. Well, the Jones Listings contest to get a free '62 issue and their article in it is off. Don't know why, just off. I said that I was now clearing house for Jones. If you have any questions or anything similar, send them to me, and I'll reply by Musing or mail. Well, will continue the DX this summer. I don't really expect many good catches, or much new, but it's worth a try. Also will try to liven up the DX NEWS with my sparkling personality (?) now that we're on monthly sked. Well, I'm going into my second year of NRC membership, thanks for the best info, help, and friendliness in the world. I hope that I can stay in a good long time. Now I will s/off with a tribute to the immortal "Beethoven's Fifth" entitled "How Dry I Am." 73. Come to Indianapolis 8/31 and 9/1-3.

John A. Callarman - Box 1914 - Pampa, Texas.

Have DXed now and then since return from Monroe. 4/28- KEDD-1550 with faint QRM; KLIB-1470 QRM from KRBC, daytime logs. 4/29- LA on 668 10:37 pm, smeared 10:48 by bad buzz. KSO-1460 well atop to 11:00; KELI-1430 atop 11:01; KNOE-540 under XEWA. 5/3, afternoon logs, KEDD for report, KLIB and KBYP-1580 ditto; KRAN-1280 bad, with QRM this afternoon. Searched for KCAS-1050, a poor second to unnn KNC0; KIRL-1070 80% readable. 5/1: KVPH-1550 for report on RS (opened 5/8); KRBC-1470 KWBB-1410 KLEO-1480 atop their channels 8:20 pm. KHOB-1390 (ex-1280) atop 8:37-8:45 s/off, then unnn KCRC took over. KDAI 1550 noted to 9:00 s/off. Logged KREB for report to 9:30 with KFIF QRM, not enough on latter. 5/12- KRAN-1280 better for report. 5/15, KHUZ-1490 for report, failed to QSL in '58. Borger only 25 miles away but KZZN (at 145) faintly loggable beneath; KWHN-1320 fighting KXYZ for report 8-8:20; KDAB-1550 fair to KVPH s/off 8:30, good to KEDD s/off 8:45, excellent to their own s/off 9:00 for thorough report; KFIF better to 9:15 s/off for report. Tuned to 1590 in time to hear KCHY surge atop for s/off to 9:17; KYOK QRM. 5/16- Unn KSIW is dominant on 1450 here, though fights KH HH/KPDN image, which also shows on 1120. KSWO (unn) atop 1380 10:30, with KEWD. 5/18- KCHY logged 8:35-9:16 s/off, KYPK/KVGB QRM. 5/30- KVOR-1300 2:28-2:45 am s/off; WTJH-1260 on ET at same time. Station IDing as Mobile Ala. on 1270 on ET 2:44 off, must be WAIP, Prichard; KENM-1450 on ET 2:52-3:06; XEH-1420 s/off 2:59; KFRU-1400 and KNOW-1490 atop 3:00; KAKE-1240 dominant. Veries: KEDD KLIB KBYP KRAN KVPH KHOB KDAB KFIF and WBMK-dx I have a new mimeo form on which one paragraph reads "A suitable verification would be the statement, "This verifies your report of reception of ---- on --- -kc/s., ~~xxxx~~ --- 196-, between --- and --- -m CST." written on your letterhead and signed by a station employee." Most of the above veries have word-for-worded this statement, plus more, and I even got a typed PS to add to KFIF's non-committal hectographed reply. 73.

Fran Mittler - 2634 South Josephine Street - Denver 10, Colorado

Not too much DX to report from here. Spent most of May on vacation. It was a real pleasure to be able to visit Len Kruse in Dubuque and Ev Johnson in Mendota and talk DX. Also, enjoyed having Len Lockwood of Olympia and Jeff Stewart of Amarillo in the Denver area on vacations the past couple of weeks. We had some good gettogethers of the local Club members while they were here. Now to DX such as it is. I missed the May issue so will go back to 4/22 when I logged WBCR-1260 Christiansburg, Va. s/on at 5:00 and the new WFNL-1600 North Augusta, S.C. on ET. 4/24, added WDXE-1370 Lawrenceburg, Term. on r/c. 4/29, added WJPG-1440 Green Bay Wis. on RS at 5:05 right after changeover to DST. Then no DX at all for over a month because of vacation, overtime, etc. This past MM despite very heavy static 6/4 added the new KVRD-140 Cottonwood, Ariz. on f/c 3:45-4:00 with ID every minute so exactly 14 IDs heard, hi. Veries include a couple of good ones with QSL card from 2AP-1420 Apia, Western Samoa for country #26 verified and 3KZ-1180 Melbourne sent nice v/q and v/l for country #27. They are 5kv. so a good catch. KOHQ-1180 sent nice v/l with CM and letters also in from KBLI-690 WDXE-1370 WBMK-1310-dx WERT-1220 WJPG-1440 WFNL-1600 for total of 2,163. Verie total for season is 149 but have plenty of f/ups to send if I ever get around to it. Does anyone have a good static eradicator for sale, hi? Best of DX to everyone during the summer and hope to see you all at Indianapolis. 73s.

DON'T FORGET NRC'S BIG HOOSIER SHINDIG AT INDIANAPOLIS OVER THE LABOR DAY WEEKEND!

Ronald J. Musco - 124 Park Avenue - Windsor, Connecticut

Hi. I'm a new member and this is my first Musings report. My receiver is a Heathkit GC-1-a "Mohican" all-transistor five-band portable radio. I also use a Heathkit Q-Multiplier. I have logged 204 stations and I received 85 veries. V/cs received lately are WEEZ-1590 Chester, Pa.; WSPD-1370 Toledo; WLAC-1510 Nashville; CKLW-800 (62 days) WHIM-1110 WFPG-1450 Atlantic City and KRLD-1080. V/1 from WQXR in four days. Also received a card from "SCALD" - I wrote a letter to the boys thanking them for writing. Following is what I have logged recently: WEEZ-1590 6:30 pm on 4/26; WNYC-830 7-8 pm on 5/28; WRIV-1390 5 pm on 5/18, WGCB-1440 4:30 am on 5/19, WKCW-1420 s/on 5 am on 5/19, WDYL-1430 1:14 am. test on 5/21; WSUB-980 5/23, WMMW-1260 5/25, WPOW-1330 11 am 5/27. Does anyone know how long it takes XERF to verify? **Here is some info about myself:** I'm a student at the Ward School of Electronics, in Hartford, where I'm enrolled in the communications course. Our class is going to visit WTIC in about a month. I have visited WSOR's XR (located in a swamp) and WDRC's in Bloomfield. WSOR's XR is a Gates unit rated at 1,000w. They run 500 at the moment. WDRC is strictly rr. I'm surprised to hear that WTIC takes so long to verify - they are a big outfit. They leave 1080 in the clear at 1 am during the weekdays. I would like to correspond with other members and I'd like to know if any other member uses a Mohican. Guess that's it for now, so 73. (Welcome to the NRC, Ron, and we hope to hear from you often for these pages!-ed.)

P. E. Crocker - Box 76 - Marmouth, Maine

Just a few lines from this new member. I have been DXing for several years but never really got started until late this winter. For a receiver I use a Hallicrafter S-41-G and my antenna is a single wire running outside my window which is about 40' long. To DX by date: 5/3- Trying for WWL and ended up with WKAR-870 at 9:00 pm on s/off. 5/4- WCAP-980 at 7 pm with NX with WTRY/CKGM in background. WTRY on top at 7:20. 5/13- CHVC-1600 with NX at 11:14 pm and s/off 11:15. Several stations in background but I couldn't make them out. 5/28- WNNJ-1360 on TT at 1:28-1:30 am. QRM from what was probably WSAI. Veries in from: v/1s WTOB CKSL WJTN CHVC CFCM WNNJ. V/cs WSOK-1230 for one of my best catches. My totals are 288/31. Any tips on how to set up a good antenna or improve reception in any way would be greatly appreciated. That's about it from here. 73s. (Welcome to you too, P.E.; and please keep Musing regularly! -ed.)

