## **We Are in Business to Serve You!**

**T**he high quality merchandise we offer, plus the prompt and efficient service we render, means the utmost satisfaction to our many valued customers. This, we feel, is a real worthwhile principle upon which to base the success of our business.

At our store you will find a wide selection of the standard and popular brands of radio sets, parts, and accessories. Call at your convenience and inspect this large display of merchandise.

In our service department we employ capable and expert men who are ready to remedy your radio ills. Why not instruct us to send one of these men to your home for the regular inspection of your set? Heed the advice of authorities by having the weak or worn out tubes you are now using replaced with a set of new RCA Radiotrons. RCA Radiotrons carry our endorsement as well as that of the nation's leading set manufacturers.

May we look forward to the pleasure of serving you?
