The Dynamax MX Series

"E" Models From 8 to 18 Channels

New Beige Finish or Metallic Gray

- True modular design
- Ultra-reliable motherboard construction
- VCA mixer and monitor control
- Active balanced line inputs, transformer isolated mic inputs
- Active balanced main and monitor outputs
- Full monitoring/cueing facilities with VCA level control and active source selection
- Built-in cue amp with speaker and amplified stereo 8-ohm headphone output
- Independent remote start for each "A" and "B" input
- Opto-isolated remote module on/off
- Selectable fader start
- *New* Optional 5-band mic EQ module with pan
- *New* Telephone interface module
- Two inputs per module, mic/line or line/line – line inputs may be mono or stereo, consumer or professional format
- Four assignable outputs – two stereo plus two mono
- Available in 8, 10, 12, 14, 16, or 18 channel models
- Independent level controls for each "A" and "B" input
- Separate audio and logic power supplies
- Sturdy, all-steel construction
- Durable Lexan overlay control surfaces
- Count-up event timer standard
- Two input expansion switches standard
- Excellent RF immunity
- *New* Studio talkback/monitor module

100 kW SW Transmitters

Quality and reliability in broadcast transmission products knows no borders. Since 1946, Continental Electronics has been a leader in providing top quality AM, FM, SW and MW transmission equipment to commercial and governmental broadcast facilities around the globe. Continental products have proven their capabilities and "designed to last" features in some of the most demanding physical and environmental conditions imaginable.

Continental Electronics' RF transmission products are available in a wide variety of configurations to meet customer specified requirements and power outputs. From transmitters for local/regional broadcast needs to high power systems for international use, Continental Electronics can meet your needs in the increasingly competitive world of broadcasting. In any language, that means success

2.95.204

For nearly 50 years, Continental Electronics has provided excellence in broadcast transmission products worldwide. Refuse to compromise... call Continental first!

Dear SBE Member,

The Society of Broadcast Engineers has prepared this *Membership Directory & Buyer's Guide* for the exclusive use of our members. I think you will find this publication to be a useful tool throughout the year in locating other members across town or across the country. Please keep it handy on your shelf with other industry resource publications.

The *SBE Membership Directory & Buyer's Guide* provides you with three helpful sections. The first provides useful information about SBE member services, history and By-laws. The second is the *Directory* portion, which includes a listing of our members and chapters. The final portion is the handy classified *Buyer's Guide*, providing sources of equipment, products and services for the broadcast engineering industry.

The *Directory* lists all SBE members alphabetically, providing contact information, certification level and membership type. If you need to find one or more members in a specific locale, the list of members in each SBE Chapter will help you. Also included is an alphabetical directory of SBE's National Sustaining Members, who provide support of our organization year 'round.

Over the next year, you'll undoubtedly discover many ways to use the *Directory*. I'm sure you'll find it to be an important resource and valuable benefit of your SBE membership.

Sincerely,

Charles W. Kelly, Jr., CBT
President

NOTES

A BRIEF HISTORY

of the

SOCIETY of BROADCAST ENGINEERS

The Society's roots stretch back to 1961, when the Institute of Radio Engineers (IRE) and American Institute of Electrical Engineers (AIEE) passed a joint resolution calling for a "merger or consolidation...into one organization." The two groups did finally join forces in 1963 forming what is known today as the Institute of Electrical and Electronic Engineers (IEEE).

Unfortunately, the new organization was perceived by some as not addressing the needs of broadcast engineers. Because of the interest shown in response to an editorial in a broadcast trade publication, an organizational meeting was held at the NAB convention in 1964. The group decided to form an organization devoted to the needs and interests of broadcast engineers.

The new organization was originally called the Institute of Broadcast Engineers (IBE). However, because some members feared there might be confusion because of the similarity between the names of the IBE and the IBEW (International Brotherhood of Electrical Workers), the name was changed to Society of Broadcast Engineers (SBE).