Bob Karchevski - 119 Hemerway - Boston 15, Massachusetts

6/6- Note new address above; a shift of about 0.9 miles. However, I'll be in a second floor apartment of a four story building, and the landlord forbids antennas on the roof. So I don't have too great a hope of a fabulous season, but I know I'll be trying. Now to DX. 5/5- Heard several stations on 1550 but IDed only CEE, 7:30 pm. 7:32, CFOR-1570 umn. Kad K.C.-Cleveland baseball faintly on 1580 until 7:45 pm, who? 5/7, 5:57 pm WEET-1460 and CKRE-1460 in FF. 5/27- WSAN-1470 logged 1:00-1:19. Veries were much better this month. For Mike King: KELO verie took 1 1/2 months. Other veries were v/q: CHNS WTOP WIRD (2 $\frac{3}{4}$ mo.) WSPD WHAM (4 $\frac{3}{4}$ mo.) WXTR. V/1: CHGB WBAX WPAC CKJL (2 1/2 mo.) WDNC. V/f: WLKW (3 $\frac{3}{4}$ mo.), WXYZ. No veries from WMOD-dx or YVLT-dx. When you include return postage, the least a station should do is send some sort of reply. Even a note on your report saying (for example) "We cannot confirm your erroneous report of an Elvis Presley record" signed; WQXR. This is my own opinion. Evidently, no one knows why KELO, a 5kw. station, prints 13,600w. on their CM. 73s.

Harold S. Williams - 50 3 Avenue - Seymour, Connecticut

I would like to ask anyone who has information on the correct address of the new station on 1550 kc/s., WXVA, Charleston, W. Va., 5kw. days, to either send it to me or have it published in DX NEWS. I logged them in the clear SM 6/3 from 5-5:30 am EST.; sent a report which was returned by the Charleston P.O. on 6/8, marked "No such station." They were logged with an S-8 signal. (They're in Charles Town, W. Va. -ed.) Just one verie, a v/q from WXTR-550 Pawtucket, R.I. for a 12/31/61 report without a f/up. Old WPAW card with W-XTR "Radio Extra" stamped over WPAW. I expect to be "away from home" most of July and August but will "commute" to work and pick up the mail two or three times a week. A pleasant summer to all.

David N. Lewis - 3429 Forest - Kansas City 9 $\frac{1}{2}$ Missouri

Kansas City A's baseball network: KCMO-810 KCRB-1460 (day games) KGGF-690 KGNO-1370 KIUL-1240 KVGB-1590 KSQB-1270 KSEK-1340 WIBW-580 KIRL-1070 and KTTS-1400. 1530, Butler Mo., 500w. day, KMAN, is now on the air. No DX to report.

KEEP REPORTING TO 'DX NEWS' DURING THESE SUMMER MONTHS TO KEEP OUR CLUB THE FOREMOST IN THE FIELD. ONE REPORT PER ISSUE, PLEASE, AND 30 LINE LIMIT. PLEASE DOUBLE SPACE.

June 16, 1962

DX NEWS

John Oldfield - 11623 84 Street - Edmonton, Alberta

First, I'd like to clarify to ye editor that the "Urgent" written on my special delivery Musing was as such. There is nothing more urgent than making a Musings deadline! Local CHED-1080 applied for 630 kc/s., 10/10 kw. 24 hours (natcherly) and CFRN-1260 protested because of the second harmonic. CHED stated that special engineering steps would be taken to surpress this. This would be Canada's first experiment to overcome this ticklish problem. 5/21- CHAT-1270 AN "Bridge Party" so report sent. CHAT may be a new ANer. Also CFCW-790 cw is AN again "Bridge Party" but off MM 2:00-8:00. Noticed KXLF-1370 KGVO-1290 AN for opening of the hunting season. Also, KSEM-1470 is now "Kiss-em" Radio. One verie, but a most welcome one, KICY Nome, v/1 and articles on station plus a PS, for a new country (#8) veried. QTH "K-'ICY', The Voice of the Arctic" P.O. Box 303, Nome, Alaska. These AN Bridge Parties in Alberta are for Lethbridge "Ginger Ale" (Breweries) Ltd. because no booze ads in Alberta. They all make ginger ale and use same cartons as beer except stamped "Ginger Ale." Does anyone know a DXer in Stockton, Cal., name of Al Ford? He heard local CJCA so maybe a potential new NRCer! Corries, I'll write right after exams on 6/22. 6/4- KULE-730 ET 3:40 and a Conelrad-640 from Portland, Ore. Where would you send for a verie? 73. (My guess would be Civil Defense HQ in Portland -ed.)

Pete Taylor - 2340 Pacific Avenue - San Francisco 15, California

It has been a long time since I've had a Musing in the DX NEWS and even longer since I have DXed! The only things of interest to report are the facts that KRLA-1110 is still on the air and that CKWX-1130 is now programming human mx. KYA-1360 here has been sold but I am not expecting a call change. A few veries are trickling in from time to time KAYE-1450 for 4/9 report; KPTL-1300 for last year; XEKT-1380 in SS for 3/5; JOBR-1140, KIOA-940 v/f after f/up, and then a few more goodies. Honan-1420 came through with a v/1, my returned tape, a QSL and a couple of linen napkins which I have no great use for (off hand, anyway). This is the first Peking-priginated verie I have heard of for anyone this season. A good catch too since a few issues back the power was listed as 2kw. A delightful letter back from Alaskan Network HQ at Elmendorf AFB, verifying my reception of Eielson AFB-790 and confirming their power as 50w., reception being 4/2. This is my best of the season, at least until HLKU-1035 replies! And finally, a QSL from YVLH-660. I guess many of us reported YVLH on Fran Nittler's tip, and they have started QSLing just in time. Also v/1 from KBLLI-690. Also I have sent out a few f/ups in an effort to at least reach around 135 in the Domestic Contest. KEZU WTHB KLOU WAAY WDXR are all three-pointers. The CPC needs say about ten people to writ@ a dozen letters each in order to fill the DX season with specials. This past year, most of th DXes were beneficial to Easterners only. CPC work is very discouraging and not always rewarding; I wrote a dozen and got only one reply, a negative at that. I think a help ful thing would be for DXers to send the v/s of particularly friendly letters to the CPC chairman. Of course the FCC has curtailed daytimers' DXes which is unfortunate, as these are among the best catches. Enjoyed Bob Pietsch's company while visiting KPEN Saturday evening 6/2. If any of you NRCers visit the Great Gray City by the Golden Gate during the summer, drop by! Oh yes, the HQ-160 has blown a fuse and that has me stumped at least until the next meeting of the BALD! Ah so desuka.

