**I'LL BE
ON MY WAY**

The sun is fading away,
That's the end of the day
As the June-light turns to moonlight
I'll be on my way.

Just one kiss then I'll go,
Don't hide the tears that don't show,
As the June-light turns to moonlight
I'll be on my way

To where the winds don't blow
And golden rivers flow
This way I will go.

They were right, I was wrong—
True love didn't last long.

As the June-light turns to moonlight
I'll be on my way.

(Repeat from "To where the winds
don't blow" to end.)

**DO YOU WANT TO
KNOW A SECRET ?**

You'll never know how much I really love
you,

You'll never know how much I really care.

Listen, do you want to know a secret?
Do you promise not to tell?

Whoa—closer let me whisper in your ear,
Say the words you long to hear,
I'm in love with you-ooo.

(Repeat from "Listen, do you want to
know" to "you-ooo".)

I've known the secret for a week or two,
Nobody knows just we two.

(Repeat from "Listen, do you want to
know" to "you-ooo".)

MISERY

The world is treating me bad—Misery
I'm the kind of guy who never used to cry
The world is treating me bad—Misery

I've lost her now for sure
I won't see her no more
It's gonna be a drag—Misery

I'll remember all the little things we've done
Can't she see she'll always be the only one
—only one

Send her back to me, cause everyone can
see
Without her I will be in Misery

I'll remember all the little things we've done
She'll remember and she'll miss her only
one—lonely one

Send her back to me, cause everyone can
see
Without her I will be in Misery

In Misery
My Misery

ASK ME WHY

There ain't a damn you tell me things I want
to know

And it's true that it really only goes to
show

That I know that I, I, I should never
leave, never be free

How can he give me happiness still making
me cry

And in this case I understand the reason
—why

We just became I know

But none of the others that I never had
I just never let it happen to me
I just wanted to know why

Ask me why I'll see I love you
And I'm never thinking of you

I know you love me but you thought I never
to know

Send it back to me, I need you good because
that I know that I, I, I should never
leave, never be free

And I know that you love me
And I know that you love me

I can't believe it's happened to me
I just thought of you and I know

And the way it's all over now and I
never thinking of you

HOLD IT TIGHT

It's not just the way you hold your pen that matters, but also the way you hold your pencil. A good grip can make a big difference in your writing.

There are many different types of grips available, so it's important to find one that works for you. Some people prefer a simple, traditional grip, while others prefer a more ergonomic design.

When choosing a grip, consider your hand size, the way you write, and the type of writing you do. A good grip should be comfortable, provide a firm hold, and allow you to write without any pain or discomfort.

I'LL KEEP YOU SATISFIED!

You don't need anybody to hold you down I stand with my arms open wide from the open end—remember what I told you PT says you shouldn't.

You don't need anybody to love you every day PT on some by your side. That's no way, PT do stand tall I might also say.

PT says you shouldn't
You can always get a mouth thing like love
Anything

But it's different with a boy like me
And I know the rules

So listen—everything that I told you
And agree that with me by other side
You don't need anybody to hold you
PT says you shouldn't.

Remember how "You can always get
a mouth thing like love" to me!
Show my love and remember what
I told you
PT says you shouldn't.

I WANT TO HOLD YOUR HAND

PT says PT says you shouldn't
I know your's experiences
I want to hold your hand
I want to hold your hand
I want to hold your hand
I want to hold your hand

Oh, remember to be
You'll see me by your
And agree to be
And agree to be
And agree to be
And agree to be
And agree to be

PT says PT says you
I want to hold your
I want to hold your
I want to hold your
I want to hold your
I want to hold your

But you get the message
I want to hold your
I want to hold your
I want to hold your
I want to hold your
I want to hold your
