BIG AL AND JESSICA WIN HERALD-POST DJ CONTEST

KBNA-AM/FM's Jessica and Big Al won the El Paso Herald Post's DJ contest with more than 50,000 votes.

Jessica y Big al de KBNA-AM/FM ganaron el concurso de animadores de El Paso Herald-Post con mas de 50,000 votos.

Big Al (Alberto Calvo) and Jessica (Olga Dunlop) bill themselves as "Two Tons of Fun" and when the El Paso community had an opportunity to vote for their favorite disc jockeys, Big Al and Jessica received twice as many votes as anyone else! They say winning the favorite disc jockey contest was "like winning the Super Bowl".

Part of their morning show is laughs. They are constantly making jokes and insulting each other. But there is a serious side, too.

"All I want to do is to have people realize that everyone is worth a lot," Big Al said. "Together in the spirit of unity and pride, we want to get people together, get them enthusiastic and get them feeling good about themselves and make them realize their importance."

"Their listener support comes from every walk of life—from the youngsters to the senior citizens" said one KBNA supporter. "They play our music—they're our people".

Big Al (Alberto Calvo) y Jessica (Olga Dunlop) se autodenominan "Dos Toneladas de Diversion" y cuando la comunidad de El Paso tuvo una oportunidad para votar por sus animadores favoritos, Big Al y Jessica recibieron el doble de votos que los demás! Ellos dicen que el ganar el concurso del animador favorito es algo "Semejante a ganar el Super Bowl"

Parte de su programa matutino es de risa. Constantemente estan diciendo chistes e insultandose mutuamente. Mas existe un lado serio tambien.

"Todo lo que quiero hacer es que la gente se de cuenta de que cada uno vale bastante," dijo Big Al. "Juntos en el espíritu de unidad y orgullo, nosotros queremos que la gente se una, hacerla entusiasta y hacerla sentirse bien acerca de si misma y hacerla que se percate de su propia importancia."

"El apoyo de sus escuchas proviene de todos los ámbitos—desde los jóvenes hasta las personas de edad avanzada" dijo uno de los que apoyan a KBNA. "Ellos tocan nuestra música—ellos son nuestra gente."

K-LITE 94½

KELT-FM
Lite Rock

K-Lite celebrated its third birthday throughout the month of September. On September 25th the station hosted a Valley-style blow out with Johnny Dee and the Rocket 88's at the Villarreal Convention Center in McAllen.

The station received lots of help from their celebrity friends wishing the K-Lite Krew a happy 3rd birthday:

- Patrick Swayze of "Dirty Dancin"
- Reo Speedwagon's Kevin Cronin
- Restless Heart's John Deitrich
- Dan Hill
- Carly Simon
- Force MD's

Cinemark Theaters and K-Lite gave away a movie a week for an entire year! Listeners called in when K-Lite gave them the cue. Through the phone call, they registered for the September 20th drawing by wishing K-Lite a Happy Birthday that was played back on the air.

After a very successful first year, K-Lite renewed their Solid Gold Saturday Night contract for another year. And Supergold made its debut on K-Lite in mid-July. These two programs are America's most highly rated oldies shows.

K-Lite was one of a very few select stations across the country granted market exclusive broadcast rights to Billy Joel Live in Leningrad Russia. It was the first time an American artist's performance was beamed back to the United States for live broadcast. K-Lite was proud to be a part of an historic international moment.

A lot of stations say they play a lot of music, but K-Lite has always played the most music in the Valley. Instead of just saying it, though, we proved it! Listeners were asked to guess how many songs K-Lite would play during MOST MUSIC AUGUST. Eli Ochoa of Progresso hit the nail on the head! Her guess of 11,798 songs was worth a panasonic K-Lite Kompact Disc Player and almost \$200 worth of K-Lite Kompact Discs.