Bryan and Keith Wilson - 220 5 Avenue - New Westminster, British Columbia

Once more we've fallen behind in DX, dur mostly to laziness. We're going to try to get the dials tuning once more, now that the pressure of school and exams is over. No new Jones Log here yet - when will this be issued? New stations since last report in March include: WTAR-790 RS at 5:18, ID as Tidewater, verified as Norfolk (which one?) (Norfolk, boys -ed.), on 3/12. Next logging came on 4/20, when KWIZ-1480 was heard, s/off at 3:00. 4/23- KWFR-1260 San Angelo, Tex. RS at 6:30, and one minute later, KTFY-1300, Brownfield, Tex. came in at s/on, 6:31. 6/2- KRUX-1360 Glendale, Ariz. RS with ~~xxxxxx~~ rr at 2:45; and KROW-1460, Dallas, Ore. ETing after 3:02 with mx and frequent clear IDs. Is this ed-KPLK? This makes 574 stations. Veries: KXGO-790 CKLC-1380 KDLA-1010 KAHR-1330 WTAR-790 KWIZ-1480 KIXI-910 KWFR-1260 KYA-1260. A few real late veries from KWIC-1570 Salt Lake City, and WBCM-1440 Bay City, Mich. Most prized v/1 in the last little while was KICY-850 Nome, returning the tape we sent to them, enclosing also a copy of KICY Call Letter and a program sked. Veries now stand at 275. I guess you're ahead by now, Frank. Not for long! That's all that's happened in the last three months. Wait till summer comes, when we both have more time! 73.

Andy Rugg - 16 Lake Breeze - Pointe Claire, Quebec

Hi gang. It's time for another report from this den, so here goes. I didn't have enough room to include last month's veries in my last Musings/so this list includes them. Veries: v/q: WEEI WGR CMQ CJAD KCRG WICC WVNJ WSPA WHDH WELI WJBK CHLT BBC-881 (BCB country #26 veried) and WORL, mimeo card. V/1 and v/f: WJDA WLAT (second f/up) WORG WLAM WNAR (on my report) KFLE WSWW WINS WKKW WPEL WSTS WOKW WPGC WLAP WVIP WVNY (cheap form) WKMC WPFE (f/up) WZYX KDHL WFBG WFUR WATS WSOC WFTC WJBM KVPK WEVA WDSK WEAW (on my report) KSUM WYNG WGGO WKLZ (with bumper sticker) WTJS CJOC WKBA WHEN TMA WEO XEX (in EE) CHEF (in FF) WNPV. PPs: XENK WHOM WEVD CFLM WOTT WORC. WDXR sent a CM and nothing else. Getting my PP back from WOTT was a shore and it took a request for a litter box with the PP and request to sign it casually included. DX (all are new calls unless indicated) 4/29- WVNH-620 5:15-5:30 am; WKMC-1370 s/on 6 am; umn CKEN-1350 s/on 6:25 if anyone needs it (how about you, Frank W., hi?) WVAM-1430 s/off 11:05 pm; WLAP-630 11:50. 4/30- Guatemalan (TGT? (under WCSC 12:06 am; umn KXOK-630 12:50 with "more mx and less talk" (CKGM, please take note); WPGC-1580 ET/TT 1:01 am (WPGC is an affiliate of Stan Morss' favorite 1510 station). 5/2- WFBG-1290 ET/TT 11:27 pm (that's after midnight EDT); umn WLSH-1410 TT 11:50-12:00 pm. 5/3- WXVA-1550 ET 12:10 am; KDHL-920 and WSOC-930 s/off 1 am; WDXR-1560 AN 1:03 am; WZYX-1440 ET 1:25. 5/4- WFTC-1590 TT 12:29 am; KSUM-1370 s/c f 1 am. 5/5- KVPK-1550 ET 2:30 am; WEAW-1330 ET/M 2:33; WGHM-1370 r/c 2:54; WJLL-1440 r/c 3:26; WJUD-1580 r/c 3:31; WTLB-1310 s/on 3:59; WFGM-960 RS 4:15 and WATS-960 s/on 4:29; umn WGHM-1150 s/on 4:30; WFUR-1570 way over "Pancho" on r/c 4:47; WHAY-910 RS 4:59 am and WYNG-1590 RS 5:16; umn WKOX-1190 dominating 6:38 pm. 5/6- YVQJ-1080 on top 11:10 pm. 5/7- WFTC-960 r/c 12:03 am; CKVL temporarily off and log on umn WHDH; umn WJNC-1240 r/c 12:50; WEVA-860 r/c ending 1 am; WJEM-1480 r/c 1:08; WBCH-1220 r/c 1:15; WDSK-1410 r/c 1:33; WTVY-TV-4 at 4:45 pm so TV DX is back again. 5/13- Umn WSMN-1590 f/c 11:06; WELI-960 f/c 11:32 pm; WJBK-1500 RS 12 pm. 5/14- WGGO-1590 r/c 12:10, cw IDs so slow anyone could copy it, about 6 WPM). WKLZ-1470 r/c 12:30-12:45 with varying pitch of TT at times; WABB (Hi, Aled)-1480 ET 2:30. 5/17- WRIB-1220 s/off 6:59 pm. 5/23- WNPV-1440 ET/TT 11:05 pm; 5/27- WFAU-1340 Augusta, Me. RS with symphony orchestra mx 5:01-5:36 for excellent log if I do say so...

Ralph R. Hartman - 127 South Columbia - Naperville, Illinois

DX has tapered off considerably here due to finals and such but now they are over and I have relative freedom in this respect. Thanks, Ralph Johanns, for the TV Topics you sent me. It was the most interesting listing I have ever seen. As regards the Convention, I don't think I'll be going as I plan to be going to Denver in '63. Now on to the DX: 5/1- WJOR-940 fading quite rapidly @ 5:34am. WHAK-960 with a good signal S9 plus 15-20 db over) @ 5:58 pm s/off but lots of interference. 5/8- WMIK-940 with rr and ID @ 1:24 pm. Signal level was a quite steady S-7. 5/12- Possibility of State #40 in WFST-600. No ID was heard but they were heard 12:03 until 12:10 tuneout due to too much WMT/static combination. Letter off to the CE apologized for lack of ID and also stated the tentative nature of the report. Veries: KTRF-1230 and WJOR-940. Has gone to using the loop since the longwire picks up a little too much static for comfort.

Len Kruse - 1675 Glen Oak Street - Dubuque, Iowa

Only three new loggings made during the month of May. On 5/6 Station WGSB-1480 Geneva Ill. was heard with its RS s/on and programs from 5:57-6:30 am, well on top. Then on 5/7 Station KVSH-940 Valentine, Neb. was heard on its r/c from 1:15-1:30 am. And on 5/17 Station KQYX-1560 Joplin, Mo. was heard with ETs from 2:20-2:40 am. The most recent verifications were v/ls from WBMK-dx WGSB KHAK KQYX, a large picture card from WIRD, and a PP from WEND. It was nice to have Francis Nittler of Denver spend the day of 5/10 at our home, while he was vacationing in the Midwest. We had a great time chatting DX, and did get a visit to both WDBQ and KDTH, my local stations. On 6/2 our family visited the Gorschchs in Cedar Rapids, and included was a visit to KHAK's XR, and an interesting visit with their CE.

Dave Jarvis - 7620 Lowell Avenue - Indianapolis 19, Indiana

Hi guys. All you fellows in the Clearwater, Fla. area keep a sharp lookout. I'll be coming down that way 7/9 and leaving 7/14. If any of you are crazy enough to want to meet me I'll be at the Broadmoor Hotel Court, 1488 Gulf to Bay Blvd. Unit 6. Then on to N.C., Mt. Airy to be exact. I'll be there two weeks on a farm near the Blue Ridge Parkway "The urge is stronger to stay a little longer in North Carolina" (It's true). That's a popular commercial up here. The address is Route 3 Box 310, Mt. Airy N.C. I guess that's about all for now. Don't forget the Convention 9/1-3. I'll be there! '73.

