Call Letter

of the Northwest Vintage Radio Society

Vol. 25 January 1999 No. 1

Beginning Our 25th Year!

The Northwest Vintage Radio Society

The Northwest Vintage Radio Society is a non-profit historical society incorporated in the State of Oregon. Since 1974 the Society has been dedicated to the preservation and enjoyment of "Vintage radio" and wireless equipment.

Membership in the Society is open to all who are actively interested in historic preservation. The dues are \$15.00 for domestic membership, due on January 1st of each year (prorated quarterly).

The *Call Letter* has been a monthly publication since 1974. It was originated with the founder, Bob Bilbie, and our first president, Harley Perkins. Through several editors and with the assistance of numerous members of the *Call Letter* has continued to be a publication that both informs members of the society's business and that has supported the hobby of collecting, preserving, and restoring vintage radios.

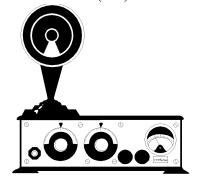

Society meetings are held the second Saturday of each month (except July and August) at the Buena Vista Club House at 16th & Jackson Streets in Oregon City, Oregon. They convene at or about 10 AM for the purpose of displaying radios, conducting Society business, and exchanging information. Guests are welcome at all Society meetings and functions (except board meetings).

Other Society functions include guest speakers, auctions, radio show, and radio sales which are advertised in the *Call Letter* and are held in and around Portland

Call Letter Deadline 25th of the month prior to publication.

Be sure to attend the meeting on January 9 in the Buena Vista Club House. Bring your favorite purchase from Jim Mason's estate auction, OR a tube *pocket* portable.

From the Editor

by Call Letter Editor, Rick Walton

It was a grand party, as well attended as any meeting I've been to this year. George Kirkwood spread the table with several hot items, and members brought all sorts of other goodies. Matt Neill provided us with organ music again and we all had a good time. I had to leave early to catch the tail end of a special choir practice, but I managed to put away a couple of meat balls and a chunk of sausage before leaving.

This month we've got the promised report on the auction. Having attended it for most of the two days, I felt it was a great success. I personally had a great time, despite the cold and wind of the first day. I picked up my purchases and now have them stored in my basement (I can't believe they all fit). Trying to decide how much of the bid list to publish in the report has been really difficult. Even if I publish only a fourth of it, it takes several pages. And publishing all the high-ticket items doesn't tell the story of the wonderful bargains that many of us took home.

I've heard no mention of it yet, so maybe I'm the first to call attention to 1999 being our club's 25th year in existence. A letter dated 12/23/74 announced the "next club meeting" at the Buena Vista Clubhouse on Jan. 11, 1975 for the purpose of 1) selection of the club's name, and 2) final draft of the club constitution. That letter is the earliest item in the *Call Letter* archives, Vol. 1, No. 1, if you will. I think that as a club, we should start soon to prepare some kind of celebration or recognition of this milestone in the club's life. Perhaps the annual Christmas party in December could expand to be a 25th Anniversary celebration as well. Or perhaps the Fall swap meet could adopt a 25th anniversary theme. I'll be looking for ways to include recognition of the event in the *Call Letter*. A *color* issue, maybe? Whatever we do, now is the time to begin thinking about it.

Meeting Minutes

Liles Garcia, Secretary

President Dave Rutland called the December 12, 1998 meeting of the Northwest Vintage Radio Society to order at approximately 10:05 AM. There were approximately 40 members and guests present. Members approved the November, 1998 meeting minutes.

Old Business

Swap Meet—Our club made approximately \$200.00 from our fall Swap Meet.

Good And Welfare

Our Treasurer, Ed Charman, will be having a by-pass operation early in January. We all wish him the best.

New Business

Jim Mason Estate Auction—Vice-President George Kirkwood read a letter from Jim Mason's relatives. They thanked our club for its donation to the hospice and for clubmembers' help with the estate sale.

Swap Meet—Our Spring, 1999 Swap Meet will be on June 12, 1999 in the South Exhibit Hall at the Washington County Fairgrounds. The Triode Society will join us for this Swap Meet.

Expense Reimbursements—We will pay Tony Hauser \$50.00 for his expenses in working with the estate sale.

We will also pay George Kirkwood for his expenses for our Christmas Party.

New Meeting Place—We appointed a committee to investigate a different meeting place. Jerry Talbott will be the chairman.

Leads And Needs

Sonny Clutter needs a parts chassis for a Radiola 44 or a Radiola 46.

Election Of Officers

At the November meeting, we made the following nominations for next year's officers:

President-Charles Kent, Vice-President-Myron White, Secretary-Liles Garcia, Treasurer-Ed Charman. Myron would prefer to continue to be our swap meet chairman, so he withdrew his name from the nominations. George Kirkwood was then nominated for Vice-President. Since we had only one candidate for each office, club members elected the officers by acclaimation. Our officers for 1999 are: President-Charles Kent, Vice-President-George Kirkwood, Secretary-Liles Garcia, Treasurer-Ed Charman.

The meeting was adjourned, and all members had a good time at our Christmas Party.

WHY RADIO STATIONS ARE MOVING ON MARCH 29TH

A major improvement in broadcasting begins everywhere in the United States on March 29, 1941. At that time most stations will come in at new locations on your radio set.

This shift is called "Reallocation." The governments of the United States, Canada, Mexico, Cuba and Hairi have been planning it for over three years. It will bring better reception of programs and eliminate interference from stations broadcasting outside the United States.

If your set has push button tuning, have the push buttons reset by a service man from your radio shop. Use manual tuning until he comes.

ANOTHER AID to clear radio reception is the year-around program carried on by Pacific Power & Light Company radio specialists to trace down and help eliminate local sources of radio interference. This friendly service adds to your enjoyment of your radio.

Auction Report

by Rick Walton

On the morning of Saturday, Dec. 5, 1998, braving wind, rain, and even a little snow, collectors from at least three states gathered in a heaving, drafty tent to begin bidding on Jim Mason's extensive radio collection. Auctioneer Steve Greenwalt of Heritage Auctions, assisted by his wife Rebecca, kept the bidding moving at a lively pace, pronouncing "SOLD" on 240 items before the lunch break. Bidding ended on Saturday at about 4:30 with half the collection sold.

Bidding resumed Sunday morning and continued apace until about 4:30, with the number of bidders decreasing sharply in the last hour.

There were a total of 807 items on the bidding list, including the individual auction items and the box lots. When the bidding ended on Sunday, the sale had grossed about \$127,000.

While some items that went for higher bids, almost three quarters of the items sold for less than \$150, giving most of the bidders present a chance to acquire something for their collections.

Here is a listing of the items that sold for \$150 or more. As you can see, it goes on for another five pages and it lists just a little over one fourth of the auction items.