From this original group of approximately 100, the Society has grown to over 5,000 members. With over 100 chapters located throughout the US and internationally, the SBE now commands a leadership position in the broadcast industry. Local SBE chapters provide services to the members through meetings, technical seminars, certification examinations and fellowship.

The SBE Program of Certification helps individuals improve their skills through a national testing program. As the industry's most recognized evaluation service, SBE Certification provides important benefits to both members and employers. Those who have earned SBE Certification are proud of their accomplishment, and rightly so.

The SBE also operates a national Frequency Coordination Program. With more than 100 volunteer coordinators, the SBE provides a vital service to stations needing information about auxiliary broadcast frequencies. Through the efforts of the SBE, this important spectrum is used effectively and interference is minimized.

The Society continually monitors regulatory issues. When necessary, the SBE files comments with the FCC and other federal and state agencies. In many cases, the SBE is the only organization representing the technical interests of the membership in regulatory issues.

The SBE also holds a yearly national convention. The event combines both technical seminars and a large equipment exhibition. At the seminars, expert instructors provide training on a wide variety of technical and managerial topics. The convention provides attendees with the opportunity to improve their skills, while examining the latest in technology.

The National Office is located in Indianapolis, Indiana where a full-time staff provides membership and certification services. Additional information on membership in the SBE is available either by writing or calling the National Office.

This Membership Directory is prepared and distributed for the exclusive use of the membership of the Society of Broadcast Engineers. The names, addresses and telephone numbers and other information contained within this Directory are protected by copyright and shall not be sold, reprinted or otherwise duplicated without the express written permission of the Society of Broadcast Engineers whose principal offices are located at 8445 Keystone Crossing, Suite 140, Indianapolis, Indiana 46240. Telephone (317) 253-1640.

AWARD RECIPIENTS

BROADCAST ENGINEER OF THE YEAR

Albin Hilstrom, CPBE 1993

John Soergel, CPBE 1992

Terrence Baun, CPBE 1991

EDUCATOR OF THE YEAR

Dr. John O'Neill 1992

Jerry Whitaker, CSRE 1991

SBE ENGINEERING CONFERENCE & WORLD MEDIA EXPO

September 6 - 9, 1995
New Orleans, Louisiana, USA

"FACE TO FACE WITH CHANGE"

SEPTEMBER 6-9, 1995

Exhibits: September 7-9, 1995

New Orleans Convention Center

- Hot Technical Topics
- Useful Workshops
- Latest Regulatory Issues
- Large Exhibit Floor
- National Awards
- Networking Opportunities

Call SBE today to register at (317) 253-1640 !

NOTES

CANONS OF ETHICS

Foreword

Honesty, justice and courtesy form a moral philosophy when associated with mutual interest between human beings. This constitutes the foundation of ethics. Broadcast engineers should recognize such a standard of behavior not in passive observance, but as dynamic principles guiding their conduct and way of life. It is the duty of all broadcast engineers to practice their profession according to this Canon of Ethics.

The Keystone of professional conduct is integrity. Broadcast engineers will discharge their duties with fidelity to the public and to their employers, and with impartiality to all. Broadcast engineers must uphold the dignity of their profession and avoid association with any enterprise of questionable character.

Broadcast engineers will strive to be fair, tolerant, and open minded.

Professional Life

Section 1. The Broadcast Engineer will cooperate in extending the effectiveness of the engineering profession by interchanging information and experience with other broadcast engineers and students and by contributing to the work of engineering societies, schools and the scientific and engineering press.

Section 2. The Broadcast Engineer will avoid all conduct or practice likely to discredit or unfavorably reflect upon the dignity or honor of the profession.

Relations With The Public

Section 3. The Broadcast Engineer will endeavor to extend public knowledge of broadcast engineering and will discourage the spreading of untrue, unfair, and exaggerated statements.

Section 4. The Broadcast Engineer will have due regard for the safety of life and health of the public and employees who may be affected by the work for which he or she is responsible.

Section 5. The Broadcast Engineer will express an opinion when it is founded on adequate knowledge and honest conviction while he or she is serving as a witness before a court, commission or other tribunal.