June 16, 1962

DX NEWS

9

Jeff Lob - 93 Oakview Terrace - Short Hills, New Jersey

Very little time for serious DX around here due to other activities and exams coming up on 6/20. However, DX, restricted to MMs, goes as follows: 4/30- Beautiful signals pouring in from KDHL-920 for my best Minnesotan @ their 1 am. s/off following NX, WX. I believe 920 is clear channel at this time, on the EC, so this is the best time to try for them. Very brief verie back in two weeks. KTFI-1270 with Monitor NX on the hour @ 2 am. and 2:05 s/off, umn. UnIDed Mexican on 1180 turned out to be XEPR for wanted new catch. The usual amount of mysterious TTs and f/cs unIDed. 5/7- XEPR-1180 caught @ 2:10 s/off; much static. 5/21: WYPR-970 on test with mx @ 11:45 past 1:15. 5/28: Too much static to hear anything but KXYZ-1320 (umn). 6/4: First MM of month brought WJMC-1240 r/c, WEVA-860 r/c, KARK-920 1 am/ s/off along with unk 1600 s/off. Test on 1480 with weak ID as KONS?? (possible KYOS). WEYE-1290 mx @ 1:15 and finally (!) KMED-1440 2:07 s/off amidst much static for first positive Oregonian. KCTX-1510 booming through on r/c as usual. Also in the past month have managed to log brand new WRYM-840, WENE-1300, and WIRD-920. News from ye frere at Haverford College is that WGRC-690 (college station) is getting badly mashed by new WXUR in Media, Pa., not ten miles away with 500w. Haven't logged this newie yet. That's it from the DX den. Just as a sidenote: Have any of youstout members a knowlege of hosteling, especially by bike? New found interest has found me a member of Youth Hostels and eager to communicate with similarly-interested. Yes, no? 73. PS- Static spelled backwards is CITATS

Joseph Fela Jr. - 102 Hawthorne Avenue - Newark 12, New Jersey

Hi fellow liet fans (if there are any besides Ernie). The CX here are finally improving after a month or so of poor and noisy reception. VeriesL v/l's in from WINS-1010 WORT-1550 WFAS-1230 WPDx-750 (after three months) and WLKW-990 (after two 1/2 months). V/cs from WAVZ-1300 (after ten months) KCRG-1600 WNBC-660 and WABC-770 (second report), and KFBK-1530. Almost forgotten, v/1 from WRYM-840 also. Recent DX: 4/30- WGGC-1270 s/off 12:33 am, then WXYZ/KFJZ about even surprisingly. 5/1- WHRV-1600 s/off 11:53 pm. 5/2- KCRG-1600 at 12:02 am. WORT-1550 ET/M at 1:13, CHIQ on top of CJMS at quite a few times, but never seemed to hold there long enough for a decent report. 5/21- WATR-1320 ID under "local" WKAP at 5:29 pm. (Local, as they are at least as loud as local WEVD-1330 here in the daytime.) 5/23- WKIK-1370 s/on 4:30 am, WBUD-1260 announcing as AN but won't bother me much as I've yet to hear them while on nighttime pattern (fairly good here days). 5/26- WHLD-1270 s/on 5 am. 5/27- WTYM-1600 ID at 6 pm and at times to 7 pm s/off right through local WWRL. 5/28- WKBR-1250 s/off at 12:05 am, WRAK-1400 TT ID at 12:09, WNNJ-1360 TT ID at 12:24. 5/29- WESO-970 s/on 4:30 am, WATs/WELI s/ons at 4:31. 5/30- WBTM-1330 s/on 4:01 am, WKAP-1320 s/on 4:03 as well as WPOW-1330. 6/8- WENE-1430 s/on 4:28 am under, I think, WNJR's OC; WINF-1230 s/on 4:29. Totals now 645/225/ This summer I hope to send out quite a few second reports to those who didn't answer and also try to get my verified totals up near the heard totals. I haven't really started to do either yet. Attention: Anyone who is interested in seeing an NRC Convention here in New Jersey in 1964, please contact either me or Allen Nissen of Fort Lee, N.J. This also includes members not in New Jersey but in nearby areas. Better say 73s, N.J. in '64, and hooray for the Mets after that great streak, winning 1 in 18!

Alex Bowab - Box 539 - Atmore, Alabama

No DX was done here during the last half of April and the entire month of May, due to other activities and the ever-present static. Two veries, WSVM-1490 and WYPR-970, both for DXes. XERF noted off just after midnight on 6/3. 6/4- WBSC-1550 TT 12:35-12:40. WMOC-1450 s/off 1:01. WABB-1480 usually off AN MM but on this AM for a change. WORT-1550 New Smyrna Beach Fla., a new 250w. on ET/M 1:08-1:30. KSIX-1230 Corpus Christi heard briefly on 1:33 ID through KNUZ/WCOL - don't know whether it was ET, RS, or what. WMIS-1240 Natchez, Miss. f/c-TT 1:35-1:44. WJOI-1340 f/c-TT ID 2:26 umn. WWOK-1480 testing audio facilities with mx from 2:27-2:39 under WABB. Said they would return to air at 5:15. 6/5- KTRM-990 still on RS at 1:30, and perhaps is now AN. WTVB-1590 r/c-TT 1:00-1:15.

Ernie Wesolowski - 1416 Pasadena Avenue - Omaha 7, Nebraska

June is here again and that means time to think of the great NRC Convention. The word here is GO. Do you have the green light too? I haven't heard or listened for any DX since the first week of April. Have been doing too many otherthings. Veries also few. WFBC-1330 S.C. WBMK-1310 Ga. NRC DX, both v/l's. V/q WGRM-1240 Miss. on f/up. I can't get veries out of KISN-910 KENO-1460 KRAM-920. F/ups were sent each but no verie. How about WMOD in W.Va.? That was a DX too! My 2-week vacation begins 7/14, am hoping to see the Seattle Fair and may vist some stations n the way. That's all for this month?

Jim Critchett - 1504 Glerwood Drive - San Diego 3, California

From 5/2 to 6/5 reception reports were sent to 1420 KPEP for their morning program, heard from 6:34 to 6:51 EST Friday 5/4; to 920 KQEO, heard between 6:28 and 6:45, Friday 5/11; to 1480 KVAN, on an early RS, from 6:40 to 7 Thursday 5/17; to 1550 KEDD, heard from 6:33 to 6:48 Saturday, 5/19; to 1580 KRAZ for their r/c on Thursday 5/24; to 1600 WKWF on their AN Cuban Freedom program, heard from 2:59 to 3:01 same AM; to 1050 KLUC, ex-KRBO, on an ET from 3:05 to 3:18, also 5/24. So I keep trying, and hearing them. Other DX notes, of possible use to WCers: 1470 KELA signed on at 7 Friday 5/18; 1470 KRBC on at 6:30 Saturday, 5/19; 1560 KHBR also same time. Both KRNO and KSMA have been heard after 2 am EST on 1240 lately, with KROY; 970 XEO signed on at 5:58 Tuesday, 5/29; 730 CKDM was on top of all at 2:30 Thursday 5/31. KWOW is AN, intermittantly. Veries were received from 920 KQEO; two unsigned QSLs from 950 WSPA after f/up; 1070 KIRL; 1350 CJDC; 1400 KTNT; 1550 KDAB; and 1580 KRAZ. 5/31 ended 11 years of DXing here in San Diego, certainly not one of the easiest DX locations in the U.S.A. Fifty-one new stations were heard during the past year, for a total of 2,073 heard here in San Diego. Fifty-seven verifications were received, 1,236 for San Diego, 1,362 in California, 1,366 total. My Hallicrafters SX-43 needs overhauling; the SX-62-A dial cord slips; and I want to change the direction of my outdoor antenna. When and if I get all these fixed, maybe my DXing will bring in more unverified stations. Vacation plans are still indefinite, but expect to go North along the Coast to Eureka and return. Anyone need veries from stations along U.S. 101? If so, please send a copy of unverified report, and PP fom, and return postage, of course. Best wishes for cacations to all.

