"My work takes me to construction camps where we get "grub" instead of food.

I suffered incessantly from heartburn and various stomach disorders. I could neither digest or assimilate my "grub" and became so weak I could hardly get about. I had taken red pills, blue pills, green pills and yellow pills.

I tried Alka-Seltzer. That was last summer. I am now a devotee of Alka-Seltzer—I have thrown away my rainbow of pills and now enjoy camp "grub" with the appetite of any husky on the job." Edward Pryor
York, Pa.

ALKA SELTZER

Read what Edward Prior says about Alka-Seltzer.

Mr. Prior is one of thousands who has found Alka-Seltzer extremely effective for Acid Indigestion.

Others are equally enthusiastic over the relief they have enjoyed by taking this new, different, better Effervescent Tablet for *Headache, Colds, Stomach Gas, Neu-*

ralgia, Rheumatic, Sciatic, Neuritic and Muscular Pains.

Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (acetyl-salicylate) it first relieves the pain of everyday ailments then, by restoring the alkaline balance, removes the cause when due to excess acid.

NERVES NERVES NERVES

Do they torture you by day and keep you awake at night? Do they make you Restless, Irritable, Blue? Do they ruin your digestion, make your head ache, interfere with your work?

Over-taxed Nerves do all these things—and more. Because the nerves control all functions of the body, they can, and often do, give all the symptoms of serious organic trouble.

Worry, uncertainty, fear, working under high pressure, noise, lack of proper rest and relaxation—all tend to over-tax the nervous system.

In times like these, when few of us can avoid uncertainty as to the future with the worry and fear that are bound to follow; when we feel that we

must work under high pressure to hold our job or our business, Nerve Strain takes an increasingly heavy toll.

Perhaps You Need

A Reliable Nerve Sedative

Dr. Miles Nervine was first offered only in Liquid form. No pains were spared to make it as palatable as possible. It has stood the test of time.

Dr. Miles Effervescent Nervine Tablets were developed in response to a demand for this same formula, put up in a form that could be carried in the pocket and taken

regularly when away from home; that could be packed when traveling without danger of spilling.

They have the same soothing effect on the Nerves as Dr. Miles Liquid Nervine. Being alkaline in reaction, they tend to correct the over-acid condition that frequently causes Nervousness.

I couldn't sleep nights. I could not sit still or lie still; would walk the yard and even cry sometimes until midnight. Nothing seemed to do me any good. One day a friend induced me to try Dr. Miles Nervine. It helped me from the first dose.

LIE awake nights ???

From the letters that grateful users write us, we believe that Dr. Miles Nervine—you can get it in both Liquid and Effervescent Tablets—is an exceptionally effective medicine for Sleeplessness, as well as for Restlessness, Irritability, Nervous Headache, Nervous Indigestion, and other disorders caused by Over-Taxed Nerves.

I have recommended Dr. Miles Nervine to a number of my friends suffering from business worries and who find it hard to get any rest at night, and also my daughter who has suffered a nervous breakdown—and they report real sleep after taking Dr. Miles Nervine. My husband used Dr. Miles Nervine many years ago and I can truthfully say I am never without it in my medicine cabinet and prefer the tablets since they are on the market and produce the same results as the Liquid, as they are easier carried when traveling.

Mrs. Mary A Gray,
Minneapolis, Minnesota

I was unable to sleep at night. I retired seemingly sleepy but as soon as I lay down I became wide awake. I listened for various noises and heard every noise the baby would make as she turned over in her bed. Several times a night I tip-toed to her bed only to find her well covered and sleeping soundly.

I sent for a free sample of Dr. Miles Nervine. It helped me so much that I then purchased a package. Now I go to bed and sleep normally.

Mrs. Alice Green, Ashkum, Illinois

I have been using your Aspirin Mint for my rheumatic pains. It has done me a lot of good. I have recommended it to several of my friends and it has helped them. I don't think I can recommend them highly enough. I surely am thankful I bought them.

Aspir-Mint

Better Taste - Better Results

Here is a modern, scientifically compounded tablet that gives prompt relief for *Headache, Neuralgia, Muscular Pains*—a tablet that relieves the stuffed-up feeling of the *Cold in the Head* and at the same time, tends to break up the accompanying *Congestion*. The formula was used extensively in the Epidemic of 1918 and 1919.

The Dr. Miles Chemists have combined its ingredients into a tablet of well-balanced dosage, pleasantly flavored with mint.

You will find Dr. Miles Aspir-Mint pleasant to take and effective in action.

A great many users write us that Aspir-Mint is the pleasantest and most effective non-effervescent medicine that they have ever used for Colds. Why don't you try it?

If you have *Influenza* or *Pneumonia*, don't attempt to treat yourself. Consult your physician and be guided by his advice.

I have used your Alka-Seltzer for Headache and found it very effective to relieve and very pleasant to take.

F. P. Siwiec
Perth Amboy,
N. J.

Alka-Seltzer is the best tablets I have ever taken not only for sour stomach, gas on stomach, but for headache, colds.