Section 6. The Broadcast Engineer will not issue ex parte statements, criticisms or arguments on matters connected with the public policy which are inspired or paid for by private interests, unless he or she indicates on whose behalf he or she is making the statement.

Section 7. The Broadcast Engineer will refrain from expressing publicly an opinion on an engineering subject unless he or she is informed as to the facts relating hereto.

Relations With Clients and Employers

Section 8. The Broadcast Engineer will act in professional matters for his employer as a faithful agent or trustee.

Section 9. The Broadcast Engineer will act with fairness and justice between his or her employer.

Section 10. The Broadcast Engineer will make his or her status clear to his or her employer before undertaking an engagement if he or she may be called upon to decide on the use of inventions, apparatus, or any other thing in which he or she may have a financial interest.

Section 11. The Broadcast Engineer will guard against conditions that are dangerous or threatening to life, limb or property on work for which he or she is responsible, or if he or she is not responsible, will promptly call such conditions to the attention of those who are responsible.

Section 12. The Broadcast Engineer will present clearly the consequences to be expected from deviations proposed if his or her engineering judgement is overruled by non-technical authority in cases where he or she is responsible for the technical adequacy of engineering work.

Section 13. The Broadcast Engineer will engage, or advise his employer to engage, and he or she will cooperate with, other experts and specialists whenever the employer's interests are best served by such service.

CANONS OF ETHICS

Section 14. The Broadcast Engineer will not disclose information concerning the business affairs or technical processes of employers without their consent.

Section 15. The Broadcast Engineer will not accept compensation, financial or otherwise, from more than one interested party for the same work, without the consent of all interested parties.

Section 16. The Broadcast Engineer will not accept commissions or allowances, directly or indirectly, from contractors or other parties dealing with his employer in connection with work for which he or she is responsible.

Section 17. The Broadcast Engineer will not be financially interested in the bid as or of a contractor on competitive work for which he or she is employed as an engineer unless he or she has the consent of his or her employer.

Section 18. The Broadcast Engineer will promptly disclose to his or her employer any interest in a business which may compete with or affect the business of his or her employer. He or she will not allow an interest in any decision regarding engineering work for which he or she may be called upon to perform.

Relations With Engineers

Section 19. The Broadcast Engineer will endeavor to protect the broadcast profession collectively and individually from misrepresentation and misunderstanding.

Section 20. The Broadcast Engineer will take care that credit for work is given to those to whom credit is properly due.

Section 21. The Broadcast Engineer will uphold the principle of appropriate and adequate compensation for those engaged in broadcast work, including those in subordinate capacities, as being in the public interest and maintaining the standards of the profession.

Section 22. The Broadcast Engineer will endeavor to provide opportunity for the professional development and advancement of personnel in his or her employ.

Section 23. The Broadcast Engineer will not directly or indirectly injure the professional reputation, prospects or practice of another colleague. However, if he or she considers that an individual is guilty of unethical, illegal or unfair practice, he or she will present the information to the proper authority for action.

Section 24. The Broadcast Engineer will exercise due restraint in criticizing another colleague's work in public, recognizing the fact that the engineering societies and engineering press provide the proper forum for technical discussion and criticism.

Section 25. The Broadcast Engineer will not try to supplant another engineer in a particular employment after becoming aware that definite steps have been taken toward the other's employment.

Section 26. The Broadcast Engineer will not use the advantages of a salaried position to compete unfairly with another engineer.

Section 27. The Broadcast Engineer will not become associated in responsibility for work with engineers who do not conform to ethical practices.

BY-LAWS

(as amended October, 1994)

ARTICLE I. NAME AND PURPOSES

Section 1. Name. The name of this organization shall be the Society of Broadcast Engineers, Inc., a corporation pursuant to the District of Columbia Non-Profit Corporation Act.

Section 2. Purposes. The purposes for which the corporation is organized are as follows:

(a) The diffusion and increase of knowledge about broadcast engineering, and the promotion and advancement of this profession and its companion fields for both theoretical and practical applications necessary to advance the art.

