GRATEFUL ACKNOWLEDGEMENT

To the Chairmen and members of all committees, who have willingly devoted their time and labor to insure the success of our "AFRA ANTICS" of 1940.

To all AFRA members who have been generous enough to make personal appearances in an aid to publicity and whose names could not be added to those on this page due to a dead-line with the printer—

In the name of AFRA—THANK YOU! If any names have been omitted, please credit it to human frailty and bear in mind that "To err is human, to forgive divine."