I have been taking
Dr. Miles Nervine for
thirty-five years and it
is of great help to me.

Mrs. Mary Ellis, 748 Villa Street, Racine, Wisconsin

I have used Dr. Miles Nervine Tablets for several years. I find that nothing else has ever done me so much good in quieting my nerves.
Archie V. Robinson, Denver, Colorado

Some time ago I was troubled with a nervous ailment which had kept me in a bad condition for more than three months. I tried Dr. Miles Nervine and believe me, it did the work. It is, indeed, a pleasure to recommend it.

Miss Mary Glivar,
Route 1, Box 83, Salida, Colo.

DR. MILES' **NERVINE**
Effervescent
TABLETS

Tense nerves make you cranky and irritable, fretful and blue, keep you awake, give you Nervous Headache, Nervous Indigestion. Tense nerves can ruin you mentally and physically.

Dr. Miles Nervine relaxes tense nerves, relieves Nervous Indigestion and Nervous Headache, permits refreshing sleep. You can get Dr. Miles Nervine at any drug store in both liquid and effervescent form.

Dr. Miles Liquid Nervine

Although the formula from which Dr. Miles Liquid Nervine is made was originated more than fifty years ago, it is still up to date. Dr. Miles Liquid Nervine has been literally soothing the nerves of America for more than fifty years.

Dr. Miles Effervescent Nervine Tablets

The same formula as Dr. Miles Liquid Nervine, with the addition of vegetable and mineral alkalizers which tend to overcome the acid condition that often causes nervousness.

You can get your money back for the first bottle of Dr. Miles Nervine, either Liquid or Effervescent Tablets, if you are not entirely satisfied with results after you have used it.

BOTH ARE GUARANTEED

I have used Dr. Miles Nervine with splendid results and would not be without it in the house.

Mrs. Crist Hammacker, New Buffalo, Pennsylvania

I had a nervous breakdown and couldn't sleep nights. I got very little relief until I used Dr. Miles Nervine. Ralph Bailey,
134 Richardson Street, Staunton, Virginia

I have had to use a nerve medicine a great deal in the past two or three years because of a severe accident which seemed to shatter my whole nervous system. I found great relief in the use of Dr. Miles Nervine. I have used the liquid and effervescent tablet and both give the same results. Timothy A. Nash, Seattle, Wash.

Dr. Miles Cactus Compound

EMINENT medical authorities say that Cactus in combination with Digitalis is useful in irregular heart action when due to Fatigue, Emotions, Nervousness and Indigestion.

It is also recommended as being of special value in Irritable Heart, caused by over-indulgence in tobacco.

Cactus has no toxic effect and may be given in doses larger than regular doses and over a long period of time if needed.

Dr. Miles Cactus Compound is a combination of Cactus, Digitalis and other vegetable extracts. Cactus Compound is made by a special process which uses only the green Cactus (considered much more effective than dried Cactus.)

Eyes Bright... Step Light..

You share Bad Breath, Muddy Complexion, Dull Eyes caused by sluggish bowels with everyone you meet. You enjoy (?) the Tired Feeling, Brackish Taste, Sense of Fullness after Eating, due to this same cause, all by yourself.

You are sometimes constipated when your bowels move regularly because part of the waste products are retained in the body.

DR. MILES LITTLE PILLS

A Mild Laxative *Easy to Take*

Dr. Miles Little Pills move the bowels with little griping. Do not expect them to cure Constipation. No laxative will do that. They will move the bowels and make you feel—and look—better.

Dr. Miles Laxative Tablets

Especially recommended as a laxative for children because of their pleasant taste and gentle action. Equally effective for adults.

Enthusiastic Users of **ALKA-SELTZER**

Al G. Phillip

I have long suffered with stomach trouble, gas forming causing sleepless nights and headache in the morning. I tried several different remedies but never got real relief until I tried Alka-Seltzer which seemed to be just the thing I needed to remedy the trouble.

Albert L. Bahr

"Alka-Seltzer is a great remedy. Never saw or heard of its equal. After thirty-six hours of extreme suffering from pains throughout my entire body and not a wink of sleep I was advised to take Alka-Seltzer. Fifteen minutes and I was completely relieved of my pains and five minutes more found me sound asleep without disturbance until 10 o'clock the next morning. Never in my life have I found such instant and complete relief from any ailment."

Al G. Phillip, San Benito, Texas

Your Alka-Seltzer helps us so much. There is nothing finer on the market. We use it for Headaches, Colds, and pains that I frequently have in my shoulder.

**B. Gundelfinger,
Los Angeles, California**

I had a very severe headache and a sour stomach. After taking your Alka-Seltzer as directed I got great relief within fifteen minutes. I shall always keep Dr. Miles Alka-Seltzer Tablets in the house.

Mrs. George Hitchcock, Bismarck, N. D.

I had headaches, tired feeling, muscular aches and pains and was nervous. I was much surprised at the great relief from these common ailments that I got by taking Alka-Seltzer. I am now free of all of them. I feel like an entirely different person.