Roy H. Millar - Box 778 - Bellevue, Washington

A little DX still to be squeezed out. 5/7- KGBT-1530 Harlingen, Texas logged 6:27-6:40 am in SS (one I've been after for years - please note Jeff Lob, also Jeff, WQXR-1560 almost a regular daily visitor here all past season at 6 am s/on); 3ZB-1100 Christchurch, N.Z. ID and TX at 3:30 am, with KFAX off an hour earlier due to DST in California. 5/9- KWFW-1480 ID at 2:04 am, may have been on late for ER, but can't say as lost in the mud pronto. Also noted KVAN-1480 s/on 6:06 am, still ID as Camas, Wash. 5/10- KWFS-1540 Eugene, Ore. logged 9:35-10:30 pm s/off for a new one that got on the air quite promptly. 5/15- KWYZ-1230 Everett, Wash. (rx-KQTY) logged 7:38-8:11 pm for a new call. 5/19- KBBR-1340 North Bend, Ore. ER 3:10-3:35 am s/off. 5/20- KSHA-860 Medford, Ore. 10:19-10:30 pm s/off. 5/28- WNDR-1260 Syracuse, N.Y. ID at 3:58 am; KWFR-1260 San Angelo, Tex. s/on 5:59 am, logged to 6:10 am. Veries: KFRB-900 XETR-1120 KRAZ-1580 KWFS-1540 KGBT-1530 KSHA-860 KBBR-1340 and KWYZ-1230. The above KGBT-1530 logging eliminated the last of the "only two logged" frequencies; now I can go to work on the "only three logged" channels, namely 1160 1200 and 1530. Still have four channels (670 1120 1200 and 1520) with "only two verified" on. "Splits" are not counted in this survey, 73.

Marvin E. Robbins - 265 Laurel Street - Apt. A4 - Broomfield Heights, Colorado

A few more Rocky Mountain Mile-High Musings from Denver's most NW DX den. First of all, I was very happy to have Len Lockwood stay out here with me for a few days and we compared DX CX and talked about TP DX. We enjoyed showing Len around the area and taking him along on a short trip over Trail Ridge Road and the Continental Divide. No sooner had Len left for Olympia when Jeff Stewart of Amarillo, Texas came in to visit Larry over in Boulder. We had a Friday night special meeting of the Denver clan and we were sorry Len couldn't have stayed over one more night as we had a real rip-roaring time with Hal, Bill, Fran, Murray, Jeff, Larry, and myself in attendance. It was a pleasure to have both Leonard Lockwood and Jeff Stewart stop in out here. No DX to speak of at the present time. Only QSL was from KRAZ-1580 which finally verified a report out since last August. Am still hoping to be able to attend the big Indianapolis Convention over Labor Day and will know for sure in a few more weeks now. If any of you other NRCers are planning to travel out this way this summer, don't forget to stop out this way. If any of you are in the area, give me a call at IN6-7591 or Fran Nittler at RA-2-0707. We'd be happy to have NRCers stop in and say hello when passing through this area. Looking forward to the Indianapolis Convention very much and hope everyone is making plans now to attend this coming Labor Day. Hope to see all of you there. 73.

IT'S LATER THAN YOU THINK! ONLY ABOUT TEN WEEKS OR SO TO THE BIG INDIANAPOLIS N.R.C. CONVENTION. BE SURE TO READ ABOUT THE BIG EVENTS PLANNED THERE ELSEWHERE IN DX NEWS.

June 16, 1962

D X N E W S

11

Larry Godwin - 2808 Bonham Street - Amarillo, Texas

Hi, gang! Greetings from the Land of TP Veries! (See foreign section). Six received in all from Australia, N.Z. and Samoa. Verie count now 841 from 35 countries. During finals week at Colorado U. NRCer Jeff Stewart paid a visit, during which time the Denver Clan held a real get-together. Jeff and I stopped in Salida to see Ken Hooker and Bob Easterly on our way home and had a very good time there. It was a thrill to see Len Lockwood, NRCer from Olympia, Wash. in Boulder shortly before Jeff arrived. John Tudenham, John Callarman, and I will be arriving in Indianapolis for the big NRC Convention, as will most (of not all) of the Denver group. It's good to have JAC back in the area at KPDN in Pampa, 50 miles from Amarillo. Amarillo DX includes only 6/8 f/cs from KIML-1490 Gillette, Wyo. r/c 2:45 EST and KRTN-1490 Raton, N.M. f/c (quarterly) 3:10-3:20 with Kansas City. KRTN says they usually conduct f/c on the 9th of the month and do not know why they were sked on 6/8. Watch this one in September; the check actually runs TT from 3:10-3:15 only, but stayed on longer so Jeff and I could log it. Jeff and I stopped by KBRR-1240 Leadville, KVRH-1340 Salida, KGHF-1350 Pueblo, KFLJ-1380 Walsenburg, and KRTN-1490 Raton. See you-all at the GREATEST CONVENTION EVER, in Indianapolis '62! I'm sure Dave will have a truly excellent program, as he has been planning the Labor Day weekend for more than two years. See You, Len Kruse, in Indianapolis! 73s to all.

Jeff Stewart - 3018 Washington Street - Amarillo, Texas

Greetings all! Unfortunately, final exams plus a touch of laziness have kept DX to a minimum during the last month. But, to make up for it, I took a jaunt up to Boulder, Col. for the first few days of June. Many thanks to Marv Robbins, Fran Nittler, Hal Wagner, and Murray Mann for showing me a good time. Special thanks to Larry Godwin for putting me up for the duration of my visit. Sorry I missed you Bill Nittler, Jim Ottmer, and George deGrazio, but I guess that's the way it goes. On the way home, Larry and I went through Leadville, Col. and visited KBRR-1230. In Salida, we renewed old acquaintances in the person of Ken Hooker and Bob Easterly, who showed us a fine time. The Denver Convention is shaping up as a great one, but I'm sure it will have to be a dilly to surpass the effort Dave Roys is putting out for this year's get-together. Well, that just about does it from here. Maybe there will be some DX to report next time. Whoops! Almost forgot to officially welcome John Callarman back to the ranks of Panhandle DXers. 73s.

Glen Kippel - 1315 West 30 - Amarillo, Texas

Hello, Earth People - 'tis I, Smilin' Jack Howard. Callarman tipped everybody off that I'm now at IXZ, presently on from 10:30 to 3:00, then of course XR shift and production. In other words, absolutely no DX in some months, last being 2GB-870, some time back, and verified. That was at the apartment I was living in at the time, about a mile from Jeff's place. Antenna was the unused telephone line. I am using the gas pipes here, but haven't heard anything of value. Did hear 2RE-1560 at 4 am, but I had just gotten home and the recorder wasn't warmed up enough to catch the ID. I surely wish I could make it to the Indianapolis Convention, but that looks like it will be impossible. This is Larry's typewriter that I'm using, and I'm having mucho dificultad. Plus kibitzing from Jeff. This is enough to make it impossible to continue this Musing, so I guess that will have to do for this year. Later.

John Tudenham - 813 South Kentucky - Amarillo, Texas

Hello gang - not much DX to report but just got back from a two-week vacation through Mo., Ia., Neb. Kans. and Okla. While in Omaha visited Ernie W. and John Draus and had a very good time. Visited the XR of KFAB and K000. Heard the first day of broadcasting of KQYX-1560 of Joplin, Mo. That makes four AM stations in a city of 40,000 population. Only a few veries lately; KEDD-1550 and WBMK-1310. Looking forward to the 1962 Convention at Dave Roys, Indiana. 73.