(b) The establishment of professional education, training and competence for persons engaged in the profession of broadcast engineering and its allied fields; and to afford professional recognition to its practitioners signifying the achievement of these standards.

(c) The stimulation of interest in broadcast engineering and its allied fields to sustain the profession, encouragement of the interplay and intercourse of ideas to advance the art, and the promotion and maintenance of the highest professional standards among its members to allow them to conduct their professional actions in the scale of exemplary ethical standards.

(d) The creation of working alliances and meeting of minds with all elements of the broadcast and communications industry, including the FCC and the ultimate recipient of that which we practice, the viewers and listeners.

(e) To these ends, it shall be the purpose of the Society to hold meetings for the reading and discussion of professional papers, publications, communications, or such other professional activities as shall properly fulfill the objectives of the Society and advance the art of broadcast engineering.

ARTICLE II. MEMBERSHIP

Section 1. (a) As shall be deemed necessary, geographical grouping of Chapters may be authorized by the Board of Directors to alleviate attendee hardship regarding regular Chapter participation.

(b) Student Chapters may be established either as a part of a regular Chapter, or may be established on a state-accredited university campus under the sponsorship and guidance of the SBE.

Section 2. Membership Types

(a) **Honorary Member:** A person of outstanding repute and eminence in the Art and Science of Broadcast engineering or any of its allied professions may be elected to Honorary Membership by the Board of Directors and thus become entitled to all the rights and privileges of the Society.

Candidates for election to Honorary Membership shall be proposed in writing by a voting member. Such proposal shall include a biography of the candidate and the endorsement of 15 voting members and shall be submitted to the Board of Directors for consideration. If elected, the candidate shall be notified by the Secretary. The Board of Directors shall confer the Honorary Membership in such a manner as they deem appropriate.

(b) **Fellow:** A member who has rendered conspicuous service, or is recognized as having made valuable contribution to the advancement of broadcast engineering or its allied professions, dissemination of knowledge thereof, the promotion of its application in practice, may be elected a fellow of the Society.

Candidates for election to Fellowship shall be proposed in writing by a voting member. Such proposal shall include a biography of the candidate and the endorsement of 5 voting members and shall be submitted to the Board of Directors for consideration. If elected, the candidate shall be notified by the Secretary. The Board of Directors shall confer the Fellowship in such a manner as they deem appropriate.

(c) **Senior Member:** Any member of the Society for at least 5 consecutive years, with at least 15 years active participation in broadcast engineering or its allied fields who has demonstrated professional responsibility in the area of supervision, equipment design, physical plant design, marketing and/or equipment-systems integration. Candidates for election to Senior Member shall make application to the Membership Committee on forms provided by the National Office.

(d) **Member:** Any person actively engaged in broadcast engineering or its allied fields, or who has an academic degree in Electrical Engineering, or its equivalent, or has scientific or professional experience in the communications field, including the design or marketing of broadcast related products shall be eligible for election to membership in the Society. Upon election, he shall be entitled all the rights and privileges of the Society. Equivalent scientific or professional experience shall require at least 4 years active participation in broadcast engineering or its allied fields which demonstrates acceptable technical proficiency to the satisfaction of the Admissions Committee.

(e) **Associate and Student:** Any person engaged in the objectives of the Society, not meeting the qualifications of a Member, or above, may be eligible for election to the grade of *Associate Member*. Any person actively engaged in the study of companion Engineering fields shall be eligible for election to the grade of *Student Member*. Associate and Student Members do not qualify for voting privileges in national elections, nor are they eligible to hold offices in other than Student Chapters of the Society. Candidates for election to Associate Membership shall make proper application to the Admissions Committee on forms provided by the National Office. Candidates for election to Student Membership shall make proper application to the Admissions Committee on forms provided by the National Office. Students must provide the endorsement of their College or University Advisor to certify their student status. Student membership shall not exceed the member's term in college or university and shall be convertible to Member status with no further action other than presentation of upgrade request to the Admissions Committee, provided that all membership requirements are met upon satisfactory completion of education.

