# KBNA NAMED STATION OF THE YEAR FOR 1992

Dan Wilson, General Manager, and Kathy Clark, General Sales Manager, were ecstatic to receive the prestigious Founder's Trophy for Station of the Year for 1992. The radio stations surpassed 1992 revenue projections by 29.5 percent and eclipsed Net Operating Income projections by 527.9 percent. Against 1991, the percentages could not be calculated because of the astronomical improvement in performance. Not only has KBNA overperformed in the financial and sales arena, it continues to rank #1 or #2 in the market and continues its strong involvement in the Hispanic community.

four stations super-serving the San Antonio Hispanic market.

Por medio de un LMA con Genesis Broadcasting, Inc., TMS inició las operaciones de la emisora de radio KSRR-FM el 15 de marzo de este año. Las investigaciones de mercado basadas en la composición de audiencia y en sus preferencias del tipo de música, harán posible afinar el formato y determinar la mezcla correcta de música para que se complemente con su emisora hermana la KCOR-AM.

Con la adición de KSRR-FM, TMS tendrá 4 emisoras sirviendo de maravilla al mercado hispano de San Antonio.

Dan Wilson, Gerente General y Kathy Clark, Gerente General de Ventas, estuvieron muy contentos al recibir el prestigiado Founder's Trophy por la Emisora del Año 1992. Las emisoras superaron las proyecciones de 1992 en un 29.5 por ciento y sobrepasaron los ingresos netos sobre la operación en un 527.9 por ciento. No fue posible

comparar los porcentajes con el año anterior debido a esa subida astronómica. KBNA no sólo se ha superada en el área de utilidades y ventas, sino que además sigue siendo la emisora Nº 1 o Nº 2 en el mercado y continúa su sólido compromiso con la comunidad hispana.