Arthur Bjork Jr. - 31 Lyman Avenue - Medford 55, Massachusetts

Hardly any DX at all since last Musing, just one new logging. 6/3- WWIL-1580 12:05 s/ off. I heard them before with lkw., but this is the first time I've heard them with 10,000/5,000w. Three new veries, KHEY-690 and KUTT-1550 on 5/7 and KMOR-1510 on 6/7. School's out on 6/20, so then I hope to do a lot more DXing. Quite a bit of correspondence in here since last Musing. Allen Nissen of N.J. says I'm on his "standby" list for a ride to the Indianapolis Convention, if I can get to N.Y.C., which won't be heard to do at all. 73 and best DX to all of you.

WE ALL WANT TO HEAD ABOUT YOUR SUMMER DX. PLEASE SEND IN A MUSINGS REPORT FOR JULY!

J. B. "Pat" Reilley - 628 Spring Street - Jamestown, New York

New veries are KIWA KREB KQYX. Nothing going out and nothing coming in - too noisy lately to DX. 5/7- KBOX with WHOM, 1480, at 2:12. WXVA-1550, test at 2:49 for new call but not in log yet and hitting db 25 here. 5/10- KQYX-1560, Joplin, Mo. ET at 2:13, new one not in log as yet, owned by Wm. B. Neal Broadcasting Co., 2510 West 20 Street. 5/10- WSMA-1550 test at 2:38. 5/25- KCRG-1600 atop mess at 1:05, Hi, Bob Gorsuch. 5/26- KPRO-1440 inviting us to visit them while going through town, at 2:15. 6/4- KIWA/KUTT/KKHI-1550 all going strong at 1:39. WBKN-1410 f/c at 2:10. XERF not heard today. With wife in hospital for two weeks, getting garden in, taking down the storm windows, washing the regular windows, getting the porch fixed up for summer, working a couple of three nights a week, kinda tired out for the old man to get up to DX. Don't forget, only 12 more Saturdays before Indianapolis Convention.

Ralph M. Johanns - 11 East Chippewa Street - Buffalo 10, New York

Received (new) WXVA-1550 5,000w., 118 North George St., Charles Town, W. Va. CE sent verie typed on their CM (now I know Charles Town is not Charleston!) V/1 on KSYN-FM/KQYX-AM letterhead by Wm. B. Neal Bg. Co., 2510 West 20 St., Joplin, Mo., newie heard 5/10 (Len, KQYX is right, sounds like KQRX when he says it). WKAP-1320 TTed 5/23 from 2:04-2:15 s/off and sent me a CM, forgot verie though. V/1, program and CM from KWCO-1560 Box 770, Chickasha, Okla. CE says 5/1 and 5/22 remained for ER. They use lkw. D to SS, then go 250w. on a figure-eight directional to N/S with little power to E/W only due to WQXR/WDXR. S/off s Sundays 11 pm, weekdays 11:35 pm, CST. V/1 CM WSHP-1480, Town Radio, Box 1480 Shippenburg, Pa. (Studio, 890 West King Street) by John Nordine, CE. (Hear 'em daily 4 am s/on and now has WREM Remsen, N.Y. s/on at 4:15 am as company. A thanks report to WQMN-1320 for r/c-TT 5/19 got the new letterhead. They moved into the new WQMN Building 5/27, Superior, Wis. and likes to hear from "ham" operators (hic!) V/1, CM, WCDL-1440 (my 1950 v/1 was for 1230 kc/s.) 127 Salem Rd., Carbondale, Pa. F. Rude, CE said f/c is fourth Monday 4:45-5 (usually only six minutes of TT were last three heard). Daily s/on 6 am (EDT or EST), June off 8:45 EDT, July 8)30, moved from 1230 six years ago. V/1, CM by WLSV-790 Voice of Southern Tier, Wellsville, N.Y. They upped their 500w. to lkw. 11/6/59. EDT sked now 6 am-8:30 pm. V/1 on KRZY-730 with half-dozen items (nie). CE Mike Peavy says stations has been sold again to Giles E. Miller who owns two others. Texas is CST all year. Sked, June 5:15-7:30; July 5:30-7:30, CST. Box 1317, Grand Prairie, Tex. V/1 by WKBA-1550, office of CE, Route 7, Box 300-C, Roanoke, Va. M.F.Kavanaugh says no more reply paper left, the SM keeps everything locked up, even the station's used teletype paper; things are tight there. Sked, June 5:00-7:45 pm, July 5:15-7:45 EST. V/1, CM by KBRX-1350, Voice of the Ranch Country, KBRX Building, O'Neill Neb., Box 150. F/c is third Tuesday 12:25-12:40 CST, sked 6 am (Sunday 7:45)-6:30 pm CST. F/c is monitored by Lee's Summit, Mo. V/1 handwritten by O/M WZYX-1440 Bg. Serfice, Cowan/Winchester, Tenn. Box 398, Cowan, weekday s/on 5:30, Sunday 7; r/c (gave no day) monthly, 12-12:15. His CE James Spencer is also rocket research man. V/1 WSHN-1550 Stuart and Helene Nordyk, Os, Fremont, Mich., r/c listed, sked 6 (Sunday 8)-8 pm. V/1 CM WCGR-1550 41 S. Main, Canandaigua, N.Y. f/c with Ziehl Electric of Lockport every three months, next 7/25, 5:45-6 am, s/on 6 am..73.

Ernie Cooper - 438 East 21 Street - Brooklyn 26, New York

Scallions to the West Allis, Wis. P.O. which must be the most inefficient one in the U.S.A. They returned my letter addressed to Radio Station WABA there for more complete address. With only one radio station in their little town, they don't even know where it is! Well, not much DX has been done here, but I have listened a few times, with very little to show for it. I received a new WABC#770 v/q, with rather poor grammar included. Now my only unverified local is WJRZ-970, not reported yet. 5/14--What I believe was CHIQ-1280 with cw mx under/over AN CJMS all AM, with very few IDs, and no reply, but I understand this is a tough one to crack - any hints, anyone? WDXR seems to run until 2 am EST now, and has fooled me more than once, for they seem to have different kinds of mx every time I catch them. 5/30- Noted CBJ-1580 on ET at 2:22, and they often test Wednesday AMs, if anyone still needs them. WAWA-1590 on ET/TT over AN WAKR for a report, but I still don't have any more address for them, so the letter is still here. Same AM, noted WGHM-1150 on top of all at 2:41 - are they fulltime and AN or was this some sort of test? Usually now it's CHSJ on top there. WJRZ-970 seems to have given up its Bea Kalmus show and now s/off at 12:05 am EST or thereabouts. A tip to local DXers who want WAMD, in Maryland on 970 - watch for them next time the Baltimore Orioles are playing in Los Angeles or Kansas City! Let's all meet in Indianapolis

CHANGES IN STATION DATA - F.C.C.

Purchased from the Seabrooke Printing Company of Washington, D.C.

THE 'HOBBIES I HAVE KNOWN, ACTIVELY OR VICARIOUSLY' BLUES, or-
I'M TOO MUCH THE LANGUAGE PURIST TO MENTION ONE WHO STAMP-COLLEX!

-by B. Barrell Breath, nom-de-plume for John A. Callarman

(to the tune of "Wabash Cannon Ball.")