(f) **Lifetime Membership:** Any membership classification of Member, Senior, Fellow or Honorary shall be eligible for Lifetime Membership. Application for Lifetime Membership shall be made on forms provided by the National Office. Conditions of payment shall be determined by the Board of Directors. Upon completion of conditions, the member will be provided a plaque and membership card indicating Lifetime Membership status.

BY-LAWS

(g) **Life Membership:** Any Member or Fellow in good standing who has retired from full employment and has been a member in good standing for 10 years or more may, at his request, be placed on the Life Membership list.

(h) **Sustaining Member:** Any person, corporation, or organization meeting the requirements determined by the Board of Directors shall be eligible to election to Sustaining Membership in the Society. Sustaining members shall not be allowed voting privileges; nor are they eligible to hold elected or appointed office in the Society.

(i) The right to wear the Emblem of the Society is given to Members of any classification.

Section 3. Termination of Membership.

(a) Any Member may be suspended for a period or expelled for cause, such as violation of any of the By-Laws or Canons of Ethics of the Society or for conduct prejudicial to the best interests of the Society. Such suspension or expulsion shall be at the unanimous vote of the full membership of the Board of Directors, with the exception of the vote of the person proposed for suspension or expulsion if he be a Member of the Board of Directors. At least 15 days before a vote may be taken for the suspension or expulsion of a Member, a statement of the charges against him and a notice of the time when and place where the Board of Directors proposes to take action must be sent to such Member by registered mail at his last recorded address; such Member shall be given an opportunity to present a defense at the time and place mentioned in the aforesaid notice.

(b) Any Member may be suspended or expelled for failure to pay dues, as outlined in Article V.

(c) Any Member may withdraw from the Society by presenting to the Secretary a written resignation, which resignation shall be presented to the Board of Directors by the Secretary.

(d) Each Member shall have one vote only.

(e) The rights of any person as a Member of this Society, including his right to vote, shall cease immediately upon suspension, expulsion, or termination of membership.

ARTICLE III. BOARD OF DIRECTORS

Section 1. The governing body of the Society shall be known as the Board of Directors, which shall consist of the President, Vice President, Secretary, Treasurer, Immediate Past President and not less than six nor more than 12 Directors.

Section 2. All members of the Board of Directors and all nominees therefore must be members in good standing of the Society and hold a valid SBE Engineering Certification at the time of nomination and throughout all terms of office.

Section 3. The term of the Directors shall be for two years.

Section 4. A Director may be elected to not more than two consecutive terms after which that person must not hold a directorship for two years.

Section 5. All terms of office shall begin and end with the Annual Membership Meeting, the time of which shall be determined by the Board of Directors. The Board of Directors shall meet following the Annual Meeting, as soon as practicable.

Section 6. The Board of Directors shall have the power to hold meetings at such times and places as it deems necessary; to appoint committees; to employ staff and consultants; to authorize expenditures, establish policies and procedures, and to take such actions as may be necessary or desirable to carry out the purposes of the Society. Meetings of the Board of Directors may be called by the President whenever he deems necessary. Other meetings shall be called by the President upon written request of any four Directors or officers. Notification of all meetings of the Board of Directors shall be served personally, by regular United States Mail or receipted electronic mail, or by telephone conference call. Such notices shall not be made less than 21 normal working calendar days.

Section 7. The presence of a majority of the Directors plus two Officers shall constitute a quorum for the transaction of any business, and the act of the majority of those present at such a meeting shall be the act of the entire Board of Directors. Each member of the Board of Directors, except the President, (who shall vote only in order to break a tie) shall have one vote. An absentee vote may be cast by any member of the Board of Directors if in writing or by telephone conference call, if such vote pertains to one specific item of business. The absent members' proxy may not be counted for the purpose of obtaining a quorum.

