ENTERING CANADA AND MEXICO

General Information

Passports not required for pleasure trips; required for business trips to Mexico. U. S. citizens must be prepared to show proof of citizenship: birth certificates, naturalization papers, other proof. Aliens should check with immigration officials to assure re-entry. Proof of legal first entry into U. S. required.

Insurance policies should be checked for clauses limiting liability.

Baggage must be presented for inspection at border. Failure may incur penalty.

Permit needed for firearms. Mexican permit obtainable from any Mexican consulate; Canadian, from Attorney-General of province to be visited.

Clothing, sports equipment, diamonds, furs, cameras (especially if foreign-made), other personal effects, admitted without duty after inspection at border. Registration of such dutiable possessions before leaving U. S. advised. Not more than 6 rolls of unexposed film may be taken into Canada without license and payment of duty. Mexican consulate should be consulted for rules governing taking film, phonograph records, other specified goods into Mexico.

Proof of ownership of automobiles required: bills of sale, certificates of title, state license and driver's license cards.

To use automobiles for commercial purposes in Mexico, visitors must obtain permit from Mexican consulate at least 30 days before beginning trip.

Visitors intending to take automobiles out of Mexico from any other than port of entry must notify customs officials at least 15 days prior to such intended departure so that clearance papers may be forwarded to intended port of exit.

Use of U. S. currency illegal in Mexico. Enough money should be exchanged before entry to take tourists to Monterrey or Mexico City, where further exchanges may be made.

Certificates of vaccination may be required by U. S. authorities of visitors returning from Mexico.

Final information on visits to Mexico should be obtained from any Mexican consulate before visitor leaves U. S.

Entering Canada

No entry fee required.

For visits of not more than 48 hours, owners of automobiles must surrender state license cards. Permit required for visits of from 60 days to 6 months, allows re-entry into U. S. at any port.

Motorcycles and bicycles subject to rules governing use of automobiles. Separate permit for trailers not required.

Gifts taken in taxable if valued at more than \$10 Canadian.

Commercial travelers' samples subject to banding or deposit of cash to cover duties and taxes ordinarily levied on such goods. Bond or cash refunded if samples taken out within 1 year.

Entering Mexico

Every visitor over 15 years old must obtain a tourist card (\$3.00 U. S. currency) valid for 6 months, from Mexican consulate or at border.

Permit required to take automobiles into Mexico for touring purposes for period not to exceed 6 months. Permit, obtainable at any Mexican customs house will be issued free. For longer periods, special permit required.

Speed laws designated by kilometers per hour. One kilometer (km) equals almost 5/8 mile; 10 miles equal about 16 kilometers.

Military buildings and grounds may not be photographed.

Only bottled drinking water, obtainable in larger cities, should be drunk. Roadside water may be unsafe.

Not more than 100 cigars, 50 packages of cigarettes or 1 pound of tobacco may be taken into Mexico duty free. Limited supply of canned goods allowed.

Re-entering U.S.

Automobiles must stop at border for customs inspection, under penalty for failure.

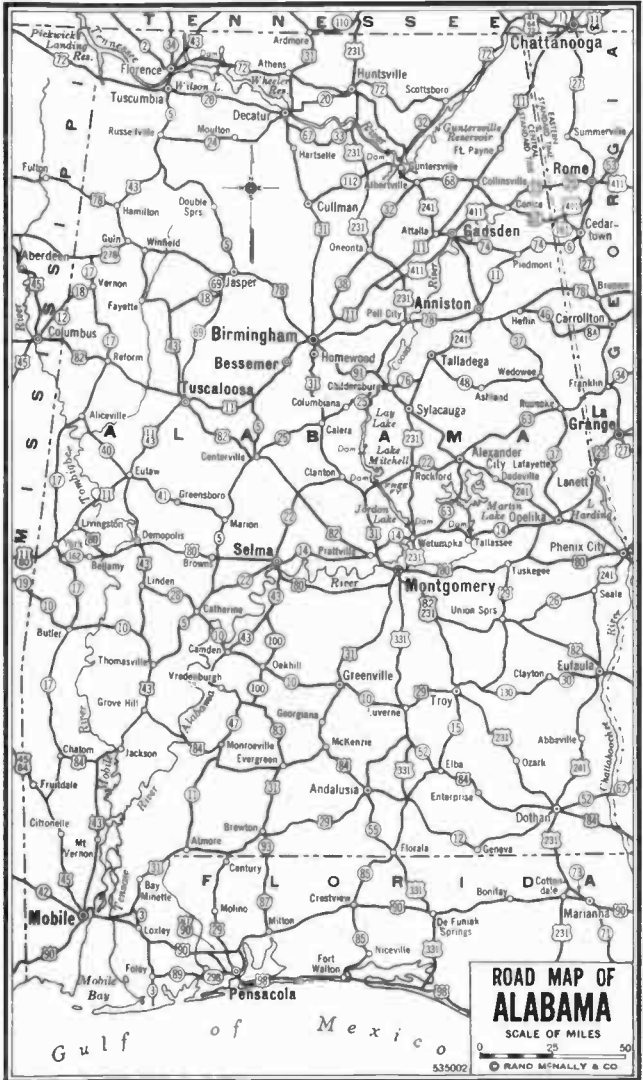

Every U. S. resident, after being out of U. S. for 48 hours or more, may bring back merchandise valued at not more than \$200, duty free, provided such goods intended for personal use or as gifts, not for sale or purchased on commission for others. If return is through a port of entry on California-Mexico border, an absence of at least 24 hours is necessary for the \$200 exemption; if through a port in Texas, New Mexico or Arizona, there is no minimum time restriction. This exemption allowed only once in 31 days. Family groups, related by blood or marriage, may declare all importations in one declaration and pool exemptions. 100 cigars and one gallon of liquor (subject to state regulations), may be included in the \$200 exemption. Additional exemption of \$300 per person allowed if visitors remain in Canada or Mexico 12 days or longer and such exemption has not been claimed within preceding 6 months. Bills of sale, receipts and invoices should be kept.