I know a duck-tailed teen who fashions hot-rods out of wrecks;
And a man who goes to beaches just to show his muscles flex;
And a third who gets his jollies writing phony, bogus checks;
While my poker-playing buddy rubs the spots right off the decks.
And I know a guy elated by his mastery of sex;
Not to mention a story-teller known to all as Tall-Tale-Tex;
Plus this Haitian friend of mine who weaves a magic voodoo hex;
And a model-railroad pal who built a pike that's quite complex.
There's an overstuffed scoutleader taking boys on summer treks;
And a chilling, creepy sadist wringing other peoples' necks;
Yes, no matter what your hobby is, you'll find it tends to vex --
But the one you can't purge from your blood? You guessed it, pal - DX!

Well, this is it from Brooklyn for the June issue. We hope you'll all supply us with Musings and v/s for the July 14th 'Bastille Day' number, and we'll see you in 28 days.

INTERNATIONAL DX DIGEST

Edited by Fred L. VanVoorhees, Box 132, Lemoyne, Pennsylvania, U.S.A.

FOREIGN CONTEST

Manager: Roger Anderson, 5700 8th Road North, Arlington 5, Virginia.

EASTERN LEAGUE

1. Ben Dangerfield, Pennsylvania. Adds none-----267
2. C. M. Stanbury, Ontario. Adds KFAR KORL YVNN WRSJ 4VGM CB-73
HJBJ YNM HRVW CSB81 VRON Cairo V, Guadeloupe----144
3. Carl Parsons, Pennsylvania. Adds none-----117
4. Hank Holbrook, Maryland. Adds none-----62
5. Roger Anderson, Virginia. Adds HJAF Antigua-----37
6. Frank Wheeler, Pennsylvania. Adds none-----14

CENTRAL LEAGUE

1. David Roys, Indiana. Adds KHAI RJR-770 4ZA ZYU-58 HJCU 2YC
PRF9 CSBA-----239
2. Francis Nittler, Colorado. Adds TGJ XEWE 2AP-----183
3. Glen Kippel, Texas Adds none-----126
4. Maurice Nittler, Colorado. Adds none-----100
5. Ed Krejny, Ohio. Adds none-----80
6. John Callarman, Louisiana. Adds none-----54
7. Jack Hathaway, Texas. Adds none-----45
8. Marv Robbins, Nebraska. Adds none-----19

WEST COAST LEAGUE

1. Roy Millar, Washington. Adds none-----165
2. Pete Taylor, California. Adds AFRS-790, Honan, China-1420-----159
3. Clarence Freeman, California. Adds none-----111
4. Hank Wilkinson, California. Adds none-----95

You have until June 30th to receive your veries. Then you must get your final entries to Roger Anderson in time for the final standing in the July INTERNATIONAL DIGEST.

DOWN THE DIAL

- 580 HJHG Bogota, Colombia, 4/10 2132-2142, News 2131-2140, ID at 2140. (SB)
- 648 HOR58 Panama City, Panama, 3/31 2304-2310, ID at 2304 as "Radio Rumbos". (SB)
- 660 YVLH Maracay, Venezuela, QSL for 3/5 report signed by Oscar Alvares. (PT)
- 674 Chernovtsy, Ukraine, USSR. Mrs. Eugenia Stepanova spelled it this way in confirmation from Moscow. Tjernovsty in WRH. If Ukraine is rated as separate country, then this is #146. (HT) (The UN does, so guess we should too-FV)
- 730 CMCA "The Friendly Voice of Cuba" 0017-0037 6/2 very good level as strong as CMBC (690), sent report. (AR) / (RP)
- 755 Lisbon fair at 2234 GMT and "Voice of the West" program.
- 790 AFRS Eielson AFB, Alaska, verie letter from Alaskan Network HQ at Elmendorf, signed by Dan A. Delano, M/Sgt, Network Supervisor. Address is Alaska Network, AFRS, J-1 Division, Alaskan Command, APO 942, Seattle, Washington. Power is 50 watts. (PT)
- 895 EQA Teheran, Iran. Registered verie in huge envelope with historical booklet on "Iran Today". Country #145. (HT)
- 925 HRVS Verie letter received for 4/23 reception. Signer is Padre J. Manuel Molina Sierra, Director. (JG) "Radio Catolica de Honduras", La Voz de Suyapa, was strongest LA around Easter, usually coming in at 2030. S/off at 2203 nightly with short anthem and "theme" music. Altho a religious station, programming is commereçal, except for holy programs near Easter. (DJ)
- 935 AFN Berlin is now on all night. (RP)
- 940 JOPF 3 KW., Tokuyama, Japan, veried by letter and card for repor of 12/15/61 and 3/10/61. Japanese #43 and a really fine one. (HJW)

- 985 OAX4J Logged with strong signal at 0100 s. off on 6/3. ID sound-
ed like "Radio Espresso". (JG)
- 998 Andorrs good signal at 2200 GMT. (RP)
- 1003 YNHTM Managua, Nicaragua, 4/25 2317-2331, LA Music; with ID at
2331. (SB)
- 1010 MJCC Bogota, Colombia, 0137-0150 6/4 with music and ID. CFRB
& WINS off. Understateside QRM^M 0145 but still fighting.
(AR)
- 1030 HJHO San Andres Island, Colombia, No, I didn't hear this one,
but noticed it in WRH. This would be a separate country
if anyone has it verified. (AR)
- 1045 WIBS I received a letter from R. A. Smith, CE. He said that the
station was very short-staffed and that they couldn't ans-
wer the thousands of reports they had, and therefore dis-
posed of the backlog. He said that only reports from the
southern states for their transmission on 9815 are useful,
and they aren't welcome for 3280 Kcs. However, he offers
to send one of the QSLs I prepared to any listener that
has ALREADY reported reception on 1045. (1045 discontinued
now on 540 Kcs.) Those eligible should send right away
another report, with the envelope clearly marked "REPORT-
1045 Kc." All reports detailed enough to convince him that
you didn't copy their SW outlet will then be verified. He
requests NO IRSs be sent. There are only a limited number
of cards. (DJ)
- 1061 NORTE, Portugal, "Voice of the West" best frēquency of the
two. (RP)
- 1080 YVQJ "Radio Barcelona", Barcelona, Venezuela, fair-good with
KRLD QRM 2310-2315 5/6 with news, ID and talk. Do they
verify? (AR) (Sometimes-FV)
- 1095 Spanish speaker 4/27 2039-2145, OAX2B??? (SB)
- 992 Spanish speaker, 5/3 mentioned "Radio Reloj en Lima", at
2038. (SB) (Sorry out of order, but was on report-FV)
- 1140 JOBR Osaka, Japan, QSL for 3/12 report, signed by K. Koide,
Tech. Mgr. (PT)
- 1170 KOHO Honolulu, Hawaii, nice letter verie and coverage map re-
ceived for report of 4/9, signed by Walter I. Soga. (FHN)
- 1180 3KZ Melbourne, Victoria, very friendly letter and pretty QSL
card received for report of 4/16 for new country verified.
QSL card signed by C. Grace, CE and the letter by Kevin
O'Gorman, Program Supv. Power is 5 Kw. (FEN)
- 1195 Panama or HCCSI ? in Spanish on 4/8 from 2030-2035. (SB)
- 1235 ZBM1 Bermuda, heard nightly. (SE) Good on both AR88D and R1155a
at 2215 5/15, solid copy. (AR)
- 1270 LS11 Very positive verif letter and pennant confirming reception
on 2/5. Signer is Esteban M. Toselli, Jefe Departamento
Artistico. (JG)
- 1295 BBC BBC West German transmitter ceased to relay BBC programs
after 3/31 according to letter from H. R. Hatch of the BBC.
He says, however, that my reception of this frequency on
4/3 seems to have come from their alternate transmitter in
Crowborough, England. He doesn't mention power nor does he
say if the change is seasonal or permanent. (JG)
- 1358 OPS Berlin at 2345 GMT English. Gives call OPS Berlin Inter-
national. (RP)
- 1380 XEKT Tecate, B. Cfa., verie letter vack for 3/5 report in Span-
ish signed by Martin Herrera Robles, Gerente. (PT)
- 1394 CSB-80 Ilha Terceira, Azores, verie signed by Augusto Monjardino,
President. #4 in Azores. (HT)
- 1395 Spanish speaker on 5/13 0035-0014. HCVE4???? (SB)