Section 8. Whenever a vacancy shall occur on the Board of Directors of the Society, the Executive Committee will fill the vacancy. The new Board member will serve for the unexpired term of his predecessor.

Section 9. In the absence of fraud or bad faith, the Board of Directors shall not be personally liable for the debts, obligations or liabilities of the Society.

Section 10. No member of the Board of Directors shall be reimbursed from the Treasury of the Society for expenses in attending any Board of Directors or Committee meeting. Members of the Board of Directors may be reimbursed for reasonable out-of-pocket expenses necessarily incurred in pursuing Society business by any Chapter, should that Chapter so desire.

Section 11. Each member of the Board of Directors shall endeavor to represent the views and interests of and maintain the fullest possible contact with the chapters in all regions.

Section 12. All members of the Board of Directors will have the right to vote at Board of Directors meetings. The President, or in his absence, the Vice President, will vote only when necessary to break a tie.

ARTICLE IV. GOVERNING OFFICERS

Section 1. The membership of the Society shall elect the Officers, which Officers shall consist of the President, Vice President, Secretary and Treasurer for a term of one year.

Section 2. The President may serve up to two consecutive terms in that office. The Vice President may serve up to two consecutive terms in that office. The Secretary may serve up to four consecutive terms in that office. The Treasurer may serve up to four consecutive terms in that office. No elected person may serve more

than eight consecutive years as a director and/or an officer without a break in tenure of at least two years.

Section 3. No officer shall receive any compensation from the Society for services performed in his official capacity, but Officers shall be reimbursed for reasonable expenses in the performance of official duties upon presentation and verification of such expenses.

Section 4. The Executive Committee shall consist of the elected Officers and the Immediate Past President, and two Directors as appointed by the President.

Section 5. The President shall preside at the regular meetings of the Society or Board of Directors and shall be Chairman of the Executive Committee.

Section 6. The Vice President shall assume the duties of the President in his absence or incapacity and shall otherwise assist the President.

Section 7. The Secretary shall be responsible for all records and books of account of the Society, and shall record the minutes of all meetings of the Society and the Board of Directors. He shall also conduct the correspondence of the Society and the Board of Directors and records maintained by the Secretary shall be available at the National Office for inspection by members in good standing at all reasonable times. A copy of the minutes of all meetings of the Board of Directors shall be distributed to each member of the Board of Directors and summaries thereof shall be provided to the Chapter Chairpersons in a timely manner following each meeting.

Section 8. The Treasurer shall supervise all accounts and monies of the Society, under the direction of the Board of Directors and shall establish such accounts as shall be designated by the Board of Directors. He shall have charge of all funds of the Society, and shall be responsible for the prompt collection of dues from the membership. All checks shall require at least two signatures. Those authorized to sign checks shall be nominated by resolution of the Board of Directors. A financial report shall be distributed, by publication to the members of the Board of Directors and, upon written request, made available to Chapter Chairpersons on an annual basis. An audit will be performed by an independent auditor at least every two years and at the time a new Treasurer takes office. This audit will include all monies administered by the Society.

Section 9. The Immediate Past President shall be a member of the Executive Committee, for a term of one year (unless the newly elected President is later elected for a second term, in which case the term of the Immediate Past President shall be for two years) beginning with the commencement of the term of a new President.

Section 10. An Executive Director may be employed and assume the duties and responsibilities as designated by the Board of Directors.

Section 11. Any officer or director who has accumulated two or more absences from duly-noticed meetings of the Board of Directors and/or of the Executive Committee during a single term of office may be removed upon two-thirds vote of all current members of the Board of Directors, with the exception of the vote of the person proposed to be removed.

ARTICLE V. DUES

Section 1. The annual dues shall be established by the elected Board of Directors.

(a) Annual dues shall be payable in advance and shall become due and payable on the first day of April each and every year.

(b) A bill for annual dues plus a membership card shall be mailed to each Member thirty days before due date.