Restrictions may be imposed on exportations of specified articles from Canada or Mexico. Tourists should ascertain at time of purchase whether articles may be taken out without license or payment of duty.

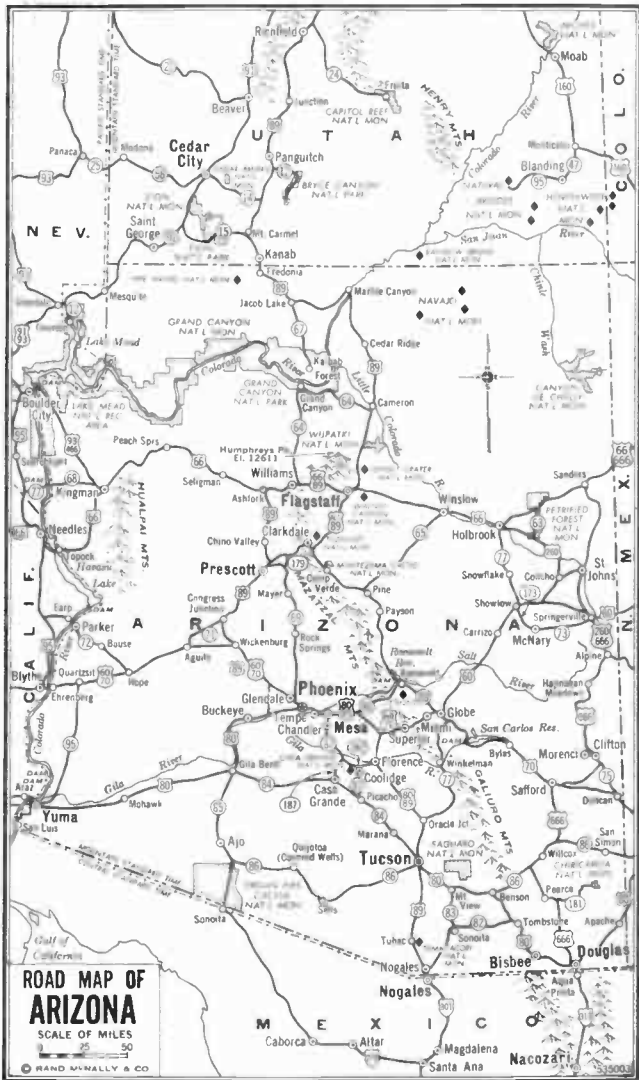

Tourists intending to bring back liquor should inquire at customs offices for amounts allowable duty free. All liquor taken into or through Texas subject to state tax.

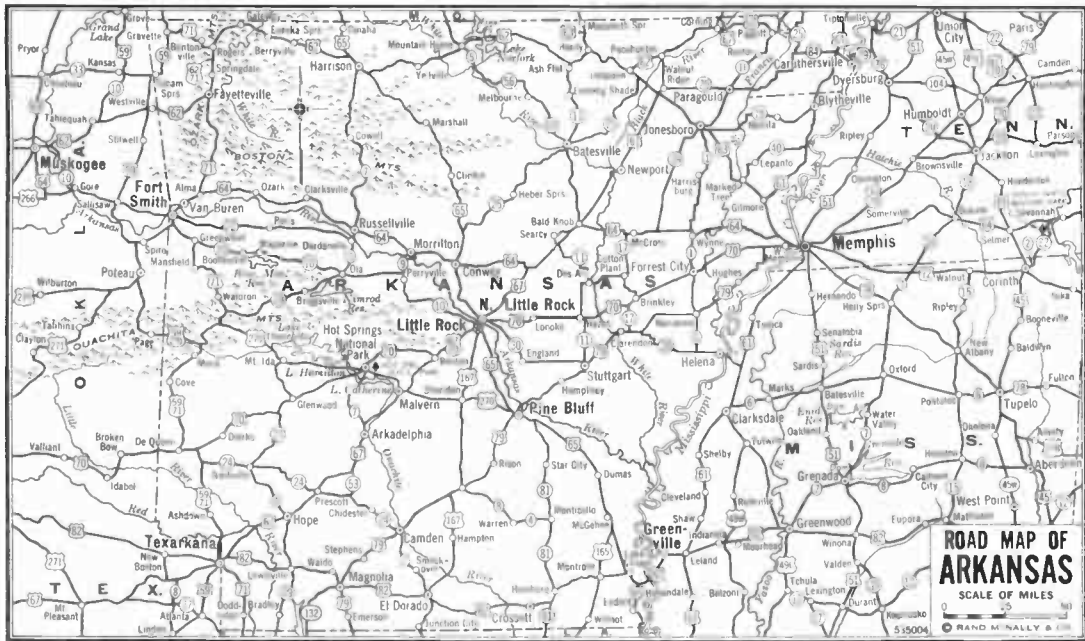

Purchases in Mexico of articles of personal or household use valued at more than \$100 must be declared in writing.

All equipment such as spare tires and wheels taken into Mexico must be brought back or duty will be imposed on missing articles.

TIRE ROTATION

Tires should be rotated every 2,000 to 3,000 miles by one of the methods shown, to equalize the wear on each. This is especially true of spare tires, which deteriorate rapidly if not used. Tires should be rotated, not by dismounting, but by alternating wheels.
