## **ONE MINUTE WASHING MACHINES**

uses less water, less soap, easier on clothes, requires less attention.  
Driven by electric, water, or gasoline engine. Still some territory open  
for active dealers.

## **ELECTRICITY FROM THE WIND**

in use. No fuel, no attention. Batteries supply light and power  
where there is no wind. Write for particulars on original AEROLECTRIC.

## **NEON SIGNS**

Write for particulars. The wonderful new sign, requiring one-tenth  
of electricity. Can be seen farther and attracts more attention.