(c) New Members shall receive a diploma-type membership certificate to indicate their grade of Membership and year of joining the Society. Charter Membership shall be so indicated upon membership certificates. Members who have been upgraded, shall receive a new diploma-type certificate to indicate their new grade and year of achievement.

(d) When a Member's dues are one month in arrears, a final notice shall be mailed by the National Office. When a Member's dues are three months in arrears, his membership shall be suspended.

(e) Reinstatement and Resignation shall be handled upon a basis to be determined by the Board of Directors.

(f) **Military Service:** Any Member entering Military Service shall have his dues placed in abeyance, with no further payments necessary until his release from Military Service.

(g) The dues of an individual member other than a student or associate member, may be placed in abeyance, with no further payments necessary during a fixed period of time upon a written showing of financial or other hardship satisfactory to the Membership Committee of the Board of Directors.

Section 2. The amount of rebate of dues collected from Members to local and regional chapters shall be determined by action of the Board of Directors and remitted to these chapters.

Section 3. Assessments upon Members shall be made only upon resolution of the Board of Directors and approval by a Majority vote of the eligible membership.

Section 4. Members holding the Life membership class of membership are exempt from payment of dues.

ARTICLE VI. COMMITTEES

Section 1. The Executive Committee shall act on behalf of the Board between Meetings of the Board of Directors. Its actions shall be those of the Corporation and binding upon it, unless overruled by vote of the full Board of Directors. The Committee shall be responsible for the execution of policy established by the Board of Directors, and shall provide policy guidance to the President, Executive Director and staff.

Section 2. The following Committees may be appointed by the President with the consent and approval of the Board. The chairmen of each committee shall be a member, or past member, of the Board of Directors, and all officers shall be members *ex officio* of each committee. Appointees to the committees must be members of the Society, but need not be members of the Board of Directors.

- | | | |
|-----------------|-------------------|---|
| (a) Nominations | (d) Certification | (g) Frequency Coordination |
| (b) Membership | (e) Fellowship | (h) Chapter Liaison |
| (c) Finance | (f) FC Liaison | (i) Such other Committees as may seem necessary |

BY-LAWS

Section 3. The duties of these committees shall be defined by the Board of Directors.

ARTICLE VII. ORDER OF BUSINESS

Section 1. At each annual meeting of the Society, the general order of business shall be as follows:

- Remarks or address of the President
- Report of the Secretary
- Report of the Treasurer
- Reports of Committees
- Results of Elections
- Unfinished Business
- New Business

Section 2. Roberts' Rules of Order, to establish procedure and ensure decorum, shall govern all meetings of the Society and its subdivisions.

ARTICLE VIII. NOMINATIONS AND ELECTIONS

Section 1. Nominations.

(a) A nominating committee shall be appointed by the Board consisting of at least three members. At least one hundred and twenty (120) days prior to the date fixed for the election of Officers, they shall nominate a slate of Officers and notify each member of such nominations by mail or by notice in a regular Society publication which is distributed to all members. The proposed slate of Officers will be sent to all Chapter Chairpersons not less than ninety (90) days prior to the election date, with a request for additional nominations.

(b) Any voting member in good standing, by letter to the Secretary, not less than sixty (60) days prior to the election date, may propose and nominate a candidate, and the name of any eligible candidate so proposed by ten (10) members or more shall be entered on the ballot.

(c) The attendance and voting records of Board of Directors members or other elected officers who are nominated to re-election shall be published and mailed to every voting member at least thirty (30) days prior to the election date.

Section 2. Elections. Elections shall be by mail Ballot which shall be mailed to every voting Member in good standing at least thirty (30) days prior to election date. The votes shall be canvassed by a Board of Tellers, consisting of not less than five (5) Members in good standing appointed by the Board of Directors.

The results of the Election shall be reported by the Chairman of the Board of Tellers to the President within ten (10) days of the date of the election. The President shall then report the results to the Secretary, who shall notify the membership.