June 16, 1962

- 1403 RTF 4/20 2347-2358, Music and French talks by a man. (SB)
 1420 Honan, China, verie letter QSL, two napkins all in from Radio Peking, signed by Fang Chiung, Vice-Dorector, Intl. Liaison Dept., Broadcasting Administration. (What happened to Chao Yi-Heh?) (PT)
 2AP QSL card received for report of 4/9 signed by J. W. Moore, Director. Also a new country verified. #27. (FHN)
 1425 English speaker, news 2104-2108 in a British accent, ID at 2105, "This is the ----- Either Forces or Voices of"? Woman heard from 2209-2216. Cyprus??? (SB)
 1435 PJM5 Netherlands Antilles, heard nightly. (SB)
 1484 English speaker at 2-35 on 5/7 EDST. (SB)
 1520 HJFV Barranquilla, Colombia, address Apt. Aero 12-87. Jorge Tobon Lince, Gerente is signer. #61 for Colombia. (HT)
 1546 BBC England, 5/17, talks by man from 1942-1949 time pips at 2000, piano music 1950-1952, talks by a woman from 1954-1958, 1949-1950. (SB) /((SB)
 Seelow, F. D. R., received here on 5/17 at 2145 in German.
 1560 WRSJ San Juan, Puerto Rico, "Radio San Juan" actually in Bayamon strong at 0100 6/2. (AR)
 1562 "Radio Veronica" at sea fair to good at 1830 GMT with English pop music Dutch commercials, s/off at 1900 GMT. (RP)
 1594 CSB4 Lisbon, 5/13 0031-0050 best signal received all year from TAs, say over S-9 Plus ID by a woman at 0047. Portuguese talks and music. (SB)

REPORTERS

- SB-Sam Barto, 3 Glenwood Avenue, Naugatuck, Connecticut.
 RP-Roy Patrick, 8 Sidney Street, Derby, England.
 AR-Andy Rugg, 16 LakeBreeze Avenue, Pointe Claire, Quebec, Canada.
 HT-Henry T. Tyndall, Jr., 285 North Street, Burlington, Vermont.
 FHN-Francis H. Nittler, 2634 South Josephine St., Denver 10, Colorado.
 JG-James Gangler, 2801 Chesterfield Avenue, Baltimore 13, Maryland.
 HJW-Hank Wilkinson, 6620 Boeman Avenue, North Hollywood, California.
 DJ-Dallas John, 337 South Stewart, Lombard, Illinois.
 PT-Pete Taylor, 2340 Pacific Avenue, San Francisco 15, California.

ADDITIONAL

ALASKA*-Alaska Network also lists the following stations:

- | | | | | | | | |
|-----|--------------|-----|------|-----|---------------|-----|------|
| 790 | Eilson AFB | 50 | AF | 860 | Elmendorf AFB | 50 | AF |
| 890 | Adak | 250 | Navy | 960 | Kodiak | 250 | Navy |
| 980 | Fort Greeley | 50 | Army | ... | Nome | 400 | |
- (Freq. not given.) (PT)

PORTUGAL*-Voice of the West is now broadcasting in English at 2345 GMT on a new outlet of 755 Kcs. and 1061 Kcs. Free program booklet is now sent out monthly from Radio Portugal. (RP)

KUWAIT*-Received QSL card from Kuwait. The card is the same as the SW outlet. (RP)

CANADA*-CBL Toronto mentioned in their letter that they have had five other reports from England and six from Sweden. (RP)

GENERAL

Roy Patrick advises that he has received QSLs from WOR and CBL as well as Radio Andorra, and comments that the latter station now has a new card. Andy Rugg advises that the DX stamp Service is temporarily closed until Mid-July as Wasay is in Europe. This cleans up all material received here up to Monday, June 11th. Anything that has come in since will have to go until the July issue. Will try to get right up to date at that time. In the meantime, let me hear from you if you are getting any DX or any veries from the winter DX sessions. No change of getting to Indianapolis, but I hope that all of the rest of you get there and have a realx good time. Until July, then 73

NRC CALLING!

With a convention message to all NRC'ers !!!

Plan now to attend the fabulous annual gabfest from August 31 to September 3, 1962!

Be sure to make the scene at the Claypool Hotel in Indianapolis. We will be occupying the entire eighth floor, with adjoining banquet room. There will be a lot of extras this year, so don't miss it!

Here is a rundown of the planned activities:

- 8-31: 8:00 AM. Leave Indianapolis to visit XRs of WLW and WLWO, Mason, Ohio
12:00 n. Leave Mason for tour of FCC monitoring station at Chillicothe.
8:00 PM. Arrive in Indianapolis, Informal gathering in room 824 of hotel
- 9-1 9:00 AM. Official registration
12:00 Optional Mexican lunch. Please make reservations in advance. cost, \$1.85.
1:00 PM. Tours of some of our local stations.
7:00 PM. Official banquet, annual business meeting, lecture on some phase of radio by guest speaker. This is a coat and tie affair.
11:00 PM. Informal party in room 824. Lots of bubbling refreshment will be served plus the non-bubbling kind.
- 9-2 AM Church on your own. A guide will be provided to enable you to locate the church of your choice.
1:45 PM. Sunday banquet, possible guest speaker, annual convention quiz with many worthwhile prizes.
4:30 PM. Station tour
7:00 PM. Meeting at 5121 Radnor Rd., slides from New Zealand, Europe, previous convention Color television demonstration, hi-fi stereo demonstration, informal all night DX party
- 9-3 11:00 AM Possible tour of WLWI xr.
For those who will stay on, there will be further activities, like the Indiana state fair, the largest state fair in the nation.

MORE TO COME!

Taylor adds---(3)WSMB, KIOA, (5)WKRT, KGEM

Miller adds---(1)WSIZ, (3)WKGN, WMST, WTHI, WKZO, WRSC, (5)WRSC, WS IZ

Easterly adds----(1)CKSB, KKHI, KGAK, KEXO, KRAD, KFRO, (5)KFRO

REMEMBER!!!! You have until July 15th to hear stations for the contest and until August 15th to have your entries into the contest manager: Maurice W. Nittler, 1755 So. Vallejo St., Denver 23, Colorado. The final standings will be announced at the Big NRC convention in Indianapolis. This has been a real active contest this year and has really kept me busy. After 4 years of managing the NRC Domestic DX contest, it looks as though I may have to pass it on to someone else with increased activity in the local Junior Chamber of Commerce taking up a good share of my free time. If anyone is interested, drop me a line and I will give you all the particular for those of you who have inquired as to the reason a couple of men have been eliminated from the contest standings, the reason is simple. They are no longer NRC members. I am sorry that I haven't been able to answer a lot of you fellows on questions you asked me when sending in standings, but just couldn't answer all correspondence this season and get the contest up to date, too. No dxing done here since the early part of May when WFNL-1600 was heard and verified. Also heard and verified KKAL-1580 on their r/c. Remember after Indianapolis, It's Denver in '63