ARTICLE IX. AMENDMENTS

Section 1. Proposals for amendment of these By-Laws may be made as follows: By written resolution signed by at least 25 voting members of the Society in good standing; by motion of any three Directors, or of the Executive Committee, or of any officer of the Society, at any regularly scheduled meeting of the Board. Such resolutions and motions shall be submitted to counsel for approval as to legality. Thereafter, such proposed amendments will become effective after two-thirds vote of the entire Board of Directors. Such Board vote shall be taken on such proposed amendments within 180 days of the submission of the resolution or motion to the Board.

The by-laws may also be amended by a majority vote of the membership at large. A full membership vote shall be held within 120 days following the first Board of Directors meeting after 5% of all chapter chairpersons, representing the majority of their chapter members in good standing, submit a proposed amendment, addition or deletion, and petition for a full membership vote. The Board of Directors shall then have the option of voting on the proposed amendments, and if affirmed, in their entirety, render the full membership vote unnecessary. The SBE counsel shall be available to assist chapters with any such proposed amendment.

Section 2. Copies of the amended By-Laws shall be distributed by mail or published in a Society publication which is distributed to all members in good standing within 60 days after passage and enactment.

ARTICLE X. REGIONAL, LOCAL, CHAPTER CONSTITUTIONS

Section 1. Subdivisions of the Society shall be governed by the By-Laws substantially in form and agreement with these By-Laws as set forth in the provisions of the Operating Guide for Chapters.

Section 2. The By-Laws of such subsections of the Society shall be approved by counsel, the Executive Committee of the Society, or such sub-committee as they shall designate, and the Board of Directors, before authorization is granted.

Section 3. The Executive Committee and the Board of Directors shall have the power to make changes from time to time in the Operating Guide for Chapters as serve the best interests of the Society.

ARTICLE XI. ASSETS AND FUNDS

Section 1. No Member, Director, Officer, or employee of the Society shall have any title, rights, or interest in any of the assets and funds of the Society; all assets and funds of the Society shall be held exclusively by the Society.

MEMBERS ALPHABETICALLY

Certification categories are given at the end of each name, if SBE Certified. CBT = Certified Broadcast Technologist, CBRE = Certified Broadcast Radio Engineer, CBTE = Certified Broadcast TV Engineer, CSRE = Certified Senior Radio Engineer, CSTE = Certified Senior TV Engineer, CPBE = Certified Professional Broadcast Engineer, CSBE = Certified Senior Broadcast Engineer. Membership categories are given at the end of each entry. M = Regular, E = Student, A = Associate, S = Senior, C = Charter, L = Life. (* = Chapter Chairman, + = SBE Board Member)

SCALA

Celebrating 40 years of quality and service to the broadcast industry

The world's finest professional antennas for:
Aural STL, TSL and ICR links
RPU and OB systems
Remote control systems
Microwave systems (2 to 20 GHz)
Low-power TV transmission (to 1KW)
TV and FM translators & boosters
Precision off-air monitoring of FM and TV
MMDS/ITFS (wireless cable) transmission

Scala also offers base station antennas, filters, transmitter combiners, receiver multicouplers, transmission line and accessories for a wide range of other applications throughout the 40 MHz to 2 GHz spectrum, including cellular, paging, multipoint, trunking, PCN, PCS, control/data networks, and conventional two-way radio systems. We would be very pleased to assist you!

Instruments & Life Support

Commercial Products

CHECK THIS OUT**Transmission Line Maintenance Made Easy**

Litton's InstaGas™ nitrogen concentrators provide valuable protection to coaxial cable while pressurizing with clean, dry, high purity nitrogen.

HERE'S WHAT OUR CUSTOMERS ARE SAYING . . .

"Reliable source of high-purity gas within minutes of start-up"

"Easily configured and compact for many applications."

"Eliminates safety hazards and hassles of transporting bottles."

"Dramatic cost of gas savings."

To learn about InstaGas™ products, including the turn-key system installed on Mt. Wilson California, call or write Litton Instruments & Life Support, P.O. Box 4508, Davenport, Iowa 52808-4508 • (319) 383-6000 • (800) 553-1860 • FAX (319) 383-6323
